

Cute Baby144

chapter 144

It was also the first time for gu jin yi to take a child home, and it was also the first time that he had such a warm and pampering smile on his child.

Seeing Ning Xi staring at the two babies, gu jin yi couldn't help laughing, "do you suddenly find that this child looks almost the same as me?"

ning xiao xi didn't expect this at all, because she had already known that chen chen and han han were his children. How could their biological father and son not look like each other? So it was not funny at all.

The problem was that gu jin yi didn't know, and he couldn't let him know.

"Yes, I think so."

Ning Xi answered casually. She didn't want to think too much about it, lest gu jin yi would think too much.

"chen chen and han han, this is your sworn father's wife, your sworn mother."

gu jin yi introduced chen chen, han han and Ning stream to each other.

"Hello, sworn mother!"

"Mother * is so beautiful, as beautiful as my mother." (* TN: here mother means sworn mother)

The two little babies looked at Ning Xi with evil smile.

The two babies were so smart that they didn't call her Mommy.

Am*** the four people present, only Ning Xi looked confused. What Godfather and godmother? What was going on?

Sworn parents? How could these two people randomly recognize Godfather and godmother?

"Naomi, the kids are greeting you. What's wrong with you?"

Seeing that Ning Xi didn't say a word, gu jin yi kept silent and looked at chen chen and han han.

"Hello."

Ning Xi forced a smile. At this moment, she didn't know what to say and do. It was totally messed up.

"Let's go to have dinner first. We can talk about it after dinner."

"Oh, yeah, I can finally have the delicious dinner cooked by my godfather!"

When the two babies heard that there was food, they got up from the sofa happily.

Then gu jin yi picked up the two babies from the sofa and walked to the dining room.

Ning Xi was still sitting on the sofa in a daze.

“Honey, dinner is ready.”

gu jin yi shouted again when he saw Ning Xi didn't follow him.

“Okay!”

Ning Xi answered, withdrawing his thoughts, and walked towards the dining room with heavy steps.

At this moment, Ning Xi had a very complicated feeling, and things came one after another. chen chen, han han and gu jin yi had met. What should they do now?

On the table.

The two babies were eating the noodles cooked by gu jin yi with relish.

“Is it delicious?”

gu jin yi looked at the two babies dotingly, and a warm smile appeared on his handsome face.

“Yes, yes, it's delicious. My mommy can also cook this tomato and egg noodle.”

han han kept chattering while eating.

“What a coincidence? Thanks to your godmother's teaching. Am I right, my dear wife?”

gu jin yi gently stroked Ning Xi's hair and gently looked at him with his dark eyes.

At the same time, Ning stream, who was eating noodles, coughed subconsciously

ning xiao xi just smiled guiltily without saying anything.

Ning Xi was eating her noodles and didn't dare to say anything. He was afraid that chen chen and han han would call him mommy in front of gu jin yi.

“I'm full...”

The two babies touched their round bellies with satisfaction.

“If you are full, you can go to the hall and play for a while.”

gu jin yi stood up and carried the two babies out of the chairs. They ran to the hall excitedly.

Then, he sat down again and looked at Ning stream with his dark eyes.

“What's wrong? Don't you like chen chen and han han?”

gu jin yi asked her in a low and clear voice when he saw Ning Xi's cold face.

Ning Xi slowly put down his bowl and chopsticks and replied casually, “no, they are so cute and like them very much.”

“You didn't say anything. I thought you didn't like them.”

“That's not true. I just feel uncomfortable with two children at home all of a sudden. But I remember that you don't like children. How can you treat them...”

ning xiao xi planned to figure out the ins and outs of the matter here, so that she could have a corresponding solution in the future.

“Well in fact, I can’t tell. As long as I see the two happy faces, I can’t help but feel happy. And don’t you think I’m destined to be with them? Look at that little boy. He looks exactly like me when I was a child.”

Looking at the two babies playing in the main room of the hall, gu jin yi couldn’t help smiling from the bottom of his heart.

“It’s so late. Why are they here at this time?”

“Here is the thing...”

.....

About half an hour later, gu jin yi told the whole story to Ning Xi.

It was not until then that ning xiao xi knew what had happened. It turned out that they had just met by chance. Who could say that it was not fate?

The two babies even ran away from home and met three of them. Maybe this was really the connection between father and son. They were destined to meet.

If it wasn’t gu jin yi who drove the car, Ning Xi’s baby wouldn’t have been here in an an city.

gu jin yi told Ning Xi about the details of their encounter and their parents’ relationship.

Ning Xi was a little jealous and wanted to laugh. How could chen chen and han han exaggerate their parents’ words and say that she was not good to them.

She decided to teach them a lesson next time. It was impossible to lie to others at such a young age, but her two babies were very smart. Fortunately, they didn’t tell gu jin yi their identities and knew what to say and what not to say.

Ning Xi was a little relieved, so that she wouldn’t be too worried that their identities would be exposed.

But I just heard that he wanted chen chen and han han to live here. Would it be too dangerous? After all, they lived together every day. What if they suddenly exposed themselves one day?

“Are you really going to keep them at home?”

Ning Xi asked tentatively.

“If you don’t want to, I can arrange for them to live in other places.”

gu jin yi stared at Ning Xi with his dark eyes. There was no emotion on his face and he couldn’t guess what he was thinking now.

gu jin yi still cared about Ning Xi’s feelings, so he listened to her first.

Ning Xi hesitated for a while and frowned. What should she do?

If chen chen and han han lived here, she could see them every day, so she didn’t have to think about them all the time.

It just so happens that gu jin yi doesn't know who they are. Isn't it just killing two birds with one stone?

Ning stream was a little tempted. Although she knew that they might be exposed at any time, she felt that as long as the two babies could stay with her every day, nothing mattered. She could no longer withstand the serious blow of the disappearance of the two babies.

And as long as the two babies cooperated well with her, she could grasp the problem.

chapter 145

"Stay here. Since you are their Godfather and I am their godmother, how can we leave them alone at such a young age?"

In the end, Ning stream agreed to let the two babies live here. It seemed that Ning stream had never thought that the four of them would live together.

After dinner, they went upstairs with the two babies.

"Wow! WOW! This place is so beautiful!"

han han had been running here and there weirdly since ancient times. She had run all over the two floors.

"Slow down, chen chen and han han."

Ning Xi looked at the two babies dotingly and asked with concern.

"I know, sworn mother. You are as long winded as my mommy."

han han turned her head and made a face.

Ning Xi was stunned. Seeing this, gu jin yi could not help but smile, showing no sign of surprise on his handsome face.

"It seems that chen chen and han han are quite familiar with you."

"I think I'm friendly. Kids like me when they see me."

Ning Xi answered confidently.

"Father, mother, where are we going to sleep today?"

Standing next to gu jin yi, chen chen suddenly opened his mouth. With a handsome and childish face, he looked up at gu jin yi, who was nearly 1.9 meter tall, and asked, pouting his pink cherry lips.

"Let's go to see your room."

gu jin yi stretched out his fair and slender hands and asked the two babies to come over and hold their hands.

The two babies ran to gu jin yi and Ning Xi obediently and took the hands of Ning Xi and gu jin yi voluntarily.

Then he led them to their bedroom.

“You can sleep here from now on. Your godmother and I will sleep in the next room. You can call us if you need anything.”

“Wow, can we really sleep here in the future? Brother, look! There are so many ba bi dolls and your favorite robot!”

The lovely han han had been sighing since she entered the villa of Gu family. She had never seen such a beautiful room. The key point was that it belonged to them now.

“Can we really live here in the future?”

chen chen, who had been quiet all the time, looked at everything in the room in surprise and asked in disbelief.

“Yes, this room belongs to you two from now on.”

gu jin yi replied with a smile.

“Brother, shouldn’t we give Godfather and godmother a big thank?”

han han smartly looked at chen chen, and her red face moved closer to tell chen chen how to thank him.

Squinting his long and narrow eyes, chen chen of course understood what han han meant. He answered, “of course!”

Then, the two babies ran to gu jin yi and Ning Xi happily, “father, mother, please squat down.”

chen chen said in a childish and clear tone.

And han han, who was next to chen chen, waved at the two of them, indicating them to squat down.

ning xiao xi didn’t understand what her two babies were going to do? She looked at them in confusion.

On the other hand, Edmund listened to the two babies patiently and squatted down.

“Mother *, why are you still standing there?” (* TN: here mother means sworn mother)

chen chen stared at Ning stream as if he was an adult, and han han was cooperative with chen chen. When he was talking, she was waving to Ning stream, asking Ning stream to squat down subconsciously.

“Honey, why are you still standing there?”

gu jin yi looked sideways at Ning Xi and spoke like the two babies.

Then Ning Xi slowly crouched down.

The two babies looked at each other strangely and said in one voice, “father, mother, please prepare the surprise we are going to give you.”

gu jin yi and Ning Xi didn’t know what the two babies wanted to do.

chen chen got close to Ning stream, and han han got close to gu jin yi.

“Well...”

The two babies kissed their faces deeply.

“I want to give you a big kiss to thank you.”

The two babies smiled happily.

gu jin yi was flattered. He looked at the two babies with his dark eyes and suddenly had an idea.

If only he could have such a child. This feeling seemed to be better than any other feelings.

There was a warm home and the children’s laughter.

However, Ning stream behaved naturally.

“Godfather, this is my first kiss that I have kept for five years. Now I seriously give it to you.”

han han said seriously.

It was not until then that he came to his senses. He gently stroked han han’s face and a warm smile appeared on his deep handsome face. “Okay, I will cherish it very much.”

“Mother *, to be honest, I don’t want to give my first kiss to you. You didn’t respond and didn’t know how to express it.” (* TN: here mother means sworn mother)

Seeing that Ning Xi didn’t praise him, chen chen pretended to be unhappy.

“What?What should I say? ”

Ning Xi asked in a trance.

Then chen chen put his fair face close to Ning stream, and tapped his cheek with his little fat hand, indicating that she should kiss him back.

ning xiao xi finally understood what he meant.

But in the past, chen chen had never taken the initiative to kiss her. He even wiped off a kiss on her face. Today, he even took the initiative to let her kiss him. It was not easy!

Ning stream slowly approached chen chen. When she was about to kiss chen chen’s cheek, a big hand reached out and blocked chen chen’s face. When Ning stream approached, a kiss fell on gu jin yi’s palm.

“What are you doing?”

Ning Xi didn’t react until he kissed her. She looked at gu jin yi in confusion. What did he mean?

“chen chen, you can’t let your godmother kiss you. Your godmother can only kiss me, not any other men. Otherwise, I will be jealous. ”

A meaningful smile appeared on gu jin yi’s deep and evil face, which made Ning Xi speechless and want to laugh.

“YouHe is just a kid. Don’t be jealous. ”

Ning Xi couldn't help but burst into laughter. He looked like a proud and arrogant president in usual. He didn't expect that he would be so childish. A child would be jealous.

"Godfather, do you have to say something to me?"

Like chen chen, han han approached gu jin yi with a red face, indicating that he would kiss her back.

chapter 146

gu jin yi looked at Ning Xi with an evil smile.

"Okay, I will give you my most affectionate kiss."

gu jin yi got closer to han han's face.

gu jin yi deliberately slowed down his speed and waited for Ning stream to stop him, but he saw that Ning stream beside him didn't make any movement. He suddenly stood up and didn't kiss her.

He shouted at Ning stream in a low and hoarse voice, "Ning stream, you are not angry at all when I kiss another woman in front of you! You stupid woman!"

ning xiao xi didn't get angry, but he was.

"Why are you so childish? han han is just a little girl. How can I be jealous?"

Ning Xi couldn't help laughing again. He suddenly found that he was getting more and more humorous.

"No matter who it is, as long as it is with a woman, as my wife, you should be jealous and angry."

Edmund said seriously, indicating that Nina must have such an attitude.

"What are you talking about? If we have a daughter in the future, I will be jealous of her."

Ning Xi answered casually.

Ning Xi didn't realize how he had answered gu jin yi until he finished his words. Then she lowered her head with a red face.

But he didn't expect that his words made gu jin yi have a lot of ideas.

gu jin yi raised his eyebrows and stared at Ning Xi with his charming eyes. With an evil and evil smile at the corners of his mouth, he said, "then we have to have a daughter before we know."

Her casual answer was seized by gu jin yi again.

"You..."

Ning Xi was speechless. She knew what she said, and gu jin yi would say something to her.

So she'd better keep silent, lest he say something again.

The two babies beside them were giggling.

“I didn’t expect that they are so close.”

The two babies looked at them with longing eyes.

“chen chen, han han, go to bed early. We’re going back to our room.”

Ning Xi stood up and was about to leave when he heard gu jin yi’s voice.

“Good night, chen chen and han han. Let’s go back to our room first. ”

“Good night, father and mother *. You can go back to your room and have a baby girl.” (* TN: here father and mother mean sworn father and sworn mother)

chen chen han han replied with a smile, with a touch of evil spirit flashing across her bright eyes.

“Okay, your godmother and I will try our best to have a little sister to play with you.”

gu jin yi said in a deep and masculine voice.

Ning stream didn’t want to stay here any longer. She wanted to go back to her room right away.

chen chen han han! Now Ning Xi wanted to go over and kiss the two of them.

“Mother * blushed...” (* TN: here mother means sworn mother)

The two babies stared at Ning stream with a snicker on purpose.

Ning Xi covered his face and walked out of the room.

Then, he walked out of the room of the two babies and asked, “do you really blush?”

gu jin yi put on an evil smile and stared at Ning Xi.

“I’m going to bed!”

Ning Xi ignored gu jin yi’s words and ran into their bedroom next door.

Then gu jin yi followed them in.

In the next room.

The two babies ran to the soft bed.

“There must be something wrong with mommy and Daddy!”

Without hesitation, chen chen rested his chin on his hand, thinking about what had happened just now.

“I think Daddy and mommy love each other very much. Why doesn’t Mommy want daddy to know our existence?”

han han frowned slightly. She didn’t understand what her mother did to Ning stream.

“It doesn’t matter. Now we have successfully entered our parents’ home. We can slowly investigate everything, and the truth will come out.”

chen chen acted like an adult, with his narrow and long eyes slightly narrowed, and a shrewd light flashed across his eyes.

“Well, then we can see daddy and Mommy every day. It’s convenient for us to know their things. We must know them clearly.”

han han also became serious and talked to chen chen seriously.

In the next room.

gu jin yi and Ning Xi sat quietly on the bed. He got closer to Ning Xi until he was close to her.

“What else do you want if you don’t sleep?”

Ning Xi played with his mobile phone and saw gu jin yi approaching him unconsciously.

“Have you forgotten?We need a daughter. ”

gu jin yi squinted his long and narrow eyes and a wicked smile appeared on his charming handsome face.

When gu jin yi was about to get close to Ning stream and kiss her, Ning stream suddenly put a pillow against his head.

“I don’t want a baby. I want a baby of your own!”

“How can I have a baby without you?Of course I need your cooperation. ”

gu jin yi put down the pillow and smiled wickedly.

“I don’t want to talk to you anymore. I have to go to bed and go to work tomorrow.”

Ning Xi lowered his head shyly. In fact, it was a normal question, but he felt embarra**ed when he arrived at Ning Xi.

“Mrs. Gu, let me remind you. Tomorrow is weekend.”

“I have to get up early on weekends.”

Seeing Ning Xi’s embarra**ed red face, gu jin yi couldn’t help smiling.

“Where do you want to go tomorrow weekend?”

gu jin yi brought up this topic again, because Ning Xi hadn’t told him where she wanted to go.

Ning stream was silent for a while. She was thinking that she would also have a rest tomorrow weekend. The two babies hadn’t taken them out for a long time. How about taking them out this time?

“Let’s play. What about chen chen and han han?”

ning xiao xi didn’t take them there directly. In order not to arouse gu jin yi’s sus***ion, she asked indirectly.

Staring at Ning Xi with his deep eyes, gu jin yi seemed to be thinking about something.

“Why are you looking at me like that?”

Ning Xi thought he didn't say anything. At this moment, her heart was inexplicably nervous.

“It seems that you care about the two of them very much. You haven't forgotten them when you go out to play.”

gu jin yi said calmly.

No longer looking into his eyes, Ning Xi turned her head and pretended to say casually, “we are their Godfather and godmother now. Shouldn't we care about them?”

Fortunately, Ning Xi changed his mind quickly, or she would be panicked when she heard gu jin yi's words.

“You are a good godmother. It seems that you are very suitable to be a mother.”

Staring at Ning Xi with his deep eyes, gu jin yi said in a mysterious way.

gu jin yi then turned to the topic of giving birth to a baby. Ning Xi finally understood. He had to tell her the result today.
