chapter 107

“He looks like his father, gentle and handsome.”

The girl said softly. Her clear and beautiful eyes seemed to have an incomprehensible expression, happy and sad.

“Really? It seems that his father is a handsome man.”

Ning Xi teased.

The girl’s face suddenly changed. She frowned and no longer smiled.

“Sorry, did I say something wrong?”

Seeing this, Ning Xi apologized in a hurry.

“No, No. I just thought of something unhappy.”

The girl replied with a smile.

“That’s good.”

.....

ning xiao xi and the girl were like good friends whom they hadn’t seen for a long time. They seemed to have a lot to talk about as soon as they met.

“I haven’t asked your name yet.”

Ning Xi asked.

“Just call me Amanda.”

The girl replied.

“Amanda, a nice name. My name is Ning Xi. Nice to meet you.”

Ning Xi took the initiative to tell her his name, and the two people were talking and laughing.

Hearing the sound of brake outside the door, Ning Xi was sure that gu jin yi was here, because she had firmly remembered his unique brake skill.

“I’m leaving now. See you next time.”

Ning Xi stood up and said goodbye to her and walked out.

As soon as Ning Xi went out, gu jin yi got out of the car and looked around with an umbrella.

“I’m here!”

ning xiao xi waved at him.

Seeing this, gu jin yi walked towards Ning stream with an umbrella.

Ning Xi smiled when he saw gu jin yi walking towards him.

But how did he know she was here?She didn't tell him where she was just now.

Ning Xi frowned in confusion.

Before Ning Xi came up with an answer, gu jin yi walked up to her and held the umbrella for her.

Seeing that Ning stream shivered, he immediately took off his suit jacket and put it on Ning stream.

"You..."

"Get in the car first."

Before Ning stream could finish her words, he held her shoulder tightly and leaned towards her with an umbrella, fearing that she would get wet a little.

In the car.

"Did you get wet?"

gu jin yi stared at Ning Xi with worry and said softly.

Ning Xi shook his head, "No.You are wet. "

Ning Xi looked at gu jin yi's blue shirt, which was obviously divided into two colors. His shoulders and sleeves were wet by the heavy rain.

At this time, he frowned, as if he wanted to sneeze but was controlled by him on purpose.

Ning Xi happened to see this scene. Did he catch a cold?

Then Ning Xi put his suit jacket back on Jin Yi.

"Put it on yourself!"

gu jin yi put his coat on Ning Xi again and said seriously.

"You will catch a cold later."

Ning Xi frowned and said indifferently.

"I'm not going home today."

gu jin yi changed the topic, holding the steering wheel with his slender fingers and looking ahead with his powerful black eyes.

"What?Where are we going to live? "

Ning Xi was stunned and asked in confusion.

"I have a villa not far away from here. Let's move there tonight."

gu jin yi answered indifferently.

“But I have to go to work tomorrow.”

Ning Xi bit his pink lips and said with grievance.

“Then let’s go back.”

gu jin yi answered indifferently.

Ning Xi rolled his big eyes and looked at gu jin yi’s wet clothes. She thought she’d better sleep in the villa for one night, and let’s talk about it tomorrow.

If he really caught a cold, he would get wet because of her.

“Forget it. Let’s go to the villa tonight.”

gu jin yi nodded and drove to the villa.

Why did he have a house here? She was rich enough to be willful, with houses all over the place.

Gradually, the rain became lighter and lighter. Soon they arrived at the villa mentioned by gu jin yi.

The two of them got off the car together. It was dark outside, only the light of the car flickered.

Ning Xi approached gu jin yi subconsciously and grabbed his sleeve.

“Why is it so dark?”

Ning Xi looked around with his eyes wide open, and his vision was blurred.

“Are you afraid?”

gu jin yi said with a smile.

“There is nothing to be afraid of.”

Ning Xi summoned up the courage to answer, but her action still showed her fear, which sold her out. She couldn’t help but get closer to him.

Seeing this, gu jin yi gave a meaningful smile.

“Close your eyes first.”

Said gu jin yi.

“What? What are you doing?”

Ning Xi asked in confusion.

“Close it. I’ll give you a big surprise.”

gu jin yi said with a smile.

Ning Xi squinted at gu jin yi and wondered what he was thinking about.

“Don’t worry. It’s not what you think.”

gu jin yi raised his eyebrows and said again.

what?What was Ning Xi thinking about?gu jin yi, don’t talk nonsenseWell, in fact, she did think in that way. If he suddenly kissed her again and she closed her eyes, she could not avoid it.

However, Ning Xi closed her eyes obediently after hearing gu jin yi’s words.

Then, with a bang, the lights of the whole villa were on.

“You can open your eyes now.”

gu jin yi said calmly.

Ning Xi slowly opened his eyes. It was not until then that he realized what had happened. He seemed to be stunned. The darkness suddenly became colorful and bright.

Besides, Ning Xi’s eyes lit up and he found that this villa was so big and beautiful. Rich people were different and capricious!

But how did he make all the lights on in just a few seconds?It was amazing.

Ning Xi looked up at gu jin yi, “why is the light suddenly on?This is not a surprise, but a shock. ”

gu jin yi shrugged to Ning Xi with a wanton smile.

Then he took Ning Xi’s hand and walked into the villa hall.

“Take a shower first.”

gu jin yi took Ning Xi to the bathroom and asked her to take a shower first.

“Take a shower first. Your clothes are wet. Don’t catch a cold.”

Ning Xi looked up at gu jin yi and said.

“There is a way to save time and let the two of us wash earlier.”

gu jin yi raised his eyebrows with an evil smile on his handsome face.

Ning Xi stared at gu jin yi in confusion, “what method?”

“Let’s take a shower together.Does it save time and speed? ”

There was a touch of evil and charm in gu jin yi’s deep black eyes, and a deep crescent moon appeared at the corners of his mouth.

“Freak!I won’t bathe with you. ”

Ning Xi blushed and turned away.

gu jin yi walked quickly to Ning stream and stared at it with his hands on the wall.

chapter 108

“Why are you blushing? Are you shy?”

gu jin yi raised his eyebrows and looked at Ning Xi.

Ning Xi’s face was as red as a drop of blood.

“I just feel hot all of a sudden. Will I be shy?”

“We are a couple now. It doesn’t matter if we take a shower together.”

gu jin yi said again.

“Who is with your old couple?”

Ning Xi rolled his eyes at him and said.

gu jin yi slowly approached Ning stream. Seeing this, Ning stream seized the opportunity to get out of gu jin yi’s strong arm.

Then she made a face at him and said, “I can’t catch it.”

“Are you sure?”

gu jin yi raised his eyebrows and looked at Ning Xi with his evil and attractive black eyes.

Ning stream felt something was wrong. She was about to turn around and run away, but she failed. She was lifted up by his big hand.

“Hey! gu jin yi, what do you want to do! Put me down!”

Ning Xi struggled on gu jin yi’s shoulder.

gu jin yi went upstairs with Ning stream in his hand. Ning stream was a little nervous. What did he want to do? Why do you go upstairs? Her mind was in a mess.

“Put me down, bill! Hurry up!”

“Are you sure you want me to put you down?”

gu jin yi deliberately walked to the edge of the stairs, squinted and raised his eyebrows.

ning xiao xi looked at a hall from her point of view, and she was lying on the ground. It was so high that she would be badly injured if he let her go.

Thinking of this, Ning Xi trembled and forced a smile. “I suddenly feel comfortable to be carried by you. Let’s go upstairs.”

gu jin yi couldn’t help but put on a teasing smile.

Ning Xi rested his head on gu jin yi’s shoulder with a bitter face. What should I do? What should I do?

gu jin yi took Ning Xi into the bathroom and put her down.

“Take it off.”

gu jin yi looked at Ning Xi and said indifferently.

Did he want to do something in the bathroom?No! Help

“What... What do you want to do?”

Ning Xi asked in fear.

“You take a shower here. I’ll go downstairs to take a shower.”

gu jin yi said indifferently.

Ning Xi was stunned. What?That was what he meant?

“What?Do you suddenly figure it out or do you want to bathe with me? ”

gu jin yi said again, staring at Ning Xi with an evil smile.

“Get out!”

Ning stream pushed the door open and went back to the bathroom.

Then gu jin yi went downstairs.

Not long after, he went upstairs after taking a shower. When he entered the room, he found that Ning stream was still in the bathroom.

“Haven’t you finished yet?”

gu jin yi knocked on the bathroom door and asked.

“I don’t have any clothes to wear.”

Ning Xi replied.

“I don’t mind if you don’t wear it.”

gu jin yi said with a smile.

ning xiao xi stared at the bathroom door and thought, ‘gu jin yi, you are becoming more and more abnormal.’.

“I mind!”

Ning Xi replied loudly.

gu jin yi burst into laughter.

“Wait.”

Then gu jin yi took out a white shirt and a set of men’s pajamas from the wardrobe and handed them to Ning Xi.

“There are no women’s clothes here. You can choose one of my two clothes to wear.”

Then gu jin yi went back to his room.

Ning Xi came out of the bathroom in gu jin yi’s white shirt.

When she entered the room, she found that he was standing in front of the French window.

“The clothes are so big.”

Ning Xi pouted and looked helpless.

gu jin yi looked at Ning Xi and saw her in his white shirt. Her slender body and exquisite skeleton couldn’t support the white shirt at all.

The shirt was originally a shirt, but it was changed into a skirt by Ning Xi.

Her hair fell down to her waist, and the b\*\*\*ons on her collar were unb\*\*\*oned, revealing a s\*\*y and charming collarbone. Her two slender straight legs were exposed outside, and the fragrance of bath came to her nose.

How could he not be tempted by such a pure beauty standing in front of him?

gu jin yi walked slowly into Ning stream.

“Well, this one looks good.”

gu jin yi looked Ning Xi up and down and said.

Ning Xi rolled his eyes at him. ming ming clothes were big, but not good?

But when she heard gu jin yi praise her like this, she couldn’t help feeling happy. It was better than making fun of her.

“Of course. I can wear anything for my figure.”

Ning Xi said arrogantly.

gu jin yi raised his eyebrows and gave a meaningful smile, “it’s all my fault.”

Hearing gu jin yi’s words, Ning Xi felt helpless and speechless. She found that gu jin yi was not only super abnormal, but also more and more narcissistic.

Her figure was obviously developed from an early age. What did he mean by ‘good’?

Ning Xi glanced at gu jin yi, “don’t fatten me up.”

Ning Xi walked to the bed and sat on it.

“I’m going to sleep.”

Then gu jin yi came over and looked at her with his dark eyes. “Dry your hair first.”

It was not until then that ning xiao xi realized that her hair hadn’t been blown. Her dark eyes rolled quizzically. “Blow it for me.” Then he laughed innocently.

gu jin yi was very cooperative with Ning Xi. As long as he saw her acting like a spoiled child, he would be willing to do anything, but only to Ning Xi.

Then gu jin yi fetched a hair dryer and dried Ning Xi’s hair.

“How about I cut my hair short? It’s so long. It’s troublesome to dry it.”

Ning Xi said casually.

“No way!”

gu jin yi said in a low and magnetic voice.

“I’m in charge of my hair.”

ning xiao xi said proudly.

“You are mine, so your hair is mine. I don’t care. ”

gu jin yi said firmly.

ning xiao xi didn’t know what to say after hearing what gu jin yi said. Nominally, she was indeed his legal wife, and every bit of her was the common property of husband and wife.

“But I don’t want it to be so troublesome.”

Ning Xi turned on the coquettish mode and waited for gu jin yi’s answer.

“From now on, you can wash your hair and I can blow it. Is it fair?”

gu jin yi replied.

Ning Xi’s eyes lit up. He didn’t expect gu jin yi to be like this. He blew his hair every time.

“Really? You can’t go back on your words. ”

Ning stream stretched out her hand and gave her a thumbs up sign, while Jin cooperated with her subconsciously and gave her a thumbs up sign with a seal.

At this moment, gu jin yi was like a child. He could change anything because of Ning Xi. In the past, he had never made such a childish promise, and now, he felt that this promise was also very important.

chapter 110

Ning Xi glanced at him and rolled his clear eyes at him.

But at the same time, she stared at gu jin yi's side face and didn't feel disgusted with his behavior at all. Instead, she felt that he was more mature and steady than anyone else, which was a sense of security that no one could give her.

The last time she met three hooligans, he was the first one to arrive. If it weren't for him, she might be in danger now.

This time, he came in time, or she didn't know when she could go back.

It seemed that when he encountered all the difficulties, he would appear in front of him at the first time to solve them.

"Susan, admit that you have fallen in love with me."

gu jin yi suddenly stepped on the brake and slowly turned his head to look at Ning Xi, who was thinking.

Ning Xi came to his senses, "what, what nonsense are you talking about?"

With a guilty look on her face, Ning Xi blushed.

Looking at her flustered expression, gu jin yi gave a meaningful smile.

"Why don't you get out of the car? Do you want to go to Empire group?"

gu jin yi raised his eyebrows and said with his s\*\*y thin lips.

Only then did ning xiao xi realize that she had arrived at the company. She got out of the car in a hurry without looking back.

Seeing that Ning stream ran into the intersection, he drove away.

Ning Xi looked at his watch and ran to the company slowly. He sighed in his heart, 'fortunately, it's working time and I'm not late.'

When she arrived at the office, she sat down in a hurry. Recalling what he had said just now, she wondered if she had fallen in love with him?

Ning Xi asked herself in her heart. Her mind went blank. She didn't know the answer, so she didn't know how to answer gu jin yi at that time, so she chose to be silent.

She suddenly realized that she was a little reliant on him. If he wasn't by her side, would she be unaccustomed to it?

Ning Xi shook his head. Ning Xi, don't think too much. Just do as before. Don't think too much.

Ning stream persuaded herself to come back to her senses.

Then she buried herself in her work

The whole morning pa\*\*ed like this. Ning Xi walked out of the office and was about to have lunch with his a\*\*istant, but his mobile phone rang.

It was the night Ling City.

"I'm sorry, Ellie. I can't have lunch with you today. I forgot that I have something else to do."

Ning Xi said apologetically.

It was not until then that she remembered that yesterday, Ling City had told her something about him.

"It doesn't matter. Let's do it next time."

Ning Xi nodded with a smile and then walked out of the company.

The two of them had made an appointment to meet in a restaurant and arrived there on time.

"What is it? Tell me."

Ning Xi said straightforwardly.

"Let's eat first."

Looking at the dishes in front of him, the hungry ghost was reborn.

The waiter served several delicate dishes, but Ning Xi had no appetite at all.

Seeing that the dinner had begun in the city, Ning stream didn't want to talk about it anymore. She knew the most basic politeness, so she had dinner first.

After the meal, before Ning Xi asked, Ye Ling City took the initiative to ask.

"Have you ever known about him?"

The corners of his mouth lifted, and he stared at Ning Xi with his evil and attractive eyes.

Ning Xi was stunned. He felt a little uneasy and uneasy when he heard the words of Ye Ling City.

Why did he say that? What did he mean?

But when she looked back, she found that she really didn't know about him.

"Since we are married, of course we will know each other."

Ning Xi said against his conscience.

"You mean he is the CEO of the Empire group, right?"

"Go straight to the point. Don't beat around the bush."

Ning Xi frowned and said.

After a moment's silence.

"If you don't have anything to say to me, I'll go first."

Ning Xi stood up and was about to leave.

“He might have two children five years ago.”

When Ning stream took a step forward, Ye Ling City said with a deep face.

Ning Xi’s Amber pupils shrank slightly. What?How did he know that he and gu jin yi had a child?Did he investigate?

Ning stream was silent. Seeing that Ning stream was silent, he walked up to it and shook his big hand in front of her.

“Naomi, what’s wrong with you?”

“What makes you think you can investigate other people’s privacy?”

Ning Xi looked at Ye Ling City with a hint of tension and fear in his eyes.

“Shouldn’t you thank me for telling you this?gu jin yi is such a b\*\*\*\*\*. He gave birth to a baby with someone else five years ago. ”

It never occurred to him that Ning Xi would react like this. He thought Ning Xi would thank him and divorce gu jin yi.

“You mean gu jin yi has a child with someone else?”

It was not until then that ning xiao xi realized that he didn’t know he had a child with gu jin yi, but with someone else.

The question was, how did he know that gu jin yi would have a child?

“If you don’t believe me, I can take you to see the two kids myself. They look exactly like him.”

Ning Xi opened his eyes wide and thought, ‘does she look exactly like him?’?The first thought in ning xiao xi’s mind was chen chen.

chen chen looked exactly like him.

“Where did you see the baby?”

Ning Xi squinted at Ye Ling City.

“In a TV series we’re shooting this time, we’ve found a pair of twins. They’re the temporary targets.”

The man said honestly.

It was really chen chen and han han. They happened to play a TV play with ye xiao xiao recently. What a coincidence?It happened to be with the city.

“It’s just that they look like each other. Don’t be so fussy. There are many people who look like each other in the world.”

Ning Xi said calmly.

Looking at Ning Xi, Ye Ling City said, "you will understand after you go with me. They are not just like each other, but are the same from the bottom of their bones."

Of course, Ning Xi knew that his child looked like someone.

"If there's nothing else, I'll leave first. I hope you don't mind our business. I love him very much."

After saying that, ning xiao xi left the restaurant.

Looking at the back of Ning stream, how could Ning stream react like this? Didn't Ning Xi mind that gu jin yi had two children behind her back? Shouldn't she be angry and talk to gu jin yi?

ning xiao xi, he, the Ye Ling City, will definitely let you leave that b\*\*\*\*\* gu jin yi and come back to his Ye Ling City. He will protect you from now on.
