chapter 222

“Honey, let’s go home.”

gu jin yi held Ning Xi’s hand, but she was still indifferent.

The two babies held the other hand of Ning Xi.

“Mommy, let’s go home!We love Mommy the most!Love you...”

The two babies began to play cute.

gu jin yi and the two babies were playing with Ning stream. Yun Shang’s heart softened at once. After all, her two babies were so adorable?They couldn’t resist the huge temptation.

“Okay, give me a kiss and I’ll go home.”

Ning Xi squatted down and asked the two babies to kiss him.

han han leaned over and kissed Ning Xi on the cheek.

“Good girl, han han!”

Ning Xi praised with satisfaction.

“chen chen, it’s your turn. Mommy will wait.”

Ning Xi squinted and pouted, waiting for chen chen to kiss her.

She knew that it was extremely difficult for her son to take the initiative to kiss her~

As expected, chen chen quickly covered his mouth and shook his little head with a desperate expression.

Standing aside, gu jin yi and han han almost burst into laughter, but they held it back.

“Son, hurry up...”

Then, on a whim, chen chen looked at his father. His eyes, which were as starry as the night sky, looked at gu jin yi’s deep black eyes, and his bright eyes blinked at him, revealing a little snicker.

He seemed to tell gu jin yi with his eyes, “Daddy, go and kiss Mommy.”

Of course, he knew what his son meant. He didn’t refuse and gave chen chen an evil look.

Then, an overwhelming kiss fell on the white and red face of Ning stream.

The temperature of his lips was extremely warm and gentle, as if he wanted to intoxicate himself.

Huh?What’s wrong?

Before Ning Xi came to his senses, he had already left her face.

“Mommy, are you satisfied with the kiss?”

Said chen chen with a teasing smile.

“You kissed me so sweetly. I’m very satisfied with your mommy!”

Ning Xi felt something was wrong, but he couldn’t tell what it was, so he didn’t think too much.

As soon as Nina finished her words, both of them burst into laughter.

“What are you laughing at?”

Ning Xi asked in confusion.

“Nothing. It’s okay as long as mommy thinks it’s a good kiss. Let’s go home.”

The two babies held the hands of Ning Xi, indicating that they were going home.

“Okay, let’s go home.”

In this way, the family returned to the villa together.

When they got back to the villa, wang a yi had already prepared the dinner. They could have it as soon as they got home.

On the table.

When Ning Xi was thinking about whether he should tell chen chen and han han about the contract signing, his phone rang.

Then he left the table. Ning Xi could say something now.

“I have a good news to tell you. Do you want to know?”

Ning Xi squinted at the two babies, wondering what their expressions would be like.

She didn’t expect that the two of them would ignore her. They were so pissed off!

The two of them must be against her today.

“Well, no one wants to know, right? I don’t want to talk about it anymore. ”

Ning Xi meditated and continued to eat.

“I want to know!”

“I want to know!”

“We all want to know!”

In less than a minute, the two of them talked to each other.

This time, it was Ning stream who ignored the two of them.

Humph! You just ignored me when you were eating, and now you don't want to talk to them anymore.

"Mommy, what's the good news?"

"Yes, tell me!"

The two babies stared at Ning Xi excitedly without blinking.

Ning Xi compromised. He couldn't keep silent in front of her two babies.

"Hmm, heng heng... Listen carefully. I will only say it once."

Ning Xi said these words only once, showing an expression of being late.

"Mommy, go ahead. Let's listen."

The two babies listened carefully like two rabbits.

Ning Xi then walked to the sofa, took out the contract from his bag and put it on the table.

"Look, it's a big gift from Mommy. Do you like it?"

The two babies picked up the four words "sign the contract" and read them seriously.

Although the two babies were only five years old, the words they knew could be comparable to those of fifteen years old children. They had a super good memory and could not forget.

"Mommy, do you agree with our acting?"

"Mommy, are we dreaming?"

"chen chen, pinch me, and I'll pinch you again."

han han thought it was unreal, and so did chen chen.

The two babies were so excited that they didn't know what to say. It was the first time that they had seen them so happy and excited.

Ning Xi nodded, "I agree. As long as you are fine, I will agree."

The two little babies jumped off the chairs and climbed to Ning stream. They kissed each other on the cheeks of Ning stream.

"Thank you, Mommy. We love Mommy the most!"

At this moment, gu jin yi answered the phone and went back to the dining table. Seeing the happy faces of the three, he asked curiously, "what makes you so happy? Let daddy hear it too."

"Daddy, this... I'd better give you a surprise!"

The two babies ran to the hall with the contracts.

"What's wrong with them?"

gu jin yi turned to ask Ning Xi in confusion.

Ning Xi shrugged, "since they said they would give you a surprise, just wait and see."

Then gu jin yi didn't ask more. The two kids were playing in the hall, while the couple were having dinner at the table.

.....

On the second morning, Ning stream came to the Yeji city with two babies.

"Mommy, look, this is the company."

The two babies excitedly introduced themselves to Ning Xi, as if they had returned to a familiar place.

"Let's go inside."

Ning Xi held the hands of the two babies with a smile and walked into the company hall.

As soon as they entered the company, they were led to the office of the person in charge.

Because the superior had ordered that chen chen and han han must take them upstairs as long as they came.

chapter 223

"zhang zong, they are here."

"You can leave now."

The assistant closed the door and walked out.

"Are you chen chen and han han's mother? Please have a seat."

zhang qi yuan stood up and politely invited Ning Xi to sit down.

"Hello."

ning xiao xi replied politely.

"When I first saw these two children, I guessed that their mother should be a talented and beautiful woman. I didn't expect that she would be such a beauty when I met her!"

zhang qi yuan kept praising Ning Xi and the two babies as soon as they met. His EQ was really high!

"I'm flattered. I'm here today to learn about the schedule of chen chen and han han's plays."

Ning Xi didn't talk much about this topic. He put his twenty-one heart on the arrangement of the time for the two babies to act.

"Okay, let's talk about the arrangement of the next play..."

.....

They chatted for a whole morning.

“Okay, thank you for taking care of the two kids. After all, they are still young. You can tell me if you need anything.”

Ning Xi stood up and was about to leave with the two babies.

zhang qi yuan showed a shrewd smile politely, “you can rest assured. These two are very good at comprehending.”

Then, Ning Xi took the two babies out of the general manager’s office.

She was very polite in the office. She didn’t want to interrupt when the adults were talking, so she played quietly aside.

As soon as they walked out of the office, the two babies talked more. “Mommy, look at the man in charge just now. He seems to like you very much.”

“I can see it too. He looked at Mommy with his small eyes, and his saliva was about to flow out.”

The two babies said one word after another.

“Don’t talk nonsense.”

ADVERTISEMENT

Ning Xi could see that, but it was not the first time he had seen such a situation, so he didn’t take it seriously.

But she tried her best not to let them understand this in front of the two babies.

“I have no choice. My mommy is as beautiful as a flower.”

The two babies were running around the stream in a proud manner.

“You’ve learned a lot of idioms in kindergarten! Well, you two stop flirting with mommy.”

With a bright smile on her face, Ning Xi played with the two babies.

“Stream!”

Suddenly, a clear and pleasant voice came from behind.

The first thing he did was run to Ning stream.

“Long time no see.”

“Why are you here?”

Hearing the voice, ning xiao xi turned around. She didn’t expect to meet the Ye Ling City here.

“This is my agency. Of course I am here.”

At the sight of Ning stream, he couldn’t help laughing.

“Oh, I see...”

ning xiao xi had never known which company the city was in, and it was just an accident to meet him here.

Then chen chen and han han will work with him in the future?

Only then did ning xiao xi realize that if she came here to see chen chen and han han in the future, she would have to meet him many times in the Ye Ling City.

“I should ask you why you are here.”

With his arms crossed over his chest, he looked arrogant.

“Mommy took us to the company to sign the contract!”

han han answered in a loud voice.

han han had always been fond of him and paid great attention to him on TV. She admitted that he was the most handsome man besides her father.

ADVERTISEMENT

Only then did he see the two little babies beside Ning stream. He looked down at them.

“Did I come with you?”

The two babies raised their heads. The distance between them was as big as the sky and the earth.

No wonder he didn't see the two babies. They were indeed a little small for the 1.88 meter tall man.

“Yes, handsome uncle, can you squat down? It's so tired to talk to you like this. Hoo...”

On the other hand, han han looked very happy and didn't forget to act cute. On the other hand, chen chen looked at him with hostility.

The sweet voice of han han warmed up the man who didn't like the two babies.

Their existence didn't do him any good, but added more troubles. What's more, it also made the relationship between gu jin yi and Ning Xi stronger and more stable. Could he like them?

But now, he subconsciously listened to han han and slowly crouched down.

“What did you call me just now?”

His voice softened, as if he was afraid that his loud voice would frighten the little girl in front of him.

“Handsome uncle! Uncle is very handsome. He is my type. Ha ha...”

han han smiled innocently and brightly, full of girlish heart.

Ning Xi, who was standing next to her, stared at her anthomaniac daughter, and could do nothing to her.

As soon as han han said this, he liked han han even more. His dislike for her had completely disappeared.

“Uncle is handsome. It seems that you have a good taste.”

han han flattered him and made him very happy.

Then she raised her head and looked at Ning stream. Her dark eyes narrowed slightly, as if telling Ning stream that she had no taste and that she didn't like him at all.

Look at this little girl! How insightful she is!

Of course, Ning Xi could see that Ye Ling was complaining about him.

“Uncle is the most handsome man besides my father!”

han han looked at him with her big eyes blinking and told him with deep affection.

At this moment, the expression on his face instantly darkened. He was not happy. What did he mean by saying that he was the most handsome man besides her father?

ADVERTISEMENT

Is he more handsome than me?

“Hahaha... han han, you are so talented.”

Ning Xi couldn't help laughing. No wonder her daughter was praising the Ye Ling City just now. Her ultimate goal was to represent her father to be more handsome.

What an interesting and helpless child.

“Ning Xi, just laugh. Are you happy to hear that he is more handsome than me?”

He stood up angrily. His angry expression made people unable to help laughing.

“Hahaha...”

Ning Xi didn't mind what he said at all. If he made her laugh, then she would laugh. What could he do to her?

“Stop laughing!”

Suddenly, he grabbed the hand of Ning stream and put it in front of her.

“What do you want?”

Ning Xi stopped laughing and was stunned by what ye Ling City did.

With a gleam shining in his dark eyes, he stared at Ning stream with an evil smile on his lips.

“Bad guy!Let go of my mommy!Let go of my mommy! ”

“Handsome uncle, you are not handsome at all now. Don't bully my mommy!”

The two little babies bravely stood in front of Ning stream to defend their mommy.

However, the words of the two babies didn't affect Richie at all. He just held the wrist of Ning stream tightly and stared at her.

"Naomi, is this the life you want? You're running around with your two kids. As long as you say a word, I can take you out of here."

Once again, he strongly expressed his love for her, and his expression instantly became cold and mature.

"What nonsense are you talking about? Let go of me!"

Nina struggled to get rid of his hand, but she was too weak.

chapter 224

Seeing this, the two babies cooperated very well. They each tried their best to suppress the two feet of the city.

"Let go of my mommy! Bad guy!"

But he didn't feel anything about the weight of the two babies when they stepped on his feet.

In the end, Ning stream broke free from the hands of Ye Ling City, took the hands of the two babies, and was about to turn around and leave "Honey, let's go home."

ning xiao xi didn't want to stay any longer.

"Naomi, I will wait for you until you are willing to be with me!"

The moment Ning Xi turned around, the charming voice of Ye Ling city came.

It was true that his words were very attractive, but for Ning Xi, he didn't take it seriously and just took it as a joke.

"Don't wait for my mommy. Although my mommy is as beautiful as a fairy, she is now my daddy's woman."

"Bye, handsome uncle..."

chen chen answered for Ning Xi.

Although they had just seen how much Richie had done to his mother, they could see that he was not hostile to her.

Therefore, han han was willing to say goodbye to him before leaving.

Ning Xi didn't expect that chen chen would answer for him in such an orderly way.

"chen chen, han han, we have to go back to the kindergarten early."

Then, the two babies followed Ning Xi out of the night scene film company.

The three of them left through the window

His face was expressionless, and his eyes were unfocused. It was difficult to guess what he was thinking at the moment

Along the way, the two babies didn't ask her any questions. She felt a little strange. Normally, the two babies would ask her in detail, but the result was that they were both very quiet along the way.

ADVERTISEMENT

But it was good. She didn't know where to start if she had to explain.

Ning stream sent the two babies to the kindergarten. They waved at Ning stream obediently and walked in. After watching them enter, Ning stream left the kindergarten and returned to the company.

When she arrived at the company, she found that there was something wrong.

His assistant, Ellie, ran over and told him about the accident of Ning stream company as soon as possible.

"I heard that the chairman has come back, and the whole company needs to be greatly improved. Mr. an seems to be leaving the company too."

"What happened?"

Hearing the news, ning xiao xi was stunned.

Before she could answer, she saw an zi hao walking towards the door with a box of documents in his arms.

"Well, Mr. an said that he would leave the company. I didn't expect that he would leave so soon..."

Seeing an zi hao walking past the door, Ellie was stunned.

Seeing an zi hao leave, Ning Xi didn't understand why he left?

Then there was a notice that the heads of all departments were having a meeting. Ning Xi rushed to the meeting room first.

The meeting room was very quiet, and there was a cold atmosphere.

"This way, please."

At this time, a middle-aged man with super aristocratic aura walked slowly from the door.

Ning Xi had guessed that this should be the father of Mr. an and the chairman of VL.

"I think I don't need to introduce myself. We all know each other."

Then, everyone applauded, "welcome the chairman back to the company!"

Ning Xi also clapped his hands.

At this time, an Jinjiang looked at Ning stream. She just looked at him and smiled back politely.

“Oh, a new face came to our company.”

an jin jiang’s words attracted everyone’s attention to Ning Xi.

Because all the people in the meeting room were old employees except Ning Xi who was a new comer.

Then, an Jinjiang River approached Ning stream. Of course, he had known her and her ident\*\*y as Anne.

“Director Anne!Welcome to our VL company. I’m glad to invite you. ”

Ning Xi stood up and shook hands with him.

“Nice to meet you.”

She nodded with a smile.

Then, an Jinjiang city returned to the host seat without any delay.

The next part was naturally about the company’s affairs. A meeting had been held for nearly two hours, and she found that everyone present was listening carefully and the atmosphere was particularly quiet.

During the discussion, everyone expressed their own opinions. Finally, when an Jinjiang said this, everyone fell silent.

“If anyone wants to do the same thing as zi hao, he or she can leave the company and do what he or she wants. VL company won’t let you stay.Let’s see how capable we are to survive in this society. ”

This sentence seemed to be calm, but it was indeed a wave. The atmosphere in the meeting room became particularly dignified, and no one dared to say anything.

Ning Xi understood that an zi hao left the company because he didn’t want to stay in the company and wanted to do what he liked.

The two of them had different ideas. an Jinjiang hoped that an zi hao could take over the company of his family, and an zi hao wanted to do what he wanted to do.

an zi hao left the company and went back to his studio, planning his own business.

He dialed ou yang’s number.

“ou yang, I have something to talk to you. Do you have time?”

ADVERTISEMENT

.....

“Have you made up your mind?Okay, let’s talk about it when we meet. ”

The two of them chatted for a while and then hung up.

There seemed to be something important.

Soon, ou yang shi rui arrived at an zi hao’s studio.

“I plan to stay at home this time. I won’t go abroad.”

ou yang said in a soft and calm tone.

“Why did you decide to stay at home this time? Because of Amanda?”

an zi hao knew his friend very well. Except for gu yi ran, nothing could change his decision of ou yang ray.

“She’s back now. I believe we’ll find her soon,” said ou yang ray, nodding slightly

“ou yang, it has been so many years. Aren’t you afraid that there is someone else by her side?”

an zi hao felt sorry for his good friend.

“It’s enough as long as I can see her.”

With a sigh, ou yang said in a low voice.

an zi hao didn’t know what to say. He wanted to persuade him to give up many times, but he couldn’t say something like that when he saw that ou yang and ray loved each other so much.

an zi hao knew that even if he gave up looking for gu yi ran, he would not listen to her.

Seeing the helpless expression on an zi hao’s face, ou yang and ray changed the topic.

chapter 225

“Mr. an, what can I do for you?”

ou yang asked in a joking tone.

“I’m no longer the general manager of VL company.”

an zi hao smiled naturally, as if nothing had happened.

“What happened?”

On the other hand, ou yang’s father was a little confused and worried.

“Why are you looking at me like that? I don’t want to work in my father’s company for a long time. If my father hadn’t gone abroad, I wouldn’t have stayed here for a whole day. I think it’s better to continue to develop my game.”

On the other hand, an zi hao didn’t seem to care about it at all. Ray ou yang also knew that in fact, an zi hao didn’t like to stay in VL company at all, and he was not interested in dress design either. If it weren’t for his game, he wouldn’t have allowed his father to stay in VL company for a period of time.

“Since you have made your choice, then do it with your heart.”

ou yang said in a low voice.

“Of course. Mr. ou yang, please design the game clothing for me in the future. I’m very poor now and have no money to hire a designer.”

an zi hao joked.

Ray ou yang knew a lot about fashion design, which could be said to be as clear as his fingers. Therefore, with the help of his good friend, an zi hao's game studio would certainly develop better with the help of ray ou yang.

.....

As soon as Nina got off work, Bill had been waiting for her at the gate of VL.

"You got off work so early today?Big BOSS."

Ning Xi asked in a teasing tone as he got in the car.

"If I didn't get off work earlier, how could you get such a good treatment?"

gu jin yi's thin lips curved slightly, and his low and clear voice was particularly pleasant to hear.

"Just for this treatment, I also want to thank the big BOSS!"

Ning Xi lowered his eyes and nodded to thank him.

They came to the kindergarten together and picked up the two babies.

The two babies rushed to them as soon as they saw their parents.

chen chen held Ning Xi's leg tightly, and han han jumped on gu jin yi directly.

"Mommy, in fact, I have always wanted to ask you."

chen chen looked at Ning stream with his big watery black eyes.

han han, on the other hand, fixed her eyes on her handsome father.

"Well, he is still not as handsome as my daddy!"

"What?Who is not as handsome as me? "

gu jin yi was amused by han han's serious expression.

chen chen stood on tiptoe and whispered in Ning stream's ear. Seeing that chen chen had something to say, Ning stream bent down.

"Mommy, does that uncle have a crush on you?"

Hearing what chen chen said, three crows flew over Ning Xi's head

chen chen, why don't you mention it?He looked like a grown-up.

It doesn't matter if you like it or not. What's the meaning of it? I've made it clear to you.

Ning Xi squinted at gu jin yi, afraid that he would hear something.

She didn't know that her dear daughter han han was telling her father everything.

han han whispered in gu jin yi's ear what happened this morning.

After that, she poked her head out and stared at gu jin yi with her big round eyes. She found that there was something wrong with his expression.

"Daddy, what's wrong with you?"

At this time, he walked to the front of Ning stream and stared at it with his mysterious eyes.

Ning Xi came to his senses and looked at him at the same time.

She found that there was something unfathomable in his eyes.

"Why are you looking at me like that?"

Ning Xi was confused and asked.

ADVERTISEMENT

In fact, she felt a little guilty and felt that gu jin yi seemed to know something.

"You are my wife. I can see whatever I want."

gu jin yi held Ning Xi's head and held it in his arms.

"Hey, let me go. I'm not feeling well!"

ning xiao xi tried to get rid of gu jin yi's arms, but she was too weak to do that.

"Okay, I'll let you go."

Then, he squatted down and put han han down, letting Ning Xi out of his arms.

ning xiao xi took a deep breath and seemed to be freed from the zone without oxygen.

gu jin yi looked at the two babies dotingly and said in a soft voice, "chen chen, han han, daddy can't hold you anymore. Just follow me, okay?"

The two babies didn't understand why gu jin yi couldn't hug them, but they nodded obediently to show that they knew.

"Aren't you going home?"

Nina asked in confusion, blinking her eyes. It seemed that he had no intention of leaving.

All of a sudden, Princess Jin picked up Ning stream, which was caught off guard by her.

"Hey!What are you doing? "

"chen chen, han han, let's go!"

"Yes sir ! "

The two babies answered gu jin yi at the same time.

She jumped up and down behind gu jin yi.

She looked very excited, as if she had eaten honey.

It turned out that Daddy wanted to hug Mommy. Daddy was really good at flirting with girls.

“It’s him! Put me down!”

gu jin yi walked slowly while Ning stream kept moving.

ADVERTISEMENT

gu jin yi still kept silent, holding Ning Xi tightly.

“Mommy, don’t move. It’s not good for you to fall down.”

“Hold daddy in your arms. You are so lucky.”

The two babies followed gu jin yi and tried to persuade Ning Xi.

“chen chen, han han...”

Ning stream was speechless. She didn’t know what to say.

She felt that gu jin yi was a little strange today.

Soon they arrived home. The two babies were very happy today, because they had signed the contract for acting. Then they ran upstairs happily.

On the way, Ning Xi felt something was wrong with gu jin yi, so he ran out of the car as soon as he stopped the car.

When Ning stream ran into the hall and was about to go upstairs, gu jin yi, who was standing behind her, put his big palm on the wall and blocked the way of Ning stream with his strong arms.

“What... What do you want?”

Ning Xi didn’t dare to look straight into gu jin yi’s eyes. As long as he looked into gu jin yi’s unfathomable and mysterious eyes, he always felt that he could see through what he was thinking.

So Ning Xi looked around and didn’t look at gu jin yi.

And there was another thing that she was worried about

As far as she knew, gu jin yi was likely to... Kabe don

“Why are you in such a hurry to go upstairs? Is there anything urgent?”

gu jin yi stared at Ning Xi with his evil and attractive black eyes.

“Well... Something urgent.”

Ning Xi was confused by gu jin yi’s words.

“If you have anything to tell me, I can solve it for you.”

gu jin yi's firm eyes told her that he actually wanted Ning Xi to take the initiative to tell her that he saw Ye Ling City today.

chapter 226

"You can't solve it."

Ning Xi's big eyes twinkled, and a light bulb lit up above his head. At this moment, he was in his period, so he thought of a way to answer gu jin yi.

gu jin yi smiled, "go ahead."

"My period is coming, so I have to go upstairs now."

Ning Xi said awkwardly. He had gone all out this time to escape from the disaster.

"Your period is coming?Where is it? "

gu jin yi looked around but didn't find anyone. He asked Ning Xi in confusion.

ning xiao xi was stunned by gu jin yi's words. 'damn it! Doesn't he know what a period is'??

Ning Xi wondered whether gu jin yi pretended to be innocent or not?

"Upstairs."

Ning Xi didn't explain to gu jin yi. Since he didn't understand, he pointed upstairs and went under his arm when he was not noticing.

Seeing Ning Xi fleeing away, gu jin yi guessed that she was lying to him. There was no period here.

"Ning Xi, are you lying to me?"

At this time, Ning stream had already run upstairs at a rocket speed.

Then gu jin yi followed Ning Xi upstairs.

But when he went upstairs, Ning stream just came out of the room.

She bumped into his broad chest.

gu jin yi approached Ning Xi step by step, and she could only step back from the door to the wall. Ning Xi laughed, "are you hungry?I'll go downstairs and cook dinner for you. "

After saying that, Ning stream was about to leave.

"Wait!"

gu jin yi didn't give her a chance.

"Didn't you say that your period is coming?Where is he? "

ADVERTISEMENT

gu jin yi was facing Ning Xi calmly.

“Hahaha... gu jin yi, don't you really know what a period is?”

gu jin yi's innocent look amused ning xiao xi.

At first, she thought maybe she had thought too much. As the CEO of the group of eight, how could he not know what the so-called “period” was?

Now it seemed that he really didn't know.

Ning Xi's smile confused gu jin yi.

What was she laughing at? Why are you so happy?

“What are you laughing at? What makes you so happy?”

gu jin yi couldn't help asking.

“Mr. Gu, are you so cute?”

Ning Xi pinched gu jin yi's handsome face.

“Ning stream!”

Being pinched by Ning Xi for no reason, gu jin yi's eyes flashed with displeasure and scolded her in a hoarse voice.

Ning Xi withdrew his hand reflectively.

“All right, all right. I won't pinch you anymore. It's not good if your good-looking face turns red.”

Ning Xi couldn't help laughing.

At this time, gu jin yi was in a bad mood. In the morning, Ning Xi went to see Ye Ling City, but she hid it from him. Now he was held by her inexplicably and laughed at him. What's going on?

But when he saw Ning Xi's fascinating face and her tempting smile, the displeasure in his heart disappeared in an instant.

“Don't you really know what a period is?”

Ning Xi asked tentatively and curiously.

gu jin yi was depressed for a while and frowned. Why did she look at him like this?

ADVERTISEMENT

What did her question mean?

gu jin yi didn't like this kind of guess. What he wanted was only the answer. He directly asked Ning Xi, “what is it?”

Ning Xi couldn't help laughing when he saw the curious look on gu jin yi's face.

“Will you tell me?”

Seeing Ning Xi keep smiling without saying anything, gu jin yi felt that he was fooled by her. He stared at her with a pair of deep black eyes.

Seeing this, Ning Xi quickly covered his mouth and stopped laughing. “I said, women come to menstruation every month, you know?”

Ning Xi explained to gu jin yi in a way of inquiry.

He nodded. He knew it. When he was in the biology cla\*\*, the teacher had taught him about the physiological organs of men and women.

But she still didn’t understand why the stream said that.

“That’s it. The so-called ‘period’ is menstruation!”

When Ning Xi explained it clearly, he was stunned.

She recalled that when she was a student, her cla\*\*mates referred to her as “aunt in law”. At that time, she had never thought about it and did not ask more.

“Well... I see.”

gu jin yi felt a little embarra\*\*ed, but it disappeared in an instant.

“It turns out that our president, Mr. Gu, also has something unknown. I found it...”

Ning Xi looked at him with an innocent and bright smile.

It seemed that he was really a child growing up in a greenhouse. He didn’t contact with other people and hadn’t integrated into the nature yet~

Ning Xi sighed in his heart.

But he didn’t even know his so-called period. Did it mean that he had never been in love? Or the first time?

Ning Xi narrowed his eyes and burst into laughter.

gu jin yi didn’t say anything. He looked at Ning Xi in silence, with an evil and attractive smile in his sharp eyes.

ADVERTISEMENT

Ning Xi immediately stopped laughing, as if he had sensed the man in front of him ‘bad intentions’.

gu jin yi approached Ning stream step by step, with a meaningful smile on his s\*\*y lips, “you can know more about what you don’t know.”

“I don’t want to know!”

Ning Xi blushed, pushed gu jin yi away and ran downstairs.

Looking at the panic stricken look of Ning Xi, gu jin yi smiled helplessly and dotingly, “this silly woman...”

.....

On the table.

The four of them were having dinner quietly in an an's house. The two babies suddenly asked, "Mommy, is that uncle very familiar with you this morning?"

Ning Xi swallowed the food in his mouth.

chen chen, han han, what are you doing? Ah, what the hell do you want to do? Why didn't she mention it.

Ning Xi squinted at gu jin yi, feeling guilty and his heart beating fast.

Fortunately, he didn't care.

Seeing that he was still having dinner as usual, Ning stream felt a little relieved.

She made a small gesture, "Shh..." and realized that the two babies were silent.

"Mommy, I think that uncle has a crush on you."

"Although I like him, Mommy, you can't like him because you already have a daddy."

The two babies talked word by word, and they didn't deserve Ning stream at all.

She didn't know whether they did it on purpose or not.

Ning Xi was completely pissed off by these two little guys. Did you two little guys do it on purpose.

Looking at gu jin yi who was still silent, Ning stream clearly felt that the air around her had been frozen, and the cold air had surrounded her, as if she was frozen in an iceberg and snow.

chapter 227

"Give the phone back to the stream. I want to talk to her!"

However, he didn't mind at all. Like a child, he asked Ning Xi to answer the phone.

"She is my woman. Do you think I will give her the phone without my permission?"

Speaking of the issue of Ning stream, he couldn't help but retort to Ye Ling.

gu jin yi, who seemed to have a zero IQ and never argued with anyone, was now at odds with Richie.

"Give me your phone."

Looking at the two men who were talking on the phone, Nina felt that she should solve this problem by herself.

"Stream! brook! You are here, right? I heard your voice!"

The clever man heard the voice of Ning stream and shouted at her again.

“I...”

When Ning stream was about to answer the question, gu jin yi looked at Ning stream with a gloomy face. His expression seemed to be telling Ning stream not to speak.

“Stream!Did you hear me?”

Ning Xi didn't care about the number 37 or twenty-one, but this matter had to be solved. It was not a good way for the two of them to get mad here.

Ning Xi s\*\*\*\*\*ed the phone and was about to speak, but before she could say anything, gu jin yi's kiss was faster than hers and pressed directly against her pink lips.

The two s\*\*y lips were tightly closed together.

“Okay.”

A domineering and strong kiss came, making Ning stream unprepared.

“J... Jean... Sheffield... You... Let... Go...”

Nina tried her best to break away from his kiss, but she still couldn't do anything.

On the other side of the phone, Richie seemed to have sensed what had happened. He said in a hurry, “gu jin yi, you b\*\*\*\*\*, let go of her!Let go of Ning stream!”

The kiss lasted for several minutes, from the lips touching the tongue to the tongue s\*\*\*ing, and finally went straight into it. The tongue was intertwined. Even if Nina didn't cooperate, he had a way to make her cooperate.

He didn't stop until his lips were a little red and swollen because of the crazy kiss.

This overbearing kiss seemed to be a warning to Ning Xi, indicating that Ning Xi only belonged to him in this life, gu jin yi. No one could take her away.

“Are you crazy? It hurts...”

Ning Xi rubbed his lips with his hands, frowning and looking at Yun canglan innocently.

“Naomi, are you okay?Did that b\*\*\*\*\* bully you?”

On the other side of the phone, Richie listened carefully to gu jin yi.

He was very excited to hear the sound of Ning stream.

“Mrs. Gu, I think we still have something important to do. As for those unimportant people and things, don't be affected by them.It will affect the quality of our next generation. ”

gu jin yi looked at Ning Xi with his deep black eyes. He raised his eyebrows and looked at Ning Xi with his deep eyes.

Ning Xi looked at gu jin yi blankly. He must have said it to Ye Ling City on purpose.

“You...”

When he was about to say something, gu jin yi hung up the phone.

Obviously, she was angry with him.

Mr. Gu, please don't be so cute. You have never argued with anyone about these so-called childish things before, let alone irritate anyone. Why did he change completely now?

On the other side, after saying that, he found that the phone was hung up.

He threw his phone on the bed and looked out of the window in silence.

On the other hand, he put his phone on the bedside table and didn't say anything. He held the arm of Ning stream and wanted her to lie down and have a rest.

Unexpectedly, Ning Xi was a little excited. “What are you doing?”

Reflexively, she sat away from him.

“Of course I'm sleeping. What else do you want to do?”

gu jin yi stared at Ning Xi, with a wicked smile on his handsome face, and a pair of pear sockets of jian jian appeared at the corners of his mouth. His charming expression was exactly the same as his son chen chen's.

“Oh... Sleep, sleep...”

Ning Xi answered gu jin yi in a trance.

Just when Ning stream was about to lie down, he suddenly hugged her.

Ning Xi was stunned and was held by gu jin yi.

“What did I say just now? There seems to be something very important to do, right?”

gu jin yi deliberately asked Ning Xi in reply. Ning Xi immediately remembered what gu jin yi had said to Ye Ling City on purpose just now.

“What is it? Why don't I remember?”

Ning Xi asked, pretending to be innocent.

“Then I'll let you remember.”

With a meaningful smile on his face, Ning Xi said again, “whatever it is, let's talk about it tomorrow. It's late today. Go to bed.”

Ning Xi escaped from this topic and slipped into bed when he was not noticing.

gu jin yi also lay down and hugged her from the back of Ning Xi, “without my permission, you can’t have too much contact with any man, let alone him, the Ye Ling City!”

Ning Xi turned over slowly and smiled at gu jin yi, “Mr. Gu, are you jealous?”

“Did you hear that? You are my woman now. Remember your identity.”

gu jin yi said in a low and clear voice, looking straight at Ning Xi with his deep and gloomy eyes.

“I just met him by accident. It’s not as serious as you said, okay?”

Ning stream defended herself, but at this moment, gu jin yi seemed to have lost his mind. He held Ning stream tightly, and Ning stream suddenly approached his chest.

“I don’t care about anything else. If I find it out next time, the consequences will be very serious.”

“Overbearing? Why should I listen to you?”

Ning Xi pouted and asked in reply.

“Because I’m your husband! Don’t I have the right to care about you?”

gu jin yi’s words made ning xiao xi speechless.

“Humph!”

Ning Xi kept silent and squinted at gu jin yi. But judging from her expression, he could tell that she didn’t want to listen to him.

chapter 229

Then, his big hand moved back and forth on the back of Ning stream to her slender waist.

"Ah! It's itchy... What are you doing?"

When she touched the sensitive part of Ning Xi's waist, she kept moving with excitement.

gu jin yi didn't know the sensitive parts of Ning stream, but he was exploring it tentatively, and now he finally found it.

"This is a warning for you."

gu jin yi teased her as he tickled her.

"Aha... AHA... You... You... You... Open... Hahaha..."

ning xiao xi couldn't express what she wanted to say clearly. Now she was itching to cry.

Now she understood how itchy and helpless they were when they scratched chen chen and han han.

"Will you listen to me or not?"

gu jin yi asked again.

"I won't listen to you! I won't listen to you!"

Ning Xi was determined to die.

He scratched her even harder. Ning stream was really suffering now.

“I will listen to you! Let go of me!”

ning xiao xi knew that it would be a loss for her to fight against the head-on, so she had to obey first and let gu jin yi stop the tickling attack on her first.

Hearing Ning Xi’s answer, gu jin yi slowly stopped tickling her.

“I should have done it earlier.”

gu jin yi said arrogantly with a mischievous smile.

Ning Xi secretly glared at gu jin yi and thought, ‘you’d better be proud. If you hadn’t caught me now, I wouldn’t have been bullied like this.’

“This is just a small warning. If...”

“I see!”

Ning Xi replied before gu jin yi finished his words. He didn’t want to talk about this with gu jin yi anymore.

“That’s good. Honey, let’s sleep.”

gu jin yi held Ning Xi’s arm. He nuzzled into Ning Xi’s arms and closed his eyes to sleep.

“Hello, gu jin yi, what are you doing?”

Ning Xi pushed gu jin yi’s head and pushed him out.

However, he was about to touch her chest.

At this time, Ning Xi felt a warm current on his chest and fainted.

But she could do nothing about it. Ning Xi could no longer break free and let gu jin yi fall asleep like this.

Not long after, Nina found that he was asleep.

She touched his black hair while he was asleep. She recalled that when she was sleeping with the two babies, they always liked to sleep in her arms

The second morning.

“Okay.”

Ning Xi opened his eyes in a daze and felt very comfortable.

When she was about to get up, she found herself curled up in gu jin yi’s arms.

Huh? Why did she sleep here? Last night, ming ming was in his arms.

Ning Xi looked up at gu jin yi with his big watery eyes.

When she was staring at gu jin yi, he suddenly opened his eyes.

Ning stream was so unpredictable that even her eyes couldn't avoid him.

"Is it beautiful?"

gu jin yi said in a low and hoarse voice.

Ning Xi jumped out of his arms.

"How, how, how can I sleep with you, you..."

Ning Xi pointed at gu jin yi's chest and said nervously.

Looking at the blank and lovely look on Ning Xi's face, gu jin yi couldn't help smiling.

Recalling last night

In fact, gu jin yi was still awake after Ning Xi fell asleep. He poked his head out of Ning stream's arms and held her in his arms.

He tucked her in carefully, kissed her gently on the forehead and fell asleep with her in his arms.

She didn't know why she did something incomprehensible and childish in front of Ning stream.

As the CEO of the Empire group, he was actually in the arms of a woman. How could he have any prestige if others knew it.

"What are you laughing at? I'm asking you. "

Seeing the sinister smile on his face, Ning Xi squinted at him.

"Because you can't sleep, so you came into my arms."

Ning Xi stopped talking. She admitted that she couldn't sleep, even worse than her two babies, so she had no reason to deny it.

Looking at the speechless Ning stream, gu jin yi was also amused by her expression.

.....

After breakfast, Ning Xi was about to take the two babies to the Ye Ji company, but gu jin yi said at this time.

"I happen to have nothing to do in the company today. I'll go with you."

"Yeah! Daddy was so happy to go with us today. "

Then, he directly picked up the schoolbags of the two babies, leaving Nina no time to say anything.

They had prepared everything for the two babies. Even if they went to take photos, their schoolbags were still with them.

Then, gu jin went out, and the two babies ran out with gu jin yi.

Looking at the backs of the three of them, Ning Xi thought to himself, 'what's wrong with you today? There must be something wrong!' Was it because of what happened in the city last night?

Ning Xi guessed

"Mommy! Hurry up and follow us!"

Seeing that Ning stream didn't follow them, the two babies became anxious.

"Here you are."

Ning Xi immediately followed Yun Shang without thinking too much.

In the car.

"Are you sure you want to go with us?"

Ning Xi stared at gu jin yi with his big round eyes, as if reminding him of something.

Besides, he never showed up easily. Why did he say that he wanted to be with them today?

Don't go, don't go

ning xiao xi whispered in her heart, hoping that gu jin yi's answer was exactly what she thought.

gu jin yi nodded and said nothing.

Ning stream was like a blossoming flower in the sun. Suddenly, she was hit to death by dark clouds and heavy rain.

"You are so busy with your work. In fact, you don't have to accompany us, really."

"chen chen and han han, what do you think? Daddy is so busy with his work. We shouldn't be so thoughtless."

Ning Xi took the opportunity to pick up the two babies. Obviously, she didn't want him to go with them.

"That's right. Daddy is so busy. It's too hard for him to go with us."

chen chen thought about it for a while and agreed with his mommy's words.

He didn't know what was on Ning Xi's mind.

Chapter 230

As soon as chen chen said that, Ning Xi felt that he had a high chance of success.

"Although I also want daddy to go with us, I don't want him to be so tired..."

han han was about to cry. Somehow, she felt sorry for her father.

Seeing this, Ning Xi laughed many times in his heart. Her dear daughter was so awesome.

In retrospect, it was not easy for him to say that he would go with them. His daughter was crying, what else could he say.

Ning Xi turned to look at gu jin yi, frowning.

Ning Xi had already guessed the result ninety-nine percent in his heart. He would no longer ask to go with them and would no longer worry about anything.

Ha ha, you still need chen chen and han han to deal with you.

“If you ask daddy to go back to the company, I will be more tired and have to deal with so many things. So if I go with you, I can make daddy lazy.”

gu jin yi looked a little innocent and pitiful, indicating that he would be more tired to go back to the company than to accompany them.

Seeing this, the two babies pouted and looked at their father gu jin yi with pity.

“In that case, daddy will go to the company with us.”

“Daddy, don’t work too hard. Daddy will go with us, so that Daddy can be lazy.”

The two babies changed their minds at once, which made Ning Xi at a loss.

“Or do you feel sorry for daddy?”

“chen chen, han han! You... You...”

Ning Xi was so excited that he didn’t know what to say.

“Mommy, what’s wrong with you?”

ADVERTISEMENT

The two babies saw the blush on Ning stream’s face and felt a little angry. They didn’t understand why Ning stream was so angry.

chen chen and han han asked confusedly.

Nina was about to faint with anger. She had promised him well, but why was she fooled by him again? chen chen, han han, why are you not determined at all.

But the culprit was still him, gu jin yi. He was so cunning that he tricked her two little babies to rely on him.

Ning Xi squinted at gu jin yi, as if telling him with his eyes that he was shameless and lewd!

No, no, no, no, no, No. Ning Xi would not casually slander others. He was just des\*\*\*able and shameless!

gu jin yi raised his dashing eyebrows slightly, and a smug smile appeared on his angular handsome face. His arrogant look was so arrogant that he wanted to be beaten hard.

ning xiao xi couldn't swear or beat in front of the two babies, so she held it back and covered it tightly with her hands. Her eyes were full of disdain for him.

"Mommy, what's wrong with your eyes?"

The two babies asked again when they saw the wink Ning Xi gave to him.

"It doesn't matter. There is sand in Mommy's eyes."

The serious expression on Ning Xi's face instantly changed into a happy smile.

Nina was always gentle to the two babies.

Ning Xi was depressed, helpless and angry.

"Mommy, aren't you happy that daddy will go with us?"

The two babies seemed to have found something wrong. han han looked at Ning Xi with sus\*\*\*ion and asked.

"Mommy should be happy. Daddy is so busy with us, which means that he loves us enough."

chen chen answered seriously for Ning Xi.

ADVERTISEMENT

The two babies echoed each other, and Ning stream had nothing to say.

"How could it be?Your daddy is so busy with us. Of course, I'm happy, ten to ten minutes. "

ning xiao xi stressed the word 'Ten' on purpose, which was against her conscience.

Seeing this, gu jin yi couldn't help bursting into laughter.

Ning Xi turned to look at gu jin yi with contempt.

"Okay, then we have made such a happy decision!"

The two babies were very happy.In this way, they soon arrived at the dark Ji film and television company. Ning stream could only pray all the way that he would not meet Ye Ling City in the company, or the consequences would be unknown.

It was not because he had something to do with the Ye Ling City, but because of what happened last night, gu jin yi must feel uncomfortable in his heart. It was better not to touch him.

Therefore, Nina could only pray that the city wasn't within the kilometer.

Who knew what a coincidence it was? The company that the two babies signed was exactly the company where he was in the city.

gu jin yi walked in front of them with two babies, followed by Ning stream. They looked around and found that Ye Ling City was really not in the company.

At this time, she began to feel complacent. Ha ha, God did not disappoint people, and her wish of Ning stream was realized.

“Mommy, don’t worry! That uncle won’t be here in such a coincidence. ”

Seeing that Ning stream was looking around, chen chen turned around and staggered to the front of Ning stream. He blinked his bright eyes and looked up at her.

“What? chen chen, you... ”

The confused expression on Ning Xi’s face froze. How did chen chen know what he was thinking now?

Ning stream looked at her dear son, with a pair of bright eyes slightly squinting at him. Looking at chen chen’s little bad look, he was no different from his father, Jean.

They were all her mind reader. She could know what she was thinking.

ADVERTISEMENT

“Mommy, I have a news to tell you, handsome uncle...”

“Shh...”

At this time, han han suddenly stopped and turned around to run to Ning stream.

It seemed that she wanted to say something, but she was stopped by Ning stream.

Ning Xi wondered what was wrong with the two babies today? They talked about the things of the night Ling City one after another.

Ning Xi was afraid that gu jin yi would hear han han’s loud voice, so he didn’t allow her to continue.

But she didn’t know that it was indeed a big news that han han was going to tell her.

“Ah!”

Ning stream held chen chen’s left hand and han han’s right hand. As soon as she walked forward, she bumped into gu jin yi’s broad and strong back. Ning stream screamed out of pain subconsciously.

“Why don’t you leave?”

Ning Xi frowned and asked in confusion.

gu jin yi, who was a head taller than Ning Xi, stood still in front of her, like a towering mountain.

The man standing in front of her looked at her in balance.

They stared at each other.

At this time, Ning Xi walked to the side of gu jin yi, “why don’t you stop?”

Ning Xi hadn’t found Ye Ling City not far away. She had been staring at gu jin yi.

gu jin yi kept silent all the time. When he saw Ning stream, the cold expression on his face instantly softened. He suddenly approached Ning stream and said, "Ning stream, you're here!"

As soon as he saw Ning stream, he couldn't wait to walk up to her and talk to her.

Ning stream was petrified and three crows flew over its head

"Night... Night Ling City..."

Ning Xi looked at Ye Ling City in confusion.

"What are you doing here?"

There was a trace of surprise and nervousness in the voice of Ning Xi, like a frightened rabbit.

Ning Xi could totally think of gu jin yi's expression and his mood.

So she spoke carefully.

"You mean, I'm not in the company. Where else can I be? Do you have a fever? "

After saying that, he put his slender hand on the forehead of Ning stream.

At this time, the two little babies were staring at this scene, and their eyes were wide open as if they were about to fall out of their eyes.

'damn it! How dare he flirt with a girl so blatantly? And she is not an ordinary girl, but their mommy, the wife of their daddy, Jean!

Not to mention that he was staring at Ning stream.

His eyes were as bright as obsidian, but now they were as dark as the dark tan. Her delicately carved face instantly became incomparably cold.

The air in the hall almost froze at this moment, as if it was standing in an iceberg and unable to breathe.

Ning Xi was stunned at that time, but he immediately reacted. Like a frightened rabbit, he took a step back from the front of Ye Ling City.

"The night Ling City! You..."

ADVERTISEMENT

Ning Xi was so flustered that he didn't know what to say? She didn't dare to look back at gu jin yi because she was afraid that she would be scared to death.

"Mommy belongs to daddy and us!"

At this time, the two little babies smartly pulled Ning Xi to the side of gu jin yi from the front of the Ye Ling City.

In order not to make the situation worse.

The two babies stared at him with their round eyes and pouted, looking at him as if they were looking at an enemy.

The smile on his face was particularly attractive.

“Don’t worry. I won’t take Mommy away from you. I will only...”

Looking at the two babies, he said in a low voice. Before he finished his words, he glanced at gu jin yi. The corners of his mouth were slightly crooked, and his eyes became sharp in an instant.

Ning stream and gu jin yi also noticed the words of Ye Ling City. Ning stream seemed to realize that Ye Ling City would say something out of line. In order not to let him continue, Ning stream spoke first.

“What the hell do you want, Richie?”

Thinking of what happened last night and what happened now, ning xiao xi was a little annoyed.

“Stream, last night...”

“We slept well and happily last night.”

He wanted to ask something, but was interrupted by gu jin yi on purpose.

However, the tone of “husband and wife” in gu jin yi’s words was particularly obvious, as if to remind the Ye Ling city that Ning Xi was his woman, and he didn’t need to think about it.

While answering the question, gu jin yi held Ning Xi into his arms peremptorily.

Ning Xi was a little surprised. He stared at gu jin yi’s handsome side face expressionlessly with his bright amber eyes.

ADVERTISEMENT

Ning Xi didn’t know how he felt now. He was so confused and innocent that he was shot.

“You...”

It’s said that women will show off. Damn it!What the hell?Was gu jin yi provoking the Ye Ling City on purpose?

Looking at gu jin yi, Ning Xi felt that he was not like him anymore.

“chen chen, han han, follow daddy.”

“ Yes sir ! ”

Then, he walked directly into the elevator with Nina in his arms.

The two little babies followed gu jin yi into the elevator.

“Let go of me!Let me go... ”

gu jin yi had been holding Ning Xi tightly. Just now, he wanted to make Ye Ling City stop thinking about her, so she cooperated with gu jin yi. Now there was no need to cooperate with him. She struggled to get out of gu jin yi’s arms.

In fact, you don’t love him too much, do you? As long as you need me, I will take you away at any time.

Looking at them, Richie thought of all kinds of things and found that Ning stream had never been willing to marry him. They were all forced, which confirmed his persistence to Ning stream.

Looking at the backs of the four of them thoughtfully, he was actually envious.

In the elevator.

“Bill, now that the Ye Ling City is gone, you can let go of me.”

Ning Xi said in a low voice.

“Why should I let you go? You are my woman. You will never run away from me. ”

gu jin yi held Ning Xi's slender waist tightly, and the two people were so close to each other. He stared at Ning stream with his bright and black eyes, as if his beloved thing had been plundered in an instant. The firmness that he was bound to take back made Ning stream absent-minded for a while, not knowing how to answer.

Then gu jin yi approached Ning stream at one point one, and his lips, which were full of color, slowly approached Ning stream's xiao qiao cherry lips

“Well, it's not suitable for children. Daddy, Mommy, you... ”

“Shh!”

han han's eyes widened at the sight of this. She seemed to be curious about the feeling of “kissing”.

When han han was about to say something, chen chen saw the situation and quickly stopped han han.

Now their parents were in a 'pa\*\*ionate love', so they couldn't be disturbed.

And han han xiao bu dian understood her brother's meaning very smart. She immediately covered her mouth and showed a little snicker to chen chen.

In this way, the two babies stared at gu jin yi and Ning Xi without blinking.

It seemed that he was looking forward to something

All of a sudden, there was a “Ding Dong” sound from the elevator. The four people were all stunned.

gu jin yi: what kind of elevator is this? They arrived so soon.

ning xiao xi: what were we doing just now? chen chen and han han are still looking at us like this

chen chen: Daddy, can't you be faster? I'm here to cover for you.

han han: roll your eyes at me. I finally saw my parents kissing at a close distance, but it was destroyed by this elevator. Damn it
