

Cute Baby156

chapter 156

“Do you really like acting so much?”

ning xiao xi confirmed it again. She was thinking that if the two babies still insisted on shooting this time, she would not stop them.

They didn't agree to let them shoot because they were afraid that gu jin yi would see them on TV. If he saw that chen chen looked the same as him, he would be suspicious and investigate the two babies.

But now he had known the existence of the two babies. They had met and lived together. So she had nothing to worry about anymore.

As for their identity, he didn't doubt it. He just felt that they were destined to be together, so he didn't need to worry too much.

“Yes, we like it!”

The two babies said in a strong and childish tone, with firmness and calmness in their eyes.

“Since you like acting so much, I won't stop you. You still have to go to school. Acting is just a hobby, okay?”

Ning Xi thought for a while and decided to give up.

She didn't want to experience something that would make her regret again.

Last time, the two babies ran away from home because they were not allowed to shoot. Ning stream had a shadow in her heart all the time. Now when she recalled the past, she was so nervous that she didn't know how to describe it.

Although nothing happened to the two babies, once something happened, the seriousness of the matter could not be imagined.

“Did Mommy really agree? We must study hard!”

The two babies were very surprised. They didn't expect that their mommy, Ning Xi, had really agreed to take photos with them. They were very happy and excited.

“But if you have anything to discuss with mommy in the future, you can't run away from home anymore. Do you hear me?”

ning xiao xi reminded the two babies again in a slightly serious tone, in order to let them know the seriousness of the matter.

“Mommy, we know we are wrong. We won't run away from home again...”

The two babies lowered their eyes slightly, and their big watery eyes seemed to be a little red. They admitted their mistakes obediently.

They also realized the seriousness of the matter. They didn't dare to do that at that time, but they didn't think too much for the shooting, so they just left.

"I'm just too worried about you. If anything happens to you, I'll be very sad, okay?"

Seeing the sad faces of the two babies, Ning stream admitted her mistake. Her tone towards them instantly softened.

She thought about whether she had spoken to the two babies too harshly just now. After all, they were only five years old. It was understandable that they couldn't understand so much at once.

Wasn't it too much to talk to them in such a tone?

"Mommy, don't be angry. We will listen to you in the future."

The two babies looked up at Ning stream. They felt that Ning stream was worried about them, so they took the initiative to apologize.

"You are all my sweethearts. I can't let you get hurt at all."

Ning Xi gently touched the two babies' tender faces, and his clear eyes were full of maternal love for them.

"Mommy, can we live with you and daddy forever?"

The two babies suddenly raised this question, and then looked at Ning stream with expectations.

The look in his eyes seemed pitiful, but he couldn't refuse.

"Do you really want to live with daddy?"

ning xiao xi didn't answer the two babies directly, but asked them on the contrary.

"Yes, we want to live with Daddy."

The two babies answered at the same time. She kept nodding.

Ning Xi stared at the two babies in a daze and didn't know how to answer. For a moment, she didn't know how to describe her mood at the moment.

She didn't want the two babies to live with gu jin yi forever.

Because once this happened, they would have feelings for each other. In the future, once gu jin yi knew that chen chen and han han were his children, he would definitely fight for the custody of the two babies judging from his attitude towards them.

A man like him was powerful and powerful. She had nothing. How could she compete with him for anything?

And the identity of her substitute husband was revealed. The two babies were likely to leave her forever.

She couldn't accept the result. If the two babies left her like this, she would collapse.

However, after all, gu jin yi was the biological father of chen chen and han han, and they wanted to live with their father so much. Should she really have the heart to let them accept the love without their father since childhood?

“chen chen han han, if mommy and Daddy are separated, will you follow Mommy or daddy?”

Ning Xi didn't know why he asked such a childish question. It was not up to them to decide who chen chen and han han wanted to be with. They were only five years old. What decision could they make?

But she just wanted to know the thoughts of the two babies. After all, they liked gu jin yi so much, and their father was so eager to have their father's love.

“Daddy and Mommy are fine now, aren't they?Why should we be apart? ”

han han stared at Ning Xi with a cute expression and asked. She really didn't understand what the adults thought.

“We won't let daddy and Mommy separate.So my sister and I will not choose one person, but to follow you two. The four of us will live together forever. ”

chen chen said confidently as if he was a grown-up. It seemed that he had made up his mind that he would not separate Ning stream from Jean.

Seeing the two babies' answers, Ning Xi smiled and said nothing. He just held the two babies' heads into his arms.

At this moment, Ning Xi's mind was in a mess. He would discuss this matter with Celia at home and then see how to deal with it.

If they had to insist on living in the Gu family's house, they could stay there.At least in this way, she could see the two of them, chen chen and han han, every day.

In ye xiao xiao's house.

Soon they arrived at Celia's house. Ning stream led the two babies into the hall.

“Aunt Celia, we're back!”

The two babies were still familiar with this house, as if they were at their own home.

ye xiao xiao knew that Ning Xi would bring the two babies back today, so she had prepared their favorite food early.

“chen chen, han han!”

As soon as ye xiao xiao saw the two babies, she hugged them excitedly.

“You two little bad guys, how can you do this?You left without saying a word. Do you know how worried your mommy and I are?Are you okay?Have you met any bad guys? ”

ye xiao xiao seemed to have endless words, as if her child had run away from home and suddenly came back.

chapter 157

“Celia, it’s okay. Isn’t chen chen and han han standing in front of you now?”

ye xiao xiao gently led the two babies to sit on the sofa and kept bringing them their favorite food.

“chen chen, han han, eat more. If it’s not enough, I’ll cook for you.”

The two babies ate the food rudely.

Seeing the two babies coming back, ye xiao xiao was relieved.

It seemed that the house suddenly became lively and had a sense of home.

“Celia, I have something to tell you. Let them play here.”

ning xiao xi stood up slowly from the sofa. Celia guessed that she must have something to say. After all, the two children had lived in the Gu family, so they must have met gu jin yi.

This should be what Ning stream wanted to say. Now it was a lot of trouble for Ning stream.

Then, Ning stream and ye xiao xiao walked into the yard. As before, the two sat in the cradle and talked.

“Celia, what do you think I should do now?”

Last time on the phone, Ning stream had told Celia about the whole thing. Now Ning stream seemed to be a little annoyed and nervous.

“Naomi, what’s going on?How did chen chen, han han and gu jin yi meet?And did gu jin yi suspect anything when he saw chen chen and han han?”

“Here is the thing...”

.....

Two hours passed like this. Ning stream told Celia everything.

“Celia, that’s how it happened. It seems that gu jin yi likes chen chen and han han very much.”

“Oh my God!Why do you sound like you are acting on TV? It’s too dramatic.”

ye xiao xiao couldn’t believe what Ning Xi said. She thought this kind of scene would only appear in TV and movies.

“I have never thought that they would meet in that situation. But now, they are staying in the villa legally.”

Ning Xi had no choice. He had imagined countless scenes of the three of them meeting, but he had never thought that they would meet by accident like this.

“Naomi, are you really going to let chen chen, han han and gu jin yi live together?”

ye xiao xiao asked tentatively, looking at Ning Xi with an exaggerated expression.

Judging from the tone of Ning Xi, she guessed that she was going to let the two babies live in the Gu family.

“At first, I didn’t want chen chen and han han to live in the Gu family, but they really want to live with their father.”

Ning Xi was expressionless, and there was no emotion on his delicate face.

“Naomi, you have to think about it carefully. After all, the three of them are biological father and son. Once they fall in love, it will not be easy for you to separate them.”

ye xiao xiao reminded Ning Xi. She could only give her some advice. Ning Xi had to make her own decision.

After all, the relationship between gu jin yi and Ning Xi was too complicated. She was not sure that they could live a peaceful and happy life all the time.

If he had known everything and Ning Xi got married, the two babies would be his own children. If he had known all these things, it would be no problem for the two babies to live with him.

Celia wouldn’t say something that would make Ning stream worry.

“I know. I will think it over. Let them live with me for the time being.”

After talking with Celia, Ning Xi felt much relieved. Every time, Ning Xi would feel much better as long as he finished talking with ye xiao xiao.

Then, Ning stream and ye xiao xiao returned to the hall. They were very happy to see the two babies playing.

“But fortunately, chen chen and han han met their father that night. Otherwise, I don’t know what irreversible things will happen.”

With a warm smile on her face, Ning Xi looked at the two babies tenderly.

“It can only be said that this is also a kind of fate between father and son.”

ye xiao xiao also looked at the two babies with a gentle smile on her face.

At lunch time, Ning stream and ye xiao xiao cooked several delicious dishes together.

The two babies were the first to sit at the table.

“Aunt Celia, we may live with daddy and mommy in the future. If you have time to visit us, we will miss you.”

The two babies said in a childish voice.

“You two are heartless. I’m so sad that I really want to leave aunt Celia...”

Celia looked sad. The two babies comforted her at once, “but we will often come back to see the beautiful aunt Celia.”

The two babies seemed to know how to speak. When they praised Celia like this, her expression slowly relaxed.

“If your daddy bullies you and your mommy, please tell me. I’ll take revenge for you!”

ye xiao xiao teased.

“Daddy treats us very well, and he treats Mommy even better.”

A wicked smile appeared on han han’s tender and fair face, and her canine teeth were partly hidden and partly visible.

Seeing the expression on han han’s face, ye xiao xiao seemed to understand something. She continued to ask, “what’s wrong with your mommy?”

Ning Xi, who was sitting next to them, looked at the three people sitting here with contempt. “What else can we do? Eat, sleep, go to work.”

Ning Xi said perfunctorily.

“Yes, just sleep!”

All of a sudden, han han stopped eating. She looked like an adult and carefully glanced at Ning stream and ye xiao xiao who were sitting opposite her.

At this time, chen chen, who had been sitting quietly beside han han, burst into laughter.

“What are you doing, Brian?”

Ning Xi squinted at chen chen, indicating him to shut up.

chen chen hurriedly covered his mouth with his hand, but he still couldn’t stop laughing.

“chen chen, han han, don’t keep me guessing. Tell me what happened between your mommy and daddy.”

ye xiao xiao was full of curiosity. Seeing the funny faces of the two babies, she couldn’t wait to know what had happened between gu jin yi and Ning Brian.

“Aunt Celia, I can show you something, but not to my mommy.”

han han carefully took off her phone watch, played with it and showed the photo to ye xiao xiao.

What ? What was going on? Why did he refuse to show it to her in front of Ning stream? It was obvious that he hated her!

ye xiao xiao made an “OK” gesture, and then han han showed the photo to ye xiao xiao.

chapter 158

“han han, what did you show aunt Celia?”

Ning Xi got close to ye xiao xiao. She wanted to see what could make the two babies so mysterious.

“Nina, tell me, do you live a comfortable and unrestrained life in the Gu family? I was worried that you would be bullied. It seems that I thought too much.”

ye xiao xiao squinted at Ning Xi and teased.

Ning Xi inadvertently saw the photo in which gu jin yi was holding her tightly and she was in his arms. The sleeping posture and the scene were so unbelievable.

“Mommy and daddy love each other so much. Aunt Celia, don’t worry. Daddy won’t bully us.”

han han picked up a strawberry and put it into her mouth.

“Yes, daddy will only protect and spoil us.”

chen chen had lunch leisurely while approving of his father, gu jin yi.

“Ning Xi, how dare you hug gu jin yi?”

“Aunt Celia, what are you talking about? Isn’t it normal for a couple to hug each other?”

chen chen picked up a crayfish and replied lazily. He seemed to think it was normal and normal.

“Hugging is just a small case. Next time I’ll show you daddy and Mommy’s kisses and...”

han han pouted and rolled her big dark eyes. Then she fixed her eyes on ye xiao xiao, looking at her with an evil smile.

“Hanley! When did you take pictures of us?”

Ning Xi squinted at han han, but han han pretended that she didn’t know. “Brother took it.”

All of a sudden, han han pointed at chen chen, who was eating his favorite poached egg with great interest, and Ning Xi cast a glance at chen chen.

chen chen was stunned when he ate the poached egg. How could he say that he took the photo by himself? Now, Mommy’s target was him.

Ning Xi stared at chen chen, while chen chen looked at han han. han han looked at chen chen with a pitiful expression, as if she was saying, “brother, help me...” to ask for help from chen chen.

han han pouted and winked at chen chen.

Now that chen chen was softhearted, he had to help.

But he had to think of a reasonable reason.

“Mommy, it’s me!”

Then chen chen admitted boldly.

“You are brave enough to take the initiative to apologize.”

“All right, all right. You can’t blame chen chen for being afraid of you. You have done it, but you are afraid of being photographed?”

ye xiao xiao snickered and teased.

The two babies laughed louder when they saw that Celia was on their side.

“Stop laughing!”

Ning Xi frowned. ming ming was a normal thing. Why did they laugh as if they had done something wrong.

In this way, the four of them had lunch, talking and laughing.

After lunch, Ning Xi was about to leave ye xiao xiao’s house with the two babies.

“Goodbye, aunt Celia. We will often come back to see you.”

The two babies waved at Celia reluctantly. After all, besides the stream, Celia took good care of them the most. They had been used to living with ye xiao xiao during this period of time. It seemed a little strange for them to leave her all of a sudden.

ye xiao xiao held the two babies with reluctance.

When she was with them, even if she was in a bad mood, they would accompany her, even her children. How she wished she could have two cute and considerate children like them in the future.

“Well, it’s not that we don’t want to see each other anymore. chen chen and han han just live in my house and will come back often.”

Seeing the two babies saying goodbye to ye xiao xiao, Ning Xi sighed with emotion and helplessness.

Ning Xi also knew that ye xiao xiao’s feelings for the two babies were like her own.

Finally, she left ye xiao xiao’s house reluctantly. Then Ning Xi sent the two babies directly to the kindergarten. Before going to the company, he told them, “wait for mommy to pick them up after school.”

The two babies nodded obediently and went to the company.

As soon as Ning Xi left, a man in a dark blue coat and a black hat appeared at the gate of the kindergarten.

Watching Ning Xi go away, he took out his phone from his pocket and dialed a number.

“I know which kindergarten it is. I’ve sent the address to you.”

“Got it.”

A s\*\*y voice came from the other end of the line.

Then he left the kindergarten as if nothing had happened.

In the kindergarten, the two babies were very obedient. Because Ning stream had promised them to go to work, they all listened to her and went to school obediently.

As soon as Ning Xi arrived at the company, he ran into her.

Ning Xi still walked past them as if they were strangers.

“Miss Yam, did you have a good time yesterday?”

Rufus stopped beside Ning stream with a sneer.

However, Ning stream still ignored Ruyu. Ruyu was pissed off. “Ning stream, as the design director of VL, is it impolite?”

His tone was full of displeasure.

“What’s up?”

Ning Xi didn’t want to have too much to talk about with her, but as the design director of the company, she should respond politely, so she asked the simplest question.

Ning Xi looked at her expressionlessly and saw what she wanted to say.

“Naomi, we have known each other for five years. Is it necessary to be so t\*\* for tat?”

If she didn’t know what was on her mind, she suddenly pretended to be nice to Ning stream.

Ning Xi was also stunned. What did she want to do? Was she trying to reconcile with him?

However, Ning Xi knew what kind of person she was five years ago. Moreover, during the time they worked together, she would never easily bow to an enemy.

“What are you doing? You want to break up with me? ”

Ning Xi raised his eyebrows and stared at the woman with a stiff smile with his clear and beautiful eyes.

When she heard the tone of Ning Xi, she began to feel a little unhappy.

“I really want to make friends with you. After all, we are in the same company. It’s not appropriate for the two of us to always be like this.”

Even though she was very unhappy, in order to get the information of Ning Xi, she had to swallow the insult and surrender to him.
