chapter 321

On the other side, in the night scene film company.

Ning stream took the two babies on their way to the night scene.

“chen chen, tell me, how did you know about the movie shooting?”

Ning Xi had been confused about this all the way. He squinted at chen chen and asked.

“I’ll calculate by my fingers. Then we’ll arrive.”

A touch of arrogance flashed across chen chen’s young face.

han han giggled.

“My brother is awesome!Haha...”

Ning Xi pouted and said, “TSK, TSK, TSK, TSK, TSK, now you are all working together to cheat your mother, right?”

The two babies looked at each other and smiled innocently.

“Mommy, let’s go. We’ll be late.”

“Okay, Mommy, don’t ask. It’s our little secret.”

Two little babies walked in front of them. The perfect cooperation between the brother and sister was enviable.

Ning Xi ignored her and didn’t ask any more questions.

Then, on another topic, Ning Xi pretended to ask casually, “chen chen and han han, do you want to stay here all the time?”

“Mommy, do you mean to stay in the Ye Ji company or at daddy’s home?”

chen chen asked, staring at Ning stream with his big watery eyes.

Ning Xi was stunned. She really didn’t know what she was asking.

“All right.”

“Then we all want it!”

han han said suddenly.

chen chen nodded in agreement.

“Then who will you choose between Mommy and daddy?”

ning xiao xi asked the two babies to answer again.

Both of the two babies made their mommy look at her in a daze and murmured in their hearts.

chen chen: Mommy doesn't feel right today. This question is really strange! Was Mommy leaving

han han: what do you mean by that? Was Mommy going to break up with daddy? Why must she choose a person?

Seeing the two babies staring at her without saying anything, Ning Xi suddenly realized that the question he asked was ridiculous and childish.

How could he ask such a question to the two babies.

"Mommy, what do you mean by asking us this question? Are daddy and Mommy going to separate again?"

chen chen didn't try to hide his real thoughts. He doubted that his parents might be separated.

"No! No! No! Daddy, Mommy, don't separate. I want to be with you forever!"

On the other hand, han han cried as soon as she heard chen chen's words.

"han han, don't cry. han han, don't cry. Mommy, do you mean who you like better, daddy and Mommy? It's Mommy's fault that I didn't express myself well just now."

Ning Xi quickly changed the topic. He didn't expect that such a question would make the two babies so emotional.

Then, Ning Xi was also touched by the two babies. He frowned and looked at chen chen and han han.

Hearing her mother's words, han han stopped crying. She stared at Ning stream with two tearful eyes and asked, "Mommy, do you really mean that? You won't be separated from Daddy..."

Ning Xi smiled and nodded at the two babies.

chen chen, on the other hand, had been staring at Ning stream. He kept silent, as if he had noticed something.

Recalling the performance of his mother Ning Xi two days ago and now, there was indeed something wrong.

All kinds of thoughts came to chen chen's mind

"chen chen, han han, why are you looking at Mommy like this? That's what Mommy meant! You know I'm not good at expressing myself!"

han han quickly wiped her tears with her hands, and her expression suddenly became happy, with an innocent and lovely smile on her face.

"Mommy!"

Then she threw herself into the arms of Ning stream and shouted like a spoiled child.

chen chen also held her in his arms. "We hope that daddy and Mommy will never be separated."

As soon as chen chen said this, shen shen touched the heart of Ning stream, and tears could not help but fill her eyes.

"Okay, we won't be apart."

Ning Xi held back his tears and promised the two babies.

Ning Xi knew better than anyone else how much the two babies wanted their father's love. She didn't know what to do at the moment.

Soon they arrived at the film and television company. Ning Xi walked to the front desk, said a few words, and then went upstairs with chen chen and han han.

Ning Xi squatted down and whispered to the two babies, "chen chen and han han, sit down here. Mommy will be here soon."

The two babies nodded obediently. Then Ning Xi entered the office, and the two babies were playing on the sofa outside the door.

han han sat on the sofa outside the hall restlessly, bouncing left and right on the sofa, and finally she couldn't sit still.

"Mommy went in alone. Huey, let's go downstairs and play for a while."

After thinking for a while, chen chen looked at Ning stream and the person in charge in the office with his bright black eyes. It seemed that they would talk for a long time.

So chen chen nodded.

han han was so happy that she jumped off the sofa like a little rabbit.

.....

An hour later, Ning Xi came out of the office.

When she found that the two babies were not in the hall, she suddenly became anxious. "chen chen, han han!Where are you?"

But she didn't show her worry.

"chen chen, han han, mommy has come out."

Since the two babies didn't respond, Ning stream had been looking for them.

"Mommy, Mommy, we are here!"

Ning stream walked to the stairs. The two babies heard the sound of Ning stream and said to her.

chen chen and han han jumped up and waved at Ning stream. It was not until then that Ning stream noticed the two babies.

She hurried downstairs and said, "Mommy asked you to wait for me on the sofa, didn't she? Why did you run downstairs? Do you know that mommy will be worried?"

Ning stream squatted in front of the two babies and frowned slightly. She couldn't control her emotions and scolded them in a low voice.

The two babies lowered their heads and apologized obediently, "we know."

"But mommy has been in there for so long. It's so boring for us to sit there..."

han han pouted and lowered her eyes. She still wanted to say something.

Ning Xi quickly came to his senses and held the two babies in his arms. "In fact, I didn't blame you. I was just worried about you."

At this moment, Ning Xi spoke in a very gentle tone. He didn't dare to say it seriously, lest chen chen and han han would misunderstand him.

chapter 322

"Mommy, we know you are worried about us. We don't blame you."

"Mommy, I didn't blame you. It's our fault. We will tell you first if this happens again."

The two babies understood Nina's feelings very much, and they also comforted her obediently.

"What a good girl Mommy is! I love you forever!"

Ning Xi felt relieved and held the two babies tightly.

"Well, let's go back."

All of a sudden, Ning Xi stood up. When she was about to leave with the two babies, the two babies suddenly had doubts.

"Mommy, aren't we shooting this time? Why did you leave again?"

"Yes! We haven't taken any photos yet."

The two babies wanted to know what was going on.

"zhang zong said that the movie was delayed for some reason and asked us to go back first. He will inform us when it is shooting, so we have to go back first."

Ning Xi explained the whole thing to the two babies, in case they kept asking questions.

Ning Xi recalled the conversation he had with director Zhang in the office just now.

"zhang zong, for some personal reasons, chen chen and han han can't act in this movie, so I'm here to apologize to you."

Ning Xi came prepared. She sincerely apologized to Zhang.

“Why? This is a good chance for chen chen and han han. They may become famous because of this movie.”

The producer didn't understand what Ning Xi was doing. This movie was the new work of two babies, and they were supposed to support it.

“I know that zhang zong has been taking good care of chen chen and han han, so I came here specially to talk about it. Otherwise, I wouldn't have come to the company. Many things are hard to say, but if there is a chance in the future, I will let my child cherish it.”

.....

After chatting with the film producer for a long time, ning xiao xi finally agreed not to let chen chen and han han act in the movie.

That was why Ning Xi found an excuse to tell the two babies that the shooting of the movie was delayed.

She had no choice. If she didn't do that, it would be difficult for her to leave here with the two babies once the movie started.

“Well, what a pity!”

“Then how long do we have to wait?”

When the two babies heard that the shooting of the movie was postponed, they both showed a very disappointed look. It seemed that they really liked the shooting.

“Let's go home first. Someone will inform us at that time. I will tell you as soon as possible, okay?”

The two babies had no choice but to go home with Ning Xi.

In order to comfort them, Ning Xi took them to the supermarket.

“Mommy will buy you whatever you want to eat today. You can choose.”

Ning Xi said gently to the two babies.

han han's eyes lit up, “Mommy, is that true?”

Ning Xi nodded with a smile.

“Oh, my God! Brother, let's go to pick up snacks.”

han han took chen chen's hand and ran into the snack area.

Looking at the backs of the two babies, Ning Xi sighed in silence. han han was easy to be coaxed, and she immediately became happy when it came to food. It seemed that chen chen was still a little disappointed. It took a lot of effort to make him happy.

She was leaving tomorrow. Should she tell chen chen and han han tonight?

ning xiao xi was hesitating whether to tell them or to tell them after leaving

Just as Ning stream was lost in thought, chen chen ran over.

“Mommy, in fact, the delay of the shooting of the movie is an excuse. Is there anything in your heart that you haven’t told us?”

ADVERTISEMENT

Ning Xi was taken aback. He didn’t expect chen chen to know that.

But that’s right. chen chen was so smart that he could notice her difference.

“My chen chen is getting smarter and smarter. People always say that a daughter is Mommy’s sweet jacket, and I think you are mommy’s sweet jacket.”

Ning stream squatted down and rubbed chen chen’s nose.

At this moment, han han jumped over and said, “I’m also mommy’s sweetheart!”

“Yes, you are both mommy’s sweet cotton padded jacket.”

Ning Xi rubbed han han’s nose and smiled at them.

“What do you think? Have you bought your things?”

Ning Xi asked when he saw the two babies’ hands were empty.

“Mommy, let’s go shopping together.”

The two babies held their mommy’s slender and white hands at the same time.

“Okay, I’ll go with you.”

Then Ning Xi took the two babies to the supermarket.

.....

The three of them went shopping for a while and bought what they needed.

“Mommy, why did you buy so many dishes today?”

“Yes, yes, you are right. There are also my favorite meat, brother’s favorite vegetables, and daddy’s favorite!”

The two babies stared at the dishes in Ning Xi’s hands and asked curiously.

“I’ll cook you a fancy dinner tonight.”

ning xiao xi replied to the curiosity of the two babies.

“Why? What day is it today?”

“Yes? What’s the good day today, Mommy?”

The two babies were still full of curiosity.

“Mommy can’t make you a hearty dinner in no time?”

The two babies looked at each other and snickered.

“Of course you can! You can say anything delicious!”

han han’s sweet voice made people want to laugh.

Then, the three of them went home.

In the coffee shop.

Two enchanting women were sitting on the sofa, drinking coffee and chatting leisurely.

“Ning Xi is leaving tomorrow. I didn’t expect him to be driven away so soon. What a pleasure!”

Susan was very special in her heart, because as soon as Nina left, she would immediately become the wife of the CEO of the Empire group.

“Ning Xi, it’s so lucky for this b\*\*\*\* to let her go like this. You’d better never appear in this place and disappear forever!”

There was a hint of slyness in his evil eyes.

Thinking of how much Richie liked her, she felt unhappy. She hated her, Nina, and wanted to kill her!

“Humph! Can she defeat me? Even if she becomes more powerful five years later, she is still the same in front of me, Ning yue yue!”

Susan looked complacent and thought highly of herself.

chapter 323

“yue yue, your dressing style seems to have changed...”

Only then did Susie find that Susan was not the same as before, and her style was almost the same as that of Ning stream.

“Do you want to say that I have changed the style of Ning stream?”

Susan gave a sinister smile. Judging from her expression, she knew that yue yue had an idea.

At the same time, she had been staring at Ning yue yue, and suddenly had an idea in her mind.

“yue yue, I’ve helped you deal with Ning Xi. Now it’s time for you to help me.”

She smiled charmingly as if she was plotting something.

“Tell me.”

Susie whispered in Susan’s ear.

.....

“Is it really good to do so?”

After she said what she wanted, Susan looked like a kind holy maiden, feeling that it was against the morality.

“Why not? I did everything for him. Yes? Don’t you want to help me? ”

If vivi thought what she had done was for the person she loved, there was nothing against the morality.

Susan thought that he was still of use to her. If she did so, she would have no connection with him and lose a person who would pay for her.

So Susan was a little reluctant.

“How could I not help you? wei wei, what you said really broke my heart. ”

Susan was very reluctant, but she could pretend to be calm.

After all, for Susan, the appearance of the rose was reasonable, at least useful to her.

“I didn’t mean that. It’s good that you can help me. If we can get what we want, then we will be happy and good to each other.”

Said Susie fearlessly while drinking coffee.

At this moment, yue yue could only reluctantly nod with a smile.

“I have a better way to make her disappear silently and never threaten us again...”

An evil look flashed across Susan’s eyes.

“As long as she is still alive, they will definitely go to find her, unless...”

If Vicky also thought of this, if she found that Ning stream suddenly disappeared, Ye Ling City would definitely go to find her.

In order to avoid such a situation, she’d better do something clean.

Right here, Susan and Susie were discussing how to deal with the stream and make her disappear forever

On the other side, in the villa of Gu family.

Ning stream came back home with the two babies. It was still early to go home after work, so she took chen chen and han han to play in the yard for a while.

“chen chen, han han, I have something important to tell you.”

Ning Xi thought for a long time before he had the courage to tell the two babies about it.

Speaking of this, the two babies were also happy to listen. They ran to the front of Ning stream and looked up at her.

“What’s up, Mommy?”

The two babies asked at the same time.

ADVERTISEMENT

“We are leaving here...”

Nina said in a particularly reluctant tone.

As soon as the two babies heard the tone of Ning stream and saw her expression, they could probably guess what Ning stream meant, and their emotions instantly became disappointed.

“Mommy lied to me... Mommy lied to han han...”

“Mommy, you said we were leaving?Where is daddy?”

“Why?We are fine here, aren’t we?Why did you leave?”

The two babies were so excited that they wanted to know the reason.

han han couldn’t help crying.

“chen chen and han han, you know mommy got married on behalf of me. In fact, daddy doesn’t want to marry me. He wants to marry the woman who looks exactly like me that day.She’s back, so Mommy is leaving.”

Ning Xi explained to the two babies carefully and comforted them.

“No, it’s not like that. Daddy likes Mommy!”

“Daddy is going to marry Mommy. Don’t leave!We can ask daddy together!”

The two babies were so excited that they wanted to speak for their father, gu jin yi.

But in the eyes of Ning stream, it never occurred to her that chen chen and han han were telling the truth, but they didn’t express their meaning clearly. Ning stream thought that the two babies were so excited because they wanted to speak good words for him.

But Ning Xi didn’t expect that the two babies had such a deep affection for gu jin yi during this period of time.

He was going to marry the er xiao jie of the Ning family, Susan, not the fake bride, Nina. Once the secret of his marriage was revealed, he would definitely hate himself.

“chen chen han han, I know you want mommy and daddy to be together, but it’s not up to us. He wanted to marry someone else, but Mommy married daddy by accident, so from now on, we have to make everything back to the same.”

Ning Xi explained to the two babies in a low mood.

She didn’t want to leave, but she had no choice.

"I don't want to leave daddy!! want to be with the two of them! Boo... Hoo... "

"I'm going to tell Daddy. He will find a way!"

The two babies were getting more and more depressed, and their eyes were gradually wet with tears.

Ning stream was already sad, and she tried her best to hold back her tears. When she was cried by the two babies, Ning stream could not help but shed tears.

She hugged the two babies and said involuntarily, "chen chen, han han, I'm sorry. It's Mommy's fault..."

"Mommy, tell Daddy. He won't leave us alone. He loves us."

chen chen stood up from Ning Xi's arms, stared at Ning Xi with two tearful eyes and said with a pout.

Because chen chen had known that his father, gu jin yi, had known all this. He knew their identities and that they were the biological children of him. If Ning Xi told him, he would definitely not let Ning Xi leave.

However, Ning Xi didn't think so. She always thought that gu jin yi didn't know the true identities of the two babies, and she didn't dare to say it out. She was afraid that they would take chen chen and han han away from her.

"Waah... Waah..."

han han choked with sobs. She began to sob as soon as she heard that Ning Xi was leaving.

"chen chen, han han, do you want to be with daddy?"

Ning Xi didn't force chen chen han han. After all, gu jin yi was indeed the biological father of the two babies. If they wanted to follow gu jin yi, she would consider whether to let them follow him or not.

Although she was selfish and didn't want chen chen and han han to leave her, she still wanted to hear their opinions.

chapter 324

The two babies shook their heads and shouted at the same time, "we will be with mommy forever!"

That was the truth. The love between father and son could never be equal to that between mother and son. Moreover, Ning Xi had raised them for five years. In the past five years, their relationship had been very sticky. No one's feelings for Ning Xi were weaker than their feelings for Ning Xi.

ning xiao xi was more moved by the words of the two babies. She didn't want others to take them away, nor did she want to tell them the true identities of the two babies.

Let's leave here alone with chen chen and han han. It's also a very happy thing for Ning Xi to raise them up by himself.

"chen chen, han han, don't cry. In fact, it's just a return to our previous life abroad. We can live happily abroad even if we forget what happened there."

Ning Xi seemed to be comforting the two babies, but in fact, he was also comforting himself.

She comforted herself that she could live a good life without gu jin yi.

But no one could imagine the pain of Ning stream.

“I’ll cook something delicious for you tonight. Don’t let daddy know that something is wrong. It’s time to test your acting skills.”

Ning Xi forced a smile and said to the two babies.

The two babies quickly wiped their tears and nodded obediently. “Mommy, don’t worry. We will always be on mommy’s side! I will always support you!”

Although the two babies were also very sad to be separated from their father, Jean, they knew that their mother, Ning stream, also had its own difficulties. They could understand, so they had to be obedient and could not make their mother sad again.

Ning Xi caressed the foreheads of the two babies and then walked into the room together.

Ning stream began to prepare dinner, and the two babies obediently helped Ning stream arrange the dishes.

“Thank you, my little babies. You can go to the hall to play after you make up your mind. By the way, you can see when daddy will come back.”

After the two babies divided the dishes, han han ran out of the kitchen happily, while chen chen stayed there as if he had something to say to Ning Xi.

“chen chen, why don’t you go out with your sister?”

Seeing that chen chen was still in the kitchen, Ning Xi stopped what she was doing and asked.

“Mommy, do we really have to leave here?”

chen chen’s deep eyes showed his firmness and seriousness.

ADVERTISEMENT

Ning Xi nodded earnestly, “Mommy just wants to be with you forever.”

What he didn’t know was that she didn’t want him to know that the two babies were his own children and take them away.

In this way, Ning Xi would regret for the rest of his life for the decision she had made, so she would rather leave this place with chen chen and han han first.

“Well, since mommy has made up her mind, let’s go with her.”

Although chen chen tried his best to keep his mother Ning Xi, he didn’t say anything more since she had made up her mind.

This was his mother’s decision. He would listen to her.

Then chen chen walked out of the kitchen.

Not long after, gu jin yi went back home. As soon as he got home, he saw the steaming and rich dinner, which made him feel better.

“chen chen, han han, what are you doing?”

“Daddy! You are back! ”

As soon as gu jin yi walked into the hall, the two babies stood up and ran up to him.

“What day is it today? What a sumptuous dinner! ”

gu jin yi looked at the dishes on the table and asked.

“Because tomorrow we will...”

han han almost spilled the beans. Her little head, which could not deceive people, knew what to say.

Fortunately, chen chen was a smart boy. He knew that han han would spill the beans, so he quickly added something for han han.

“Because we may go to the movie shooting tomorrow, Mommy is celebrating today. By the way, she wants to cook something delicious for daddy.”

Quickly, chen chen glanced at han han.

Realizing that she shouldn't spill the beans, he quickly looked away.

“Where is Mommy?”

gu jin yi didn't see Ning Xi and asked.

“Mommy is in the kitchen!”

han han pointed at the kitchen and said to gu jin yi with an innocent and lovely smile.

gu jin yi gently touched han han's head and then turned to the kitchen.

Ning Xi was busy cooking in the kitchen. She was cutting carrots while thinking.

gu jin yi walked carefully to Ning stream and behind her.

“Honey, what are you cooking?”

gu jin yi's words brought Ning Xi back to reality. He cut his finger and cried out subconsciously.

“Ah!”

“What's wrong?”

Subconsciously, gu jin yi grabbed Ning Xi's hand and swallowed the bleeding finger.

Before Ning Xi realized that her finger was bleeding, he had already taken measures to stop the bleeding.

“Let’s go out to have a bandage.”

Seeing that the blood had stopped, gu jin yi took Ning Xi’s hand and was about to walk to the hall.

“I’m fine. It’s just a little blood.”

Ning Xi didn’t think it was a big deal and he was not so spoiled.

“No, I want you to be unharmed.”

gu jin yi forced Ning Xi out of the kitchen.

ADVERTISEMENT

Ning Xi followed him and looked at gu jin yi in confusion.

She fetched the medical kit and bound up the wound. The two babies surrounded them.

“Mommy, what’s wrong with you?”

“Mommy, what’s wrong with you?”

As soon as the two babies saw that Ning Xi was injured, they jumped off the sofa excitedly and ran to Ning Xi and gu jin yi.

“It’s okay. Mommy is fine. I just cut it accidentally.”

Seeing that they were so nervous, Ning Xi immediately comforted the two babies.

Then, the two babies stared at gu jin yi binding up Ning Xi with relish. They thought the same, and what they said next also had the same meaning.

“I didn’t expect daddy to bandage it!”

“And he looks so professional!”

Adoration was written all over their faces.

“Daddy had learned some medicine when he was at school.”

gu jin yi said with a warm smile.

“Oh, I see?Daddy is awesome! ”

chen chen admired his father from the bottom of his heart. He was not only a business leader, but also a warm man in his family.

“My prince charming!ou ye ou ye! ”

han han cried out in surprise.

chapter 325

chen chen glanced at his sister han han expressionlessly.

She thought to herself, 'you said I was your idol. Why does daddy suddenly become your idol??' han han?

han han also saw her brother chen chen looking at her. She thought for a while and realized that she had said something wrong.

But fortunately, there was still room for remedy.

"Daddy is the prince charming, and you are the prince charming. I can have two of you. That's great!"

han han's little face was full of happiness and pampering.

The four of them burst into laughter. As the old saying went, a home without children was desolate.

With the help of chen chen and han han, the house became more lively.

"Then I'll be your dream man for the rest of your lives, okay?"

gu jin yi also joined the fun with han han.

"Great! Great!"

han han was so excited that she stamped her feet and jumped on the ground.

"Then you take good care of Mommy first, and daddy will bring out the dishes from the kitchen."

"I..."

Ning Xi was about to stand up, indicating that it didn't matter if she was injured, and that she could serve the dishes.

But before she could finish her words, he looked at Ning stream and smiled at her. Then he went straight into the kitchen.

ning xiao xi realized what gu jin yi meant. She sat obediently on the sofa and watched gu jin yi take out the dishes from the kitchen.

"Mommy, daddy is so kind to you."

ADVERTISEMENT

"Well, you are so considerate. I envy you so much..."

As soon as their father entered the kitchen, he put in a good word for him in front of Ning stream.

That was just for one purpose.

When the two babies saw the dishes coming out, they also followed him. "Daddy, let's help you!"

The two babies ran to gu jin yi and pretended to help their father. In fact, there was nothing they needed to do.

At this moment, Ning Xi, who was sitting on the sofa, looked at the two babies with a smile, and felt inexplicably gratified.

If only she could live like this forever... Unfortunately, there were many things that she couldn't control

"Mommy, it's time for dinner."

When han han saw the delicious food on the table, her eyes lit up.

chen chen ran to Ning stream and asked her to have dinner.

Ning Xi came back to his senses and walked towards the table with chen chen.

On the table.

Noticing that Ning Xi was absent-minded and couldn't eat well, gu jin yi asked, "Xi Xi, what's wrong?"

Ning Xi regained his composure and shook his head, "nothing. I just have something to tell you."

ning xiao xi came up with an excuse that could avoid gu jin yi's sus\*\*\*ion.

The two babies stared at their mommy Ning Xi, thinking that she would tell their daddy the truth, gu jin yi.

And he was waiting for what Ning Xi would say to him.

ADVERTISEMENT

"chen chen and han han are going to shoot a movie soon. I want to take them out for a few days tomorrow to find inspiration for them."

Said Ning Xi with a big smile on his face.

The two babies were speechless after hearing what they said. 'never mind. I'd better go back to have dinner with them. I thought their mommy Ning stream would say something big.'

And after hearing that, he had no doubt and still wanted to go with them.

"I promised to take you and chen chen and han han to travel. How about... I go with you this time?"

gu jin yi thought for a while. Recently, there were so many things in the company that he couldn't get rid of them. But he had promised Ning Xi and the two babies, so he couldn't go back on his words.

"No, No. let's wait for a while. I'll take them out for a walk this time."

Ning Xi refused immediately. He didn't expect that gu jin yi would say that he would go with them.

If he really went with them at home, he would be done.

In fact, Ning stream was going to leave with the two babies tomorrow. If she told gu jin yi to take the two babies out for a few days, he would not doubt it even if they did not come back for a few days.

There would be enough time for her to prepare, otherwise, everything would not be so satisfying.

"Okay, I'll take you to play for a while when the company is not busy."

gu jin yi agreed.

The atmosphere at dinner was no different from usual, because Ning stream didn't show anything unusual.

The two babies thought a lot.

chen chen: should I tell Daddy about it?She would definitely not see her father after she left this time. She would go back to her previous life. She would live a life without her father.No, I have to think about it carefully. I can't just let dad and mom separate again like this.Daddy loves Mommy, so does Mommy. They must be together forever.

han han: what the hell is Mommy doing?I thought she was going to tell Daddy about it and ask him if he had a solution. But I didn't expect that she would suddenly say that she would take us to have fun. Although we were happy to hear that we were going to have fun, I knew it was an excuse. Don't think I was too young to know it.No, we don't want to leave daddy. We have to find a way to let the four of us be together!

After dinner, the two babies went back to their room. Ning Xi wanted to say goodbye to ye xiao xiao. Although he couldn't tell her, he needed to say goodbye for the last time.

Ning Xi went to the room of the two babies and told them directly to go to ye xiao xiao's house.

"chen chen and han han, we'll say goodbye to Celia later."

The two babies ran to the side of Ning stream, as if they had already known that Ning stream would come to their room.

"Mommy, are you really going to leave?"

"Mommy, let's go and tell Daddy. Let him find a way for us. We won't leave, okay?"

As soon as Ning stream entered, the two babies couldn't wait to ask Ning stream to stay.

"chen chen han han, mommy has made up her mind. She has no choice."

Looking at the two little babies who were reluctant to leave, Ning Xi was touched and sad.

"Mommy, there is one thing I haven't told you."

At this time, chen chen looked at his mother Ning Xi seriously, as if he had something important to tell her.

Looking at her brother chen chen, han han guessed what he was going to tell her Mommy about Ning Xi.

This was their last resort to persuade their mother to stay. If she knew this, she should stay.

"What do you want to tell Mommy?"

Seeing that chen chen was so serious, Ning Xi asked seriously.

chapter 326

“In fact, daddy has already known that we are his children.”

chen chen answered cautiously, lowering his head slightly, as if he had done something wrong.

“You are his children!”

At that time, ning xiao xi was still in a daze. When han han added, “he knows that we are his own children!”

Ning Xi was stunned and then came to his senses.

“chen chen, han han, what... What did you say? Say it again...”

Ning Xi thought he had heard it wrong.

“Mommy, in fact, daddy has known that we are his children for a long time. We didn’t tell you at that time. We are worried that you will be unhappy, so we keep it from you...”

chen chen explained, lowering his eyes.

“Mommy, in fact, daddy loves us. He is really good to us. We also want to be with Daddy all the time!”

han han added. Anyone who saw her sincere eyes would feel sorry for her.

Ning Xi was stunned. How could it be possible? It turned out that gu jin yi had already known that the two babies were his own children.

She didn’t expect things to develop so fast. She never thought that he would know that chen chen and han han were his children. She had been thinking about how to tell him about this. She didn’t expect that he had already known it and kept it from her.

“So Mommy, the problem you are worried about has been solved. Daddy won’t take us away from you just because we are his children, because he loves you too. He promised us that our family would be together forever.”

chen chen said a lot to Ning stream at this time, in order to change its decision.

“Yes, brother is right. If daddy really wants to take us away from you, he should have taken us away long ago.”

han han explained to Ning Xi carefully. The two babies had a mission in their hearts, which was to make their parents stay together forever, and the four of them would be together forever.

“He already knew it. He didn’t tell me or take you away...”

Ning stream stood still and murmured to herself. She didn’t even know what she was talking about.

The two babies nodded with a smile.

She thought Ning Xi would change her mind and that she had heard what they said.

On the contrary, Ning Xi was more sure that she would leave here with the two babies. Although gu jin yi didn't want to take chen chen and han han away, since he had known the identities of the two babies, the Gu family would definitely take them away one day.

No way. Ning Xi couldn't give them the chance to take chen chen and han han away. Absolutely not  
Ning Xi suddenly turned around and left the two babies' room without saying a word.

The two babies looked at each other in confusion. What did their mommy mean by turning around and leaving? Was she going to stay or was she determined to leave?

As a result, no one knew

On the way back to her room, Ning Xi knew that gu jin yi had known everything, but he always pretended that nothing had happened. Thinking of this, Ning Xi felt that he was very annoying.

What on earth did he want to do? Why did he keep the identity of the two babies from her? Was he planning to take chen chen and han han away?

It shouldn't be like this. If he really knew about it, how could he not mention a word in front of her?

All kinds of bad scenes appeared in Ning Xi's mind. The more he thought about it, the more he felt that gu jin yi would definitely try to take chen chen and han han away. Ning Xi would never let such a thing happen

In the master bedroom.

gu jin yi was reading a book on the bed. He didn't put it down until Ning Xi came in.

"Is chen chen and han han asleep?"

gu jin yi asked casually when he saw Ning Xi went to the twins' room and came back later.

Ning Xi nodded with a heavy heart. gu jin yi could tell that he was preoccupied.

"What's wrong? Mrs. Gu. "

gu jin yi gently held Ning Xi's hand and asked her to sit on the edge of the bed.

Ning Xi hesitated for a while and finally said, "gu jin yi, tell me the truth. Are you hiding something from me?"

She asked directly, with a pair of amber almond eyes squinting meaningfully at the mysterious man in her eyes.

What was he thinking about?

"What do you mean?"

gu jin yi seemed to find something from Ning Xi's expression, and the figure of chen chen and han han flashed through his mind.

Because gu jin yi had never hidden anything from her, except that he had already known the identity of chen chen and han han

“I don’t care what it is. I just want to ask you if you have hidden anything from me.”

Ning Xi seemed to be a little excited. He didn’t speak it out directly, but asked carefully.

Because she didn’t know whether the two babies were telling the truth or not. Generally speaking, if he knew that chen chen and han han were his children, he would tell her about it, but he didn’t. therefore, Ning Xi was not sure, so he couldn’t tell her the truth first.

This was something unusual for Ning Xi.

She had to play tricks on him first to prove it was true.

If he really didn’t know, there would be no room for manoeuvre if he said it out.

“I have never hidden anything from you.”

gu jin yi said firmly.

Ning Xi looked at gu jin yi in silence.

At last, she reminded him, “is there anything I don’t know about chen chen and han han?”

In fact, gu jin yi was already thinking about it. At this time, Ning Xi happened to talk about chen chen and han han. He thought maybe he should tell her everything directly.

This might be an opportunity

“In fact, I have always wanted to ask you something. chen chen and han han are my children, aren’t they?”

gu jin yi asked Ning Xi in doubt.

When Ning Xi heard what gu jin yi said, she was stunned. Although she had heard from the two babies that he had known about it, she had a feeling from his mouth.

That feeling, shock, anxiety, tension

He was afraid that gu jin yi would leave Ning stream with two little babies because he knew chen chen and han han were his own children.

chapter 327

Noticing the expression on Ning Xi’s face, gu jin yi was more sure that Ning Xi had been hiding this from him. If it weren’t for the car accident, he might not know that chen chen and han han were his biological children until now.

“You have already known that chen chen and han han are your children...”

ning xiao xi said in a low voice.

At first, she doubted what the two babies said to her, but now it seemed to be completely confirmed.

At this moment, Ning Xi was somewhat absent-minded. These things were not what she had imagined

“Naomi, you finally said that chen chen and han han are my children. I’ve been waiting for you for a long time.”

gu jin yi suddenly hugged Ning Xi. As long as he talked about the two babies, he had a lot to talk to Ning Xi.

“You already know why you didn’t tell me? I’m the only one who has been foolishly hiding this from you. I’m afraid that you’ll take chen chen and han han away after you know it.”

Ning Xi pushed gu jin yi away, stared at him expressionlessly and blamed him.

“I always want you to tell me in person that you don’t want to tell me about chen chen and han han’s background. I think you must have a reason. So I didn’t ask you directly. So I didn’t tell you after I knew it. I always wanted to find an opportunity to tell you, but every time I told you about the origin of chen chen and han han, you would always avoid it. As time went by, I didn’t specially tell you.”

gu jin yi was worried that Ning Xi would be angry, so he explained a lot to her in one breath.

If it was in the past, he would never explain these so-called boring things.

But now, things were different.

Ning Xi recalled that a few days ago, every time she heard about the background of the two babies, she would avoid talking about it.

She was afraid that gu jin yi would know the identities of the two babies, so she tried to avoid them.

“Then you should have known that chen chen and han han are my biological children. That woman was me five years ago. You know everything, except me. I still think you know nothing. gu jin yi, you have hidden yourself well enough!”

Ning Xi was obviously a little angry. She stood up and was about to leave, but gu jin yi held her hand tightly.

“Let bygones be bygones. From now on, the four of us will live well together.”

gu jin yi stood up from the bed and sat on the edge of the bed with Ning Xi. He gently held her hands and gazed at Ning Xi with his affectionate eyes.

Ning Xi sneered, “Mr. Gu, don’t forget that we are just in a contractual relationship and a cooperative relationship. Don’t get too involved in the drama. chen chen and han han, they are my children, and have nothing to do with you.”

“I know it’s hard for you to take care of chen chen and han han in the past five years, so from now on, I will make up for the three of you. Trust me, I won’t let you suffer any more.”

gu jin yi looked at Ning Xi affectionately and firmly.

ning xiao xi was moved by gu jin yi's words. Indeed, she was satisfied only if he didn't take chen chen and han han away. She didn't expect that he would really accept her and be willing to live with them.

Ning Xi stared at gu jin yi. She wanted to say that she wanted to live with him and the two babies forever, but if she told gu jin yi that she was just a wild child who didn't even know whose parents were, and a fake who married the eldest daughter of the Ning family, gu jin yi would definitely not accept it. He would definitely take chen chen han han away from him.

He didn't know about the subst\*\*ute marriage. If he knew it, he would never marry such a woman, so chen chen and han han would eventually be taken away by him.

"Have you really made up your mind to be with the three of us forever? You won't go back on your words?"

Ning Xi knew the result, but she still wanted to hear it from him.

ADVERTISEMENT

As expected, he nodded in agreement.

"Won't you regret if I do something that makes you angry?"

ning xiao xi asked tentatively again.

"No, I won't."

gu jin yi answered firmly without hesitation.

At this moment, Ning Xi was considering whether he should tell gu jin yi about her subst\*\*ute marriage.

"I..."

"No matter what you have done to make me angry, I won't regret being with you. Except you fall in love with someone else..."

Ning Xi thought for a while and was about to tell her about her marriage.

However, before Nina could finish her words, Jean opened her mouth, which made her stuck in her throat.

Because of gu jin yi's words, Ning Xi's courage, which he had worked hard to gather, poured down again.

At this time, he stood up, walked to the computer desk, took out a doc\*\*ent from the drawer, and then turned around to Ning stream.

"Naomi, from now on, let me take good care of you and the two children. From now on, the four of us will live happily together and never separate."

gu jin yi stared affectionately at Ning stream, picked up the contract with both hands and tore it up in front of Ning stream.

“From now on, this contract is over. You, Ning Xi, are my wife, my man. ”

gu jin yi's words were serious and serious, which made Ning Xi's mind blank for a moment. She didn't know what to say.

At this moment, the two babies had already hidden themselves outside the door, clinging to the door of the main bedroom, wondering what their parents were talking about inside.

But the door of the main bedroom was too far from the room to be heard at all.

In fact, han han could hear the voice inside, but it was not clear. In order to let her brother hear the conversation between their parents inside, she came up with a way.

“Brother, I have an idea. Let's go back to our room!”

han han and chen chen ran back to their room.

han han got close to the wall and said, “brother, come here quickly. Then we can be closer to daddy and Mommy's room. Maybe we can hear them talking!”

Hearing what han han said, chen chen leaned close to the wall and listened carefully. It seemed that they did hear their parents' voice.

“han han, I heard daddy and Mommy's voice. You are so smart!”

On the other side, han han winked at chen chen and then leaned against the wall, with a wicked smile on her face from time to time.

chapter 328

“han han, what are you laughing at?”

At first, chen chen didn't know what han han was laughing at, but when she explained, he finally understood.

“Brother, let me tell you. I can hear clearly what Mommy and Daddy are talking about. Haha... ”

han han whispered in chen chen's ear in a sweet voice.

It was not until then that chen chen realized that han han's ears had been smarter than those of normal people since she was a child. She could hear the voice that others couldn't hear, and she could also hear the voice in the distance. So the sound of the next room must be heard.

“What are daddy and Mommy talking about?”

chen chen could only hear the voice, but he couldn't hear clearly what the two were talking about.

But he could know what was going on from the voice han han heard.

“Mommy seems to have told daddy that we are his children. Daddy said that he would be with us forever. And, daddy seems to be very happy, huh? Why did it suddenly become so quiet? Daddy and Mommy didn't say anything. Didn't I hear it? I'm getting closer, closer... ”

Listening to the broken line in the next room, han han thought she didn't hear it, so she leaned against the wall to listen.

She was so cute and excited.

When chen chen saw han han muttering to herself, he couldn't even ask a question, so han han kept talking.

"Eh?It's so strange. Why didn't Daddy and Mommy move? "

han han frowned and still talked to herself. She tweaked her ears, thinking that her ears were out of function.

"han han, what's wrong?"

chen chen asked in confusion.

"Huey, let me tell you. Mommy should have told daddy that we are his children.Besides, daddy said that the four of us would be together forever! "

han han stood straight and told her brother seriously.

"So Daddy and Mommy have made everything clear about our birth. Daddy has also said that we will be together forever..."

chen chen replied thoughtfully to han han.

"Just make it clear. Then Mommy won't take us away, will she?"

The two babies were wondering whether their Mommy would stay or not because of their daddy, Jean

"Bang, bang, Bang..."

"chen chen, han han, my two babies, are you asleep?"

At this time, the sound of Mommy Ning stream suddenly came from outside.

The two babies were in a hurry when they heard her voice.

"Mommy!Why did she suddenly come to our room? "

"Hurry up! Let's go to bed!"

The two babies immediately jumped onto the big bed.

ning xiao xi came in, and the two babies pretended to be just awake.

"Mommy, what's up?"

"Mommy, it's so late. Why haven't you gone to bed yet?"

The two babies cooperated with each other so well that they didn't realize that they were pretending to be asleep.

But they were indeed two actors. How could they act in a movie if they didn't act so much.

"Mommy thought for a while. We won't leave tomorrow. Let's stay here."

In fact, Ning Xi planned to meet Ning Hui tomorrow. She had to find a way to take her grandmother's house back.

It was impossible for her not to leave here. The only way to get her grandmother's house was to leave here. But in order to make the two babies rest assured, she had to say so.

Besides, he didn't know that she got married for him. If he knew it, it would be difficult for him to leave with the two babies.

She had no choice but to tell them not to leave here. Otherwise, they might think about it tonight. She would explain it to chen chen and han han tomorrow when they were leaving.

The two babies were very happy at the moment when Ning Xi said he wouldn't leave. "Mommy, are you serious? Are you really not leaving? Can we really be with daddy?"

The two babies were so excited that they lifted the quilt and ran to Ning stream.

Ning Xi nodded with a smile.

It seemed that chen chen and han han liked to live with their father very much.

Ning Xi stared at the two babies and sighed in his heart.

In order to let the two babies sleep at ease, she specially came to tell them the news.

"Okay, as long as mommy doesn't leave here, we will be relieved. Mommy and daddy should go to bed early. We should also go to bed. Good night!"

Before Ning Xi said anything, the two babies were about to go to bed.

The two babies picked up the quilt and covered themselves. When they were about to lie down, Ning stream said again.

"Mommy will sleep with you tonight."

Ning Xi walked to the bedside and realized that she was going to sleep.

"Mommy, aren't you going to sleep with Daddy today?"

"Mommy should sleep with Daddy."

The two babies asked and answered each other. Obviously, they didn't want their mommy to sleep with them, but wanted to sleep with their daddy.

Of course, ning xiao xi also knew that. She pretended to be unhappy and aggrieved and said, "chen chen, han han, have you begun to dislike me since you have your father? You don't want to sleep with me now."

“Mommy, it’s not that we don’t want to sleep with you. It’s just that daddy will be jealous if you sleep with us. So you’d better sleep with Daddy.”

ADVERTISEMENT

“We can’t take you away from him. Daddy said you belong to him. If he doesn’t see you go back later, he might take you back like last time he came here.”

The two babies stared at their mommy with disgust. Hearing their words, Ning Xi remembered the scene that gu jin yi forcibly took her back to her room.

Ning Xi blushed. She felt so embarra\*\*ed in front of the two babies. There was no reason for her to sleep here.

“Mommy, go back to your own room. We are going to sleep!”

chen chen urged Ning Xi to leave the room on purpose.

“Yes, yes. Mommy, I’m going to have a beauty sleep. It’s not good if I have dark circles under my eyes. At that time, Mommy will be the one to blame!”

han han and chen chen said in a childish voice.

At this moment, Ning Xi didn’t want to talk anymore. He disliked her and made her unhappy.

“Humph, if you don’t like me, I’ll go back to my room to sleep! I won’t play with you anymore.”

Being helpless, Ning Xi turned around and was about to go back to her main bedroom.

At this time, Jean walked in slowly.

“Is chen chen and han han asleep?”

He whispered in fear of disturbing the sleep of the two babies.

“They...”

Nina was about to speak, but she didn’t expect that the two babies were more active than anyone else.

“Daddy!”

“Daddy!”

chapter 329

The two babies overreacted. As soon as they lay down and heard their father’s voice, they got out of bed uncontrollably and shouted excitedly at gu jin yi.

gu jin yi held Ning Xi’s hand and walked to the two babies.

“chen chen, han han, you haven’t slept yet?”

gu jin yi said in a soft voice, staring at the two babies with affection.

“Daddy, we haven’t slept yet! My brother and I both miss you. We have a feeling that you will come back to our room, so we are waiting for you!”

“Just now, I dreamed that daddy and Mommy slept with us. It seems that it’s about to come true...”

The two babies had a lot to say to their father, gu jin yi. They were not sleepy at all and were full of energy.

On the other hand, Ning Xi looked helpless and aggrieved, squinting at the two little babies.

She had too much to say to them.

chen chen and han han, you are so excellent! You just kicked your mother out of the room, and now you’ve become so energetic as soon as he comes. Well, well! Your mother has no place in your heart now. It seems that you should be educated strictly in the future.

“Daddy and Mommy will sleep with you tonight.”

gu jin yi said.

“Wow, wow, wow! We like to sleep with daddy and Mommy the most. We can’t even dream the whole night!”

han han was the most excited. As soon as she heard that gu jin yi wanted to sleep with them, she immediately agreed.

“I agree with you. We haven’t slept together for a long time. Let’s sleep together today!”

Of course, chen chen was also very happy. In this way, he could add more affection to their parents.

At this moment, Ning Xi was very disappointed with the two babies and didn’t want to talk to them anymore.

“Honey, what’s wrong with you? Aren’t you happy that chen chen and han han sleep with us?”

ADVERTISEMENT

Seeing Ning Xi expressionless, gu jin yi asked in confusion.

“I...”

“Daddy! Daddy! Daddy! Mommy must be jealous. She wants to sleep with you alone.”

“Well, Mommy, if you really don’t want us to sleep with Daddy, we won’t sleep with you. Sister, we have been abandoned by mommy. Let’s sleep together.”

Just as Ning stream was about to speak, the two little babies rubbed against each other to stop their mommy from speaking.

She looked at them with a mischievous smile.

And the answer made their mommy Ning Xi speechless.

“Really?”

gu jin yi turned to look at Ning Xi and wanted to ask for her opinion.

“How is that possible? I really want to sleep with you. Let’s go back to the big room!”

Ning Xi asked them to go back to the main bedroom to sleep.

“Daddy!”

“Daddy!”

The two babies pouted, opened their hands and wanted their daddy to hug them.

Of course, gu jin yi understood what the two babies meant. With a doting smile on his face, he opened his big hands and realized that the two babies could come to his arms.

The two babies couldn’t wait to run into gu jin yi’s arms.

“Let’s go! It’s time to go to bed!”

gu jin yi picked up the two babies with his big hands, one in each. Ning stream was helpless. She couldn’t hold the babies when they grew up. Fortunately, he was there.

ADVERTISEMENT

“Mommy, Mommy, follow us!”

“Mommy, let’s go together...”

The two babies blinked at Ning Xi. Ning Xi narrowed his eyes and stared at the two babies, clenching his right hand into a fist and waving at them.

It meant that if they didn’t listen to their mommy next time, they would lose control of her fist.

In this way, the four of them went back to the big bed in the main bedroom to sleep.

Lying on the big bed, the two babies had always wanted to ask whether they were extremely excited because they had confessed their love to each other!

But... Their parents didn’t say a word and just kept silent, so they couldn’t ask.

The atmosphere was weird. Her parents didn’t say anything.

han han glanced at Ning Xi, and then turned to gu jin yi wei wei.

And chen chen also found something wrong. Shouldn’t it be a happy thing? Since daddy and Mommy had made it clear, the atmosphere should not be so stiff!

The atmosphere at the moment made the two little babies unable to deal with, and the gap between them and their imagination was too big.

“chen chen, han han, I have a good news for you.”

At this time, he said, smiling at the two little babies.

“Daddy, what good news do you have to tell us?”

“Daddy, say it!”

The two babies were more excited than anyone else when their father, gu jin yi, finally spoke.

They guessed that it must be what they were thinking about.

“Daddy can be your daddy forever.”

gu jin yi’s words made the two babies feel a little profound, but they understood what he meant.

Ning Xi stared at the two babies affectionately. Seeing their innocent smiles, she was also happy from the bottom of her heart.

It was the first time that the four of them lay together happily.

“Then Mommy will always be our mommy.”

han han added, imitating gu jin yi’s words.

“Daddy, Mommy, it’s so good to have you around us!”

This was what the two babies had always wanted. Now it came true, and they were very happy.

The mystery of their identity had been revealed, and there was no need to hide anyone anymore. In the future, they could say openly that they had a father’s child.

gu jin yi also felt that such an ending was very happy. The family of four lived together, which was the life he longed for in his heart.

“chen chen, han han, from now on, daddy will always be with you and Mommy.”

gu jin yi said to the two babies and then looked at Ning Xi.

The two little babies looked at their parents with their bright eyes.

“Daddy, Mommy, it’s said that children are the crystallization of love. You only have two children in your whole life. Does that mean that you used to love each other very much?”

“Daddy, Mommy, can you tell us what happened in the past? We are very curious and want to know the past love story of daddy and Mommy.”

Speaking of this, the two babies were very interested and were ready to prick up their ears to answer the phone.

chapter 330

“In fact, your mommy and I didn’t know each other at that time. We met by accident. Then we will have you.”

The two babies looked confused and blinked their big eyes. What was daddy talking about? He didn’t know his mommy before? How could it be possible?

The two babies were confused and couldn't believe it.

"Daddy and Mommy didn't know each other before? How could there be two of us? Daddy, don't think that we are still young and know nothing. We don't believe you."

The two babies looked arrogant. They thought Gu Jin Yi was joking with them and didn't tell the truth.

"Chen Chen, Han Han, what your daddy said is true. Our encounter was quite dramatic."

Then Ning Xi replied. The two babies slowly believed it.

They all thought it was incredible.

"Daddy, Mommy, tell me about your past. I want to hear..."

"I miss you too. Tell me!"

The two babies were so excited that they spoke incoherently, imagining how their parents met.

"Our meeting is very simple. In fact, there is nothing special about it."

Ning Xi answered casually, but didn't answer what the two babies wanted to know. Their expressions instantly changed.

She pouted and looked unhappy.

Then, he opened his thin lips and said, "if you really want to hear it, I'll tell you slowly."

"Wow! What a pity! Long live Daddy!"

"Han Han loves Daddy the most! Love you..."

The two babies were so excited to hear Gu Jin Yi's words that their legs under the quilt almost jumped out of the bed.

And she kept rubbing herself against his chest.

Looking at the two little babies, Ning Xi complained in silence, "you two ungrateful guys. I'll sell you out for this."

The two little kids turned their heads and looked at Ning Stream with a mysterious smile.

"Mommy is bad! Humph! Don't play with Mommy!"

"Mommy is getting more and more naughty!"

The two babies were complaining about their mommy, Ning Stream, which made their daddy unhappy.

"In my eyes, your mommy is the best. You can't say that to her."

Although in front of the two babies, he was still protecting Ning Stream.

"Eh?"

“Eh?”

The two babies looked at gu jin yi strangely.

It meant that they were a real couple~

Seeing the two babies, Ning Xi burst into laughter.

“What?Do you have a problem with it? ”

“No problem, no problem. It’s my duty to protect Mommy, isn’t it, han han?”

“Yes, you are right.This was called happiness and suffering at the same time!Hahaha...”

Both gu jin yi and Ning Xi were stunned by their little daughter. They were getting more and more powerful now. She could understand the saying that we share weal and woe together.

The two babies subconsciously put gu jin yi’s and Ning Xi’s hands together and let them hold.

gu jin yi smiled and held Ning Xi’s hand tightly. “I will always hold your hand tightly and won’t let it go.”

gu jin yi looked at Ning Xi affectionately.

The two babies had been staring at their parents, curious, longing, envious, happy... All kinds of emotions were mixed.

Ning Xi was in a trance for a while because of gu jin yi’s words, and then quickly came back to his senses.

“Don’t be so sentimental. chen chen and han han are still here.”

“It doesn’t matter. You can continue. We didn’t see anything.”

The two babies consciously covered their heads with quilt.

gu jin yi and Ning Xi could do nothing to them.

“Lie down. Daddy will tell you what you want to hear, okay?”

gu jin yi looked at the two babies with affection. They were obedient now. He put down the quilt and lay down obediently.

“Daddy, daddy, tell me quickly. We’re ready.”

The two babies couldn’t wait to know the past of gu jin yi and Ning Xi, and they forgot not to disturb their parents.

Ning Xi looked at the two babies and smiled helplessly.

gu jin yi also started to talk about their past

“It was like this at the beginning...”

In this way, gu jin yi told their story with the two little kids. Not only chen chen and han han listened with great interest, but also Ning Xi listened carefully.

Ning Xi stared at the man in front of him and listened to his story. He was infatuated with him.

gu jin yi, what kind of person are you? Should I believe you

Hearing that, the two babies fell asleep.

At the same time, Ning Xi didn't want to face gu jin yi alone, so she pretended to fall asleep.

Seeing that the three of them had fallen asleep, gu jin yi lowered his voice slowly, and then his voice gradually disappeared

gu jin yi tucked the three of them in. Then he got up from the bed and walked to the other side of the bed, next to Ning Xi.

ADVERTISEMENT

Hearing the footsteps coming towards her, ning xiao xi muttered to herself, 'what is he going to do?'

gu jin yi slowly lowered his head and gently kissed Ning Xi's fair and smooth forehead.

"Good night, my beloved woman."

gu jin yi stared at Ning Xi for a long time. He smiled unconsciously, stroking Ning Xi's delicate face and hair for her. His deep eyes were full of love and affection.

Then, he went back to the side of the two babies, and at this moment, Nina's tears had already wet her eyes.

gu jin yi, it would be nice if Ning Xi was just a stranger to you if you didn't care about her. Just like when you first married into the Gu family, you treated her coldly and always treated her coldly. At least she wouldn't have any thoughts or longing for anything.

In this way, Ning Xi wouldn't care so much and wouldn't be so sad.

But now, her heart was really painful, like a needle pricking.

This result was not what she wanted, but it was not something she could control

"Good night, my two babies."

Then gu jin yi and the two babies went to bed after good night.

A few minutes later, Ning Xi slowly opened his eyes and turned his head to look at the three people she cared most beside her.

Tears ran down uncontrollably to her ears.

Ning Xi recalled that he had received a message from Ning Hui after dinner.

He asked her to go to the Ning family this morning and get the property ownership certificate of her grandmother's house.

Since the Ning clan had made this decision and was willing to return the property ownership certificate to Ning Xi, it meant that they would definitely let Ning Xi leave this place.

.....

## chapter 331

The second morning.

gu jin yi woke up early and saw Ning Xi and the two babies sleeping. He didn't disturb them, quietly put on his clothes and went downstairs.

"Auntie, make some breakfast for them. They will get up to eat later."

"Okay, I see."

gu jin yi ordered the maid to make breakfast for the three of them, and then went out.

He went to the company to deal with some things and planned to come back before lunch. Today was a good day, and also a formal reunion of their family.

So she decided to leave the company behind and take the three of them abroad for a few days.

In fact, the moment he got up, Ning stream had already woken up. She didn't sleep well the whole night.

She thought for the whole night, and finally decided to go to the Ning family to make it clear. She planned to stay here with chen chen and han han, and the family of four would be reunited.

As for the matter of subst\*\*ute marriage, he would make it clear to gu jin yi when he had the chance. The final result would let him decide whether to keep the three of them or not. He would have the final say.

Not long after gu jin yi left home, Ning Xi also got up. She wanted to get up quietly so that the two babies could sleep more and not disturb them, but the mother and the son were connected. Ning stream moved, and chen chen woke up.

"Mommy..."

chen chen rubbed his eyes and looked at her with his blurred eyes.

"chen chen, you wake up. You can sleep a little longer."

Ning Xi stroked the hair on chen chen's forehead and gazed at him with maternal love.

"Mommy, are you getting up?"

Seeing that Ning Xi was about to get up, chen chen asked in a hoarse voice.

"chen chen, I have something to deal with outside. You take your sister home and wait for me."

Ning Xi said softly.

chen chen always felt that something was wrong, but he couldn't explain it clearly. He always felt that something bad would happen when his mother Ning stream went out this time.

And she was a little worried that Ning Xi would leave secretly.

“Mommy, come back early. My sister and I will wait for you at home.”

chen chen nodded. He knew that there must be something wrong with Ning Xi, so he could only hope that she could come back early.

“My dear son, you are so good. I promise you and han han that I won’t leave here. Mommy will do it.”

ning xiao xi promised chen chen again, in order to make him rest one hundred hearts.

Then Ning Xi stood up and left.

chen chen wanted to go with Ning Xi, but he gave up when he saw his sister sleeping next to him.

If han han woke up and found that she was alone at home, she would cry again.

He had just promised his mother Ning Xi that he would do it.

Ning Xi went out by bus and got off the bus after arriving at the station near the Ning family.

At this moment, a black minibus was stopped near the station.

The man in the minibus was staring at the woman in the bus station with his sharp and fierce eyes.

He was waiting for the right time to take Ning stream away.

Ning Xi got off the bus and the bus drove away.

Then the black minibus quickly followed them and drove to the side of ning xiao xi without being noticed.

“Ah!”

Ning Xi shouted subconsciously.

One of the strong men covered the mouth of Ning stream tightly.

The two men in the car quickly opened the door and grabbed Ning Xi into the car.

Then the minibus sped away. After getting in the car, the man let go of Ning stream.

“Who are you? Why did you arrest me?”

Ning Xi became excited as soon as he was released.

The man in the car ignored her and didn’t answer her question.

“I’m asking you! Why did you take me into the car? I have no enmity with you!”

“Be quiet!”

The voice of Ning stream was so loud that the driver was so angry that he roared at Ning stream.

ning xiao xi was frightened by the man's voice and stopped talking immediately.

The man drove faster and faster, one hundred and twenty yards, one hundred and thirty yards... And finally drove to one hundred and eighty yards.

When the car arrived at the stone road, it was shaking more and more, making the people in the back seat stagger.

"Ah!"

Ning Xi's head hit the front seat by accident.

"Where are you taking me?"

Ning Xi looked out of the window and saw a strange place.

No one answered her. After a while, the car made a strange noise and slowly stopped automatically.

"What happened?"

The driver patted the steering wheel, but the car still didn't respond.

He opened the door and got off to check.

She found that the front wheels of the car were leaking air.

"You two get off the car and change the wheels of the trunk!"

In this way, Ning Xi was left alone in the car.

At this moment, Ning stream was trying to find an opportunity to escape.

She quickly took out her phone and wanted to call gu jin yi, but this damn place had no network at all.

Ning stream was not desperate. She looked around. It was especially remote here, and it was not easy for her to escape. Now she could only escape from their sight, find a place to hide, and then go back.

Seeing that the three men were lowering their heads and changing the tires, Ning Xi quietly moved from the middle seat to the side, and then slowly opened the door when they were not noticing.

Ning Xi tried his best not to make any sound. The door was gradually pushed open, and Ning Xi was relieved. Then he got out of the car and left carefully.

When he walked about three meters away, he stepped on the big stone and there was a creak.

Which aroused the hearing of the three men.

One of the men poked his head and saw Ning stream not far away.

"Damn it! That woman ran away!"

"Hurry up!"

As soon as the man's words came out, the other two men ignored the minibus and directly chased after Ning stream.

Ning Xi was smarter. The moment she stepped on the stone and made a sound, she tried her best to run away, without looking back.

At that moment, the phone fell out.

However, Ning stream knew that they would find her running after them when they heard the sound, so it didn't waste two or three seconds to run forward.

Not long after, Ning stream ran to a dead end. There was a deep river in front of it, and there was no way.

"Why don't you run away? Let's see how you can escape now."

Now the three men snickered at Ning stream, knowing that she was impossible to escape.

The three men walked towards Ning stream step by step.

chapter 332

"Stay away from me!"

ning xiao xi had no choice but to step back at one point one.

"Just follow us. Don't try to escape."

One of the men sneered and looked at Ning Xi, his eyes full of ill intentions.

"You, you..."

Ning Xi missed his step and fell down.

The three men were also frightened when they saw this scene. They quickly ran to the side and looked down.

"She must be dead after falling from such a high place."

One of the men said in a trembling voice.

"How can I explain this to them? He didn't bring them there."

Another man thought about it.

Because their purpose was to bring Ning Xi to them.

"Let's go!"

The three men didn't stay there any longer. They looked down at the endless scene and left.

Ning stream fell down quickly, and at last, her head hit a big stone. She, who had been awake, gradually fell asleep.

In the villa of Gu family.

“Bang!”

A strong sound of breaking came from the bathroom.

“What’s wrong, han han?”

Hearing the noise, chen chen ran to the bathroom immediately.

“Waah... Brother, I broke the cup...”

With an innocent look on her face, han han’s mouth was bent down, and there were some tears in her eyes. She frowned slightly.

She held the toothbrush in her hand and pointed at the broken cup on the ground with her little finger.

“It doesn’t matter. Let’s go to another bathroom.”

chen chen took his sister to another bathroom. Before leaving, chen chen turned his head and took a meaningful look at the broken gla\*\* on the ground, with a hint of worry on his face.

On the other side, the three men changed their tires and returned to the place designated by each other. A woman was waiting for them.

“Where is she?”

The woman was wearing a grey sportswear, a black cap and a mask.

She glanced at the man and didn’t see Ning Xi beside him. Then she scolded in a low voice.

“We didn’t bring him here. We came here to tell you that she fell into the river by accident on the way here. I’m afraid he’s in grave danger. ”

One of the men answered.

“I’m afraid it’s not that he’s dead. He’s already dead. He fell down so high...”

Another man said in a trembling voice. He seemed to be very scared.

“Shut up!”

Another man growled at him and asked him to shut up.

He looked at the woman quickly and wanted to see her reaction.

Because she didn’t bring the person she wanted and even killed her.

The woman raised her head slightly.

“What? Dead? ”

The woman thought she had misheard. Ning stream was dead. Wasn’t this the result she wanted?

ning xiao xi, it seems that God is so kind. You can't wait to die without me. Humph! What a great pleasure.

"This is her phone. We found it."

The man handed the phone to the woman, trembling with fear.

The woman took the phone and stared at it with her evil and insidious eyes for a long time.

It seemed that he was plotting something

The woman was too excited to describe her feelings.

The pair of charming eyes under the black peaked cap swept across a touch of insidiousness, and the corner of her mouth under the black mask raised a complacent sneer.

ning xiao xi, you finally disappeared forever

In the villa of Gu family.

The two babies were waiting for their mommy at home. Near noon, there was still no movement.

"Brother, where is Mommy? Why haven't you come back yet? "

As soon as han han woke up, she found that Ning Xi was not at home. She didn't see her until noon, so she missed her a little and wanted to see her.

chen chen looked at the time. It was almost eleven o'clock. His mother hadn't come back yet. In fact, he was also anxious.

But he still pretended to be calm, because he had to take care of his little sister, han han. He couldn't let her worry.

"Don't worry, han han. Mommy is out for something and will be back soon."

chen chen and han han walked to the LCD TV in the living room.

"Sister, didn't you want me to teach you how to play games last time? Do you want to learn it? "

In order to distract han han's attention, chen chen took advantage of this.

Because he knew that han han had always wanted to learn to play games and also wanted to become a powerful game master like chen chen.

"Great! Then brother will teach me! "

As expected, as soon as han han heard that chen chen taught her to play games, she quickly sat down on the cushion in front of the LCD TV.

chen chen followed her and said, "Okay, let's do it first, and then..."

In this way, han han's attention was diverted.

In the Empire group.

gu jin yi zheng and zi hao were discussing the idea of a new game design drawing. He took a look at his watch and found that it was already half past eleven. It seemed that it was too late to go back to accompany the three of them at noon.

He thought of ye xiao xiao. Ning Xi told him that she was her best friend, or even family.

So she came up with an idea.

Noticing gu jin yi's mood, an zi hao asked, "what about we discuss it next time?"

"It's okay. I'll make a phone call first."

Then, he walked aside and called ye xiao xiao.

At this moment, Celia was waiting for the audition when a call from Edmund came.

ye xiao xiao didn't know who was calling, so she thought it was from a film company and answered it directly.

"Hello."

"ye xiao jie, please go to my home to keep them company."

gu jin yi went straight to the point without hesitation.

He didn't care whether the other party would agree or not, but put forward his request first.

When an zi hao heard the three words ' ye xiao jie ', he glanced at gu jin yi.

He knew that the person gu jin yi called was Celia.

gu jin yi's words were a little cold. Even though he was a good friend of his wife Ning Xi, there was still no emotion in his words.

Except for the three of them, everyone else was the same.

As soon as Celia heard the voice, she knew it was gu jin yi. She was stunned.

She took down the phone beside her ear and looked at the screen. Mr. Gu, where did he get my phone number?

"Mr. Gu, why do you have my phone number?"

ye xiao xiao asked in confusion.

"My wife gave it to me."

gu jin yi replied arrogantly and simply.

ye xiao xiao was stunned and speechless

Celia couldn't believe her ears.

chapter 333

"Okay, I'll be there soon."

ye xiao xiao knew that he was busy, so she didn't ask more.

"Thank you."

"Well... You're welcome!"

Then he hung up the phone.

ye xiao xiao put down her phone slowly. She was surprised to hear gu jin yi's 'thank you'.

She recalled that when she first met him, he was completely an impolite person who didn't even say thank you.

ning xiao xi once said that he was completely domineering and arrogant.

But now she really changed a lot when she heard him. She could say thank you.

It seemed that Ning stream had changed a lot.

'what?But why do you ask me to accompany her?She was fine at home

"Celia!Who is it?"

"Yes!!I'm here!"

When Celia was confused about this question, someone came out of the auditorium and called her name.

She raised her hand reflexively and answered loudly. Then she quickly walked into the audition room.

In the CEO Office of Empire group.

"I'm curious how you met the stream."

an zi hao said casually.

"We are destined to meet each other."

When gu jin yi mentioned Ning Xi, his thin lips curved up unconsciously.

"When I worked in VL, I didn't know Naomi was married.It's funny to think about it now."

an zi hao recalled that he had a crush on Ning Xi before. It seemed that he hadn't been married.

"Don't try to seduce my wife. She is mine."

gu jin yi warned an zi hao directly and deliberately.

gu jin yi could tell that an zi hao had a crush on Ning Xi at that time. But an zi hao didn't affect gu jin yi at all.

During the cooperation, he had investigated an zi hao, so he knew what kind of person he was and why he deserved to be friends with.

So he didn't pay much attention to it. After all, his wife was so excellent and beautiful?

The more people who liked her, the more charming his wife was. Now that this woman belonged to him, he should cherish her.

"Don't worry. I won't steal other people's wife."

an zi hao thought that gu jin yi would hate him, so he had to explain the misunderstanding clearly.

Moreover, an zi hao had fallen in love with someone else now, not Ning Xi.

"It's okay. You can't take my wife away from me."

gu jin yi was still so confident.

"Mr. Gu is Mr. Gu. By the way, Celia seems to be familiar with her."

an zi hao turned around and mentioned Celia.

"Yes, the two of them used to be together. But since you have me, it's hard to say. "

gu jin yi replied proudly.

"It turns out that she has such a good relationship with Naomi..."

an zi hao nodded in a trance, as if he had understood something.

It turned out that the reason why an zi hao asked so many questions was that he wanted to know something about Celia.

"What? Is there anything we can do for you? "

gu jin yi grinned and immediately saw through an zi hao's mind.

"It's okay. I don't need your help..."

an zi hao replied in a hurry.

"Okay, if you need any help, just say it. I will help you!"

gu jin yi could tell that an zi hao was obviously interested in Celia, but he couldn't tell her.

Then, they continued to discuss the new game designs.

.....

After the audition, ye xiao xiao went to the villa of the Gu family.

The woman succeeded in the first audition and planned to invite Ning Xi and the two babies to dinner.

Soon they arrived at gu jin yi's villa and rang the doorbell.

The two babies were playing games. Before the maid could open the door, chen chen quickly stood up and ran to open the door as soon as he heard the doorbell.

It must be mommy!

"Mommy!"

At the moment when the door was about to open, chen chen couldn't wait to shout out before he saw her.

When the door was opened, they didn't see their mommy Ning stream.

Her smiling face fell instantly.

"Aunt Celia, it's you..."

"chen chen, I miss you so much!What's up?Are you unhappy to see me? "

ye xiao xiao hugged chen chen as soon as she saw him, and asked when she saw his unhappy expression.

"No, of course I'm happy to see Aunt Celia. But I want to see my mother more..."

chen chen pouted and wondered why his mommy hadn't come back yet?

"Isn't your mommy at home?"

ye xiao xiao asked in confusion. She thought Ning Xi was at home. The reason why he called her just now was that he wanted her to accompany Ning Xi.Why is he not at home? '.

"Mommy went out this morning and hasn't come back yet."

Lowering her eyes, chen chen turned around and walked into the hall. Celia also walked in after she closed the door.

"Well, I'll call her later."

"han han, what are you doing?"

ye xiao xiao walked into the hall and saw han han staring at the TV screen with full attention, waving the remote control in her hand.

"Shh! I'm playing a game. Don't say anything.Ah!She was dying!Ah!I can't die. Ha ha... I'm back to life. I'm really powerful. "

han han was really in the game.

ye xiao xiao and chen chen sat on the sofa.

“Aunt Celia, please call Mommy.”

chen chen didn't want to do anything else at the moment. The game was not interesting to him at the moment.

He just wanted to know where his mother was now?Why haven't you come back yet?

“Okay, I'll call her.”

ye xiao xiao called Ning Xi, but no one answered.

She put down her phone and said, “she didn't answer it. Maybe she is busy now.”

chen chen was still worried.

“It doesn't matter. She will call me back later.It's lunch time now. Let me take you out to eat something delicious, okay?Your mommy will be back soon. ”

Seeing that chen chen was in a bad mood, ye xiao xiao felt sorry for him.

chen chen hesitated for a while and then nodded. What Celia said made sense. Maybe his mother would come back later.

“Yeah!! win! ”

han han jumped up from the cushion excitedly because she won this game.

“han han, we are going out to eat something delicious. Do you want to go?”

ye xiao xiao's soft voice seduced han han.

“Aunt Celia, why are you here?When did you come here? ”

Only then did han han realize that Celia was here.

Celia was stunned by her question.

ming ming talked to me just now. Don't you know I'm here?What a funny child.

chen chen was also amused by his little sister. She was so devoted to the game that she had reached a certain level.

chapter 334

“Let's go. Aunt Celia specially takes you to eat delicious food.”

ye xiao xiao smiled and reached out her hand to ask han han to come over.

In this way, the two babies followed Celia out of the door.

On the other side.

In the Ning mansion.

Susan sneaked out this morning and came back now.

She pretended to just get up.

Because she had told yan pei fen the day before yesterday that she didn't need to call her for lunch because she wanted to have a beauty sleep.

After dinner, Ning Hui and yan pei fen sat in the living room, because Ning stream came to get her grandmother's property ownership certificate today.

The two couples stared at each other and ignored each other.

yan pei fen didn't want to give the property ownership certificate to Ning Xi, and Ning Hui thought she had to give it to her this time.

It was also for his little daughter Susan. Since she wanted to go back to the Gu family, the property ownership certificate must be returned to her. Otherwise, Susan might have a hard time in the Gu family.

Ning Hui thought about it in a more comprehensive way. Since yan pei fen didn't understand him, he had no choice.

Susan, dressed in pajamas, went downstairs lazily.

"yue yue, you're up. Are you hungry? I'll ask the kitchen to cook something for you. "

As soon as yan pei fen saw Susan going downstairs, she was worried about her and worried that she would be hungry.

"No, mom. I'm not hungry. I ate too much food last night. I'm still full!"

"Then you should also eat something. Don't starve my dear daughter."

yan pei fen must go to the kitchen to cook for Susan.

"By the way, hasn't my sister come yet? Isn't she coming today? "

Susan deliberately brought up the topic about Ning stream.

ADVERTISEMENT

"Don't mention it. It was her who asked for the property ownership certificate. Now we are waiting for her. We are not forcing her to take the property ownership certificate!"

At the mention of Ning Xi, yan pei fen got angry.

Ning Hun cast a sidelong glance at yan pei fen, indicating that she had talked too much.

"What are you looking at? Am I not telling the truth?"

yan pei fen glanced at Ning Hui.

Ning radiance turned around in silence.

"Mom, don't say that. Ashley must be delayed by something on the way. Wait a minute."

Susan helped yan pei fen sit on the sofa and comforted her.

“Susan, you don’t have to put in a good word for her. Everyone knows that she did it on purpose, 80% of which is true.”

yan pei fen said nothing nice to Ning stream.

“It doesn’t matter. We’ll wait a little later.”

Susan pretended to be a good girl and sat beside yan pei fen to accompany her.

.....

Half an hour later, yan pei fen finally couldn’t stand it anymore.

“What time is it now? He hasn’t come yet! I don’t want to wait any longer!”

Taking a look at his watch, it was one o’clock. He had something to deal with in the company.

“Then give it to her next time. I’ll go to the company first.”

When he was about to leave, Susan suddenly said, “Dad, how about giving me the property ownership certificate? I’ll send it to my sister.”

Susan suggested, pretending to be kind.

“Susan, what should we give her? She can come by herself if she wants. Why should I send it to her? Who does she think she is?”

ADVERTISEMENT

yan pei fen thought that her daughter was belittling her. Susan was the apple of the Ning family’s eye. How could she let her go out to send something? And it was for the b\*\*\*\*\* Ning Xi. yan pei fen got angry at the thought of it.

“It doesn’t matter. I happen to have something to tell my sister.”

Susan said softly with a smile.

Seeing that Susan really wanted to go, yan pei fen agreed.

“Well, don’t be wronged. If that b\*\*\*\*\* bullies you, tell me!”

Susan nodded immediately.

“I’ll ask the stream to fetch it then...”

However, Ning Hui didn’t agree. He thought it was better for him to give it to Ning Xi in person. After all, it was a property ownership certificate, and it was the thing that Ning Xi cared most, not something casually.

“Why not? My dear daughter sent her the property ownership certificate in person to save her face. I don’t want my dear daughter to send it. Are you unhappy?”

yan pei fen was furious when she heard Ning Hui's unwillingness. What did he mean? Was he worried about her daughter, yue yue?

"Dad, don't worry. I will send it to my sister safely."

Susan turned on the coquettish mode, leaned over to him and said coquettishly.

"Well..."

Ning radiance was hesitating.

Because in his heart, Susan was a very obedient and sensible daughter, and he believed her. It should be no problem for her to deal with it.

"Damn it! Are you still worried about Susan?"

Before Ning Hui could reply, yan pei fen took the property ownership certificate from his hand and handed it to her daughter, Susan.

"My dear daughter, thank you for sending me back."

yan pei fen smiled at her daughter Susan.

"Well, dad and mom, don't worry. I'll go upstairs to change my clothes and then send it to my sister."

ADVERTISEMENT

Then Susan went upstairs.

When Ning Hui was about to leave, yan pei fen said angrily, "what did you mean just now? Susan wanted to give her a property ownership certificate, but you hesitated. What? Why are you so worried about her? Is that b\*\*\*\*\* so important to you now?"

"It's not that I'm worried about Susan. It's just that this property ownership certificate is very important. I'll feel better if I give it to her in person."

Ning Hui explained.

"Well, you can send it directly! What else do you want Susan to give you?"

After saying that, yan pei fen took a glance at Ning Hui, turned around and left.

Ning Hui didn't want to argue with yan pei fen at all. Then he went out directly without saying anything more.

Susan returned to her room and looked evilly at the property ownership certificate in her hand.

"Grandma's house? Why should I give you this b\*\*\*\*\*? Well, Ning Xi, you can't enjoy it anyway. Just leave the house to me."

Susan mocked herself and Nina in front of the property ownership certificate.

Then she put the property ownership certificate in the middle of the book in the cabinet.

She walked to the bedside table and picked up Ning Xi's phone. She saw three missed calls.

“The queen of Celia.”

Susan immediately realized that this person should be ye xiao xiao, her only good friend in the country, and also the person who had been helping her abroad.

When Susan came back, she had been investigating Ning stream. She wanted to fall into the abyss, so she must find out her basic information, including the people around her.

As far as Susan knew, Celia used to be an eighteen line star. Few people knew that her popularity had increased a lot this year.

Susan looked at the four words ‘Celia’s best actress’ and sneered, “it’s impossible to be a best actress. People like you can’t reach the top all your lives.”

Susan wanted to destroy these words when she saw them.

She would destroy anyone and anything that had an impact on her

chapter 335

ning xiao xi knew that Celia’s dream was to be the best actress step by step, with countless fans to help those movie potential.

Therefore, from the year she knew Celia, the note of Celia in the mobile phone of Ning stream was “the best actress of Celia”, because she believed that Celia could definitely become the best actress in the entertainment circle.

Susan turned on the phone of Ning stream and saw a lot of voice messages from Celia. Then she turned it on and listened.

“Why didn’t Naomi answer the phone? Where have you been in the early morning? chen chen and han han are waiting for you.”

“Come back early. I’ve succeeded in the first female audition today. I’ll treat you to dinner.”

“Reply me when you see the message. We are all waiting for you.”

.....

After hearing the voice, Susan sent a message to ye xiao xiao.

“I have something to deal with in the company these days. I will be on a business trip for a few days and will be back in a few days. You can wait for me at home.”

Susan quickly typed and sent it directly.

Susan gave an evil and attractive sneer. They were all waiting for her, Nina. Just wait and see, waiting for her death

He glanced at the phone screen and saw the photos of the two children.

Susan suddenly remembered that on the first day she came back, she was hit by two dead children and her clothes were dirty. Those two dead children were the two in Nina's mobile phone?

Could it be... Could it be that these two dead children belonged to Ning stream? How could she have two children at such an age? He looked like he was five or six years old. Five or six years ago, Ning Xi was only eighteen years old. How could it be possible?

Five years ago

Susan suddenly remembered that night five years ago, she had s\*\* with a strange man.

Did she get pregnant five years ago and give birth to them. Susan didn't expect that.

Susan was suddenly enlightened, which let her know another big thing.

Although she hadn't confirmed it yet, she would definitely investigate it.

ning xiao xi, you have too many secrets now in my hands. Even if you die, I will let you die ugly!

A sinister look flashed across Susan's charming eyes.

After Susan got dressed up, she called ruo huan yan. When ruo huan yan received her call, she immediately got off work and made an appointment to meet somewhere.

On the other side, Celia was having dinner with two babies,

Her phone rang.

"Aunt Celia, your phone is ringing."

"Aunt Celia, check if mommy has texted you back."

The two babies had been paying attention to Celia's phone. They said excitedly to her as soon as they heard the voice.

"Okay, okay. Don't worry. Let me have a look first."

ye xiao xiao turned on her phone. It was indeed a message from Ning Xi.

"Aunt Celia, is that information about Mommy?"

chen chen asked excitedly.

ye xiao xiao nodded.

"Did Mommy say when she will come back?"

han han was concerned about when their mommy Ning stream would come back.

"Your mommy said she had something to do outside these days and would come back in a few days. She asked me to take good care of you. So don't worry. You can live a good life with Celia these days! "

Hearing ye xiao xiao's words, the two babies were relieved.

“So can we have dinner happily now?”

ye xiao xiao was not used to the silence of the two babies, so she thought it was better to be lively.

“Of course. I want to eat this, this and that...”

ADVERTISEMENT

Seeing the happy faces of the two babies, ye xiao xiao felt relieved.

During the dinner, chen chen told ye xiao xiao the general story, so she learned something from the two little babies.

She knew that Ning Xi went to get her grandmother’s property ownership certificate this morning and then planned to leave here.

“chen chen, are you serious? Is the stream really going to leave here?”

Hearing what chen chen said, ye xiao xiao was a little angry. She didn’t tell ye xiao xiao such an important thing.

chen chen and han han nodded at the same time.

“But later she promised us not to leave. At first, Mommy didn’t allow us to tell you, nor did she tell you. She said you would be worried.”

han han’s mouth was full of food, but she still wanted to reply.

“This silly woman, I can do nothing to her. You always like to bear everything alone.”

ye xiao xiao said helplessly.

“So we have told you. But aunt Celia, you have to keep it a secret for us. We have betrayed mommy and surrendered to you!”

The two babies looked very hospitable, which made ye xiao xiao helpless. They were sure to defeat her this time.

“Don’t worry! Aunt Celia is on your side.”

ye xiao xiao smiled and winked at the two babies. The three of them were like good friends.

On the other side, Susan and Susie were sitting opposite to each other two.

“What do you think? Has it been cleaned up?”

ruo huan yan didn’t like to be sloppy. She had to get rid of all the people and things related to this matter.

Susan smiled and took a sip of coffee leisurely.

“Don’t worry. She can’t threaten us anymore.”

ADVERTISEMENT

As soon as Susan said that, Roger had already guessed the end. Ning stream was hit.

“That’s good. We finally got rid of the scourge of Ning stream.”

ruo huan yan felt that without Ning Xi, she had less threats in the company. Now no one dared to offend her.

And the person she loved most was about to get her. As long as Ning stream didn’t appear again, Ye Ling City would definitely forget her.

“God wants Ning Xi to die as soon as possible. We have no choice.”

Susan was very happy. Where should she go to have fun and celebrate today.

“Have you dealt with those men?”

If she thought it thoroughly and didn’t want to leave any trace, then the investigation would be over.

“I have my own way to deal with them. It’s not that easy to leave with my money?My money is not something that ordinary people can earn. ”

A touch of cruelty flashed across Susan’s insidious charming eyes.

“What are you going to do with the Gu family?”

ruo huan yan and Susan were going to discuss what to do next.

“You don’t have to worry about the following things. You just need to get rid of your family’s trouble.”

Susan had her own plan.

“He will be mine sooner or later.”

ruo huan yan’s bottomless swirl was full of haze.

“By the way, Roger, there’s one more thing I want to ask you.”

Susan wanted to know more about chen chen’s two children.

chapter 336

“What’s the matter?”

“Does Ning Xi have two children about five or six years old?”

Susan asked in confusion.

“Yes, how do you know?”

ruo huan yan didn’t think she had told Susan about it, because she also thought it didn’t matter. Whether she had a child or not was the same for her. It didn’t matter.

“Really?Why didn’t you mention it before? ”

Susan was a little surprised. It turned out that Nina really had two children.

“The two children seem to be adopted by her and gu jin yi. But I heard that the two children were born by gu jin yi and another woman.”

Seeing that Susan cared about it, ruo huan yan explained to her.

“Did he have a baby with another woman?”

Susan was a little surprised, but she thought it was normal for rich people like them to play outside.

Hearing ruo huan yan’s words, she suddenly realized that she had thought too much.

“Yes, but I also feel strange. She, Ning stream, could be so kind and take good care of the children of Edmund and other women. If I don’t know, I will think that the two children are her own children.”

ruo huan yan pointed out her doubts. She couldn’t figure it out.

Susan thought for a while and seemed to think of something. She mentioned what happened five years ago.

“Roger, do you remember that five years ago, on my birthday, we set up Ning stream and let a strange man sleep with her for a night?”

Susan’s words reminded Roger.

She seemed to understand something.

“You mean, the two children were not born by gu jin yi outside, but by Ning Xi five years ago, and he was pregnant and gave birth to them. And now the two children are born by Ning Xi and the man five years ago.”

ruo huan yan had never thought of this before.

Susan nodded. That was what she thought. According to her deduction and what she had seen with her own eyes, ninety percent of the two children were born by Ning Xi and a man five years ago.

With a thoughtful look on her face, ruo huan yan said, “I think it’s possible for Susan to be scolded by you. Look at Ning Xi, he has taken care of the two children better than ordinary people. If he is not my biological son, I can’t think of any other relationship.”

“Ning Xi, you are so mean. You even went to hell, but you still gave me a big gift. Ha ha...”

Susan was inexplicably happy when she thought of all the good things that had happened to Nina after her death.

“It’s unnecessary for the two little b\*\*\*\*\*s to stay here.”

ruo huan yan said casually, but Susan had already made up her mind.

At this moment, Susan was thinking about telling all the crimes of Ning stream to gu jin yi after she came back to the Gu family, so that everyone in the Gu family would hate and hate Ning stream. Naturally, she

didn't have to deal with her two little b\*\*\*\*\*s by herself. The Gu family would definitely not allow such a little b\*\*\*\*\* to stay in their family. This method of borrowing a knife to kill people was really smart, Hahaha

Susan sneered in her heart.

"I don't have to deal with those two little b\*\*\*\*\*s myself. Someone will deal with them..."

At this moment, something seemed to have occurred to her. The appearance of gu jin yi and chen chen, the little boy, suddenly appeared in her mind. Thinking of the two of them, she felt something was wrong, but she still came to her senses and did not notice.

Outside the restaurant.

"Aunt Celia, where are we going now?"

chen chen and han han held Celia's hand and shook her.

"What are you going to do next?"

ye xiao xiao looked at them one on the left and the other on the right. It was not easy to take care of the children, and there were two of them.

ning xiao xi, please come back and take them with you.

At the thought that Ning Xi would come back in a few days, ye xiao xiao had to hold back her anger and planned to rip her off when Ning Xi came back.

"We're going to eat ice cream. Aunt Celia just promised us."

han han still remembered the delicious food.

"Okay, let's go! Go to eat ice cream!"

ye xiao xiao was taking a step forward when she found chen chen standing still. She stepped back and asked, "chen chen, what's wrong?"

han han followed her brother's gaze to the dining room.

"Auntie!"

han han cried out in surprise. Susan was dressed in the same style as she was today, but she didn't dress like Ning stream, so han han recognized her at a glance.

Hearing what han han said, ye xiao xiao also looked at the dining room.

Celia saw a woman who looked like Ning stream sitting there. She knew that she was her twin sister, Susan. Ning stream had told her that she had come back from abroad, but she didn't expect to see her here.

There was another woman on the other side. Wasn't that woman who just came to the stream company a few days ago? It was said that he entered the VL company through some connections.

How could they know each other? It was strange.

But ye xiao xiao didn't think too much.

ye xiao xiao was confused when she saw these two women who made her unhappy.

"That's not auntie, it's a bad woman."

chen chen turned around to correct han han's words, and his eyes were full of disgust when he looked at Susan.

"Yes, it's a bad woman, not an aunt."

han han agreed in a childish voice.

"Let's go. We don't want to see them."

ye xiao xiao and the two babies hated them, so she didn't think it was necessary to watch them all the time.

"Okay."

"Okay."

The two babies said in unison. One of them took Celia's hand and walked straight to the door.

Not long after they left, Susan inadvertently glanced at them.

Looking at their backs, he frowned and seemed to see three familiar figures.

Aren't they the two little b\*\*\*\*\*s of Ning stream? How could it be here? And who was the woman with them?

Susan's mind suddenly swept across Celia's figure and she knew it must be her.

ye xiao xiao, it seems that your existence is also a mistake

"Susan, what are you looking at?"

ruo huan yan turned around and looked in the direction that Susan was looking at. There was no one there? What was she looking at?

ruo huan yan was confused.

"Nothing. I just saw a friend. Maybe I was wrong."

Susan came to herself and answered casually.

.....

chapter 337

ye xiao xiao had been playing with the two babies for the whole afternoon. She couldn't walk anymore. It was already half past five in the afternoon. She planned to take them back.

"chen chen and han han, you can go back with Celia tonight and live in my house."

ye xiao xiao suggested. She really wanted the two babies to accompany her. They hadn't slept together for a long time.

"Well... Daddy will miss us. We need to go back. "

"Yes, daddy asked us to go home and sleep. We can't go out at night. We have to go home."

The two babies' words made Celia nod helplessly. "Okay, okay. You have daddy's children now. Both of you don't want me anymore."

It seemed that the two babies were living a happy life with gu jin yi. Otherwise, they wouldn't always mention him.

ye xiao xiao felt much relieved. She had promised Ning Xi that she would take good care of chen chen and han han. She couldn't let them have a bad time here these days.

"chen chen still loves aunt Celia very much."

"han han still loves aunt Celia very much."

The two babies smiled at Celia at the same time.

Her heart was melted by the two little babies.

How could anyone not like them with such a sweet mouth?

And the feelings of the two babies for ye xiao xiao were not ordinary people could compare. Besides their mother, Ning stream, she was the woman that the two babies loved most.

"Come on, let me drive you home first."

ye xiao xiao stretched out her hand and asked the two babies to come to her side.

"Okay!"

"Okay!"

The two babies jumped to ye xiao xiao's side.

ye xiao xiao was standing by the road and taking a taxi. It was time to get off work, so it was difficult to get a taxi.

Suddenly, a white Benz off-road vehicle came from not far away and stopped in front of Celia.

ye xiao xiao took a step back subconsciously and looked at the person in the car.

"Why are you here? Why are you here? "

ye xiao xiao took a look and found it was an zi hao.

“I’m here to pick you up.”

an zi hao put on a seductive smile.

The two babies stared at the scene in front of them with their big round eyes, and there was a little evil smile on their childish faces.

“Hello, uncle an!”

“Hello, uncle an!”

The two babies greeted an zi hao pa\*\*ionately as soon as they saw him.

“Master!han han!Are you here too?”

an zi hao didn’t notice the two babies just now. He only saw Celia.

At this moment, ye xiao xiao was stunned by the way zi hao addressed her.

master worker?Who was his master?Where is she?

ye xiao xiao turned around and looked around four times.

At this moment, han han got angry because of an zi hao’s words. She looked at an zi hao with her mouth du du.

“Uncle an, can you only see Aunt Celia?Can’t you see the beautiful and elegant han han in front of you? Humph!”

han han pouted and crossed her arms over her chest.

“han han, you don’t know that. Uncle an is in a pa\*\*ionate love period now. Beauty is in the eyes of the beholder, you know?”

With his hands in his pockets, chen chen looked arrogant. He glanced at an zi hao and ye xiao xiao, and finally looked at han han, explaining to her.

Celia was stunned by chen chen’s words. Judging from the way he looked at her just now, she could tell that he was up to something.

What is the love period? Nothing happened between ming ming and zi hao?

However, it didn’t seem that she was particularly unhappy with what chen chen said. Instead, she felt a little happy.

“You can get in the car first.”

an zi hao got out of the car and walked to ye xiao xiao and the two babies.

“No, we can take a taxi.”

At this moment, the two babies ran faster than anyone else and went straight to zi hao's car.

Before ye xiao xiao could react, the two babies had already got in the car.

"chen chen, han han, you..."

ye xiao xiao turned to look at chen chen and han han?

"They are already in the car."

an zi hao knew that ye xiao xiao was looking for the two babies, so he answered.

ye xiao xiao looked into the car and saw two babies seducing her.

"Aunt Celia, get in the car. We're going home!"

ye xiao xiao felt helpless. She hadn't promised an zi hao to drive them home yet. The two babies were so fast that it was too late to stop them.

"Please."

an zi hao opened the door for ye xiao xiao and she got in the car helplessly.

In fact, she was willing to do so.

In the car.

"How do you know we are here?"

ye xiao xiao looked straight ahead and asked calmly.

"Of course I know when I want to know where you are."

an zi hao replied with a smile.

ye xiao xiao rolled her eyes.

"By the way, master, when can I ask for your teachings?"

an zi hao looked at the rearview mirror and asked chen chen.

"Well, let's wait until I'm free."

chen chen answered after thinking for a while.

"Well, remember to sigh, or I will always be bothered by you."

ye xiao xiao saw their conversation and finally realized that zi hao's teacher was chen chen.

"When did chen chen become your master?"

Celia was stunned.

"Well, it's a long story. I'll talk to you in detail when I have the chance."

Obviously, an zi hao wanted to find an opportunity to be with Celia. Even the two babies could see that. The two babies were sitting in the back row and laughing.

“chen chen, tell me.”

Seeing that an zi hao didn't work, ye xiao xiao turned to look at chen chen, who was sitting at the back seat.

Her eyes twinkled, and she asked chen chen to tell her the truth.

chen chen, on the other hand, gave her a cunning look and shrugged, indicating that he didn't know.

At this moment, chen chen and zi hao cooperated well with each other. ye xiao xiao wanted to beat him up.

“Aunt Celia, uncle an is willing to talk to you in detail. Just wait for him.”

han han said with a mischievous smile. Celia finally understood the feelings of Ning stream.

At that time, Ning Xi told her that the two babies were on the side of the outsiders. Now it seemed that it was true.

.....

chapter 338

Soon, they arrived at the villa of the Gu family.

The two babies got out of the car happily. Celia and an zi hao also got out of the car.

“chen chen and han han, are you sure you won't go back to live with Celia?Your mommy will be back in a few days.”

ye xiao xiao squatted down and was still worried about the two babies. She was afraid that no one would accompany them at home.

chen chen and han han nodded, indicating that they would live in their own house.

“Aunt Celia, don't worry. Daddy and sister are at home when Mommy is not at home!And we can go to see you when we miss you.”

“Yes, yes, you can teach me to play games at home, ha ha...”

ye xiao xiao was relieved to see that the two babies were so relaxed.

“Okay, I'll walk you in.”

Then, Celia sent the two babies in.

Not long after gu jin yi came back from the company, he heard the footsteps of ye xiao xiao and the two babies entering the door.

“Daddy!”

“Daddy!”

As soon as the two babies saw their father, gu jin yi, they ran towards him with bright eyes and held him tightly.

“What do you think? Did you have a good time?”

gu jin yi didn't see chen chen and han han when he came back. He didn't worry about them because he knew that ye xiao xiao and Ning stream went out with two little babies.

“Yes!”

“Yes! But it will be happier if daddy is with you!”

The two babies smiled innocently and brightly.

“Can I take you abroad tomorrow?”

gu jin yi had already arranged his schedule and decided to go out for a walk with Ning Xi and the two children tomorrow, so that the family of four could have a good trip.

“Really? Daddy, are you serious?”

ADVERTISEMENT

“Great! Long live Daddy! I'm so happy!”

When the two babies heard that they were going to travel abroad, they were very excited.

Then, he looked at ye xiao xiao, but didn't see Ning Xi.

“Where is the stream? Didn't she come back with you?”

Hearing this, the two babies suddenly became depressed.

Only then did she realize that their mommy, Ning stream, was not there. It was impossible for the four of them to go out tomorrow.

“Naomi is on a business trip for a few days. Didn't she tell you?”

ye xiao xiao didn't open her mouth until now. She didn't want to disturb the three of them when she saw the warm and happy scene.

They didn't believe what Ning Xi said was true even if they didn't see it with their own eyes. gu jin yi's attitude towards the two babies had indeed become particularly gentle.

gu jin yi was confused. Business trip? I've never heard Ning Xi mention it!

“Mommy went out early in the morning. She said she would be back in a few days.”

Said chen chen, pouting.

“Mr. Gu, I have sent chen chen and han han back. I have to go now. Goodbye, chen chen and han han! If you want to go to Celia’s house, call me.”

ye xiao xiao sent the two babies home safely. When she was about to leave, he asked, “can you show me the information of the stream?”

ye xiao xiao handed the phone to gu jin yi without hesitation, “here you are.”

gu jin yi took the phone from ye xiao xiao and stared at the message from Ning stream with his deep and sharp eyes.

After a while, Celia left the Gu family. As soon as she went out, she found that zi hao was still waiting for her outside.

“Why are you still here?”

ye xiao xiao walked slowly to zi hao. She thought he had left, but she didn’t expect that he was still waiting for her outside.

“I’m waiting for you.”

“Let’s go.”

In this way, the two of them left together.

In the car.

“Just send me to the previous intersection. Thank you.”

After saying that, ye xiao xiao took out her phone.

“I didn’t say that I would drive you home.”

an zi hao teased.

ye xiao xiao turned to glance at zi hao, “where are you going?”

“You’ll know when we get there.”

an zi hao didn’t speak it out directly. His smile made ye xiao xiao guess in her heart.

In the villa of Gu family.

As soon as ye xiao xiao left, he took out his phone and dialed Ning Xi’s number.

“Sorry, the number you dialed cannot be connected for the time being...”

“Sorry, the number you dialed is powered off...”

gu jin yi called several times, but no one answered.

“Daddy, is Mommy on the phone?”

The two babies were waiting for their mommy to hear the sound of Ning stream.

“chen chen han han, has Mommy told you that she will go out for a few days?”

han han shook her head hard, “no, I didn’t see Mommy this morning when I got up.”

“Why didn’t Mommy mention it before she left this morning? She must have something to deal with today...”

chen chen was lost in thought. Didn’t Mommy say that she would come back after going out for a while this morning? He didn’t hear that she would go out for a few days, and she didn’t seem to take her luggage

Now chen chen also remembered the state when Ning stream went out this morning.

ADVERTISEMENT

Noticing the expression on chen chen’s face, he asked softly, “chen chen, did Mommy say anything to you before she left?”

“Mommy didn’t say that she would be on a business trip for a few days.”

chen chen answered honestly, but he didn’t expect Ning Xi to tell them that she was leaving.

gu jin yi stopped asking and dialed his assistant xu chen’s number.

“Go and check Mrs. Gu’s schedule these days.”

“Okay.”

He hung up the phone with a simple sentence.

gu jin yi recalled the message from Ning Xi on Celia’s phone and felt something was wrong.

She didn’t tell herself, nor did she tell chen chen and han han. More importantly, she didn’t mention chen chen and han han in her message.

According to gu jin yi’s understanding of Ning stream, if Ning stream went far, she would tell the two children as soon as possible. Last time, she would go out for a whole day, and she had promised the two children in advance, but this time she didn’t.

Only then did gu jin yi realize that something was wrong with Ning Xi last night.

On the other side, in the Ning mansion.

Susan and her family three were having dinner at the table.

“Dad, I have given the property ownership certificate to my sister.”

In fact, Susan went out to meet with Susie. When she returned home, she pretended to give her grandma’s property ownership certificate to Ning Xi.

“Okay.”

“When will she leave?”

Ning Hui and yan pei fen said at the same time.

He was relieved to know that the property ownership certificate had been handed over to Ning stream.

yan pei fen was just worried about when Ning Xi would leave, hoping that she could leave as soon as possible.

chapter 339

“My sister just said that she would leave tonight. I want her to leave a few days later, so that we can let her go home and have a get-together.”

Susan’s pitiful look made yan pei fen shout abuse excitedly.

“What are you going to do!She is not welcome in our family!Susan, you are too kind.But the b\*\*\*\*\* knows he will leave tonight.”

Ning Hui ate with an expressionless face. He squinted at yan pei fen subconsciously, and then said, “I’m finished. I’m going upstairs.”

Then he turned around and walked upstairs.

Now that she couldn’t stay with yan pei fen any longer, she couldn’t stop talking.

yan pei fen could tell that Ning Hui didn’t care about her and her daughter at all. Besides, Ning Hui was in her way, so she didn’t want to talk to him.

“Dad, why don’t you eat so much?”

Susan pretended to ask with concern.

“Susan, let’s eat more. Don’t worry about your father. He is just like that. Let him be!”

yan pei fen tried her best to put food into Susan’s bowl.

“Thank you, mom. You should also eat more.”

Susan was still obedient.

“By the way, mom, why didn’t you mention that I had a baby?”

Susan wanted to know more about the two children of Ning stream from yan pei fen.

yan pei fen suddenly stopped eating and looked up at Susan, “what child?”

“Don’t you know that I have two children of five or six years old?”

Susan told yan pei fen the truth.

“When did it happen?I don’t know at all.”

yan pei fen was surprised that she didn’t know it at all.

Susan gave up the idea of inquiring about something from yan pei fen. It seemed that even she didn't know that Ning stream had two children, let alone other things.

ADVERTISEMENT

"I just knew it recently. I thought you knew it."

Susan answered casually as she ate slowly.

"How could she have two children of five or six years old? You've just married into the Gu family."

yan pei fen didn't understand, nor did she expect that.

At this time, Susan thought of how to slander her.

Susan wouldn't let go of any chance that might hurt her.

"Mom, do you still remember that five years ago, on my birthday with my sister, she..."

Susan pretended to be shy and couldn't bear to say it out, but yan pei fen had already thought of it.

"It was the child of that man five years ago!"

yan pei fen seemed to know something important, excited and ironic.

"Mom, keep your voice down. I just guessed that. In fact, I'm not sure."

"Not necessarily. The child is five or six years old. If it wasn't the man five years ago, who else could it be? It was obvious here. By the way, Susan, have you seen her two children?"

Susan curled her lips and a touch of cruelty flashed across her eyes.

"Mom, I asked you because I saw it with my own eyes. Forget it. We don't care about it anymore. I want to tell you something about going back to the Gu family. You and father must cooperate well. Once the secret is exposed, our whole Ning family will be destroyed."

Susan began to arrange the following things, and her mother, yan pei fen, listened.

.....

Half an hour passed.

"Mom, don't forget to tell Dad about it, in case you two find out."

"Don't worry. It's related to my baby daughter's happiness. Your father and I will definitely cooperate with you."

yan pei fen replied with assurance.

ADVERTISEMENT

"Okay, that's it. I'll go to the Gu family tomorrow. Find a suitable opportunity to tell the Gu family that I am the real Susan."

On the other side.

an zi hao and ye xiao xiao arrived at a fancy restaurant.

“What’s this?”

ye xiao xiao looked at the scene in front of her and asked.

“Let’s go inside.”

an zi hao walked to the side of Celia. He walked inside consciously, and Celia followed him unconsciously.

As soon as they entered the restaurant, they saw the atmosphere, style and decoration.

ye xiao xiao seemed to know what would happen next.

As an actress, she naturally thought of the TV plot. The hero must confess his love to the heroine next.

“Come and sit here.”

an zi hao had prepared a seat for ye xiao xiao and asked her to sit down subconsciously.

Then the two of them sat down. Celia looked at the dining room and was more sure what would happen next.

But she still wanted to ask, “Why are there only two of us?”

“Because I booked the whole restaurant.”

an zi hao raised his eyebrows and answered without hesitation.

ye xiao xiao pursed her lips and murmured, “well, rich people are different.”

“I’m just kidding. Maybe at this time, no one is around. Because of your title as a star, I have to invite you to a place with very few people. Otherwise, you won’t go to a place with many people, will you?”

an zi hao said on purpose because he was worried that Celia would be under psychological pressure.

“Oh, I see. You are quite considerate.”

ADVERTISEMENT

ye xiao xiao raised her eyebrows and nodded as if she had realized something.

Indeed, if there were too many people, they might be ‘watched’.

“Of course. I have to choose a good place to have dinner with you.”

ye xiao xiao felt a little relieved. It turned out that he didn’t arrange this scene on purpose. She just met it. She must have thought too much.

If he, an zi hao, really confessed his love here, she, Celia, hadn’t thought of anything to respond to him.

an zi hao snapped his fingers and realized that the waiter was serving.

Soon, all the dishes were served.

Just as they were about to have dinner, the music began. A waiter pushed a cart and came over.

ye xiao xiao was stunned for a while. It was just a dinner. Why was it so grand?

“Sir, the dishes are ready. Enjoy yourselves.”

The waiter put the egg tarts and a bunch of roses on the table.

Looking at the big egg tart in front of her, ye xiao xiao was dumbfounded. How could there be such a big egg tart?

In TV dramas, people usually came to propose with cakes. He had a big egg tart, which was creative.

But it didn't matter. Celia liked it!

ye xiao xiao was staring at the big egg tart in front of her, thinking it was very unique.

“Celia, why don't you try this egg tart first? It's a hot new product launched by their shop. It should be delicious.”

an zi hao led Celia to eat the egg tarts, and she was looking at it.

ye xiao xiao nodded and cut the egg tart with a knife.

Slowly, a layer of skin on the egg tart was cut, and gradually, a crystal blue box appeared.

chapter 340

“Eh?There is something in it! ”

ye xiao xiao thought it was just something to eat, so she didn't think about other scenes.

“What?”

an zi hao pretended to know nothing and said blankly.

“It doesn't seem to be food. It's true!”

ye xiao xiao inserted the knife into the box. Feeling that it was not soft, she picked it up with her hand. When she saw it, her eyes lit up.

She looked at the box curiously.

“Open it and see what it is.”

an zi hao was guiding Celia step by step.

Then, Celia opened the blue box.

A delicate and elegant necklace appeared in front of Celia.

She was stunned and kept her eyes on the necklace.

“Let me help you put it on.”

an zi hao always noticed that every time he met ye xiao xiao, she would wear a necklace around her neck. So he decided to give her something she liked.

an zi hao walked to ye xiao xiao and picked up the necklace. When he was about to put it on her, she suddenly turned to an zi hao.

“What are you doing?”

“Celia, be my girlfriend.”

All of a sudden, an zi hao walked up to Celia and held the necklace box on one knee.

“I... you...”

Celia had thought of this scene the moment she entered the restaurant, but she didn't know what to do.

Besides, her career was on the rise, and she didn't want to be influenced by love.

There was a rule in their company that they couldn't fall in love or spread any gossip during the contract signing.

“Sorry, I can't promise you.”

ye xiao xiao refused directly. Then she stood up and ran out of the restaurant.

“Celia...”

Before an zi hao could persuade her to stay, Celia had already taken a taxi and left.

an zi hao stared at the necklace in his hand

On the other side, in the villa of Gu family.

After dinner, gu jin yi was reading with the two babies.

But she kept thinking about Ning Xi.

At this time, the phone rang. It was Darren.

gu jin yi walked aside and answered the phone, “how is it going?Have you found out where Mrs. Mu is now? ”

“Mr. mu, Mrs. Mu's IP address is abroad now. We can't find her information and location at home.”

xu chen told gu jin yi the truth.

“Abroad?Are you sure? ”

gu jin yi was confused. Why did Ning Xi's IP address appear abroad?

“Yes!”

Jacob answered without hesitation, even when it was off duty.

“Okay, I see. We’ll talk about it tomorrow in the company. ”

gu jin yi put down the phone slowly, staring out of the window with his deep and black eyes, with a cold and ruthless expression between his eyebrows.

All signs showed that something had happened to Ning stream. When he saw the message from Ning stream to Celia, he began to suspect.

At this moment, chen chen heard the conversation between his father, gu jin yi and the other party.

He staggered to gu jin yi’s side.

“Daddy, is there any news about Mommy? I called Mommy several times just now, but her phone was turned off. ”

chen chen looked up at gu jin yi and asked in a sweet voice.

She seemed to be looking forward to their conversation.

“chen chen, Mommy is fine. Don’t worry.”

gu jin yi squatted down and smiled gently at chen chen.

Even if gu jin yi felt something wrong, he would consider the feelings of the two babies in case they would worry.

“Really? Daddy, don’t lie to me. ”

ADVERTISEMENT

In fact, chen chen had just vaguely heard what gu jin yi said, but he was not sure.

chen chen was good at gauging people’s mind. He could even notice that there was something wrong with Edmund’s expression.

gu jin yi nodded, “how could daddy lie to chen chen? You and han han are both daddy’s treasures. ”

gu jin yi took chen chen back to the sofa in the living room.

“han han, do you want to sleep?”

gu jin yi asked when he saw the sleepy look of han han.

“No! No, I’m in good spirit! You don’t want to sleep at all? ”

As soon as gu jin yi’s voice came, the sleepy han han immediately raised her head to remind herself and answered gu jin yi’s question. It meant that she didn’t want to sleep.

He was so drunk that his eyes were rolling.

“han han, your dark circles have come out. Go to bed.”

At this time, as soon as chen chen said this, han han couldn’t wait to run to the mirror and look at herself from left to right.

“Ahhh! There are dark circles under your eyes! ”

Noticing that she indeed had dark circles under her eyes, han han ran back from the mirror.

“Daddy, actually I want to sleep.”

An innocent and bright smile appeared on han han’s little face, indicating that she should go to bed now.

chen chen chuckled, covering his mouth with his hand.

han han threw herself into gu jin yi’s arms.

“Okay, I’ll sleep with you tonight.”

In the bedroom.

The two babies were both clinging to gu jin yi.

han han fell asleep in a few minutes.

“chen chen, are you still awake?”

gu jin yi noticed that chen chen was still awake.

“Daddy, it’s so good to have you by our side.”

chen chen crawled into gu jin yi’s arms. He had been thinking about the present life for a long time.

ADVERTISEMENT

“Daddy will always be with you until you grow up.”

gu jin yi caressed chen chen’s head and looked at him gently.

“Yes, I trust daddy.”

“Is it time for chen chen to go to bed?”

Since it was late, gu jin yi wanted chen chen to go to bed.

“I’m going to sleep. Daddy is sleeping too. Good night, daddy.”

After saying that, chen chen closed his eyes. chen chen fell asleep soon because he felt safe.

The night was always so long. Without Ning Xi at home, he couldn’t fall asleep

The second morning.

After sending the two babies to the kindergarten, gu jin yi went straight to the company.

In the CEO Office of Empire group.

Jacob stood straight in front of the desk and reported the matter with his eyes down wei wei.

“Mr. Gu, Mrs. Gu didn’t go to VL company yesterday morning, and the company didn’t arrange her to go on a business trip.”

Darren once again investigated the whereabouts of Ning stream yesterday.

A touch of coldness and cruelty flashed through gu jin yi's deep and sharp eyes.

She didn't go to the company yesterday. Why did she tell Celia that she was wrong?

"Mr. Lucian, this is the picture of the surveillance camera near Mrs. Amelia went out yesterday morning. But since she got off the bus, all the surveillance cameras have been damaged."

Jacob walked forward and handed over the photo.

gu jin yi picked up the photo and stared at it. Suddenly, he frowned and seemed to see something at a glance.

This was the way to the Ning family.

"xu chen, get the car ready!"

"Yes, sir!"

gu jin yi wouldn't let go of any clue. He should be able to know everything in the Ning family.
