

Cute Baby172

chapter 172

gu jin yi just wanted to know why Ning Xi was full of him. Maybe she could get the answer from the two babies. After all, they had lived with Ning stream for the past five years.

The two babies looked at each other again, and then han han spoke first. Since their father, Jean, had known their identity, she would just tell him all. There was nothing to hide.

Maybe in this way, their daddy and Mommy would never be separated, and they would live together forever with the two of them.

“I’m afraid you’ll take us away. She will be very sad. Daddy can’t take us away. We have to live together.”

“We won’t abandon Mommy. Wherever Mommy is, we will be there. We will never leave her.”

The two babies said firmly.

Looking at the two babies, gu jin yi finally understood why Ning Xi always hid the identities of the two babies from him. chen chen and han han couldn’t live without Ning Xi. Their love for her was not something ordinary people could estimate.

It turned out to be this reason. She was worried that she would take them away after knowing the identity of chen chen and han han.

gu jin yi felt both helpless and remorseful.

It was natural for ning xiao xi to think so. After all, he was the biological father of chen chen and han han, and he had the right to take them away.

Thinking of the first time she saw chen chen, she should have guessed their identity. There was no coincidence in the world. They looked almost the same, except for the twins.

If he had known it earlier, maybe he could handle everything well now, but it was not too late. He could make up for it.

“chen chen, han han, don’t worry. Daddy won’t leave Mommy alone. I’ll take you all away and live with your family.”

gu jin yi stared at the two babies with his deep and unfathomable black eyes.

She gave them a sense of security and told them not to worry about it.

“I knew Daddy wouldn’t just take us away. He loves Mommy, right?”

han han seemed to have watched a lot of TV dramas, and she knew well about love.

“Daddy will only love Mommy all his life, and of course you will.”

gu jin yi looked at the two babies dotingly. His eyes were full of firmness and affection, which made people have to believe.

“Daddy, can you tell us the story between you and Mommy? Every time I ask Mommy, she never tells me and always chooses to avoid this topic.”

“Yes, yes. Mommy always doesn’t tell us who daddy is? If we hadn’t investigated it ourselves, we wouldn’t have known it yet.”

The two kids asked curiously. He really wanted to know how their parents knew each other? Why didn’t the two live together?

.....

All kinds of questions might only be answered when one knew them well.

“Since you want to know, I’ll tell you everything.”

gu jin yi was patient and relieved to the two babies.

Then, he recalled the day when he first met Nina five years ago

Since five years ago, the two babies had been listening with great interest.

.....

“That’s how it happened. Mommy married me in this way.”

About an hour later, he didn’t feel tired at all. Instead, he was getting more and more energetic with the two babies.

“Wow, why do I feel that daddy and Mommy are acting in a TV play?”

After listening to the story of their parents, gu jin yi and Ning Xi, han han sighed.

“You are destined to be together.”

chen chen also stared at gu jin yi in a daze for a few seconds, and then suddenly said such a cla**ical sentence.

“How can I make your mommy feel relieved? There seems to be a barrier in her heart that she can’t overcome.”

gu jin yi frowned slightly. Although he couldn’t understand what the two babies were talking about at his age, he had to talk to them.

“Daddy, now that you have known our ident**y and we know you are our daddy, we will definitely help you.”

The two babies answered gu jin yi at the same time.

Now they had reached an agreement with gu jin yi. They wanted Ning Xi to accept gu jin yi and live together forever.

“But your mommy doesn’t seem to love me. What should I do to make her love me?”

It seemed that gu jin yi didn't treat chen chen as his two children any more. He treated them as friends and asked them for help.

The two kids narrowed their eyes and looked at each other weirdly. "If you want mommy to fall in love with you, you can ask us for help!"

"The relationship between you and Mommy is not good enough. Come to find us and teach you hand by hand. I promise Mommy will fall in love with you!"

A wicked smile could be seen on the faces of the two babies.

Like a child, gu jin yi was willing to listen to the method of the two babies. It seemed that they were his lucky stars now. With them, he could understand Ning stream more and make her fall in love with him.

The two babies whispered in his ear and taught him some methods.

.....

"That's it. We'll do it, and then we'll cooperate with Daddy. If the three of us work together in the future, I'm afraid that we can't defeat Mommy."

chen chen and han han told gu jin yi their own thoughts, indicating that they would work together with him to deal with ning xiao xi in the future.

At this moment, the door of the two babies' room was pushed open. At first, they didn't hear any footsteps. It was not until a soft voice came that the three of them realized what had happened.

"What are you talking about? It's so late. Why don't you go to bed? "

gu jin yi and the two babies were shocked by Ning Xi's sudden words. They didn't expect that Ning Xi would suddenly appear in the room.

"Ah! Mommy, are you a God? Why is there no sound when you walk? "

The two babies shouted excitedly.

Because they were discussing cooperation with their father, bill. If she heard them, they would be done.

"I came in just now and knocked on the door. You were so absorbed in chatting that you didn't notice me coming in."

With a confused look on her face, Ning Xi was ridiculed by the two babies.

She was wronged ~

chapter 174

Ning Xi looked down and didn't know what to do. When she was about to get into the quilt to sleep, he suddenly approached Ning stream, only a few centimeters away, and looked straight at Ning stream.

"It seems that we have to make some movement to make you feel normal."

gu jin yi teased, with a wicked smile on his angular lips.

“I want to sleep. Don’t disturb me.”

Ning Xi changed the topic and answered gu jin yi.

“You want to sleep, right? Then go to sleep.”

“Okay.”

After saying that, he put his hand into the quilt and gradually went into Ning stream’s pajamas. He tickled her on purpose.

“Hey, don’t move. Don’t**’s itchy. ”

Ning Xi didn’t expect gu jin yi to use this trick, which caught her off guard.

“Are you going to sleep? Why are you still moving around? ”

gu jin yi teased while tickling Ning Xi.

There was an evil and attractive smile on his handsome face.

“JaDon’tl feel itchy...”

ning xiao xi was too embarra**ed to speak. For her, tickling was her weakness.

“What?! beg your pardon? Say it again. I didn’t hear it clearly. ”

gu jin yi continued to tickle Ning Xi, pretending to know nothing, and gave an evil and attractive smile. The whole bedroom was full of ups and downs.

Ning stream was too embarra**ed to say anything, only her laughter from beginning to end.

After scratching for a few minutes, gu jin yi found that Ning Xi was really amused by him and had nothing to say. He finally stopped and held Ning Xi tightly in his arms.

“It’s him! You, try scratching it again. ”

Ning Xi pushed gu jin yi away with all her strength, and seemed to be scratched so hard that she had no strength to laugh. She breathed heavily and tried her best to spit out a sentence.

There was a hint of threat and warning in his tone.

But in the end, she couldn’t get rid of gu jin yi’s strong wrist. He wrapped her tightly, making Ning Xi unable to escape from his arms.

“Stop your meaningless struggle. Do you still want to push me away?”

gu jin yi said arrogantly, with an evil and satisfied smile on his deep and handsome face.

She knew that she couldn’t get rid of Ning Xi, so an idea suddenly came to her smart mind. Her amber eyes rolled weirdly.

gu jin yi was also afraid of itch. She was more sensitive. She knew Ning stream well.

gu jin yi tickled Ning Xi for several minutes, leaving her no chance to speak. Since you don't let Ning Xi get out of your arms, I'll give you a chance to taste the tickling.

"Are you sure you want me to sleep in your arms and won't let me go?"

Ning Xi looked up at gu jin yi and inadvertently found his bronze skin and Adam's apple rolling up and down under the soft lamp, all with a strong temptation of killing power.

But Ning stream came to herself soon. She was not that anthomaniac, although he was indeed a little more handsome than normal people. But it wouldn't make her anthomaniac.

"Of course!"

gu jin yi replied affirmatively.

He didn't know what Ning Xi would do later, which surprised him.

"I have given you a chance to refuse. Since you insist on holding me, I should give you a response."

Ning Xi's clear eyes narrowed slightly, and a wicked smile appeared on his fair face.

"Come on, I know you want to thank me. I've raised your smile. Do you want to give me a affectionate kiss?"

gu jin yi deliberately lowered his head to show his worry that Ning Xi wouldn't be able to kiss his face or lips.

"I'll be right there. Get ready."

Ning Xi stared at gu jin yi with his clear and weird eyes. His voice was soft but somewhat weird.

gu jin yi nodded proudly without any vigilance.

Ning Xi smiled, "gu jin yi, let you tickle me, let you tickle me..."

"Ning Xi, youWhat are you doing? "

Being scratched, gu jin yi laughed even more excitedly than Ning Xi, and the noise in the room became louder and louder.

"I'll scratch you hard to make you feel itchy and unable to speak.Hahaha... "

Ning Xi tickled gu jin yi as he spoke.

"NingStopHow dare you... "

gu jin yi seemed to want to say something warning, but Ning Xi didn't show weakness and strengthened his tickling skill.

Ning stream also tickled her time. She tickled him so hard that he didn't know whether to cry or to laugh.

At this time, when they were in the stream and didn't notice it, he turned his hand to the stream and said, "my dear wife, how dare you lie to me? Do you know what will happen if you lie to me?"

No matter what it was, she kept scratching it. "I don't care what you are? Anyway, I only know that I was scratched by you. I'm very unhappy."

"Okay, then let's have a try. Your tickling skill is better than mine."

The two started to fight against each other.

The atmosphere was extraordinarily lively. People who didn't know what happened might think that the person in the room was doing, and the sound was louder than that.

Fortunately, this was his exclusive villa. If there were neighbors or something like that, someone would probably knock at the door at this moment.

At this moment, two babies appeared outside the bedroom.

However, gu jin yi and ning xiao xi didn't notice the two babies at all.

"Daddy, Mommy, are you making too much noise?"

chen chen rubbed his eyes lazily as if he wanted to sleep.

"What the hell? Daddy and Mommy didn't hear you, did they?"

han han stood straight next to chen chen. Seeing that chen chen had been talking for such a long time and that the two people on the bed didn't stop at all, the noise on the bed became more and more intense.

chen chen shrugged his shoulders helplessly.

"It seems that I'm going to make my cracking sound. Tell them to stop being quiet at once."

han han's big watery eyes blinked, and a proud smile appeared on her young and fair face.

"Daddy, Mommy! Wake up! The bed shook!"

han han made a gesture of megaphone and shouted at gu jin yi and Ning Xi on the bed.

It was not until then that gu jin yi and Ning Xi heard the voice of han han. Their voice faded away and gradually quieted down

chapter 175

"chen chen, han han? Why... Why are you here?"

Seeing the serious expressions of the two babies, Ning Xi felt as if he had done something wrong. The two babies came to ask him.

She didn't know that Ning Xi would feel guilty subconsciously.

"chen chen and han han are still awake?"

gu jin yi suddenly said. Looking at the two cute babies at the door of the bedroom, his mood suddenly became better.

“Daddy, Mommy, it’s so late at night. Why don’t you let her sleep?”

chen chen still looked lazy, his long and narrow eyes narrowing, as if he had just woken up.

“Yes, daddy, you are too naughty. Mommy, you are too rude.”

han han said word by word like an adult.

gu jin yi and Ning Xi felt helpless, but they had no choice.

“chen chen, han han, don’t get us wrong. Your daddy and I are just...”

“Mommy, you don’t have to explain. I know you and Daddy are a couple. It’s normal. I can understand.”

han han continued.

“But daddy, Mommy, don’t make such a big noise. It’s soft. You know it’s not good for children.”

chen chen added.

The two babies echoed each other.

So that Ning Xi had no chance to speak.

“Daddy, be gentle! It seems that others don’t know what you are doing.”

han han winked at gu jin yi.

“Yes, sir! From now on, your mommy and I love each other very much!”

gu jin yi cooperated with the two babies and didn’t explain why they were not like what they thought now. Just let them misunderstand, because they had to work together to deal with Ning Xi.

“Mr. Edmund, what nonsense are you talking about to chen chen and han han? We are just...”

“Honey, I’ll be gentle to you from now on. Don’t be angry.”

Before Ning Xi could finish his words, gu jin yi continued.

They didn’t give Ning stream any chance to speak. The three of them were just a headache to Ning stream.

Then, the two babies ran to their bed, looking at them with pitiful expressions and watery eyes.

“What’s wrong?”

Seeing this, gu jin yi didn’t understand what the two babies meant.

“We want daddy and mommy to sleep together tonight.”

The two babies looked lazy and sleepy.

“If daddy and Mommy are upset, we will affect you. Then we will go back to sleep.”

The two babies looked at gu jin yi and Ning stream, waiting for their answer.

“How could it be? Come and sleep between daddy and Mommy. ”

gu jin yi and Ning Xi asked the two babies to sleep in the middle almost at the same time.

The two of them looked at each other. It was rare that they had the same opinion.

The two babies jumped onto the soft big bed. Supported by Ning Xi and gu jin yi, they sat in the middle of them.

“It’s my first time to sleep with daddy and Mommy. It’s so warm!”

han han looked around and seemed to be very happy.

“Daddy, Mommy, we have to be together forever like this.”

A warm and satisfied smile appeared on chen chen’s tender and handsome face.

“If you want to sleep with daddy and mommy in the future, come to daddy and Mommy’s room.”

There was a slight smile on gu jin yi’s deep and handsome face. His angular lips curved slightly, and his face was full of all kinds of warmth and satisfaction.

Seeing this, Ning Xi was stunned for a while. Looking at gu jin yi’s tenderness and consideration to the two children, he felt relieved.

“Shall we, chen chen and han han, go to bed now?”

Ning Xi said in a maternal voice, indicating that they should go to bed too late.

The two babies cooperated with each other and lay down slowly.

“Good night, daddy, Mommy.”

After saying that, the two babies closed their eyes. Ning Xi gently brushed the hair on their foreheads and gently kissed them on their fair foreheads.

Seeing the two babies fall asleep as soon as they lay down, Ning Xi also wanted to sleep.

“It’s time for us to go to bed.”

Ning Xi looked at gu jin yi and said.

“It’s so good to have two children.”

gu jin yi stared at the two babies and said subconsciously.

“Go to sleep. Good night.”

Then Ning Xi also lay down. gu jin yi just said it was good to have two children?

Hearing this, Ning Xi felt happy and fell asleep with a smile

Lying next to the two babies, he gazed at their smooth and delicate skin, long and curly black eyelashes, high carved nose and nose wings, and clear thin cherry lips under the soft light.

The two children were so good-looking that they looked like him. Perhaps God had destined them to meet the three of them.

From now on, he would not be alone. He had a warm family, a wife who would hold his son's hand and grow old together, and two cute and smart children.

She had been satisfied all her life

That night, the four of them had a happy and warm sleep.

The second morning.

The two babies woke up, tossing and turning, and then gu jin yi and Ning Xi also woke up.

"Good morning, daddy, Mommy."

The two babies seemed to be very happy, with smiles on their faces early in the morning.

"Good morning, chen chen and han han."

gu jin yi and Ning Xi replied to the two babies subconsciously.

"Did you sleep well last night?"

Ning Xi asked the two babies with concern.

"Well, it feels good to sleep with daddy and Mommy."

The two babies answered at the same time.

"That's good. Let's get up."

Then, the four of them packed up and went out together.

She had to go to school and go to work.

gu jin yi and Ning stream sent chen chen and han han to the kindergarten together, and then sent Ning stream to work. At last, gu jin yi arrived at the company.

In the CEO Office of the Empire group.

"Mr. Lucian, I've got the detailed results of the matter you asked me to investigate."

Jacob, his assistant, handed him a report.

As soon as gu jin yi took the documents, he couldn't wait to open them. At this moment, he was eager to know who on earth wanted to hurt his two children.

Jacob had thoroughly investigated all the photos, videos and some detailed information about someone, without any tolerance.

Because he knew that for gu jin yi, he had to be 100% sure of everything and make sure that everything was flawless. It was impossible. If, maybe such uncertain words.

gu jin yi put the surveillance video into the computer and saw what made him angry.
