chapter 126

“Mrs. Gu, what did you just say about me? I allow you to say it again.”

gu jin yi stared at Ning Xi with his dark eyes.

His expression was natural and no emotion could be seen. But his expressionless face made Ning Xi a little nervous.

“You are handsome. It’s such an honor to have such a handsome husband!”

Ning Xi quickly changed his mind and answered gu jin yi when he found the situation was not right. A big smile appeared on his face.

“In that case, I will give you a higher honor.”

gu jin yi smiled evilly. Ning Xi seemed to know what was going to happen next, so she said anxiously, “it’s time to go shopping, or it’s dark.”

“It’s getting dark. Don’t worry. I’ll be with you.”

Ning Xi was about to run out of gu jin yi’s arms, but he didn’t expect that gu jin yi was so strong that Ning Xi couldn’t get out of his arms.

“What the hell do you want, bill?”

Ning Xi said helplessly.

“Give me a kiss. Isn’t this honor too surprising?”

gu jin yi narrowed his eyes and stared at Ning Xi.

“I won’t kiss you.”

Ning Xi turned his head and guessed what he was thinking.

“Really?”

gu jin yi gently turned back Ning Xi’s head and pinched her fair skinned chin to make her look at him.

“I won’t...”

Before Ning Xi could finish his words, gu jin yi pressed his pink lips against hers.

The two s**y lips clung to each other for about ten seconds.

Then, he slowly left Ning stream’s lips, squinted his long and narrow eyes and said roguishly.

“If you don’t kiss me, I will kiss you.”

“You are such a rogue!”

Ning Xi muttered and frowned.

“Don’t you think the kiss is not pa**ionate enough?My wife doesn’t look so satisfied. ”

gu jin yi quipped, raising his eyebrows.

“How about we do it again?”

“You...”

“Forget it. Since Mrs. Gu is in such a hurry to buy food, we’d better go out early to buy food.”

Before Ning Xi could finish his words, gu jin yi held his hand and walked out of the hall.

Ning Xi rolled his eyes at gu jin yi and said nothing. Then he held his hand and walked out of the house.

“The market is nearby. Let’s walk there.”

Ning Xi said casually. In fact, his real purpose was to take a walk with gu jin yi alone.

gu jin yi had already known about the marriage. She didn’t know how long she would be with him, so Ning Xi could only seize every second.

“Honey, it’s up to you.”

gu jin yi smiled gently at Ning Xi.

Then the two walked slowly.

.....

In the supermarket.

Ning Xi glanced at gu jin yi from time to time. Was he the arrogant and pervert she knew?

He had never thought that Jacob, the CEO of the Empire group, would be so kind to him and would go shopping with him.

Ning Xi had never thought of this, let alone expected it.

gu jin yi, it would be great if only he could keep doing this

“Mrs. Gu, I don’t know how many times you have seen me along the way.”

gu jin yi suddenly turned his head to look at Ning Xi, who had been staring at him. His face was full of warmth.

“Did I?”

Ning Xi, who was staring at gu jin yi, suddenly turned around. His eyes were slightly lowered and his face was slightly red.

“What do you think?”

gu jin yi asked in a low voice.

“I’m just curious why a CEO like you would go shopping with me.”

Ning Xi asked directly.

In fact, what she wanted to ask more was about the marriage arranged by Rufus after work. She wanted to ask gu jin yi what he thought about it.

“Can’t the CEO come here to buy food? And I’m telling you, I’m not a CEO in front of you, but your husband, your husband. It was natural for a husband to accompany his wife to buy food. Do you remember?”

gu jin yi’s handsome face suddenly became particularly deep. He stared at Ning Xi with his deep and narrow eyes and said in a low and clear voice.

Ning Xi stared blankly at gu jin yi. When his clear eyes met his unpredictable black eyes, he nodded and said, “I remember.”

Then, the two of them walked hand in hand to the side of all kinds of food. “What do you want to eat tonight?”

gu jin yi said.

Ning Xi hesitated for a while. It seemed that she was not a picky eater.

“All right.”

Ning Xi replied with a smile.

“Then buy them all home.”

Then, he put all the dishes into the cart.

“You don’t have to buy so many fruits, do you?”

Ning Xi looked at gu jin yi’s cart which was almost full of vegetables in a daze and said.

“Are you worried that the fruit can’t be put in the cart?”

gu jin yi raised his eyebrows and asked.

Ning Xi nodded hard, indicating that he hoped gu jin yi would stop fetching vegetables into the cart.

“Don’t buy so many vegetables. Let’s go buy some fruits and go home.”

“It’s okay. This cart is full. We can use another one to hold fruits.”

gu jin yi still pushed the cart slowly and put the vegetables into it.

“It will break even if you buy so many things.”

Seeing so many dishes, Ning Xi suddenly felt that he could be a vegetable.

“It’s okay. Go home and eat more. I believe you can eliminate them.”

There was a gentle and teasing smile on gu jin yi’s handsome face. His deep black eyes gave a meaningful look to Ning Xi, who was helpless.

Then, he walked on.

What ? What did he mean? Was he implying that he was a pig? How could Ning Xi eat so much food?

ning xiao xi wanted to refute gu jin yi, but he was already in front of her.

ning xiao xi had no choice but to follow gu jin yi.

'gu jin yi, is he going to move all the food in the supermarket back home? It seemed that he had never bought vegetables.

Ning Xi suddenly found that all the people around were looking at him and gu jin yi with strange eyes. Ning Xi subconsciously lowered his head.

"Hey, gu jin yi, stop it. They are all looking at us."

Ning stream tugged at the corner of his clothes and said in a low voice.

gu jin yi looked around and found that everyone else was looking at him, with an evil and attractive smile on his face.

"Let them see. They are jealous that you have such a good husband to buy vegetables with you."

A proud smile appeared on gu jin yi's handsome face.

chapter 127

Ning Xi looked around and found that there wasn't a couple who came to buy vegetables together, either her mother and child, or her mother alone.

Ning Xi turned around and looked at gu jin yi with disdain, "eh, her husband may be on his way here."

"That's only you can think of."

gu jin yi said lightly.

Ning Xi curled up his pink lips in contempt.

"This car is full. Let's buy some fruits in another cart."

gu jin yi put the vegetables aside and pushed out another cart to the fruit area.

Oh my God! Didn't gu jin yi want to buy another cart of fruits? No, No. he was crazy. He couldn't go crazy with him.

"We don't need another cart. We can use this one. Look, there is an empty seat."

Ning Xi pointed to a corner of the cart, where there were still some space for fruits.

"I don't think there is any vacant seat now."

gu jin yi picked up two tomatoes and a broccoli and filled the cart.

“You!”

Ning Xi flushed with anger and didn't know what to say.

With a sly smile on his handsome face, gu jin yi pushed the trolley towards the fruit section.

Ning Xi frowned and stamped his feet helplessly and angrily.

“Mrs. Gu, please follow me closely. What if you lose me?”

gu jin yi had just taken two steps when he saw Ning Xi still standing there. He moved to the side of Ning Xi and put his arm around her shoulder, staring at Ning Xi with his deep eyes.

“I'm an adult. How could I get lost? You haven't been here to buy vegetables. It's better for you to get lost.”

Ning Xi said disdainfully and looked left with his beautiful eyes.

“Not necessarily. You stupid woman.”

“It's him! I'm stupid! I'll turn against you!”

ning xiao xi pretended to be very angry and looked at gu jin yi coldly.

“Okay, okay. It's my fault. Mrs. Gu is not stupid. I'm stupid, okay?”

gu jin yi immediately surrendered. Looking at Ning Xi's exasperated face, gu jin yi almost burst into laughter.

“Let's go! Go and buy some fruits.”

Ning Xi raised his bony chin and walked forward arrogantly.

Fruit section.

As expected, he bought another full cart of fruits.

Along the way, he had been holding Nina's hand all the time.

“Mr. Jacob, don't you feel hot?”

Ning Xi felt her palm burning as if she had a fever.

“It's so warm.”

gu jin yi replied calmly.

Ning Xi was also drunk about gu jin yi's answer. He didn't expect his answer to be like this, which made Ning Xi speechless.

All Ning Xi wanted to do now was to put his hand in a cool place for ventilation. It was really too hot.

Ning Xi rolled his dark eyes and said, “I want that one!”

Ning Xi pointed at the Pitaya on the upper frame of her right hand, because at this position, he had to release his left hand to get the Pitaya on the top.

In this way, Ning Xi could leave his big hand smoothly.

“Okay, I’ll get it for you.”

gu jin yi said in a hurry as he stretched out his hand towards the Pitaya in ning xiao xi.

“Mr. Gu, is your right hand so long?The Pitaya is so high. Isn’t it easy for you to hold it with your left hand? ”

ning xiao xi reminded gu jin yi on purpose.

How could he not know that it would be easier to hold it with his left hand? He just wanted to hold the hand of Ning stream all the time and didn’t want to let it go.

“Your left hand is holding your right hand. How can I let you go?”

gu jin yi walked to the other side of Ning stream and grabbed the Pitaya with his right hand.

Ning Xi had no choice but to say, “okay.”

Then they walked along the road. Ning stream accidentally tilted her foot. Of course, he felt Ning stream’s movement subconsciously. “Are you all right?”

Then, he immediately squatted down and saw that the ankle of Ning stream was a little red, and his deep dashing eyebrows were slightly wrinkled.

“It’s okay. It’s just an accident. Get up quickly.”

Nina felt strange when she saw that the man who was nearly 1.9 meter tall squatted down in front of her.

He really had a pair of long legs.

Then, without saying anything, he picked up Princess Ning Xi.

Before Ning Xi could react, she was already in gu jin yi’s arms.

“Hey, put me down. This is a supermarket.Many people are watching us. ”

Ning Xi blushed and looked around shyly.

“Don’t move!”

gu jin yi said in a low and magnetic voice.

“Then put me down. I won’t move.”

Ning Xi insisted. Now gu jin yi held her even tighter.

gu jin yi chose to be silent. He told Ning Xi with his sharp eyes that the more she moved, the tighter he held her.

Not far away

“Wow, what a men! Honey, look at the duo en ai!”

The woman looked at gu jin yi and Ning Xi with an envious look, and then turned to look at the man beside her to express her dissatisfaction.

“Honey, look at her. I want to hug her too.”

The woman asked the man to hug her like gu jin yi and others.

“You are an adult now, but you still act like a child. How childish you are!”

The man said impatiently.

“Well, you have never held me like this since we got married.”

The woman pouted and said disdainfully.

.....

In this way, the two couples had a slight quarrel, and gu jin yi and Ning Xi also noticed it.

“See? Now you know how good your husband is, don’t you?”

gu jin yi raised his fair chin, indicating Ning Xi to see other people’s husband and wife, and then to see how he treated her.

“That’s called quarrel at the head of the bed and quarrel at the end of the bed. Only in this way can we love each other more deeply.”

Ning Xi retorted.

“Really?How about we have a deeper and more affectionate relationship? ”

gu jin yi raised his eyebrows and squinted at Ning Xi with an unfathomable evil and attractive look.

As soon as Ning Xi saw gu jin yi’s expression, she knew exactly what he would do next.

“No, No. ThisTo be honest, a quarrel between a couple will definitely affect their relationship. How can they be more affectionate? Do you agree? ”

Ning Xi changed his mind immediately.

gu jin yi opened his s**y thin lips, “you didn’t think so just now, did you?”

“Because I suddenly realized it!”

Ning Xi grinned.

Looking at the silly Ning stream, gu jin yi couldn’t help smiling helplessly and funny.

Then Ning Xi jumped out of his arms when he was not noticing.

“Let’s go home as soon as possible. We don’t need to have dinner later.”

After saying that, Ning stream pushed a cart and quickly put the fruit she needed into it. Following her, Edmund couldn't help smiling all the time.

chapter 128

Soon, the two of them finally bought some food and fruits. There were really several big bags of food, and only the two of them could not take them back.

"I said you don't need to buy so many. Now I can't take them back. If I had known you would drive here, I wouldn't have walked home. "

Looking at the pile of food in front of her, Ning Xi frowned and felt a little irritable.

If she had known it earlier, she would have said she would drive here. She wouldn't have walked home with so many things.

gu jin yi gently touched Ning Xi's head and took out his phone from his pocket.

"I'll be there soon."

gu jin yi said simply and hung up the phone.

Nina looked at him in confusion, "who are you calling?"

gu jin yi just smiled, and then took Ning Xi to sit on a wooden chair beside the supermarket.

About ten minutes later, Jacob arrived at the address mentioned by gu jin yi.

"President, president."

Darren ran to gu jin yi, out of breath, for fear of being delayed for even a second.

Ning Xi looked at the running Darren confusedly. Isn't he gu jin yi's a**istant? Why is he here? Was she talking to him on the phone just now?

"Take them back."

gu jin yi looked at the bags of food not far away.

"Mr. Gu, why did you buy so many things? And... "

Jacob's eyes widened subconsciously when he saw the pile of things in front of him. The moment she looked sideways into his sharp eyes, she stopped talking immediately.

"Yes, I know."

Jacob just accepted the arrangement and said nothing more.

Ning Xi couldn't help but burst into laughter when he saw the flirtation between the two.

"Can't you be more polite to others? After all, he is here to help us take things. "

Ning Xi spoke for Darren.

“Mrs. Gu, who is your husband? How dare you speak for another man so blatantly?”

gu jin yi pretended to be angry and jealous, looking at Ning Xi with his sharp and evil eyes.

“It’s all your fault. I’m just telling the truth.”

Ning Xi didn’t flinch at gu jin yi’s words, but answered boldly.

“Ning Xi, dare you say it again?”

An evil and attractive smile appeared on gu jin yi’s cold face, and he looked at Ning Xi meaningfully.

His weird eyes made people shiver when they looked at each other.

“What do you want?”

Ning Xi was not convinced and raised his bony chin.

In fact, Nina was a little guilty. She didn’t know what he would do, and she couldn’t figure out what he was thinking.

Ning Xi summoned up all her courage and pretended to be a soldier to block the situation.

“Not really. It’s up to my wife.”

gu jin yi’s face changed dramatically.

Ning Xi and Xu Chen were stunned by gu jin yi’s attitude.

She thought he would be angry or cold, but she didn’t expect him to be so soft hearted.

Darren stared at gu jin yi blankly for a few seconds with an expressionless face.

Was he still the proud CEO of the Empire group? Was he still the gu jin yi he knew?

“Let’s go back.”

Without saying anything more, Ning Xi stood up. The two of them left the chair together.

Jacob followed them with the bags in his hands.

After taking a few steps, Ning Xi walked slowly as he sprained his ankle in the supermarket, which was different from usual. gu jin yi also noticed it.

“I’ll take you back.”

“What?”

Before Ning stream could react, he directly carried her in his arms.

“This is outside. gu jin yi, put me down!”

ning xiao xi didn’t expect that gu jin yi would pick her up again. There were more people outside the supermarket, so she felt more embarrassed.

Jacob, who was walking in the front, heard the sound behind him and looked back. His dark eyes were wide open. "Mr. Jacob, I'll drive the car here."

When xu chen zheng was about to leave, he suddenly said in a low voice, "you can leave after you send the things home."

"You and miss yam..."

Looking at gu jin yi with Ning Xi in his arms, Darren wanted to ask him if he didn't go back by car. But before he finished his words, he asked.

"I can take her back."

Darren didn't ask any more questions. He knew gu jin yi's character, simple, clear and decisive.

Then Jacob drove away with several big bags.

However, he stood still.

"Will you just carry me back like this?"

Ning Xi looked at gu jin yi in disbelief.

"The car has left. How do you want to go back if I don't take you back?"

gu jin yi replied calmly.

ning xiao xi deliberately glanced at gu jin yi, "you did it on purpose, didn't you?"

"Yes, I did it on purpose. Mrs. Gu is getting smarter and smarter. "

gu jin yi raised his dashing eyebrows and gave an evil smile wantonly on his flawless handsome face.

Ning Xi didn't know what else she said to him and just let him carry her back.

Along the way, many people looked at gu jin yi and Ning Xi with envy. Her face was as red as a tomato.

"It will be very tired for you to hold me like this. You'd better put me down."

"You are so thin. I don't need any strength to hold you. How can I feel tired?"

She wanted to ask gu jin yi to put her down on the ground, but she didn't expect him to give her such an answer, which made Ning Xi speechless.

"Don't you know that I will be embarra**ed?"

Ning Xi lowered his head and said.

"Why are you so embarra**ed?Shouldn't a husband hug his wife? "

gu jin yi's words rendered Ning Xi speechless. She could only keep her head down and cover her face with her hands.

"I really don't know what women are thinking about?A woman's heart is like a needle in the ocean. It's true. "

gu jin yi suddenly sighed.

“What do you mean?”

Ning Xi raised his head and asked in confusion.

“If you really feel embarrassed, there is a good way to make you not feel embarrassed.”

“What?”

Ning Xi took it seriously as a child, staring at gu jin yi with his clear eyes blinking.
