Chapter 921: The Warm Old Man (3)

"Then let's go to the Cheng family's Divine Realm to take a look! Maybe we can find them," Leng Ruoxue suggested.

"Yes, but only after you've finished converting your energy. Otherwise, with your current strength, you'll have no choice but to wait for someone to grab you while you walk through the Divine Continent," Ye Chen reminded him with a wicked grin.

"The God Realm is not peaceful. Beauty, you need my protection!" Ye Chen added like a lecher.

"Yes, I'm counting on Big Brother Da Sha." Leng Ruoxue smiled shyly.

"Uh! Xue'er, let's discuss something. Can you not call me that?" Ye Chen said gloomily. Sigh! That name didn't match his image! His reputation had been ruined by Zheng En.

"But I think this name is not bad." Leng Ruoxue smiled evilly, her beautiful eyes filled with teasing.

"Sigh! Xue'er, the God Realm is really chaotic," Ye Chen said helplessly.

"I know, I'll be careful," Leng Ruoxue quickly promised obediently.

"Xue'er, if anyone dares to snatch you away, well! If I can beat them, I'll beat them up. If I can't..." Ye Chen smiled mysteriously and left half of his sentence unfinished.

"What do you want if you can't win?" Leng Ruoxue took the bait. She knew that this freak was waiting for her to ask!

"They would have to snatch me away too! Otherwise, I won't let him snatch you away," Ye Chen said shamelessly. Hmph! The same thing couldn't happen again.

Leng Ruoxue couldn't help but break out in cold sweat when she heard the freak's words. She thought to herself, Strong! He's really extraordinarily strong! He can't even beat him, will he listen to you? However, she could only think about this in her heart and didn't dare to say it out loud. Otherwise, the freak would definitely cry for her!

"Okay." Leng Ruoxue nodded cooperatively.

"Hehe! Xue'er, I haven't hugged you to sleep in a long time. I have to hug you to my heart's content today," Ye Chen said with anticipation. Then, he hugged Xue'er tightly and closed his eyes...

On the other side.

It was already the next day when the head of the Wen family found out that Zheng En had already left.

When he heard this news, he was angry and regretful because he never dreamed that Zheng En and his servant would really leave without even saying goodbye.

In the main hall of the Wen family mansion.

“What are the guards of the Wen family doing? No one noticed that the two of them left?” The head of the Wen family was so angry that his face and neck were red. He shouted at the top of his voice.

“Patriarch, what’s the use of saying this now! Hurry up and send someone to find him!” The Sixth Elder said anxiously. Sigh! Zheng Ersha had really left without a word, but what about the members of the Wen family?

“Butler, why are you still standing there in a daze? Hurry up and send someone to find him! If you can’t find him, you don’t have to come back.” The Wen family’s head said angrily.

“Patriarch, don’t be anxious. I’ve already sent someone to look for him,” the Head Butler said with a long face. Boohoo... Was he caught in the crossfire without doing anything? This had nothing to do with him in the first place! It was all because the Patriarch’s family was not strict. Otherwise, how could Zheng Ersha have left? He could not help but feel his stomach ache.

“Find someone for me too!” The head of the Wen family roared. He didn’t want to see the head butler at all now. He was really too useless. He couldn’t even handle such a small matter!

Hmph! If the butler had kept an eye on the money, how could he have given that old woman a chance? The Wen family’s head grumbled in his heart.

“Yes,” the Head Butler replied and hurriedly left the main hall.

“Patriarch, you have to give the family an explanation for this matter.” After the Head Butler left to find someone, the Sixth Elder calmed down a lot. He also knew that the Patriarch would definitely be unhappy after hearing this, but he had to say what he had to say.

“What explanation does the Sixth Elder want me to give?” The Wen family’s master glared at him as if he was about to fly into a rage at any moment.

“I don’t know either. Patriarch, do as you see fit!” the Sixth Elder said irresponsibly. Then, he closed his eyes and pretended to sleep.

The head of the Wen family looked at the elders sitting there and felt anger rising in his heart. Damn it, he had asked them to meet Zheng Ersha earlier to get close to him, and these old fellows, including the Sixth Elder, had all rejected him. Now that he had left, it was all his fault. It was really infuriating.

Just like that, the head of the Wen family and the elders stared at each other for a long time, but they could not think of a way to appease their clansmen. The Zheng Ersha they were looking for had long disappeared.

At this moment, Leng Ruoxue and the others had already left the foot of the nameless mountain range and were heading to the nearest small city according to the map to undergo energy conversion.

Before leaving the nameless mountain range, Leng Ruoxue had already advanced to the Mystic God Realm here. After she advanced, the beasts also advanced one after another.

Now, Bai Xu, Feng Zhan, Mei, and the other beasts like the old phoenix had all broken through the barrier of a level-nine Transcendent Divine Beast and advanced to become a Divine Beast.

Among them, because the old phoenixes had cultivated for a long time, they were still the strongest. They had already reached the level of a level-four Divine Beast. Now, their strength was almost equivalent to the high-level gods on the Divine Continent.

Bai Xu, on the other hand, was a level-three Divine Beast. His strength was equivalent to an intermediate god in the Divine Continent.

Feng Zhan and Mei were respectively a level-two divine beast and a level-one divine beast. Now, their strength was almost at the level of junior gods or Profound Gods.

As for treasures and other beasts, they had all advanced to level-nine super divine beasts and were only a step away from divine beasts. Leng Ruoxue was quite satisfied with this result, but there was still a little accident.

This was because Leng Ruoxue had already signed a soul contract with the little peacock, the pythons, and the other beasts before she advanced. However, what she didn't expect was that the little peacock and some of the pythons hadn't advanced to a level-nine Transcendent Divine Beast. The black python with the highest strength also couldn't break through to become a Holy Beast. This couldn't help but make her feel a little regretful. The little peacock and the other beasts were also very depressed. For this, she even comforted them for a long time!

A day later.

Leng Ruoxue and the others arrived at the small city closest to the nameless mountain range. Although this city was small, it had a rather grand name, "Will Heaven City". Moreover, it had everything. There was the Mystic God Association, the Alchemist Association, the Artificer Association, and so on.

Chapter 922: The Warm Old Man (4)

Walking on the streets of Will Heaven City, Leng Ruoxue looked at the dazzling array of shops in the city and couldn't help but sigh. "Such a small city is actually so prosperous."

"Even if it is small it can still contain the essentials! The Will Heaven City isn't big but this place isn't under the jurisdiction of any of the eight great clans, so the City Lord of this city will naturally do his best to manage it," Ye Chen explained with a light smile. In the Divine Continent, small cities like this generally weren't worthy of the eight great clans' attention. Therefore, even if such small cities were prosperous, the money they earned was limited.

"Okay." Leng Ruoxue nodded in agreement and wondered if they should build a small city like this in the future!

"Xue'er, we've arrived at the Mystic God Association. Go and do the energy conversion first!" Not long after, Ye Chen pointed at a three-story staircase.

"Okay, go find a guest shop and wait for me! You don't have to accompany me," Leng Ruoxue said after some thought. She knew that the freak and Feng Da took more than half a month to perform the energy conversion, so she expected that it would take a long time.

"Alright, then take care of yourself." Ye Chen nodded. Then, after watching Xue'er walk into the Guild of Gods, he led Feng Da and the others to find a guest shop.

After Leng Ruoxue walked into the Mystic God Association, she found that the guild hall was actually empty. She stood alone in the hall for a while and casually looked around the layout of the guild hall. Then, she found a chair and sat down.

Not long after, an inconspicuous old man came out of nowhere. The old man was not tall and looked fair and fat. He gave off a shrewd look. His strength was at the mid-level of the high-level deity.

When the old man saw Leng Ruoxue sitting in the hall, his eyes actually emitted a wolf-like light!

Then, he quickly walked in front of Leng Ruoxue and said very enthusiastically, "Are you here to undergo energy conversion? Welcome! Welcome!"

The old man was very excited, and the way he looked at Leng Ruoxue became more and more amiable and passionate!

However, his gaze as if he was looking at prey made Leng Ruoxue's hair stand on end. She wanted to run out!

Ugh! She regretted it. If she had known that the people from the Mystic God Association in the Will Heaven City were perverts, she would have let the freak and the others accompany her.

However, if this old man dared to do anything to her, he could not blame her for being impolite. At that time, she did not care if this person was from the Mystic God Association or not! She did not care if his strength was above hers!

In an instant, Leng Ruoxue's thoughts spun. Then, she composed herself and said calmly, "I'm here to undergo energy conversion. Is it convenient now?"

"It's convenient! It's convenient. It's convenient whenever you come," the old man said excitedly.

"Uh!" Leng Ruoxue didn't know what to say. Could it be that this old man knew her? Even though she had been in the Divine Continent for a while, she didn't seem to have walked on the continent before!

"Hehe! I'll bring you to undergo energy conversion now!" After the old man finished speaking, he reached out to pull Leng Ruoxue...

Leng Ruoxue dodged the old man's wolf claws and said unhappily, "Just lead the way."

"Good! Good, hehe! I didn't expect the little girl to be so shy." The old man smiled happily.

Leng Ruoxue couldn't help but roll her eyes when she heard this old man's words. She thought to herself, Wasn't she just shy?

"Hehe! Let's go, I'll bring you to the conversion pool upstairs." The old man was not affected by Leng Ruoxue's attitude. His face was still smiling, but this time, he did not reach out to pull Leng Ruoxue.

"Don't we have to go through the procedures? We still have to hand over the crystals!" Leng Ruoxue said understandingly. The freak had already told her about the previous procedures, so this old man's non-compliance made her secretly vigilant.

"Hehe, you can just drip your blood on this card to recognize it as your master. However, you don't have to pay the money." The old man took out a card from his ring and handed it to Leng Ruoxue.

“No need to pay? Why?” Leng Ruoxue asked in confusion. To be honest, if this old man had gone through normal procedures, she might not have been too wary of him. However, this old man did not take the ordinary path and looked lecherous, so she had to be vigilant.

“Hehe! I like you,” the old man said happily. His bright eyes kept shooting at Leng Ruoxue like a searchlight. After that, he even nodded his head vigorously as if he was very satisfied.

“Stinky old man, if you dare to look at me like that again, you’ll regret it,” Leng Ruoxue warned impatiently.

“Uh! Little girl, don’t misunderstand. I’m not a bad person!” When the old man heard this, he knew that he had been misunderstood by this little girl, so he hurriedly explained. Boohoo... It wasn’t easy for a peerless beauty to come to his association, but he didn’t expect his excessive excitement to scare this girl. Wasn’t this making his emotions worse!

“Bad people won’t admit that they’re bad!” Leng Ruoxue said lightly, her beautiful face filled with displeasure.

Chapter 923: The Cheng Family’s Divine Realm (1)

“Little girl, I’m really not a bad person. Look at how amiable I am. I don’t look like a bad person at all!” The old man said with an expression as if he had wronged her.

“Stop talking nonsense. There are ten medium-grade crystals here. Quickly bring me to undergo energy conversion! I still have something on!” Leng Ruoxue urged. Well! It wasn’t that she didn’t respect her elders! It was just that this old man was too abnormal.

“Little girl, I said that you don’t have to pay.” The old man reminded her aggrievedly. Boohoo... Why was such a beautiful little girl’s temper so bad!

“No, you have to pay!” Leng Ruoxue glared at the old man with her beautiful eyes and said loudly. She didn’t need to pay this old man. Who knew if he had other motives! Therefore, she had to be wary.

“Uh!” The old man was depressed. He had been in the Mystic God Association for many years, but he had never seen such a difficult little girl! She actually couldn’t be refused without money. Alas! If it were anyone else, they would be overjoyed! However, it was obvious that this girl treated his good intentions as a hot potato. When the old man thought of this, he felt extremely aggrieved.

“Alright! I’ll accept this money.” The old man sighed helplessly and then accepted the ten medium-grade crystals Leng Ruoxue handed him.

“Little girl, come upstairs with me!” the old man said again and turned in the direction of the stairs.

Leng Ruoxue followed the old man up to the second floor. The old man brought her to a room and reminded her to stay longer before closing the door and going out.

Leng Ruoxue raised her beautiful eyes slightly and sized up the arrangements in the room. Then, she came to the side of the Spirit Transformation Fluid and walked into it. She sat cross-legged. She knew that the energy conversion was to absorb the conversion spiritual liquid in the pool, so she didn’t delay for too long and closed her eyes to absorb it on her own...

Three days later.

The old man stared at the staircase anxiously, wondering why this little girl hadn't finished converting yet. However, he was quite happy because this meant that this little girl's aptitude was not bad.

However, after another half a month, the old man was a little uneasy when Leng Ruoxue still didn't come down from upstairs. There were several times when he had the urge to go upstairs to take a look, but he still resisted it.

After another week, Leng Ruoxue finally walked down from upstairs.

The old man looked at Leng Ruoxue who came down from upstairs as if he had seen a rare animal. His eyes lit up, and the expression on his face was extremely excited. He was so excited that he was speechless.

Uh! Leng Ruoxue looked at the old man's expression and thought about how to deal with it.

However, before she could think clearly, she suddenly saw the freak appear behind the old man. Then, his fist smashed into the old man's head. In the blink of an eye, the old man fainted.

"Uh! Freak, why did you knock him out?" Leng Ruoxue said speechlessly. She hadn't bought a divine skill yet! Now, the only staff member in the entire association had also fainted. Who would sell her divine skills now? Other than fire and wind divine skills, they didn't have any other divine skills!

The reason for this was because the freak and the others left in a hurry after the energy conversion last time, so they did not buy any divine skills.

The divine skills of fire and wind were sponsored by Leng Qianye! However, only people with fire and wind attributes could use them. No one else could learn them.

Apart from energy conversion, Leng Ruoxue's other mission in the Mystic God Association was to buy divine skills.

However, she could only buy ordinary divine skills in the Mystic God Association. The best divine skills could only be bought during auctions.

Moreover, there was one good thing about divine skills. Even if one became an Ultimate God, they could still use the divine skills they had learned.

"Do you think you can leave without knocking him out?" The freak said helplessly. Then, he pulled Leng Ruoxue's hand and walked out of the guild.

When they arrived outside the guild, Feng Da and the others were already waiting for them on the beast. After Leng Ruoxue and the freak sat on it, Lei Xiao, who was acting as a flying beast, flapped his huge wings and left Will Heaven City...

"Miss, you didn't buy any divine skills again, right?" Feng Da, who was lying on Lei Xiao's back in midair, asked with a smile.

"That's right! That old man was knocked unconscious by the freak." Leng Ruoxue was very helpless, but she was more depressed. Why was it that Feng Da and the others could advance even though it was also

an energy conversion? The freak had even advanced to the intermediate-level of high-level deity, but she didn't even advance one level? She was bullied so badly.

"Hehe! We escaped quickly last time. Otherwise, we would probably have been pestered too," Feng Da said knowingly.

"Xue'er, don't worry. There will be divine skills. When we reach the Cheng family's Divine Realm, we can just buy them from the Mystic God Association," Leng Qianye comforted.

"Yes, you have to appear when we reach the Cheng family's Divine Realm," Leng Ruoxue said after some thought.

"Okay." Leng Qianye chuckled, his handsome face filled with helplessness.

After Lei Xiao flew for nearly half a month, Leng Ruoxue and the others finally arrived at the Cheng family's Divine Realm.

The Cheng Family's Divine Realm was located in the southernmost part of the Divine Continent. There were a total of seven cities. The largest city was the main city of the Cheng Family, and the Cheng Family's Divine Realm was ranked third among the eight Divine Realms.

Among the eight great clans of the God Realm, other than the Ning family's Divine Realm, which was ranked first, the overall strength of the other seven great clans was extremely different. Therefore, there were basically victories and defeats between them.

After Leng Ruoxue and the others entered the territory of the Cheng family's Divine Realm, they did not stay for long and went straight to the Cheng family's main city.

After entering the Cheng family's main city, it was afternoon. Leng Ruoxue and the others first found a guest shop. Then, Leng Qianye went to the Mystic God Association to buy divine skills, while the others went to the streets to inquire about news.

"There are quite a lot of people in the Cheng family's Divine Realm," Leng Ruoxue said softly as she looked at the pedestrians on the street.

"Yes, other than the Cheng family, there are also many outsiders in this city." The freak frowned. Well! He didn't like the way those people on the street looked at Xue'er.

"Miss, I just heard some news," Feng Da whispered to Leng Ruoxue.

"What news?" Leng Ruoxue was a little curious. If it wasn't something important, Feng Da shouldn't have specially come to tell her!

Chapter 924: The Cheng Family's Divine Realm (2)

"The beloved daughter of the Cheng family's head is getting married in a few days," Feng Da said mysteriously.

"What do you mean again?" Leng Ruoxue was a little puzzled. Could it be that the daughter of the City Lord had been married many times?

"I heard that the precious daughter of the Cheng family's head already has three husbands. This is her fourth marriage, so there are so many people in the main city. Most of them are here to congratulate her," Feng Da explained.

"Then what do they think of Miss Cheng?" Leng Ruoxue couldn't help asking.

"That's right. They all praise Miss Cheng as a heroine and a role model for women. It's said that Miss Cheng is even the idol that many people admire!" Feng Da said in disbelief.

"Uh! It seems that the customs of the Divine Continent are different from other places!" Leng Ruoxue guessed. Whether it was in Ling Feng or Hao Tian, such a thing was unimaginable. She still remembered that when they first arrived in the Hao Tian Continent, the daughter of the City Lord of Windless City was also called the 'four evils' because she liked handsome men. However, the handsome men of the daughter of Windless City were all snatched.

Since this Miss Cheng was called a heroine, she should be different from the 'four evils' of Windless City!

"Yes! I was shocked when I heard the news. Moreover, it seems that such a thing is allowed in the God Realm." Feng Da looked at Lü Tao and said uneasily.

"Feng Da, you guys continue strolling! Xue'er and I will return to the guest shop first," the freak suddenly said. Then, without asking Xue'er, he pulled her back to the guest room.

In the guest room.

Leng Ruoxue looked at the freak who suddenly became depressed and asked in confusion, "Freak, what's wrong with you?"

"Xue'er, don't even think about it!" The freak pulled a long face and said extremely gloomily. Sigh! He really shouldn't have wandered around the streets with Xue'er. He was really afraid that some things in the God Realm would lead Xue'er astray!

"Don't think about what?" Leng Ruoxue's beautiful face was full of question marks.

"You can only have me," the freak said domineeringly. Then, he held Xue'er tightly in his arms.

"Hehe! You're depressed because of this! Fool, I won't want anyone else except you." Leng Ruoxue quickly comforted and promised.

"Yes, yes." The freak nodded in satisfaction. Then, he said, "In the God Realm, there are some women with excellent family backgrounds and aptitude who have such privileges. However, they still have to speak with strength."

"Oh! In that case, Miss Cheng should be very outstanding?" Leng Ruoxue said uncertainly.

"I think so. Otherwise, the Cheng family wouldn't have allowed her to do this. You should know that most of the daughters of the families are basically used for marriages. However, it's obvious that this Miss Cheng isn't," the freak analyzed.

“Yes, but no matter how outstanding she is, it’s none of our business. If Cheng Wu and the others aren’t here, we’ll leave in a few days,” Leng Ruoxue said with a light smile. She felt that she didn’t have much interaction with that Miss Cheng, so she naturally wouldn’t pay attention to that heroine.

“Xue’er, the Cheng family’s Divine Realm is not good. Let’s leave this place as soon as possible!” the freak suggested.

“Demon, Miss Cheng is so outstanding. I’m not worried that she will have designs on you, let alone that you will fall in love with someone else. Why are you in a hurry!” Leng Ruoxue teased and couldn’t help but worry in her heart. If anyone should be worried, it should be me, right?

“I’m just afraid you’ll learn bad things!” the freak muttered softly.

“As if!” Leng Ruoxue patted the freak’s head and pretended to be unhappy. This guy clearly didn’t trust her! Was she someone who could learn bad things so easily?

“Hehe! Xue’er, I love you!” The freak smiled foolishly and said ingratiatingly.

“I also...” Leng Ruoxue was about to say “I love you too”, but she was interrupted after saying two words.

“Miss, Miss!” Lin Yuan rushed into Leng Ruoxue’s room anxiously. Then, he retreated when he saw his Miss hugging Commander Ye tightly.

“Lin Yuan, what’s the matter?” Leng Ruoxue asked Lin Yuan, who stuck his head in.

“Yes.” Lin Yuan nodded hard and told himself not to look at Commander Ye, who was unsatisfied. Boohoo... If looks could kill, he would probably have been killed by Commander Ye’s glare.

“What is it? Come in and talk!” Leng Ruoxue comforted the freak and then said to Lin Yuan.

“Miss, I saw Brother Song on the street.” Lin Yuan walked in and said bluntly.

“Where did you see him?” Leng Ruoxue quickly asked.

“At the entrance of a shop. However, Big Brother Song pretended not to know me, so he didn’t say anything. There are many people around him. I asked around and they seem to be from the Cheng family,” Lin Yuan explained.

“The Cheng family?” Leng Ruoxue frowned slightly, deep in thought. She couldn’t understand why Song Di was with the Cheng family.

“Miss, I’m going out to ask around!” Lin Yuan said. After seeing Song Di just now, he wanted to quickly tell Miss this news, so he didn’t ask too clearly.

“No need. When it gets dark, I’ll go to the Cheng family with the freak!” Leng Ruoxue thought for a while and said. Since she already knew that Song Di was with the Cheng family, it was better to go to the Cheng family personally to ask Song Di.

“Lin Yuan, let Feng Da and the others come here when they come back later,” Leng Ruoxue instructed again.

“Yes, Miss. I’ll go out first.” Lin Yuan heaved a sigh of relief. Sigh! The pear that Commander Ye had given him was really too big.

Not long after Lin Yuan left, Feng Da and the others returned to the guest shop. Then, everyone came to Leng Ruoxue’s room.

After Leng Ruoxue told them the news Lin Yuan had obtained, everyone was very surprised and puzzled.

“Miss, is this true?” Feng Da asked in disbelief. Why were Song Di and the others with the Cheng family instead of going to the Wen family’s Divine Realm to meet them?

“Of course it’s true. I saw it with my own eyes. Not only that, but Brother Song also acted as if he didn’t know me. I guarantee that I didn’t misjudge him,” Lin Yuan said very seriously.

Chapter 925: The Cheng Family’s Divine Realm (3)

“Xue’er, it’s probably not convenient for Song Di to pretend not to know Lin Yuan. They might have encountered some trouble.” Leng Qingtian thought for a while and analyzed. He really didn’t believe that Song Di and the others abandoned them because they had found a new backer in the God Realm. After all, he trusted Cheng Wu and the others.

“Yes, I’ll go to the Cheng family with the freak after dark to see what the situation is.” Leng Ruoxue nodded.

“Miss, I’ll go with you!” Feng Da hurriedly said.

“Yes!” Leng Ruoxue nodded.

“Stay in the inn and wait for news!” Leng Ruoxue looked at the expectant gazes of the others and said helplessly. She knew that the others were also very curious about this matter. After all, after interacting for so long, they all knew Cheng Wu and the others very well.

“Yeah.” They all nodded.

After dark, Leng Ruoxue asked Yao to cast an invisibility spell on them, and the three of them sneaked into the Cheng family mansion.

The Cheng family’s mansion was larger than the Wen family’s, and Leng Ruoxue and the other two didn’t have anyone to lead the way, so it could be said that they were blind. Therefore, they could only look in the courtyard one by one...

The three of them split up and each found a direction. They agreed that if they found anything suspicious, they would contact each other through the voice transmission jade token.

Leng Ruoxue chose the north, but after searching three courtyards, she didn’t find any traces of Cheng Wu and the others.

“Qing Jue, did you discover anything?” Leng Ruoxue sent a voice transmission to Qing Jue.

“Sister, there are Ultimate Gods guarding the eight Divine Realms on the Divine Continent, so I don’t dare to search too widely. However, I didn’t find Cheng Wu and the others anywhere I looked,” Qing Jue replied.

“Sister, it would be great if we could find someone from the Cheng family. That way, I can read minds,” Qing Jue added.

“I want to too! But I can’t find it!” Leng Ruoxue said gloomily. She finally realized that the eight great families were extraordinarily confident! She actually didn’t see many guards at night, and she didn’t know where the guards on night duty were!

“Sister, don’t be anxious. Let’s search slowly. We’ll find it eventually,” Qing Jue comforted.

“Okay.” Leng Ruoxue nodded. Then, she planned to continue searching for Cheng Wu and the others. Just as she was about to move, she received a voice transmission from the freak saying that she had found them!

After hearing the news from the freak, Leng Ruoxue immediately went to the courtyard that the freak mentioned to meet him. Not long after, Feng Da arrived.

“Monster, are Cheng Wu and the others definitely inside?” Leng Ruoxue confirmed.

“Yes, I’ve already seen Song Di, but I asked him to go back to his room and wait for us,” the freak explained. When he walked into the courtyard, he saw Song Di looking around at the door, as if he was waiting for someone, so he directly went forward to greet him.

“Then let’s go in!” Leng Ruoxue urged.

“Alright,” the freak replied. Then, the three of them walked into the courtyard.

The courtyard where Cheng Wu and the others lived now could be considered top-notch from the size of the courtyard and the decorations in the courtyard. Leng Ruoxue sized up the scenery in the courtyard as she walked, and the more she looked, the more puzzled she was.

At this moment, in the only room in the courtyard with the lights on, two men were walking around like ants on a hot pan.

When Leng Ruoxue and the other two pushed open the door and walked in, they happened to see such a scene.

“Hehe! Looks like the two of you are treated well!” Leng Ruoxue teased with a light smile. Well! Just by looking at the luxurious furnishings in this room, she knew that they shouldn’t have suffered any physical pain. Instead, the treatment the Cheng family gave them was quite high.

“Miss, don’t tease us.” Cheng Wu said to the void with a bitter face. Because Miss and the others were invisible, he couldn’t determine their exact location and could only speak to the air.

“I didn’t! Your treatment is indeed better than mine!” Leng Ruoxue said with slight grievance. After she was captured by the Wen family’s Ultimate God, the place she lived in couldn’t compare to Cheng Wu and the others at all.

“Miss, there’s a reason why this treatment is good.” Song Di glanced at Cheng Wu and said with sympathy.

“We’re here to hear the reason. Tell us!” Feng Da covered his mouth and chuckled. Well! He was not so worried when he saw the place Cheng Wu lived in.

“This is the Cheng family’s Divine Realm, and your surname is Cheng. Could it be that you have something to do with them?” Leng Ruoxue guessed.

“Miss, I have nothing to do with them. I can swear,” Cheng Wu hurriedly promised when he heard Leng Ruoxue’s words. Even though the Cheng family had also used such a reason to persuade him to stay, he had rejected them.

“There’s no need to swear. Tell me why you’re with the Cheng family!” Leng Ruoxue said curiously.

“Miss, this has to start when we just arrived in the God Realm.” Cheng Wu sighed softly. Boohoo... He didn’t even contribute to Miss’s matters, and now he had to make Miss worry about his matters. He was really too ashamed.

Ever since he heard from Song Di that he had seen Lin Yuan in the afternoon, he had guessed that Miss had been saved. Now that he had heard his Miss’s voice with his own ears, he was even more relieved. Sigh! Even though he really wanted to know Miss’s situation these days, it was obvious that this was not the time. And Miss might not tell them in detail here. Boohoo...

“Okay, say it.” Leng Ruoxue was very calm.

“Miss, we originally agreed to gather at the Wen family’s Divine Realm if we were separated. The place where we were sent by the teleportation light to be very close to the Cheng family’s Divine Realm, so we directly underwent energy conversion at the Mystic God Association here.”

“However, our energy conversion caused a huge commotion, so we were targeted by the Cheng family. After the head of the Cheng family found out that my surname was also Cheng, he invited me to join the Cheng family in the name of my race, but I rejected him.” Cheng Wu paused with a difficult expression.

“Oh, then did the Cheng family make things difficult for you?” Leng Ruo said lightly. After hearing Cheng Wu’s words, she understood. The Cheng family must have felt that Cheng Wu and the others’ qualifications were too good, so they wanted to take them in.

“No, the head of the Cheng family is very reasonable. Seeing that we were unwilling and had something urgent to do, he let us leave. However, on the way out of the Cheng family’s divine domain...” Cheng Wu found it difficult to speak. Sigh! This matter was really too dramatic.

Chapter 926: The Cheng Family’s Divine Realm (4)

“On the way out of the Cheng family’s divine domain, we had a conflict with someone and indirectly saved the eldest daughter of the Cheng family who was captured by him. That Miss Cheng wanted to express her gratitude to us, so she forced us to stay and even wanted to marry Brother Cheng.” Song Di saw that Cheng Wu couldn’t say it, so he explained for him.

“Uh! So you’re the person Miss Cheng is going to marry!” Feng Da said in surprise. He really didn’t expect the groom of the Cheng family to be an acquaintance!

“Sigh! Don’t mention it, Miss. We really didn’t meddle in other people’s business. Boohoo...” Cheng Wu was depressed! However, he hated the person who had a conflict with them even more. He could have

captured anyone, but why did he have to capture Miss Cheng! Now, she insisted on giving herself to him. Sigh! What should he do!

“Is Miss Cheng beautiful?” Leng Ruoxue suddenly asked.

“Uh! It’s alright!” Cheng Wu replied honestly.

“No way? I heard that Miss Cheng is a rare beauty!” Feng Da said with a smile. After knowing that Cheng Wu and the others were in the Cheng family, they specially went to inquire about the situation of the Cheng family, including Miss Cheng.

“It’s not bad! Perhaps Miss Cheng is a beauty in the eyes of others, but it’s not like I haven’t seen someone more beautiful than her,” Cheng Wu said truthfully. The beauty he was referring to was naturally his own miss!

“How strong is she?” Leng Ruoxue asked again.

“Her strength is above mine,” Cheng Wu said after some thought. In order to leave this place, he had fought Miss Cheng. However, he had lost.

“How strong is the person who had a conflict with you?” Leng Ruoxue continued to ask.

“That person’s strength is inferior to mine. I can beat him up alone,” Cheng Wu said with certainty.

“In that case, how could that person capture Miss Cheng? Moreover, it’s to capture someone in the Cheng family’s Divine Realm. Does he want to die? Also, how many people did that person bring?” Leng Ruoxue’s beautiful face was filled with suspicion.

“Miss, that person only brought five people with her. However, Miss Cheng seems to have some illness. When she was caught by them, it happened to be when she fell ill. As for the person who captured her, she’s from the Yao family. The Yao family is also one of the eight great families. Their two families have never gotten along,” Cheng Wu said after thinking for a while. He had heard about these situations from Miss Cheng, and he had also inquired about them himself.

“Xue’er, the Yao family is ranked second among the eight great families,” the freak added.

“Oh! Monster, what do you think the probability of this being a coincidence is?” Leng Ruoxue asked. Because she wasn’t involved and didn’t see anyone from the Cheng family, she couldn’t tell if this was a coincidence or if the Cheng family did it on purpose.

“I don’t know either. However, the Cheng family has a good reputation in the God Realm. Moreover, the head of the Cheng family is quite prestigious in the God Realm.” The freak shook his head.

“Cheng Wu, what do you think? Also, how did the sensible head of the Cheng family react to you becoming the son-in-law of the Cheng family?” Leng Ruoxue continued to ask suspicious questions.

“Miss, we haven’t seen the Cheng family’s head yet! However, Miss Cheng said that as long as she likes it, her father won’t have any objections,” Cheng Wu said helplessly. He had wanted to see the Cheng family’s head a few times, but he had been stopped. Sigh!

“That’s right, Miss. On the surface, this matter seems to have been decided by Miss Cheng alone. However, it’s indeed quite strange that the head of the Cheng family hasn’t appeared.” Song Di thought for a moment and said.

“Hehe, Big Brother Cheng, I heard that Miss Cheng already has three husbands?” Feng Da asked curiously. Even though everyone in the city said so, he didn’t know if it was true.

“Mm.” Cheng Wu nodded awkwardly.

“Uh! Brother Cheng, if that’s the case, Miss Cheng, you really can’t marry him!” Feng Da said very seriously.

“Damn it, who said I was going to marry her?” Cheng Wu was furious when he heard Feng Da’s words.

“Calm down!” Feng Da didn’t dare to tease him anymore and quickly comforted him. Then, he said to Leng Ruoxue, “Miss, why don’t we take Brother Cheng and the others out while it’s dark!”

“No!” Cheng Wu refused.

“Didn’t you not want to marry Miss Cheng? I can take you out of here now!” Leng Ruoxue said in confusion.

“Miss, we can’t go with you now,” Cheng Wu said gloomily.

“Why? Have you changed your mind about marrying Miss Cheng?” Feng Da’s face was also full of question marks.

“No, Blackie and the others were taken away by them. We searched for them for a long time but couldn’t find them,” Cheng Wu said guiltily. Sigh! If anything happened to his brother because of him, he would probably have to die to apologize.

“Miss, if it weren’t for this, we would have long thought of a way to leave this place. However, we’re trapped here now. Moreover, we’ve always been monitored by the Cheng family. Otherwise, I wouldn’t have been so afraid to recognize Lin Yuan when I saw him this afternoon!” Song Di also had a distressed expression. Sigh! He kept him by Cheng Wu’s side so that he could accompany Brother Cheng.

“I see! Well! Don’t be anxious. We’ll go back and discuss with the others and think of a good way to save you then,” Leng Ruoxue said after some thought. Then, the few of them chatted for a while before leaving the Cheng family.

After returning to the guest shop, Leng Ruoxue and the others discussed for the night and finally decided to take the initiative to attack. Therefore, they went straight to the door the next day...

Chapter 927: Leng Ruoxue and Cheng Lan (1)

After Leng Ruoxue and the others arrived at the Cheng family, they directly said that they wanted to look for the eldest daughter of the Cheng family. When the guards saw their extraordinary auras, they did not dare to neglect them.

The eldest daughter of the Cheng family, Cheng Lan, who was resting in her room, frowned when she heard the guard's report and seriously thought about who it was because she was very sure that she didn't know Leng Ruoxue.

"Lan'er, don't think about it. You're frowning," a man in the room said with some heartache.

This man was tall and strong. Although he was not particularly handsome, he was very masculine. He was one of Cheng Lan's husbands, Lu Xuan from the Lu family, who was ranked last among the eight great families.

"Do you know if any of my friends are called Leng Ruoxue?" Cheng Lan could not help but ask.

"Hehe! Lan'er, if you don't remember, how can I recognize you!" Lu Xuan said speechlessly. Lan'er had a wide range of friends and was generous. Therefore, there were often some Tom, Dick, and Harry who would take the opportunity to come and take advantage of her. Therefore, he had never had a good impression of Lan'er's bad friends.

"But I really can't remember who she is," Cheng Lan'er said with an aggrieved expression.

"Don't think about it if you don't want to! It's not a big deal. If you don't want to see him, just ask the guards to return," Lu Xuan said indifferently. He didn't think it was difficult to send away a friend he didn't know well, but he was afraid Lan'er didn't think so.

"How can that be! Father often said that if you visit, you're a guest. Whether you like it or not, you shouldn't neglect it." As expected, Cheng Lan objected as soon as she heard Lu Xuan's words.

"How can that be! Father often said that if you visit, you're a guest. Whether you like it or not, you shouldn't neglect it." As expected, Cheng Lan objected as soon as she heard Lu Xuan's words.

"Alright, let her in! I also want to see what she wants from me," Cheng Lan said curiously.

After receiving Cheng Lan's order, the guard left Cheng Lan's courtyard and went to the door to invite Leng Ruoxue and the others in. After bringing them to the main hall, the guard left.

Leng Ruoxue and the others sat in the main hall for a while. Not long after, a young man and woman walked in from outside.

Leng Ruoxue raised her beautiful eyes and sized up the young woman who walked in.

Oh! She should be the eldest daughter of the Cheng family! This woman looked very young. Moreover, as the rumors said, she was a rare beauty. Her strength was not bad, and she was an intermediate high-level deity.

As for the obviously hostile man beside her, he was probably one of her husbands!

Even though the man was not particularly handsome, he had an outstanding temperament and looked otherworldly. He gave off a very clean feeling. Even though his cultivation level was not as high as the woman beside him, the two of them were very compatible when they stood together.

However, why did that man look so unhappy with them? Leng Ruoxue's heart was filled with question marks. She had never seen these two people before! Besides, they had imprisoned her subordinates in disguise. She should be the one who was angry!

While Leng Ruoxue was sizing up Cheng Lan and Lu Xuan, the two of them were also sizing up Leng Ruoxue and the others.

Cheng Lan looked at Leng Ruoxue in amazement and was even more surprised in her heart. Oh! This woman was really beautiful! She was even more beautiful than the two b*tches from the Ning family and the Yao family. No, to be precise, the two b*tches from the Ning family and the Yao family couldn't even compare to a strand of this woman's hair. Hehe! She was so happy in her heart! Unfortunately! This woman's strength was too low, only at the Mystic God level. This was a little flawed!

"I'm Cheng Lan. Uh! Miss Leng, do we know each other?" Cheng Lan introduced herself and asked bluntly.

"This... how should I put it..." Leng Ruoxue was in a difficult position. The two of them didn't know each other, but Cheng Lan wanted to force her subordinate to marry her. Sigh!

"Miss Leng, feel free to tell me if you have any difficulties. I will definitely help if I can," Cheng Lan said generously.

"Really?" Leng Ruoxue was a little suspicious. She wondered if Miss Cheng would fall out with her if she told Cheng Lan to let her subordinates go. However, the first impression Cheng Lan gave her didn't seem like an unreasonable and unruly person! Why would she do something to imprison her subordinates? She couldn't understand.

"Of course." Cheng Lan was very loyal. In addition, she liked Leng Ruoxue, so she naturally agreed to everything.

"In that case, please let my subordinates go, Miss Cheng!" Leng Ruoxue went straight to the point, thinking, You asked me to mention this.

"Your subordinate? I didn't capture your subordinate!" Cheng Lan's face was full of question marks. Then, she turned to ask Lu Xuan, "Do you know who in the Cheng family captured Miss Leng's subordinate?"

"She's asking you for someone. If you don't know, how would I know?" Lu Xuan rolled his eyes and said helplessly. Sigh! Lan'er's personality was sometimes too out of line. She didn't even figure out what was going on before making things clear. She didn't allow anyone to stop her or she would fall out with them!

"Miss Leng..." Cheng Lan looked at Leng Ruoxue helplessly, her beautiful face still full of innocence.

Leng Ruoxue was speechless. Moreover, she could tell that Cheng Lan was definitely not pretending. She really didn't know. Sigh! How could this be? Cheng Lan had exceeded her expectations.

If Cheng Lan was an unruly, willful, and unreasonable woman, it would be easier to deal with her. However, it was really not easy for her to deal with someone who did not remember what she had done! More importantly, this was the Cheng family's territory. Sigh!

“Miss Cheng, I’m talking about Cheng Wu and the others.” Leng Ruoxue had no choice but to make herself clear.

“Ah! Brother Cheng and the others are your subordinates? But why is your strength not as high as Brother Cheng and the others?” Cheng Lan did not understand. In her understanding, it was very embarrassing for a subordinate to have a higher cultivation than her. Moreover, this way, it would not be easy to convince her subordinates.

“Isn’t it normal for my cultivation to not be as high as theirs? This way, they can protect me,” Leng Ruoxue said lightly, feeling a sense of powerlessness in her heart. Sigh! What kind of logic was this Miss Cheng!

Chapter 928: Leng Ruoxue and Cheng Lan (2)

“It shouldn’t be like this! If your subordinates are stronger than you, why would they be convinced by you?” Cheng Lan said stubbornly.

“Uh! That depends on your personality. Force can’t solve everything. Miss Cheng, I’m not here to discuss this with you.” Leng Ruoxue defended herself and then reminded her speechlessly.

“But...” Cheng Lan didn’t give up and wanted to ask, but Leng Ruoxue interrupted her.

“Miss Cheng, please release my subordinates!” Leng Ruoxue sighed and said politely.

“I didn’t catch them. They stayed here willingly. Besides, we’re getting married in a few days, so... you’re welcome to attend the wedding.” Cheng Lan explained. Then, as if she was shy, her voice became softer and softer.

“Miss Cheng, you locked Cheng Wu’s brothers elsewhere. Cheng Wu can’t not stay here even if he wants to! Besides, Cheng Wu doesn’t want to marry you,” Leng Ruoxue said honestly. If possible, she didn’t want to fall out with this Miss Cheng. Even though Cheng Lan’s forced marriage was a little shameful, Cheng Lan’s first impression wasn’t too bad. She also felt that Cheng Lan should be different from those unruly daughters of aristocratic families, so she hoped that she could convince this Miss Cheng.

“I didn’t lock them up! I just hope that Brother Cheng can live comfortably. If so many people live together, it will be very inconvenient. That’s why I arranged for the others to live elsewhere. Besides, didn’t I leave that person called Song Di to accompany him?” Cheng Lan explained. She didn’t feel that she had done anything wrong. Instead, she thought that she had thought it through.

Leng Ruoxue felt more and more helpless when she heard Cheng Lan’s words because she clearly realized that she was not on the same channel as Cheng Lan.

Leng Ruoxue took a deep breath and calmed herself down. She secretly warned herself to hold it in and not be angry before saying calmly, “Miss Cheng, maybe your arrangement is kind, but Cheng Wu doesn’t think it’s good.”

“Does he think this arrangement isn’t good? But he didn’t tell me!” Cheng Lan’s frown deepened. She really didn’t think that there was anything wrong with this arrangement. She even sent someone to take care of Brother Cheng and Song Di!

/

What should I tell you? You won't change even if I tell you. Leng Ruoxue couldn't help but grumble.

Moreover, she knew that with Cheng Lan's personality, even if Cheng Wu told her, he probably wouldn't take it seriously. Moreover, Cheng Wu had asked to leave several times, but Cheng Lan didn't allow it. Later, Cheng Lan arranged for so many people to serve him, so Cheng Wu and Song Di would naturally feel that they were being watched. In addition, Hei Zi and the others were in Cheng Lan's hands, so they could only commit the crime.

"Miss Cheng, will you let them go if Cheng Wu asks you to?" Seeing that his lady was too depressed to speak, Feng Da spoke up on her behalf.

"This... He's my future husband. Of course he can't leave me." Cheng Lan thought for a moment and said seriously.

Cheng Lan's words made Feng Da speechless. Sigh! He knew that this would be the outcome. This Miss Cheng was extraordinarily stubborn! Moreover, he realized that as long as Miss Cheng was determined, it seemed that it was useless for others to say anything.

"Miss Cheng, our Brother Cheng doesn't want to marry you at all." Lin Yuan couldn't stand it anymore and said directly.

"Why? In what way am I not good enough for him?" Hearing this, Cheng Lan was sad. She thought that she had done her best for Brother Cheng, but why didn't Brother Cheng want to marry her?

"How do you know that Cheng Wu doesn't want to marry Lan'er? Did he tell you himself?" At this moment, Lu Xuan, who had not said a word, suddenly asked and stared at them suspiciously.

"Tsk, isn't it obvious? Which man is willing to share his woman with others?! This is definitely a humiliation to men. Of course, it's the same for women. Love is originally a monogamy. If there's someone else in the relationship, this relationship won't be so precious," Lin Yuan said very seriously.

"Tsk, isn't it obvious? Which man is willing to share his woman with others?! This is definitely a humiliation to men. Of course, it's the same for women. Love is originally one-sided. If there's someone else in the relationship, this relationship won't be so precious," Lin Yuan said very seriously.

"Miss Cheng, everyone has different standards for relationships. Perhaps some people like to have a harem, but most people like monogamy. Therefore, Cheng Wu won't accept you, and you can't possibly abandon your three husbands for him, right?" Leng Ruoxue analyzed.

It was hard to say about relationships, and others could not make any decisions for her. Therefore, she really hoped that Cheng Lan could figure it out herself. Otherwise, unless she could kill Cheng Lan and destroy the Cheng family now, this big trouble would keep pestering them.

"I... I really like Brother Cheng," Cheng Lan whispered with a hurt expression.

"You can lead a horse to water but you can't make him drink. Love can only last if both sides are willing and are happy," Leng Ruoxue said.

"I never wanted to force him. I just like him too much, really." Cheng Lan felt wronged and tears welled up in her eyes.

“Miss Cheng, sometimes people can’t be too self-centered. Perhaps you think it’s good for him, but it depends on whether others can accept it. But Cheng Wu has no choice but to accept it now.” Leng Ruoxue sighed softly, her beautiful face filled with speechlessness.

“Is it wrong to like someone?” Cheng Lan said sadly. She had never liked to be unreasonable and bully others, but she was so stubborn on certain matters that even her parents could not do anything about it.

“It’s not wrong to like someone, but if you want to be together, both sides have to be willing!” Leng Ruoxue said implicitly. Looking at Cheng Lan, she couldn’t say it too harshly. Otherwise, others would think that she had bullied the eldest daughter of the Cheng family!

“Feelings can be nurtured slowly. I believe that Brother Cheng will be moved by me one day.” Cheng Lan’s stubbornness rose again. It could be said that she did not want to give up.

“Miss Cheng, if that day really comes, I won’t stop you, but not now. I won’t watch my subordinates be forced, so please let Cheng Wu and the others leave,” Leng Ruoxue said seriously.

Chapter 929: Leng Ruoxue and Cheng Lan (3)

“Not unless you can beat me,” Cheng Lan said.

“Okay.” Leng Ruoxue nodded in agreement. If this was Cheng Lan’s condition, then she was willing to accept this challenge.

“You actually agreed?” Cheng Lan was a little surprised. In fact, she was certain that Leng Ruoxue would not agree to such a condition. This way, Cheng Wu could stay by her side openly.

“If this is your condition for letting him go, I accept it,” Leng Ruoxue said very cautiously. She didn’t want such trouble to keep pestering them, so it would be best if she could fulfill the other party’s conditions herself.

“But you can’t let others help you, including your own beasts,” Cheng Lan added.

“Okay.” Leng Ruoxue still agreed. It was her plan to be polite before resorting to force.

“Are you crazy?” Cheng Lan said crazily. She swore that she just wanted Leng Ruoxue to retreat and not really want to fight with her.

“I’m very normal, Miss Cheng. You came up with this condition yourself. If I can defeat you, I hope you can keep your promise and stop forcing Cheng Wu. Of course, if Cheng Wu is moved by you and is willing to be with you, I won’t stop it.” Leng Ruoxue didn’t say it too confidently. Otherwise, if she really angered Cheng Lan, it would definitely be a huge problem for them.

“Alright then!” Cheng Lan was a little unwilling. However, she had no choice but to accept this fact.

“There’s no time like the present. Miss Cheng, find a suitable place and let’s spar!” Leng Ruoxue urged. Ever since the energy conversion was completed, although she had sparred with Feng Da and the others, Feng Da and the others were only junior gods, so it wasn’t satisfying for her to fight at all. As for Leng Qianye and the freak, they didn’t fight her at all. Now that she had Cheng Lan as her opponent, she naturally couldn’t let them off!

“Follow me!” Cheng Lan said gloomily. Then, she left the main hall with Leng Ruoxue and the others and headed to the training ground.

However, Cheng Lan was unhappy all the way. She could not understand why a mere Mystic God was looking forward to the battle more than her!

After arriving at the training ground, Cheng Lan chose an empty place and brought Leng Ruoxue and the others in.

There were a total of five training grounds in the Cheng family, and each of them was large enough to accommodate nearly a hundred people. Therefore, even after so many people entered, the entire training ground still seemed empty.

“Is this place okay?” Cheng Lan asked gloomily.

“Of course.” Leng Ruoxue nodded in satisfaction.

“Then let’s start now! I’ll let you come out with three moves first,” Cheng Lan said generously after the two of them walked into the arena.

“Don’t regret it!” Leng Ruoxue reminded. Since the other party was willing to give in, she naturally wouldn’t be coy and say no. Hehe! It would be a waste not to! After all, this concerned the freedom of Cheng Wu and the others! And this was her first time fighting a God above the intermediate level, so she took this battle very seriously.

“I won’t regret it,” Cheng Lan said. However, she really regretted it after saying that because Leng Ruoxue had already made her move. Looking at the fire dragon that bared its fangs and brandished its claws with a terrifying aura, pouncing at her with a majestic aura, she actually felt a moment of fear. Even though it was only for a moment, this was unacceptable to her, who had always been proud.

“Be careful of my Fire Dragon Dance!” Leng Ruoxue reminded. Even though the name of the Fire Dragon Dance was very impressive, it could only be considered an ordinary divine skill. Moreover, in the eyes of others, this divine skill was not very powerful, but it was hard to say in her hands!

“I’ll be careful,” Cheng Lan replied very politely. Because she had said that she would let Leng Ruoxue make three moves, she could only defend.

With that, Cheng Lan immediately set up a transparent defensive barrier for herself. The defensive barrier was earthen yellow and looked like it was only a thin layer, as if it would break at a touch...

However, after Leng Ruoxue’s fire dragon collided with the defensive barrier, not only did the transparent membrane not move, it even bounced her fire dragon back...

Leng Ruoxue looked at the fire dragon that was flying towards her and smiled faintly. Then, she released a fire dragon as thick as a bucket to stop the fire dragon that bounced back and absorbed the divine power on the fire dragon. After that, she split into two fire dragons and flew towards Cheng Lan...

This divine skill was called the Dance of the Two Dragons. She had once seen her Cheapsake Old Ancestor use it. However, at that time, the ancestor used mystic energy to activate it, and she was using divine power now, so its power was doubled.

People who had ascended to the God Realm or the natives of the God Realm could only use divine power normally after undergoing energy conversion. Moreover, from then on, the spiritual energy they absorbed in the world would automatically transform into divine power. The level of divine power was definitely higher than mystic energy. Therefore, only those who could use divine power could become gods.

“Is this the Dance of the Two Dragons?” Cheng Lan could not help but ask as she watched the fire dragons approaching her. These two dragons seemed to be different from the Dance of the Two Dragons she knew. When she fought others, she had seen others use this divine skill. However, the power that those people used was definitely not comparable to the two fire dragons flying towards her now.

“Yes.” Leng Ruoxue nodded. Among the divine skills, the Fire Dragon Dance and the Dance of the Two Dragons were not the best, so she was not surprised that Cheng Lan would have such a reaction.

“You’re not lying to me, are you? The Dance of the Two Dragons doesn’t make people feel so pressured,” Cheng Lan said with a look of disbelief.

“It’s true! There’s no such thing as a bad divine skill in this world. There are only people who can’t use it well.” Leng Ruoxue was very sure that she wasn’t wrong and couldn’t help but defend her divine skill. The two fire dragons seemed to have sensed Leng Ruoxue’s words and danced even more happily.

In an instant, the two fire dragons had already approached Cheng Lan’s defensive barrier. However, before attacking, the two dragons exchanged glances and then attacked in one direction...

Chapter 930: Leng Ruoxue and Cheng Lan (4)

With a crisp sound, Cheng Lan’s defensive barrier shattered with a huge explosion!

In an instant, fire and dust flew everywhere. The two dragons had completed their mission and returned to the world...

Cheng Lan was injured by the aftershock of the explosion because she underestimated Leng Ruoxue’s strength. A trace of blood flowed out of the corner of her mouth...

“Lan’er!” Lu Xuan, who was standing below the arena, looked at Cheng Lan worriedly and couldn’t help but shout.

“I’m fine.” Cheng Lan wiped the blood off her lips and forced a smile.

“Lan’er!” Lu Xuan knew that Lan’er was injured, but at this moment, he knew that he could not stop her unless she admitted defeat or gave up.

Cheng Lan looked at Lu Xuan comfortably, then turned to Leng Ruoxue with mixed feelings.

She had promised to let Leng Ruoxue make three moves, but she was already unable to withstand the second move.

Even though Cheng Lan knew that she would definitely lose if they continued fighting, she was really unwilling to admit defeat just like that!

She'd always been proud, and she'd rarely had an opponent among women her own age. Even when it came to a lot of good men, she'd had no fear of any of them, except for the particularly top ones. But today, a small, insignificant Mystic God made her feel intensely powerless. Something she'd never felt before.

Leng Ruoxue saw Cheng Lan looking at her thoughtfully but not saying anything, so she could only let her look.

After a while, Cheng Lan finally couldn't help but speak.

"Why aren't you continuing?" Cheng Lan asked in confusion. Logically speaking, shouldn't Leng Ruoxue chase after her and beat her down?

"Aren't you thinking? It's not fair to attack when the other party is distracted," Leng Ruoxue said indifferently. In fact, if it were someone else, she definitely wouldn't have stopped. However, she could tell that Cheng Lan wasn't an unreasonable person, so she was willing to give Cheng Lan a chance to think it through herself because this was the only way to settle this once and for all. Otherwise, Cheng Lan would probably not be convinced and there would be no end to this trouble.

"I want to know your true strength," Cheng Lan said after some thought.

"It's what you see, Mystic God!" Leng Ruoxue said gloomily. Boohoo... She was sad when she thought about how she didn't even advance one level during the energy conversion.

"You didn't hide your strength?" Cheng Lan's eyes widened in disbelief. If Leng Ruoxue was really at the Mystic God level, she was definitely the most abnormal Mystic God she had ever seen. One had to know that in the God Realm, the difference in strength was like the difference between heaven and earth! If others knew that a little Mystic God had actually broken through her defensive barrier, no one would believe it.

"No, I just completed the energy conversion more than half a month ago. I didn't have time to learn many divine skills!" Leng Ruoxue said honestly. Yesterday, Leng Qianye had just bought all the divine skills sold by the Mystic God Association, and last night, they had been discussing becoming martial artists, so they didn't have the time to learn divine skills.

"..."

Cheng Lan was speechless. Boohoo... How did she meet such a pervert? Brother Cheng, can't we really be together?

"I admit defeat," Cheng Lan said reluctantly after a long while. Leng Ruoxue had broken her defense and she was also injured. It wouldn't do her any good to continue fighting. Even though she was sometimes very stubborn, she still knew what to do in big matters. She admitted defeat because she didn't want to lose too badly. However, this also strengthened her determination to cultivate hard. Sooner or later, she would definitely wash away this stain!

"Then Cheng Wu..." Leng Ruoxue reminded, but she didn't finish her sentence. She knew that Cheng Lan understood.

“I’ll let them go with you. However, what I want to say is that I really didn’t capture him or lock him up. I just want him to stay here. Besides, there are people serving them every day,” Cheng Lan explained. Even though she was filled with reluctance, she had given her word previously so she could only bear the pain and part with him. Boohoo... Brother Cheng, I really can’t bear to part with you!

“Miss Cheng, I’ve also said that for the sake of others, they have to be able to accept your kindness. Otherwise, it will be a burden to others,” Leng Ruoxue said bluntly. She believed that Cheng Lan had no ill intentions towards Cheng Wu and the others. However, Cheng Lan did not know that the kind of kindness she thought was unacceptable to others.

“I understand. I’ll listen to your advice,” Cheng Lan said humbly. Then, she brought Leng Ruoxue and the others back to the main hall. Not long after, Cheng Wu and the others were brought over...
