

Cute Baby10

chapter 10

“Your family is going to unite with our empire group by marriage. Your company is short of money, so we can provide you with money. Of course, we need a daughter-in-law to give birth to a grandson. Your main task to marry into my family is to let me have a grandson as soon as possible. ”

With a puzzled smile on her face, Caroline said in a soft and slow tone.

But for some reason, his words were full of irresistible destructive power.

Hearing her answer, Nina finally understood.

One was short of grandchildren, and the other was short of funds.

Oh, is he crazy about his grandson? He married a woman just to have a baby?

If she wanted to have another life, Nina wouldn't have one. She had Cheney and Hanna, and they didn't lack brothers and sisters.

Then, Caroline stood up, looking like a noble family.

“You can go upstairs first. Go straight to the left side of the second floor and wait for him in the room.”

Then Caroline left the hall.

Following Caroline's instructions, Nina walked slowly towards Gabriel's room.

When she opened the door, a cold aura came over.

The whole room was in a cold style, and all of them were seen by Nina.

She walked to the sofa in front of the window, looked out of the window and sat down slowly.

.....

As time pa**ed, the sky outside the window gradually darkened, and Nina became nervous.

What kind of person was the man who married her? Would it be as horrible as the rumor said?

“HMM...”

She didn't want to think about it anymore. She would know when he came anyway?

Nina shook her head to stop himself from imagining what the other party looked like.

.....

Another hour pa**ed, but Gabriel still didn't come back.

Nina became a little annoyed and couldn't stand it anymore.

‘Does he still have a sense of time? What time is it now? Why hasn't he come back yet? ‘!

Then Nina suddenly stood up and was about to go to the bathroom to change the wedding dress.

When she was about to get up, she suddenly heard the sound of someone going upstairs, deep and steady.

Nina returned to the bed and sat down.

The footsteps were getting closer and closer, and Nina was getting more and more nervous.

The man walked to the door and pushed it open.

Nina put her hands on her thighs and grabbed a corner of the wedding dress nervously.

The man walked into the room and looked at Nina in shock.

His cold eyes narrowed and his cold voice came through.

“Who are you?”

The moment Nina saw the man, her eyes were fixed on him.

This man...How could she look so much like her dear Cheney? It seemed that they were carved in the same mold.

Seeing Nina staring at him without saying anything, Gabriel went out and called the Butler in.

“What’s wrong with this woman?”

He asked before Carter came up to him.

“Mr. Gu, here is the thing. Lady Sue will arrange a marriage for you with the Ning family.”

.....

Butler Zhang told Gabriel everything.

“I see. You can leave now.”

Gabriel’s sculptural face suddenly became colder.

At the thought of his mother, Caroline, Gabriel liked to make trouble out of nothing.

He had been asking her to get married as soon as possible and give birth to a big grandson for her, but she hadn’t been married yet, so he had thought of this method to force her to get married.

She wanted to talk to her mother, but she stopped after thinking for a while.

If he didn’t listen to her, she would be more troublesome.

Since it was her arrangement, then just follow her, lest she say that she was unfilial again.

Then, he turned around and went back to his room.

Nina was still in a daze.

Until he shouted, “Hello!”

Nina came to his senses and looked at Gabriel.

“Woman, cooperate well when you arrive at the Gu family. Don’t do anything that will damage the reputation of the Gu family.”

Gabriel said in an emotionless tone, which could freeze everything in the room.

Gabriel stared at Nina coldly.

Nina shivered and dodged his cold eyes.

She was proud and cold all her life. It seemed that she really didn’t appreciate him.

“Don’t worry. I won’t say I’m a member of your family even if I go out.”

Nina answered disdainfully.

She is not willing to let Nina call herself Mrs. Gu!

“Okay, let’s sign an agreement.”

Gabriel said coldly.

“Okay, that’s what I want to say.”

She wished Nina would not be afraid of him taking advantage of her. Nina wanted to propose, but Gabriel proposed first as she wished.

“Will you or me?”

Nina stood up and walked to the sofa.

“What do you think? This is my home. Of course it’s up to me!”

Then, he turned around and walked into the study, striding out in ten minutes.

Gabriel went to the living room and sat on the sofa.

Because he had just come back from work, he was still wearing a dark blue suit. His tall and strong body gave him a sense of pressure.

Then Nina walked to the sofa opposite her and sat down.

“This is the contract.”

Gabriel put the agreement on the table beside the bed coldly.

Nina picked up the agreement and read it in silence.

“First, the woman can’t do anything harmful to the man’s face.”

“Second, the woman must report to the man on any occasion.”

.....

“The last one is that the woman can’t pry into the man’s private life and can’t reveal his information to the media. You can’t fall in love with a man, let alone seduce him. ”

“Why can’t I do it? Why don’t you have it? Besides, don’t think too much! I’m not interested! ”

Nina couldn’t help retorting after reading the agreement.

Each of them was something that the woman couldn’t do, and there were some strange things. Anger welled up in her heart.

“That’s good. This is one of the most important agreements. You’d better not offend it. ”

He raised his head and squinted his deep eyes.

Seduce?

Why couldn’t she like him and seduce him. That’s enough. The agreement was just a mess.

Nina went crazy with anger.

“What about my privacy? Why didn’t you write it down? ”

Nina looked at the unreasonable agreement and asked.

“What kind of privacy do you have? You can put your heart at rest for one hundred times. I won’t fall in love with you. ”

Gabriel looked at the woman in front of him coldly.

Nina was still wearing a strapless wedding dress, and her slender body looked thinner in front of him.

“What are you looking at? ”

Nina looked down at his figure and blushed.

“As long as you are not naked and neatly dressed.”

Gabriel leaned back on the sofa, with his long legs crossed on the other, showing his royal demeanor in every move.

She was not a lunatic. How could she appear naked in front of him?

Nina frowned and pouted pink lips.

“What? Are you not convinced? ”

Gabriel raised his eyebrows and smiled.

“It’s unfair!”

Looking at each of the terms on the agreement, Nina felt extremely aggrieved.

“It’s okay if I agree. I want to add some more terms.”

Nina narrowed her eyes.

“Tell me.”

Gabriel listened carefully.
