chapter 271

A white BMW stopped at the gate of VL company.

A fresh and elegant woman got out of the car. She was a regular customer of VL company but had never been ou yang mu xue of VL company in the future.

All the people in the company wanted to see them and entered the elevator under the guidance of the company's specific personnel.

Everyone was talking about it.

"Is that ou yang mu xue?"

A woman asked expressionlessly. In her impression, ou yang mu xue was a very cunning person. Every time she sent her a dress, she would send it back, but she was not satisfied. And his attitude was not good.

"ou yang mu xue, it's really her. She is more beautiful than she is on TV!"

A male employee said, staring at the back of ou yang mu xue with his bright eyes.

"What's the use of being beautiful? It's so difficult!"

The woman answered impatiently.

"ou yang mu xue never came to the company before. Why did she come here this time?"

The two women asked in confusion.

"Don't you know? I heard that Miss yam, the new design director, was very satisfied with her dress, so this time she came to her design in person."

A woman always explained with a proud look. It meant that she had a lot of resources and knew everything.

"Really? Did he come to see Miss yam in person? Miss yam has solved such a difficult client. She is really awesome!"

Everyone praised Ning Xi.

"Yes, Miss yam is really capable. She just came here and solved a big client. She is really capable! Otherwise, why was she promoted from a designer to a design director in less than a month?"

A woman and Ning Xi even praised her in various ways. In the past, they thought she came here with hidden rules, but now it seemed that she really had the ability.

"Well, what you said seems to be reasonable."

Everyone thought what the woman said was reasonable, so they all nodded.

At this moment, she vaguely heard the conversation of several employees and heard their praises to Ning stream. She was very unhappy, and her eyes were sharp with hatred.

She walked towards them and asked, "what are you talking about?It's so lively. "

At this moment, ruo huan yan behaved kindly and warmly.

"Susie."

When they saw ruo huan yan, they all nodded to greet her.

"Did you see ou yang mu xue just now?"

A woman asked ruo huan yan.

ruo huan yan nodded.

"She is a star and singer with both strength and appearance. She is very good at film and music, so it's not easy for our company to design her dress. But the only thing is that she is very cunning and particular about everything.And he never came to our company in person. "

"Well... Did I say too much? Well, I have to sum up that the company is not satisfied with all kinds of dresses designed for her. Since Miss yam came, she finally accepted the dress design of our company.She heard that she was going to be engaged, so she specially came to miss yam today to design the wedding dress.That's it. "

A woman said a lot of words in a low voice. But Roger also understood what she meant. She meant that she was not satisfied with anyone except the dress designed by Nina.

"Really?Then miss yam is quite capable. "

ruo huan yan praised Ning Xi on purpose.

"Yes, we just said that Miss yam is awesome."

Without saying a word, ruo huan yan turned around and left the company hall.

"Susie..."

Everyone was confused when they saw ruo huan yan leave without saying a word?

As soon as ruo huan yan turned around, her enthusiastic expression suddenly became expressionless, and a trace of disdain could be seen in her stiff expression.

ning xiao xi, my design will definitely be better than yours. Wait and see!I must get this big client!

If she was determined, she would take everything from Ning stream, no matter what it was.

In the design department A.

Her assistant, Ellie, knocked on the door and came in. "Director Ning, ou yang and mu xue are in the VIP reception room."

Today was the day to meet ou yang mu xue, and they had an appointment at ten o'clock this morning.

“Okay, I’ll be right there.”

After tidying up the documents, Ning Xi went out of the office with his assistant, Ellie.

In the VIP reception room.

Ning Xi knocked on the door politely and came in.

ou yang mu xue glanced at the door and turned around when she saw Ning Xi, ignoring her.

Following Nina, Ellie looked at ou yang mu xue who was sitting on the sofa.

She was wearing a white one-shoulder dress, elegant and intellectual.

The perfect body proportion was revealed, and the long and slightly curly hair was slanted over her waist, giving people a clean and elegant feeling. The long skirt was matched with a khaki long windbreaker, which made her more casual.

It was said that ou yang mu xue was difficult to deal with, but judging from her dressing, she didn’t seem to be that kind of person.

Sitting on the sofa, ou yang mu xue looked like a fairy. No wonder she was called the “real beauty with temperament in the past thirty years” in the entertainment circle.

Looking at ou yang mu xue, Ellie almost lost in her thought.

Women liked men so much, let alone men.

When they approached ou yang mu xue, Ning stream sat on the sofa opposite to her, and yoyo sat beside her.

She had a pair of bright eyes, which were clear and bright as stars. Her long eyelashes trembled slightly, and her flawless white skin was slightly red. Her lips were as tender as rose petals.

She was so beautiful. She was really more beautiful than on TV. It was the first time for Ellie to see ou yang mu xue in person, and she was her idol. She couldn’t help but sigh excitedly in her heart.

“Miss yam, don’t you know it’s impolite for your assistant to keep an eye on others?”

At this time, the man standing next to ou yang mu xue said in a cold and soft tone.

He was Richard Leng, ou yang mu xue’s assistant. Just like his name, he was cold and ruthless. He could see what others did to ou yang mu xue in time.

It seemed that he was also a responsible assistant.

Hearing what ou yang mu xue’s assistant said, Ellie quickly looked away.

“I can’t help but take one more look at my favorite star. I believe miss ou yang can understand.”

ning xiao xi didn't turn around to see if Ellie was really staring at ou yang mu xue. Her answer gave everyone a step down.

"Don't say anything else. You designed the dress last time, right? It's not bad. It's still a little bit more difficult than the previous dresses."

ou yang mu xue said coldly. And the words coming out of her mouth made her feel very uncomfortable.

'live a happy life?'? What do you mean by 'okay'? My stream is Anna, one of the best designers in the design field. No one will refute her design. It's hard for you, ou yang and mu xue, to live with it?

At first, she thought ou yang mu xue was a good girl. She didn't think she was a tough woman. Now she finally understood why others said so.

It was really hard to say something unpleasant.

chapter 272

She finally understood why her a\*\*istant was so cold.

The boss was so cold. How could the a\*\*istant be so enthusiastic?

Ning Xi nodded with a smile, "I'm glad you like it, miss ou yang."

She glanced at Ning Xi in surprise. Ning Xi didn't retort to ou yang mu xue even though she had spoken so rudely. She really wanted to speak for Ning Xi.

"Show me the dress design drawing directly. As long as I like it, just make it."

ou yang mu xue went straight to the point.

For so many years, she hadn't found a designer who could really satisfy her, and Ning Xi was the first one.

Therefore, it was the first time for her, ou yang mu xue, to come to VL company for the sake of Ning Xi.

"These are several engagement dresses designed for you. Check if there is anything that needs to be modified."

Now that ou yang mu xue went straight to the point, Ning Xi would do as she said.

Ning Xi handed her the dress design drawing, and the a\*\*istant calmly took it and handed it to ou yang mu xue.

Looking at the dress design in her hand, her eyes lit up. This was the dress she was thinking about. How could Ning Xi know that she liked this kind of dress? And it meant a lot to her.

Two years ago, she put on the dress designed by the queen Anna by chance. Because of the dress, it became more popular at the party. From that moment on, ou yang mu xue's fans rose sharply, and countless companies wanted to cooperate with her.

Just because of a dress, she started her acting career. Later, through her efforts, her career had reached the peak.

If it hadn't been for that night, she wouldn't have entered the entertainment circle and achieved such good results.

Although she had reached the peak step by step with her strength, ou yang mu xue still had an opportunity. If it weren't for the platform two years ago, no matter how powerful she was, she wouldn't be able to play it.

She had been looking for Anna for two years, but she couldn't find it easily. So she tried to find something similar to Anna's design, but it had never appeared. So she was very picky about dress designers.

But since the last time VL sent her the dress design drawing, she was very surprised to see it. Since then, he had always wanted to come to the company to find Ning Xi and let her be his dress designer.

"There are too many flaws on your dress design. I don't like it!"

ou yang mu xue looked at them one by one, pretending that she was not satisfied with any of them.

Ning Xi sat aside and didn't say anything. On the contrary, yoyo became anxious and kept complaining in her heart.

Who are you! How could she not like so many dresses? She, ou yang mu xue, was deliberately making trouble!

Ellie couldn't help glancing at her ou yang mu xue, but she was still very careful.

"Richard, you go out first."

It seemed that ou yang mu xue had something important to talk with Ning Xi, so she asked her assistant to leave first.

At the same time, Nina also noticed that and asked Ellie to leave first.

"Ellie, wait for me outside."

"Stream..."

Ellie was still a little worried. Judging from her attitude towards ou yang mu xue, she was worried that Ning Xi couldn't deal with ou yang mu xue.

Ning Xi saw her worry and smiled at her. He nodded slightly to reassure her.

After hearing what Nina said, Ellie left the reception room.

There were only Ning stream and ou yang mu xue left in the VIP reception room.

"Miss ou yang, you..."

"You can be my private dress designer. I'm very satisfied with your design. "

ou yang mu xue said before Ning Xi finished his words.

Ning Xi smiled, "miss ou yang, why do you agree with my design?"

"It's your honor to be my private designer. You don't have to know anything else."

With a proud look on her face, ou yang mu xue sat cross legged on the sofa.

"What if I say no?"

ADVERTISEMENT

"You... You can't just be my personal designer. Now that I've asked for it, your salary is not a problem. You can ask for it as you like."

ou yang mu xue didn't expect Ning Xi to refuse her. She was surprised that someone would refuse to be her private designer.

"If I only work for my salary, I won't work in VL."

Ning stream had been chatting with ou yang mu xue with a smile, whether ou yang mu xue's words were good or bad or not.

"Then, how can you promise me?"

Obviously, ou yang mu xue was a little anxious.

"I just want to know your thoughts, miss ou yang. Why are you so interested in my dress design?"

As soon as Ning Xi took out the dress design drawing, she noticed that ou yang mu xue looked at it as if she had seen a treasure.

But why did she like her own design? Ning Xi wanted to know the reason.

"Who are you? Why should I tell you?"

ou yang mu xue was still unwilling to give in. She was just a xiao xiao designer, but she dared to set her words here.

Ning Xi smiled helplessly.

"What are you laughing at?"

ou yang mu xue couldn't help but ask, feeling Ning Xi's sneer.

"The reason I want to know is that I want to design a better and suitable dress for you for miss ou yang in the future. Since miss ou yang doesn't want to talk about it, there is no need for us to continue."

Ning Xi had already guessed what ou yang mu xue was thinking. She wouldn't give up until she got what she wanted.

So Ning Xi stood up on purpose and was about to leave.

"Wait!"

ou yang mu xue couldn't help but stop Ning stream.

ADVERTISEMENT

Ning Xi turned around with a smile.

Then, ou yang mu xue told her the reason.

.....

"That's why I want you to be my private designer. I saw that your design was really similar to Anna's."

Only then did ning xiao xi understand everything. Two years ago, she inadvertently helped ou yang mu xue. She didn't expect that ou yang mu xue would keep this matter in mind all the time.

"By the way, I just want to ask you why your design style is so similar to Anna's. do you know her?"

ou yang mu xue was curious about this question.

"Well... I do know Anna."

ning xiao xi didn't tell ou yang mu xue that she was an Anna. In her opinion, it was better to get along with her in the name of Ning stream, so that she wouldn't have the burden of an idol.

"Really? Do you know Anna? "

Hearing that Ning Xi knew Anna, ou yang mu xue was very excited.

Ning Xi nodded slowly.

"May I meet her?"

ou yang mu xue was eager to meet Anna now.

"I can help you tell her that she will see you at a certain time."

Hearing what Ning Xi said, ou yang mu xue was a little confused. Her bright eyes looked at Ning Xi in disbelief. What did she mean by saying that Anna would see her at a certain time? How could Ning Xi make a decision on this matter?

"If you think these dresses are okay, I'll ask someone to make them and send them to your company."

Ning Xi came back to the point. After all, the main task this time was to deal with ou yang mu xue.

chapter 273

"Although your dress design style is similar to Anna's, it's not what I want. You can go back and study it carefully. I'll come back when you design the dress I want. My schedule is very full, so I'm leaving now."

ou yang mu xue stood up from the sofa and was about to leave the VIP reception room.

In fact, ou yang mu xue was very satisfied with the dress design of Ning stream, but she wanted to see Anna, so she rejected Ning stream.

Ning Xi didn't help her meet Anna, so ou yang mu xue deliberately said that she didn't get what she wanted.

She wanted Ning Xi to know that only when ou yang and Mu Xue met Anna would she be satisfied with Ning Xi's design.

Ning Xi had already seen through ou yang mu xue's mind. She also stood up from the sofa and said, "I believe that miss ou yang is also a smart person. If something happens to her because of a small matter, it's not worth it."

Hearing what Ning Xi said, ou yang mu xue slowed down her steps.

.....

Outside the VIP reception room.

Ellie and Richard were waiting outside. They looked at each other coldly.

Then, looking at the door of the reception room, she prayed in her heart, 'I must get ou yang and mu xue, I must get her...'

Ellie thought Ning Xi was in danger this time. Just now when she saw ou yang mu xue's unruly look, she felt that it was not easy to win this time.

After a while, Ellie leaned into the crack of the door and squinted. Finally, she gave up before she could see anything in the reception room.

"Why haven't you come out yet?What happened? "

"Hey!Can you be quiet? "

Richard, who had been silent all the time, finally couldn't help but speak, with a cold and fierce expression on his face.

Seeing this, Ellie was not afraid of him at all. She walked up to him angrily and shouted, "I'm so noisy. What do you think!If you have nothing to do, just go away. I won't stop you.Let's go, let's go... "

She crossed her arms over her chest and made a face, which pissed him off.

Richard looked at the fearless woman in front of him with his cold eyes and looked at her in silence.

This woman was right to do something wrong. She was really an incomprehensible creature.

Turning her head, Ellie pouted and glanced at him. Seeing that he was silent, she was very happy and proud.

She kept complaining in her heart, 'humph, if you have the ability, don't say anything all your life, cold iceberg!'

When she was about to forget herself, Richard grabbed her coat with one hand and almost lifted her up.

After all, Ellie was only 1.6 meter tall, and she looked particularly Pet\*\*e when he was 1.88 meter tall.

“Hello!What... What are you doing?Let go of me!’ll give you three seconds. Let go of me! ”

Richard was still indifferent. He even picked up Ellie with one hand and easily picked her up. No wonder she was the assistant of a famous star. She had both literature and military skills.

Ellie became more and more nervous, wondering if she had offended him?

Panic, tension... Was spreading in her heart

“Sir, sir, sir... Sir, please forgive me. I was blind just now. Please let me go...”

Ellie instantly changed her attitude and tone.

Richard still stood there, without any expression in his eyes. It seemed that no one could guess what he was thinking.It seemed that she didn’t want to let go of Ellie.

“Sir, I know I was too blind to recognize you. Please forgive me this time. Please let me go...”

Her big round eyes blinked at him, and a meng meng smile appeared on her face.

She thought maybe he would let her go if she played a trick on him.

She was imagining that when Richard heard her words, he slowly put her down and apologized to her

“Ah!”

Halfway through her fantasy, she suddenly fell down to the ground.

“Ice cube!You!Why did you throw me to the ground?Are you crazy? ”

Ellie’s head went blank. She didn’t care whether it was 37 or twenty-one years old.

Richard remained silent, ignoring her scolding.

Seeing that he didn’t say anything, Ellie got up from the ground and glared at him. She tried her best to make him speak, but she didn’t believe him and didn’t say a word.

You didn’t say anything, did you?Well, let’s see if you can hold on or I can make you speak.

Then, under the excuse that he threw her onto the floor, she pushed him away and said, “you threw me onto the floor. What do you think I should do?Tell me! ”

She wanted Richard to speak, but what she had done didn’t seem to work on him.

“Didn’t you ask me to let you go?”

Richard said coldly, standing still like a high mountain.

ADVERTISEMENT

“You!Just let me go. Don’t you know how to let me go slowly? ”

Ellie was furious. Was he a fool?He was so rude to girls.She was thinking about how to deal with him.

“Ah!Ah!”

She tried her best to push him away, but failed. Richard turned his body sideways, and Ellie bumped into the wall.

“Ah, my head...”

Ellie touched her forehead subconsciously and frowned in pain.

“What a stupid pig!”

Richard said in a cold voice, standing aside and casting a cold glance at Ellie who had bumped into the wall.

Ellie was smart enough to hear what Richard said.

She walked up to him angrily and shouted, “who are you talking about? Ice cube!”

Richard still didn’t respond to her.

“Ah! How could I meet someone like you?”

This time, Ellie was speechless.

She took a deep breath and patted herself on the chest. “Don’t be angry, don’t be angry, don’t be mad, don’t argue with this alien...”

chapter 274

At this time, Ning Xi, ou yang and mu xue slowly walked out of the VIP meeting room.

Seeing their bosses come out, both of them were ready to go back to them.

Richard walked up first. When he just took a step forward, Ellie bumped into him deliberately to make him unable to walk in front of her, and she jogged to the side of Ning stream first.

Richard, on the other hand, had no choice but to cast a cold glance at the weak girl in front of him. Then he strode to follow her and walked slowly to ou yang mu xue’s side.

“Well, miss ou yang, I will design these three dresses for you. Two days later, I will ask my assistant to contact you and measure your size.”

As a design director, Ning stream gave a friendly and warm smile to a customer.

She was obviously a woman with both EQ and IQ.

“Okay, I believe in your taste, Miss yam. I’m very satisfied with the design drawing of the dress, and I believe that the finished product will not let me down.”

ou yang mu xue also had a harmonious smile on her face, showing no sign of dissatisfaction.

Standing next to Ning stream and ou yang mu xue, both of them were surprised.

Looking at Ning stream and ou yang mu xue, Ellie was expressionless.

Did this mean that Naomi had won over ou yang and mu xue? It seems that they two are talking happily. Not bad. Our stream is the best. A master was indeed a master!

On the other hand, Richard cast a glance at Ning stream on purpose, confused and admiring.

Who the hell was that person? How could he deal with ou yang mu xue? In Richard's heart, ou yang mu xue had always been a person who wanted to be 100% perfect, and had a very high standard of everything.

But in the past few years, she had never seen her be satisfied with anyone's design. Even if she was a little satisfied, it was already very good. She didn't expect that... The woman in front of her had solved it. Was there anything special about her?

Ning Xi nodded with a smile, "don't worry, miss ou yang."

Seeing that Ning stream and ou yang mu xue had handed over their work, as the assistant to the director, you were about to send ou yang mu xue downstairs politely.

"Miss ou yang, this way please."

"Miss yam, can you go downstairs with me?"

However, ou yang mu xue asked Ning Xi to go with her. She seemed to be familiar with Ning Xi at first sight and had a lot to talk about with her.

Even if she had to leave the company, she couldn't waste her time downstairs.

"Of course. Let's go."

Ning Xi, as her dress designer, couldn't refuse ou yang mu xue's invitation.

In this way, Ning stream and ou yang mu xue walked from the VIP reception room to the elevator and were about to go downstairs.

As soon as the four entered the elevator and the door was about to close, a sharp and charming voice came, "wait!"

ruo huan yan reached out her hand and opened the elevator door.

"Naomi, you are here too. Do you mind me coming with you?"

ruo huan yan looked at Ning Xi on purpose, pretending to be familiar with her.

"Miss yam, do you know each other?"

ou yang mu xue looked at Ning stream and asked.

"I..."

"Are you miss ou yang mu xue? I'm more beautiful than on TV. It's my honor to see you."

When Nina was about to answer, Roger spoke first. She didn't want Ning Xi to say something bad to her.

ou yang mu xue glanced at ruo huan yan and ignored her.

She hated those who flattered and flattered her most.

"Hello, I'm the design director of C department. Nice to meet you."

ruo huan yan reached out her hand and wanted to shake hands with ou yang mu xue, but ou yang mu xue ignored her and said coldly, "we won't have any intersection, so it's better to let it go."

Crossing her arms over her chest, ou yang mu xue withdrew her hand awkwardly and forced a smile.

"Miss yam, how could you know such a person? You are not on the same level with me. And why do all the staff in your company recruit you? Is there such a shortage of people? If you really need help, just call me. I'll introduce some elites to you."

ou yang mu xue replied coldly. Then she turned to Ning Xi and asked politely.

"Miss ou yang, you are joking. You don't need to care about others. Here we are. Let's go."

Ning stream didn't answer ou yang mu xue's question directly, nor did he care about it. He just smiled and walked out of the elevator with ou yang mu xue.

Two assistants, Ellie and Richard, followed her.

At this moment, standing aside coldly, Roger slowly walked out. Looking at the backs of Ning stream and ou yang mu xue, he was full of disgust for them.

Her purple beautiful eyes exuded an evil aura. Ning stream, ou yang mu xue, who the hell are you!! don't want to lose face in front of you. How can you describe yourself as a dog or a cat? One day, you will come to beg me. At that time~

Looking at their backs, ruo huan yan smiled coldly.

ou yang mu xue and Ning Xi walked all the way from the elevator to the entrance of the hall, attracting the attention of many employees in the hall.

"Come and have a look. Miss yam and ou yang mu xue are downstairs."

When a woman saw Ning stream and ou yang mu xue go downstairs together, she was completely surprised.

"They seem to be talking and laughing. Does it mean that Miss yam has made up with ou yang mu xue?"

The man asked in disbelief.

"Of course, or why did they come down together?"

The two women answered firmly.

“Awesome! Now Miss Yam has completely become the perfect goddess in my heart!”

The man 21 looked almost maniac, with his hands covering his cheeks, and his voice was a little coquettish.

“You! I don’t know how many beauties there are!”

The two women laughed and complained about the two men.

“It’s true this time. From now on, Miss Yam will be my goddess. The others will all stand aside!”

The two men said firmly. The two of them burst into laughter.

“I’ve been working in the company for five years, but I’ve never admired that boss. As for Miss Yam, I really admire her.”

A woman looked at Ning Stream and said.

Everyone nodded in agreement.

chapter 275

At the entrance of the hall of VL International Dress Design Center.

After the conversation between Ning Xiao Xi and Ou Yang Mu Xue, her special car had arrived.

“Miss Ou Yang, please get in the car first.”

“Thank you, Miss Yam.”

Ou Yang Mu Xue said in a soft tone. She didn’t hear what she said if she didn’t listen carefully. But the three people standing beside her could hear it.

Ning Xi was a little surprised. He didn’t expect Ou Yang Mu Xue to thank him.

On the other hand, both of them were surprised.

“You’re welcome. This is what I should do. Miss Ou Yang, don’t take it to heart.”

Of course, Ning Xiao Xi would not show an expression of surprise, and her tone responded naturally.

Then Ning Xi stretched out his slender hand to show that they had reached an agreement. “Wish us a pleasant cooperation!”

Ou Yang Mu Xue smiled happily, “Wish us a pleasant cooperation!”

Then, Richard opened the door for her, and Ou Yang Mu Xue got into the car.

Ning Xiao Xi and Ellie stood at the gate of the hall and watched their car drive away.

“Miss Yam, I’m sorry. It was my fault in the reception room just now.”

Seeing that the car had gone far, Ellie lowered her eyes and apologized to Ning Stream.

“It’s okay, silly girl. Don’t apologize.”

Ning stream didn’t care about her at all. She treated her like her little sister.

Although Ning Xi was her boss, she never had any other opinions because of the difference in status and position between the two.

“Won’t you blame me?”

Ellie still felt guilty.

Ning Xi nodded, “everything is fine now, isn’t it? It means that you haven’t affected me. ”

Hearing this, Ellie slowly recovered.

“Thank you, Miss Yam. Thank you, Naomi.”

Ellie hugged Ning stream excitedly.

Ning Xi patted her back to soothe her.

“Naomi, Naomi, you are so awesome! Tell me how did you handle ou yang mu xue? ”

Ellie let go of Ning stream and couldn’t wait to know what the unique skill Ning stream used to deal with such difficult customers.

ning xiao xi just smiled and said, “Ellie, let’s go back first.”

“Okay.”

Yvning didn’t explain more, and Ellie didn’t ask more. As an a\*\*istant, she knew that.

If the boss didn’t want to answer the question, it meant that he couldn’t reveal it casually.

Then the two of them turned around and went back to the hall.

Ning Xi walked through the hall with a smile. He was nice to everyone in the company.

“Hello, Miss Yam.”

“Hello.”

“Hello, Miss Yam.”

“Hello.”

.....

Along the way, all the staff greeted her. She responded one by one.

It was already satisfied for Ning Xi to do this in the company.

She didn’t expect a high or good position. As long as she was happy at work and had fun at work, it was enough to have everyone and a team.

As soon as ning xiao xi and Ellie returned to the design department A, their companions suddenly ran up to them and scattered flowers on their heads.

“What are you doing?”

Ning Xi was stunned.

“Miss yam, you have made a big client. The chairman said that we don’t have to work overtime these days!”

“Thanks to you, or we would have to work overtime every day for that ou yang mu xue’s dress.”

“That’s right. Miss yam, you are our lucky star! A lucky star!”

ling ling and other colleagues said excitedly.

“You must be tired this time. Have a good rest tonight.”

Ning Xi understood their hard work these days, because he had also come here like this before.

“How about this? We have a dinner party on Sunday evening. Our partners in A design department haven’t gone out for dinner for a long time.”

ling ling suggested. Everyone nodded in agreement.

“Sunday...”

ning xiao xi thought that she would leave on Thursday and Sunday in three days. She didn’t know if she had time to go to the party at that time. Besides, chen chen and han han don’t go to school on Sunday, so I have to accompany the two of them.

“What’s wrong with Miss yam? Are you busy on Sunday?”

A male colleague saw that Ning stream didn’t answer her question affirmatively, so he guessed that she had something to tell him.

“I’m not sure yet. Let’s get together then. This might be the last party for all of us.”

Ning Xi said from the bottom of his heart. At this moment, she was thinking that she would leave six days later, and did not realize that she had said something wrong.

“Miss yam, are you out of your mind? How could it be the last time? We have many chances in the future!”

ling ling didn’t pay much attention to what Ning Xi said. She thought she said it just because she forgot it. She never thought Ning Xi would leave.

“Yes, I’m out of my mind...”

It was not until Ning Xi came to his senses that he realized he had said something he shouldn’t have said. An innocent smile appeared on his face.

“That’s it!We will design A party in department a on Sunday. ”

ning xiao xi made this decision first. Let’s talk about it when there is an emergency.

After saying that, everyone returned to their seats, and Ning Xi returned to his office.

ou yang mu xue had almost completed this task. Next, she would study gu jin yi’s game design carefully.

.....

In the Ning mansion.

The two of them sat in the living room and talked about Ning stream.

At this time, Susan just came downstairs and happened to hear the conversation between the ning guang hui couple. She stopped and stood at the stairway, eavesdropping.

“Are you really going to give the property ownership certificate to that b\*\*\*\*\*?”

With a ferocious look on her face, yan pei fen wished she could tear Ning Xi into pieces.

“Since you have promised her, just give it to her. After all, you gave it to her five years ago.”

During the five years when Ning Xi left, Ning Hui seemed to have thought through a lot and felt that he really felt sorry for her.

The only thing he could do to her now was to return her grandmother’s house to her.Nothing else could be given to her. Since she wanted her grandmother’s house so much, it would be as she wished.

“What?Brilliant Ning!what you were saying?Give the property ownership certificate to that b\*\*\*\*\*?Are you out of your mind? ”

yan pei fen stood up from the sofa excitedly and shouted at him in a particularly loud voice.

“That’s what we promised her. Just give it to her.”

Ning radiance was in a dilemma. On the one hand, she was his wife and daughter, and on the other hand, she was also his daughter.

“Oh, when did you become so generous?Or did she feel guilty?Why didn’t you sympathize with the two of us at that time? ”

yan pei fen didn’t give him the slightest chance to speak out all the unpleasant words.

She complained with a resentful look on her face.

chapter 276

“At that time, I was wandering outside with Susan...”

“Enough!Stop it. ”

yan pei fen wanted to mention what happened eighteen years ago. He knew it in his heart, but he hated her most because she always talked about what happened eighteen years ago.

“What? If you can do it, why can’t I mention it?”

yan pei fen said sarcastically.

She thought she was the one who was right, no matter what he said.

“I’ve married you and done my utmost to you and Susan. What else do you want?”

Hearing that, Ning Hui became excited and said what he had been holding back in his heart.

Indeed, the reason why he married her, yan pei fen, was that he owed her and had no other feelings for her.

“Well, Ning Hui, you’ve finally spoken out what you’ve been thinking for so many years. You’ve been waiting for this day for a long time, haven’t you?”

yan pei fen sneered, with a flicker of surprise in her eyes. She had already known what was expected, so she was not particularly surprised when Ning Hui said it. But she did not expect that he would really say it so ruthlessly, and she was still a little surprised.

Only then did Ning Hui realize that he had said something wrong, but he didn’t explain. He had to say it in the end.

“We have been married for so many years. I don’t want to quarrel all the time because of some trivial things. So don’t go too far on something.”

Ning Hui always talked to yan pei fen in a peaceful tone, because he knew that she was doing this for his own good.

“Ning Hui, do you think I have gone too far? Now you say that I have gone too far. For whom? All this is for you, for this family!”

yan pei fen said, her eyes turning red.

“Never mind. It’s settled then. I’ll return the house to Naomi this time. You and Susan will live here well. You won’t get less than her.”

Then he picked up his coat and walked out of the hall.

Susan heard all the conversation between her parents, and she understood everything and was confused about something.

Susan recalled what her parents had just said to yan pei fen. What had happened eighteen years ago? As for his anger, she must find out the truth.

ning xiao xi took everything from me because of you! Now your parents are quarreling with each other, and even your father is on your side. Why don’t you go to die! It’s good for everyone if you die!

Susan couldn't help but burst into anger. She clenched her fists and clenched her nails into her palms. She hated Nina very much.

ning xiao xi, you are not her twin sister, but a b\*\*\*\*\*! From the moment you moved into the Ning family for five years, Susan didn't believe that you would have a twin sister who fell from the sky for no reason.

However, at that time, both of them explained to Susan that Nina was her twin sister. She was weak and sick when she was a child, so they sent her to her grandmother's house for recuperation. When she grew up, they took her here.

At that time, Susan didn't think about it, because the two of them did look very similar. She also thought that her parents wouldn't lie to her, thinking that she had a twin sister.

Seeing how bad ning guang hui and his wife treated Ning Xi, Susan had thought about it, but there was no reason. Why did her parents lie to her? So he interrupted her.

It was not until then that she heard the conversation between Ning Hui and yan pei fen that she realized that Ning Xi was really not her twin sister, Susan.

Susan was very happy and sighed in her heart.

She, Nina, doesn't deserve to be my sister at all.

What would Ning Xi think when he heard the news? She was just a b\*\*\*\*\* that no one wanted

Susan's worries were all gone after she knew the important thing. Thinking of the painful expression and tears of Ning stream, she was happier than the gold jewelry.

Then Susan turned around and went back to her room.

After Ning radiance walked out, yan pei fen sat still on the sofa.

"Ning Hui, if you are heartless, don't blame me for being unjust."

yan pei fen quickly regained her composure. Seeing that Ning Hui began to be soft on Ning Xi, she must be more careful. She couldn't let Ning Xi take away the status of her and her daughter.

Five years ago, after Ning Xi left here, Ning Hui accidentally knew that Ning Xi was indeed his biological daughter, not the child of the woman she loved and another man. From that moment on, he regretted that he shouldn't have been so cruel to Ning Xi and kicked her out of the country.

So five years later, that was now, he would slowly return what Ning Xi lacked to her and compensate her.

yan pei fen recalled the night twenty-three years ago

She deliberately let her sister, Patrick Yan, get drunk and let a strange man enter her sister's room. At that time, she called Ning Hui

"Charles, come here. I'm drunk."

Before long, Ning Hui arrived at the place mentioned by yan pei fen. When he opened the door, he was heartbroken to see the scene.

Looking at the scene on the bed, her eyes were full of anger. She clenched her hands, and blue veins stood out on her wrists.

yan pei yun gradually woke up and saw herself naked lying next to a strange man. She screamed, "ah!"

She held the quilt tightly and sat aside. Then she saw her husband, Ning Hui, and her twin sister, yan pei fen.

Her eyes narrowed slightly. "Jared, xiao fen... Why... Why are you here?"

"yan pei yun, you... You did something wrong to me!"

When he saw his beloved woman sleeping with another man, he felt heartbroken.

yan pei yun then realized her situation and hurriedly explained.

"Jared, listen to me. It's not what you think. I..."

"What else do you want to explain? Divorce..."

Harrison couldn't bear to say that. His eyes gradually turned red, and he turned his face away from the woman.

yan pei fen, the woman beside him, smiled faintly when she heard Ning Hui mention divorce.

## chapter 277

As soon as yan pei yun heard that Ning Hui asked for a divorce, she ran to him regardless of everything. yan pei yun hugged him tightly. "What did you say, brother Hui Hui Guo? Are you going to divorce me? no! don't agree. You said we would be together forever."

It was the first time that Ning Hui shed tears for a woman. His heart softened because of yan pei yun's hug.

At this moment, seeing that the situation was not right, yan pei fen added fuel to the fire, "sister, how can you do such a thing to betray brother-in-law? It will be so embarrassing if the news spreads. Alas..."

"xiao fen, I didn't do anything wrong to your brother-in-law. Don't you trust me?"

yan pei yun just wanted to explain, hoping that they could believe him.

"Sister, I also want to believe you, but the truth is already in front of us. How can we believe you? Do you believe me?"

"I..."

Hearing what yan pei fen said, yan pei yun was speechless. She didn't know what to do and how to explain.

"Get out! I don't want to see you again. I'll ask the lawyer to give you the divorce agreement."

Ning Hui pushed yan pei yun away heavily. She sprained her ankle and fell to the ground. She stared at Ning Hui with her amber starry eyes in disappointment and innocence, and tears fell down involuntarily.

At the moment when Ning Hui pushed her to the ground, yan pei yun knew that he had changed and no longer trusted her.

Then Ning Hui left the room directly. yan pei fen glanced at yan pei yun and left with Ning Hui.

"Colin, Colin, wait for me!"

Then yan pei fen ran out of the room with Ning Hui.

That night, Ning Hui went out to drink and got drunk.

yan pei fen followed her.

After drinking the wine, yan pei fen took him to the hotel because he was unconscious and admired him all the time.

"xiao yun, xiao yun... Why did you betray me? I love you so much... "

Ning Hui kept calling his favorite name, yan pei yun, with a sad expression on his face.

ADVERTISEMENT

yan pei fen helped him to the bed, took off his shoes and lay beside him.

"Jared, I'm not as good as you? Why was he not as good as her? Why don't you like me? I fell in love with you the first time we met, and you fell in love with my sister. We look the same. Why? "

Expressionlessly, yan pei fen stared at Ning Hui, who was lying on the bed drunk.

She touched his face, and gradually showed her possessiveness for Ning Hui and disgust for her sister yan pei yun.

"Since I was a child, I have been better than my sister in everything. But why don't you like me? Why do you all like my sister? I fell in love with you first, but you married my sister in the end. "

yan pei fen was not convinced. ming ming was better than her sister in all aspects, but good luck always came to her. Why?

This time, she, yan pei fen, must get the one she liked, no matter what means she used.

From now on, she would take everything she liked and liked! This was what she deserved.

Including him, brilliant Ning

yan pei fen jumped into his arms and unbuttoned his shirt one by one.

"xiao yun, xiao yun..."

Ning Hui kept calling yan pei yun's name. At this moment, the only person in his mind was yan pei yun.

"Jared, I will love you more than my sister in the future..."

Then, yan pei fen slowly took off her clothes and spent the night with Ning Hui.

.....

The second morning.

Ning Hui woke up in a daze. The sound of his turning over woke yan pei fen up.

The moment he opened his eyes, he subconsciously forgot to move his body.

"xiao fen!Why... Why are you here? "

ADVERTISEMENT

"Jared..."

Ning Hui stared at yan pei fen in shock for a long time. He couldn't believe what he saw.

"You were drunk last night. You held me and didn't let me go. You even held me..."

Tears welled up in yan pei fen's eyes and she looked wronged.

Seeing that he really thought he had done something wrong and insulted yan pei fen, Ning radiance regretted and slapped himself two times. "I'm really a beast. How could I do such a shameful thing? How could I..."

"Jared, don't be like this. You don't have to blame yourself. I'm willing to do this."

yan pei fen hugged Ning Hui and comforted him.

"I'm sorry, xiao fen..."

Harrison sighed with regret. If time could come back, he would never let these things happen.

.....

A month later.

yan pei fen told the news of pregnancy to Ning Hui, but he was not in the mood to feel happy at all.

"Jared, I'm pregnant."

yan pei yun told Ning Hui the good news, but there was no joy on his face.

"What's wrong?Are you unhappy? "

yan pei fen was confused. She thought he would be happy if she told him about it. After all, it was his first child.

"Have an abortion."

The first sentence uttered by Ning Hui surprised yan pei fen.

## ADVERTISEMENT

“What did you say? This is your child. Do you have the heart to abandon him?”

yan pei fen looked aggrieved and weak, which made Ning Hui helpless.

“I can’t make xiao yun sad. Now that she is pregnant, I have to stay with her.”

Ning Hui was pregnant with yan pei yun, so he didn’t pursue the past. He just wanted to live a good life with her.

However, under the instigation of yan pei fen, he wavered.

“Jared, you don’t understand. Debbie is pregnant. What was she doing a month ago? Do you think the baby in her belly is yours?”

Hearing yan pei fen’s words, Ning Hui suddenly remembered that yan pei yun had s\*\* with another man a month ago. His mind was in a mess.

A month ago, the scene he didn’t want to see that night appeared in his mind.

“If you don’t believe me, you can wait until the baby is born, and then the reputation of your family will be spread for thousands of miles.”

yan pei fen added fuel to the fire and spoke ill of her sister yan pei yun, which gradually brainwashed Ning Ning Hui.

.....

Because of her pregnancy, yan pei yun was kicked out of her house by Ning Hui and filed a lawsuit against her.

In this way, yan pei fen could marry into the Ning family legally.

yan pei yun had no choice but to go back to her mother’s house. Nine months pa\*\*ed quickly. She gave birth to a daughter in her mother’s house. Two days later, yan pei fen also gave birth to a daughter. Because of something, yan pei yun had to leave. She left this place after leaving her daughter at her mother’s home.

From then on, yan pei yun’s daughter grew up with her mother.

The little girl was Ning Xi.

yan pei yun and yan pei fen two sisters grew up under the care of Yan’s mother. Yan’s mother was clear about the character of the two sisters.

## chapter 278

Her sister, yan pei yun, had been obedient and sensible since childhood, gentle and quiet. On the contrary, her sister yan pei fen was compet\*\*ive and cautious.

Although they were twin sisters, the two of them had completely different personalities.

Therefore, yan pei yun's mother preferred her sister more. As a result, her sister yan pei fen was more jealous.

Sixteen years ago, yan pei yun divorced Ning Hui, and yan pei fen married into the Ning family. Since then, Yan's mother had never had much contact with her younger daughter.

She kept asking her eldest daughter what had happened to yan pei yun, but her mother had guessed one or two things. It must have something to do with her sister yan pei fen.

It was not until Ning Xi was sixteen years old that he had to entrust her to yan pei fen because her grandmother was in poor health.

After all, she, yan pei fen, was Ning Xi's biological aunt.

At the beginning, Ning Hui didn't want Ning Xi to come to the Ning family, because when he saw Ning Xi, he would think of the dirty things her mother, yan pei yun, had done with others sixteen years ago.

However, yan pei fen had always played the role of xian qi liang mu in front of Ning glory. Since yan pei fen's mother said so, she said that she admired Ning glory to let Ning stream enter the Ning family. However, in secret, yan pei fen didn't show any good attitude to Ning stream, and she was even more difficult to her.

Thinking of this, yan pei fen came back to her senses, with a sinister light flashing in her sharp eyes.

At the VL international dress design center.

It was five o'clock and it was time to get off work.

ning xiao xi had been busy with the game design draft of gu jin yi, so she forgot the time. More than ten minutes later, she realized that she had to go to ye xiao xiao's house today, so she quickly came to the kindergarten to pick up the two babies.

Outside the kindergarten.

"Mommy, I miss you so much today..."

"Mommy, you are here! You are late today."

As soon as the two babies saw their mommy Ning stream, they ran to it happily.

"I'm sorry, honey. Mommy is a little busy today, so she took up time."

Ning Xi explained to the two babies with a smile.

"But to satisfy you, Mommy can take you to Celia's house today."

ning xiao xi knew that chen chen and han han liked to go to Celia's home, so she gave them a little surprise.

"Really? Mommy can really take us to Aunt Celia's house!"

The two babies were overjoyed to hear that they were going to ye xiao xiao's house.

Then, the three of them set off for ye xiao xiao

At home.

Because Ning stream was in a hurry, it took less than half of the time to go to Celia's house. They would arrive soon.

She rang the doorbell, but there was no response from inside.

"It's strange. Isn't Celia at home?"

Ning Xi frowned and murmured to himself.

"Mommy, is aunt Celia not at home?"

han han looked up at Ning Xi with her big eyes blinking.

"I don't know. Mommy will call her."

Then Ning Xi took out his phone from his bag and called ye xiao xiao.

At the same time, chen chen, who was standing aside, went to the crack of the door to see if there was anyone inside.

At the same time, Celia and zi hao were walking at the intersection. When Celia saw the phone call from her best friend, Ning stream, she suddenly remembered that she had an appointment with her today. She looked up at the door of her house subconsciously and saw Ning stream and two little babies standing there.

"Stream!!'m here! "

Celia shouted at them and waved her hand.

ning xiao xi and the two babies heard the voice of ye xiao xiao not far away and looked at the same time.

"Aunt Celia!"

The two babies shouted excitedly as they saw Celia running towards her.

Ning stream followed the two babies to Celia.

Celia ran towards the three of them slowly.

"chen chen, han han!"

Every time the three of them met, they felt like they hadn't seen each other for years.

Ning Xi noticed the man beside ye xiao xiao, an zi hao.

Mr. an, why is he here?

"ye xiao xiao, where did you go?Why don't you take us with you? "

“Yes, I am. I gave you a negative comment!”

The two babies ran to ye xiao xiao and pouted. Their baby faces came close to ye xiao xiao. The baby’s voice made her surrender.

“Why don’t I take you with me? Two little idiots. ”

ye xiao xiao replied with a smile, holding the arms of the two babies.

“Aunt Celia, you must have forgotten us.”

“I’m so sad...”

The two babies’ words made Celia helpless.

“Don’t be sad. I’ll take you to play this Sunday, okay?”

As soon as the two babies heard that they could go to play on Sunday, they pretended to be sad and smiled happily and nodded hard.

“Mr. an, why are you here?”

ning xiao xi didn’t expect that an zi hao would appear here at this time.

“Oh, he. I just had something to talk to him, and he sent me back by the way.”

Before an zi hao could say anything, ye xiao xiao explained for him first, in case he couldn’t explain it clearly and the more he explained, the more chaotic it would be.

“Okay.”

“Who is this uncle?”

chen chen asked curiously as he noticed that there was a gentleman beside Celia.

han han also looked over and said, “Wow, why are there so many hot pot now? You are so beautiful! ”

han han stared at an zi hao with her beautiful eyes.

Standing aside, ye xiao xiao and Ning Xi were speechless. They had nothing to say to han han. He could guess what she would say from her eyes.

But she couldn’t help laughing.

“Hello, kids!”

Seeing the two babies, an zi hao greeted them with a smile.

“Hello, uncle!”

“Hello, uncle!”

The two babies said politely at the same time.

“Uncle, are you a friend of aunt Celia?”

“Boyfriend. Hee hee...”

When chen chen was asking an zi hao, han han answered for an zi hao, and the two babies snickered.

“chen chen, han han, do you want me to beat you?”

ye xiao xiao squinted at chen chen and han han and joked.

“When did aunt Celia become as rude as my mommy? Handsome uncle doesn’t like her.”

han han glanced at an zi hao and then turned to ye xiao xiao.

She winked at Celia with a mischievous smile.

Ning Xi stood aside and was shot for no reason.

What the hell? han han, please tell me why your mother is here? You really want to be beaten up if you offend one or two.

chapter 279

“Aunt Celia is the most beautiful when she is gentle and cute!”

chen chen added, which made ye xiao xiao feel relaxed in an instant~

Although it was also to express that Celia was not good-looking when she was angry, in another way, it was a nice sentence.

ye xiao xiao felt comforted. It was our xiao nuan who would comfort her.

Seeing what was happening, an zi hao felt warm in his heart.

How much fun would life be with a child like chen chen and han han.

“These two children are...”

an zi hao was confused. It seemed that she was five or six years old, but Ning Xi and ye xiao xiao were still young, not their mother. But it seemed that they were familiar with each other, so she asked casually.

“It’s mine.”

Before zi hao could finish his words, ye xiao xiao answered the question for Ning Xi in advance.

ye xiao xiao knew that Ning Xi didn’t want others to know her child, so she wanted to help her out first.

an zi hao looked at ye xiao xiao in surprise, “is it your child?”

“What’s wrong? Can’t I?”

ye xiao xiao glanced at an zi hao with contempt.

“No, I just feel a little surprised...”

an zi hao had never thought that Celia would have two children. After all, she was the one he liked. If she had two children with another man, anyone would feel a little disappointed.

“Celia, don’t scare Mr. an. chen chen and han han are not Celia’s children, but mine.”

ning xiao xi knew that this matter would always be known by others. Since she was about to leave, it didn’t matter if others knew it.

So she faced it calmly and answered an zi hao’s question with a faint smile.

an Zi and ye xiao xiao looked at Ning Xi in surprise.

#### ADVERTISEMENT

The two of them were both surprised.

ye xiao xiao was surprised because she didn’t expect Ning Xi to tell her that chen chen and han han were her children.

However, an zi hao didn’t expect that chen chen and han han were her children.

“The stream... Is it your child?”

Ning Xi nodded with a smile and didn’t avoid the topic at all.

When an zi hao saw the two children walking together with Ning Xi, he had an idea. He thought that they were three, but he quickly changed his mind. It should be impossible.

How could there be two kids as big as the stream?

Now that Ning Xi said it in person, he was still a little skeptical.

Celia said it was her, and the stream said it was hers.

an zi hao looked at them, confused.

“I’m confused. Are you Celia’s child or Naomi’s child?”

ning xiao xi, ye xiao xiao and the two babies all laughed.

an zi hao wanted to figure it out, so he asked again.

“Of course we are mommy’s children. Uncle is so stupid.”

“Handsome uncles are usually handsome and brainless.”

The two babies smiled at zi hao.

They squinted slightly and pouted to answer his question, an zi hao.

The answers of the two babies made Ning stream and ye xiao xiao want to laugh.

The two of them were really good at complaining.

As for han han, handsome uncles are all handsome and brainless? Does appearance have anything to do with brain?

ADVERTISEMENT

Anyway, what han han said made sense.

As for the mystery of whose children the two babies were, let an zi hao guess it slowly.

“All right, all right. Don’t be silly. I don’t want to give you two cute babies!”

ye xiao xiao held the hands of the two babies and walked towards the door.

an zi hao scratched his head and followed Ning Xi.

ye xiao xiao turned around, looked at an zi hao and said, “I’m home. You can go back now.”

He said in an indifferent tone, looking dejected.

an zi hao beat around the bush, “I’ve sent you home. Why don’t you invite me in?”

Obviously, an zi hao wanted to go to Celia’s house to have a look. Ning stream and the two babies could see that.

“Aunt Celia, since the handsome uncle sent you home on purpose, you should invite him in.”

“Yes, yes. Don’t you often teach us to be polite? So aunt Celia is very impolite now.”

ning xiao xi didn’t say a word, but the two babies began to reason with each other.

ye xiao xiao was also helpless with her two babies. She was too polite.

She didn’t want the two babies to be too polite in this situation. Celia could only cry in her heart.

an zi hao looked at the two babies and smiled gently. They were so cute. He liked them more and more.

“All right, all right. For the sake of chen chen and han han, I will let you in and have a cup of tea.”

ye xiao xiao had no choice but to let an zi hao go back home with her.

In the hall.

The two babies were always excited to come to Celia’s home, just like their own kennel abroad.

ADVERTISEMENT

They cared about an zi hao very much. As soon as he entered the house, they treated him as if he was at their own home.

As for ye xiao xiao and Ning Xi, they didn’t need to worry about them. Just let the three play.

As soon as they got home, they began to chat with each other. Their best friends were best friends, and they had all kinds of topics to talk about as soon as they met.

When her brother chen chen went to the kitchen to get some food, han han scampered to zi hao's side and waved at him to let him hear her.

an zi hao understood what han han meant and approached her.

"Handsome uncle, did we do you a big favor this time?"

an zi hao nodded.

"Then please help me when I need your help in the future."

han han winked at an zi hao. He looked so cute.

"If you need my help in the future, just tell me. I will help you."

an zi hao couldn't help falling in love with han han. If only he could have such a cute and good-looking daughter.

"Let's add a WeChat account first."

an zi hao was stunned. Add WeChat? Did she have a WeChat account? It was incredible that nowadays children were going to be incredible.

"Handsome uncle, handsome uncle, what are you doing? Don't you want to add han han?"

Seeing that an zi hao stood still and didn't take out her phone, han han pouted and looked unhappy.

"No, No. I was lost in thought. How could I not want to add a beauty to my list?"

an zi hao came back to his senses and glanced at the code on han han's WeChat. han han had pa\*\*ed the two-dimensional code and was added as friend smoothly.

"OK ! "

chapter 280

han han began to make a note, "a handsome future friend in blue basin, Good!"

Noticing the note han han made to him, an zi hao wanted to laugh but was confused. When he was about to ask han han, she said first, "handsome uncle, you are my friend in the future. Give me your phone."

Not knowing why, an zi hao didn't ask her more and handed the phone to han han.

"A beautiful and cute girlfriend. OK ! Done! "

"Mr. LAN, here you are."

an zi hao took the phone and glanced at the WeChat note. He was stunned.

This note

"Handsome uncle, blue basin friend, is this note okay?"

an zi hao just smiled and nodded, "Okay, from now on, han han will be your beautiful and lovely girlfriend."

chen chen came out with fruit in his hand. "Mommy, aunt Celia, han han and uncle, come and have some fruit."

"chen chen has grown up. He will help Celia."

ye xiao xiao caressed chen chen's head.

"Of course. I have to take care of aunt Celia, mommy and sister in the future."

chen chen looked arrogant and firm, just like his father, Jean.

Looking at chen chen, Ning Xi felt relieved.

Her dear baby had really grown up and would feel sorry for others.

"han han, Mr. an, what are you doing? Come and have some fruits. "

Ning Xi turned his head and saw an zi hao and han han chatting happily. It seemed that they had a good conversation.

"Handsome uncle, we have to keep this secret."

han han said in a sweet voice.

an zi hao made an "OK" gesture. Then the two walked to the sofa in the hall.

han han climbed onto the sofa as soon as she arrived.

an zi hao was about to sit down.

"Did I allow you to sit here?"

ye xiao xiao glanced at an zi hao.

Hearing what Celia said, an zi hao squatted in midair.

"Celia, what are you doing?"

"Please take a seat, Mr. an."

Seeing that Celia was going to make fun of zi hao, Ning stream said to her.

Then he asked an zi hao to sit down.

"Uncle, please sit down. Your action is so funny. It seems that you are pulling daddy. Hahaha..."

The two babies stared at an zi hao and laughed.

ning xiao xi and ye xiao xiao hadn't noticed the problem yet. It was not until the two babies told them that they noticed what an zi hao was doing at the moment.

Indeed, as the two babies said, they were pulling daddy.

ning xiao xi and ye xiao xiao were amused.

an zi hao felt so embarrassed that he immediately stood up with a red face. He deliberately made his hair to hide his embarrassment.

“Uncle, why are you standing up? Sit down.”

Seeing that an zi hao stood up, chen chen patted the sofa to let him sit down subconsciously.

“I... I’ll just stand there. Aunt Celia hasn’t said anything yet. I don’t dare to sit down.”

ADVERTISEMENT

an zi hao glanced at Celia. Seeing that she didn’t make any movement, he was about to stand.

“It doesn’t matter. Take a seat. Aunt Celia is a sweet and kind girl. She won’t blame you.”

han han continued, “ahem... Sit down. For the sake of chen chen and han han.”

As soon as an zi hao heard what Celia said, he sat down.

The two babies were so proud. If she wanted to have a good relationship with ye xiao xiao in the future, she had to get along well with chen chen and han han first.

“See? I told you that Aunt Celia would let you sit.”

han han blinked at an zi hao. She knew that Celia would be softhearted if she put in a good word to her. This was her aunt Celia’s weakness.

“Mr. an, you can do whatever you want. Celia and I have something to talk about, so don’t mind if we don’t entertain you well.”

Ning stream was polite.

“It’s up to you. I’m fine. Besides, don’t call me Mr. an. Just call my name. I’m not in the company now, and I’m not a member of VL.”

an zi hao felt strange when he heard Ning Xi call him this name. After all, he was no longer in VL company and rarely heard this name. He was used to being called by others.

Ning Xi hesitated for a moment and then nodded, “okay.”

“Then you can talk about business. Don’t worry about me. I can play with them for a while.”

an zi hao looked at the two cute babies and liked to play with them.

“Handsome uncle, handsome uncle, let’s go out to play!”

“Uncle, can you play this game with me?”

The two babies were also kind to an zi hao. They had such a good time when they met for the first time and wanted an zi hao to play with them. It seemed that the two babies were good at socializing.

“Okay, okay. I’ll play with you one by one. I’ll go home after I play well with you, okay?”

It seemed that an zi hao was also a patient man. He didn’t dislike the noise of the two babies at all and was quite patient.

#### ADVERTISEMENT

Ning Xi couldn’t help but think of gu jin yi, the father of the two babies. He was also a patient father

Seeing that an zi hao was playing with the two babies, Ning stream turned to Celia.

When she was about to say something, Celia said, “stop! I know what you want to say. ”

Seeing the expression in Ning Xi’s eyes, ye xiao xiao knew what she wanted to say.

She must be trying to put in a good word for an zi hao again and say something like how good he was and how to let herself know more about him.

“I haven’t said anything yet. You know what I want to say?”

Zoe felt strange. Every time she wanted to say something, Celia could guess it.

Celia could guess what she was thinking.
