

Cute Baby29

chapter 29

“I’m going to work.”

Ning Xi was about to open the car door when he suddenly turned his head and looked at gu jin yi weirdly.

gu jin yi nodded.

“By the way, you look good and handsome when you smile.”

Ning Xi smiled, showing two big dimples.

Then Ning Xi waved at gu jin yi, who immediately withdrew his smile and showed a deep and cold expression in time.

“You should smile more and praise others more. If you are happy, others will be happy too.”

“Cut the crap. You are going to be late for work.”

gu jin yi said indifferently.

“Oh my God! I’m going to be late. Bye!”

Looking at her watch, Ning Xi was shocked and ran straight to the company.

Sitting in the car, gu jin yi looked at the flustered Ning Xi, shook his head helplessly and smiled again.

gu jin yi suddenly became expressionless. He leaned over to the mirror and looked at himself in it.

Did he laugh just now?

Thinking of what Ning Xi had just said, he looked handsome when he smiled.

Then, he pursed his lips and smiled.

‘well, it seems that this girl has a good taste. I do look good when I smile.’

Then she tidied up her clothes and drove away.

When gu jin yi arrived at the company, he entered the office directly as usual.

He always sat in his seat quietly and dealt with his work.

“Bang, bang, Bang...”

There was a knock on the door.

“Come in, please.”

He still looked at the document, but did not forget to respond politely.

“Boss, this is the arrangement for tomorrow.”

Jacob came in and felt a cold wind blowing.

Perhaps it was because he had been working for gu jin yi for a long time, he was also cold in character at work.

She walked to the desk and handed over the schedule in her hand.

“Okay.”

gu jin yi kept reading the documents in his hands.

“If there’s nothing else, I’ll go out first.”

When xu chen zheng was about to turn around, Ning Xi’s words flashed through gu jin yi’s mind. He smiled and praised her.

Then she looked up and said lightly.

“This dress suits you very well today.”

EVA looked at him in astonishment. She stood still and her cold eyes were fixed there.

“Mr. LuYou...”

Darren looked at gu jin yi in disbelief.

“What? Is there anything wrong?”

gu jin yi smiled faintly.

“No, No. I just feel that you have become more handsome.”

Seeing that gu jin yi was in a good mood, Darren became less cold.

“Really?”

Hearing his praise, gu jin yi was in a better mood.

In the past, no one presented himself or praised him. He felt that it was hypocrisy. If he didn’t have the ability now, who else would treat him like this.

But when he heard Darren’s praise today, he was in a good mood.

“It seems that you are a good talker.”

gu jin yi squinted at Darren.

“No, no, No. Mr. Lu praised me.”

Jacob replied politely.

“What kind of person am I in your eyes?”

gu jin yi said calmly.

“Well...”

Jacob hesitated and didn't know how to say.

“Just say it.”

gu jin yi expressed his attitude. He suddenly wanted to know what kind of person he was in the eyes of everyone in the company.

“Above ten thousand people, it's not easy to approach.”

Darren lowered his eyes as soon as he finished his words.

He was afraid that gu jin yi would shoot a murderous look at him.

“Well, if there is nothing else, you can go out first.”

gu jin yi said abruptly.

Then Darren raised his eyes, nodded in a daze, turned around and closed the door gently.

She stopped outside the door.

Today, the CEO seemed to have changed into another person, completely different from his usual attitude. But it was good to have someone more approachable.

Jacob smiled and returned to his seat.

In the office, gu jin yi put down the documents in his hands, stood up elegantly and walked slowly to the French window.

His deep black eyes looked into the distance, and there were all kinds of unpredictable emotions in his dark eyes.

When he was deep in thought, his phone rang.

gu jin yi came back to his senses and walked towards his desk. He gracefully picked up the phone with his slender fingers and put it near his ear.

“Hugh...”

.....

“Let's make an appointment in an hour.”

After hanging up the phone, gu jin yi picked up the suit jacket on the chair and walked out of the office.

An hour later.

At the restaurant.

In front of the purple table by the window, there was a boy who was looking out of the window. He looked calm.

His side face was as angular as a mountain, with a tall nose, a thin and s**y lips, and a handsome man's standard chin.

It seemed that his friend was also a handsome man.

At the back table, a cute baby girl was eating cake and dessert, bending over the table like a tired rabbit.

It turned out to be ning han xi.

han han moved as if she was listening to the wind, covered her ears like a detective and talked to him.

"chen chen, did I come here for nothing this time? Or did I not see daddy?"

han han pouted and picked up a piece of cream cake with her fleshy little hand. She put it back to her mouth and looked disappointed.

"Sister, daddy will show up today. I have tracked his location."

chen chen said in a firm tone on the other side of the phone.

"I haven't seen daddy for several times. My heart is broken."

chen chen knew that gu jin yi often went to a restaurant here, so chen chen han han had a membership here and happened to meet gu jin yi here.

She had come here two or three times, but she didn't meet her. The lovely han han was a little disappointed.

"Daddy will show up in a minute!"

chen chen said to han han while skillfully operating the computer.

"I saw it. I saw daddy's car."

han han said excitedly.

She saw a black Cadillac parking in front of the restaurant.

"Are you sure?"

chen chen confirmed again.

"Yes, you told me daddy's license plate number last time. I remember it."

han han opened her eyes wide and stared at him like stars.

"Okay, keep an eye on her. I'll come to you later."

"Okay."

Then both of them hung up the phone.

Outside the restaurant.

A mature man with a kingly aura got out of a black Cadillac.

She walked into the dining room.
