chapter 117

Susie stood there stiffly with a meaningful smile on her face and snorted.

ning xiao xi again!Why couldn't everything leave her!What's so good about her?She deserves you two excellent men to be infatuated with her.You will never get Ning Xi, and I will let you know how much I love you!

Then, a strange look flashed across her cold charming eyes.

It was time to think about how to get Ning Xi out of the Gu family in a mess, and about the change of his attitude towards Ning Xi because of the truth.

Humph! Ning Xi, just wait and see. This day is coming soon.Just enjoy these days.

When gu jin yi and Ning Xi returned home, Ning Xi acted as if nothing had happened.

With a deep look on his face, the two went upstairs together.

When they arrived at the room, Edmund suddenly asked, "Susan, what do you mean by 'Ye Ling City'?"

gu jin yi looked at Ning Xi with his deep black eyes, as if he wanted Ning Xi to give him a reassuring answer.

"Don't think too much. He might just say it casually.I'm going downstairs to cook. Have a rest first. "

Then Ning Xi went downstairs in a hurry.

gu jin yi watched Ning Xi turn around and leave. He stood alone in front of the French window, looking out of the window with his deep eyes. All kinds of complicated emotions were intertwined in his mind.

At the same time, Ning Xi was cooking some simple dinner in the kitchen, and the soup was boiling in the pot. She was also thinking about something

"Ah!"

Hearing the sound of Ning stream downstairs, gu jin yi ran downstairs quickly and ran to the kitchen.

"What's wrong?"

"It's so hot..."

Ning Xi clenched his ears and stamped his feet.

"Let me have a look."

gu jin yi took Ning Xi's hand and looked at it with pity. Then he washed Ning Xi's hand into the cold water and said, "go and apply some ointment first."

"It doesn't matter. It's just a little red."

Ning Xi withdrew his hand and said indifferently.

Before Ning stream could react, he had already taken out the first aid kit.

“Come here.”

gu jin yi held Ning Xi’s hand and walked towards the hall.

“I said it doesn’t matter!”

Not knowing why, Ning stream couldn’t help shouting. It seemed that he was venting the complex emotions in her heart.

He paused and frowned.

Noticing the expression on gu jin yi’s face, Ning Xi came to her senses and said naturally, “it’s just a little hot. You can wash it with cold water.”

Before Ning Xi could say anything more, gu jin yi took her hand and led her to the sofa.

Ning Xi stared at gu jin yi, who was applying medicine to his wound, and had an indescribable feeling.

Why are you so nervous about this trifle? gu jin yi, what do you want to do?

Now it seemed that everything was about to come to light. The truth was revealed. Ning stream was trying to make the relationship between her and Jin fade a little, a little.

Maybe when the day of separation came, she would not be so sad.

But gu jin yi, why? You should care about her so much that she can’t refuse your care.

“Be careful in the future.”

gu jin yi said to Ning Xi gently as he put away the ointment.

Ning Xi frowned and tried his best to hold back his tears.

She nodded.

gu jin yi raised his eyes and ran into Ning stream whose eyes were red. “Susan, what’s wrong?”

Somehow, when gu jin yi saw Ning stream, he couldn’t help feeling sorry for her.

“It’s okay. The heat of the dinner was so hot that she was about to cry.”

Ning Xi raised his head and made up a lie.

“Mrs. Gu, please sit down. I’m going to cook dinner.”

gu jin yi rubbed Ning stream’s xiao qiao nose lovingly, touched her little head, and then walked to the kitchen.

ning xiao xi didn't say anything, but kept silent. Looking at gu jin yi's back, she couldn't help but burst into tears.

ning xiao xi, what's wrong with you? Don't cry. Why should you cry? You and gu jin yi are not from the same world. If it weren't for Susan, I wouldn't have known him, gu jin yi.

Even if he knew the truth and knew that she married for him, the worst result was to leave the Gu family and this place.

But at the thought of this, more and more tears welled up in Ning Xi's eyes and kept falling.

Because she didn't want to leave him.

Nina, do you really fall in love with him? Did she really fall in love with that narcissistic and arrogant pervert man?

'no, no, I can't. I must slowly weaken my love for him until it disappears...'

After dinner, Ning Xi lay on the bed early, while gu jin yi sat in front of the computer and suddenly wanted to chat with han han.

"han han, are you asleep?"

gu jin yi quickly typed a few words and sent them to han han.

"Not yet. Why does the handsome uncle have time to send a message to han han today?"

As soon as she sent the message, her reply came.

As before, han han spoke and chen chen typed. After all, chen chen's typing speed was comparable to that of ordinary people.

It took others two minutes to type, but chen chen could type it in ten seconds. In this way, they could have more time to chat?

The two babies were so smart that they cooperated well with each other every time.

gu jin yi sent a smiling face and continued, "because han han hasn't talked to me for a long time, I miss you a little."

"Really? It's the most touching word you've ever said since you knew me."

A piece of text was sent back quickly again.

When gu jin yi saw this sentence, a dotting smile appeared at the corners of his mouth. Children nowadays were really smart, and the words used were really reasonable.

"I will talk to you more often in the future."

gu jin yi said.

"Uncle, if I don't reply to your message every time, it means that I'm busy. Don't be too disappointed."

“What’s wrong?Are you busy recently? ”

gu jin yi asked in confusion.

“Yes, my brother and I are shooting TV series now, so we may not be online at night.”

han han replied.

“Shooting a TV series?”

gu jin yi paused in confusion.

“Yes, uncle can see us on TV in the future.”

“Okay, I know. Good night.”

han han replied with a big smile and good night.

Then, he turned off the computer and sat on the chair in silence for a while.

Then he turned to look at Ning Xi, who was sleeping on the bed, and seemed to be thinking about something

chapter 118

After thinking for a while, gu jin yi sat on the bed quietly for fear of disturbing Ning Xi.

“Susan, are you asleep?”

gu jin yi asked tentatively.

ning xiao xi didn’t answer gu jin yi. In fact, she didn’t fall asleep, but deliberately avoided him.

She deliberately kept silent and lay on the bed with her back to gu jin yi. All of this was just to stay away from him.

Seeing that Ning Xi didn’t answer, gu jin yi fell asleep for her and then slowly lay down.

He held Ning Xi’s slender waist and held her in his arms, as if a father spoiled his daughter.

Ning Xi frowned. Before gu jin yi could react, Ning Xi turned over and held him in his arms.

“So you are still awake?”

gu jin yi asked in surprise.

“I was sleeping, but why did you hold me?You woke me up again. ”

Ning Xi held gu jin yi tightly and put his head into his arms.

gu jin yi smiled dotingly. It was the first time that Ning Xi took the initiative to get into his arms, so he held her even tighter.

“Of course I have to hold you tightly, or what if you run away?”

gu jin yi joked.

ning xiao xi was lost in thought when she heard this. How could she run away? It's not too late to stay with you. If she really ran away, it's not that she wanted to run away, but that she had no choice.

"Don't say anything. I just want an an to sleep in your arms for a while."

Ning Xi came back to his senses and said.

"Okay, Mrs. Gu. Good night," replied gu jin yi calmly

Ning Xi closed his eyes, but all kinds of emotions were intertwined in his mind.

gu jin yi, if only I could always lie in your arms like this. I hope time could stop at this moment, forever

Ning Xi wanted to distance himself from gu jin yi, but she couldn't.

Never mind. Ning Xi had figured it out. If God meant that she would marry him in the end and she was destined to live with gu jin yi for a period of time, then why didn't she cherish the time she spent with him?

Nothing else mattered. Let's talk about it when the truth came.

There was no need to worry about what had not happened. Just live a good life now.

Hugging gu jin yi, Ning Xi fell asleep quietly

Ning Xi woke up early in the morning. She snuggled up in gu jin yi's arms and didn't want to get up.

gu jin yi was still sleeping. Ning Xi looked up at him affectionately.

Looking at his dashing eyebrows, thick and black eyelashes, high and carved nose, s**y and thin lips, Ning Xi must remember gu jin yi, everything about him.

gu jin yi, Ning Xi loves you so much. He really loves you. However, before this moment, she still didn't know what she meant. It was not until she heard what Richie said yesterday that she felt a sense of crisis.

"You are awake."

Suddenly, a deep and hoarse voice came.

Ning Xi came to his senses and nodded subconsciously.

"Why don't you sleep more this weekend?"

gu jin yi said lazily.

It seemed that he hadn't woken up yet.

"I have something to do today, so I have to get up early."

Ning Xi stood up from gu jin yi's arms as he answered.

“Wait!”

gu jin yi said resolutely.

“What?”

Ning Xi looked at gu jin yi in confusion.

gu jin yi's slender fingers ran into Ning Xi's soft hair, clasped the back of her head, and got close to her smooth and tender forehead.

shen shen kissed him.

Ning Xi closed his eyes and cooperated with Yun canglan at this moment.

“What will you do if you find out one day that I'm not me?”

Ning Xi couldn't help saying this, not knowing if he had thought it through.

gu jin yi was stunned, as if he didn't understand what Ning Xi meant.

At the same time, he was confused by her question.

“What?”

gu jin yi asked in confusion.

Only then did ning xiao xi realize what she was doing?What are you talking about?

“No. I mean if I don't act like this on purpose one day, what will you do?Will you be shocked? ”

Ning Xi explained, pretending to be casual.

“No matter what you look like, I like you.”

gu jin yi answered Ning Xi indifferently.

This sentence made Ning stream unable to respond to him.

At this moment, she was moved and happy.At the same time, she was nervous and worried.

All kinds of complicated emotions intertwined, and Ning stream didn't know what to do.

If Susan came back, Ning Xi would leave here.

“Let's get up together.”

gu jin yi said gently.

“You can sleep a little longer. It's still so early.”

It was only seven o'clock in the morning and it was weekend. gu jin yi could have slept a little longer, but now he had to get up with her.

“Mrs. Gu has already got up. Of course I should get up as well.”

gu jin yi said with a doting smile.

Ning Xi gave a satisfied smile and the two got up together.

After breakfast, Nina planned to go to Celia’s house to see the two kids. She hadn’t seen them for a while and missed them.

“Where are you going?I’ll drive you home. ”

gu jin yi asked casually when he saw Ning Xi was about to go out.

“Okay.”

Not knowing why, Ning Xi didn’t object to gu jin yi sending her home. He was not afraid that gu jin yi would find the two babies at home.

Now she seemed to want to be with gu jin yi as much as possible and cherish every second.

In the car.

When they were about to arrive at Celia’s home, Ning Xi began to find an excuse to park the car nearby. He couldn’t let gu jin yi go straight to the door of Celia’s house.

Looking at the road in front of him, a pair of thick black dashing eyebrows frowned slightly. This road seemed to be very familiar.

“Susan, does your friend live here?”

gu jin yi asked casually.

“Yes. What’s wrong?”

Ning Xi asked.

She didn’t know why gu jin yi suddenly asked such a question.

“No, but I seem to have been here before.”

gu jin yi narrowed his eyes and seemed to be thinking about something.

“Have you been here before?”

ning xiao xi’s amber eyes widened when she heard gu jin yi’s words.

This place was far from the bustling area, and the work related to gu jin yi was not in this area, so she felt that it was impossible for gu jin yi to come here.

Ning Xi was a little surprised and asked subconsciously.

chapter 119

“han han!”

gu jin yi suddenly called out han han’s name.

ning xiao xi was also shocked by gu jin yi’s words.

Where is han han?

Ning stream looked around and thought her daughter was here.

“A little girl also lives here.”

It suddenly occurred to gu jin yi that this was the way he drove han han home last time.

No wonder she felt familiar.

Ning Xi suddenly came to his senses. He thought for a while and wondered if the little girl gu jin yi referred to was han han.

How could they know each other?And he even sent han han home?

It’s impossible! How could han han and gu jin yi know each other?She must be overthinking.

With a natural look on her face, Ning Xi asked tentatively, “who is the little girl you are talking about?What a coincidence! She also lives here. ”

“By the way, you have met that little girl before.”

gu jin yi remembered the time when they met in the supermarket, Ning Xi was also there.

So gu jin yi thought Ning Xi should have remembered han han as well.

“Me too?”

Ning Xi frowned and asked in confusion.

gu jin yi nodded calmly, “do you remember the little girl in the supermarket that day?”

gu jin yi said calmly.

Hearing what he said, ning xiao xi suddenly remembered.

He had already guessed that the little girl was his precious daughter, han han.

Last time when she went shopping with gu jin yi and pei xiu juan, she happened to meet han han.

But they only met once in the supermarket. How could gu jin yi say that he had sent han han home?

Did they have any other contact besides meeting in the supermarket?

How is that possible?She had never heard her two babies mention it. How could they know gu jin yi?

At this moment, Ning Xi was confused and nervous.

Things were getting more and more complicated and uncontrollable.

“That little girl? What a coincidence!”

ning xiao xi pretended not to know han han and asked in surprise.

“Yes, I don’t know if she is at home now.”

gu jin yi said casually.

“Have you ever been to her home?”

ning xiao xi was stunned by his words and asked reflectively.

“No, I didn’t. I’ll go back after driving her to the intersection.”

When gu jin yi mentioned han han, a doting smile appeared on his face.

“It seems that you like that little girl very much.”

Ning Xi said tentatively.

Because she seldom saw gu jin yi smile when talking about a child.

“I don’t know why I feel so familiar when I see her.”

gu jin yi replied with a gentle smile.

Ning Xi also smiled, but there were all kinds of complicated feelings in her smile.

She didn’t know whether it was good or bad for Ning Xi that gu jin yi liked han han.

If gu jin yi knew that han han was his daughter and that he had two children and that he liked them so much, would he take chen chen han han away.

Or maybe because of the two of them, she wouldn’t mind if she had concealed the fact that he had married her.

ning xiao xi, stop dreaming. If he knew that you cheated him on your marriage and that you concealed that he had two children, he would look terrible at that time.

At that time, he would definitely take chen chen and han han away from her, and drive her out of the Gu family because she cheated him.

This made Ning Xi more worried and afraid that chen chen and han han’s identity would be exposed.

Why did all this happen?

Ning Xi took the place of Yun Shang and her two babies.

“Stop at the next intersection.”

Seeing that they were about to arrive at Celia’s house, Ning Xi asked gu jin yi to stop the car.

“Has your friend arrived?”

gu jin yi stopped the car slowly and asked casually.

And in a corner not far away, there were two cute babies watching this scene.

“It’s not easy to get in her house. I can walk in by myself.”

Ning Xi said guiltily.

“What? Aren’t you going to introduce me to your friend?”

gu jin yi narrowed his eyes and gave a wicked smile.

Ning Xi’s heart sank. What should he do?

“Mr. Gu, today is weekend. Maybe she is still sleeping. Do you want to see her?”

Ning Xi said naturally.

“Forget it. Maybe next time.”

Ning Xi snickered, “it seems that our CEO is quite considerate.”

gu jin yi smiled, “of course.”

Then, Ning stream got off the car and waved at him.

Then gu jin yi got off the car.

“Call me when you get back. I’ll pick you up.”

At last, gu jin yi walked up to Ning stream, gazed at her with loving eyes and said.

“No, thanks. I don’t know when I will go back today. I haven’t seen my friend for a while. It should be late.”

Ning Xi said word by word.

“Call me at any time, remember?”

Ning Xi curled his lips, “I know.”

gu jin yi looked at Ning Xi dotingly, with a meaningful smile on his face.

Then he held the little head of Ning stream and kissed it affectionately. “Go ahead.”

“No, I’ll see you go first. I’ll go in later.”

Ning Xi insisted.

First of all, she was worried that gu jin yi would find that he was going to send han han home.

Second, she was afraid that he would suspect her and follow her.

So she decided to watch him leave first. She would have a guarantee and a sense of security in her heart.

gu jin yi smiled evilly, "give me a kiss, and I'll leave first."

Ning Xi narrowed his eyes and said, "it's a trap ~"

"Kiss or not?"

gu jin yi stood still, waiting for Ning Xi arrogantly.

Not far away, the two little babies looked at him and said, "Wow, it turns out that our daddy is also so shameless!"

han han blinked her eyes.

chen chen smiled evilly, "Our daddy has made progress!"

The two babies narrowed their eyes.

"Come here."

Ning Xi asked.

gu jin yi lowered his head as Ning Xi asked.

Ning Xi kissed gu jin yi on his smooth cheek shyly.

"Is that all right?"

"Are you calling me kiss? You just touched my face with your lips. "

gu jin yi said discontentedly.

"Yes, or what? What else do you want? "

Ning Xi said with disdain.

"Come here."

gu jin yi said calmly.

"What are you doing?"

Ning Xi looked at gu jin yi in confusion.

Not far away, the two little babies looked at their mommy in confusion. What did Daddy want to do to Mommy?

chen chen squinted his eyes and smiled wantonly. He looked exactly like his father.
