

Cute Baby32

chapter 32

He drove towards VL at full speed.

The speeding Benz splashed waves of water.

Ning Xi waited for the rain to stop at the bus station, but it seemed to rain more and more heavily.

Seeing that it was getting late, Ning Xi had no choice but to raise his bag and walk quickly towards home.

Suddenly, a car's light shot straight at Ning stream.

Ning Xi stood still and didn't have time to dodge. He watched the car coming straight towards him, with his hands habitually blocking in front of him.

The car braked at full speed in front of her, and Ning stream was frightened to sit on the rain ground.

Ning Xi wanted to roar whether he could drive in rainy days, but he had no strength to say anything.

gu jin yi got off the car nervously and walked to Ning stream.

"Why... Why are you here?"

Ning Xi looked at gu jin yi in astonishment. He didn't expect that he would come when she needed him.

"You stupid woman, don't you know how to avoid the rain?"

gu jin yi looked at Ning Xi coldly.

"Who knows it will rain all of a sudden?"

Hearing gu jin yi's blame, Ning Xi was very unhappy.

She thought he was caring about her, but it turned out that he said she was too stupid.

"What's wrong with your foot?"

gu jin yi frowned when he saw Ning Xi's ankle was grazed.

"I just sprained my ankle by accident. I'm fine."

"Yawn..."

As soon as Ning Xi finished speaking, she covered her nose and sneezed.

"Take it!"

gu jin yi handed the umbrella to Ning Xi.

"What are you doing?"

gu jin yi quickly picked Ning Xi up, but Ning Xi didn't respond.

When she came to her senses, she had been carried to the car by gu jin.

“You...”

Ning Xi looked at gu jin yi with his big eyes and wanted to say something.

“Sit down.”

Said Jean lightly.

Ning stream quieted down.

Then, he drove away at full speed.

As soon as he arrived home, he got out of the car, followed by Ning stream.

At this time, gu jin yi walked to the side of Ning stream, which was staring at him in a daze.

“What are you doing?”

“Your feet are injured. Let me carry you out of the car.”

It seemed that he said it lightly, but he had an indescribable feeling.

“No, I can do it myself.”

Then Ning stream was ready to get down.

Regardless of what Ning Xi said, gu jin yi picked her up directly.

“Hey, put me down. I’m not that fragile.”

“Are you sure you want me to put you down now?”

gu jin yi’s expression suddenly became weird, and Ning Xi didn’t say anything.

She thought for a while and decided not to resist him. Otherwise, she didn’t know what he would do.

“Then you should hold her in your arms.”

gu jin yi smiled.

Then he walked straight to the hall.

The hall was empty. It’s time for everyone to have a rest.

She walked into the hall and went upstairs with Ning Xi in her arms.

No matter how much Ning Xi wanted to break free, she had to be honest.

Ning Xi held gu jin yi’s neck and looked up at him wei wei.

She had an oval chin and a s**y Adam’s apple.

The collar of the shirt was faintly revealing the bronze clavicle, which was so attractive that people could not help but swallow saliva. It was difficult not to fantasize.

She didn't expect him to be so handsome at such a close distance. He was just too domineering and arrogant, or she would be fascinated by him.

gu jin yi carried Ning Xi to his room and gently put her on the sofa.

gu jin yi took out the medicine box from the drawer of the bedroom and applied medicine to Ning Xi.

"No, thanks. I can do it myself."

"Don't move!"

Said gu jin yi.

Ning stream felt strange and suddenly felt a little uncomfortable.

He always yelled at her, or was indifferent and speechless.

It seemed that he was not that annoying when he suddenly became so gentle.

Seeing that his clothes and hair were wet because of her, Ning Xi had an indescribable emotion.

What kind of person was this man in front of her? Her good and bad attitude confused Ning Xi.

Soon, gu jin yi finished binding up the wound.

"Change your clothes."

gu jin yi took out a set of clean pajamas from the bedroom and handed it to Ning Xi.

Then she went back to the bedroom and changed her clothes.

Ning Xi went into the bathroom and took off his wet coat.

"Ah..."

Then a scream came from the bathroom.

"What's wrong with you?"

gu jin yi rushed to the bathroom as soon as he heard the noise.

Ning Xi was holding a coat and looking at it.

"My clothes are broken."

Ning Xi pouted and looked at gu jin yi.

gu jin yi was speechless. He thought something had happened to her and was frightened to run out of the bedroom.

"Ah! You..."

"What's wrong with you again?"

gu jin yi said helplessly.

“Put on your clothes!”

Ning Xi covered his eyes with his hands.

gu jin yi looked down at himself and realized that he hadn't put on his shirt yet.

In order to hide the embarra**ment in her heart, she said lightly.

“You should feel honored to see my golden body.”

“You pervert! You pervert.Run! ”

ning xiao xi peeped at him through her fingers.

But looking at his six pack abs and strong chest muscles, she thought he had a good figure.

She stood still, squinting at gu jin yi.

“What are you thinking about?”

Ning Xi looked at gu jin yi in a daze, and he also noticed it.

gu jin yi asked with a weird smile as he slowly leaned into Ning stream.

“Go back and get dressed!”

Ning Xi pushed gu jin yi away shyly and wanted to close the bathroom door at once.

gu jin yi turned around, and Ning Xi lost his balance and flopped on gu jin yi's strong chest muscles.

The two of them paused. gu jin yi looked down at Ning stream in his arms, and Ning stream looked up at him.

The two looked at each other in a daze.

“AhYou pervert! ”

“Susan!”

The two shouted at each other in panic.

Ning Xi stood up from gu jin yi's arms.

Without saying anything, she pushed him out and closed the door.

The two of them stood there, dumbfounded.

gu jin yi said to the door.

“If you want to see me, you can do it openly. You don't have to throw yourself at me in such a hurry.”

The embarra**ment just now was completely gone.

"I don't care!"

Ning Xi's voice came from the bathroom. Fortunately, they were separated by the door. Otherwise, she didn't know if she would blush and feel guilty when facing gu jin yi.

gu jin yi smiled, turned around and went back to his room to get dressed.

chapter 33

A few minutes later, Ning Xi changed his clothes,

She went back to her room quietly and found that he had already sat on the bed and read a book.

Ning Xi walked to the sofa.

"Yawn..."

She couldn't help sneezing.

She squinted at gu jin yi.

gu jin yi stood up and walked out of the bedroom.

Ning Xi frowned. Why did he go out?

Was it because she sneezed? Afraid of infection?

Ning Xi was speechless.

No matter where he liked to sleep, she would sleep more comfortably without him.

When Nina was about to lie down, she saw Edmund come in.

Why did he come back?

She didn't care about him. She just wanted to sleep.

As soon as ning xiao xi lay down, gu jin yi walked to her.

"Drink it before you sleep."

gu jin yi handed a cup of warm water to Ning Xi.

What the hell was this?

Looking at the yellow liquid, Ning Xi began to think nonsense again.

Was he going to poison her just because she saw his upper body.

If he didn't drink it, he would

Ning Xi began to imagine the scene of being forced to drink medicine on TV, and his body could not help trembling.

“Why are you standing there? Drink it.”

gu jin yi handed it to Ning stream.

ning xiao xi took the cup and frowned with a helpless smile.

“Can I stop drinking?”

“You don’t have the right to choose. Drink it now, or do you want me to feed you?”

Looking at the expression on Ning Xi’s face, gu jin yi knew that she was thinking about something.

“No, No. I’ll drink it.”

Ning Xi looked at the liquid in the gla** in his hand and felt bitter.

Anyway, it was better for her to commit suicide than to be forced to poison by him!

Then Ning Xi picked up the cup and gulped it down.

“Not bad.”

Ning Xi looked at gu jin yi innocently.

“What kind of poison did you give me? Let me know even if I die. ”

Ning Xi asked indifferently without struggling.

‘does she think I gave her poison? ‘.

She really admired her imagination. A cup of ordinary cold spirit could make her think of it as poison.

gu jin yi was speechless.

“Cold spirit.”

He said indifferently and walked out of the room.

what? Cold spirit? Not poison?

Ning Xi paused.

Ning Xi, you are so smart. If he wants to commit a crime, why did he choose to stay at his own home? He knows it clearly.

Ning Xi patted his head.

She must be laughing at herself again.

gu jin yi put down the cup and went back to the bed.

“Susan, remember our contract. You must report everything to me.”

Said gu jin yi.

“What did I do?”

Ning Xi was confused.

“Including working overtime in the company.”

gu jin yi looked at Ning Xi coldly and harshly.

Unreasonable agreement!

Ning Xi gritted his teeth in anger, but he had to endure it.

“It was an accident. My phone ran out of power.”

Ning Xi forced a smile and answered.

“You have to remember that we have a contract now.”

gu jin yi said in a deep voice and looked at Ning Xi seriously.

“I know, I know.”

Then Ning Xi quickly slipped into the quilt.

A few minutes later, Ning stream fell asleep.

“Susan, I have a question for you.”

A few minutes later, he opened his mouth.

Ning stream didn’t respond.

Was she asleep in just a few minutes?

“Susan.”

He tried again.

There was still no response. Then, he lay down too.

This woman said that she was stupid and she could work in VL. She said that she was not stupid and always did something childish and stupid.

gu jin yi lay sideways on the bed, watching the girl sleeping on the sofa gradually fall asleep

When did she fall asleep last night?

Ning Xi, who was lying on the sofa, frowned slightly and squinted out of the window.

After yesterday’s heavy rain, today’s weather was particularly good and sunny.

She didn’t know when Ning Xi fell asleep yesterday, but she fell asleep directly after drinking the cold spirit.

Then Ning Xi looked at gu jin yi.

There was no one on the bed.

Where is he? Did you do some exercise again?

'oh my God! It's so late. I have to prepare breakfast.'

Thinking of the agreement last time, ning xiao xi quickly got up from the sofa to prepare breakfast.

She rushed downstairs without even changing her pajamas.

"Have breakfast."

At this time, gu jin yi came out of the kitchen and saw Ning Xi coming downstairs.

Ning Xi was stunned and looked at the delicious breakfast on the table.

"You made it?"

Ning Xi looked at gu jin yi in disbelief.

"Are you afraid that I won't dare to poison you?"

Said gu jin yi.

Ning Xi thought to himself, 'is it necessary to hold a grudge? He just said it casually and didn't forget to remind her of the breakfast time.'

"How could it be? I'm wondering why you can cook."

ADVERTISEMENT

Ning Xi was indeed a little inconceivable. He thought he could only manage the company's affairs, and he shouldn't be able to do housework.

"You are the one who will cook the breakfast."

gu jin yi said lightly.

"I see. Then why did you make breakfast all of a sudden today?"

Ning Xi walked to the table and asked casually.

gu jin yi was stunned. Of course, it couldn't be said that she caught a cold in the rain yesterday, so he got up early to make breakfast for her.

"Of course I want to eat my own breakfast."

gu jin yi said lightly.

Then the two of them sat down to have breakfast.

"You can ask for leave and have a rest at home today."

Said gu jin yi.

“There are still a lot of things to deal with in the company. You can’t ask for leave. What’s more, I’ve only been working for a few days. Others will think that I’m too delicate.”

Ning Xi resisted.

“Don’t disobey my order. The seventh term of the contract.”

gu jin yi said coldly.

“No jurisdiction over the other party’s working freedom. The eleventh term of the contract.”

Ning Xi looked at gu jin yi firmly.

For the first time, he was defeated by Ning stream.

“Well, I agree you to go to work, but you must come back at night after work, otherwise...”

gu jin yi warned.

“I see. Go home on time after work.”

In fact, it was just a special case last time, so she had to work overtime until eight o’clock.

She would definitely come back after work at other normal times, except when she had to secretly see the other two

Then, the two of them finished their breakfast. As usual, gu jin yi and Ning Xi went to work together.

When Ning Xi arrived at the company, he greeted his colleagues and went back to his office to work.

.....

Time flew. Ning stream had been working in VL for more than a week.

In the past week, she had been familiar with the work here and got along well with her colleagues.

Especially Ellie, she always had a lot to talk with her every time they met.
