

Cute Baby15

chapter 15

It was already seven o'clock when Nina rushed back to the Gu clan's house as fast as he could.

Nina walked into the hall and saw the servants cleaning up.

"has Gabriel come back? "

Nina asked softly.

"Not yet."

"When did he usually come back?"

Nina looked at the servant with her dark eyes. She wanted to know Gabriel's return time, so that it would be more convenient for her to go out.

"You are back. "

The servant looked at the back of Nina hesitantly.

"What?"

Nina widened her eyes in shock, feeling a pair of cold and evil eyes staring at her behind.

Seeing this, the servant turned around and left.

"You are back."

Nina put on a flattering smile and pretended to ask with concern.

"Go upstairs. I have something to say."

A deep and magnetic voice came into Nina's mind.

What would he say to her now? There must be something wrong.

Nina followed Gabriel upstairs.

Room

"The last term of the contract is not to interfere with the other party's privacy."

Gabriel said the agreement directly, turned around elegantly and looked at Nina with his deep and bottomless eyes.

"I know. Thank you for reminding me."

Nina didn't know why Gabriel suddenly said that.

"You have violated my rule."

Gabriel looked at Nina with a deep look.

“When did I interfere in your privacy?”

Nina was confused and thought the man in front of him was making trouble.

She was so angry that she wanted to scold the man loudly.

“Why do you ask me about my return time?”

The moment Gabriel entered the room, he heard the conversation between Nina and the servant.

Nina’s eyes narrowed slightly. It turned out that he had heard the conversation between him and the servant.

Besides, who will interfere with his privacy? If it was not for the convenience of her going out, she won’t care when he will come back! Nina had nothing to do with his absence.

Nina thought to herself.

“What? Do you have nothing to say?”

Gabriel looked at Nina and said nothing.

“You think too much. I just ...I’m just for preparing dinner for you.”

Nina wanted to say that the man was too narcissistic, but after thinking for a while, she still disobeyed her conscience.

“You’d better be like this, or you know the consequences!”

Gabriel said coldly and went back to the bedroom.

When Nina saw that he had returned to the bedroom, she looked at the door with her bright black eyes.

“Arrogant freak!”

Nina cursed in a low voice.

As she felt sleepy.

After taking a shower as soon as possible, she fell asleep on the sofa in the living room.

She slept for three hours.

Nina was awakened by a pee. She got up and went to the bathroom.

A beam of soft light in the bedroom brushed her face.

It was already ten o’clock, but he was still working.

Nina walked slowly to the door of the bedroom, looking at his handsome side face.

A beam of soft light shone on the delicate and three-dimensional face of the man. His handsome and carved outline, smooth and prominent forehead, high nose, and thin and s**y lips.

He looked so charming

It had to be said that this man is too handsome to have friends.

Nina's eyes were full of all kinds of anthomaniac. She suddenly felt that this man was handsome and tempting when he was quiet.

Nina stared at Gabriel for a long time, but the man didn't notice it.

He had been carefully reading the doc**ents on the table, and his att**ude towards work had always been so serious

Nina left quietly and went to the bathroom gently.

She didn't want to disturb him.

All of a sudden, she fell into deep fantasy

She didn't know if God was going to oppose her. As soon as she leaned against the door, the door was pushed open.

A crack became wider and wider.

Nina came back to her senses and was stunned.

What a bad luck! A handsome man could be caught right in front of her.

Gabriel's dark eyes fell on Nina.

"What are you doing?"

"You, you... I... "

Nina looked down as if she had done something wrong. She was rendered speechless by Gabriel's question.

Gabriel stood up elegantly and walked to Nina with a depressing smile on his face.

At this moment, Nina was like a child, lowering her head and making no sound.

Even if Gabriel didn't say a word, the atmosphere at the moment was still breathless and oppressive.

"Am I that good-looking?"

Said Gabriel.

'How narcissistic he is. Although I admit that you are a little handsome, you don't have to ask so directly.'

Nina thought.

Nina kept her head down and didn't dare to look into his eyes.

"You looked at me so blatantly just now. why? Don't you dare to look at me now? "

Gabriel said with a smile.

“who said I dare not!”

Irritated, Nina raised her head abruptly.

Her high forehead just touched his V shaped chin.

Although Nina is 165cm tall, she still looked weak in front of Gabriel, who is nearly 1.9 meter tall.

Her soft hair gently scratched the man’s neck and s**y collarbone.

The distance between the two was so close, and a faint violet fragrance spread out in his respiratory tract, and the fragrance entered her nose.

The faint fragrance mixed with the woman’s body fragrance made him feel indescribable comfortable.

Gabriel was shocked and his eyebrows were deep. The smell was familiar to him.

Just as he was recalling where he had smelled it, Nina automatically took a few steps back.

Then, the fragrance followed her back.

Gabriel came to his senses.

Nina was in a trance and kept silent.

“Woman, don’t always challenge my bottom line!”

Gabriel’s cold black eyes fell on Nina.

Nina looked into the man’s eyes and didn’t know what to say.

Her face turned a little red, because she was indeed peeking at him here.

But he shouldn’t be so narcissistic, okay?

“Master, I’m sorry.”

Nina said with a fake smile.

When he heard that Nina took the initiative to apologize, he couldn’t help feeling a little proud.

“If there’s nothing else, I’ll go to bed.”

Nina turned around and asked, “Hey, hey, what are you doing?”

However, a big hand behind her grabbed the corner of her Pajama cap, as if there were some bacteria in her clothes.

She was pulled back by him.

“Did I allow you to leave?”

Gabriel raised his eyebrows and said in a deep and magnetic voice.

“I’m afraid of disturbing your work, so I’m leaving now.”

Nina stretched out two fingers and pretended to leave.

“Sleep there.”

Gabriel raised his s**y chin and looked at the sofa beside the bed.

Nina was stunned.

What? Let me sleep there. It was him who took the initiative to say that. Is he still Gabriel Gu?

Nina was racking her brains with all of thoughts.

“Forget it. It’s not good to disturb your work later.”

Nina gave a fake smile.

“Do you want to sleep or not tonight?”

Gabriel said indifferently.

Although his tone was flat, it sounded a little threatening.

“Sleep! Of course!”

Nina turned around, ran to the sofa and lay down directly.

She covered her head with the quilt.

Seeing Nina slip into the quilt, Gabriel smiled, which he didn’t notice.

Then he went back to the bed and lay down.

The two of them were lying in the same bed. Although they didn’t sleep together, they were so close to each other in the same room. This kind of feeling was indescribable.

Today, Nina slept directly on the edge of her bed. Although her back was facing him, she always felt that there was a pair of cold eyes staring at her behind.

The smell of his body, the mature and vanilla scent of the man seemed very familiar.

For a moment, Nina felt a little uneasy.
