chapter 198

In the car.

“Honey, let’s have a date today.”

gu jin yi held the steering wheel with his fair hand, and a pleasant male voice came through.

Ning Xi responded subconsciously, “what?”

She didn’t understand what gu jin yi meant.

“I’ll take you to an interesting place.”

A charming smile appeared on gu jin yi’s deep handsome face.

“Aren’t you going back to the company to deal with your work?”

Ning Xi recalled what gu jin yi had said in the old house. He had something to deal with in the company, and now he was going to play, so he couldn’t help asking.

“If you don’t say so, do you think we can get out of the house?”

gu jin yi said calmly.

He knew pei xiu juan well. If it weren’t for the company’s affairs, she would have left him at home.

Ning Xi squinted at gu jin yi, “I didn’t expect you to play such a trick.”

gu jin yi chose to be silent and didn’t answer, but his s**y thin lips slightly raised a meaningful loneliness.

“Tell me, where are you taking me?I’m curious. ”

Ning Xi wanted to find out the destination.

“You’ll know when we get there.”

However, gu jin yi didn’t answer Ning Xi’s question directly. There was a mysterious look in his dark eyes.

Then, they arrived at a large-scale food festival in a shopping mall.

gu jin yi walked in front of them, followed by Ning Xi. Looking at the scene in front of him, Ning Xi sighed like a child.

“Wow, there is such a big and interesting place!”

The voice of Ning stream was so low that gu jin yi, who was walking ahead, didn’t hear it at all.

Ning stream looked around and didn’t notice that she couldn’t catch up with him anymore.

Then, gu jin yi, who was walking in front of them, turned around and walked towards Ning stream.

“Come here, hand in hand.”

gu jin yi stretched out his big white hand, indicating that the two would walk hand in hand.

Ning Xi hesitated for a while. Looking at gu jin yi’s hand, she wondered if she should hold his hand?

When Ning stream was hesitating, he took her hand away and held her hand.

“How do you know such a place?” Ning Xiaoyao held gu jin yi’s hand subconsciously

Although this kind of place was fun, it was crowded and complex. There were all kinds of things. It was a very civilian place. How could people like him know this place?

“Is there anything I don’t know?”

gu jin yi raised his eyebrows slightly, looking arrogant, and a little evil spirit flashed in his charming eyes.

Ning Xi pursed his lips and thought, ‘I just asked a question. I’m narcissistic again.’

gu jin yi held Ning stream’s hand. He was nearly 1.9 meter tall, and Ning stream, 1.65 meter tall, followed him, like a child.

Ning Xi looked down at gu jin yi, who was holding his hand tightly, as if he was afraid of losing it.

“Make up for what you haven’t done in love today.”

gu jin yi said coldly, arm in arm with Ning stream.

‘so that’s what he meant by ‘date’?

Indeed, Ning Xi and gu jin yi had never been in love at all. They got married because of a deal.

For her, love and affection were just the so-called terms.

But at this moment, the man in front of her actually said that he wanted to have a relationship with her and make up for it.

“WeYou’re already married. Why are you still in love? ”

Ning Xi wanted to say that they were in a deal, not in love. In the end, she gave a euphemistic answer, but didn’t say anything that made them unhappy, such as making a marriage deal.

Thinking of this, Ning Xi should be happy. Her child was already five years old, but she had never been in love with their father.

She even didn’t know what it felt like to be in a relationship.

Ning Xi thought she should enjoy the moment. She didn’t want to leave everything behind.

“There is marshmallow in front of us!”

Ning stream suddenly saw the marshmallow she had eaten when she was a child not far away. She was a little excited and ran over with him.

“I want the pink one.”

Ning Xi suddenly turned from a workplace woman to a pure little girl, full of girlish heart.

“Boss, take one.”

Without saying a word, gu jin yi took out his wallet. As soon as he took the marshmallow, Ning Xi smiled with satisfaction, as innocent as a child.

gu jin yi gazed at Ning Xi who was smiling innocently with his deep dark eyes. His sculptural handsome face was instantly filled with a satisfied and happy smile.

Holding the big marshmallow, Ning stream almost covered her whole head.

“Don’t you eat?”

Ning Xi finally realized that gu jin yi only bought one marshmallow. She asked in a clear voice.

“Yes.”

After saying that, gu jin yi added the marshmallow in Ning Xi’s hand.

“Hey!You... ”

Seeing that he directly ate the marshmallow in her hand, Ning stream called him reflectively.

However, the charming look of gu jin yi eating marshmallow made Ning Xi hesitant. He didn’t say anything and just watched him add marshmallow in silence.

He didn’t expect that he could be so cute and childish.

Ning Xi also got close to the marshmallow subconsciously, and as the marshmallow was added, this scene was captured by the photographer who was playing here.

“Oh ! It’s so beautiful! ”

The photographer watched the scene carefully and couldn’t help but sigh.

Then he walked to gu jin yi and Ning Xi and handed them the photos.

“You are the ninth couple I took today. The ninth photo is also the warmest one. Here you are.I wish you a long time. ”

The photographer looked at gu jin yi and Ning Xi with a smile, and sincerely blessed them.

gu jin yi and Ning Xi were stunned, and then the two stopped eating marshmallow. At the same time, they turned their faces to look at the photographer who was talking to them.

Then the photographer took another photo.

In this photo, gu jin yi and Ning Xi held marshmallow in their hands at the same time, and the two looked at the camera expressionlessly at the same time.

“You two are a perfect match. It seems that you two love each other very much. Your expressions and actions are the same.”

The photographer said sincerely.

chapter 199

ning xiao xi took the photo from the photographer and looked down. A warm and beautiful photo came into view.

Her clear eyes narrowed slightly. For the first time, she felt that she and gu jin yi were a perfect match. They had such a tacit understanding.

At this time, another photo taken by the photographer was also developed. Seeing that, he asked politely in a low and clear voice, “can you sell the photo in your hand to me?”

The photographer smiled, “of course, but you don’t need to pay. I just saw you taking photos by accident. But can you cooperate with me to take another picture?”

The photographer handed the photo to gu jin yi, and then gu jin yi immediately responded with a “thank you” and agreed to the photographer’s request.

“You continue to eat marshmallow, and I’ll take pictures.”

The photographer told them his requirements. In order to thank him for his photos, of course, they didn’t think about why the photographer would do so. They cooperated with the photographer and ate marshmallow

However, the cotton candy was getting smaller and smaller, and the distance between the two people was getting closer and closer

“OK ! Very Good ! ”

The photographer raised the corners of his mouth slightly and looked at the picture in the camera. He didn’t know why, but when he saw the two pictures of gu jin yi and Ning Xi, he had an indescribable beauty.

Only then did ning xiao xi realize that her lips touched gu jin yi’s.

She opened her eyes wide subconsciously, calmed down and then jumped away.

“YouWe...”

With a guilty conscience, Ning Xi blinked his big watery eyes and didn’t know what to say.

“Leave this to me as a souvenir.”

The photographer opened his mouth and Jean nodded calmly.

Then the photographer left with the camera and photos.

gu jin yi raised his eyebrows and stared at Ning Xi. His deep black eyes were full of a sense of invincible.

“What... What are you laughing at?”

With a blush on her face, Ning Xi stammered and looked at him with her clear eyes.

“Why are you blushing?”

gu jin yi raised his eyebrows and calmly looked at Ning Xi whose face was red. His s**y thin lips slightly raised a charming arc.

“I... I didn't...”

Embarra**ed, Ning Xi turned around and ran away slowly.

Looking at Ning Xi's back, gu jin yi smiled evilly.

Then he followed Ning stream forward.

“Where are you going?”

gu jin yi walked slowly to the side of Ning stream, put his arm around the fragrant shoulder of Ning stream, and drew Ning stream's face close to him. He said with his s**y thin lips.

“Let's go and have fun here.”

gu jin yi held Ning Xi's hand tightly and looked at her dotingly.

At this moment, Ning stream suddenly saw a man on a billboard.

The song that the man signed was her favorite song, and her favorite song teacher cooperated with it.

She couldn't help but look at the billboard with her watery eyes.

She stared at the advertis****t and couldn't figure out what Ning Xi was thinking at the moment.

gu jin yi noticed that Ning Xi was staring in the same direction, so he looked in the same direction.

It was the night Ling City!

gu jin yi recognized the man on the billboard at the first sight. He was wearing a casual style shirt, which was very eye-catching, sunny, handsome, noble and elegant.

gu jin yi looked back at Ning Xi. Was this stupid woman looking at another man in front of him blatantly?

gu jin yi didn't say a word. His silent handsome face stared at the side face of Ning stream. The angular side face of Ning stream was perfect in the sun, making people fascinated.

In this way, he stared at Ning stream, while Ning stream looked at the night Ling City on the advertis****t, thinking, 'is he holding a concert here?'

At this time, Ning Xi found a pair of deep black eyes staring at him.

“What’s wrong? Why are you looking at me like that?”

gu jin yi’s deep and unpredictable eyes gave out an incomprehensible meaning.

Ning Xi stammered subconsciously. She probably knew why gu jin yi looked at her like this.

He must be jealous again.

Ning Xi squinted at gu jin yi. He wanted to say something, but gu jin yi had the chance to speak first.

“I’m the only one in your eyes. No one else is allowed.”

A strong sense of oppression came over her.

Ning Xi blinked his long curly eyelashes.

Did he get jealous since he was a child?

Ning Xi had wanted to say this for a long time, but she held back.

Ning Xi rolled his eyes at gu jin yi, and then immediately looked away with disdain, revealing a pleasing smile. “I want to have a look.”

She had no choice. Although she didn’t like the city, in order to see her favorite songs on the spot and her favorite teacher. Ning Xi was also willing to risk everything. She tried her best to please gu jin yi and tried not to go against him.

gu jin yi looked at Ning Xi with his powerful black eyes, “you want to see it?”

gu jin yi looked at Ning Xi with his deep black eyes. His tone was so deep that no one could understand what he meant.

It was just a simple sentence, but it made Ning Xi feel strange. There was a hidden meaning in it.

ning xiao xi knew that she couldn’t disobey him, so she had to obey gu jin yi.

“Yes, I want to see that teacher. I always want to see his live performance.”

ning xiao xi acted like a spoiled little girl. Her clear beautiful eyes flashed with a flash of light. She didn’t believe that he would refuse her since she was so coquettish and obedient.

Sure enough, when he saw the cute expression on Ning Xi’s face, he was a little softhearted.

But she wouldn’t let him agree to her request so easily.

Recalling what Nina had said to him just now, he hesitated. She just wanted to watch a performance, not because of the reason of the night Ling City.

At the same time, Ning Xi, who was standing aside, peered at gu jin yi and wondered whether gu jin yi would let her watch the performance or not?

“I want to go with you.”

gu jin yi suddenly took Ning Xi’s qian qian’s hand and went straight to the performance hall.

Ning Xi was dragged away by gu jin yi before he could react.

In the hall.

The hall was crowded with people. It seemed that the concert was still full of enthusiasm.

“The night Ling City!It’s the Ye Ling City! ”

“Ah!So handsome! ”

“Ouch!”

“.....”

Many people shouted excitedly before the concert started.

Seeing this, Ning Xi was helpless. Did they come here for the Ye Ling City?

Why are these people so anthomaniac?

At the same time, gu jin yi, who was standing beside Ning stream, saw this scene. His expressionless handsome face faintly exuded a kind of cruelty.

He didn’t understand why these people were so crazy for a star. He was speechless.

The performance didn’t start until the scene was quiet.

As soon as he stepped onto the stage, he saw Ning Xi off the stage. He stared at her closely subconsciously.

brook?Why is she here?Besides, he is also here

Of course, he also saw the man beside Ning stream, gu jin yi.

chapter 200

The show began one after another. They stood in the middle of the stage, and because of the crowd, they were pressed together.

“Ah!”

Perhaps it was because there were too many people, Ning Xi fell forward unconsciously and fell into gu jin yi’s arms. As soon as he lowered his head, Ning Xi’s fair forehead just pressed against his s**y thin lips.

At the sight of this, he clenched his fists and took a step forward subconsciously.

“Let’s go out first. There are too many people here.”

gu jin yi held Ning stream and said in a low and clear voice.

ning xiao xi didn't think too much. She just felt that it was so crowded that she couldn't breathe. She nodded immediately and then walked out of the performance hall with gu jin yi.

Seeing that they all went out, he also wanted to go out with them, but because the performance was about to begin, he controlled his steps.

Outside the hall.

Ning Xi breathed heavily, squatted down, and then gu jin yi slowly helped her up.

"Are you okay?"

Seeing Ning Xi breathing heavily, gu jin yi frowned and asked gently.

"Are they crazy? Was he so handsome that he couldn't extricate himself from it? They are all anthomaniac."

Thinking of the excited shouts of those people to the Ye Ling City just now, ning xiao xi said subconsciously without thinking.

gu jin yi, who happened to hear Ning Xi's words, smiled from the bottom of his heart.

He didn't know why he felt a little happy when he saw the attitude of Ning stream towards Ye Ling City.

"Let's go. We have to make up for our relationship today."

gu jin yi held Ning Xi's hand and walked towards the cinema.

"Are we going to watch a movie?"

When Ning Xi saw gu jin yi walking towards the cinema with her, she was a little surprised and looked at him with her clear eyes.

But she was still a little happy, because it was the first time they went to a movie.

gu jin yi smiled at Ning Xi.

gu jin yi held Ning Xi in his arms peremptorily and went straight into the cinema.

In the cinema.

The two of them bought a set of set meal for couples, two cups of drinks and two cups of popcorn. Sitting quietly in a soft chair, they enjoyed the comfort brought by the movie and the environment.

At this moment, Ning stream seemed a little nervous. Although the two were sitting in a couple's seat, they were a short distance away.

Seeing the couple hugging and kissing beside her, Ning Xi became more and more nervous.

Her face was so hot that she didn't dare to look straight at gu jin yi. She always felt that her heart would beat fast as long as she saw him.

It was the first time that she and gu jin yi watched a movie so quietly in a cinema.

She had an indescribable feeling, subtle and strange.

While Ning stream was thinking about something, he suddenly approached her and sat down. His left hand and her right hand were clasped together with ten fingers, putting the whole head of Ning stream on his shoulder.

The ambiguous atmosphere made Ning Xi's heart skip a beat.

Ning Xi, Ning Xi, you are the mother of two children. Why are you still so nervous like a little girl at this time?

Ning Xi said to himself in a relieved tone.

What's more, the man beside her was the father of her two children. They had all gone through such a thrilling test. Why were they so nervous?

Slowly, Ning Xi relaxed. Since she was in love, she should enjoy it.

gu jin yi was well prepared for this date. He knew that girls liked to watch love movies, so he chose a love movie.

Even if he didn't like it, he was willing to watch it with her in order to make her happy.

They didn't want their date to be dull because of a movie.

The movie ended with a touching scene and a sad music. Ning stream was in a low mood in an instant.

She couldn't help but shed a drop of tear directly on gu jin yi's big white hand.

gu jin yi turned his head subconsciously and found that the woman in his arms also had such a fragile side.

Just because of a movie, a scene, a song, she would cry.

When gu jin yi saw Ning Xi, he felt as if his heart was pulled by something. He subconsciously reached out his hand, gently stroked Ning Xi's face and wiped away his tears.

It was not until then that ning xiao xi came to her senses. Withdrawing her thoughts, she jumped out of gu jin yi's arms and wiped the tears from the corners of her eyes with her hands.

"It's too interesting..."

Ning Xi noticed that gu jin yi was looking at him thoughtfully. She whispered in a low voice, which made the scene a little awkward.

She made a fool of herself in front of gu jin yi again.

The time of the movie seemed to pa** in an instant. Before the two of them could react, the movie was over.

After they went out of the cinema, the two continued to play. They were going to play all the things about dating in a relationship.

On the other side, in the Gu family's old house.

After lunch, pei xiu juan went out with two babies. Her two grandsons were very happy with her company, so she must take them out for fun.

"Grandma, it looks interesting there!"

The lively han han saw several children playing in a park not far away. She was so excited that she cut her little feet and pointed at the direction of the park and said to pei xiu juan.

"Okay, I'll take you there."

pei xiu juan smiled kindly and stroked the heads of the two babies.

Then, pei xiu juan took the two babies to the park.

At this moment, beside the green belt not far behind them, a man in a pure black coat was staring at them with an evil aura.

pei xiu juan took the two babies to the park. Almost everyone in the park looked at them when they saw chen chen and han han.

pei xiu juan often went for a walk in the park. Her personality was very agreeable, so almost everyone in the park knew her.

chapter 201

A more than 20 year old girl slowly walked past pei xiu juan and couldn't help but stop. She looked at pei xiu juan and then stared at the two little babies.

"Aunt Concordia, are these two your grandchildren?She was so beautiful!No wonder she inherited the excellent genes of your family. "

"Yes, yes, my two grandsons are really good-looking!"

Hearing others praise the two babies, pei xiu juan suddenly thought of her son, gu jin yi. When he was a child, he was always praised and wherever he went, he was a scenery.

She suddenly felt a sense of accomplishment. Although she knew that the two babies were not her own children, she was still a little happy to hear others say so.

"xiu juan, your son is married?And you have given birth to two children at such a young age? "

At this time, a woman of the same age as pei xiu juan came over. Seeing the two little babies beside her, she walked up to them and asked in surprise.

pei xiu juan didn't give a direct answer, but smiled gracefully.

She really didn't know how to answer the sudden appearance of two children at such an age.

When pei xiu juan was about to say something, two smart babies came up to help her.

“Beautiful grandma, my daddy and Mommy have known each other for a long time, and Mr. Jacob got married with us two again. So grandma, you don’t have to be surprised, haha...”

“And grandma, do you think we look so big with such a big child? Our figure and height are very standard!”

The two babies pouted and sang.

The two old ladies were amused by what the two babies said.

“Oh, I see.”

The woman also liked the two babies very much. She couldn’t help but touch chen chen and han han’s little face.

“But xiu juan, don’t say that. Your son looks exactly like your son when he was a child. His skin is white and tender. They are exactly the same. They are printed from the same model.”

The woman looked at the two babies carefully. Especially when she saw chen chen, she had an indescribable feeling.

ADVERTISEMENT

At this time, pei xiu juan also looked at the two little babies.

He paid special attention to what the woman said and looked at chen chen up and down.

His eyes were deep, as if he was thinking about something.

Hearing what the woman said, pei xiu juan became more suspicious of the identities of the two babies. At that time, she thought that chen chen and her son looked like coincidences. Now it seemed that their identities were not that simple, so she must figure it out.

“Yes, yes. He looked exactly like my son when he was a child. He must be a handsome boy when he grows up.”

pei xiu juan came back to her senses soon. She knew it slowly and couldn’t let others notice anything wrong for the time being.

“Grandma, we want to go there!”

han han’s little finger looked like an amusement park not far away. Seeing a lot of children playing, chen chen and han han were also attracted.

“My grandson is also there. You can play with him.”

The woman said to the two babies with a smile.

The two babies looked at pei xiu juan subconsciously, as if asking for pei xiu juan’s opinion.

Under the education of Ning Xi, chen chen and han han couldn’t make decisions at will. They must ask the elders. This idea had a certain impact on the hearts of the two babies.

“Go ahead, but be careful.”

pei xiu juan agreed readily and reminded her subconsciously.

The two babies ran away excitedly as soon as they heard that their grandmother agreed to play with them.

Looking at the back of the two cute kids running, pei xiu juan showed a gratified and joyful smile on her charity face.

“The child is so beautiful. I think the child’s mother must be very good. xiu juan, you are so lucky!”

When the woman saw the two babies, she liked them from the inside to the outside.

ADVERTISEMENT

pei xiu juan just smiled, and then the two sat on the wooden chairs and chatted.

At this time, the man hiding aside wore an evil smile on his disgusting face.

He was thinking about how to separate the two children from pei xiu juan, otherwise he couldn’t do it. In this way, he could just do it. He didn’t need to think of ways to separate them. It really took him no effort.

The man approached chen chen and han han step by step.

While the two babies were playing happily, the man came to them in disguise.

Without saying anything, he took off the cigarette in his mouth and shook it in front of their noses. Then the two babies followed him in a trance.

The man then picked up his phone and sent a message, leading the two children out of the park.

.....

It was getting late, and pei xiu juan and the woman had almost finished talking.

“Then we can hang out next time when we are free. We have a lot to talk about when we meet.”

“Okay, okay. Take your grandson to my home when you have time.”

At this time, the woman’s grandson ran over swaggeringly. “Grandma, let’s go home. I’m hungry...”

“Okay, take our jia bao bei er home to cook delicious food.”

The woman held the boy in her arms and put her face close to the boy with a doting look.

Then the woman left the park with the little boy.

Then, pei xiu juan stood up and was about to go home with chen chen and han han.

“chen chen, han han, it’s time for us to go home.”

ADVERTISEMENT

pei xiu juan looked around and didn’t seem to see the two babies, nor did she hear their answers. She frowned slightly.

When they walked into the place where they were playing, the children had already left.

But she still didn't see chen chen and han han's two children.

At this time, pei xiu juan seemed to be a little anxious.

"chen chen and han han, don't scare me. Come out. Don't play hide and seek with me."

pei xiu juan asked worriedly as she looked for the two babies.

In the end, chen chen and han han still didn't show up. pei xiu juan became more and more anxious when all the children were gone.

Where would chen chen and han han go? They were playing well just now. Why couldn't they be found?

pei xiu juan searched every corner of the children's room. She was really worried and scared.

After all, the two children were five years old. Where could they go? What if she was abducted and sold by bad guys? What if they were cheated away

At this moment, pei xiu juan was uneasy, with various fancies and conjectures in her mind.

It was not until now that she realized she could call her son gu jin yi. pei xiu juan took out her phone in a hurry and dialed his number.

"Sorry, the number you dialed is powered off..."

When she dialed the number, the person on the other end of the line replied to pei xiu juan, who was about to answer the phone.

She had no choice but to call him again, but the phone was still powered off.

pei xiu juan was so anxious that she didn't know what to do.
