chapter 123

Now that the two of them had agreed to tell gu jin yi about her marriage, it didn't matter to her whether Susan came back or not.

The only thing she needed to do now was to tell gu jin yi about it at once, in case there would be too many nightmares.

If she went back to the company and began to gather all kinds of information about ning xiao xi, she would defeat her from five years ago to now!

.....

the second day

If vivi went to work as usual, she looked a little arrogant and complacent.

ning xiao xi walked from the office to the bathroom, and when Rufus came out of the office, the two met on a narrow road.

However, Ning Xi ignored her. When he was about to leave the bathroom after washing his hands, he was stopped by her.

"Why are you in such a hurry? Are you afraid of seeing me?"

Said Susie sarcastically while washing her hands leisurely.

"Birds of a feather flock together. I just don't want to see anyone else."

Ning Xi answered indifferently.

"Ning Xi, what do you mean?"

Leona glared at Ning Xi. She didn't know why, but when she heard Ning Xi speak, she didn't know where her anger came from.

"Nothing. If there's nothing else, I'll go first."

Ning Xi shrugged his shoulders and turned around to leave the bathroom.

"Ning Xi, you have turned a deaf ear to what I said, haven't you?"

Susie pulled Ning Xi over and walked to her.

"I asked you to stay away from the city, but you insisted on pestering him. I said your hobby is to seduce men's tramps, right?"

Before Ning Xi opened his mouth, Ruxin said to him angrily and disdainfully.

Hearing this, Ning Xi wished he could slap her.

What did she mean by seducing men? When did she seduce anyone?

But now she was in the company, she had to put up with it.

It seemed that the purpose of the news was aimed at the issue of the Ye Ling City. In that case, it was what she wanted.

“If you keep your mouth shut, seduction will never appear in my dictionary! As for what happened in the city...”

Ning stream had planned to make a clean break with Ye Ling City, but before she could finish her words, she opened her mouth subconsciously as soon as she heard the three words of Ye Ling City.

“Shut up! You have no right to mention him!”

“Susie, are you stupid or out of your mind?”

Ning stream couldn't help complaining.

“Ning stream! What did you say about me?”

If he glared at Ning Xi fiercely, he didn't expect her to scold him so blatantly.

“I never say it a second time.”

“Ning Xi, you will soon pay for what you have done!”

After saying that, she left the bathroom with a stiff expression.

ning xiao xi watched her leave with a natural smile.

After walking away, the expression on Ning Xi's face suddenly changed. He frowned slightly, and a hint of worry flashed across his clear eyes.

Susie had to take her words seriously, because Susie had already known that she was the subst**ute bride. She knew that the “price” she said was not a joke, and she only hoped that the day would come a little later.

On the way back to her office, she was not angry at all, because she could soon get Ning Xi out of the Gu family.

ning xiao xi, just be complacent now. You won't be able to laugh soon.

When it was about to get off work, Ning Xi was sorting out the doc**ents on his desk when his phone suddenly rang.

ning xiao xi picked up the phone and looked at it. ‘why is he calling at this time?’?

“What's up?”

Ning Xi asked naturally.

“It's not a big deal. It's just something important.”

gu jin yi replied jokingly.

“I'll hang up if you don't tell me.”

She suddenly found that he had changed. He had never been joking, but now he became humorous. ning xiao xi couldn't tell whether it was a good feeling or not.

"I'll wait for you downstairs. Let's go home together."

Ning Xi ran to the window and looked downstairs.

A black limited edition Rolls-Royce stopped in front of the company.

What was gu jin yi doing? Wasn't he afraid of being watched?

Ning Xi couldn't care less. She ran downstairs quickly. If it went on like this, the whole company would know her relationship with gu jin yi.

Downstairs of the company.

When she came out of the company, she happened to see gu jin yi outside.

Is that Edmund? It took her no effort to see him. Just now, she was thinking about how to contact him and tell him about the marriage of Ning Xi. It seemed that God would help her push Ning Xi into the abyss. Humph.

"Hello, Mr. Gu."

Susie greeted him with an enchanting smile.

"Do we know each other?"

gu jin yi said expressionlessly. Her beautiful face was like a calm sea without any waves.

Susie was stunned. She had just met him last time, but she had completely forgotten him

"Mr. Gu, we met last time. Have you forgotten?"

Rufus replied with a smile.

"I only remember what I want to remember. As for the rest, it's unnecessary."

gu jin yi said coldly with his thin and s**y lips. His dark eyes didn't look at her at all. Instead, he kept looking at the exit of the company.

At this moment, Leona was holding her bag tightly, as if she had vented all her anger on her bag. Because of her overexertion, the bag was scratched.

Although she wanted to scold him now, she had to hold back her anger.

"Ha ha, Mr. Gu, you are so funny. In fact, I have something important to tell you when I meet you today."

Said Rufus as usual.

"I'm not interested."

gu jin yi said indifferently.

He didn't seem to want to talk to her at all, but waited for Ning Xi to come out of the company.

Seeing that gu jin yi didn't want to talk to her at all, she was even angrier.

If it weren't for the purpose of getting Ning Xi out of the company and the Gu family, how could she be angry with you, the ruthless CEO?

Then, when he was about to walk to the hall on the first floor of the company, he had just taken two steps when she finally couldn't help but speak.

"Mr. Gu, are you really not interested in Susan and your wife?"

A stiff smile appeared on her slightly charming face.

Because gu jin yi had always called Ning stream Susan.

As soon as he heard that it was about Ning stream, he stopped.

"What do you want to say?"

gu jin yi turned around and asked coldly.

"Susan is not the real Susan. She is just a substitute."

chapter 124

Seeing that gu jin yi was a little impatient, she didn't beat around the bush and told gu jin yi directly.

For the time being, he chose to keep silent. His sharp black eyes swept across the room.

"Do you think I will believe you?"

gu jin yi said coldly.

"I know you won't believe me, but I have evidence to prove it! Wait a minute. "

She was eager to tell everything to gu jin yi.

Then she looked for something in her handbag.

"Enough! You don't have the right to tell me about her. "

Before she could show the so-called evidence, he said in a low voice.

"Ja..."

"Here!"

When she was about to say something, gu jin yi raised his slender hand and looked at the exit of the company with his sharp black eyes.

A warm smile suddenly appeared on his cold face.

Looking in the direction he was looking, yvning stream was walking towards her.

ning xiao xi! It was her again! Every time it came to a critical moment, he would step in!

With her cunning eyes, she was staring at Ning Xi who was walking towards her.

Humph, since you want to show up at this critical moment, it's up to you.

She wanted to see what Ning Xi would look like if she told gu jin yi ning that Xi was married for him.

gu jin yi ignored her and walked to Ning stream.

"Why... Why are you here?"

Ning Xi looked a little nervous. She looked around for fear of being watched like last time.

"Isn't it normal for a husband to pick up his wife after work?"

gu jin yi looked at Ning Xi dotingly and said indifferently.

"Get in the car and go home!"

Ning Xi hurriedly took gu jin yi's hand and walked towards the car.

"My dear wife, what do you want to do when you go home in such a hurry?"

gu jin yi joked with a wanton smile on his handsome face.

ning xiao xi didn't answer. It seemed that he didn't notice that Leona was here either. He just wanted to get in the car in a hurry.

"Mr. Gu, if you don't believe me, you can ask her Ning Xi now!"

Seeing that gu jin yi was about to leave, she stressed again.

"What?"

Hearing this, ning xiao xi was stunned. She looked up at gu jin yi with her clear eyes and asked in confusion.

gu jin yi just smiled at Ning Xi without saying anything.

And she couldn't wait to tell everything to gu jin yi.

"Her name is Ning stream. Why did you call her Susan? Haven't you thought that she married you in place of Susan? That's why I used the name Susan."

Ning Xi was petrified. What was she doing?

Although she knew that this day would come in the end, she didn't expect it to come so soon.

At this moment, Ning stream's heart beat faster and faster. All kinds of emotions were intertwined, nervousness, worry, and more importantly, fear

"This is the last time I warn you. If you continue to talk nonsense in front of me, you can't afford the consequences."

gu jin yi glanced at her sharply and said expressionlessly.

“Let’s go home.”

After saying that, he opened the door of the passenger seat for Nina and let her in slowly, protecting her head.

Ning Xi’s mood could no longer calm down, but he got into the car as if he had lost his soul.

Then, gu jin yi glared at her with his burning eyes. Looking at his eyes, she was speechless and didn’t know how to speak.

Then gu jin yi walked around the front of the car to the driver’s seat.

Looking at the back of gu jin yi, she decided to uncover the truth again. “The current Ning stream is just a fake. The real Susan is still abroad!”

gu jin yi got on the car and drove away, ignoring what she said.

In the car.

Ning Xi sat quietly on the passenger seat without saying a word.

“Mrs. Gu, why are you so quiet today?”

gu jin yi quipped with a smile.

Ning Xi, who was lost in thought, didn’t seem to hear gu jin yi’s words. She didn’t answer, but stared blankly ahead.

“Hey!ning xiao xi! ”

gu jin yi slowed down and left the steering wheel with his right hand.

ning xiao xi came back to her senses and blinked her eyes, “what?What’s wrong? ”

“I’m talking to you. What are you thinking about?”

gu jin yi said coldly, pretending to be deep.

“No, No. It’s a little troublesome at work.”

Ning Xi was short of breath. Feeling guilty, she immediately came up with an excuse to answer gu jin yi’s question.

“If you have anything to tell me, I can help you.”

gu jin yi’s words warmed Ning Xi’s heart.

Of course Ning Xi knew that he could help her?There were few things in the world that he couldn’t do for a person like him and with such a status.

But it would be fine if it was about work, but it was something he couldn’t solve either.

Susie had told him about her marriage and he had known it. What was he thinking now?

Ning Xi stared at gu jin yi and guessed what he was thinking.

“Look at me like that again. It seems that I’m so handsome in your heart that you can’t extricate yourself from it.”

gu jin yi said with a smile.

gu jin yi, indeed, you are more handsome than anyone else in Ning Xi’s heart.

Ning Xi suddenly burst into laughter, “I find that you are so thick skinned now, even thicker than b*****!”

Ning Xi returned to his usual natural look, in order not to let gu jin yi see anything wrong.

“Ning Xi, what did you say? Say it again.”

gu jin yi meng stepped on the brake and stared at the clear stream in front of him with his charming black eyes.

“What? What did I say? I don’t know.”

Ning Xi glanced at her and answered as if he knew nothing.

“Why... Why do you call me Ning Xi all of a sudden?”

It was not until then that ning xiao xi realized that it was a little strange for him to change his tone today.

Did it mean that he knew his ident**y, not Susan, but the subst**ute of her, Nina.

chapter 125

“Didn’t you say that your nickname is Ning Xi? Am I wrong?”

gu jin yi said.

“I’m not used to your nickname.”

Ning Xi gave a silly smile.

“If you don’t like it, I’ll call you Susan.”

“No, Ning stream is better. After all, its nickname is familiar.”

“Okay, honey, it’s up to you!”

A gentle and pampering smile appeared on gu jin yi’s beautiful face.

Then, when he was about to open the door and get off, Ning stream suddenly said, “wait, I have something to ask you...”

Ning Xi held gu jin yi’s arm and said hoarsely.

“What?What’s the matter? ”

gu jin yi stopped pushing the door and turned his head gracefully.

Her sculptural and beautiful face was close to the smooth and smooth ruddy face of Ning stream, and her deep black eyes were staring at the hesitant Ning stream.

In this way, the two of them approached each other face to face, their eyes looking at each other, and their breath intertwined.

They were so close that their two s**y lips touched.

“Nothing. Let’s get off the car.”

With a guilty conscience, Ning Xi leaned back, and then opened the door and got out of the car.

Seeing Ning Xi get off the car, gu jin yi frowned. He felt that there was something wrong with her today?

gu jin yi didn’t think too much and got off the car.

The two walked into the hall. Ning Xi habitually went to the fridge and opened it to drink juice.

“You drink juice every day and I want one too.”

Seeing that Ning Xi had to drink a gla** of juice every day after work, gu jin yi also wanted to drink it. Did the so-called juice really taste so good?Ning Xi seemed to enjoy drinking every day.

“Don’t you like juice?”

Ning Xi squinted at gu jin yi.

“Drink too much juice. You are healthy and have a good look.Don’t you often say that? ”

gu jin yi sat on the sofa with his legs crossed elegantly. He was as noble and reserved as a royal member.

Ning Xi was stunned. It was just a casual remark of him. He didn’t expect that he would keep it in mind.

She remembered that every time she got off work, she would ask him to have a gla** of juice, but he never drank it. It was strange today that he took the initiative to drink it.

“You are not a girl. Why do you still want to be beautiful?”

ning xiao xi pretended to glance at him.

“As a man, your skin needs to be maintained.”

gu jin yi said arrogantly.

Ning Xi couldn’t help but burst into laughter. “Okay, okay. Give Mr. Gu a cup of beauty juice.”

Then Ning Xi walked to the fridge and opened it.

WellThe fridge was empty.

The day she went to see chen chen and han han, she forgot to buy food and went home, so she couldn't drink juice today.

"Mr. Jacob, I'm afraid you can't drink any juice today."

Ning Xi closed the fridge again and walked to the sofa lazily.

"What?"

gu jin yi looked at Ning Xi in confusion.

"The fridge is empty, and there is no juice or vegetables. Let's have instant noodles tonight."

Ning Xi shook off her hands and shrugged helplessly.

"Or wait for me to buy some food and have dinner later."

ning xiao xi thought that it was not a good idea to keep the fridge empty. She didn't have time to go to work tomorrow. After all, she had to eat something tomorrow, so she had to buy it.

"Wait for me."

Then, he suddenly went upstairs.

Ning Xi looked at his back in confusion, "what?"

gu jin yi didn't answer. He had already arrived at his room, and Ning Xi didn't care. She changed into a pair of slippers and went into the kitchen to get some water.

gu jin yi went downstairs in grey casual clothes, and Ning stream just finished drinking water from the kitchen.

"What are you doing?"

Ning Xi stared blankly at gu jin yi's outfit, unable to guess what he was going to do.

"Let's go."

A deep voice came before Ning Xi could understand.

"What?Where are you going? "

Ning Xi blinked his clear eyes and asked in confusion.

"Buy vegetables and juice."

Subconsciously, gu jin yi picked up the coat on the sofa for Ning Xi and was about to go out again.

Ning Xi was stunned. What was going on?gu jin yi said he was going to buy vegetables?Buy juice?

"Don't you like this kind of casual clothes?Why did you go out in this kind of clothes? "

Ning Xi said casually.

"Because you like it, I will learn to like it."

gu jin yi replied calmly.

When Ning Xi heard gu jin yi's words, her mood at the moment was beyond description. Was she happy or moved? She couldn't tell herself how she felt.

She only knew that her eyes seemed to be a little red, and tears seemed to be unable to hide and run out.

But in the end, Ning Xi held back his anger. He looked up and wondered, 'gu jin yi, why are you so good to me?

Ning Xi had always wanted to ask this question in his heart, but he hesitated and did not open his mouth. She was afraid that this good moment would disappear in an instant.

"Are you still here?"

Seeing Ning Xi still standing there, gu jin yi glanced at him with his dark eyes.

"Are you sure you want to go shopping with me now?"

Ning Xi walked slowly towards gu jin yi and asked in disbelief.

gu jin yi walked close to Ning stream and held her shoulder. He looked at Ning stream tenderly and said, "isn't it normal for a husband to go shopping with his wife?"

Ning Xi stared at gu jin yi with his deep and clear eyes. The feeling in his eyes was hard to guess.

"Honey, although I'm so handsome that you want to see me every minute, I'll feel embarrassed if you keep looking at me like this."

gu jin yi approached Ning stream and raised his eyebrows. An evil smile appeared on his charming face.

"I'm so narcissistic. Alas!"

Ning Xi came to his senses and gave gu jin yi a disdainful look.

Ning Xi was about to go out when gu jin yi held her shoulders tightly in his arms.
