Chapter 961: Yuan Hou, You Think Too Much (1)

As evening approached, Leng Ruoxue and the others finally arrived at the foot of Phoenix Cry Mountain.

Along the way, they had been enduring the demonic voice of the black eagle and were already a little impatient. Therefore, as soon as the little peacock arrived at Phoenix Cry Mountain, they impatiently dragged the black eagle to a remote and hidden corner and chose to ignore it...

"Feng Da, let's camp here today! We'll enter the mountain tomorrow." Leng Ruoxue looked at the empty terrain at the foot of the mountain and instructed.

"Alright," Feng Da replied. Then, he led his subordinates to set up the tent.

"Young Master Yuan, did you bring a tent?" Leng Ruoxue looked at the motionless ape and asked with a light smile.

"No, why do we need to bring that?" the ape asked foolishly.

"Of course it's for sleeping. Don't tell me you plan to sleep in the wilderness?" Leng Ruoxue knew that this rich second-generation heir would definitely not bring these camping things, so she deliberately asked!

"Uh! I didn't bring anything," the ape said with a sad face. He rarely left the First Alliance, so he had no use for these things at all. Moreover, no matter where he went, his subordinates had already arranged everything for him. There was no need for him to do anything!

"Then what should we do?" Leng Ruoxue pretended to be speechless and sighed softly.

"I... I'll keep watch at night," the ape said after thinking for a while. He knew that these subordinates of Miss Ning did not like him, so he could not expect any of them to be kind enough to give up their tent for him to stay in. He knew his limits.

"How can I do that? You're the son of the former Alliance Master," Leng Ruoxue said in embarrassment.

"It's alright. It's my honor to keep watch for Miss Ning. All of you can go to sleep tonight! Black Egg and I will keep watch," Yuan Hou said fawningly.

"Alright! Then I'll accept it." Leng Ruoxue pretended to decline and no longer refused.

"Ah! Beauty! Come! Come!" Suddenly, the black eagle's painful and happy voice entered Leng Ruoxue and the others' ears.

Everyone's foreheads were filled with black lines, and their stomachs were all heaving in unison. What was going on? Even though they were all very curious, no one went over to take a look. Uh! It was mainly because they were afraid that they would see something they shouldn't see.

"Ow! Ow!" This was followed by several more suppressed howls. The black eagle seemed to be enduring something...

Hearing this voice, Leng Ruoxue and the others were even more puzzled, and their curiosity was completely aroused.

“Uh! Young Master Yuan, your beast is screaming so miserably. Aren’t you going to take a look?” Feng Da asked with a strange expression.

“This... There’s no need,” the ape said fearfully. Hearing this scream, he didn’t dare to go over!

The ape’s words were immediately met with disdain from Feng Da and the others. Their faces and eyes clearly said, “What kind of master is this! The beast is enduring inhuman abuse, but the master is not responsible at all. Hmph! Whoever becomes his beast is really unlucky for eight lifetimes.”

“Ah! Howl!” The howling not far away lasted for more than half an hour, and Leng Ruoxue and the others’ curiosity lasted for half an hour...

As the wails became weaker and weaker, Leng Ruoxue and the others couldn’t help but let their imagination run wild. Could it be that a beast’s life had appeared! Even though the little peacock usually looked extremely obedient, it still wanted the beast’s life when it was ruthless! It was really too terrifying.

Just as everyone was letting their imagination run wild, the little peacock walked out from the corner, satisfied and refreshed...

“Master!” The little peacock ran to Leng Ruoxue’s side and rubbed against her fawningly.

“Are you satisfied?” Leng Ruoxue stroked the soft feathers on the little peacock’s head and smiled helplessly.

“It’s alright. It’s mainly because that dead bird is quite cooperative. Don’t worry, Master. It’s still alive!” The little peacock said with a wicked smile.

“Beauty, I will live well for you.” At this moment, the black eagle’s weak voice sounded from the corner...

This time, when the little peacock heard the black eagle call it a beauty, it miraculously didn’t get angry. When everyone saw this scene, they felt that it was unbelievable. Well! Could it be that the two birds had reached some kind of agreement that they didn’t know about?

However, when they saw the black eagle walking out of the corner shyly, they were relieved. At the same time, they couldn’t help but laugh wildly...

“Haha!”

Everyone laughed until they cried when they saw the black eagle’s current appearance. At the same time, they sighed in their hearts. This little peacock was really ruthless. It actually plucked all the feathers off the black eagle’s body. Sigh! No wonder it took so long! At this moment, the black eagle’s entire body was bare, and not a single hair could be found. It could be seen how neat the little peacock’s technique was.

“Black Egg, how did you become like this?” The ape was shocked when it saw its beast’s bald appearance. At the same time, it couldn’t help but wonder if Black Egg could still fly in this state. The answer was naturally no.

“The beauty said that I was too dark and it didn’t like it, so it helped me to amke over,” the black egg said shyly. Its skin was slightly red.

“You...” The ape was about to be angered to death by this stupid bird. Even though he wanted to beat it up, it did not dare to be too violent in front of Miss Ning, lest Miss Ning despised him.

“The beauty said that I look much better now,” the black eagle said as if he was in love.

“As if! Can you still fly now?” The Yuan Hou growled in disappointment. He didn’t dare to roar too loudly, afraid that his beloved Miss Ning would hear him.

“Hehe! Of course not now, but after some time, my feathers will grow back and I will be able to fly again,” the black egg said disapprovingly. As long as it could please a beauty, what was a body of feathers?

“You...” Yuan Hou was so angry that its entire body was trembling and it could not speak.

“Calm down. Since things have come to this, please accept my condolences!” Feng Da walked forward and comforted him. Then, the others followed suit and patted the ape’s shoulder to comfort it.

Chapter 962: Yuan Hou, You Think Too Much (2)

“Thank you for your concern. I’m fine,” Yuan Hou said, touched. Boohoo... He had finally been accepted by them, he thought happily. But if the others knew what he was thinking, they would tell him that he was overthinking it.

“Let’s go hunting with us!” Feng Da received the freak’s gaze and hugged Yuan Hou’s shoulder, forcefully dragging the reluctant Yuan Hou away...

“Hunting! I didn’t say I was going hunting with you!” Yuan Hou’s voice entered Leng Ruoxue’s ears.

Leng Ruoxue chuckled and looked at the freak coquettishly. Her beautiful eyes clearly said, “You’re so bad!”

“Little peacock, take this bald eagle somewhere else for a while. I have something to say to your master.” The freak looked at the black eagle, who was sizing them up with wide eyes, and instructed softly.

“Yes,” the little peacock replied. Then, he pulled the black eagle’s wings and left...

“Xue’er, it’s great that all the light bulbs have left.” The freak pulled Leng Ruoxue into his arms and said proudly.

“You’re really...!” Leng Ruoxue smiled helplessly.

“I want to be alone with Xue’er!” The freak chuckled.

“Yes, I know.” Leng Ruoxue nodded and hugged the freak’s waist.

Just like that, the two of them kept their arms around each other. There were no additional words, but they felt warm and welcoming. The intimate atmosphere between them was one that no one could ever get into.

It wasn't until they heard footsteps that they reluctantly released each other.

"We're back, miss," Feng Da deliberately announced loudly.

"Yes." Leng Ruoxue nodded as she looked at Feng Da and the others who appeared in front of them.

"Looks like your gains are not bad!" Leng Ruoxue couldn't help but sigh when she saw the rabbit in their hands.

"That's right! Hehe! There are many low-level spirit beasts in this mountain. There's a nest of them." Feng Da looked at the fat rabbit in his hand and said happily.

"Uh! What happened to Young Master Yuan?" Leng Ruoxue suddenly glanced at Yuan Hou who was hiding in the middle of the crowd in a sorry state. His clothes were actually torn, and his face was bruised. This couldn't help but surprise her. Well! Feng Da and the others shouldn't have beaten him up again, right?

"He was beaten up by a rabbit." Feng Da suppressed his laughter. To be honest, he had never seen such a stupid person in his life. Not only could he not even catch a rabbit, but he was also played by those stupid rabbits.

"Those rabbits were too cunning. I... I didn't catch any of them," Yuan Hou said in embarrassment. Boohoo... He didn't want to hunt at first, but then he heard from Miss Ning's subordinates that their Miss liked rabbit meat the most, so he wanted to show off in front of Miss Ning. Who knew that he would end up embarrassing himself?

"It's okay, just catch him a few more times." Leng Ruoxue smiled and comforted him, but she couldn't help but feel anxious in her heart. It was normal not to catch such a rich second-generation heir! If he caught the rabbit, how stupid would the rabbit be!

"Young Master Ape, originally! If you didn't catch any rabbits, you shouldn't have any food to eat at night. However, our Miss is kind-hearted and naturally won't watch you starve. So, go find a small river and clean up all these rabbits! If there's anything unclean, don't even think about eating at night." Feng Da instructed with a naughty smile.

"I... I don't know how to catch rabbits," Yuan Hou said fearfully. Boohoo... After flying for nearly a day, he was already hungry. If he was not allowed to eat at night, he would starve to death.

"Lin Yuan, give him a sample." Feng Da turned to look at Lin Yuan.

"Alright." Lin Yuan took out a dagger as thin as a cicada's wing from his ring. Then, he picked up a dead rabbit and skillfully skinned it and removed its internal organs. In less than a minute, a huge rabbit weighing more than ten kilograms was cleaned up by him.

"Here, follow this standard." Lin Yuan stuffed the packed rabbit into Yuan Hou's hand and reminded it.

“Uh!” The ape was a little dumbfounded. Could... could he still be considered a human? Wasn't his speed a little too fast? Even though his subordinates would occasionally roast something for him to eat, their speed couldn't compare to this person's!

“Uh what! Hurry up and clean up! Remember to wash it clean!” Lin Yuan said impatiently.

“I don't know where there's a river,” Yuan Hou whispered.

“Didn't we encounter a river on the way back? It's not very far from here. You can just wash there,” Lin Yuan said speechlessly.

“Oh! But how can I take so many rabbits!” Yuan Hou asked again.

“F*ck, you're asking too many questions! Why do you have so many questions? These rabbits didn't let you hold them with your hands. Is your storage ring a toy!” Lin Yuan's patience was exhausted and he couldn't help but roar.

“Why are you so fierce!” Yuan Hou muttered softly, his face filled with grievance.

“Go!” Lin Yuan roared, glaring.

“Ah! I'll go now!” Yuan Hou hurriedly put the rabbits in the hands of the others into the ring and then went to clean up.

But he was back before long.

“Don't tell me you're done packing so quickly?” Lin Yuan said in disbelief. Damn, wasn't this strange?

“Um... can you lend me your dagger?” Yuan Hou whispered, ducking his head in fear.

“Here, don't lose it.” Lin Yuan kept telling himself to calm down. Then, after taking a few deep breaths, he handed the dagger that had been retracted from his ring to Yuan Hou.

“Yes.” Yuan Hou nodded, then turned and left again.

“Feng Da, Can he get the rabbits?” Leng Ruoxue asked with a headache as she watched Yuan Hou leave as if it was going to the execution ground.

“Miss, we don't know anything either. Humans have to go through more adversity. Therefore, we're giving him a chance now. He has to thank us!” Feng Da said disapprovingly.

“Looks like I won't be able to eat rabbit tonight.” Leng Ruoxue didn't have any hope in the speed at which Yuan Hou cleaned up the rabbit meat.

Chapter 963: Yuan Hou, You Think Too Much (3)

“Hehe! Who said we can't eat it? We still have more!” Feng Da took out more than ten fat rabbits from his ring and said proudly.

“Sigh! You guys are getting worse.” Leng Ruoxue sighed.

“Hehe! If we count on eating the rabbits prepared that second-generation heir, we probably won’t be able to eat them tomorrow morning. Therefore, we naturally have to be prepared beforehand!” Feng Da said disapprovingly.

With that, Feng Da and the others worked together. Not long after, the rabbit meat was placed on the fire to roast...

However, Yuan Hou still hadn’t returned when Leng Ruoxue and the others finished dinner and the sky was getting darker. This made Leng Ruoxue curious.

“Feng Da, get some people to find that Yuan Hou! We haven’t left the First Alliance yet. If anything happens to him, won’t the original Alliance Master eat us?” Leng Ruoxue said helplessly. Alas! This Yuan Hou was really troublesome. Even though she really wanted to throw this ape here to feed the wolves, it was not the time to fall out with them. Otherwise, she would have left long ago.

“Okay.” Feng Da nodded and led his men into Phoenix Cry Mountain to look for the ape.

A moment later, Feng Da and the others carried the dying Yuan Hou back to the camp.

“What happened?” Leng Ruoxue looked at Yuan Hou that was covered in blood and breathing weakly and asked in confusion.

“I don’t know. He was like this when we went to the river,” Feng Da explained.

“Let him eat this.” Leng Ruoxue took out a pill and handed it to Feng Da. Sigh! Yuan Hou couldn’t die yet! Her show wasn’t over yet!

“Okay.” Feng Da took the pill, pried open Yuan Hou’s mouth, and threw the pill in.

After a while, the unconscious Yuan Hou woke up, and his injuries were almost healed.

“Miss Ning! Boohoo... I thought I wouldn’t be able to see you again!” The first thing Yuan Hou did when it opened its eyes was to cry bitterly to Leng Ruoxue to express its feelings.

“Stop! Young Master Yuan, don’t just cry. Tell us what happened first?” Leng Ruoxue asked curiously.

“I... I was cleaning up the rabbit meat by the river when a group of people came and snatched all our rabbits away. They even injured me,” Yuan Hou explained softly.

“Oh! Then why didn’t you shout for help?” Leng Ruoxue didn’t understand. Wasn’t this second-generation heir quite arrogant? Why had he been beaten up repeatedly recently! Sigh! What an unlucky child.

“There were too many enemies, and they were all very fierce. I was injured and fainted before I could say anything,” Yuan Hou said in embarrassment. Boohoo... Now he knew that his father had not lied to him. This Phoenix Cry Mountain was really dangerous. He had only been here for a short time, but he had almost lost his life here.

“They took your dagger, too,” Yuan Hou added in a voice smaller than a mosquito, not daring to look at Lin Yuan.

"Who snatched it?" Lin Yuan glared at him and questioned fiercely. That dagger was refined for them by their Miss. They each had one. One had to know that it was not easy for their Miss to refine a weapon once! Therefore, that dagger was definitely difficult to obtain even with money. Moreover, they usually cherished it and could not bear to use it to kill people. Well! They often used it to cut meat.

"I... I don't know." Yuan Hou was frightened by Lin Yuan's fierce expression and stuttered.

"Then do you remember what those people looked like?" Leng Ruoxue asked calmly.

"Yes, I'll recognize them even if they turn to dust," Yuan Hou said fiercely. This was the second time. In his entire life, he had only been beaten twice. He couldn't find them the first time round, so he would find them even if he had to search the entire Phoenix Cry Mountain!

"That's good. Let's go into the mountains tomorrow and look for them!" Leng Ruoxue said calmly.

"Miss Ning, this is the second time you've saved me. Boohoo... I've decided. I must..." He was interrupted by the freak before he could finish his sentence.

"It's time for you to rest, my lady," the freak reminded her with a wicked grin. In front of the Yuan father and son, he was not Xue'er fiancé, but a guard.

"Oh! Okay." Leng Ruoxue was very helpless. She knew that this jealous lover was most likely jealous again.

Then, Leng Ruoxue and the freak went into a tent.

"Why... why did he go in too?" Yuan Hou was a little dumbfounded when it saw that the handsome man had actually followed Miss Ning into the tent. He was a little uneasy.

"He's my lady's personal guard. Of course he has the right to enter," Feng Da said indifferently without even batting his eyelids.

"Even a personal guard doesn't have to be so personal!" Yuan Hou said with jealousy. Boohoo... Why wasn't he the one who could protect Miss Ning by her side! Oh God! You're so unfair.

"Tsk, don't you also have a girl to warm your bed! With my lady's status, what's so strange about having such a personal guard?" Feng Da said disapprovingly.

"Uh! How did you know?" Yuan Hou was a little shocked. He had warned the people around him not to tell anyone about this.

"Do you think your trivial matters are really some incredible secret?!" Feng Da said speechlessly. In fact, he was really not interested in his gossip. However, the black eagle had revealed these things to please the little peacock, and the little peacock had told them.

"Does Miss Ning know?" Yuan Hou asked nervously.

"Even we know about it. What do you think?" Feng Da asked instead of answering.

"It's over! It's over! What should we do?" Yuan Hou was depressed. How would he live if Miss Ning had a bad impression of him because of this?! Boohoo... Even though that was all in the past, what if Miss Ning minded?

“Don’t think too much. Keep watch!” Feng Da patted the ape’s shoulder and reminded him. Hehe! Even though he couldn’t read minds, he could guess what that ape was thinking about just by looking at its expression. In fact, he wanted to shout, “Ape! You’re thinking too much!”

Chapter 964: Yuan Hou, You Think Too Much (4)

With that, Feng Da went into his tent, and the others returned to their tents.

In the blink of an eye, there was only a dazed man and a bald eagle sitting by the fire for warmth.

Ah! It’s too cold for a featherless eagle, Black Egg thought to itself. However, it had coaxed the beauty out of her anger at the very least. It considered itself much luckier than its master, who still had a long way to go.

After letting its imagination run wild, Black Egg sat by the fire and stared at its master...

It wasn’t until Yuan Hou’s soul returned to his body and he felt a gaze on him that he reluctantly looked up. “Black Egg, why are you staring at me?”

“Master, there’s a fire here. Aren’t you cold?” the black egg reminded him. Alas! Master was a little foolish.

“Oh!” After being reminded by the black egg, Yuan Hou realized that it was indeed quite cold now.

He got up, moved a few feet, and joined IT by the fire. But as he sat down, he felt his stomach growl in protest again. Boohoo... He hadn’t eaten in almost a day, and he was hungry.

“Black egg, is there anything to eat?” Yuan Hou helplessly asked his beast for food.

“No, master. You have rations in your storage ring, don’t you?” Black Egg reminded him.

“Oh, really?” Yuan Hou looked into the ring doubtfully. Sure enough, he found a few pieces of hard and dry rations inside.

Yuan Hou accepted his fate and took them out to eat, his heart aching. Boohoo... When had he ever been treated like this?! The more he thought about it, the more aggrieved he felt. However, he still had to finish the hard and dry rations with tears in his eyes...

By the second half of the night.

It was getting colder. Yuan Hou and the bald black egg were shivering. Even being near the fire couldn’t dispel the chill of the night, so the master and the beast had to snuggle up to each other for warmth...

The next day.

When Leng Ruoxue and the others came out of the tent, they saw this scene.

“Is it very cold at night?” Leng Ruoxue asked in confusion. This wasn’t the mountains, so it shouldn’t be cold! Besides, didn’t they have a fire beside them?

“Yes, it was very cold!” Yuan Hou could feel himself freezing.

“You’re really a rich second-generation heir! You can’t even take this little hardship. If we were in the deep mountains, would we only be able to see two ice sculptures the next day?” Feng Da mocked with slight disdain.

“I...” Yuan Hou pouted, but there was nothing he could say.

“Make breakfast!” Leng Ruoxue said helplessly.

“Yes.” A moment later, Feng Da and the others quickly prepared breakfast. The ape was dumbfounded when it saw their agile movements.

During breakfast, Yuan Hou wolfed down the food as if HE had never seen food before. Feng Da and the others were speechless. How hungry was this person!

“Sorry, I’m too hungry,” Yuan Hou said in embarrassment when he saw that most of the food had entered his stomach. He felt that he had never eaten anything so delicious in his life!

“It’s okay. We’ll keep a tab for you. You have to pay for everything you eat,” Feng Da said with a smile.

“Yes, yes, money is not a problem,” Yuan Hou said quickly as long as he was not hungry.

After breakfast, everyone packed up and walked towards Phoenix Cry Mountain.

Of course, there was no real phoenix in Phoenix Cry Mountain. It was mainly named after its shape.

From afar, the entire Phoenix Cry Mountain looked like a phoenix that was chirping and spreading its wings.

The scenery of Phoenix Cry Mountain was famous for being beautiful on the Divine Continent. In addition, the beasts in the mountain were not very strong. The number of level-nine Transcendent Divine Beasts were so few that it was pathetic, and there were no traces of Divine Beasts. Therefore, many families and forces liked to bring their juniors here to train. Therefore, Leng Ruoxue and the others encountered several groups of people not long after entering the mountain.

One of the teams happened to be the one they were looking for.

“Miss Ning, it was those people in blue who injured me,” Yuan Hou whispered to Leng Ruoxue and the others.

“Oh!” Leng Ruoxue heard Yuan Hou’s words and looked at the team mainly dressed in blue.

There were about 30 people in that team, and most of them were Elementary Gods. However, the few people leading the team had the strength of Advanced Gods. Their clothes were basically blue, and there were totems embroidered on their clothes. There was a small ‘Yao’ character in the bottom left corner of their clothes. Among them was only a woman in a dazzling red dress, which made her stand out in the team.

That woman was extremely beautiful. Her figure was enchanting and sexy. Even though her appearance might not be as good as Miss Ning, who she had met once, her temperament was much better than Miss Ning.

Oh! Could it be that Yuan Hou was robbed because of his appearance? Looking at the beautiful woman not far away, Leng Ruoxue couldn't help but think to herself...

Chapter 965: The Daughter Of The Yao Family (1)

The other party clearly noticed the existence of Leng Ruoxue and the others just as Leng Ruoxue was sizing them up. The two teams continued for a while until the woman in red suddenly walked in front of Leng Ruoxue and said with a charming smile, "Hello, Little Sister. My name is Yao Qianqian. Let's be friends!"

After saying that, she reached out to shake Leng Ruoxue's hand...

Leng Ruoxue only chuckled, neither agreeing nor deliberately refusing.

When Yao Qianqian saw that Leng Ruoxue was actually so calm, the anger in her heart could not help but surge. The jealousy in her beautiful eyes flashed.

How could there be such a beautiful and outstanding woman in the world? She was really angry. Since she was young, she knew very well that she was definitely not as beautiful as Ning Rong'er. Therefore, she had always paid a lot of attention to her temperament.

And it turned out that she had succeeded because almost everyone would say both openly and secretly that Ning Rong'er's temperament was not as good as hers. This was also the proudest thing she had ever done in her life.

However, Leng Ruoxue's appearance completely shattered her beautiful dream. Today, she specially chose red dress because she wanted to attract attention and attract everyone's attention. However, even the simple and plain clothes of the woman in front of her completely covered her brilliance. How could she not be envious and jealous!

Thinking of this, she couldn't help but increase the strength of her hand and release her pressure. Her goal was to make Leng Ruoxue embarrass herself. Who asked the woman in front of her to be weaker than her! She couldn't help but think proudly, Hmph! No one could steal her limelight. She was the one who attracted the most attention and attracted the most attention. The person who was the center of attention could only be her!

Feng Da and the others watched coldly from the sidelines. They only looked at Yao Qianqian as if they were watching a good show. Sigh! What a reckless woman. Of all people, why did she have to be jealous of their young miss?

Even though the woman thought she had hidden her jealousy well with her enthusiasm, they had seen enough of such women that it was impossible to fool them.

Sigh! It seemed that their Miss really didn't have much luck with women! Why did they always meet such jealous women wherever they went? They couldn't figure it out!

"Miss Yao, are you done holding my hand?" Leng Ruoxue looked at Yao Qianqian indifferently with her beautiful eyes and revealed a gorgeous smile. Everyone around them except for Feng Da and gang, fell into a daze immediately and only came back to their senses after a long time.

“Little Sister, just call me Elder Sister.” Yao Qianqian was 100% enthusiastic. Her beautiful face was full of smiles, but her eyes burned with the flames of jealousy.

“I’m sorry! My Grandpa said not to casually acknowledge random sisters,” Leng Ruoxue said with a faint smile. Then, she secretly flicked Yao Qianqian’s hand away.

As soon as Yao Qianqian’s hand was repelled, five purplish-red fingerprints appeared on the back of Leng Ruoxue’s fair hand. Those who had just regained their senses understood at a glance. At the same time, their impression of Yao Qianqian worsened.

“Miss Yao’s grip is really strong!” Leng Ruoxue sneered.

“Little Sister, I...” Yao Qianqian was about to explain, but the freak interrupted her.

“Miss, does it hurt?” The freak held Xue’er’s hand with heartache. His handsome face was filled with worry. Moreover, in his heart, Yao Qianqian was already dead.

“Miss, is it very painful?” Feng Da and the others asked cooperatively.

“Miss Yao? You’re too much,” Leng Ruohan said with a cold expression even though he knew that Xue’er had deliberately let Yao Qianqian leave evidence on her hands. One could imagine how much force Yao Qianqian had used looking at the five handprints that had already turned dark purple. Thinking of this, the anger in his heart burned. How could his precious little sister be bullied!

“Miss Yao, what are your intentions? You have to give us a satisfactory explanation. Otherwise, we will definitely not let you off!” Leng Qingtian also said coldly, the flames in his eyes burning.

“That’s right. What a vicious woman. Aiya, if anyone marries you, their family will definitely be doomed,” the disheveled old man said bluntly.

Hearing the accusations of Leng Ruohan and the others, Yao Qianqian felt a little embarrassed. The Yao family members who came with her also felt a little embarrassed. After all, many people in the Yao family understood Yao Qianqian’s nature!

“You... How dare you! I’m the young miss from the Yao family!” When Yao Qianqian saw the other party’s aggressive attitude, she used her identity as the daughter of the Yao family to scare them away. Unfortunately, Leng Ruohan and the others did not care at all. It did not matter if she was from the Yao family or the Ning family. No one could not bully their Xue’er.

“Is your identity very impressive? You ugly freak!” At this moment, Yuan Hou jumped three times and cursed. Well! Everyone was fighting to perform, so he couldn’t fall behind.

“What did you say? Didn’t I beat you enough previously? I really didn’t expect you to be so lively after being injured like that. You’re really an unkillable cockroach!” Yao Qianqian roared with disdain.

“I said that you’re an ugly freak. You’re ugly, but you don’t allow others to say it. Go home and hide! Don’t wander around outside. It won’t be good if you scare people to death.” With someone backing him up, the ape became more confident and mocked him bluntly.

“You’re really courting death. I should have killed you last time!” Yao Qianqian roared angrily.

“Kill me! If you have the ability, kill me now. If you can’t kill me, take my surname,” Yuan Hou provoked.

“You... just you wait. I will do as you wish.” Yao Qianqian was so angry that she went crazy. She even forgot to maintain her ladylike appearance. Her tigress appearance shocked everyone.

“Then come and kill me now! If you can’t kill me, you can take my surname,” Yuan Hou said proudly. Hehe! With Miss Ning’s subordinates around, he didn’t believe that this woman could really kill him.

“Alright, I’ll take your surname if I can’t kill you!” Yao Qianqian roared angrily. She wanted to attack, but was stopped by a slightly dignified voice.

Chapter 966: The Daughter of the Yao Family (2)

“Qianqian, don’t mess around!” A middle-aged man who looked righteous growled unhappily.

“Uncle!” Yao Qianqian stomped her feet and called out unhappily.

“This isn’t our house. It’s not your place to fool around,” Uncle Yao reprimanded.

“Everyone, I’m sorry. My niece has been spoiled by her parents from a young age. Please forgive her for offending you,” Uncle Yao said apologetically.

“You bullied my lady. Is an apology enough?” Feng Da’s cold voice floated over.

“Yes, and me! They even injured me,” Yuan Hou interrupted, as if he was afraid that Feng Da would forget him.

“Tell me how are you going to compensate us!” Feng Da smiled kindly, but his dark and bright eyes were cold.

“What requests do you have? As long as it’s something I can do, there’s no harm in saying it.” Uncle Yao was very understanding. Even though the Yao family was big and there was no need for him to lower his head to these strangers, they were outnumbered and they were in Phoenix Cry Mountain. If the two sides really fought, they would definitely not have an advantage. He was afraid that others would benefit in the end. This was the last thing he wanted.

Leng Ruoxue and the others had similar thoughts as the other party. Therefore, since the other party was willing to let them offer compensation, they would keep Yao Qianqian alive for the time being. In any case, they would only let her live for a while.

“Requests! There are, but I’m afraid you can’t do it.” Feng Da smiled evilly, his eyes filled with schemes.

“What request? You can tell me.” Uncle Yao took a deep breath and kept warning himself to calm down. He could not be as impulsive as Qianqian.

“You robbed us yesterday, and we’re going to rob you today. So, take out all the valuable things on you!” Feng Da said with a smile.

“This...” Uncle Yao hesitated. At this moment, he even felt that the other party was a little ruthless. It was known that many of the cultivators carried their precious items with them. Their items would naturally no longer exist if they were dead. However, this person asked them to hand over all their belongings. Wasn’t that too much?

After all, they had only robbed some rabbit meat yesterday.

“What? You won’t?” Feng Da sneered.

“Um... We only robbed some rabbit meat yesterday. Isn’t it a little too much for you to want to take all our belongings because of that rabbit meat?” Uncle Yao asked softly.

“Not to mention just rabbit meat, even if you robbed a rabbit fur, if we encounter it today, we have to compensate with all our belongings. Otherwise, we’ll settle it with force,” Feng Da said disapprovingly.

“Uh! I’m afraid this matter will have to be decided by your Miss, right?” Uncle Yao said implicitly. In other words, could he make the decision?

However, Leng Ruoxue, who was enjoying the attention from the freak, had no time to care about Uncle Yao. She couldn’t even be bothered to raise her head.

“If I can’t make the decision, would I waste my breath on you?” Feng Da said speechlessly. Well! It seemed that this old man looked down on his status! Hehe!

“So? Are you going to give it to us voluntarily? Or do you want us to use force?” Feng Da asked impatiently.

“Uncle, don’t give it to them. I don’t believe they dare to do anything to our Yao family!” Yao Qianqian interrupted again.

“Qianqian, shut up!” Uncle Yao said with a headache.

“Uncle!” Yao Qianqian wanted to say something, but she swallowed her words under the threat of her uncle’s gaze.

“Miss Yao, didn’t your parents teach you not to always talk about your family when you’re out? This is very annoying. If someone really wanted to kill you, who would care about your family!” Feng Da said with a faint smile. They had already offended one of the ladies of the Yao family. They were not afraid of one sheep.

“Everyone, Qianqian is young and insensible. I hope you won’t hold it against her,” Uncle Yao said helplessly.

“I refuse! I’m a petty person who holds grudges. So, Uncle Yao, what do you think we should do?” Feng Da said as if he was listening to him.

“Everyone, actually, Qianqian is not to blame for what happened last night.” Uncle Yao did not answer Feng Da’s question. Instead, he mentioned what happened last night.

“Oh? Then who is to blame!” Feng Da’s gaze wandered across the faces of Uncle Yao and Yuan Hou, making the two of them shudder.

“Of course it’s his fault.” Yao Qianqian pointed at Yuan Hou and said fiercely.

“Little monkey, tell me the truth. What exactly is going on?” Feng Da glared and roared.

“Boohoo... it’s really not my fault!” Yuan Hou said fearfully.

“Then explain everything clearly. If you hide anything, you know the consequences,” Feng Da threatened.

“Erm... I was cleaning up the rabbit meat yesterday. This ugly monster came over and wanted to try two of them, but I didn’t give them to her, so she called some people to beat me up and snatch those rabbits. That’s it,” Yuan Hou confessed.

‘You’re still addressing me as an ugly monster!’ Yao Qianqian interrupted.

“You’re an ugly freak to begin with! You’re an arrogant ugly monster, yet you still dream of seducing me! Hmph! I’m already taken. Who would fancy you?!” Yuan Hou said disdainfully.

“You’re courting death!” Yao Qianqian was so angry that her cheeks turned red. She reached out to teach Yuan Hou a lesson.

“Not only is she an ugly monster, but she’s also an unwanted tigress. The man who marries you will definitely be unlucky for the rest of his life!” Yuan Hou said very viciously. Then, it hid behind Feng Da in fear, only revealing its head.

Feng Da and the others watched this farce and did not know whether to laugh or cry. Sigh! No wonder Yuan Hou did not dare to tell the truth! So there was such a thing. However, what did Yuan Hou mean by he was taken?

“Uncle Yao, everyone should know the truth now. How do you think this matter should be handled?” Feng Da said with a faint smile. Even though he did not like that monkey, in the eyes of outsiders, the monkey was on their side, so he naturally could not stand by and do nothing.

Chapter 967: The Daughter Of The Yao Family (3)

“This... this...” Uncle Yao was sweating profusely and did not know how to answer. Could he say that his niece was in the wrong? However, this matter was obvious! The people present were neither deaf nor blind, so he really could not lie through his teeth. Moreover, if he really said it, he was afraid that the other party would not let it go.

“Everyone, I feel that both sides are at fault in this matter. Let’s punish both parties equally without considering guilt! It’s wrong for Qianqian to bring people to snatch the meat and injure others, but a man shouldn’t be calling a young girl is ugly!” Uncle Yao hesitated for a moment and avoided the main point. At the same time, he was secretly pleased. Hehe! The other party had nothing to say now!

“She’s ugly to begin with!” Yuan Hou said indignantly. Boohoo... These people outside were really bad. He was the victim, but now he had to suffer injustice! It was really unfair. He couldn’t help but curse silently.

“Little monkey, don’t be like Miss Yao. You’re so uncultured. How can you children interrupt when adults are talking?” Feng Da scolded.

“Oh!” Yuan Hou obeyed and shut its mouth, not daring to speak again.

“Uncle Yao, according to you, your niece brought people to snatch meat and beat them until they were on their last breath. It’s equivalent to being called ugly, right?” Feng Da asked with a faint smile.

“Uh! What do you mean, sir?” Uncle Yao asked carefully, afraid that he would fall into the other party’s trap.

“Why don’t you call me ugly too? Then, I’ll beat you up until you’re half-dead. What do you think of my suggestion?” Feng Da asked innocently.

“You...” When Uncle Yao heard Feng Da’s words, he almost fainted.

“What’s wrong? Calm down, be agitated! It’s not good for your health. Sigh! You have to be careful in all aspects when you’re old!” Feng Da said angrily.

“However, I say, your Yao family’s upbringing is too poor! The dignified Miss Yao actually seduced a man for a few pieces of rabbit meat. If she can’t seduce him, she’ll snatch him away. Sigh! The morals of the world are degenerating day by day!” Feng Da added.

“However, the little monkey is right. Your niece is really ugly. Her ugly heart is even uglier,” Feng Da said to himself, not looking at Uncle Yao’s darkening expression.

“Yes, yes! That’s great.” Yuan Hou, who was hiding behind Feng Da, agreed with him. He was so happy that he wanted to curse in his heart. Damn! How did he train his eloquence to anger the living and the dead! He was an idol!

“Behave yourself. Children are not allowed to interrupt when adults are talking. Don’t be like Miss Yao and be ill-mannered.” Feng Da patted the ape’s head and reprimanded.

“Yes, yes.” Feng Da obediently shut his mouth. Now that he had already treated Feng Da as his idol, he naturally listened to him.

“Uncle Yao, do you think you can agree to my conditions? Tell me! It’s already afternoon, and we haven’t eaten lunch!” Feng Da urged.

“I... I...” Uncle Yao couldn’t say a complete sentence for a long time. It was obvious that he was agitated.

“Sir, we were in the wrong yesterday. I apologize on behalf of the Yao family. However, it’s a little too much for you to ask us to hand over all our assets,” another middle-aged man said calmly.

“Too much? Why don’t I think so? It’s too late to admit that it’s your fault. I’ll add an additional condition. Of course, you can also choose to say that I’m an ugly monster and then be beaten almost to death by my brothers and me. That way, you won’t have anything to lose in terms of assets. Choose one of the two. Choose for yourself!” Feng Da said with a smile. As the saying went, humans died for money and birds died for food. He just didn’t know how the Yao family would choose.

“May we discuss this?” the middle-aged man asked politely.

“Of course, but my patience is limited,” Feng Da reminded him.

“Alright, I’ll give you an answer as soon as possible,” the middle-aged man said helplessly.

With that, he returned to the Yao family’s team and discussed with everyone.

However, after discussing for a while, everyone’s opinions were not unanimous. Both Uncle Yao and him were in favor of spending money to avoid disaster, but the younger generation of the Yao family, led by

Yao Qianqian, were very disapproving of this. They even felt that Uncle Yao and that middle-aged man were too cowardly. How could the descendants of the Yao family be threatened by others!

In the end, Uncle Yao forcefully unified the opinions as an elder.

However, he was quite disappointed with the performance of these juniors of the Yao family because they did not understand his heart! Alas! He was not afraid of trouble! Wasn't he compromising so much for their lives? Who asked the other party to have nearly three times the number of people! He was really not confident that he could protect everyone. Unfortunately, the juniors of the Yao family, led by Yao Qianqian, did not understand.

"We've discussed it. We're willing to give up all our assets." The middle-aged man announced on behalf of the Yao family's uncle, who was trembling with anger. At the same time, he secretly noted down the faces of these people. Hmph! The person who dared to rob the Yao family and embarrass them had yet to be born in this world! Therefore, the Yao family would remember this debt today!

At the same time, he secretly noted down the faces of these people. Hmph! The person who dared to rob the Yao family and embarrass them had yet to be born in this world! Therefore, the Yao family would remember this debt today!

"Sure, but as I said, I have an additional condition." Feng Da smiled evilly.

"What condition?" The middle-aged man's heart skipped a beat. A bad feeling welled up in his heart.

"Let that Miss Yao Qianqian be a bed warmer for the little monkey! After all, the little monkey was injured by her and her men. She has to be responsible," Feng Da said calmly.

"What?"

Two voices sounded at the same time in disbelief. One belonged to Yao Qianqian and the other to Yao Qianqian.

"Look at how united the two of you are! What a perfect match," Feng Da teased with a smile. To be honest, he had thought of this idea by accident. Sigh! He had no choice! Who asked this Yuan Hou to always have designs on his Miss?

Chapter 968: The Daughter of the Yao Family (4)

"Idol, I... I'm taken. I don't want this ugly woman!" Yuan Hou said in fear. He was afraid that his idol would force this ugly woman on him. Then he would cry to death!

"I don't want you either!" Yao Qianqian roared angrily. She hated Feng Da to death!

"This is not up to you. I told you, you are just the additional condition." Feng Da ignored the burning anger in Yao Qianqian's eyes and said calmly.

"I say, little monkey, even though this Yao Qianqian doesn't have a good temper and is an ugly freak, she's still a woman. Her family background is passable. Just use her!" Feng Da pulled Yuan Hou in front of him and advised.

“No... I don’t want to! You... If you dare to force this annoying woman on me, I’ll commit suicide.” Yuan Hou thought for a long time before coming up with this method to threaten Feng Da.

“Haha!” When Feng Da heard this threat, he couldn’t help but laugh out loud. He thought to himself, “If you want to die, then die! It’s not like you’re anyone to me. It’s none of my business. However, under such circumstances, of course, I can’t say that!”

“Little monkey, don’t take things too hard! If you don’t want it, then forget it. I won’t force you,” Feng Da said helplessly. Then, he said to the middle-aged man, “Since the little monkey is unwilling, forget about the additional conditions. However, you have to remember that your Yao family still owes me a condition!”

What the hell! What kind of person was this! They had already agreed to hand over all their assets, but in the end, they still owed him an additional condition. What was going on?

The middle-aged man, who had always been calm, trembled in anger when he heard Feng Da’s words. However, he quickly calmed down. Then, he took a few deep breaths and gritted his teeth. “I understand.”

“Damn it! You...” At this moment, Yao Qianqian, who was ignored, was about to shout without caring about her image, but her mouth was covered by the middle-aged man. Sigh! He was really afraid that this little ancestor would say something she shouldn’t. At that time, they would probably owe her even more. He hated her in his heart.

Then, he handed Yao Qianqian over to Uncle Yao to manage. Then, he collected all the storage rings from the Yao family and handed them to Feng Da.

Lin Yuan took the storage rings from Feng Da’s hand and searched them one by one. As he searched, he muttered, “Where’s my knife? Where did you hide my dagger?”

“Is it that one?” Feng Da gestured with his eyes for Lin Yuan to look at Yao Qianqian’s waist.

“Yes, that’s my knife.” Lin Yuan rushed forward and snatched the dagger from Yao Qianqian’s waist. He gently stroked the scabbard like a lover who had lost and regained her lover...

“That’s my knife! Give it back!” Yao Qianqian roared in anger. She had finally taken a fancy to a handy weapon and she could not let anyone snatch it away. At this moment, she had long forgotten that she had snatched the dagger from Yuan Hou.

“Yours? What proof do you have that it will answer you when you call it?” Lin Yuan asked with a smirk.

“Will it answer you if you call it?” Yao Qianqian said, refusing to admit defeat.

“Of course, Little Yuan. I’m sorry you had to go through that,” Lin Yuan whispered apologetically to the dagger.

Buzz! The blade came out of its sheath and made a buzzing sound, as if it was a child whining to its master about its grievances.

“No! This is impossible!” Yao Qianqian could not believe what she was seeing. It was just a dagger. How could it understand human language? No wonder her uncle said at a glance that this knife was

extraordinary. However, she had studied it all night and had not found anything unusual. At most, it was sharper than ordinary knives.

“Miss Yao, my Little Yuan said that it hates you,” Lin Yuan said with a wicked smile. His bright eyes were filled with schadenfreude. Hehe! Even though this dagger was not sentient, he knew Xiao Yuan’s emotions because his blood was added to it when it was refined.

With this special relationship, even if Little Yuan was snatched away by someone else, no one could really use it. It was even possible that their whereabouts would be exposed. This was because as long as it found an opportunity, Little Yuan would definitely contact him, someone who was related to him by blood. However, because Little Yuan was a little far away from him yesterday, it could not contact him even if it wanted to. As for today, it was precisely because he sensed Little Yuan’s existence that he had this coincidence!

Yao Qianqian almost died of anger at Lin Yuan’s words. Damn it, how could a dagger say that he hated her!

“Does Little Yuan want to take revenge yourself?” Lin Yuan asked with a smile.

The dagger named Little Yuan floated in the air and then swayed its blade as if it was nodding. Immediately after, everyone saw a cold light flash...

Chapter 969:

“Ah!” A piercing scream suddenly sounded. It was deafening, earth-shattering, and made everyone’s blood run cold...

Everyone present looked curiously at the source of the scream, just in time to see a flash of red light fall to the ground. Immediately, a totally naked person appeared in front of everyone, and that person was none other than Yao Qianqian.

Immediately, everyone was a little dumbfounded, especially the eldest uncle of the Yao family who was watching over Yao Qianqian. After all, Yao Qianqian was the closest to him, so he was the most agitated. Damn! What was going on? Logically speaking, every man would like to use their eyes to take advantage of others. However, if the person being taken advantage of was his own niece, this would be a little unacceptable.

However, the other men were not as depressed as Uncle Yao. After being stunned for a moment, they watched openly. After all, such an opportunity was rare! Especially since this person was the daughter of the Yao family. Hehe! It was a rare sight!

As for the person involved, there was no reaction other than a scream at the moment of the incident. By the time she was fully awake, her entire body would have been seen by everyone...

“Wow! Yao Qianqian has a good figure!” someone in the crowd shouted.

At the same time, one of her admirers in the Yao family team took off his coat and draped it over Yao Qianqian’s body. However, not only did he not manage to cover her properly, he even received a slap...

“Damn it, what were you doing earlier? And all of you are dead!” Yao Qianqian roared angrily. At this moment, she had the urge to kill someone! These smelly men usually said all sorts of sweet words, but

they could not be counted on at the critical moment. They were only concerned with taking advantage of her like everyone else. How could she not be angry?

“Qianqian, I’m sorry. I was also scared silly.” Admirer No. 1 was at a loss. At that time, he was a little scared. However, later... Thinking of this, he did not dare look at Yao Qianqian in her anger.

“Uncle, you have to avenge me.” Yao Qianqian looked at Uncle Yao with tears in her eyes. Her beautiful face was still filled with grievance.

“Qianqian, calm down.” Uncle Yao sighed softly and said helplessly. His cheeks were still slightly red. Revenge? Who to take revenge on? The lecherous knife that cut off Qianqian’s clothes? Or the owner of the knife? At a time like this, he felt that it was not appropriate to find anyone. They had to endure this anger for the time being.

“I can’t calm down. If my parents were here, they definitely wouldn’t watch me suffer such humiliation.” Yao Qianqian roared angrily.

However, this time, Uncle Yao was not angry. Sigh! He understood Qianqian’s feelings. After calming down, he said comfortingly, “Qianqian, now that your parents are not around, you have to listen to Uncle.”

.....

“Then Uncle will help me take revenge and kill all of them,” Yao Qianqian said hatefully. In fact, she not only wanted to kill Feng Da and the others, but she also wanted to kill all the men present who saw her body. Otherwise, if this matter spread, she would never be able to marry into the Ning family in this lifetime.

“Qianqian, calm down first. We have to discuss this matter carefully,” Uncle Yao reminded her softly. They couldn’t kill all the teams present! Besides, he didn’t have the ability.

“Everyone, what happened just now was just an accident. I hope that everyone will not spread this matter on my account. After all, this matter concerns Qianqian’s reputation. Please give our Yao family face. Our Yao family will not treat everyone unfairly.” Uncle Yao said to everyone present without giving Yao Qianqian a chance to react.

“Don’t worry! We will keep Miss Yao’s secret,” one of them immediately said.

“That’s good. Thank you, everyone. In the future, all of you will be good friends of my Yao family,” Uncle Yao said eloquently, and the people he mentioned naturally included Leng Ruoxue and the others.

Secret! Hmph! She believed that only the dead could keep secrets. Yao Qianqian could not help but snort in her heart! However, she did not interrupt her uncle. However, she knew that she could not count on her uncle.

“Everyone, thank you for giving me face.” Uncle Yao specially said to Feng Da and the others. The smile on his face looked very sincere.

However, Feng Da and the others knew that this Uncle Yao was definitely a ruthless person. He was almost angered to death, but he could still submit and stand tall. Such people were often the most difficult to deal with, so they secretly raised their guard.

“Uncle Yao is too polite. We sympathize with Miss Yao’s accident. Sigh! My condolences!” Feng Da said politely.

My condolences! What condolences? Qianqian isn’t dead! Hearing Feng Da’s words, Uncle Yao couldn’t help but curse in his heart. However, he had no choice but to show a grateful expression and say, “Thank you for understanding.”

“Same, same!” Feng Da also smiled.

Yao Qianqian almost lost her temper as she listened to their conversation. However, she was once again ignored by everyone.

After pretending to be polite to the other party, Feng Da and the others, who had achieved their goal, bade farewell to a few teams.

When the other teams saw this, they quickly slipped away. In fact, they all knew in their hearts that Uncle Yao had humbled himself because he was outnumbered. However, if the others left and they stayed, their teams would definitely become the Yao family’s punching bag. Therefore, in a short while, other than the Yao family’s team, the other teams had all left.

After Leng Ruoxue and the others left, they found a flat place and stopped moving forward.

However, as soon as they set up the tent, they realized that the other teams they had encountered earlier had also arrived...

“Haha! Hello, everyone. We’re really fated!” An older man said with a smile.

“That’s right! It has to be fate!” Seeing that the young lady and the others had no intention of speaking, Feng Da could only reply on their behalf. Fate? He didn’t know if it was really fate or not. In fact, he knew very well that these people were clearly afraid of being avenged by Uncle Yao, so they followed them here. However, it was good that they were here. The more people, the merrier.

Chapter 970: The Depressed Yao Family (2)

Just as Feng Da was chatting with the man, the Yao family’s team arrived...

When Feng Da saw this, he immediately understood. It seemed that the Yao family was sticking to them. Why, was the lesson just now too light?

“I didn’t expect everyone to be here. Hehe! That’s great.” Uncle Yao smiled happily.

“That’s right! We are really fated.” Feng Da said with a fake smile. He was extremely annoyed by Uncle Yao.

“Hehe, Uncle Yao, I won’t chat with you anymore. I still have to cook!” Feng Da said again. Then, he really went to light a fire and started cook.

Before long, the fragrance of the food assaulted their noses, tempting everyone. Most of them were too embarrassed to ask for it, they were not very familiar with each other after all. However, some people were very thick-skinned, such as the one in front of them.

“Share your food with us! It’s too fragrant. Qianqian wants to eat it.” Admirer No. 1 walked up to Feng Da and the others. His sneaky eyes kept glancing at Leng Ruoxue from time to time.

“Don’t you have hands and feet?” Feng Da asked with a faint smile.

“Er! What do you mean?” asked Admirer One, puzzled.

“You have hands and feet, but you don’t know how to cook! You’re already so old, yet you still have the cheek to beg! I’m already embarrassed for your parents. How did you give birth to such a disappointing thing like you?” Feng Da scolded bluntly.

“I... I’m not begging! I just want to order something from you.” Admirer Number One’s face was red, but he had to explain.

“Do you think this is different?” Feng Da said speechlessly. What kind of IQ did this person have?!

“Of course, only beggars ask for food! I’m not a beggar,” said Admirer Number One self-righteously.

.....

“Haha! Haha! This is too funny. Sigh! How did your parents give birth to such a top-notch child like you!” Feng Da laughed wildly without caring about his image. When everyone present heard Number One’s words, even though their laughter was not as exaggerated as Feng Da’s, they still sneered softly.

“What are you laughing at? What’s so funny!” bellowed Number One, a little angrily. He really didn’t know what these people were laughing about. Hmph! There were times when they couldn’t laugh.

With that, Number One stormed back to his team.

“You can’t even do such a small thing. You’re really useless.” Yao Qianqian was furious to see her most loyal admirer, Number One, return empty-handed. She raised her hand and slapped Number One in the face.

“Qianqian, they’re too bad. I said you wouldn’t give it to me even if you wanted to eat it,” Number One complained as she covered her slapped face. She still looked aggrieved.

“A piece of trash is a piece of trash. I’ll get it myself,” Yao Qianqian said angrily. Hmph! She didn’t believe that she wouldn’t get something to eat. For some reason, she just wanted to eat the food those people made, especially when she saw them surrounding the devastatingly beautiful woman like stars. The flames of jealousy in her heart burned.

After saying that, Yao Qianqian walked directly to Leng Ruoxue and said with a smile, “The food that Sister and the others have is so fragrant. Please try it!”

With that, she reached out to take it, but before her hand could touch the food, it was knocked away by Leng Ruoxue’s divine power.

“Little Sister, what is the meaning of this?” Yao Qianqian pretended to be puzzled.

“I’ve already said that Grandpa doesn’t allow me to acknowledge random sisters, so please don’t try to get close to me,” Leng Ruoxue said without giving them any face. However, she couldn’t help but feel

uneasy. Yao Qianqian's tolerance was quite strong. She had just made a fool of herself, but now she was actually hanging around in front of them as if nothing had happened.

"Ahem!" At this moment, two coughs sounded. Leng Qingtian looked at his precious granddaughter with an aggrieved expression. Actually, he had wanted to say, "My precious granddaughter! You're using your grandfather as a weapon again." However, he never had the chance.

"That's right! Miss Yao, we're not familiar with you," Feng Da echoed. In fact, he quite admired Yao Qianqian. If it were any other woman, she would probably be too ashamed to face anyone after encountering such a thing. However, look at her. It was as if nothing had happened. Sigh! How strong was this person's tolerance! Women! They were definitely the most terrifying creatures in the world. They could not be provoked!

"Xue'er, this Yao Qianqian is probably a big problem. Why don't we..." Leng Qingtian made a 'kacha!' gesture and whispered.

"And that Uncle Yao. He's definitely a huge disaster," Feng Da added.

"You have to be calm. There are so many people here. We can't kill everyone else, right? Otherwise, news will definitely spread. We already have enough trouble. It's better to avoid trouble!" Leng Ruoxue chuckled.

"Uh! Alright then! In any case, we didn't suffer any losses. However, what if the Yao family takes the initiative to provoke us?" Feng Da couldn't help but ask. As long as Yao Qianqian was in the Yao family's team, it was impossible not to find trouble with them.

"I'll agree at random!" Leng Ruoxue said calmly.

"Yes, they will probably set up camp here tonight, so everyone should be more vigilant," Feng Da reminded them. Abnormality was evil. The Yao family's attitude was too abnormal.

"Yeah." They all nodded.

After the meal, Cheng Wu and Song Di stayed outside while the others went into the tent. As for the ape, it was thrown into a tent because Feng Da disliked it.

Cheng Wu and Song Di sat by the fire and chatted. From time to time, they secretly observed the various teams. Of course, they paid most attention to the Yao family's team.

They flipped through the pages and stared into the night. Safe and sound.

The next day, everyone continued on their way.

However, after a few days, several teams actually took the same path. This situation gave Leng Ruoxue a headache.
