

Cute Baby101

chapter 101

gu jin yi walked quietly to Ning stream, crouched down, frowned and stared at her. Why did she fall asleep here?

Then he reached out and was about to carry her back to her room. Ning Xi moved unconsciously in his sleep and she opened her eyes in a daze.

“What?You are back. ”

Ning Xi rubbed his eyes and said in a hoarse voice.

“Susan, are you waiting for me?”

gu jin yi stared at Ning Xi with his deep black eyes and asked.

“I’m waiting for you?How could it be possible? ”

Ning Xi glanced at other places and answered with a guilty conscience.

“Then why did you fall asleep on the sofa?”

gu jin yi asked tentatively, narrowing his eyes.

“I’m watching TV!She fell asleep by accident. ”

Ning Xi suddenly thought of a reason to answer gu jin yi.

“Really?”

gu jin yi got close to Ning stream at one point one and said.

“Or what?Do you think I’m waiting for you?Don’t be narcissistic. ”

Ning Xi answered as he stood up from the sofa.

“I’ve finished watching TV. I’ll go back to my room to sleep.”

The LCD TV on the wall was playing your song from the stars.

gu jin yi thoughtfully glanced at the TV. You from the stars?Does she like a man like dou min jun?

ADVERTISEMENT

The question was, was dou min jun as handsome as him?Is he as good at taking care of people as I am?The most important thing was that dou min jun could only have a look at him, and he was the real person in front of her.

As soon as Ning Xi took a step forward, he pulled gu jin yi’s big hand and fell on the sofa again.

“Hey!gu jin yi, what are you doing? ”

“Don’t like him!”

gu jin yi said in a low and magnetic voice.

“What?What are you talking about?Who do you like?”

ning xiao xi was confused by gu jin yi’s words.

“Yes!Mindy!Handsome!”

gu jin yi said word by word with a serious look on his face.

Ning Xi burst into laughter. She didn’t expect him to know you from the stars.

Only then did ning xiao xi understand what gu jin yi meant. Did he overreact and think he liked the hero inside, dou min jun?

gu jin yi, why are you so sensitive?And he was just the hero of a TV series.

“You have the nerve to laugh!”

gu jin yi snapped.

“Mr. Edmund, please make it clear that he is just a star.”

Ning Xi answered helplessly.

“Isn’t he also a star?”

gu jin yi suddenly mentioned the name of the Ye Ling City.

Only then did Ning Xi realize that you were jealous. Well, Ning Xi would let you eat as much as he wanted.

ADVERTISEMENT

Ning Xi suddenly had a bad idea

“Yes, I like him very much. His name seems to be jin xiu xian. Maybe I will meet him one day!”

gu jin yi reached out and held Ning Xi’s slender waist tightly.

“How dare you!Susan, I tell you, you can only like me and fall in love with me from now on!”

“Why not?He is handsome and gentle. He doesn’t look like you at all.”

ning xiao xi pretended to dislike gu jin yi and looked him up and down with her dark eyes.

“What’s wrong with me?Am I not as handsome as him or as gentle as him?Now you have the most perfect man in the world. How can you still think of other men?”

Ning Xi stared at gu jin yi’s exquisitely carved features, and there seemed to be a magic vortex hidden in his deep eyes, which seemed to attract people accidentally. His s**y and charming thin lips could not help but make people fantasize.

He was indeed a perfect man. No one dared to be the first in the second place.

Ning Xi came to his senses and said, "look at you. You are gentle? You are always so domineering to me. Get up!"

She pointed at gu jin yi's strong chest, indicating him to get up from her.

"Say it again. Am I gentle or domineering?"

gu jin yi looked at Ning Xi with his charming black eyes.

"You are Overbearing!"

When ning xiao xi spoke, she wanted to push gu jin yi away in an instant, but she didn't expect him to react wisely.

"Susan, am I bossy? OK, then as you wish, I won't be a gentle person."

As soon as gu jin yi finished his words, Ning Xi roughly guessed what would happen next. She closed her eyes and waited for gu jin yi's strong kiss.

Huh? Why didn't she make any sound? Shouldn't he force a kiss again? Ning Xi slowly opened his eyes.

ADVERTISEMENT

A smiling face came into view.

"Dear wife, what were you thinking just now with your eyes closed? Or are you expecting something?"

"What, what can I expect? I just want to sleep."

With a guilty look on her face, Ning Xi seemed to feel that her face was red with blood. She pushed gu jin yi away and stood up from the sofa.

They bumped into the tea table by accident. "Ah..." Subconsciously, she cried out in pain.

"Hey, hey, what are you doing?"

Before Ning Xi came to his senses, he found gu jin yi holding him in his arms.

"I can even run into you on the road. I don't want you to get hurt again and have to take care of you."

Ning stream rolled her eyes at gu jin yi. Did Ning stream need you to take care of her?

Holding Ning Xi in her arms, Princess gu jin yi went upstairs.

She went to the bedroom and gently put Ning Xi on the bed.

"Let me see if there is any injury."

After putting Ning Xi on the bed, gu jin yi picked up the trouser legs of Ning Xi and examined her knees carefully.

Ning Xi stared at gu jin yi. He just got off work and came back home with his rigorous working style. His black suit showed his mature and steady side, and his unique masculine fragrance was intoxicating.

"Fortunately, I'm not hurt. Lie down well. I'll take a shower first."

After the examination, he gracefully stood up and walked towards the bathroom.

Ning Xi sat on the bed in a daze. Was she really going to sleep with him today? Well, Ning stream, don't think too much. It's no big deal to sleep.

But she was still a little nervous. After all, she had promised him this time. At that time, she had no reason to say anything whatever he wanted to do.

chapter 102

After gu jin yi took a shower, Ning Xi went to bed as soon as he heard the noise.

Wearing a white bathrobe, gu jin yi walked towards Ning stream.

"Are you so eager to sleep with me?"

Hearing what gu jin yi said, ning xiao xi immediately lifted the quilt and asked, "who can't wait to sleep with you?"

"You..."

gu jin yi replied with a wanton smile.

Nina was so angry that she wanted to spit out blood. How shameless you are.

"Go to sleep. I'll sleep here."

Hey, hey, what's gu jin yi doing here? Seeing that gu jin yi was about to sit on the bed, Ning stream didn't have time to say anything and just watched him sit next to her.

In this way, gu jin yi and Ning Xi clung to each other, which was a feeling of honey. Ning Xi's heart beat faster, "plop, plop, plop." it seemed that only her heartbeat could be heard in the room.

"Hey, why do you have to sleep here? Can't you go over and sleep over there?"

Ning Xi said angrily.

"I just want to sleep in the place you have slept before."

gu jin yi raised his eyebrows and gave a sly smile.

"Rascal!"

Ning Xi murmured and was about to move to the other side of the bed.

"What did you say about me?"

All of a sudden, gu jin yi held Ning Xi in his arms, preventing her from moving away. He narrowed his narrow and dangerous eyes.

ADVERTISEMENT

ning xiao xi looked into his deep black eyes and tried to avoid him subconsciously.

“I said You are a rogue!”

Ning Xi still used the same trick. When he was about to speak, he pushed gu jin yi away. But she didn't expect that he wouldn't fall into her trap again.

“Susan, run away. I won't be fooled again.”

gu jin yi said proudly.

‘oh my God! I made a mistake this time. Now I'm held tightly by him and I can't escape.’

“What do you want?”

Ning Xi plucked up the courage to ask.

gu jin yi raised his dashing eyebrows slightly, with an evil and attractive smile on his handsome face, and said, “you should know exactly what I want to do.”

“I don't know. I don't know. I want to sleep!”

Ning Xi pretended to be innocent and confused instead of answering gu jin yi directly.

“Susan.”

All of a sudden, gu jin yi's soft and deep voice reached Ning Xi's ears.

Seeing that gu jin yi suddenly became serious, Ning Xi also quieted down. Why did he suddenly call her without saying anything. Her tone was still so gentle, and she suddenly felt that it was not like him.

Ning Xi frowned, “what?”

“I found that I really fell in love with you, shen shen.”

Ning Xi was stunned. He didn't expect gu jin yi to say such affectionate words.

ADVERTISEMENT

gu jin yi looked very serious, and his words went deep into Ning Xi's heart.

Ning Xi stared at his deep black eyes, serious and firm, as if there was a magic that made people addicted to, and even unable to believe his words.

“You...”

“Susan, I hope the last time I see you before I go to bed, and the first time I see you when I wake up. After forty or fifty years, you will still be by my side.”

Ning Xi wanted to say something, but her mind went blank when she heard gu jin yi's words.

gu jin yi, are these sweet words really from your mouth? Did you really say that to Ning Xi?

Nina was confused. She had never thought that he would say these words to her.

At this moment, Ning Xi had mixed feelings. Moved, confused, nervous

“So, you can only belong to me.”

Then, he reached out his hand to touch the soft cheek of Ning stream and gazed at her affectionately.

Ning Xi didn't dodge. He looked into gu jin yi's deep eyes

gu jin yi slowly approached Ning Xi, and a gentle kiss fell on his forehead. Then he kissed her delicate nose, her cheek and pink lips.

The kiss was gentle and possessive, as if it could only belong to him, leaving no chance for others.

gu jin yi tightly held Ning Xi's waist with his slender fingers.

And Ning stream was almost immersed in it.

ning xiao xi, be reasonable. You just got married on behalf of him. If you didn't marry him at that time, then now gu jin yi doesn't like you, but Susan.

Just as gu jin yi was about to kiss her, Ning Xi suddenly pushed gu jin yi away. “No, I'm not ready yet.”

ADVERTISEMENT

Ning Xi refused gu jin yi and said expressionlessly.

“What's wrong?”

gu jin yi looked at Ning Xi in confusion and asked.

“Nothing. I have to go to work tomorrow. I'd better go to bed early.”

ning xiao xi showed a natural expression, not showing her worries and doubts.

“If you are not ready, I will wait for you. As long as you are willing to be my woman. ”

gu jin yi said to Ning Xi with a dark face.

Ning Xi nodded and pushed gu jin yi to the other side. “It's getting late. Go to bed early, too.”

“Okay, but I want to sleep with you in my arms.”

gu jin yi promised Ning Xi obediently and didn't force him to do anything.

Ning Xi didn't refuse. He just let gu jin yi hold him and lie in his warm arms.

“Good night, my dear wife.”

gu jin yi left a gentle kiss on Ning Xi's forehead and closed his eyes

Ning Xi closed his eyes and leaned against gu jin yi's broad chest, with all kinds of doubts and questions in his mind.

Was he serious about gu jin yi? What would he react if he knew that she was married for him one day? Would he still say he loved her like this? Would she blame herself for hiding it from him? And her two babies

At this moment, Ning Xi didn't know what to do in the face of gu jin yi's love.

She had thought too much. For her, this night was a heavy one.

chapter 103

On the second morning, Ning Xi woke up early, while gu jin yi was still asleep.

She lay in gu jin yi's arms and looked up at him. She really wanted to find herself lying in his arms every day when she woke up. She just wanted to look at him quietly. As long as she did so, Ning Xi would be very satisfied.

When Ning Xi was staring at gu jin yi, he suddenly opened his eyes and saw Ning Xi's face with his dark eyes.

"Good morning, my dear wife."

gu jin yi looked at Ning Xi dotingly and said softly.

Ning Xi came to his senses and said, "you're awake." Then he lowered his eyes slightly.

"Why are you staring at me like that when you wake up in the morning? Do you suddenly find that I'm so charming?"

gu jin yi looked at Ning Xi with a sly smile.

"Are you so narcissistic in the early morning?"

Ning Xi glanced at the words. Although it was true, he felt that they had changed when he said it.

"Am I wrong?"

gu jin yi raised his eyebrows and asked.

Ning Xi rolled his dark eyes and stood up from his arms. "Get up quickly. I'm going to change my clothes."

"Do you need me to change it for you?"

gu jin yi said with a smile.

"Freak! Rascal! "

Then, Ning Xi walked into the changing room, only to find that there was no formal clothes. After moving here, there were only a few clothes in the bookshelf, and then he came out of the changing room with a helpless face.

"What? Do you still think it's better for me to help you? "

Seeing that Nina still came out in pajamas, he asked with a smile.

Ning Xi rolled his eyes at him and said, "I'm thinking too much. I just didn't find the suitable clothes."

gu jin yi suddenly stood up elegantly from the bed, took Ning Xi's hand and went straight to the dressing room.

gu jin yi looked around the clothes in the bookshelf, and then gu jin yi picked out a white shirt and a black tight skirt for Ning Xi, comparing them to Ning Xi.

"A white shirt and a black skirt. Well, perfect!"

"Wear this?"

Ning Xi looked confused. He had bought this black tight skirt for a long time, but he didn't wear it in the wardrobe because he didn't like this style of clothes. At that time, he bought it because he had to attend some formal parties. He left it in the corner and took it out for him now.

gu jin yi nodded, "change it."

ADVERTISEMENT

"How can I change it if you don't go out?"

Ning Xi glanced at gu jin yi.

"I don't mind changing it for you."

gu jin yi said with a sly smile.

"I mind!"

Then Ning Xi pushed her out of the changing room.

Ning Xi put on a white shirt and a black skirt in the dressing room and looked at herself in the mirror. He couldn't help but praise gu jin yi in his heart. He didn't expect that he had a good taste in matching clothes.

But she always felt a little awkward to wear it. She felt that the white shirt was too transparent and the black skirt was too short, which made her uncomfortable.

Ning Xi buttoned up his shirt to the top of his neck and kept pulling down his skirt. The longer he pulled, the better.

When she got what she wanted, she walked out of the dressing room and said, "I've changed."

gu jin yi turned around and looked at Ning Xi.

The white shirt and the black skirt all showed the graceful figure of Ning Xi.

It seemed that she had a good figure. Most of the clothes that Ning Xi wore were casual style, and she had never seen Ning Xi wear such clothes to show his figure. Today, she saw that the proportion of her figure was very harmonious. The parts that should be thin were protruding, and the parts that should be fat were fleshy.

"I didn't expect you to have a nice figure."

gu jin yi raised his eyebrows and said.

“Of course.”

Ning Xi answered proudly.

“Big pervert.”

Ning Xi put on his coat and whispered.

Then gu jin yi approached Ning Xi and looked at her with his deep black eyes. Ning Xi took a step back subconsciously. Did he hear her talking about him.

“This b***on should be like this. I have to tidy up your clothes.”

As gu jin yi spoke, he unb***oned a shirt on Ning Xi’s neck and folded the collar of his overcoat.

Ning Xi looked up at gu jin yi and seemed to have a dependence on him. In front of him, he was like a child who needed to be taken care of.

“That’s what a designer should look like.”

After tidying up Ning stream, gu jin yi looked it up and down.

“What?Do you dislike me? ”

ADVERTISEMENT

ning xiao xi pretended to pout.

“No matter what you look like, I like you.”

gu jin yi answered indifferently.

A relieved smile appeared on Ning Xi’s face.

Then the two of them went to work together.

In the car.

“Just drop me off at the next intersection.”

Ning Xi pointed at the intersection ahead and said.

“I’ll drive you to the gate of the company.”

gu jin yi stepped hard on the gas and pa**ed the intersection.

“No, let me go. It’s not good to let others see us together.”

Ning Xi frowned and said.

“Here we are. We can get off now.”

Not long after Ning Xi finished his words, gu jin yi stopped at the gate of VL company.

Ning Xi was embarra**ed. ‘we’re here?’?This speed was a little

“Well, I’ll get off first.”

Ning Xi was about to open the door when gu jin yi suddenly spoke.

“You seem to have forgotten something.”

Said Jean lightly.

“Anything else?”

Ning Xi turned his head and asked.

“Look over there. What’s that?”

gu jin yi thought Ning Xi would be cheated by him this time, but unexpectedly, Ning Xi turned his head and avoided gu jin yi’s s**y lips.

“Do you think I will be fooled by you if I am so stupid?”

Ning Xi looked like a child who had won the compet**ion.

“Not bad. You’ve become smarter.”

ADVERTISEMENT

gu jin yi said with a smile. His black eyes were full of evil spirit.

“Of course. I’ve been cheated by you once or two times. I won’t be cheated for the third time.”

ning xiao xi said proudly.

“Even if you become smarter, you are still not as smart as me.”

gu jin yi smiled weirdly. Ning Xi frowned. What did he mean?

“You...”

“HMM...”

When Ning stream was about to speak, an unexpected kiss suddenly stuck to her pink lips.

Then, he sat on the driver’s seat.

“It’s him! You...”

Ning Xi was speechless with him, thinking that he was a big rascal now.

“Honey, I hope you can give me a deep kiss before getting off the car. Otherwise, it will be bad if I force you to kiss me all the time.”

gu jin yi said to Ning Xi with his long and narrow eyes squinting.

“b*****! I don’t want to talk to you. I’m going to work.”

Then Ning Xi opened the door and got out of the car.

“Yes, I do!”

gu jin yi reminded her.

Seeing Ning Xi walk into the company, gu jin yi watched the car leave.

As soon as Ning Xi entered the design department A, you hugged her and said, “Xi Xi, I miss you so much!”

ning xiao xi felt a little uncomfortable when she was hugged by Ellie.

“Your neck...”

Ning Xi said in a hoarse voice.

Ellie immediately let go of her neck and apologized, “I’m sorry, Nina. I haven’t seen you for a few days and I miss you too much.”

Ning Xi didn’t blame you. He smiled and said, “you miss me so much?It seems that you still have a little conscience. ”

“Of course!Although the prince charming is very important, you can’t lack him. ”
