Chapter 881: The Night Clan (3)

"I don't know. She probably encountered another problem!" Cheng Wu guessed. However, he was right. Leng Ruoxue did encounter a problem.

"So what do we do?" Lü Tao was worried.

"Don't worry, we have to have confidence in Miss. There's nothing in this world that Miss can't do," Feng Da said calmly. In his heart, Leng Ruoxue was absolutely omnipotent.

Leng Ruoxue naturally didn't know about the secret communication between Feng Da and the others. At this moment, her attention was focused on the God Binding Array. The reason why she stopped was because she realized that after undoing the 15 arrays, the speed and location of the array were disrupted again. This situation was not explained in her master's method of undoing the array, so she could only search carefully again.

That was because of her first experience, she quickly found the direction of the array formation, grasped the flow rate of the array formation, and continued to dismantle it...

However, when she deciphered the thirtieth formation, the same situation happened again. She was mentally prepared for this, so after observing for a while and finding the flow rate and direction of the formation again, she deciphered it again...

Then, when she solved the 45th, 60th, and 75th formations, the patterns of the formations continued to be disrupted. However, with her previous experience, she quickly resolved the problem.

There were many array formations in the God Binding Array, which was also known as the array within the array. Therefore, it was abnormally complicated to crack. Moreover, one had to be careful when cracking the array. Otherwise, one wrong step would lead to many mistakes.

It had already taken Leng Ruoxue a month to solve the 75th array. When she began to solve the 76th array, she realized that the difficulty of the array had increased. Her master had never mentioned these unexpected situations, which made her want to cry. However, she had already solved so many arrays, so she naturally didn't want to waste all her previous efforts. Therefore, she could only accept her fate and continue to solve it...

At the other end of the formation.

/

Everyone from the Night Clan gathered in front of the light screen and stared intently at Leng Ruoxue. From time to time, they would look at the God Binding Array that was still operating. At this moment, most of the array formations on the God Binding Array had stopped operating, but the most important ones continued to work. The remaining few were also the most important and complicated ones in the God Binding Array.

"Can the lass handle it, Chief?" one of the Night Clan couldn't help but ask. His face was expressionless, but he was nervous. After being trapped for so long, it was up to the lass to get him out.

"I think so!" The leader of the Night Clan was not very confident. The fact that she could undo seventy-five formations was enough to show that her attainments in array formations were not low. However, the last six were extremely important, so he could not be sure. Alas! He did not dare to let his clansmen have too much hope. After all, the higher their expectations, the greater the disappointment in the end.

At this moment, Leng Ruoxue, who was focused on solving the array formation, naturally didn't know what the Night Clan was thinking. However, her interest in the God Binding Array was growing.

In the solution left behind by her master, there was only the basic solution to the array. However, there was no mention of the possible accidents during the solution process and the solution to the last six array formations. These situations were also discovered and resolved by her during the solution process. Therefore, at this moment, she was very confident and motivated!

Hmph! Seventy-five formations had been taken care of. She didn't believe she couldn't handle the last six. In any case, she was fighting this God Binding Formation. Besides, she had to break it. Otherwise, she would be injured.

"This array is so difficult!" Feng Da sent a voice transmission to Cheng Wu and the others. It had been more than a month, but the God Binding Array had yet to be unlocked.

"That's right!" Cheng Wu nodded. Under the lead of the golden snake, they had already finished circling the Dark Night Seas. However, the young lady's array formation had yet to be resolved.

"Calm down, there's only six left!" Lü Tao comforted her.

"Didn't you notice that the speed at which Miss deconstructs the last few array formations has slowed down? This means that the last few are very difficult," Cheng Wu reminded.

"Sigh!" Everyone could not help but sigh. This God Binding Array was too torturous. If they had not solved it after so long, they would have gone crazy long ago.

After another half a month, Leng Ruoxue finally settled the three large arrays and found some patterns to deconstruct them.

After finding the pattern, it was much easier to solve the next few array formations. However, after she solved the 80th array formation, she was stuck on the last array formation.

The last array formation was located in the center of the entire God Binding Array. In other words, the 81st array formation was the array formation, and it was also the largest eye of the God Binding Array. Therefore, the difficulty of this array formation instantly increased by several levels. Oh! Compared to the previous array formation, this was a small God Binding Array.

In the center of the God Binding Array, a ball of light surrounded it. It was covered in strange symbols and emitted a dazzling light. Leng Ruoxue looked at this thing that was both an array and the eye of the array and had a headache because she really didn't know where to start!

Leng Ruoxue closed her eyes and pondered quietly. The process of removing the array appeared in her mind. After a while, when she opened her beautiful eyes again, her eyes flickered and her eyes lit up. A bold idea formed in her mind...

After calming down, Leng Ruoxue resolved the last array according to her thoughts...

Time passed minute by minute. Leng Ruoxue kept casting various dazzling spells with both hands, while Feng Da and the others could not help but hold their breaths, not even daring to breathe loudly!

The Dark Night Clan members were equally nervous.

After an unknown period of time, when the last light on the God Binding Array had dimmed and disappeared, the entire God Binding Array had finally been successfully unlocked...

After Leng Ruoxue undid the God Binding Array, she finally relaxed, but she fainted from exhaustion...

“Miss!”

“Xue’er!” Everyone exclaimed. The freak nervously hugged Xue’er and fed her a pill.

Chapter 882: The Night Clan (4)

Not long after, Leng Ruoxue slowly opened her beautiful eyes.

“Freak, I’m hungry.” After Leng Ruoxue opened her eyes, the first thing she said was that she was hungry. This made everyone not know whether to laugh or cry. However, they also knew that Miss was indeed hungry. After all, in the past two months, Miss had not eaten a single grain of rice. Well! She had only eaten pills.

“Miss, I’ll roast meat for you,” Cheng Wu quickly said. Then, he started a fire in the hall to roast the meat.

As the fragrance of the roasted meat reached Leng Ruoxue’s nose, she suddenly realized that the feeling of not eating for more than two months was really uncomfortable! Boohoo... This taste was so nostalgic.

A moment later, Cheng Wu handed the roasted meat to Leng Ruoxue.

Leng Ruoxue took the roasted meat without hesitation and started eating.

“Cough!” Suddenly, a light cough sounded in everyone’s ears.

Everyone followed the source of the voice and saw a group of men in black, covered from head to toe, standing not far from them. Instantly, they became alert and looked warily at the group.

“Who are you?” Cheng Wu pretended to be calm and asked. He was already a Mystic Supremacy, but he still could not see the strength of these people, so he was very nervous.

“Are you people trapped in the array?” Leng Ruoxue asked as she ate the roasted meat.

“Yes, the leader of the Night Clan, An You, has led 530 members of the Night Clan to meet Master.” The leader of the black-clothed people bowed slightly.

“I’m Leng Ruoxue. You can call me Miss. You don’t have to call me Master,” Leng Ruoxue said calmly, not nervous at all because of their appearance.

“Okay.” An You felt much better after hearing Leng Ruoxue’s words. He also had a better impression of Leng Ruoxue, who had saved them. Even though they had no choice but to become this little girl’s servants because of the God Binding Array, they were not very willing after all. Leng Ruoxue’s words gave them a way out.

“An You, why are you trapped in the God Binding Array?” Leng Ruoxue asked curiously.

“Miss, I’ll explain later. What we need to do now is to leave this place as soon as possible,” An You reminded her. Once the God Binding Array was unlocked, the person who set up the array would immediately know. Therefore, it would be very dangerous for them to stay here any longer.

“Alright, let’s go!” Leng Ruoxue nodded. She knew An You’s concerns, so she naturally had no reason to object.

With that, Leng Ruoxue left the hall with everyone.

After leaving the main hall, Leng Ruoxue and the others returned to their temporary camp. At this moment, only their team was stationed in the camp. Other than Ma Ming’s team that they had destroyed, the other two teams had already left. Not only that, when she was untying the divine formation, Ren Xuan, Leng Qingtian, and the others bade farewell and left the Dark Night Sea to return to the Cloudwind Continent.

Leng Ruoxue and the others simply packed their things and were about to leave when An You suddenly said nervously, “Miss, it’s too late. Quickly find a place to hide.”

After hearing An You’s words, Leng Ruoxue put everyone into the bracelet without hesitation.

“Uh! Where are we?” An You asked, puzzled by the sudden change in scenery. Even though they belonged to the Night Clan, they didn’t entirely like the dark. And the fact that the Dark Night Seas didn’t see the sun all year round was also someone’s doing.

“This is my space. You can rest assured now.” Leng Ruoxue chuckled.

“Yes.” An You nodded, surprised. He hadn’t expected his cheap master to have his own space. It was incredible, but they were indeed much safer here. After all, they had been trapped in the God Binding Array for many years, and their cultivation levels were not as high as before. If they were to clash head-on with the person who had come, they would probably both be injured.

After the surprise, An You and the others curiously toured the space, while Leng Ruoxue observed every move outside through Qing Jue.

Not long after they entered the bracelet, a group of unidentified men in black arrived at the Dark Night Seas. They were dressed exactly the same as An You and the others, but their auras seemed to be stronger.

Leng Ruoxue looked back at An You, who was standing not far away from her and also staring outside with an inexplicable expression. She said knowingly, “Are they also from the Night Clan?”

“Yes.” The dark eyes darkened, and he nodded.

“They are traitors to the Night Clan!” one of the Night Clan said suddenly, his eyes filled with hatred.

“Oh!” Leng Ruoxue replied faintly and stopped talking. She turned around and continued to observe the situation outside.

At this moment, the Dark Night Seas was being searched by the group of men in black. Wherever they went, it caused chaos. Countless beasts who had conflicts with them were killed or injured...

However, they searched the entire Dark Night Seas and could not find the person they were looking for. This made them furious!

"Chief, we didn't find An You and the others," a man in black reported to the leader.

"They can't have left so quickly. Where did they hide?" The leader of the black-clothed people was full of doubts. He really didn't expect that there was someone else in the world who could undo the God Binding Formation. Sigh! If he couldn't find An You and the person who could undo the God Binding Formation, he was afraid that his master would...

"Chief, we've searched everywhere. There's no sign of them," someone else reported.

"I don't believe they can run that fast. Blow up this Dark Night Seas. I don't believe we can't kill them!" the leader of the black-clothed men said fiercely.

"Yes," the men in black replied. Then, as a group, they retreated. However, before they left, they left behind enough special explosives to destroy the entire Dark Night Seas...

In the bracelet.

Leng Ruoxue was shocked when she heard the words of the group of people in black outside. Those people were really too crazy. Even though she didn't know if there were still people training in the Dark Night Seas, there were still many beasts here!

However, before she could think about it, there was a loud bang, and then the screen in front of her was filled with flying sand and stones. She couldn't see anything.

Chapter 883: The Night Clan (5)

"Boohoo... My home is gone." After hearing the explosion, the golden snake that Leng Ruoxue brought into the bracelet immediately burst into tears.

"Don't cry! You can treat this as home in the future." Leng Ruoxue quickly comforted. Sigh! She couldn't stand seeing beasts cry the most.

An You and the others were also very upset when they saw the explosion outside. After all, this was their home.

Feng Da and the others did not know what to say. Sigh! Even though there was no daylight here, they had been here for more than three months. How could they not have any feelings for each other? However, they were actually blown up by a single sentence.

Then, there was silence.

After a moment, An You said, "Those people are coming for us."

"I'm afraid there's still me!" Leng Ruoxue said knowingly. She had unlocked the array formation that trapped An You and the others. She was afraid that those people had already classified her as an enemy. However, she didn't care. Anyway, she didn't have to worry about debts!

“Miss, we’ve caused you trouble,” An You said guiltily. When Leng Ruoxue undid the array, he only thought that his people could escape and they would have a chance to take revenge, but he ignored the trouble it would bring to Miss.

“How can I blame you? I wanted to break the array myself. You can’t stop me,” Leng Ruoxue said indifferently. She had never been afraid of anyone in her life. Besides, no matter how powerful the enemy was, she wouldn’t be afraid. If she couldn’t deal with them now, she could just deal with them when she could.

“However, you have to tell me what’s going on! I don’t want to be confused and not even know who the enemy is,” Leng Ruoxue said.

“We have more than one enemy, my lady,” An You explained simply. “Among them are those you have just met. They were once our people, but they betrayed the Night People. However, we have been trapped for tens of thousands of years, and we are not as strong as we once were, so it will not be easy to deal with them now.” She was too weak now, so he did not want her to know too much, and he did not want to pressure her.

“It’s not too late for a gentleman to take revenge. Besides, you’ve endured for so many years. So, when we’re strong enough, we’ll think about revenge! In the future, let’s seize the time to cultivate well.” Leng Ruoxue saw that An You didn’t want to say too much and didn’t force him. Anyway, she would find out one day.

An You thought for a moment and said, “Yes, Miss. If we can cultivate here, our strength should be restored within five years.”

“Oh! Then cultivate well here! I’ll go out and see the situation outside,” Leng Ruoxue said.

“Miss, I’d better go out!” An You said worriedly.

“Don’t worry, those people have already left. I’m just going out to find a way out of here,” Leng Ruoxue said helplessly. She didn’t know how badly the Dark Night Seas had been destroyed by those men in black. Sigh! Actually, she quite liked this place. Moreover, she didn’t feel that it was as dangerous as others said.

With that, Leng Ruoxue left the bracelet with the freak.

After leaving the bracelet, Leng Ruoxue looked at the mess in front of her and was furious. Even though this was not her home, anyone would be angry when they saw that the place was destroyed beyond recognition.

“Xue’er, based on the current situation, it won’t be easy to find the way back to the Boundless Heaven Continent!” The freak said with a headache.

“Qing Jue said that the Boundless Heaven Continent should be in the east. Let’s go east!” Leng Ruoxue communicated with Qing Jue and said to the freak.

“Okay.” The freak nodded, then pulled Leng Ruoxue towards the east of the ruins...

After walking for nearly half a day, Leng Ruoxue and the freak finally found the path they came from and left the Dark Night Seas.

Standing on the vast plain, Leng Ruoxue looked at the entrance to the Dark Night Seas with some reluctance. She was extremely depressed. Even though she had been in the Dark Night Seas for more than three months, she had been undoing the God Binding Array for the next two months. Therefore, it could be said that her trip to the Dark Night Sea was in vain. Uh! Actually, it was not in vain. After all, she had unlocked the God Binding Array and obtained the Night Clan. However, she still felt quite regretful that she could not explore the entire Dark Night Seas.

What she didn't know was that herbs, ores, and beasts weren't the best in the Dark Night Seas. The most valuable thing there was the Night Clan trapped in the God Binding Array. However, not everyone could discover the Night Clan, let alone undo the God Binding Array. The reason why the Night Clan was trapped there was because the person who set up the array was too confident in his God Binding Array. Therefore, he didn't expect the Night Clan to be rescued by Leng Ruoxue by chance.

"Xue'er, stop looking," the freak said with some amusement. From the looks of it, Xue'er seemed to want to stare a hole in the path that led to the Dark Night Seas. However, even if she kept staring, she would never have the chance to go to the Dark Night Seas again.

"Yes, freak, let's go!" Leng Ruoxue nodded.

"Okay, Xue'er, where are we going?" the freak asked with a faint smile.

"Let's go back to Myriad Mountain City to take a look!" Leng Ruoxue thought for a moment and then summoned the little peacock and moved Feng Da and the others out of the bracelet.

"Yes." The freak nodded. Except for Myriad Mountain City, they didn't seem to have a permanent residence on the mainland. But they wouldn't be there long, so it didn't matter where they went.

Everyone sat on the back of the little peacock and flew towards Myriad Mountain City...

Ten days later, everyone arrived at Myriad Mountain City.

As it was already late at night, Leng Ruoxue didn't alarm anyone, so she instructed the little peacock to land directly in the backyard where they had once lived.

"I'm going to bed. Do whatever you want!" Leng Ruoxue said to everyone and pulled the freak back to her room irresponsibly.

After entering the room, Leng Ruoxue found that the furnishings in the room were as usual. Moreover, the room was spotless. The butler probably sent someone to clean it every day.

The next morning.

Before Leng Ruoxue and the freak left the room, they heard a piercing scream in the courtyard and left the room.

"What happened?" Leng Ruoxue asked curiously.

"Miss, it's none of my business. She cried out when she saw me." Cheng Wu pointed at a middle-aged woman around forty years old and spoke with slight grievance.

“M-Miss, you’re back!” The middle-aged woman rubbed her eyes in disbelief. However, she immediately shouted, “Someone!”

When Leng Ruoxue and the others heard this cry, they couldn’t help but be speechless. They thought to themselves, This auntie is really energetic!

Before the middle-aged woman could finish her sentence, a few figures quickly appeared in the courtyard.

“What happened?” The Head Butler asked anxiously before he could stabilize himself. However, when he saw Leng Ruoxue, his eyes immediately widened in surprise.

“Miss, you’re finally back. Woo...” The butler was so excited that tears welled up in his eyes and his words were slurred.

“Yes, everything’s fine!” Leng Ruoxue asked with a light smile.

“Myriad Mountain City is fine. We... miss you very much,” the head butler said sheepishly.

“I miss you guys too,” Leng Ruoxue replied.

“Hehe!” The Head Butler was even more embarrassed after hearing Leng Ruoxue’s words. However, when his gaze accidentally swept past Cheng Wu and the others, it immediately bloomed with hatred and he waved his fists at them...

“Damn it, how dare you heartless people come back!” The Head Butler chased after Cheng Wu and the others relentlessly.

Apart from hiding, Cheng Wu and the others did not retaliate at all. Uh! This was mainly because they felt guilty. This was because they had used some shady methods to successfully leave the Myriad Mountain City! Therefore, the honest butler was left behind to guard the house again.

“Sigh! It’s good to be young!” The disheveled old man looked at Cheng Wu and the others who were chasing and playing.

“Uh! Are you very old?” Leng Qingtian looked at the disheveled old man and said with a faint smile.

“Not old. I’m young, too,” the disheveled old man quickly corrected himself. Otherwise, he knew, these old men would never let him go.

Chapter 884: Caught (1)

“Hmph! At least you know your place.” Leng Qingtian and the other old men glared at him and growled.

“Hehe!” The disheveled old man scratched his head speechlessly, his expression aggrieved. Boohoo... He didn’t think he had said anything! Why did these old fellows care more and more about their age! How baffling.

Leng Ruoxue looked at Cheng Wu and the others who were chasing after her, then looked at the old men and smiled helplessly. Then, she said, “Stop fighting. Cheng Wu, go and prepare. Let’s get together tonight.”

“Yes, Miss. Let’s have breakfast first!” Cheng Wu suggested.

“Yes.” Leng Ruoxue nodded.

After everyone finished breakfast, Cheng Wu and the others began to prepare the food for the dinner. As evening approached, all the preparations were completed, so everyone started eating happily at the back of the mountain...

During the meal, Cheng Wu told the butler and the others, who had been guarding Myriad Mountain City, about what they had experienced in the Boundless Heaven Continent these days. When they heard it, their blood boiled and they were extremely excited. However, after the butler heard it, he burst into tears...

“Why are you crying?” Cheng Wu was a little speechless. This guy was getting more and more childish. Sigh! He really couldn’t stand it.

“You still have the cheek to say that. If you hadn’t set me up, I could have participated in these things myself. Boohoo...” The butler sobbed.

“Uh! Someone has to stay behind to guard the house! It wasn’t easy for us to occupy Myriad Mountain City,” Cheng Wu said without much confidence, feeling a little guilty.

“Hmph! You still have the cheek to say that!” The butler glared angrily and roared.

“Uh!” Cheng Wu tactfully stopped talking. He really regretted telling them these things for no reason!

“Hehe! Head Butler, Myriad Mountain City is doing well under your management!” Seeing that the atmosphere was a little awkward, Song Di quickly changed the topic. After all, they were all involved in what happened back then, so it was better not to mention it.

“We must. This is our home,” the Head butler said proudly.

“Here’s to you, Head butler,” said Song Di quickly.

He wouldn’t hit a smiling face. Even though the Head butler was still a little angry, he picked up his glass and drank with Song Di.

“Hehe! Xue’er, these guys are really energetic!” Empty looked at Cheng Wu and the others and chuckled.

“Okay.” Leng Ruoxue nodded. She quite liked the atmosphere between her subordinates. Sometimes, fighting could improve their relationship.

“Do you have any plans for the future, Xue’er?” asked Empty.

“I want to continue cultivating. Empty, how long will it take to break through to Mystic Supremacy?” Leng Ruoxue asked curiously.

“That’s hard to say. It varies from person to person. Some people might only need a few years, while others might never break through,” Empty said after thinking.

“You’ll all break through, Xue’er,” Empty added.

“Yes, I’m very confident about this,” Leng Ruoxue said confidently.

“Haha! Can’t you be modest?” Empty said with a laugh.

“Being overly humble is hypocritical. Besides, this is the truth! Why do you have to be humble?” Leng Ruoxue said with a faint smile.

“Haha! That makes sense, Xue’er. I realize that these subordinates of yours are becoming more and more like you,” Empty said.

“Of course,” Leng Ruoxue said with a smile. It wasn’t that easy to nurture them! She had nurtured these subordinates for a long time.

“Little Xue’er, after we leave the Boundless Heaven Continent, you have to protect me!” Empty joked.

“Yes, don’t worry. As long as you’re obedient, I’ll protect you,” Leng Ruoxue promised seriously.

The two of them chatted casually, but the demon beside them was a little unhappy. He took Xue’er’s hand and said, “Xue’er, I’m tired. Let’s go back to our room!” After saying that, his bright eyes kept blinking.

“It’s still early!” Leng Ruoxue said speechlessly. She thought to herself, This guy is acting cute again. It’s really too late.

“But I’m sleepy,” The freak said, and yawned to prove his point.

“Alright then!” Leng Ruoxue replied helplessly. Then, she greeted Cheng Wu and the others before returning to her room with the freak.

After the two of them entered the bracelet together, the freak was no longer sleepy. He even shouted that he wanted to roast fish for Xue’er.

“You said you were tired just now, and now you want to roast fish?” Leng Ruoxue asked calmly, thinking, What a man’s heart!

“I have to fill my stomach before I sleep! I didn’t eat much outside,” the freak said aggrievedly, tears still flickering in his eyes.

“Alright then!” Leng Ruoxue couldn’t do anything to him. She could only go to the fish pond and catch a few silver snow fish to roast in the space.

However, there were still many beasts in the space, so it was not appropriate for the two of them to eat alone. Fortunately, many beasts could help. Just like that, Feng Da and the others were eating enthusiastically outside, and Leng Ruoxue, the freak, and the beasts were also eating heartily in the bracelet.

After Leng Ruoxue and the freak finished eating the grilled fish, they returned to the Purple Bamboo Hut to rest. However, when they left, the beasts were still eating...

The next morning.

When Leng Ruoxue and the freak came out of the purple bamboo hut, they saw that the little beasts were all lying on their stomachs with their legs facing up. Their stomachs were also full. They couldn't help but laugh. How many things had these little fellows destroyed! However, seeing them sleeping on the ground, she couldn't help but think of something and sent them back to their residence. Then, the two of them left the bracelet together.

In the courtyard, Cheng Wu and the others were also lying on the ground. Leng Ruoxue searched around and did not see her grandfather and the others. She was relieved. Oh! Fortunately, her grandfather and the others were more rational. Sigh! She had to let these guys drink less in the future.

After that, Leng Ruoxue arranged for someone to send them back to their rooms. Then, she sat in the courtyard with the freak and basked in the sun.

"Freak, let's start seclusion in a few days!" Leng Ruoxue thought for a moment as she leaned in the monster's arms.

Chapter 885: Caught (2)

"Yes." As a filial fiancé, he naturally had to fully support Xue'er's words.

"Xue'er!" Suddenly, Leng Ruohan's voice reached their ears.

"Brother, you're awake!" Leng Ruoxue said with a smile.

"Yes, I accidentally drank too much yesterday and woke up late," Leng Ruohan said in embarrassment.

"Brother woke up very early. The others haven't woken up yet!" Leng Ruoxue said helplessly.

"Still not awake?" Leng Ruohan was a little surprised. Uh! It was almost noon, but he was still asleep.

"Yes, by the way, Brother, the freak and I are planning to enter seclusion in a few days. What are your plans?" Leng Ruoxue asked.

"I'm also in seclusion," Leng Ruohan said. He did not want to be too far behind his sister and drag Xue'er down.

"Alright! Then we'll enter seclusion first and break through to Mystic Supremacy!" Leng Ruoxue nodded in agreement.

"Girl, we're also in seclusion." Leng Qingtian and the others, who had just walked out of the room and heard their conversation, hurriedly said.

"Alright, let's go into seclusion together," Leng Ruoxue said with a smile. She was very happy that everyone's mood for cultivation was high. The reason why she didn't decide to go into seclusion immediately was that she was afraid something would happen.

And just as she thought, the Luo father and son came to the door the day after they decided to go into seclusion.

In the living room, Leng Ruoxue looked at the uneasy Luo Xian and his son and couldn't help but ask curiously, "Did the Luo family encounter any difficulties?"

“No, no! It’s just that a few days ago, the Leng family sent someone to the Luo family and said that they wanted to form an alliance with us. The Shadow League also came to find me.” Luo Xian quickly explained, feeling even more nervous. Alas! He naturally knew why those two families had come to find him. Moreover, the Leng family and the Shadow League were not the only ones who had come to find him. Earlier, the Mystic Masters’ Guild and the Alchemist Guild had also sent people to the Luo family and even told him to ask for anything. This situation could not help but make the young and old of the Luo family feel flattered. However, those two guilds did not mention the alliance, so he accepted their favor. However, these two guilds were different. He did not dare to make decisions on his own, so he had to come to find his master.

“Oh!” Leng Ruoxue replied faintly and fell into deep thought.

After a while, Leng Ruoxue looked up at her grandfather and said, “Grandpa, what do you think?”

“Right now, the Luo family is not strong enough to form an alliance with the other party. If it’s really an alliance, I’m afraid it will be controlled by others.” Leng Qingtian thought for a while. If the two sides of the alliance were evenly matched in strength, wealth, and power, the alliance would have a better effect. If there was a huge gap between the two sides in all aspects, then the alliance would not be a good thing. In the beginning, this situation might not be too serious, but as time passed, the disadvantages would be revealed.

“What do you think?” Leng Ruoxue turned her gaze to the others present.

“Old Leng has a point. Now is indeed not a good time to form an alliance,” the little old man said.

“Miss, the Leng family and the Shadow League want to form an alliance with the Luo family because of your power! However, we can’t stay in the Boundless Heaven Continent for long. If we leave and the Leng family falls out with the Shadow League, no one will be able to protect the Luo family.” Cheng Wu analyzed.

“That’s right. Be it the Leng family or the Shadow League, they’re both very cunning. It’s better not to ally with them,” Feng Da said.

“Actually, it doesn’t matter if we form an alliance. After all, forming an alliance requires a contract. Therefore, even if we leave, they probably won’t dare to go back on their word. However, I still hope that the Luo family can obtain their recognition with their own strength. Luo Xian, do you understand what I mean?” Leng Ruoxue only spoke her thoughts after listening to everyone.

“I understand. I know what to do,” Luo Xian said quickly.

“Yes, you can decide on this kind of thing yourself in the future. We’ll be going into seclusion in a few days. This is for you. If there’s anything in the future, you can come to Myriad Mountain City to find the butler for help.” Leng Ruoxue handed Luo Xian a ring.

“Thank you, Miss. I will definitely work hard to develop the Luo family. I won’t disappoint you,” Luo Xian promised. He knew that everything the Miss gave him was good, so he naturally wouldn’t refuse.

“Okay, I’m looking forward to it,” Leng Ruoxue said with a smile. Then, she chatted with Luo Xian and his son for a while before sending them off.

After sending off the Luo father and son, Leng Ruoxue instructed the butler.

Three days later, everyone went into seclusion.

Immediately, Leng Ruoxue's beasts also chose to enter seclusion. For a moment, the originally lively space became quiet.

Even though Leng Ruoxue was in seclusion, with Qing Jue around, Empty could still enter and leave the space at any time. Therefore, when he had nothing to do during the day, he would bring Icy around Myriad Mountain City and return to the space to rest at night.

Meanwhile, the Luo family was also developing rapidly. Luo Xian, who had left Myriad Mountain City and returned to the Luo family, rejected the Leng family's request to form an alliance with the Shadow League. The reason was that the Luo family was too weak now and did not dare to approach them. However, the Leng family and the Shadow League did not completely give up and made many conditions that were beneficial to the Luo family. In the end, Luo Xian could not refuse their kindness, and the three families still formed an alliance.

At the same time, the relationship between Myriad Mountain City and the Luo family was even closer. After all, both families were related to Leng Ruoxue, so they naturally had to support each other.

Time passed quickly. In the blink of an eye, two years had passed since Leng Ruoxue and the others went into seclusion, and this was definitely the longest they had been in seclusion.

In the yard behind the mountain.

Two extremely handsome men were sitting in the courtyard, staring at each other.

"Is Little Xue'er still not out of seclusion?" Leng Xiaoyu asked for the umpteenth time, her handsome face filled with gloom.

"No, they won't come out of seclusion until they break through, so you really don't have to run so often!" Wu Qing sighed and said helplessly. This man came once every three months in the beginning, but in the past six months, he had come every month. Moreover, every time he came, he looked like he had been abandoned. It was really unbearable.

"It's been two years!" Leng Xiaoyu reminded him.

"I know, but I can't find them if they don't come out of seclusion!" Empty rolled his eyes and said speechlessly. Actually, he had been very depressed for the past two years!

Chapter 886: Caught (3)

"Sigh!" Leng Xiaoyu sighed. If he didn't know that breaking through to Mystic Supremacy was not easy, he would definitely be petty and think that Little Xue'er deliberately didn't want to see him.

"What are you sighing for? Did someone die in the Leng family again?" Empty said with a smile. Hehe! The Leng family's death records in recent years were actually all made by Xue'er. Just thinking about it made him feel satisfied! In the Boundless Heaven Continent, only Xue'er dared to not take the Leng family seriously.

"I'm sorry to disappoint you. The Leng family has been very peaceful for the past two years." Leng Xiaoyu suppressed her anger.

"That's quite disappointing. However, the Leng family has been peaceful for the past two years because Xue'er is in seclusion. Hehe! When Xue'er comes out of seclusion, the Leng family might be in trouble again." All of them provoked.

"Damn it, are you courting death?" Leng Xiaoyu glared at him and said fiercely.

"Tsk, I've already died once, so you can't threaten me." Empty smiled indifferently, completely disregarding Leng Xiaoyu's anger.

"Hmph! I can't be bothered with you. I'll go back first. Remember to send someone to inform me when Xue'er comes out of seclusion." Leng Xiaoyu glared at her for a while. He knew that there was nothing he could do, so he patted his butt and left.

"I'll tell you... As if!" Empty muttered to himself as he watched Leng Xiaoyu leave.

"Empty, did you quarrel again?" The majordomo appeared out of nowhere, grinning, his face full of gossip.

"What do we have to argue about?" asked Empty.

"Hehe! It's nothing, it's nothing!" The Head Butler shook his head repeatedly, but he couldn't help but feel uneasy in his heart. Everyone knew that the Leng family's ancestor always came to look for Wu! Therefore, everyone was very curious about their relationship.

Fortunately, everyone knew how to read minds and could not know what the butler was thinking. Otherwise, they would definitely vomit blood from anger.

"Anything new on the mainland lately?" Empty asked, sounding bored.

"Hehe! The Luo family is developing well. Other than Luo Xian and his son, everyone else is working hard to cultivate and improve their strength!" The butler thought for a while and said. In the past two years, he had been very close to the Luo family, so he knew a little about the recent situation of the Luo family.

"Oh! Not bad. I didn't waste Xue'er's efforts." Empty nodded in satisfaction.

"Empty, when will Miss and the others come out of seclusion?" the butler asked curiously. Boohoo... Actually, if Miss hadn't asked him to manage the affairs of the Myriad Mountain City, he would have wanted to enter seclusion too.

"I don't know. After they come out of seclusion, you should go into seclusion too!" Empty said with understanding. In the past two years, he had spent more time with the Head Butler and was considered familiar with him. The Head Butler had also advanced to Xuan Zun a year ago. However, Myriad Mountain City could not leave him now, so he could not go into seclusion to cultivate like Xue'er and the others.

"Yes." The majordomo nodded. The current Myriad Mountain City placed great importance on nurturing talents, and he had long since chosen a successor for himself. It was just that he was not too mature yet,

so he could not completely let go. However, he should be able to enter seclusion after Cheng Wu and the others came out of seclusion.

A year later.

Leng Ruoxue and the others finally came out of seclusion.

“Xue’er, you’re finally out.” In the courtyard, Empty looked at Leng Ruoxue and the others aggrievedly.

“Uh!” Leng Ruoxue couldn’t help but frown. She thought to herself, What kind of expression is that? Is it that serious?!

“Miss, I missed you so much.” The Head Butler cried again, making Leng Ruoxue and the others even more speechless.

“Alright, the two of you, don’t be so exaggerated, okay?” Leng Ruoxue couldn’t stand it anymore. She felt that the hair on her body was about to stand up.

“Hehe! Xue’er, you can all break through now, right?” Empty asked expectantly.

“Okay.” Leng Ruoxue nodded. Before they came out of the bracelet, they had already communicated that everyone could advance. However, they didn’t plan to advance immediately. After all, there were still some things that needed to be dealt with in the Boundless Heaven Continent, and she had given the Luo family ten years back then, so they couldn’t just leave now.

“I am going into seclusion, my lady,” the Head butler said quickly.

“Okay.” Leng Ruoxue nodded.

“What about your seclusion in Myriad Mountain City?” Cheng Wu couldn’t help but ask when he heard that the butler was going into seclusion. He could already tell that the butler was Mystic Supremacy.

“Don’t we have you guys? Don’t tell me you want to be hands-off managers too?” The Head Butler glared, but his expression was extremely aggrieved. Boohoo... These people had all learned bad things from Miss. None of them wanted to be in charge anymore! They were really too much.

“Uh! We don’t know when we’ll leave the Boundless Heaven Continent,” Cheng Wu reminded him.

“He hasn’t left yet, has he? I’ve found a successor. Just keep an eye on him for me,” said the Head butler.

“Chengwu, you guys can manage Myriad Mountain City for now!” Leng Ruoxue suppressed her smile. She knew that if she didn’t appear, Chengwu wouldn’t agree so easily, and she couldn’t bear to see the butler’s pitiful expression.

“All right, then!” Cheng Wu said reluctantly. Boohoo... now that the Miss had come forward, he had to listen!

“Hehe! Then I’ll leave the Myriad Mountain City to you. I’ll go into seclusion.” After saying that, the butler ran away. Well! He was afraid that a long delay would cause trouble!

Leng Ruoxue couldn't help but laugh when she saw the butler running faster than a rabbit. After that, she was bored for a while. Then, she used nearly a month to set up a defensive array for the Myriad Mountain City before leaving with the freak, Feng Da, and the others...

The main reason she left the Myriad Mountain City this time was to take a good look around the continent and visit her old friends. However, she only took Feng Da and the others with her. Cheng Wu and the others were left behind in the Myriad Mountain City.

However, when she thought of Cheng Wu and the others' resentful expressions before they left, Leng Ruoxue couldn't help but want to laugh. Sigh! It wasn't like she didn't want to go back, let alone abandon them. Did they have to pretend to be abandoned!

After Leng Ruoxue and the others left Myriad Mountain City, they first went to the Luo family.

Walking on the streets of Luoyang City, Leng Ruoxue looked at the pedestrians on the streets and the dazzling array of shops on the streets. She couldn't help but sigh. It seemed that the Luo family had really put in a lot of effort in the past few years.

Chapter 887: Caught (4)

Everyone arrived at the Luo family's main residence unknowingly.

After the guard reported, they heard urgent footsteps coming from the Luo family's main residence. Immediately after, the old and young of the Luo family ran to the door to welcome Leng Ruoxue and the others.

"Master, you're out!" Luo Xian said happily when he saw Leng Ruoxue and the others. He was so happy that he got carried away because he never dreamed that his master would come to the Luo family personally.

"Okay." Leng Ruoxue nodded and was escorted into the Luo family's main residence by Luo Xian and the others.

After arranging accommodations for Leng Ruoxue and the others, Luo Xian waited on them respectfully. He served tea and snacks eagerly.

"Luo Xian, leave!" Leng Ruoxue instructed in the room.

"Yes, Master. If you need anything, you can send someone to inform me at any time." Luo Xian left Leng Ruoxue's residence after saying that.

"Miss, it seems that the Luo family has been developing well these few years," Feng Da said as he looked at the exquisite furnishings in the house.

"Okay." Leng Ruoxue nodded, then left the room and walked into the garden.

Looking at the flowers blooming in the garden, Leng Ruoxue's mood became happy. She came to the Luo family this time to see the current situation and to set up a defensive array formation for the Luo family.

After staying in the Luo family for a few days, Leng Ruoxue told Luo Xian her thoughts. Luo Xian was very happy to hear this because he also knew that it wouldn't be long before his master left the Boundless Heaven Continent. If there was a defensive array, the Luo family's safety would be guaranteed.

However, he still did not know that the defensive formation that Leng Ruoxue mentioned was not only protecting the Luo family's main residence. That defensive formation was protecting the safety of the entire Luoyang City. When Luo Xian found out about this, he was overjoyed.

At the same time, Leng Ruoxue also expressed her request to Luo Xian to strictly restrain the descendants of the family. When Luo Xian heard this, he nodded repeatedly and promised that he would not let the descendants of the Luo family do anything that would bully the good and fear the evil.

After explaining everything that needed to be explained, Leng Ruoxue began to set up a defensive array formation for Luoyang City. After the array formation was completed, Leng Ruoxue left behind the method to use it, and they quietly left without saying goodbye.

After leaving Luoyang City, Lü Tao could not help but ask curiously, "Miss, where are we going next?"

"Let's go to Carefree City! I don't know if I'll have a chance to go there in the future," Leng Ruoxue said after some thought. The reason why she chose to go to Carefree City was because of Empty, Grandpa Du, and Zheng En.

"Girl, you're so thoughtful," the little old man said happily after hearing Leng Ruoxue's words.

"Hehe! Grandpa Du, why are you so polite?" Leng Ruoxue chuckled.

It took nearly ten days to fly from Luoyang City to Xiaoyao City.

After arriving at the entrance of Carefree City, Leng Ruoxue and the others jumped off the little peacock's back and prepared to walk into the city.

However, as he was about to enter the city, he was stopped by the guards at the city gate.

Leng Ruoxue raised her beautiful eyes and looked at the guard who stopped them in confusion without saying anything.

"Uh! I just want to tell you about the things to take note of in Carefree City." The guard blushed under Leng Ruoxue's gaze and quickly explained.

"Cautions?" Leng Ruoxue's beautiful face was full of question marks. She asked in confusion, "Since when are there precautions in Carefree City?"

Leng Ruoxue knew that there were many rules in Carefree City, but what were these precautions?

"It was there years ago," the guard said.

"Oh! Then tell me! Tell me what the punishment will be if I accidentally violate the precautions," Leng Ruoxue said patiently.

"I want to ask you first, are there bears? Ugh! I mean, do you have any bear-type beasts?" the guard asked with a cautious expression.

“What’s the difference?” Leng Ruoxue asked curiously.

“Yes! What will happen if I do?” The disheveled old man was very concerned about this, because he had bears, even though those two hairs had been staying in the girl’s space.

“It wouldn’t matter if there weren’t any bears, but if there are, you’ll have to watch yourselves. Don’t ever let the bears out, and don’t talk about them in public, or you’ll be arrested for sure,” the guard explained.

“Ah! How did this happen? Did Bear provoke you?” The disheveled old man was a little speechless. Even though he often went into seclusion, he had been to a few large main cities, but he had never seen such a rule in any city!

“Did the president of the Mystic Cultivator Association Headquarters decide this?” Leng Ruoxue said in understanding, but she was already laughing in her heart. Haha! She thought it was something to take note of! So it was related to bears. Since it was related to bears, it must be something Yu Lin did!

“Yes, yes. They’re afraid of bears, and their expressions change when they talk about bears. Therefore, it’s forbidden to bring bears and talk about bears in Carefree City now.” The guard suppressed his laughter.

“We understand. Thank you.” Leng Ruoxue led everyone into Carefree City.

“Girl, what’s going on?” The disheveled old man couldn’t help but ask when he saw the strange expressions on Zheng En and the others’ faces.

“Hehe!” Zheng En laughed evilly and vividly explained the reason to the old man and the others on the street.

Zheng En had no choice but to stop when he reached Carefree Building.

“Miss, are we still staying at Carefree Building?” Zheng En asked.

“Okay.” Leng Ruoxue nodded and walked in with the freak.

The shopkeeper of the Carefree Building recognized Leng Ruoxue and the others from afar and quickly went forward to greet them. He enthusiastically arranged accommodation for them and then sent someone to the Mystic Cultivator Association Headquarters.

It was precisely because of the information from the shopkeeper that not long after Leng Ruoxue and the others entered the room, Yu Lin came with Lan Ming.

Yu Lin and his disciple sat on the chairs in the living room. The two of them looked bitterly at Leng Ruoxue, who was sitting on the same chair. Unfortunately, she only lowered her head and drank her tea, ignoring them.

“Xue’er! Little Xue’er! Little Xue’er!” Yu Lin called her several times in a row.

“Just say it.” Leng Ruoxue raised her beautiful eyes and couldn’t stand it anymore. Sigh! Why is this guy still so...

Chapter 888: Caught (5)

“Xue’er! Don’t leave this time. Prepare to take over the Mystic Cultivator Association Headquarters!” Yu Lin mustered his courage and said, his heart filled with anticipation.

“Don’t you have Little Lan Lan?” Leng Ruoxue rolled her eyes. Her beautiful face said, “Don’t have any ideas about me.”

“Ming’er is going into seclusion. So am I. So, we can only rely on you now,” Yu Lin said pitifully. He was just wondering how to trick this girl into coming to Carefree City. He didn’t expect her to come to him. How nice.

“But I’m leaving the Boundless Heaven Continent. This time, I’m here to bid you farewell.” Leng Ruoxue’s words stunned the expectant masters.

“Leave... leave? What do you mean?” Yu Lin’s eyes widened in disbelief.

“It’s what you think,” Leng Ruoxue said lightly. She really didn’t mean to scare him.

“Uh!” Yu Lin was completely depressed after hearing Leng Ruoxue’s words. Boohoo... Where did this pervert come from? He was actually leaving Hao Tian. They were both humans, but why was the difference so huge?

When Lan Ming heard Leng Ruoxue’s words, he was even more depressed. He had been trying his best to catch up to Leng Ruoxue and the others, but he was still left far behind by them. Boohoo... He had just broken through to the Mystic Sovereign realm two years ago and was now planning to enter seclusion to break through to the Mystic Sovereign realm. Who knew that they would actually leave Hao Tian?

“Little Lan Lan, your aptitude is very good. I believe it won’t be long before you can leave the Boundless Heaven Continent.” Leng Ruoxue comforted Lan Ming.

“Yes, I will work on my cultivation,” Lan Ming said with a wry smile.

After that, they chatted with Leng Ruoxue and the others for a while before getting up and bidding farewell. At the same time, they gave up on letting Leng Ruoxue inherit the Mystic Mystic Association Headquarters.

Then, Leng Ruoxue and the others stayed in Carefree City for nearly half a month.

During this half a month, apart from catching up with Yu Lin and his disciple, they also went to the Alchemist Association Headquarters. However, the little old man and Zheng En went to the Alchemist Association Headquarters relatively more often. After all, the little old man was a god-like idol in the hearts of the alchemists, and he was about to leave the Boundless Heaven Continent. Therefore, they took this opportunity to guide the alchemists of the Carefree City.

After leaving Carefree City, Leng Ruoxue and the others went to the Leng family.

This time, however, they went quietly without alerting the rest of the Leng family. They chatted casually with Leng Shuang for a while, but before they left, they were pestered by two more resentful men. Then, under Leng Shuang’s reluctant gaze, they left the Leng family. At the same time, two more people were with them.

After leaving Proud Cold City, Leng Ruoxue and the others began to travel the Boundless Heaven Continent.

This time, unlike their previous experiences, they traveled to places they hadn't been to yet. They traveled for a year.

"Miss, a year has passed so quickly!" Sitting on the back of the little peacock, Lü Tao could not help but say. They were on the way back to Myriad Mountain City.

"That's right!" Leng Ruoxue didn't expect them to play for so long. However, this was also a form of training for them. At least, she felt that her mental realm had improved a lot. Moreover, if it weren't for Cheng Wu and the others crying and begging them to go home, they would probably be happy!

"Be careful!" Suddenly, Leng Xiaoyu, who sensed danger, warned.

"Haha, Leng Xiaoyu, you're still so vigilant!" At this moment, a laughing man appeared in front of them.

"Sun Tao!" Leng Ruoxue looked at the man in front of her and said lightly. This guy actually appeared again. How annoying.

"Haha! Beauty, so you still remember me. I'm so happy," Sun Tao said proudly.

"Are you here to die?" Leng Ruoxue didn't like to see Sun Tao's smug look and mocked faintly.

"Brother is here to take you away," Sun Tao said with a chuckle.

"In your dreams!" The freak was furious when he heard Sun Tao's words. Damn it, if he wanted to take his woman away, he had to ask if he agreed.

"I think you're dreaming too," Leng Xiaoyu said disdainfully. Sun Tao couldn't defeat him even with a high-level divine artifact, yet he still wanted to take Little Xue'er away. Wasn't he daydreaming?!

"Hehe! You'll know later if I'm dreaming or not," Sun Tao said indifferently. Then, he turned his gaze to Leng Ruoxue and said, "Beauty, why don't you take the initiative to leave with me?"

"Do you think that's possible?" Leng Ruoxue asked instead of answering.

"If you don't want them to die, go with your brother obediently!" Sun Tao reminded him.

"I don't want them to die, but I won't go with you either." Leng Ruoxue's beautiful eyes emitted a terrifying cold light as she said coldly.

"Since the beauty doesn't know what's good for her, don't blame me," Sun Tao said helplessly. Even though he wanted to be protective of the fairer sex, the beauty refused to give him a chance. Sigh! He was really sad!

"Sun Tao, you instigated Leng Hua, right?!" Leng Ruoxue suddenly asked. After Qing Jue read Leng Hua's heart, she already knew part of the truth.

"Hehe! Beauty is really smart. Yes, I ordered it. That fool still thinks he's smart! He doesn't even know that he was used by me." Sun Tao's face was filled with mockery.

"Why would Leng Hua listen to you?" Leng Ruoxue asked in confusion.

“Of course it’s because of jealousy. Haha! That fellow is actually jealous of Leng Qianye’s status in the Leng family. Therefore, when he heard that I could deal him a blow, he immediately agreed. He’s really easy to fool. He’s already a Mystic Supremacy, but he doesn’t know how to cultivate properly and only thinks about fighting for fame and fortune. It would be strange if such a person would break through!” Sun Tao said disdainfully.

“Sun Tao, what right do you have to criticize others? Aren’t you the same?!” Leng Ruoxue said disdainfully.

“I’m not like that stupid pig. I’m already a god. He has no right to be compared to me!” Sun Tao said proudly.

“God? Are all gods like you? That’s too insulting!” Leng Ruoxue’s beautiful eyes were filled with contempt.

“Little Xue’er, stop talking nonsense with him. Let’s attack together and beat him to death!” Leng Qianye said angrily. Ever since he heard that Leng Hua was causing trouble for Little Xue’er because he was jealous of him, the anger in his heart had risen. However, he was even angrier that this matter was actually Sun Tao’s doing. It seemed that the Leng family’s security should be strengthened.

“What a shameless kid. So many people are bullying my disciple!” At this moment, a cold voice suddenly entered Leng Ruoxue and the others’ ears.

Leng Ruoxue and the others were shocked. They immediately felt a powerful pressure coming at them, suffocating them. Then, a tall and handsome man in his thirties appeared in front of them.

“Who are you?” Leng Ruoxue asked warily. Her cheapskate ancestor had just sent her a voice transmission saying that this man’s strength was unfathomable and that he was not his match. He had also told her to slip away when she found an opportunity, and she had indeed felt the strength of this man in front of her.

“I’m Sun Tao’s master. My disciple has taken a fancy to you. Go with him!” The man was very domineering. After saying that, he extended his huge palm to grab Leng Ruoxue...

The little peacock carried Leng Ruoxue and the others and wanted to escape from the man’s aura, but it clearly felt a powerful suction pulling it. No matter how hard it tried, it could not fly. This made it a little anxious.

In an instant, the man raised his hand and hit the little peacock. The little peacock spat out a few mouthfuls of blood and fell to the ground. At the same time, a net of light enveloped Leng Ruoxue and pulled her up...

Leng Ruoxue wanted to break free from the net of light, but she couldn’t!

And when she tried to send the Freak and the others into the bracelet, she realized that she couldn’t move them at all.

Damn it, what was this thing that controlled even her thoughts?

In the blink of an eye, she was under someone else’s control. She had never felt so aggrieved in her life! This time, she also felt the gap between her and that man. However, Leng Ruoxue knew that she could

not be afraid, much less give up. Otherwise, the demons' lives would be in danger. Thinking of this, she hurriedly sent a voice transmission to Qing Jue, but Qing Jue did not give her any response. This made her feel that something was wrong...

"Xue'er!" The freak who was falling along with the little peacock could not help but roar angrily when he saw Xue'er being pulled away from him. His eyes even released a cold light...

"Run quickly, don't worry about me. Staying alive is more important!" Leng Ruoxue shouted at the freak and the others. This man was too powerful and was not someone they could deal with.

"Listen to Xue'er," Leng Xiaoyu said calmly as she grabbed the freak's arm. She summoned her beast and caught the falling peacock.

At this moment, Qing Jue, who had broken off contact with Leng Ruoxue, was also anxious. Damn it, it was all because its strength was too low. Otherwise, how could that thing stop it...

"Let's go!" The man looked at the freak and the others in disdain. At the same time, he grabbed Leng Ruoxue and said to Sun Tao.

"Yes, Master." Sun Tao was very respectful. He knew he couldn't disobey his master.

The man raised his hand and a gap appeared in the void in front of him. Then, the master and disciple walked in with Leng Ruoxue...

Chapter 889: Heading To The God Realm (1)

"Xue'er!" The freak watched as the two of them took Xue'er away. Hatred surged in his heart, and crystal tears flickered in his starry eyes. Finally, they flowed down the corners of his eyes...

Who said that men did not cry easily? That was just because he was not sad enough. However, seeing Xue'er being abducted in front of his eyes while he was helpless and could not fight back, the freak was filled with hatred and anger, and his anger was stuck in his chest!

"Xue'er!"

"Xue'er!"

"Miss!"

Leng Qingtian and the others could not help but shout, but they could not get Leng Ruoxue to respond.

Leng Xiaoyu commanded his beast to land on the ground. Then, he took out a pill and fed it to the dying little peacock. He felt mixed emotions. He didn't expect Sun Tao to have such a powerful master. In front of that person, they were all vulnerable. If that person hadn't been too lazy to kill them, they probably wouldn't have survived.

Suddenly, the freak spat out a mouthful of fresh blood and fainted.

"Yechen!"

"Yechen!"

/

“Commander Ye!”

When everyone saw that the freak had fainted, they were originally worried about Leng Ruoxue. They became anxious again and busied themselves. After Leng Ruohan fed him a pill, they waited for a long time, but no one woke up. When everyone saw this, they couldn't help but sigh heavily. Sigh!

“What should we do now?” Looking at the still unconscious Ye Chen, everyone could not help but feel at a loss. Leng Ruoxue had always been their backbone. In their hearts, Leng Ruoxue was also omnipotent. They lost her suddenly, for a moment, their hearts were in a mess!

“Let's go back to Myriad Mountain City first!” Empty said. Xue'er's kidnapping had become a fact, and her opponent was too powerful. They had to plan it carefully. Therefore, he could only save this freak first. Sigh! Last time, he almost died, but it did not make him feel so powerless. However, this time, the sense of powerlessness that was suppressed in his chest did not disappear for a long time.

“Yes.” Everyone nodded. Then, they rode Leng Xiaoyu's flying beast back to Myriad Mountain City.

As soon as the beasts landed at the back of the mountain, Cheng Wu, who had been staying in the backyard, discovered them.

Cheng Wu ran forward excitedly and shouted happily, “You're finally back!”

However, after saying that, he felt that something was wrong. Uh! What was wrong with them? Why didn't he see Miss! Commander Ye...

Filled with questions, he watched as Feng Da carried Yea Chen down from the beast and sent him to the room. The others ignored him.

Then, he followed them into the room and saw that Feng Da had placed Ye Chen on the bed and left one of them to take care of him while the others retreated from the room.

In the courtyard.

Cheng Wu could not help but feel anxious when he saw that Leng Ruohan and the others were silent. No matter how stupid he was, he knew that something had happened. However, no one said anything. Sigh! He was really anxious.

“What happened? Say something!” Cheng Wu couldn't help but shout.

“What's wrong?” Song Di and the others, who had just arrived in the backyard, were puzzled by Cheng Wu's words. They had heard from someone that the young lady and the others had returned, so they had rushed over. Uh! What did Cheng Wu mean?

“Miss didn't come back. Commander Ye is unconscious,” Cheng Wu explained simply.

“How is that possible? Miss is so powerful. No one in the Boundless Heaven Continent can defeat her.” Song Di and the others did not believe Cheng Wu's words at all. After all, they knew Miss's strength very well. Besides, Miss had so many helpers!

“It's true. Xue'er was indeed kidnapped. Ye Chen fainted because he was too sad.” Leng Qingtian sighed softly and finally spoke.

“That’s impossible! No one in the Boundless Heaven Continent has the ability to do such a thing.” Song Di was very sure that with Miss’s strength, how could such a thing happen?

“It wasn’t someone from this world who kidnapped Xue’er. It was Sun Tao’s master, a very powerful god!” Even though Leng Qingtian was very unwilling to admit it, this was the truth. Sigh! He was useless and couldn’t protect his granddaughter. Ever since his granddaughter was kidnapped, he had been blaming himself. A deep sense of defeat that he had never felt before tightly wrapped around him.

“Damn it, how dare you kidnap our Miss? I’ll bring my men to the Upper Realm to save her. I’ll go now.” Song Di roared angrily. Then, he planned to bring his brothers to save her, but he was stopped by Leng Qingtian.

“Stop right there!” Leng Qingtian said anxiously. Xue’er’s whereabouts were unknown now. If anything happened to these people, how would he explain it to Xue’er! Sigh!

“I’m going to save Miss,” Song Di said, determined.

“No one is allowed to go now. If you go rashly like this, it’s no different from courting death!” Leng Qingtian shouted at the top of his voice. He also wanted to save Xue’er, but they didn’t have the strength to do so now. Moreover, Ye Chen was still unconscious. Therefore, he had to watch these people closely and not let anything happen to them.

“But we can’t leave her alone! What if she’s in danger if we’re late?” Song Di said worriedly.

“Who said that we can’t ignore Xue’er? We’re not a match for the enemy, so we have to think of a good solution. We can’t force it.” Leng Qingtian took a deep breath and said calmly. How could he not be worried about his precious granddaughter? However, at the same time, they had to protect their safety. Otherwise, how would they answer to Xue’er?

“Qingtian is right. Little Xue’er won’t want you to be so impulsive. Besides, I believe that with Little Xue’er’s intelligence, she will definitely protect herself. Now, the most important thing is to think of a good solution. Impulse alone won’t solve the problem,” Leng Xiaoyu said.

“That’s right. When Miss was captured, she told us that our lives were more important. Therefore, while saving Miss, we have to protect our own safety. As long as there’s life, there’s hope. It’s never too late for a gentleman to take revenge. This is what Miss always says. We have to remember it!” Feng Da said.

Chapter 890: Heading To The God Realm (2)

“So what do we do now?” Song Di asked, not sure what to do. After spending so much time with the young lady, of course he knew what she was thinking. But there was nothing he could do now that he knew something had happened to her. It made him feel uneasy.

“Ye Chen is still unconscious. Let’s wait for him to wake up. Otherwise, if anything happens to him, we won’t be able to answer to Xue’er,” Leng Ruohan reminded him.

“Yes.” Hearing Leng Ruohan’s words, everyone nodded in agreement. That’s right! Nothing must happen to Commander Ye. Otherwise, Miss would be heartbroken if she found out. Sigh! Miss, you must protect yourself! Wait for us. We will come and save you, everyone thought in unison.

“Everyone has to keep the matter of Xue’er being captured a secret. Don’t spread it. Otherwise, I’m afraid someone will use it to cause trouble,” Empty said calmly.

“Okay.” Feng Da and the others nodded.

Time passed. Half a month passed quickly, but Yechen still did not wake up. Even though the others visited him in his room every day, he showed no signs of waking up. They could not help but feel their hearts hanging in the air.

In the courtyard, everyone was listless, and there was no trace of a smile on their faces. It had been half a month since Yea Chen had woken up, and at the same time, they were worried about their mistress’s safety. As a result, they were all extremely depressed. The air seemed to sense their hearts, and it was unusually dull.

“Ah!” Empty sighed. He had sighed his entire life’s worth of sighs over the past two weeks, but they still didn’t solve the problem.

“Sigh!” Leng Ruohan, who was sitting across from Empty, sighed as if he were infected. He was worried about Ye Chen, but he missed Xue’er even more. He couldn’t feel happy without Xue’er around.

“Can all of you not put on such a dead look? Sigh!” Leng Qianye couldn’t help but blame them. However, for some reason, he also sighed.

“Leng Xiaoyu hasn’t returned yet. I wonder if he has found out where Xue’er is,” Empty said faintly.

“He should be back soon!” Leng Qianye said with uncertainty. Now that Sun Tao had a backer, he was very worried about his grandfather’s safety. If Sun Tao discovered his grandfather’s traces, he would probably not let him off.

“He’s awake! He’s awake!” Suddenly, Cui Zhu’s voice entered everyone’s ears. When everyone heard that he was awake, they couldn’t help but raise their heads and look at her expectantly.

“He’s really awake,” Cui Zhu repeated, wincing as she felt everyone’s fiery gazes on her.

As soon as she finished speaking, everyone in the courtyard disappeared in front of her like the wind.

Uh! Cui Zhu glanced at the empty courtyard and followed him back to his room.

In the room, Yechen was sitting on the bed with his head lowered thoughtfully. When he saw everyone, he forced a smile and said, “Grandpa, I’m sorry to have worried you.”

“It’s okay! It’s good that you’ve woken up,” Leng Qingtian quickly said. Well! Patients who had just woken up should not be agitated, so they did not dare to mention Xue’er in front of Ye Chen.

“Well, I’m all right now,” Yechen said flatly, but his face was expressionless.

“Good,” they all coaxed.

When Ye Chen woke up, everyone was finally half relieved.

Still, they couldn’t quite put their minds at ease looking at Ye Chen.

In the few days after he woke up, Ye Chen would spend most of his time alone in the garden. His figure was lonely and lonely, making Leng Qingtian and the others feel very sad!

Xue'er, are you all right? You'll protect yourself, I'm sure!

Xue'er, wait for me. I've almost found you!

'I'll save you, Xue'er!'

Xue'er, I love you! It's so hard to live without you!

Xue'er, did you miss me? I missed you so much!

Ye Chen stood alone in the night, staring up at the moon hanging high in the sky, his heart filled with endless longing...

Suddenly, a black dot of light flew in front of him. After circling him affectionately a few times, it landed in his palm...

The black dot was tiny, about the size of an adult's fingernail, but if you looked closely, you would see that it wasn't a black dot at all. Besides, it was a miniature black phoenix. The little black phoenix communicated with Ye Chen in a strange language, then disappeared into his body.

Then Ye Chen turned and went back to his room.

The next day.

Ye Chen was waiting in the courtyard early. When he saw Feng Da and the others, he said bluntly, "I'm going to the God Realm."

"Grandpa isn't back yet!" Leng Qianye couldn't help but say. For some reason, ever since Ye Chen woke up, he had become strange and rarely paid attention to them. This made them very uncomfortable.

"I know. There will be no conflict between him coming back and me going or not," Ye Chen said flatly, his will oddly strong. He must go to the God Realm.

"The God Realm is very big. If we go there rashly, not only will we not be able to find Little Xue'er, but we will also be in danger," Leng Qianye said very implicitly. Sigh! Those who had never been to the God Realm would never imagine what the God Realm was like. It was not a place for humans at all.

"I already know Xue'er's whereabouts, so I have to go." Ye Chen's words were like a bomb, blowing everyone's brains out.

"Uh! How do you know where Little Xue'er is?" Leng Qianye was very curious. His grandfather had been in the God Realm for almost a month, but there had been no news from him. It was unbelievable that someone who had never left the Boundless Heaven Continent would have news of Little Xue'er.

"I have my sources, of course," Ye Chen said with a chuckle. He felt better now that he knew Xue'er's whereabouts. Hmph! How dare they try to take his woman, they would have to pay for it!

"Uh! Where's Xue'er now?" Leng Qianye probed.

"The Wen family's Divine Realm," Ye Chen said.

“Uh! One of the Eight God Realms, the Wen family’s Divine Realm?” Leng Qianye said in disbelief.
