chapter 132

“You mean...”

“I mean to sign them. He has officially become an actor of our company. Then she acted in movies and TV series.”

Hearing this, Celia was really happy. The two babies were really good. They were recognized by the company just by acting once.

But she couldn't make the decision to sign the contract. She remembered that Ning Xi didn't like Chen Chen and Han Han to appear in the public, and he had promised her to finish this play. He would never let the two little babies appear in the public again.

Ye Xiao Xiao didn't know what to do.

In fact, Celia also knew that this was a good opportunity and an affirmation of the two. But she had to go home and discuss it with Ning Xi.

“Mr. Xu, director, I can't make a decision on this matter. I have to tell their guardians and she agrees.”

“Okay, you can tell their guardian tonight. This opportunity is rare.”

After that, Mr. Xu and the director left the meeting room first.

Only Ye Xiao Xiao and two babies were left in the meeting room.

“Aunt Celia, why do you sign the contract?”

The two babies looked at Ye Xiao Xiao with blinking eyes. They only heard their conversation, but they didn't understand what it meant.

“You can continue to act here from now on.”

Ye Xiao Xiao told them the truth frankly.

“Really? Can you shoot here in the future?”

The two babies seemed to be in high spirits. They seemed to like filming very much.

Ye Xiao Xiao nodded.

“Then let's sign the contract with him as soon as possible, so that we can shoot.”

The two babies couldn't wait to speak, revealing their little tiger teeth, and their tender little faces flushed.

“You should ask your mommy if she agrees.”

Ye Xiao Xiao raised her eyebrows and looked at the two with doubts.

“Okay, in order to continue acting, we will definitely persuade Mommy!”

The two babies clapped their hands, as if they were determined to win.

ye xiao xiao caressed the two little heads and looked at them dotingly with a smile.

ye xiao xiao could tell that chen chen and han han liked acting very much. There were endless smiles on their faces.

She also hoped that the two babies could sign the contract with the company and stay here forever, but thinking of Ning stream, it seemed impossible. It was a little troublesome.

When it was almost time to get off work, Celia called Ning stream, saying that she wanted to celebrate the completion of the perfect shooting of chen chen and han han, and also wanted to discuss with her about the signing of the company.

At six o'clock in the evening, they made an appointment at the same place.

Ning stream got off work at five o'clock. It was still early from six o'clock. She thought that the two babies should be very happy today. After the shooting was finished perfectly, Ning stream thought that she should buy some gifts for them.

Finally, she didn't have to worry about being seen by the public again. Everything was over here. Today was indeed a happy day.

Then Ning stream went to a nearby stationery supermarket.

At the same time, Richie, who was driving towards Ning stream company, saw Ning stream walk into the stationery supermarket. He got off the car and followed Ning stream into the supermarket.

Ning Xi kept thinking about what gifts he should prepare for them.

By the way, watch and phone!

It suddenly occurred to Ning Xi that she had asked him for a watch and a phone number. They were too young at that time, and playing too much would affect their eyesight, so they didn't agree to buy them. This time, it was better to buy each of them a gift.

They should be overjoyed. Both good and bad. With the telephone watch, she could call them and chat with them at any time, so that they could find her more easily.

Ning Xi walked to the area of the telephone watch and carefully selected.

"Not bad!"

Suddenly, a magnetic voice full of male hormones came from one side.

Ning Xi looked up, "Ye Ling City? Why is it you? Why are you here?"

Ning Xi looked at Ye Ling City in surprise.

"Why can't it be me? Why can't I stay here?"

With his dashing eyebrows slightly raised and his enchanting handsome face showing a flirtatious look, he said casually.

“Of course I can. I was wrong.”

Then Ning stream ignored the Ye Ling City and continued to choose the gifts she wanted to give to the two babies.

“What are you doing?”

Looking at the serious look on Ning Xi’s phone and watch, Ye Ling asked curiously.

“Don’t you see that I’m buying watches?”

Ning Xi glared at Ling City and said angrily.

“Oh, buy a watch. I’ll pick one for you.”

Without invitation, he walked up to Ning stream and helped her choose a watch.

Ning Xi was speechless and didn’t say anything more.

“Not bad.”

gu jin yi picked up a navy blue watch with edges and handed it to Ning Xi.

Ning Xi looked at it casually and suddenly thought it was beautiful.

She didn’t expect that this guy had a good taste, and this color was just right for chen chen.

“Let me have a look.”

Ning Xi walked to the side of the Ye Ling City and saw the pink rimmed telephone watch. This color was just suitable for han han. How about buying this pair.

ning xiao xi picked up a pair of watches and stared at them for a long time, with a rising smile in her mouth.

Seeing this, Richie frowned and seemed to be confused.

“What are you laughing at? Do you want to buy a pair? This is a children’s watch. What are you going to do with it? ”

He couldn’t help asking.

“You have so many questions. Of course it’s for someone else, not me. ”

Then Ning Xi picked up the phone and walked to the checkout counter.

At the same time, he smiled helplessly and followed Ning stream.

When they walked out of the supermarket, the Ye Ling City was still following Ning stream.

“Why are you following me?”

Ning stream suddenly stopped and squinted at Ye Ling City.

“We haven’t seen each other for a few days. Let’s have dinner together tonight.”

"I have something else to do tonight."

Ning stream refused directly.

"It doesn't matter. I can wait for you."

"I have something to do with it. Mr. Richie, do you think it's appropriate for you to do this? I'm married now. It's not good to go out alone like this. What if others see us and misunderstand us?"

Ning Xi said seriously.

"I don't mind. It's better to misunderstand."

An evil and attractive smile appeared on his handsome face.

chapter 133

"You're leaving."

Ning Xi was speechless. She didn't want to say anything more and was about to leave with her handbag.

"Naomi, I'm just kidding. Don't be angry."

As soon as Ning stream took two steps forward, it was forcefully pulled back by Ye Ling City.

Ning Xi took away his hand and said expressionlessly, "you can go back."

"You don't even give me a chance to have dinner?"

He stared at Ning Xi with his deep eyes.

Just as Ning stream was about to refuse, a sharp and s**y female voice came.

"What a coincidence!"

The two of them looked at each other at the same time, but their feelings were completely different.

blamed! What on earth did she want to do here at this time?

He felt both helpless and annoyed.

Although Ning Xi didn't have a good impression of this person, he was indeed a little happy.

Although he didn't want to see her, he had a reason to leave since she came.

Susie walked towards the two of them.

"Well, I'm leaving now."

Seeing that Susie was walking towards her, Ning Xi didn't want anything unpleasant to happen between them, so he turned around and was about to leave.

Once again, he grabbed the wrist of Ning stream and said, "stream, wait."

“Ling City!”

Ning stream broke free from the hand of Ye Ling City and ran away slowly.

“Stream!”

At first, he wanted to catch up with her, but she still held his wrist tightly, making him unable to catch up.

She could only watch Ning Xi run farther and farther until her figure disappeared.

With an expressionless face, he closed his eyes and didn't say anything more.

“Ling City, why are you here?”

Rufus asked softly.

“Let me go!”

There was no expression on his handsome face.

“How about I treat you to dinner tonight?”

If she changed the topic slightly and didn't care about what Richie said at all, she pretended not to hear it. Her expression was still so natural and gentle.

“Don't let me say it a second time!”

His deep and sharp voice pierced through her heart.

And Leona didn't dare to hold onto his sleeve any more. She also felt a little scared from his tone.

He shook off her hand and walked forward.

Leona chased after him and stopped him.

“What do you want?”

His tone was cold and emotionless.

“I just want to invite you to dinner.”

She frowned and acted like a spoiled child.

“I don't need it. I warn you not to badger me anymore! ”

He looked at her coldly and warned her.

After saying that, he walked away slowly from the side of Leona. The momentum made the air around him rise, and a cold wind blew past her.

“Ling City!”

In a daze, she could only stand there and helplessly watch the city leave.

Seeing that the car was speeding away, Leona was so angry that she stamped her feet.

“Ah!”

“Ning stream!”

If she stood there angrily, she would blame all her resentment on Ning Xi.

A hint of viciousness flashed across her bright eyes.

.....

Ning Xi jogged to the restaurant. It was just six o'clock. Fortunately, he was not late.

“Mommy, Mommy, here!”

Ning Xi walked into the dining room and looked around. The two babies saw Ning Xi who just came in from outside. She kept waving her hands.

The two babies couldn't help but want to run towards Ning stream and hug her.

Then Ning Xi walked over and hugged chen chen and han han.

She kissed them on the forehead and then sat on the sofa.

“Honey, I miss you so much!”

“All right, all right. Come and sit down. Can you stop being so ambiguous in front of me all the time? I will also be jealous, okay?”

ye xiao xiao pretended to be angry. The two babies giggled.

Seeing the expression on Celia's face, Ning stream was amused by her.

“Today is a special day. Mommy has a gift for my two wonderful children.”

After saying that, ning xiao xi took out her handbag from behind.

“Wow, what gift did Mommy prepare for us?”

When the two babies heard that there was a gift, their watery eyes widened, and a faint smile appeared on their young and white faces.

Then Ning Xi took out two telephone watches from her bag.

The two babies stared at Ning Xi's bag with their round eyes, full of expectation.

Clang! Clang! Clang! Clang! It's the telephone watch you've been looking for. ”

Ning Xi took out gifts for the two babies in surprise. chen chen and han han were so happy that they kept looking at their watches.

ning xiao xi and ye xiao xiao looked at them. Seeing their happy smiles, they couldn't help but feel happy.

“By the way, Naomi, in addition to celebrating the perfect end of our shooting today, there is another more important thing that I want to discuss with you.”

The two babies focused on playing their phone watches. Celia also wanted to tell this to Ning stream as soon as possible. After all, it was not good for anyone to delay it.

“What’s the matter?”

Ning Xi asked while eating fruit salad leisurely.

“It’s about chen chen and han han’s performance.”

ye xiao xiao said honestly. However, there was a slight frown on her fair and delicate face.

“Okay, go ahead.”

Ning Xi picked up a strawberry and put it into his mouth.

“Because chen chen and han han performed well in the company and the movie was a success. Now the company wanted chen chen and han han to act in another movie, and they wanted to sign them. I can’t make a decision on this matter, so I tell you and want to ask you what you think?”

As soon as ye xiao xiao finished her words, Ning Xi put down his fork and looked at her with his clear eyes.

“What? Acting again? Are you going to sign them?”

Ning Xi was stunned. It was hard to tell whether she was happy or angry from her expression.

ye xiao xiao nodded slightly, staring at Ning Xi with her watery eyes, waiting for her answer.

First of all, she really didn’t expect her two children to be so excellent.

chapter 134

After all, they were not born in an actor cla**, and they were so young that they could be recognized by the film and television company. They also planned to sign the two of them.

Ning Xi felt gratified from the bottom of his heart.

Secondly, she was more and more worried that the more her two babies appeared in public, the easier it would be for others to find out their ident**ies.

She had caused a lot of unnecessary trouble last time. She couldn’t take the risk this time. She’d better let them go to school and stay at home.

“Celia, I don’t agree with you on this matter. We can’t take any risk anymore.”

Ning Xi refused directly, and his tone was particularly firm this time.

“Naomi, but to be honest, this is a very rare opportunity. Never in history has that actress been able to sign a contract so smoothly with the company. And this opportunity happens to fall on chen chen and han han. How rare it is!”

ye xiao xiao tried to persuade her again, because she knew that the two babies were really good. They would have a bright future if they developed in the Ye Ji group.

“Celia, you don’t have to say anything more. They are still young. Their main task is to study hard. We can talk about acting later.”

The two babies sitting next to them heard the conversation between Ning stream and ye xiao xiao. They understood that Ning stream didn’t allow them to act again.

She was suddenly depressed.

“Mommy Just let us sign the contract and let us act. ”

The two babies said at the same time. She nuzzled against the stream like a spoiled child.

“Have you forgotten our agreement last time? Do you want an an to go to school after this play and stop acting? ”

ning xiao xi had made an agreement with them last time that they would stop filming as soon as the movie was finished. They couldn’t get in touch with the film and television industry.

At that time, they all agreed. They had thought that they could end all this happily, but they didn’t expect that such a decision would suddenly come to the company.

“Mommy, we like acting. Let’s go.”

The two little babies begged Nina unremittingly.

“Aunt Celia, tell mommy.”

Seeing that Ning stream didn’t change her mind, the two babies turned to ye xiao xiao and begged her to be their lobbyist.

“Naomi, now that they have acted once and the public has seen chen chen and han han, what does it matter to act a second time? What do you think? ”

ye xiao xiao pleaded for mercy from the perspective of the two babies.

“Celia, you are spoiling them to do whatever they want. You don’t have to say anything more. I’ve decided that I can’t take part in the performance work, let alone sign the contract! ”

ning xiao xi said in a particularly firm tone without hesitation. Compared with the last time, it seemed that chen chen and han han was really impossible to sign a contract with Ye Ji to shoot.

“Bad Mommy! Bad Mommy!! don’t like you anymore. I won’t play with you anymore... ”

The two babies jumped off the sofa excitedly and stamped their feet on the ground shamelessly.

“chen chen, han han, listen to me.”

ning xiao xi came down from the sofa, squatted in front of the two babies and comforted them.

“No, no, No. Mommy is bad. I want to go home. I don’t want mommy anymore!”

The two babies were so excited that their eyes turned red.

Then, the two babies ran out of the restaurant angrily.

“chen chen, han han!”

When Ning stream was about to catch up with her, Celia stood up and said.

“Naomi, you can go back first. Don’t worry, chen chen and han han. I will persuade them after I go home.”

Ning Xi nodded helplessly and sadly.

After saying that, ye xiao xiao ran out of the restaurant with the two babies.

Ning Xi stood still and watched the two babies run out. A touch of sadness and helplessness flashed across his delicate and fair face.

After ye xiao xiao left with the two babies, Ning Xi also left the restaurant.

When they arrived home, Ning Xi looked listless because of the two babies. He didn’t notice that it was already past seven o’clock.

As soon as she entered the room, she found that gu jin yi hadn’t gone home yet. She guessed that he might be busy again.

Then she went upstairs without thinking too much. As soon as she went upstairs, her cell phone rang.

“Hello, who’s that?”

Ning Xi picked up his phone in a bad mood and didn’t notice who was calling.

“Mrs. Gu, we haven’t seen each other for only one day.”

gu jin yi sat elegantly in front of his desk, holding his phone to call Ning Xi, while reading the documents on the desk.

ning xiao xi put down the phone and looked at the screen. It was gu jin yi.

“Are you working overtime again today?”

Ning Xi asked with concern.

“Well, poor girl. I have to work overtime at this late hour. More importantly, my wife has forgotten me.”

gu jin yi pretended to be disappointed.

“Have you had dinner?”

ning xiao xi asked again.

“Not yet. Have some coffee later. I may be home late at night. Go to bed early.”

gu jin yi was too busy to say anything.

“Okay, I know. Come back early.”

“Good night, honey.”

Ning Xi smiled from the bottom of his heart and then hung up the phone.

Ning Xi went back to his room, put down his bag and walked into the bathroom to take a shower.

On the other side, in ye xiao xiao’s house.

The two babies shut themselves in the room and sat in front of the computer angrily, du du.

“Just ignore Mommy Mommy is bad...”

han han pouted and her big eyes turned red.

chen chen was also very angry, with a deep look on his face.

“Why doesn’t Mommy allow us to act? I don’t like mommy now.”

“Mommy doesn’t allow us to act, then I don’t want to go to school either!”

han han crossed her arms and her eyes were as red as rabbit’s.

“han han, don’t be sad. I have an idea. Since Mommy doesn’t allow us to go to the company, we will...”

chen chen got close to han han, and han han also got close to chen chen and listened to him.

.....

“Well, brother, you are so smart. I think this method can be used!”

Hearing what chen chen said, han han jumped out of bed excitedly.

“But we have to be careful. After all, it’s just a joke with mommy.”

chen chen said like an adult.

han han nodded, “I know!”
