

Cute Baby11

chapter 11

First of all, transfer the money to the Ning family as soon as possible. Second, you can't interfere with me. We won't interfere with each other. "

Thinking of her grandmother's house, his father said that as long as the money was transferred, he would return the house to Nina, so he made this request.

The man said coldly, raising his s**y thin lips.

"Okay, but you have to be obedient."

Nina said angrily, "why should I be obedient?"

Gabriel sneered.

"Do you think I'm negotiating with you? Now you are at my home. Besides, don't forget that you are the one who is asking for my help. "

Nina was about to faint, which clearly showed that she had no status in this family, let alone the right to speak.

Thinking of her grandmother's house, Nina held back her anger. 'forget it. I don't want to argue with him. Grandma's house is still important at this critical moment.'

"Okay, I promise!"

Nina put on a smile.

"You can't promise me verbally. Just sign the agreement."

Pointing at the agreement on the table, Gabriel looked at Nina with his dark eyes and opened his thin lips slightly.

Nina wanted to punch him as if the volcano in her heart was about to erupt.

But she had to endure it. After all, this was the Gu family's house, and it was better not to cause unnecessary trouble.

"What? Is there any problem? "

Looking at the way Nina held back her words helplessly, an evil and attractive smile involuntarily appeared at the corners of his mouth.

"No problem, no problem. You are handsome. It's up to you."

Nina answered against her conscience.

Gabriel squinted his eyes, lifted his sleeves with his slender fingers and stood up coldly.

"Okay, from now on, the contract is valid."

Nina squinted at the man and changed her expression immediately.

“Mr. Gu, please take care!”

Nina put on a big smile and reached out her hand to the man.

Gabriel turned around indifferently and ignored Nina.

Nina clenched her fists.

Gabriel!Damn it!

Nina wanted to get along with him out of kindness, but she didn't expect him to be ungrateful.

Suddenly, a burst of anger rose, and she couldn't help cursing him in her heart.

Nina clenched her fists and knocked at the direction behind him. The man suddenly turned around.

Nina drew back quickly.

“What are you doing?”

Gabriel cast a cold glance at Nina.

“No, no, my hands are a little numb. I'm doing sports.”

Then Nina pretended to wave her left hand and right hand.

“By the way, where do I sleep tonight?”

After a day, Nina was a little tired.

She looked at the man in front of her with her big watery eyes.

“Of course you sleep in the room.....the sofa. ”

Before the man finished his words, Nina rushed into the bedroom like a shooting star.

Gabriel was speechless.

Then he turned around and went to the bedroom.

As soon as she entered the bedroom, she saw Nina lying on the bed.

Seeing such a scene, Gabriel's deep black eyes t****led with a trace of coldness.

He had always been a neat freak. How could he tolerate a strange woman lying on his bed.

His dashing eyebrows were tight, and there was a hint of displeasure between his eyebrows.

“Who allowed you to sleep in my bed?”

Gabriel said coldly.

“Didn't you ask me to sleep in your room?”

Nina turned his head and laughed.

“I mean, let you sleep on the sofa in the room.”

Gabriel repeated in a deep voice.

“What? Sleep on the sofa? ”

Nina suddenly jumped up from the soft bed and looked at Gabriel in surprise.

“You sleep on the sofa and I sleep on the bed.”

Gabriel nodded expressionlessly.

“I’m going to take a shower. I hope you can leave my bed after that.”

Then, he gracefully turned around and walked to the bathroom.

Nina lay on the bed in a daze.

‘Gabriel, are you a real man? How could you let a woman sleep on the sofa and you sleep on the bed alone? You don’t care about women at all. ‘Nina thought.

.....

She didn’t know how many times she had cursed him in her heart, but it was difficult to vent her hatred.

More than ten minutes later, Gabriel came out of the bathroom.

Nina saw his handsome face.

Wearing a white s**y bathrobe, his s**y Adam’s apple rolled up and down under the big V collar, making her swallow.

Drops of crystal water dripped down on her s**y chest muscles, emitting a faint light under the light.

His dark eyes were as deep as a pool, and his handsome nose and s**y thin lips made her want to touch him

“Have you seen enough?”

Gabriel crossed his arms over his chest, and a deep and magnetic male voice came, looking at Nina’s anthomaniac appearance.

Nina didn’t realize how infatuated he was. She almost drooled.

All of a sudden, Nina came to her senses. She wiped the corner of her mouth and lowered her head in embarra**ment.

Then, she pretended to know nothing and stared at Gabriel.

“Who cares?”

Nina raised her chin and squinted at him.

“Woman, don’t challenge my bottom line.”

A cold light flashed in his deep black eyes.

Looking at the woman in his bed, Gabriel was about to burst into anger.

Nina also realized the extreme displeasure of the man in front of him.

“I also want to take a shower.”

Nina obediently got up from the bed, picked up the heavy wedding dress and walked to the bathroom.

.....

In an hour

Gabriel had finished his work plan and read all the materials. Nina was still in the bathroom.

.....

Five or six minutes later, she took a shower.

Nina, wrapped in a white bath towel, gently pushed the door open and walked out of the bathroom.

Gabriel had been alone all the time, and he only had one bathrobe. Nina had no choice but to wrap herself with the bath towel.

The man frowned and looked over. His cold eyes fell on Nina.

Her face was white and red, like a blossoming flower in the morning, clean and flawless.

Her big crystal like eyes and thick curly eyelashes were covered with a faint mist.

She was wrapped in a white bath towel, revealing her s**y and charming collarbone and smooth snow-white skin.

Her black hair was down to her waist, pure and tempting.
