chapter 182

Seeing this, gu jin yi seemed to understand something.

When she was at school, chen chen and han han's teacher had been watching her all the time. He ignored her and didn't take it seriously. Unexpectedly, Ning Xi cared so much about this matter.

This stupid woman, it turned out to be like this.

"Honey, are you jealous?"

gu jin yi said, squinting at Ning Brian.

Somehow, he was happy to see that Nina was jealous of him. He had an indescribable joy in his heart.

"Who is jealous? Do you believe what chen chen and han han said?"

He tried his best to hide his guilt. She forced a smile.

"Mommy is just jealous, hahaha..."

When the two babies heard the conversation between gu jin yi and Ning Xi, they could obviously feel that their mommy Ning Xi was obviously jealous. They couldn't help laughing.

"chen chen, han han, do you still want ice cream?"

Ning stream sat on the pa\*\*enger seat and heard the two little babies stirring up the trouble. She turned her head and squinted at them, talking to them in a soft tone.

But there was still a trace of pressure in her soft voice.

A trace of contempt flitted across her clear eyes and fell on the two little babies.

"Mommy, you and Daddy are a couple. It doesn't matter if you are jealous."

The two babies didn't deserve Ning Xi on purpose, so as to make her and gu jin yi get along well.

So now they all stood on the side of gu jin yi and helped their daddy to take their mommy Ning Xi.

Ning Xi slowly closed his eyes. She was silent for a few seconds.

The two babies were absolutely intentional!

Then, Ning Xi slowly turned around. She wanted to make it up, but she couldn't. She didn't want to explain anything. She just admitted that being jealous was nothing serious.

"You're my wife. It's normal for you to be jealous. I'm so handsome and unrestrained. It's inevitable that people will take a look at me."

gu jin yi teased.

There was a mischievous smile on his charming handsome face.

Ning Xi rolled his eyes at gu jin yi.

'gu jin yi, you are getting cheekier and more narcissistic.'

"Daddy, it seems that our teacher likes you very much. She has been staring at you just now."

chen chen mentioned the scene just now on purpose to stimulate Ning Xi's care for gu jin yi.

Then they would know how their mommy Ning Xi felt about their daddy.

"Your daddy is so handsome. I have no choice."

gu jin yi answered chen chen proudly.

"It seems that I will be chased by many girls when I grow up..."

chen chen began to imagine the future.

"Don't be narcissistic, okay?"

Seeing that the father and son were so narcissistic, Ning Xi felt helpless.

He was indeed a father and a son!

"But I still only love your mommy."

gu jin yi said with a warm and pampering smile on his deep and handsome face.

"I will love only one person in my life, just like Daddy."

chen chen's resolute expression at the moment was exactly like gu jin yi's.

Ning Xi smiled helplessly. He was a little depressed just now, but now he felt much better after being talked by the father and son.

"Then I will find a husband like daddy and brother in the future. Wow, I feel so happy at the thought of it!"

han han was an anthomaniac, holding her chin with her little fat hands.

The family returned home with a smile.

On the other side.

As soon as ye xiao xiao finished her work and came out of the company, others took umbrellas and left. Unfortunately, she didn't take an umbrella with her today. It was raining, so she could only stand aside and wait for the rain to stop.

The rain was getting heavier and heavier. She wanted to pick up her phone and call Ning Xi, but her phone ran out of power. It was getting late, and she didn't know what to do.

Almost all the people in the company had left. Celia couldn't wait any longer. It was getting dark. She picked up the book in her hand and covered it above her head. Then she left the company.

At the same time, an zi hao just got off work and drove away from the company.

At this time, his phone rang. It seemed that it was about work. He listened carefully while driving slowly.

The moment she hung up the phone, she saw Celia running slowly in the rain.

He recognized her at a glance.

"It's her..."

Celia was wearing a White Chiffon Top, a denim skirt and a pair of xiao bai shoes. Her hair was a little curly.

Today's style seemed to be a little different from last time.

Last time, she had a bun on her head and looked cool in jeans. But today, she dressed like a lady.

But she seemed to be able to handle all kinds of styles. She looked good.

an zi hao slowed down the car slowly and stopped in front of ye xiao xiao.

He got out of the car with an umbrella and walked towards Celia.

ye xiao xiao, who had been jogging to avoid the rain, didn't notice that a gentle man was walking towards her.

By accident, one of the two books in Celia's hands slipped down. She squatted down and picked it up subconsciously.

The moment Celia squatted down, an zi hao also squatted down. The two of them picked up the books at the same time.

A white, flawless hand came into ye xiao xiao's view.

In a trance, she raised her eyes slightly and saw a familiar and strange handsome face suddenly appear in front of her.

It was him

ye xiao xiao suddenly recalled the first time she met zi hao.

ye xiao xiao took back her thoughts and suddenly found that there was no rain above her head. She looked up and found that an zi hao was holding an umbrella for her.

"You..."

ye xiao xiao seemed to want to say something, but she forgot it for a moment.

"Let's get in the car first."

Seeing the heavy rain, an zi hao asked ye xiao xiao to get in the car with him.

ye xiao xiao was stunned. Her mind went blank and her heart seemed to be in a hurry.

chapter 183

In the car.

“Wipe it with a tissue first. Don’t catch a cold.”

As soon as they got in the car, an zi hao handed the tissue to Celia.

“Thank you...”

ye xiao xiao thanked her in a low voice.

Why did she feel embarra\*\*ed at the moment?

“Can you tell me your name this time?”

With one hand on the steering wheel and the other on his chin, an zi hao stared at Celia and asked.

ye xiao xiao responded foolishly, “what?”

“Last time I asked your name, you didn’t tell me. What a coincidence! ”

There was an evil smile on an zi hao’s handsome face.

“No, it’s just that I’m walking this way and you’re going there, so we met naturally.”

ye xiao xiao answered.

She wouldn’t tell anyone her name.

an zi hao smiled and looked at Celia with his deep eyes. He suddenly felt that not only did Celia change her dressing style, but also her character was very strange.

He just asked her a name. Why was she so reluctant?

“I think we are destined to meet each other. After all, we have met each other two times by accident.”

an zi hao said with a slight smile.

“ye xiao xiao.”

ye xiao xiao suddenly said her name and pa\*\*ed by.

She didn’t know how she was feeling now.

“What?”

an zi hao vaguely heard what ye xiao xiao said, but he still wanted to ask with certainty.

“Didn’t you hear me? Then don’t blame me. I have told you. ”

Celia turned to look at an zi hao with a mischievous smile on her pretty and lovely face.

an zi hao gave a mysterious look at Celia and then drove away.

The rain gradually subsided, and the sky suddenly turned blue.

“It’s raining and the sun is shining.”

ye xiao xiao looked out of the window and muttered to herself.

“This is the season now, so you must prepare an umbrella at any time in case of need.”

an zi hao replied as he drove leisurely and looked out of the window.

ye xiao xiao glanced at an zi hao.

She suddenly found that there was a faint rainbow coming out of the sky.

“There is a rainbow!”

Celia shouted excitedly when she saw the rainbow.

an zi hao seemed to be stunned by the surprise of ye xiao xiao. He felt that this girl was really special.

“It’s normal to have a rainbow after the rain.”

an zi hao replied in a low voice.

“I know, but I’m still happy to see the rainbow.”

ye xiao xiao stared at the rainbow in the sky with her mixed race eyes.

Seeing the innocent look of ye xiao xiao, an zi hao couldn’t help smiling.

According to the address of ye xiao xiao, an zi hao sent her to a nearby place.

“Well, you can stop here.”

Seeing that she had arrived at the bus station near her home, ye xiao xiao asked to get off.

“Thank you for sending me back. I’ll treat you to dinner if I have the chance. I’m leaving now.”

After saying that, ye xiao xiao was about to open the door and get off.

an zi hao suddenly said, “ye xiao xiao, I remember.”

ye xiao xiao was stunned. Didn’t he hear her name clearly? How did she know now?

Did he do it on purpose? He must have done it on purpose!

What did he remember? Remember her name? Or did he remember that she would invite him to dinner?

He couldn’t understand.

“Don’t worry. I will remember it.”

ye xiao xiao answered expressionlessly.

“My name is an zi hao, please remember.”

Not knowing why, an zi hao couldn’t help but talk a lot in front of Celia.

“I see. There is a name card you gave me last time.”

“Say it again. Let’s make a deeper impression. Maybe we will meet again one day.”

A meaningful smile appeared on an zi hao’s flawless face.

“I don’t think we will meet again. These two times are completely accidents.”

After saying that, ye xiao xiao got off the car and left.

Looking at the receding figure of Celia, an zi hao couldn’t help smiling meaningfully.

ye xiao xiao went back home and sat on the sofa in a daze.

He stared at something for a long time as if he was thinking about something.

She shivered all of a sudden. What the hell? Why did she always think of his place?

She must be crazy. She just met him two times.

“Ah...”

ye xiao xiao lied on the pillow on the sofa and shouted.

On the other side, in the villa of Gu family.

“Home!”

The two babies ran into the hall happily after they opened the door, and the scene in front of them suddenly quieted down.

“Slow down, chen chen and han han.”

Ning Xi walked behind the two babies and said.

“What’s wrong? Why do you suddenly stop? ”

Seeing the two babies suddenly stop and become so quiet, Ning Xi asked with confusion.

“Mommy, who is that?”

The two little babies looked up at Ning stream, and the little meat pointed to the front of the hall.

Ning stream looked in the direction pointed by the two babies, and she was also stunned.

Looking at the woman’s back, Ning Xi knew who she was.

'isn't this Auntie? Why is she here?

Then, he followed her in.

"Are you waiting for me at the door? Why don't you go in?"

gu jin yi teased her deliberately and asked with a smile.

Ning Xi was stunned and didn't notice what gu jin yi said.

The two babies ran to gu jin yi and asked, "Daddy, who is that grandma?"

gu jin yi also looked in the direction pointed by the two babies.

"Mom..."

gu jin yi was also surprised to see pei xiu juan. He wondered why she would come at this time?

But when he came to his senses, he called her.

Sitting on the sofa, pei xiu juan seemed to hear her son gu jin yi's voice faintly. She turned around and looked at the source of the voice.

"Son!"

pei xiu juan stood up excitedly and ran to gu jin yi slowly.

She threw herself on gu jin yi, "I miss you so much. If I didn't come, you wouldn't have picked me up and forgotten me, would you?"

pei xiu juan looked wronged and a little angry.

"Oh, my son seems to have lost some weight. Let mommy see if he really has lost some weight."

As soon as pei xiu juan arrived, she kept looking at gu jin yi, not giving gu jin yi any chance to speak.

Because of her height, pei xiu juan stood on tiptoe to let him look down at her carefully.

However, pei xiu juan didn't notice the two little babies and Ning Xi beside gu jin yi. She only cared about her dear son.

But han han, who was standing next to pei xiu juan, seemed to remember something.

She frowned and looked at pei xiu juan with her big watery eyes.

chapter 184

"Mom, mom, let's go inside."

gu jin yi couldn't do anything about his mother. Every time she came, she would cause a big trouble.

Ning Xi snickered when he saw gu jin yi behave like this only to his mother.

It seemed that only his aunt could deal with him.

Pushed by gu jin yi, pei xiu juan finally walked to the sofa in the hall and let her sit down.

“Let me tell you. No matter how busy you are at work, remember to eat, okay?”

pei xiu juan kept nagging.

gu jin yi kept silent and nodded repeatedly to show that he knew what he meant.

gu jin yi was also helpless with his mother, pei xiu juan. She was still like a child to him. He was an adult now. Was he afraid that he couldn't take good care of himself?

When the two babies saw this scene, they thought that this grandma was really like their mommy.

At this time, the two little babies and Ning stream also walked carefully to the sofa.

Now pei xiu juan's eyes fell on Ning Xi and the two babies.

“Son!Who are these two babies? ”

While speaking, pei xiu juan walked slowly to the front of the two babies and reached out to touch their tender faces subconsciously.

pei xiu juan's eyes were full of affection for the two babies.

The two babies took a step back subconsciously. After all, it was their first time to see each other and they were a little strange.

Then the two babies kept staring at pei xiu juan, feeling that she looked familiar.

“Beautiful grandma!It's you! ”

han han suddenly remembered where she had met pei xiu juan. The first time she met pei xiu juan was at the airport. It was the first time she saw her at the airport on the day she just came back.

There was another time when they met in the supermarket.

At that time, the three of them met each other.

“YouHave we met before? ”

pei xiu juan seemed to remember something. No wonder she felt familiar when she saw the two babies for the first time.

She felt a sense of familiarityMaybe it was because they had met at the airport, or maybe it was because they were related by blood

“Beautiful grandma, we met at the airport.”

chen chen stood forward and said affirmatively.

Because of chen chen's words, pei xiu juan had completely remembered that the two babies she met at the airport were the two babies in front of her at the moment.

At that time, he thought the little boy looked like his son, gu jin yi. Now they met again. It seemed that they were destined to meet.

“It’s you! We are so lucky to meet here again. ”

pei xiu juan said happily and excitedly.

Ning Xi, who was standing beside them, looked at them blankly and was a little worried.

pei xiu juan came at this time and saw chen chen and han han. Would she be suspicious?

What should I do? What if they find out the identity of chen chen and han han?

Ning stream was short of breath and nervous.

Standing next to them, Jean was confused. How could the two babies know her mother? Did they meet before?

He only knew that he had met han han in the supermarket last time. But chen chen, it should be the first time that his mother met her. Then why didn’t the three of them seem to have met each other for the first time?

“chen chen, han han, you do you know grandma? ”

gu jin yi asked tentatively.

“We met at the airport the day mommy and I came back.”

The two babies answered at the same time.

Ning Xi tensed up. chen chen and han han, are you trying to expose your mother face to face?

Only then did gu jin yi realize that there was a meaningful smile on his deep and unpredictable handsome face, and a warm smile appeared on his angular lips.

It had to be said that this was fate. His child had met his own grandmother on the first day he came back.

A touch of relief and joy rose in her heart.

gu jin yi looked at Ning Xi subconsciously, and she said guiltily, “Why are you looking at me? I didn’t bring them back. They are their biological mother. ”

Ning Xi answered without hesitation.

gu jin yi looked at Ning Xi in confusion. This stupid woman thought he looked at her because of who brought the two babies back?

She had no choice but to hide the identities of the two babies. If she hadn’t known the identities of the two babies, she would have exposed her love for them at this time.

gu jin yi looked at Ning Xi. In fact, he just wanted to thank her for giving birth to two smart and cute children for him. Perhaps she thought he was suspecting the identity of the two babies.

“chen chen, han han, this is daddy’s mother. Call her grandma.”

gu jin yi said to the two babies in a spoiled tone.

“Daddy, Mommy, you are so young, beautiful grandma!”

The two babies said at the same time, smiling innocently.

The two babies were so sweet that pei xiu juan liked them more.

“Hey, you are so sweet.”

pei xiu juan touched her face happily and said to the two babies shyly.

“But, son!What did you ask them to call me?Grandma?What do you mean?Are they your children? ”

Perhaps it was because pei xiu juan was too happy that she realized what gu jin yi had said.

She looked at gu jin yi in surprise, as if expecting his answer.

However, Ning Xi, who was standing aside, spoke in a hurry before he could speak, “Mom, chen chen and han han are adopted by me and Jin Yi.”

She was afraid that she would be suspected and expose the identities of the two babies.

“You adopted her?”

pei xiu juan asked with certainty.

“Okay...”

ning xiao xi nodded without hesitation.

pei xiu juan looked down at the two babies slightly, and then turned around to look at Edmund. There was an incomprehensible meaning in her divine eyes.

Seeing pei xiu juan’s expression, Ning Xi wondered if she had seen through something?Ning Xi was a little nervous.

gu jin yi noticed the expression on Ning Xi’s face. She must be worried again.So gu jin yi said calmly.

“Mom, don’t you always want a grandson?chen chen and han han will be your grandson from now on. ”

“Son, it’s different. I want your child, not adopted one!”

pei xiu juan pouted and pretended to be angry, indicating that gu jin yi didn’t understand her at all.

“Grandma, we are daddy and Mommy’s children now.Doesn’t grandma like us? ”

The two babies stared at pei xiu juan with their big watery eyes, as if they were communicating with her.

chapter 185

Looking at the two babies, pei xiu juan's heart was melted by their soft eyes. She was reluctant to refuse.

"Of course I like you!"

pei xiu juan smiled at the two babies, as if she was worried that they would be sad.

"Ha ha We also like Grandma. "

The two babies came close to pei xiu juan and clung to her closely.

"chen chen, han han, you keep grandma company. Mommy will cook dinner for you."

Standing here, Nina didn't know what to say. Seeing that it was late and it was time to cook dinner, she walked into the kitchen.

"chen chen han han, spend more time with grandma. Daddy will help Mommy."

Then, he followed Nina into the kitchen.

The two babies chatted with pei xiu juan in the hall.

After all, they were a family. Although they had only met each other twice, the two babies and pei xiu juan still talked a lot.

"Grandma, look, this is a new book from our kindergarten."

The two babies took out a new book from their schoolbags and shared it with pei xiu juan's grandmother.

Looking at the two children in front of her, pei xiu juan was confused.

Why are these two kids here? Besides, the little boy looked almost exactly like his father when he was a child. She didn't believe that the boy was adopted. How could it be such a coincidence?

But she had never heard from him that he had a child. Where did these two children come from?

pei xiu juan couldn't figure it out, so she had to find an opportunity to make it clear.

"chen chen, han han, where are your biological parents?"

pei xiu juan asked tentatively.

The two babies were smart enough to know what pei xiu juan meant. It seemed that she wanted to know why they were adopted.

The two babies looked at each other secretly and rolled their big dark eyes.

“Our daddy and Mommy abandoned us, and now daddy took us in. Daddy is too kind. He is very good to us now, and we will also be good to him in the future.”

The two babies pretended to be pitiful and made up an excuse to answer pei xiu juan.

The expressions and tone of the two babies were very sincere. pei xiu juan didn't doubt it at all and completely believed what they said.

“Oh, poor girl, how could your parents do this to you? You are so cute. How can you have the heart to do that?”

pei xiu juan felt sorry for the two babies. Hearing their words, she suddenly felt that their biological parents were so hateful that they abandoned them.

“Yes, we used to be very pitiful. Now we meet daddy and Mommy. We feel so happy!”

The two babies still looked pitiful.

She softened the heart of pei xiu juan, who was always the same lover.

The two little babies were really talented in acting. Actors were actors, and they talked one by one. Even if they were not experts, they could not see that they were deliberately pretending.

“chen chen and han han will live here from now on. You can live with your parents and grandmother from now on.”

pei xiu juan gently held the two babies in her arms and fondled their heads.

pei xiu juan was eager to have a grandson, so when she saw chen chen and han han, she was eager to have a grandson.

Especially when she saw chen chen, she felt as if she had seen Edmund when he was a child.

If she didn't know that the two babies were not her own grandchildren, others would think they were her grandchildren if she took them out.

The two babies looked at each other strangely with their bright eyes in pei xiu juan's arms, and a wicked smile appeared on their childish and lovely faces.

gu jin yi and Ning Xi, who were busy cooking dinner in the kitchen, were cooking dinner attentively.

“What's wrong? Don't say a word.”

gu jin yi noticed that there seemed to be something wrong with Ning Xi. He went to the kitchen from the hall without saying a word and kept cooking quietly.

“No, I didn't. what else can I say when I cook?”

Ning Xi answered casually.

“Did I scare you today?”

gu jin yi asked tentatively, guessing that the silence of Ning Xi must have something to do with his mother's sudden arrival.

"Do you think Auntie will not allow us to adopt chen chen and han han?"

Ning Xi asked in a soft voice. It seemed that pei xiu juan wanted to have a grandson at that time, and she didn't want to adopt him that much.

After all, gu jin yi and pei xiu juan didn't know that the two babies were his own children and her grandsons, so Ning Xi worried that they might not be able to live with her anymore.

"I like chen chen and han han very much, but I don't want to come here at once. Don't think too much."

gu jin yi an said to Funing stream.

"I hope so."

Ning Xi murmured expressionlessly. He was still a little worried.

"Ning Xi, you are my wife now. Do you call me mom? Then who am I?"

ADVERTISEMENT

Only then did gu jin yi notice that Ning Xi called pei xiu juan in a strange way.

"I'm not used to it."

Ning Xi stammered. After all, she had been called aunt for a long time, and it was strange that she suddenly changed the way she called her.

"You are my wife now. It's time to get used to it."

gu jin yi said in a low and clear voice, looking at Ning Xi with his deep and unpredictable eyes.

Ning Xi raised his eyebrows and pouted, "I see."

Soon, the dinner was ready.

"chen chen, han han, have dinner with grandma."

Ning Xi put the tableware on the table and shouted at the two babies.

Hearing the sound of Ning stream, the two babies and pei xiu juan walked from the hall to the dining room.

"Come on, let's sit on it."

When pei xiu juan was about to pick up the two babies, they suddenly said, "grandma, sit down first. We can sit on our own."

The two babies were sensible. They pushed out a chair for pei xiu juan and let her sit on it.

Then she climbed onto the chair again.

pei xiu juan smiled with relief, "my grandson is so considerate."

Then, the whole family sat at the table and began to enjoy the delicious dinner.
