

Cute Baby21

chapter 21

At the same time, the man and the woman lying on the bed had an indescribable feeling.

“Has Auntie left? I’ll sleep on the sofa.”

Nina was about to stand up, but was held tightly by a big hand.

“You!What are you doing?”

In the darkness, Nina couldn’t see the man’s face, but could feel the mature male hormone from him.

“Sleep.”

A deep and magnetic voice rang in the ears of Nina.

She didn’t know why she suddenly wanted to lie on this bed and didn’t want to leave.

“I... I’d better sleep on the sofa.”

At this moment, Nina’s face was so red that it could not be described in words.

Fortunately, the light was off. If the light was on, she would want to dig a hole in the ground to hide.

“Have you forgotten?It’s not convenient for you now. You’d better lie down quietly.”

Gabriel said with a smile.

Although he couldn’t see the woman’s expression, he could imagine how embarra\*\*ed and funny she was.

“I lied to you just now. Can’t you see that?”

Nina said softly.

“So you mean...”

How could Gabriel not see it? He just felt that this girl was really different, but he did not understand why she agreed to marry him.

“I mean it’s not inconvenient for me!”

Nina explained clearly.

“Oh, really?Then we... ”

Nina spoke first before Gabriel finished his words.

“I’ll sleep on the sofa!”

No matter how fast he was, he couldn’t catch up with his strong hand. He held her slender wrist.

He fixed her on the bed and made her unable to get up.

“Don’t, don’t do anything stupid. We have signed the contract...”

Nina said with uncertainty.

Gabriel slowly came over like a stream

“Ah! Stay away from me! ”

Gabriel whispered in Nina’s ear.

“I’m not interested in your figure yet. Sleep. ”

Then, he turned aside.

“Go to bed! ”

Nina also turned to the other side.

Gabriel, you are so arrogant! What do you mean? My figure? What’s my figure? There was a balcony behind the mountain in front of her. Poor taste!

Nina curled his lips.

All she was thinking about was to make fun of Gabriel.

Thinking of this, she fell asleep

“Cheney, Hanna, kiss Mommy...”

Nina dreamt of the two at home.

“Susan, let go of me!”

An attractive man’s voice broke her beautiful dream.

She suddenly opened her eyes and stared at the stunning man in front of her.

“Ah!”

She jumped up from the bed as fast as she could.

“You, you took advantage of me when I was asleep!”

Nina clutched his pajamas and wrapped them tightly around his chest.

Gabriel was speechless.

“I don’t know who was holding me just now.”

Nina was in a trance. He vaguely remembered that she was playing with his two little babies, but when he woke up, it was this man.

It seemed that she had dreamed of the two.

“It’s getting late. Go to your house after you pack up.”

Gabriel stood up lazily.

At this time, a phone call came in.

Nina changed his clothes and went downstairs first.

Then, Gabriel went downstairs.

“Let Gabriel drive you back to the Ning family first. I’ll be there later.”

Gabriel and Nina went out together, and Gabriel was waiting not far away.

Gabriel got off the car and asked Gabriel to drive Nina back to the Gu family’s house. Then he got on another car and drove away.

Gabriel drove to the Ning family.

Half an hour later, a Rolls-Royce stopped outside the Ning mansion.

Gabriel got off the car and opened the door for Nina. Then he took out a pile of tonics from the trunk.

“What’s this?”

Nina stared blankly at the thing in Gabriel’s hand.

“Mr. Gu’s mother asked me to prepare this.”

Nina immediately understood.

Although it was a marriage, it couldn’t lose the face of the Gu family. She didn’t have to worry about it.

The two walked into the Ning mansion together.

Today was the day to go back, so Harrison and Caroline were clear about it. The two sat in the hall.

Although the two of them looked reluctant, they knew that Nina would come with Gabriel today, so they had to pretend in front of the Gu family.

“Susan is back.”

“Here are some tonics from Caroline.”

Gabriel handed some tonics to Caroline.

“That’s what Caroline and Mrs. Qi want to do. Mr. Qi may come to visit you later today.”

Caroline smiled as she took the tonic.

“It’s okay.”

Then, Gabriel’s phone rang. He greeted politely and went out.

There were only two couples in the hall, Nina and Harrison.

Seeing that he didn't come back with Nina, the two of them began to sneer at Nina.

"It seems that you have a hard time in the Gu family."

Seeing that Gabriel went out, Caroline didn't have to pretend anymore and said sarcastically.

"Thanks to you."

Nina answered indifferently.

"What else is more important than coming back? You really don't take our family seriously at all."

Caroline said impolitely.

"It doesn't matter whether he comes or not."

There was no need for Nina to speak kindly.

"That's right. I saved a meal. It seems that you don't have much status as Gabriel's wife. You don't even bother to accompany me when I go back home. "

The whole hall was filled with mockery. Nina didn't want to stay here any longer.

She had been disheartened with her parents.

Caroline glanced at him, crossed her arms and raised her disgusting face aggressively.

Nina ignored Caroline and looked at the position of Harrison.

"Give me the property ownership certificate of the house. You have no right to touch grandma's house in the future."

Nina said coldly.

"I just promised not to sell the house. As for the property ownership certificate, we can talk about it after the company stabilized."

Harrison told Nina seriously.

"I have married to the Gu family as you asked, and the Gu family has also paid the company. Why did you break your promise? "

Nina looked at Harrison angrily.

"Don't worry. I won't move the house. I will return it to you as soon as the company stabilized. I'm just in case. You don't want the Ning family's company to go bankrupt, do you? "

"Nina, you have married a rich man. Do you still need your grandmother's house? Or you are just a nominal daughter-in-law in the Gu family now? "

Caroline sneered.

“It has nothing to do with you even if it’s real or not. All you need to do is to return grandma’s house to me!”

Nina stated firmly.

Caroline turned around and sat on the other side of the sofa, casting a cold glance at him.

Nina glared at Caroline. The hatred in his dark eyes was deeply rooted in the bottom of his heart.

“It seems that he won’t come today. You can go out for dinner by yourself. I won’t keep you here.”

Caroline stood up and pushed Nina out.

“You don’t have to rush me. I can walk myself. I don’t want to stay here any longer!”

When Nina was about to stand up, a strapping man suddenly stepped out from behind.
