chapter 129

Are you stupid? Just bury your head in my arms. No one else can see you, right? Then you won't be embarrassed. "

gu jin yi said, pretending to be considerate of Ning Xi, with a faint evil and attractive smile at the corners of his mouth.

"That's right."

Then Ning Xi tried to bury his head into gu jin yi's arms.

"Wow, this girl is so happy to have such a good boyfriend."

"She has fallen asleep in her boyfriend's arms. It seems that her boyfriend dotes on her very much."

"Hey, why can't I get such a good boyfriend? I'm so depressed..."

Three girls walked past gu jin yi. The three pairs of envious and anthomaniac eyes fell directly on gu jin yi who was holding Ning Xi.

At the same time, Ning Xi, who was hiding in gu jin yi's arms, heard the conversation between the three girls. He seemed to understand something and suddenly got out of gu jin yi's arms.

"Why did you come out again?"

gu jin yi looked down at Ning Xi, whose face was red, and a doting smile appeared on his cold face.

"It's him! You did it on purpose, didn't you? I know you are not that kind. "

ning xiao xi stared at gu jin yi blatantly this time, knowing that he was deliberately trying to make others misunderstand him.

Of course, he knew what Nina meant. He just smiled lightly.

Ning Xi insisted on getting out of gu jin yi's arms and kept moving.

"Mrs. Gu, do you think I can do something more embarrassing here?"

gu jin yi stopped at once, and a meaningful smile appeared on his charming face. He stared at Ning Xi with his deep black eyes for a long time.

Ning Xi didn't dare to move now. She knew gu jin yi's way of doing things.

If he really did something extremely embarrassing on the street, then she really couldn't get out of it.

So she decided to stay quiet. This time, Ning stream compromised. She was afraid that her heart would be too scared if she couldn't bear the pressure.

"That's my good girl."

gu jin yi lowered his head and kissed Ning Xi's fair and smooth forehead affectionately.

Ning Xi glanced at gu jin yi, and then an an lay quietly in his arms, letting him take her home.

.....

Ten minutes later, they arrived home.

“I’m going to cook. Sit here.”

gu jin yi said softly as he put Ning Xi on the sofa.

“Let’s go together.”

ning xiao xi stood up from the sofa.

“Just sit here and wait for the dinner. Don’t move.”

gu jin yi put his arm around Ning Xi’s shoulder and let her sit on the sofa again.

“But...”

“You know what?”

Ning Xi was about to stand up on the sofa again, but was stopped by a big bend of gu jin yi.

The distance between the two people was as long as a finger. With his narrow and long eyes slightly narrowed, Bill’s deep eyes told her that she only needed to sit here quietly. She didn’t need to do anything else.

Ning Xi lowered his eyes and pushed gu jin yi away, “I see. I’ll sit here. You can go to cook.”

Seeing Ning Xi agree, gu jin yi couldn’t help smiling warmly.

Then, he went to the kitchen and began to cook dinner.

Ning Xi sat on the sofa and looked at the man who was cooking dinner in the kitchen

The simple dinner with three dishes and one soup was ready soon.

On the table.

“I didn’t expect the CEO to cook such a common meal. It’s really unexpected.”

Looking at the three dishes and one soup on the table, Ning Xi was full of praise, but he didn’t praise gu jin yi.

“Are you hungry? Let’s eat.”

Seeing Ning Xi’s lascivious expression, gu jin yi knew that she must be hungry.

Then, the two of them just sat face to face and enjoyed the dinner like a calm couple.

All of a sudden, Ning Xi seemed to have no appet\*\*e. He picked up one point one pieces of rice and put them into his mouth. Seeing this, he asked, “don’t you like the food?”

“No, it’s delicious.”

Ning Xi answered with a smile.

“Then eat more.”

gu jin yi said dotingly as he picked up some food and put it into Ning Xi’s bowl.

“Actually, I have something to ask you.”

In the end, Nina couldn’t help but want to know what was in his mind about the marriage arranged by Susie.

“What is it? Tell me. ”

gu jin yi replied to Ning Xi indifferently.

“Yes, it’s about what you said. Don’t you have any idea?”

Ning Xi tentatively spoke, but did not directly say the sensitive words, “substitute for marriage”.

She was afraid that if she accidentally touched the sensitive nerve of gu jin yi, she would be unable to hide it.

“What did she say?”

gu jin yi looked at Ning Xi indifferently with his dark eyes, as if he couldn’t remember what Ruyu had said.

“Nothing. Let’s eat. The food is getting cold.”

ning xiao xi picked up the bowl and chopsticks and kept eating.

Looking at her, gu jin yi gave a warm smile subconsciously.

Then, the two of them finished their dinner, talking and laughing.

T

After dinner, Ning stream went upstairs first.

It seemed that he didn’t take it seriously.

This time, Ning Xi’s hanging heart finally relaxed.

How could he believe her? She was worried too much.

Not long after Ning Xi sat on the bed, gu jin yi came up from downstairs.

“Are you still awake?”

Looking at Ning stream who was still watching TV with his mobile phone, he asked with concern.

Then Ning Xi put down his phone and patted the seat beside him, “I’m waiting for you.”

gu jin yi walked to the other side of the bed and sat on it.

“It’s so good today. Wait for me to go to bed.”

gu jin yi teased.

“What happened?”

Ning Xi stared at him blatantly.

“It’s always good.”

gu jin yi hugged Ning Xi and replied softly.

Ning Xi also nestled in gu jin yi’s arms.

“Today, I just want to lie quietly in your arms and sleep with you.”

Ning Xi whispered into gu jin yi’s arms.

“Okay, it’s the first time that Mrs. Gu hugged me to sleep. It’s my honor.”

gu jin yi moved and hugged Ning Xi tightly, letting her lie comfortably in his arms.

The two spent a quiet and warm night together

### chapter 130

The second morning, the two of them woke up in a daze.

They all looked at their own sleeping positions, which were the most ‘talented’ couple sleeping positions.

The two got out of bed awkwardly and then walked into the dressing room at the same time.

“Then you can change it first.”

“You change it first.”

The two of them spoke at the same time, which made Ning stream embarra\*\*ed again.

“How about we change it together?”

gu jin yi said.

“I don’t want it. You change it first. I’ll change it later. ”

Ning Xi still felt a little embarra\*\*ed. After all, she didn’t have the courage to change her clothes.

“It’s getting late. Aren’t you afraid of being late for work?”

gu jin yi checked the time on purpose. It was indeed late for Ning Xi to go to work.

ning xiao xi thought for a while and decided to let it go. After all, the dressing room was so big and covered with gauze. He was over there, and she could stay here?

Then Ning Xi ran into the dressing room first.

On the other hand, there was a meaningful snicker on his charming handsome face. Then he followed Nina into the changing room.

gu jin yi was looking for his clothes in the wardrobe.

ning xiao xi walked to the side of the gauze curtain with her clothes and said, "don't peep!"

"What's so good about your figure?"

gu jin yi raised his eyebrows and looked at Ning Xi behind the gauze curtain.

gu jin yi! Now I want to go out and beat you up. ming ming has a good figure, but he said it was so bad.

But after thinking for a while, she could still use this excuse to respond to gu jin yi.

Since he said that her figure was not good, well, let him be.

"Yes, I'm not in good shape, so there's nothing to look at."

Ning Xi answered against his conscience.

In fact, the figure of Ning stream was the dream of every woman, and also the figure that every man longed for, long and chic.

While looking for his clothes, gu jin yi said in a low and clear voice, "don't worry. I won't peep at you."

ning xiao xi stretched out her head from behind the gauze curtain and squinted her clear eyes. "You said it was a puppy."

"Of course. A word spoken by a gentleman cannot be taken back."

Hearing that, Ning Xi breathed a sigh of relief.

When she was about to button up her shirt, she caught a glimpse of Ning stream's charming shoulder, white and sexy collarbone, and of course, the beautiful spring light on her chest.

Because of the white gauze curtain in the middle, the figure of Ning stream was partly hidden and partly visible, which made it more sexy.

At this moment, he paused for a few seconds.

Ning Xi, who was buttoning up, happened to look at gu jin yi.

Ning Xi's face turned red because of shyness and anger. She immediately turned around and put on her clothes as soon as possible.

Then she walked out of the gauze curtain angrily and stood in front of gu jin yi, with a trace of contempt in her clear eyes.

"It's him! You broke your promise!"

Ning Xi really wanted to despise gu jin yi, but standing in front of gu jin yi's tall and strong body meant that he despised himself.

If she wanted to despise him, she had to raise her head. Why? For what?

gu jin yi, what did you eat when you were in your twenties? Are you in good shape? You are too tall.

“What did I say?”

gu jin yi looked down at Ning Xi, who was standing in front of him angrily.

“You promised not to peep at me changing my clothes, but you didn’t!”

The more she said, the angrier she became. Her little face flushed like a baby’s.

“When did I peep? Do you have any evidence to prove it?”

gu jin yi said, a touch of provocation flashing across his charming eyes.

“Bill!”

Ning Xi became angrier, glaring at gu jin yi.

“Don’t you think you are too revealing in front of me?”

gu jin yi lowered his eyes and looked at Ning Xi’s chest, which was only 165 meters tall, with an evil and attractive smile on his delicate handsome face.

Only then did ning xiao xi realize that what he was looking at was his chest.

“Pervert!”

Ning Xi subconsciously covered his chest and looked down, only to find that the two b\*\*\*ons on her chest hadn’t been b\*\*\*oned up.

“Then I’ll give it back to you.”

gu jin yi replied calmly.

Ning Xi was confused and didn’t understand what gu jin yi meant.

What did he give her back?

Ning Xi frowned, and gu jin yi took off his shirt directly, revealing his bronze colored and s\*\*y skin.

“It’s him! what are you doing? Put on your clothes!”

Ning Xi immediately turned around, covered his eyes with his hands and shouted.

“Didn’t you say that I was peeping at you? Then I’ll show it to you automatically as a return. We’ll look at each other, so that you won’t lose anything.”

A touch of ridicule flitted across gu jin yi’s charming eyes.

“Who said it’s up to you? Freak!”

Ning Xi rolled his eyes at gu jin yi and ran out of the changing room.

Looking at Ning Xi’s back, gu jin yi couldn’t help smiling evilly.

Seven or eight minutes later, gu jin yi walked out of the changing room.

Ning stream was just ready. "Let's go."

"Mrs. Gu, this is the first time I've seen you wear the clothes I bought for you. It looks good on you."

Since she bought so many clothes for Ning Xi last time, Ning Xi had never worn them. Today's clothes suited her very much.

However, Ning Xi was happy to hear Gu Jin Yi's words.

She had forgotten that he had peeped at her changing her clothes.

"Thank you for your praise. You have a good figure, don't you?"

Ning Xi replied modestly.

"It depends on whether I can buy clothes or not. I have a good taste in choosing clothes. Only by wearing the clothes I bought can you show your figure."

Gu Jin Yi said as he buttoned up his suit with his slender fingers.

Ning Xi rolled his eyes at him. What the hell? It turned out that she was implying that he had a taste in clothes. She thought he was really praising her.

"Well, let's go."

Gu Jin Yi walked slowly to Ning Stream and bent his arm to let Ning Stream hold his arm.

Ning Stream squinted her eyes and looked at him strangely, indicating that she should give him a look so that he could understand it himself.

"Let's go."

Gu Jin Yi looked into Ning Xi's eyes and didn't understand. When did he offend her again?

## chapter 131

Gu Jin Yi shook his head helplessly. This stupid woman could do nothing to her. After all, he liked her so much.

Then, he followed Nina out of the gate.

When Nina arrived at the company, she was two minutes late for work and the meeting of the design department was also at this time. She hurried to the elevator.

Fortunately, the well planned Ning Stream had prepared the materials for today's meeting last night, so as soon as she arrived at the office, Ning Stream picked up the materials and went straight to the meeting room.

With an expressionless look on Ning Xi's face, the charm of a workplace woman spread.

"Sorry for the delay of two minutes."

Ning Xi said to the staff present as he walked to the main seat.

All the staff in the meeting room looked at Ning stream and saw her pale face. They had their own guesses.

What's wrong with the stream today?She looked terrible.

The a\*\*istant, Ellie, frowned and looked at Ning stream.

Miss yam had never been late, and her sense of time was so strict. How could she be two minutes late today?

.....

All kinds of eyes were secretly staring at Ning Xi.

"Miss yam, even if you are two hours late, we dare not say anything.You are the boss. "

Rufus said in a voice dripping with sarcasm.

The atmosphere in the meeting room suddenly became more serious.

All the group leaders of the design department looked at each other and didn't know what to say.

"I remember what I said very clearly. The late punishment also includes myself. You remember to supervise me."

Ning Xi put forward the punishment system she had made before. Even if she was the director of the design department, if she was late, she should do as she had made.

At this moment, there was a dead silence in the meeting room.No one spoke.

"Miss yam, this is the information you want."

Her a\*\*istant, Ellie, handed her a report. In such a serious occasion, she was still hardworking to a\*\*ume the ident\*\*y of her a\*\*istant. She was not as casual as she was outside the work.

"Thank you.Now listen to me carefully. "

Then there was a meeting as usual.

.....

"That's the overall situation. Let's go back and carefully check it again.That's it. The meeting is over! "

About 1.5 hours later, the meeting was over.

Everyone walked out of the meeting room, leaving only the two of them.

Ning stream ignored Ruyu. She packed up the doc\*\*ents on the conference table and was about to leave the meeting room when Ruyu said sarcastically.

"Miss yam, you don't look well today. Did something big happen yesterday?"

A mocking smile appeared on vivi's enchanting face, and a hint of complacency flashed through her s\*\*y charming eyes.

“Thank you for your concern. I just forgot to put on a lipstick today. I’m really sorry for being misunderstood by you.”

Ning Xi grinned, took out a saint Zara orange lipstick from his pocket and applied it one after another.

In an instant, his face became radiant.

Then Ning Xi walked towards the door of the meeting room with documents in his hands.

“I’m afraid your life won’t be so easy after he knows that you got married on behalf of him.”

Walking to the side of Ning stream one after another, Ruyi said with a stiff smile on her fair face.

“Why do I think you are so ridiculous? Do you think Gu Jin Yi will believe you just by a few words of yours? Let’s talk about it when you have reached a certain level of eloquence.”

Of course, Nina didn’t show any good face to people like her.

“You! Humph, no matter what, Gu Jin Yi will definitely think about it. When he finds out the truth, he will know whether what I said is true or not.”

“I don’t care what he is thinking. I just know that he loves me very much now. You may never understand this kind of love.”

Then Ning Xi walked forward and ignored her.

“Ning stream! Don’t be too complacent. You are still a fake after all. One day, you will be kicked out of VL forever and out of Gu family!”

Ning Xiao Xi ignored her and went straight to her office expressionlessly.

Along the way, she chose to be silent. Her delicate and exquisite face was like a quiet sea, without any fluctuation.

On the other side, in the night scene film company.

In the meeting room, the two little babies were sitting in their office chairs, listening to the arrangement of the producers.

“The box office performance of this TV series soared, more than three times higher than expected. It’s worth celebrating!”

Mr. Xu beamed. He felt a sense of accomplishment from the bottom of his heart.

Then all the actors present applauded one after another. The box office was high, and they were naturally very happy.

“This time, Ning Han Xi and his children performed the best. They won a lot of fans when they acted for the first time. She is no worse than an international A-lister.”

All the people present also applauded for the outstanding performance of the two babies.

Ye Xiao Xiao, who was sitting next to the two babies, gave them thumbs up.

The three of them looked at each other and smiled.

The movie was finished as soon as possible, and the two babies got along well with the actors and actresses at any age, so everyone in the crew liked chen chen and han han very much.

The two babies also applauded for themselves. They were proud of themselves for having made such achievements in their first performance.

“Well, next, I’ll tell you about the press conference of this play...”

.....

“I’ll inform you when the meeting is over. There’s nothing else. Let’s call it a day.”

About an hour later, he told her everything about the shooting.

Just as everyone was about to leave, Mr. Xu spoke again.

“By the way, Celia, ning chen xi and ning han xi, please stay for a while.”

When Celia was about to take the two babies out of the meeting room, Mr. Xu stopped them.

ye xiao xiao and the babies were surprised, but they still went back to their seats to listen to the arrangement of Mr. Xu.

“Is there anything else, Mr. Xu?”

ye xiao xiao asked first.

“We haven’t decided the actors of a movie yet. I have an idea to let ning chen xi and ning han xi act in it.”

“Indeed, these two children are potential. It’s definitely the best choice to let them act.”

Said Mr. Xu and the director, one by one.

ye xiao xiao was stunned for a while and showed her surprise on her face.

ye xiao xiao was thinking that chen chen han han had just finished one play after another. At that time, Mr. Xu said that he would only temporarily replace the other twin actors. Once this play was finished, chen chen han han could go back. What did he mean by saying that now?
