chapter 194

How did the stream know about it?

gu jin yi didn't intend to tell this to Ning Xi, in order not to make her think too much.

"How did you know that?"

gu jin yi said.

He looked very calm, which had reached a certain level.

"It doesn't matter how I know. The most important thing is that you didn't tell me."

Ning Xi's face was still expressionless, and his tone became a little heavy.

"I just want you to be healthy and happy."

gu jin yi opened his thin lips and kept silent.

Ning Xi fell silent and didn't know how to describe his feelings at the moment.

"Are you asking the company to fire her because you slightly hurt chen chen and han han?"

In fact, Ning Xi had already thought of this answer. Otherwise, according to gu jin yi's style of doing things, it was impossible for him to do so.

"You have crossed my bottom line. Everyone has to pay the price!"

gu jin yi didn't answer Ning Xi directly, but Ning Xi understood what gu jin yi meant.

'I and the two babies are my bottom line

Nina remained silent. She glanced at Jean and then looked back. Was she really so important to him with the two babies?

When they arrived at the company, he saw Ning Xi enter the company and left.

On the other side.

In the car.

Susie was talking with several men.

"Keep an eye on these two kids."

She took out a photo and threw it to the man sitting in the driver's seat casually.

"This is what happened last time..."

The man wanted to say something, but was stopped by a word from her.

“You just do what I tell you to do. Don’t worry about anything else!”

She crossed her arms over her chest and said arrogantly and coldly.

“Then what benefits can we get?”

The man’s eyes fell on her.

The man in the back seat also looked at her s**y body.

She could sense it at a glance, but she didn’t say it clearly.

Instead, she glanced at them with disdain. If she didn’t know these people, they would never do anything harmful.

“Once this is done, you will benefit a lot.”

If she knew their style of doing things, she would say.

“Okay. What’s the matter?”

The man asked.

With a slightly cautious look, she slowly approached the man beside her and said, “well...”

.....

In the car, Susie told them what she wanted to do.

They had talked about it for about two hours, and they were all planning how to make sure everything was all right.

“We’ll take care of it. You just need to prepare this.”

The man pretended to be complacent, indicating that if vivi had prepared the money for them.

“If you do it well, you will get a lot of money.”

Rufus said coldly.

“If you are satisfied with what I have done, I want one more thing.”

The leader man approached her slightly and raised his thick hand to her fake chin.

She looked at Rufus with lustful eyes and thought of all kinds of bad ideas.

“Don’t worry. Everything is done. You can do whatever you want.”

Leona subconsciously took off the leader man’s hand and put it on her white and s**y thigh to let him taste the sweetness first.

She couldn’t refuse him too obviously. She needed their help to deal with gu jin yi ning stream, and she couldn’t screw it up.

The leader's man smiled sinisterly. His face was so close to hers, and he subconsciously turned his head and put his hand in front of her.

"Well, I have some work to do. Tell me if you have any news."

Then, she got out of the car in a hurry.

Humph, you guys want to take advantage of her. Why don't you look at yourself in the mirror first.

If it weren't for the fact that she needed their help, she wouldn't want to stay with them for even a moment.

For the whole afternoon, she had been planning her plan.

gu jin yi, Ning Xi. She will make you beg her humbly! She will pay double for what you have done to her!

On the other side, in the night scene film company.

ye xiao xiao sat on the chair and carefully read the script, imagining the scene of the man and the woman meeting.

"Actually, I fell in love with you when I first met you."

ye xiao xiao was giving a speech to the script. Her expression and tone were as professional as a professional actress.

"If you like me, let's be together."

When ye xiao xiao said this, she suddenly realized that this script was too dramatic. This was not her style!

"I feel dizzy. What kind of TV play is this? The heroine is not reserved at all."

ye xiao xiao seemed to feel the same way and suddenly became sensitive to these lines.

Looking at the script in her hand, ye xiao xiao suddenly thought of an zi hao.

ye xiao xiao was stunned for a while.

When she came back to her senses, she blinked her beautiful eyes. What happened? How could she think of him?

ye xiao xiao, are you? Did she fall in love with him? Was this the legendary love at first sight? What happened to her?

ye xiao xiao kept silent and thought of the two scenes when she met zi hao.

Oh, Celia, are you crazy! They just met for two times.

ye xiao xiao shook her head and felt dizzy.

"Celia, what's wrong?"

At this time, xiao tao, Celia's assistant, came over. Seeing her abnormal behavior, she asked in confusion.

"Nothing, nothing..."

ye xiao xiao's fair and smooth face was obviously a little red, and her eyes were somewhat blurred.

"I'm not in a good condition today. Something is wrong."

xiao tao squinted at ye xiao xiao, as if she could tell what ye xiao xiao was thinking at a glance.

"Really?"

ye xiao xiao covered her face and asked.

"Tell me the truth. Are you in love?"

xiao tao whispered in ye xiao xiao's ear.

ye xiao xiao's watery eyes, which looked like mixed blood, suddenly opened. "I didn't!"

ye xiao xiao replied resolutely.

"Really?"

xiao tao narrowed her eyes and put on a wicked smile.

"xiao tao, the director is calling you. Hurry up."

ye xiao xiao changed the topic and pointed at the filming site with her fair finger.

xiao tao thought she really ran to the director, but she didn't expect to ask Celia about it.

Looking at the back of xiao tao, ye xiao xiao shook her head helplessly. "Everything will be fine after being told by xiao tao, the gossip king."

But was it like being in a relationship? How is that possible?

chapter 195

Just as Celia was lost in thought, xiao tao turned around and walked over.

"ye xiao xiao, the director said he didn't call me at all."

She squinted at ye xiao xiao, with her mouth pouted and suspicion in her eyes.

"What? Did I hear it wrong? "

ye xiao xiao withdrew her thoughts and lowered her eyes with a guilty conscience. She didn't dare to look at him directly.

xiao tao, xiao tao, don't ask any more. If you keep asking, she will tell you.

ye xiao xiao couldn't hide anything, especially what she wanted to say. As long as someone insisted on asking, she could not help but tell.

“Let’s go. The director asked us to go there first.”

xiao tao picked up the script and other things beside ye xiao xiao.

“Whoosh!”

Fortunately, xiao tao didn’t ask more, or she didn’t know how to open her mouth.

“Let’s go.”

ye xiao xiao stood up from the chair and walked in front.

He was afraid that xiao tao would ask more.

At the VL international design center.

Ning Xi was busy designing evening dresses for the international movie queen. Perhaps it was because he was too focused that he had a full afternoon.

It was time to get off work again. Ning stream set the alarm clock, fearing that it would be too late to pick up the two babies.

As soon as the alarm clock rang, Ning Xi packed up the doc**ents on the table and walked out of the office.

As soon as she walked out of the company, she saw the city.

Ning stream still wanted to avoid him. She carefully walked past the other employees, with her fair and slender hands covering half of her face, hoping that Ye Ling City wouldn’t find her.

“Stream!”

Walking back and forth by the car, he saw Ning stream coming out of the company at a glance.

Ning Xi ignored the Ye Ling City and quickened his pace.

“Stream, are you hiding from me again?”

He walked slowly to the front of Ning stream and squinted at her.

ning xiao xi knew that she couldn’t escape, so she gave up.

She wondered why he came to her this time.

Ning Xi slowly put down his hand that covered half of his face.

“The sun is a little bright today.”

ning xiao xi pretended to be fanning and changed the topic.

“It’s already half past five. Where does the sun come from?”

Richie didn’t get tricked by what Nina said. He stared at her with his bright eyes.

He was not that stupid. His smart head immediately realized that Nina was lying, and it was a little unreliable.

It was not until then that ning xiao xi realized that it was already in the evening. She was so speechless that she didn't even think about telling a lie.

"Tell me, what do you want from me?"

Ning Xi changed the subject and asked him directly.

"Why can't I call you?"

A charming smile appeared on the enchanting handsome face of the city, and his thick and black handsome eyebrows were slightly raised as he stared at Ning stream.

"I have to go now."

With a poker face, Ning stream turned around and was about to leave.

"Yes, it's very important."

He stopped Ning stream and stood straight in front of her.

"How do you know those two kids?"

Seeing that Ning stream was silent, he began to ask the scene he wanted to see at noon.

Ning Xi frowned and was stunned. He didn't understand what ye Ling meant.

"What two children?"

Ning Xi looked at Ye Ling City with contempt. He didn't understand what he meant.

"You were with gu jin yi and two children this noon. What happened to you?"

Ye Ling city seemed to be a little anxious. Sometimes he really didn't understand gu jin yi and Ning Xi.

It seemed that her guess was right. The two babies were his children.

How could gu jin yi go out for lunch with his wife and other people's children so naturally.

But Ning Xi was so happy to go out for dinner with gu jin yi and his two children who were born with other women.

ning xiao xi finally understood what he meant.

However, Nina was not surprised or nervous at all. It seemed that she let Richie feel a little relieved when he saw her. She no longer had to hide for the identity of the two little babies.

After all, the two babies were her and gu jin yi's children now.

No matter what he saw, since he had firmly believed that chen chen and han han were the children of gu jin yi and other women, he would not doubt that they were the biological children of Ning stream and gu jin yi now.

“Did you see us?”

Ning stream looked at Ye Ling City and said expressionlessly.

“It seems that the two children are really gu jin yi’s,” said Richie, narrowing his sparkling eyes

Ning Xi nodded slightly.

It meant that he was right.

“They are indeed Edmund’s children, and also mine.”

Ning Xi said softly, and a touch of trance flashed across his clear eyes.

ning xiao xi blurted out without thinking. He didn’t know if the words would make the Ye Ling City think too much.

“They are the children of gu jin yi and other women, not yours.ning xiao xi, are you out of your mind? ”

When Richie heard what Ning stream said, he didn’t think about anything else. He just felt sorry for Ning stream and angry for her.

He wondered whether this woman was so calm after her husband gave birth to a child with another woman.

“So what?Now that I’m married to him, his child is mine. ”

Ning Xi said firmly.

The city chose to be silent, staring at Ning stream with its deep starry eyes.

ning xiao xi looked into the charming black eyes of the Ye Ling City, and immediately withdrew her gaze from him in a trance.

“I’m leaving now.”

Ning stream didn’t want to talk about this topic with her anymore and was about to leave.

“Naomi, don’t you think that in the future, if the two children know that you are not their biological mother, they will still be nice to you?Who will gu jin yi choose? ”

Grabbing Ning stream’s slender wrist, he said.

Ning Xi shook off his hand and said expressionlessly, “let’s talk about it later. Since it’s your choice, you are willing to bear any consequences.”

After saying that, ning xiao xi looked sideways at the night Ling City. There was an incomprehensible meaning in her clear eyes.

Then, Ning Xi shook off the big hand of Ye Ling City and left.

On the other hand, the mysterious starry eyes of the city were meaningfully staring at Ning stream, which was gradually fading away

'Naomi, since things have come to this, I'm sure he won't let you suffer this. It's time to talk to him.'

Two children and Ning stream. Who would he choose?

chapter 196

If he chose two children, it would be better. He could grab Ning stream legally.

If gu jin yi chose two children, which meant that he didn't love AINING stream at all, then he had a better reason to let rang ning stream leave him.

He was thinking about how to deal with this matter, how to take Ning Xi away from gu jin yi.

She didn't notice that she had been watched.

"It seems to be the Ye Ling City..."

"Yes, it seems to be him. He has been here a lot since he came here last time."

"Okay, if you want to see him, just wait here."

"I don't know who made him come here so often? I envy you so much!"

.....

The girls gathered around him and looked at him with admiration. They didn't want to leave, and their beautiful eyes were full of envy.

Only then did he realize that he was surrounded by the public.

He covered his cap subconsciously and walked towards his car.

"Ye Ling City..."

As soon as the girls saw that he was about to leave, they chased after him, but how could they catch up with him? He got on the car with his long legs in a few steps, and then saw the car speeding away.

On the other side, Ning stream arrived at the kindergarten soon. It had taken some time, so she couldn't walk slowly anymore.

"Mommy!"

The two babies stood obediently at the gate of the kindergarten, waiting for Ning Xi.

They had kept it in mind since Ning Xi told them to wait for him to pick them up.

They shouted excitedly at the sight of Ning stream.

"chen chen, han han!"

Seeing the two babies waiting for her at the door, ning xiao xi felt relieved.

“Where is daddy?”

She looked around but didn’t see gu jin yi, so she asked in confusion.

“He must be busy in the company.”

Ning Xi guessed.

“Daddy said he would pick us up.”

The two babies pursed their pink lips slightly, and the happy expressions on their faces instantly became a little disappointed.

“Don’t take dad’s words seriously. He is very busy with his work and doesn’t have much time to accompany us.”

Ning Xi comforted the two babies, stroking their heads.

The two babies frowned and pouted.

“Since daddy said he would pick you up, he must come.”

A mature and calm magnetic voice suddenly came from behind Ning stream.

“Daddy!”

When the two babies heard the voice, they immediately opened their eyes wide. Their slightly pouted mouths immediately raised the corners of their mouths, and they immediately ran to gu jin yi with a bright smile.

Then Ning Xi also turned around and looked at gu jin yi expressionlessly.

“Daddy, why are you so late?”

“We thought daddy wouldn’t come. We were so sad...”

The two babies rubbed against gu jin yi’s arms and said in a sweet voice.

“Daddy is late. I’m willing to be punished!”

gu jin yi said to them patiently and gently, staring at the two babies with his deep black eyes full of father’s love.

“Daddy can’t be late anymore.”

“I forgive you if daddy carry me on his back.”

“Besides, daddy will play with us when he comes back.”

.....

The two babies got close to gu jin yi and acted coquettishly.

Seeing the intimacy between the father and son, Ning Xi couldn't help smiling.

She suddenly found that only in front of gu jin yi could the two babies be so naive and naive, and she felt their happiness.

In the past, when they were together, perhaps too much of her thoughts affected the growth of the two children, making their five year old child life more mature than other children, and missing the childhood of the five year old children.

At this moment, Ning Xi suddenly felt that her choice was right. It was right to let the two babies stay with gu jin yi.

At least, they could enjoy their childhood happiness and their father's love, just like the ordinary five year old children.

Then, he picked up the two babies and walked towards Ning stream. "Honey, you can't ruin my image in the heart of chen chen and han han. I always keep my word."

gu jin yi teased.

"Daddy, don't worry. You are always handsome and capable in our mind."

The two babies praised him with an innocent smile on their faces.

With a warm smile on his face, gu jin yi said, "I'm relieved to hear that."

"chen chen, han han, you traitors..."

Ning Xi was speechless and squinted at the two babies with contempt.

The two babies and gu jin yi looked at each other with a mischievous smile.

"Of course, Mommy is beautiful and capable in our hearts."

The two babies said in a sweet voice, their long and narrow eyes flashing a little evil charm.

Ning Xi stared at the two babies helplessly. His reaction was getting faster and faster.

However, no matter the two babies were trying to make her happy or what they said from the bottom of her heart, Ning Xi was happy to hear them.

"Honey, are you jealous?"

gu jin yi said in a low and hoarse voice, staring at Ning Xi with his long and narrow eyes.

"Eat you. Why should I be jealous? "

ning xiao xi was a little jealous because the two babies suddenly had a crush on gu jin yi, which seemed to be more than their love for themselves. Then, hearing gu jin yi's question, she was even more excited.

So she answered without thinking.

gu jin yi took advantage of this opportunity.

“Eat me? Okay, I’ll give it to you when I get home.”

gu jin yi raised his eyebrows slightly, and a touch of evil spirit flashed across his deep black eyes.

“Mommy, you are not a monster. Why do you want to eat daddy?”

“Mommy, you can’t eat daddy. Otherwise, we won’t have daddy.”

The two babies said word by word in a childish tone.

gu jin yi raised the corners of his mouth subconsciously, and a charming smile appeared on his angular lips.

“Go home!”

Ning Xi was speechless. She couldn’t do anything to the two babies.

He strode to gu jin yi and the two babies and stopped talking about it.

Then, the family went home together.

chapter 197

As soon as they got home, Ning Xi and gu jin yi were cooking dinner together, and the two babies were obediently writing the homework that the teacher had arranged today in the hall.

Soon, the dinner was finished perfectly by the two people.

On the table.

“Daddy, Mommy, the cooperation is different!”

“Yummy!”

The two babies kept chewing and praising their parents.

“Eat more if you like.”

Ning Xi stared at the two babies who were eating with relish with maternal tenderness in his eyes.

“Daddy, Mommy, are we going to grandma’s house tomorrow?”

After swallowing a mouthful of food, chen chen looked at Jean and Ning stream with his tender and black eyes.

“Yes, yes. We have an appointment with grandma.”

At this time, han han also came up. They all remembered what they had said.

ning xiao xi and gu jin yi still remembered it clearly.

“Daddy will drive you to grandma’s house tomorrow.”

gu jin yi didn't say anything. Since the two babies wanted to go, he would let them play for two days.

"That's great! We can go to grandma's house now. She must be very happy when she knows it."

han han was so happy to hear that she could go to her grandmother's house tomorrow. She put down the sp*** and thought about what would happen tomorrow.

"chen chen and han han, how about Mommy taking you to play? It's not convenient for grandma to take you two."

Ning Xi was a little worried. He was afraid that the two babies and pei xiu juan would notice something after staying with each other for a long time. At that time, no matter how hard he explained, it would be useless.

"Mommy is so busy with her work. Let's go to play with grandma."

ADVERTISEMENT

The two babies said at the same time. It seemed that they both wanted to go to pei xiu juan's house, full of curiosity.

"You..."

"Naomi, now that you have promised chen chen, han han and mother, let them go home and stay for two days. They can keep mom company."

gu jin yi put down his chopsticks gracefully and said in a low and clear voice.

At this moment, Ning Xi had nothing to say. Since they had said so, she had to agree.

She only hoped that the two babies wouldn't spill the beans in front of pei xiu juan.

.....

The second morning.

The two babies got up very early today. Knowing that it was the day to go to their grandmother's house, they packed up everything they needed.

The four of them went to the Gu family's old house together.

.....

In the Gu family's old house.

As soon as the two babies arrived at the old house of the Gu family, they climbed down from the back seats smartly before they could get off the car and carry them out of the car.

Then gu jin yi and Ning Xi also got out of the car.

"Daddy, Mommy, you can go back now."

The two babies suddenly said, carrying their backpacks well, as if they didn't need them anymore.

gu jin yi and Ning Xi were also stunned. Did he just abandon them like this?

As soon as the two babies arrived at the old house, pei xiu juan came out of the room and was overjoyed to see them. "chen chen, han han, you are here!"

Seeing the two babies, pei xiu juan was overjoyed.

"Grandma!"

ADVERTISEMENT

The two babies were so happy that they fell into pei xiu juan's arms.

Today, the two babies wore cute clothes and ran like Teletubbies.

Today, chen chen wore a blue jumpsuit, and han han wore a pink jumpsuit. They two wore twins' clothes, and two rabbit ears on their hats.

She swung her ears on the hood behind her back and found that her crotch was the type of crotch that fell. She was as cute as two little kangaroos when she ran.

At this moment, pei xiu juan didn't think about the fact that the two babies were adopted by gu jin yi. Somehow, she was happy to see them.

"Mom."

"Mom."

gu jin yi and Ning Xi called out politely at the same time.

The two looked at each other, and then gu jin yi looked away with a smile, while Ning Xi looked away awkwardly.

"Grandma, are you happy to see us?"

The two babies showed two tiger teeth and two big dimples, with tender smiles on their faces.

"Yes, I'm so happy. Let's go inside. I've cooked a lot of delicious food for you."

pei xiu juan gently held the hands of the two babies and walked into the room.

In the hall.

gu jin yi and Ning Xi sent the two babies to the old house of the Gu clan. After sitting for a while, they were about to go back.

"Mom, let chen chen and han han stay with you today. I'll go back with Naomi."

gu jin yi stood up elegantly and b***oned a suit b***on subconsciously.

"chen chen, han han, daddy and Mommy have gone back. You must be obedient at Grandma's home."

Ning Xi said to the two babies before he went back.

ADVERTISEMENT

"We promise we will behave well!"

The two babies promised at the same time.

His momentum was so powerful.

“You can go back after lunch.”

Seeing that they were going back, pei xiu juan also stood up.

“I have something to deal with in the company. I’ll go back with Naomi.”

After saying that, gu jin yi held Ning Xi’s hand and was about to go out.

“Daddy, Mommy, let’s drive you home.”

The two babies followed them.

“chen chen and han han, just stay here with grandma. Remember, be good.”

Seeing the two babies running over, Ning Xi slowly squatted down and stared at them with his clear eyes.

The two babies nodded obediently.

Then, they went out, leaving the two babies in the hall to accompany pei xiu juan.

After they left, there were only two babies and pei xiu juan left in the hall.

“Grandma, can we sleep with you tonight?”

The two babies seemed to like their grandma very much. Although they were old, they had a very young mentality and could talk with them easily.

“Of course I can. I don’t know how soundly I sleep with you.”

pei xiu juan agreed without hesitation. They chatted happily.

On the other side, they went out together.
