chapter 190

"You are so ridiculous. Why do you think I will help you? Besides, whether you are in the company or not has nothing to do with me, and it has no impact on me."

All of a sudden, Ning Xi felt that he was a fool. How could he think of asking for his help? She didn't know how she treated others. Who would help her?

She wanted to let Susie know that she was not a soft hearted person, and she would never be soft hearted to her dead opponent.

"Well, Ning Xi, that's what you said. Don't say that I didn't give you a chance. It seems that you are not heartbroken."

If vivi's expression immediately changed, her enchanting eyes immediately became disdainful, and an incomprehensible weirdness flashed across her expression.

"What do you mean?"

Ning stream seemed to understand something. She stared at Ruyu with her clear and misty eyes, wondering what she meant.

"Ning stream! Stop pretending. Didn't gu jin yi tell you about the two dead children?"

If she glared at Ning Xi with a little ferocity, she would think that Ning Xi was too hypocritical and had to pretend everything. Was it meaningful in front of her?

Ning Xi was stunned. What did gu jin yi tell her? It was about her two children.

She didn't know what had happened between them. At this moment, Ning Xi looked confused.

Ning stream was about to ask, but Ruyu spoke first.

"Then why do you think I was fired for no reason? gu jin yi fired you because of your two dead children."

ning xiao xi didn't understand what she was talking about, but she seemed to be confused and wanted to know what had happened.

"Susie, can you make it clear?"

"Stop pretending, Nina. I did it on purpose when your two dead children had a car accident. What can you do? She was just fired by the company? I just want you to be heartbroken. Who knows that the damn car is useless, and it didn't hit the two dead children to be disabled or something like that!"

Susie was so angry that she blurted out all the words.

When Ning Xi heard what Ruyu said, his face suddenly darkened. He frowned and his amber pupils shrank slightly.

She understood. She understood.

It turned out that the matter between the two babies was done by Ruby.

“What did you say! It’s you...”

“Clap...”

Hearing what she said, there was only one thought in Ning Xiao Xi’s mind: to slap the two little babies who hurt her to death.

Without thinking, a slap fell directly on the stiff face of Susie.

Ning Stream became a little excited. She tightly grasped the clothes of Ruyi. The perpetrator of her two children was in front of her from afar.

She had never thought that it would be done by Susie. Although she knew that they were at odds in the company, she had never thought that she would do such a despicable thing to hurt two children at such a young age.

“Ning Stream! How dare you hit me!”

Before she could react, a slap fell on her face. She covered her stiff face slightly and glared at Ning Xi with a fierce haze in her enchanting eyes.

“Do you think this slap can make up for what you have done to the two children? This slap just wakes you up.”

There was a nearly crazy aura in Ning Xi’s clear eyes. He wished he could strangle her.

“You...”

“Clap...”

Then he slapped on her face again.

Before she could say anything, Ning Stream slapped her again.

“Let me tell you, this slap is to tell you that no one can hurt the two children.”

Ning Stream seemed to have changed into another person, and its usual state was completely different from the current state.

His expression was harsh, and there was no emotion in his clear eyes.

She didn’t give Ruby a chance to speak.

If she was slightly turned around by the slap from Ning Xi, her stiff face would become particularly white because of the powder, and the slap left a deep red mark on her face.

If Vivi was not a person to be bullied, of course she would fight back after being slapped by Ning Stream for two times.

As soon as she raised her head, she was about to slap Ning Xi in the face. But Ning Xi immediately reacted, grabbed her hand and threw it away.

Then he launched a counterattack.

“Clap!”

That would be great

Susie was stunned. Ning Xi, what was she doing? He slapped her three times in a row! Three slaps!

“This slap is to tell you that I am not a pushover. If you do something, I can’t guarantee what I will do to you.”

ning xiao xi didn’t shrink back this time, nor did she allow her to bully her as before. The two babies were her bottom line. Whoever hurt her would get the retribution no matter what the cost was.

And if she covered her face slightly, because of three slaps, her face was slightly red and swollen, with a hint of tingling pain.

She stared at Ning Xi in disbelief.

This time, she had a completely new appraisal of Ning stream. She had never seen her like this.

Not five years ago, not long ago, and this time, his opinion of her had completely changed.

She had changed from a weak person to a person who was not afraid of death.

But she was not a pushover. Even if Ning Xi changed, she would never be afraid of flinching.

“Then let’s have a try. I will treat the two dead children well. Ha ha! ”

Said Susie with a sneer.

Knowing that the two babies were the most important weakness of Ning stream now, she would never let go of this opportunity.

“If you dare to hurt two children, I will never let you go!”

Nina’s breath was a little short. She held her shoulders tightly, as if she was always worried. After all, the two little babies couldn’t stay with her all the time.

If she really wanted to do something to hurt the two children, it should be very simple.

“Humph, I just want to see you going crazy. The more sad you are, the happier I will be!”

With a slight shake, Ning stream’s hands were thrown down.

“Susie! I warn you! If you have anything, just come to me. Don’t get involved with the two children. They are innocent! It has nothing to do with this matter!”

Ning Xi warned her madly.

If she saw the excited and crazy expression on Ning Xi's face, she was very proud.

chapter 191

"Sometimes I just can't figure it out. It's not your own child. Why are you so excited? Don't you think your stepmother is a little too pretentious?"

If she still couldn't understand what Ning Xi was thinking, how could she accept the fact that the two children were born by gu jin yi and another woman so calmly and take care of them, as if she was treating her own children.

This was not something a normal person could do.

He thought it was hard to guess whether she was pretending or not.

"It's my business how I treat my two children. Since they are Edmund's children, they are also my children. Don't you feel ashamed to do such a thing to two children at such a young age?"

ning xiao xi didn't explain too much. Since she thought so, let her think so.

But when she thought of what she had done to the two babies, she couldn't get over it.

"Well, it depends on my mood. So you'd better not provoke me. You can decide the consequences by yourself."

"I can do anything for my two children. If it doesn't work, you can have a try!"

With a determined look in her eyes, Ning Xi left. Before she could say anything, she didn't know what to say.

Ning Xi walked into the company and returned to his office in a trance.

In the office of the design director.

Ning Xi sat down slowly in front of his office chair.

She lost her mind and recalled the conversation she had just had with Leona.

According to what she said, he had already known the reason why chen chen and han han had an accident. Then why didn't he tell her? Hiding it from her.

No wonder he asked the company to fire Leona for no reason. So he decided to do so because of the two babies.

Ning Xi thought for a while in silence, and then returned to work. He planned to go home and ask her about it.

Not knowing why, Nina had been thinking about the two babies all morning because of what she had said. She couldn't help but think of them.

So at lunch time, Ning Xi decided to go to the kindergarten to see them.

.....

“Mommy!”

The teacher walked out of the kindergarten with two babies.

Ning Xi couldn't help smiling when he saw the two babies.

“Teacher, can I take them out for lunch this noon?”

Ning Xi asked politely.

With the consent of the teacher, Ning stream took the two babies to the restaurant.

Since the two babies were his and gu jin yi's children, he didn't take them out for dinner.  
restaurant.

“Mommy, why did you take us out for dinner today?”

The two babies also felt a little strange. They used to have dinner in the kindergarten when they were at school, but today they suddenly came out to have dinner.

“Mommy is in a good mood today. Isn't it good to invite you to dinner?”

Ning Xi teased.

“Of course. I hope Mommy will be in a good mood every day.”

Sitting opposite to Ning stream, chen chen had a charming smile on his young and delicate face.

chen chen hoped that his mother could be happy every day.

“Ha haThen Mommy can take us out for lunch every day. ”

Suddenly, han han spoke in a childish tone, thinking of eating again.

han han put a sushi with meat in front of her, glanced at it lustfully, and then put it into her mouth and ate it all.

Ning Xi looked at her daughter helplessly, “han han, slow down. Eat slowly.”

She could do nothing to her foodie daughter.

Every time she ate something, she didn't seem to need to chew it and directly swallowed it.

Looking at her two children, Ning Xi was in a good mood every time.

“Mommy, I think you should ask daddy out for lunch too.”

chen chen suddenly mentioned their father, gu jin yi.He wouldn't miss any chance to let gu jin yi and Ning Xi be together.

“He is very busy.”

Ning Xi answered casually.

“As long as we call Daddy, he will come immediately.”

han han said in a sweet voice and looked firm.

“How is that possible?She was so busy every day that she might not have time to answer the phone.If you don’t believe me, you can call him. ”

Ning Xi said casually while drinking juice lazily.

“Mommy, let’s call Daddy. If he doesn’t answer the phone, then forget it.”

chen chen added.The two babies said in chorus.

“Well...”

Ning Xi suddenly felt that he was tricked by the two babies. Was he really going to call gu jin yi?

But now that she had said it out, she couldn’t fail to do what she said in front of the two babies.

She had no choice but to listen to them.

“Mommy, do you want to go back on your words?You asked us to call Daddy just now. ”

The two little babies squinted at Ning stream, and their bright eyes seemed to have a kind of aura that could not be refused.

“How is that possible?Have I ever regretted what I said? ”

Ning Xi still had to answer the two babies against his conscience.

In fact, Ning Xi didn’t want the two babies to call gu jin yi.

But she had no choice but to agree with the two babies.

“OK, since Mommy agreed so readily, let’s call Daddy.”

han han immediately picked up her phone and watch, and dialed his number.

“WellWait a minute...”

As soon as han han heard that Ning Xi agreed, she dialed gu jin yi’s number. Ning Xi wanted to say something, but han han didn’t know what to say.

At this moment, Ning Xi could only pray in his heart that gu jin yi was too busy to answer the phone

As expected, han han dialed the number for nearly ten seconds, but it was still not answered.

Ning Xi began to feel happy. She was right to pray that she didn’t have time to answer the phone.

chapter 192

The two babies began to feel a little depressed, and Ning Xi was very happy.

But when she saw the two babies were sad, she still comforted them.

“chen chen, han han, your daddy is busy now. Let’s not disturb him and have lunch with the three of us.”

han han hung up the phone. In less than three seconds, her watch rang. Suddenly, a deep and magnetic voice came.

“Is that han han?”

“Daddy!”

han han shouted excitedly when she heard the phone was connected.

Ning Xi’s expression changed dramatically. What the hell? Did gu jin yi call back in three seconds? It was too fast! She was still in a bad mood!

Just now she was glad, but now she suddenly became disappointed.

“Daddy, daddy, why don’t you answer han han’s phone?”

han han pouted and acted like a spoiled child.

“Well, beautiful girls will never mind. I forgive you.”

han han and gu jin yi chatted merrily.

She seemed to have forgotten what she was going to do and called him out for lunch.

chen chen reminded han han with his eyes before she realized what had happened.

“Daddy, I have a good news for you. Mommy wants to invite you to lunch.”

han han narrowed her eyes and stared at Ning Xi. Her dark eyes were rolling and her head was thinking about something.

ning xiao xi was stunned by han han’s words. What did she mean by saying that she specially wanted to invite gu jin yi to dinner? It was just a casual lunch?

“Okay, I’ll send you the address.”

Then, han han hung up the phone and quickly sent the address to gu jin yi.

In the CEO Office of Empire group.

gu jin yi put down the documents in his hands and was about to go out to the dining room.

At this time, his assistant, xu chen, came in from outside. “President, you have an appointment with Mr. Zhang for lunch today. It’s time to go.”

Jacob reminded him of what he needed to do today.

“Cancel it. We’ll make an appointment next time.”

gu jin yi picked up the suit jacket on the office chair and walked out of the door directly.

“Mr. Brian, i...”

gu jin yi left the office before Darren could say anything.

Jacob was stunned and stood still.

Did he cancel the dinner with zhang dong?

He would never delay his work because of anything. He would definitely finish it on that day, which was his usual style of doing things. Why did it change today?

Darren frowned and walked out of the CEO office.

In the dining room.

“Why did you lie to your father? I asked him out for lunch. ”

Ning Xi squinted at han han and asked.

han han pretended not to understand the meaning of the stream and asked, “what? What did I lie to daddy? ”

“Why did you say that I invited him to dinner on purpose?”

Ning Xi looked at han han with a poker face.

han han rolled her dark eyes and couldn't think of anything to answer Ning Xi.

Seeing this, chen chen suddenly came up with an idea.

“Mommy, you seem to have lost your lipstick. It's time to fix it.”

chen chen suddenly said, staring at the lips of Ning stream.

The expression on his face was obviously exaggerated.

“Really?”

Ning Xi subconsciously took out the lipstick and mirror from his bag and found that the lipstick was almost gone.

Then Ning Xi smeared it carefully.

At this time, she didn't care about the question of specially inviting gu jin yi to dinner.

The two babies looked at each other strangely, and there was a little snicker in their long narrow eyes.

When Ning Xi was applying lipstick carefully, the two babies suddenly shouted.

“Daddy is here!”

They saw the two babies' big sharp eyes the moment he entered the restaurant.

gu jin yi came to the restaurant in a hurry and stopped all his work, not knowing whether it was because of han han's call or because han han said Ning Xi would treat him lunch.

Because of the loud voice of the two babies, Ning Xi was so excited that his lipstick accidentally scratched the corner of his mouth, but she did not notice it herself.

"Who? He came so soon?"

Ning Xi subconsciously looked in the direction of the two babies.

A tall and strong figure came into view.

She felt that she hadn't completely applied the lipstick yet, but he had come. It was not good for her image.

Although she didn't mean to show more image in front of gu jin yi, she had to pay attention to her image in public.

gu jin yi walked towards Ning Xi and the two babies. They were so happy with a big smile on their faces.

"Daddy!"

gu jin yi walked up to the two babies and they shouted excitedly at the same time.

gu jin yi fondly touched the two babies' heads.

Then he looked at Ning stream, who was sitting opposite to the two babies.

gu jin yi wanted to say hello to Ning Xi, but when he saw the lipstick on her lips, he was stunned.

When the two babies saw their daddy, bill, had been watching their mommy ning xiao xi, they also looked at it at the same time.

She did see something that she shouldn't have seen.

"Why are you all looking at me?"

Ning Xi was confused. He didn't understand why Yun Shang and gu jin yi were staring at him.

"Honey, do you know I'm coming to give me a surprise?"

gu jin yi raised his eyebrows and looked at Ning Xi with his long and narrow eyes.

"Mommy, are you too excited to see daddy?"

The two babies looked helpless and stared at their mommy, Ning stream, blinking.

Ning Xi frowned and couldn't figure out what the two babies and gu jin yi meant.

Then, he sat next to Ning stream, with his slender hand close to her s\*\*y lips. Ning stream subconsciously stepped back, "what do you want to do?"

gu jin yi suddenly held the back side of Ning stream's head. Ning stream was frightened.

Then gu jin yi gently touched the lipstick at the corner of her mouth.

Not knowing why, Ning Xi's face turned red and his eyes were blurred.

Because gu jin yi's s\*\*y thin lips were only a few centimeters away from her cherry lips.

"I put on some lipstick."

gu jin yi said lightly.

It was not until then that ning xiao xi realized what had happened. She immediately picked up her phone and looked at the screen.

Seeing the little lipstick mark on her face, she blushed even more.

Ning Xi secretly glanced at gu jin yi and the two babies and found that they were all staring at him. They must be laughing at him.

This was embarra\*\*ing. She could even wear a lipstick askew, and most importantly, she was run into by the three of them.

chapter 193

"I need to go to the bathroom first."

Ning stream didn't know how to describe her feelings at the moment, and felt so embarra\*\*ed. She stood up and walked directly to the bathroom.

Looking at the back of Ning stream, the two babies couldn't help but burst into laughter.

"Daddy, mommy has put on such a beautiful makeup to invite you to dinner."

Seeing Ning Xi had gone far, the two babies turned around, squinted at gu jin yi and whispered in a low voice.

"Really?It's the first time that she has specially invited me to dinner. "

Obviously, gu jin yi was a little surprised. Thinking of the words of the two babies, he couldn't help feeling happy.

So he couldn't help smiling with relief on his deep and handsome face.

The two babies looked at each other secretly. They both knew that only in this way could they promote their relationship.

The two babies chatted happily with gu jin yi. Soon Ning Xi came out of the bathroom.

"Mommy, have you finished your lipstick?"

The two babies asked in a sweet voice as soon as they saw Ning Xi.

Hearing the two babies' question, ning xiao xi's face turned red again.

chen chen and han han, can you just sit quietly and have your lunch?Don't you know that your mother is very embarra\*\*ed now.

Ning Xi pursed his lips and nodded awkwardly.

Then, han han ran to gu jin yi and sat down next to him, while Ning Xi sat next to chen chen.

Soon, the waiter served the delicious lunch.

“Wow, today’s lunch is so rich. It seems to be delicious...”

han han stared at the delicious food on the table with her bright eyes, almost drooling.

“To thank my dear wife for inviting me to dinner, it’s my treat today!”

gu jin yi said with a satisfied smile.

“Yeah!Long live Daddy! ”

The two babies agreed with one voice.

“Hey, I think I need to explain...”

“Mommy, eat it quickly. It won’t taste good when it’s cold.”

The two babies spoke before Ning Xi could finish his words.

“Honey, just eat. You don’t need to thank me.”

gu jin yi gracefully picked up a strawberry and extended it to Ning Xi, who was sitting opposite to him.

Ning Xi was taken aback by gu jin yi’s sudden move.

“Mommy, why are you looking at me?Open your mouth! ”

“Daddy, you are so considerate. I love you...”

Ning Xi squinted and looked at the two babies. chen chen and han han, are you her son and daughter or his a\*\*istant?

“Mommy, although we are beautiful, you don’t have to stare at us all the time. Let’s eat strawberry first.”

The two babies looked at the strawberry on the fork in gu jin yi’s hand and asked Ning Xi to eat it as soon as possible.

At last, Ning stream opened her mouth and ate the strawberry fed by the two babies.

“Daddy, mommy likes strawberry very much.”

chen chen squinted his eyes and pouted at gu jin yi.

“I... when did I say that I like strawberry?”

Ning Xi asked in reply with a guilty look on his face.

“Mommy, you ate a big box of strawberry you bought last time.”

chen chen looked at Ning Xi expressionlessly, and his eyes looked exactly like gu jin yi.

“I... I’m just hungry.”

Ning stream wanted to dig a hole in the ground. Don’t be too embarrassed.

ADVERTISEMENT

chen chen, don’t you mean that Ning Xi is a foodie?

Nina stole a glance at him subconsciously. She didn’t expect to meet his dark eyes.

Ning Xi immediately looked back. Why did she eat like a thief today?

The two babies stopped talking about the embarrassing topic with gu jin yi, and Ning Xi relaxed a little.

“Come on, this is chen chen’s favorite. This is han han’s favorite.”

gu jin yi put their favorite food on the plates of the two babies.

“Thank you, Daddy!”

The two babies replied politely and then began to eat happily.

The family had lunch happily. The scene was so warm and beautiful

After lunch, a family of four walked out of the restaurant.

“If you have something to deal with, go back to the company early.”

Because when they were having dinner, a phone call came, and he hung up without saying anything.

Ning stream guessed that there must be something urgent in his company.

So she decided to go back with the two babies. She hadn’t taken a walk alone for a long time.

“I’ll drive you home.”

gu jin yi said in an indifferent tone.

“Your company...”

“Wait a minute. I’ll drive the car here.”

Before Ning Xi finished his words, gu jin yi walked towards the car.

Ning Xi said nothing more.

At this moment, when he was having lunch in the restaurant, he happened to see Ning stream with two little babies. His dark eyes narrowed slightly.

That is brook?

Then who were the two children beside her?

Before he noticed that the two babies were chen chen and han han, the moment gu jin yi drove over, he saw the two babies turning around at the same time.

chen chen and han han?

He immediately stood up and walked out of the restaurant.

But she came a little late and watched him drive away.

Standing straight outside the restaurant, he watched the car drive away step by step with his deep charming eyes

gu jin yi, Naomi, and two childrenThe four of them

Seeing this, Richie was confused.

He had told Ning Xi that gu jin yi had a child with another woman, and he had also said that he would take her to prove that she was not willing to live or believe him.

But now, she was having lunch with gu jin yi's two children and four people. What was going on?

He couldn't figure it out, so he had to ask Ning Xi about it clearly.

gu jin yi sent the two babies to the kindergarten first.

"I'll get off the car and go to the company by myself. You go ahead with your work."

Ning Xi said, gesturing to open the door and get off. gu jin yi immediately locked the door, so Ning Xi couldn't get off.

"You are my wife. If I don't give it to you, who else can?"

Then gu jin yi drove away.

Ning Xi looked sideways at gu jin yi, with a meaningful expression in his clear eyes.

Ning Xi suddenly remembered what Ruyu had said in the morning.

"Why didn't you tell me that it was chen chen and han han's accident because of her?"

Ning Xi looked at gu jin yi expressionlessly. She couldn't guess how Ning Xi was feeling now.

gu jin yi was in a trance.
