

Cute Baby12

chapter 12

“What are you looking at? Girls need to remove their makeup, wash their hair and take a shower. Of course it will take a little longer.”

Nina knew that she had taken a shower for a long time, and she understood what he wanted to say when she saw Gabriel’s attitude.

“As long as you know that.”

Gabriel said sarcastically.

“You...”

Nina didn’t expect the man to answer her like this, and was rendered speechless. She thought about the rumor that the man in front of her had never been interested in women.

He had seen all kinds of women.

Thinking of this, Nina didn’t explain it deliberately.

Then Nina walked to the bed and was about to sleep again.

Gabriel looked at Nina in astonishment.

“What are you doing?”

“Of course sleeping on the bed. Or what else can I do?”

Nina looked at the man and said proudly.

“Get out of my bed. Did I allow you to sleep on the bed?”

Nina challenged Gabriel’s bottom line again and again. He didn’t know why he wasn’t angry with her.

“I’m going to sleep on the bed today. Do you want to sleep or not?”

Nina pretended to be asleep and lay on the bed.

In Nina’s mind, Gabriel was a “man” who was not interested in women, so she had nothing to worry about. She just wanted to have a good sleep.

“Okay, you want to sleep on the bed, right? I’ll sleep with you!”

Then, he also lay down unhurriedly, and Nina was frightened to jump out of the bed.

“Ah! Freak! Don’t you know how to be tender to a lady when you sleep on the bed?”

Seeing Gabriel lying on the bed, Nina was a little nervous. After all, he is a man.

“You?”

Gabriel glanced at the angry woman in front of him, and somehow his depressed mood suddenly became good.

The corners of his mouth curled up slightly, which he didn't even notice himself.

Nina waited for the man ferociously and ignored him. She was about to walk out of the room.

"Where are you going?"

Gabriel looked at the woman in front of him whose face turned red with anger and asked.

"Of course I'm going to sleep!"

The current mood of Nina could not be described in words, and she no longer wanted to talk to the man.

Gabriel raised his chin and looked at Nina with his dark eyes full of pressure.

"Just sleep on the sofa here!"

"I'll go out to sleep."

Nina really didn't want to sleep in the same room with this cold and ungrateful man.

"The sixth term of the agreement is that the you must obey the my arrangement without affecting my interests."

It seemed that Gabriel had kept the agreement in his mind for a long time.

The direct agreement of the contract made Nina have to obey.

"If you don't want to cause unnecessary trouble, you'd better obey the agreement."

After saying that, he stopped talking and lay down gracefully under the quilt.

Of course, Nina knew clearly that the unnecessary trouble meant that if his mother found that the two slept separately, she would definitely be in trouble.

And the punishment he said

Nina had no choice but to walk slowly to the sofa and glared at the man lying on the bed with his b\*\*\*\*\* eyes.

b\*\*\*\*\*! Devil! b\*\*\*\*\* . Ah!Ah!Ah

Nina had cursed Gabriel countless times in her heart.

She suddenly lay down on the sofa and tucked herself in. Fortunately, the sofa was big enough to make her roll on it

It was late at night. Nina slowly regained her composure and thought about her two babies. She wondered if they were sleeping or not

the second day.

Nina didn't know when she fell asleep last night. Thinking of her two babies, she fell asleep in a leisurely way.

When she woke up in the morning, she picked up her phone and found it was six o'clock in the morning.

She sat up slowly and stretched her body.

Looking around the room, Nina almost forgot that she was at the Gu' house, not her own home.

She quickly drew back her body and stood up lazily. There was no one on the bed.

He got up at six o'clock? It's really early.

Nina didn't expect a CEO to get up so early?

She was about to go to the bathroom before going back to sleep. When she saw the empty room, she was completely awake.

She tidied up the sofa, put on her clothes and went downstairs.

"Good morning, Mrs. Gu."

maid Wang was preparing the tableware for breakfast in the hall.

She saw that Nina seemed to be still awake and greeted her.

"Good morning, that ma....has Gabriel gone to the company? "

Nina almost mentioned the man directly. Fortunately, she changed her words so fast. Otherwise she would cause unnecessary doubt.

"Mr Gu has gone to exercise. He should be back soon."

Maid Wang said to Nina with a kind smile.

"Did he go to exercise?"

Nina widened her eyes in shock.

"Yes, Mr. Gu has been exercising for an hour every morning since he was a child..."

Maid Wang said to Nina slowly.

'I didn't expect him to pay so much attention to sports.

It was only six o'clock now. Did he get up at five o'clock?

Nina suddenly admired him. If she could get up at five o'clock, it would be harder for a foodie to refuse to eat.

"So the breakfast will be ready around seven o'clock. Mr. Gu will go to the company after he finishes it."

Maid Wang had gotten used to Gabriel's morning routine.

"I see."

Nina squinted and replied politely.

Then, Caroline came in from the outside of the yard and Nina looked around.

Oh my God! Did they all get up so early? It seems that I won't have much time to sleep in the future

Nina was slightly stunned, her dark eyes rolling.

"Mr. Gu, you are back. Come and have breakfast."

When all the people were here, Butler Zhang ordered the servants to put the breakfast on the table.

"Madam, breakfast is ready."

Maid Wang walked to Caroline, helped her slowly to the table and sat down gently.

Then Gabriel and Nina sat down.

The atmosphere at the table was unusually heavy. Nina was busy with her breakfast and didn't know what to say.

'I'd better not say anything. I'm afraid that I will get into trouble if I say something wrong.'

"I'm done."

Gabriel put down the tableware gracefully and was about to stand up.

"It's still early to go to the company. Let's have a chat."

Seeing that her son and Nina had nothing to talk about, Caroline asked Gabriel to stay to increase their time to get along with each other.

Caroline knew what kind of person her son is. He devoted himself to his work and never considered his marriage. That was why she hadn't had a grandson yet.

"I still have some documents to deal with in the company."

Gabriel said coldly.

"Sit down first!"

Pretending to be angry, Caroline put down the spoon in her hand.

In order to avoid his mother's disturbance, he had no choice but to sit on the chair again.

"Susan, how was your sleep last night?"

Caroline suddenly asked. Nina didn't realize that Caroline was talking to her.

When she came back to her senses, she realized that she is Susan now. Hearing Caroline's question, she choked on the steamed buns in her throat.
