chapter 341

On the other side, in the Ning mansion.

Susan was dressing up like Ning stream in her room.

Ning Xi's character, dressing style, and even her voice was the same as Ning Xi's.

Susan knew everything about Nina. Her life would begin today.

Susan cleaned up, stood up and faced the mirror. "Susan, from now on, you are Ning stream. Ning stream. Remember, you are Ning stream..."

Soon, Jacob and gu jin yi arrived at the Ning mansion.

"Mr. Gu, you are here. I am going to inform Mrs. Gu."

As soon as the servant saw gu jin yi, she wanted to inform him first, because yan pei fen had told them to do so before.

"No need to inform."

Before the servant could notice, Jacob had already driven into the Ning mansion.

As soon as gu jin yi entered the room, yan pei fen, who was sitting leisurely on the sofa, immediately stood up.

The awe inspiring and supreme aura of gu jin yi made people nervous and scared.

"Mr... Mr. Gu, what brings you here?"

gu jin yi went straight to the sofa and sat down elegantly with his long legs crossed.

"As a son-in-law, isn't it normal for you to visit your parents in law?"

gu jin yi opened his thin lips, with a sharp light in his eyes.

"It's very normal. I mean that you didn't entertain you well when you suddenly came here."

yan pei fen didn't know why she was so nervous in front of gu jin yi, as if she had done something wrong.

"Why don't you ask why Naomi didn't come with me today?"

gu jin yi asked tentatively.

"Naomi must be very busy these days. So I don't have time to come here. "

If she was free, why didn't Ning Xi take the property ownership certificate back yesterday morning? He even asked her dear daughter Susan to send it to him in person.

yan pei fen quickly regained her composure and answered impatiently.

“Are you sure that the stream didn’t go back to the Ning family?”

gu jin yi sneered and then looked at yan pei fen with sharp eyes.

“She really didn’t come back. What do you mean by that?”

yan pei fen answered confidently.

Yesterday morning, she and Ning Hui waited for Ning Xi here for the whole morning, but he didn’t come. At that time, yan pei fen was very angry.

gu jin yi thought Ning Xi’s disappearance had something to do with the Ning family, while yan pei fen looked confused. She did not see Ning Xi yesterday morning.

“xu chen.”

gu jin yi said calmly.

Then, Jacob directly handed the photo to yan pei fen.

“It can prove that the stream has returned here, right?”

yan pei fen held the photo and stared at it. She was not a fool. She could see that this was the direction to the Ning family.

And she could only go back to the Ning family in this direction.

It seemed that Ning Xi did come back yesterday morning, but he didn’t see her yesterday. What happened?

yan pei fen stared at the photo in her hand, confused.

“Mother-in-law, aren’t you going to let the stream come out to see me?”

gu jin yi said calmly.

“I...”

“Mommy!”

When yan pei fen didn’t know how to answer gu jin yi, Susan walked downstairs slowly.

“Stream!”

As soon as he saw the woman on the stairs, he stood up subconsciously.

At the same time, Susan was also attracted by gu jin yi’s charming face when gu jin yi looked back at her.

She suddenly regretted why she didn’t marry him.

gu jin yi in the photo was so different from him. He didn’t look like a person at all.

But when Susan saw gu jin yi, she felt something was wrong. She seemed to have seen his face with her own eyes, but she couldn't remember where she had seen it.

"Susan..."

yan pei fen walked forward and looked at Susan's dress. They looked like each other so much! She couldn't even recognize her. If she hadn't seen Susan dressed like Ning stream last time, she would have mistaken her for someone else.

Susan went downstairs, winked at her mother, yan pei fen, and then quickly withdrew her gaze.

She asked her to keep quiet. If she were Ning Xi, she would be cold. If she was too enthusiastic at this time, she was afraid that gu jin yi would find out the flaw.

gu jin yi walked up to Susan and held her hands.

"Why are you here?"

Susan asked softly to gu jin yi.

"Why is there no news about you coming back? Do you know I'm worried about you?"

As soon as he saw Nina, he was a little excited, fearing that something bad would happen to her, so his tone was naturally a little stiff.

"I know. I just want to go home and stay for a few days..."

Just when Susan was about to explain, gu jin yi hugged Ning Xi.

"It doesn't matter, as long as you are fine."

yan pei fen looked at the scene in front of her expressionlessly. It seemed that he really treated Susan as Ning stream.

"Let's go home."

As long as gu jin yi saw Ning Xi, he didn't want to stay here any longer. He supported Ning Xi and went out.

After gu jin yi and others went out, yan pei fen was still in a daze

Susan, it's all up to you. I hope God bless me that he won't discover your identity.

In the car.

"Are you okay? Let me have a good look."

As soon as gu jin yi got in the car, he looked up and down at the woman in front of him, fearing that something might happen to Ning Xi.

Susan was afraid that gu jin yi would find out something, so she changed the topic.

"I'm fine. Don't look at me like that."

“Naomi, why can’t you get through to me?The IP address is still displayed abroad. ”

gu jin yi suddenly thought of this and asked in confusion.

“My head hurts. I want to sleep.”

Another headache came. Susan wanted to avoid it, so she used this excuse to answer gu jin yi.

“Does it hurt?xu chen, go to the hospital! ”

Jean was afraid that something bad would happen to Ning stream. As soon as she felt uncomfortable, she thought of sending her to the hospital.

“No, No. I’ll just sleep for a while.”

Susan refused at once and leaned on gu jin yi’s shoulder with her eyes closed.

“Naomi, if you feel uncomfortable, you have to go to the hospital. I don’t allow anything to happen to you.”

gu jin yi said to Susan in a doting and gentle tone.

“Don’t worry. It’s okay. I just want to sleep for a while. I’ll be fine when I wake up.”

Susan insisted, so gu jin yi agreed.

Susan was worried that gu jin yi would insist on sending her to the hospital. If that was the case, it would be troublesome, so she kept refusing.

“Okay, have a rest. I’ll call you when we get home.”

gu jin yi held Susan and gently stroked her hair on her forehead.

Suddenly, he stopped what he was doing. A strong perfume came to his nose. He frowned.

When did the stream use another kind of perfume?And it was a little pungent to use such a strong perfume.

When gu jin yi was confused, he noticed that there were four holes in Susan’s ear.

gu jin yi frowned slightly. He recalled that he had given Ning stream a pair of earrings before, but Ning stream didn’t have an ear hole. She said she was afraid of pain, so she didn’t have an ear hole.

Then he looked at the woman in his arms and found that there were four holes in her ears. When did the stream hit her ears?And there were four of them.

gu jin yi stared at the woman in his arms with a puzzled look.

chapter 342

On the other side, in the night scene film company.

As soon as ye xiao xiao arrived at the company, she received a bunch of roses, with a card in it, which said, "it's for the beautiful ye xiao jie."

The anonymous card made ye xiao xiao confused for a while, but she suddenly thought of someone.

It was already ten o'clock. They had to discuss the following story today. ye xiao xiao put down the bouquet and walked to the meeting room.

In the meeting room.

.....

"Celia, Ling City, you are the leading actor and actress of this play now. You have to perform well, which is related to the future development of us and our company. The biggest investment company behind this play is the Empire group. Think about it, if the audience rating of this play is high, your salary will naturally double in the future."

The person in charge said aggressively.

ye xiao xiao listened carefully. She also took a fancy to this opportunity, and it was a performance with the superstar, the Ye Ling City. She must seize the opportunity.

On the other hand, Richie didn't seem to care about it at all. It was an investment from the Empire group, so he had no interest in it. After all, his family had invested in the project. He was not lack of money or salary.

Everyone present was also trying to prepare for this play, because the biggest investment company behind this play was the Empire group, the biggest listed group in the country, and the leader of various industries.

With the support of the Empire group, their play would not be popular anymore.

Of course, the career of the actress in this play had risen greatly.

"Celia, your chance is here. Seize it. Maybe you can be the winner of the best new employee award this year."

The director's words made ye xiao xiao more passionate. "zhang zong, don't worry. I will perform the play perfectly this time."

The woman sitting opposite Celia had a long face. She was not interested in the play at all and didn't want it to be popular. She was the most popular actress in the film company.

Originally, she was the leading actress of this play. For some reason, the audition later made her the leading actress, and she, Celia, the heroine of this play too.

So she was very angry and didn't watch the play at all.

After the meeting, Celia walked out of the meeting room with a smile.

"ye xiao xiao, how did you get the female lead?"

ye xiao xiao was unhappy to hear this. "Miss an, please be respectful. This is the audition for all Well, the leading actress depends on her own ability."

ye xiao xiao replied confidently. "What do you mean? You mean I'm not as capable as you, an eighteen line star?"

"I didn't say that. You said it yourself."

ye xiao xiao smiled at Ca\*\*andra and then left. She didn't want to talk to her anymore. She just wanted to be herself.

Staring at the receding figure of Celia, Ca\*\*andra thought, 'humph, the leading actress will always be mine!! You are just an eighteen line star?'

When they returned to the studio, Celia and Richie had to work on the script, so they had to stay together often these days.

"Mr. Tim, it's my honor to be your partner this time."

ye xiao xiao reached out her hand with a smile, indicating that they would be partners in the future. She needed more care and help.

With a listless look on his face, he didn't have time to talk to ye xiao xiao and kept looking at his phone.

"Mr. Tim, I don't think it's a good idea for you to do this to me. After all, it's your partner."

All of a sudden, Richie stopped what he was doing. Thinking that Celia was a friend of Ning stream, he should be nice to her. Otherwise, it would be bad if she spoke ill of him in front of Ning stream.

"Since you are my partner, just tell me if you need any help in the future."

All of a sudden, he became active, as if everything was on him.

"Okay, I'll take care of you in the future. Let's work on the script first."

"But I have a question to ask you."

ADVERTISEMENT

It suddenly occurred to him that he hadn't contacted her since he went shopping with Ning stream last time. He wanted to know how she was doing recently.

He also wanted to know why she suddenly changed into another person.

"What? Tell me."

ye xiao xiao liked to be frank.

"You and Naomi are good friends. Have you noticed that she has changed a little recently?"

He was looking forward to hearing something from Celia, so that he could think that he had thought too much.

“My daughter, Naomi, has always been a good girl. Where has she changed? I think so. Why did you say that?”

ye xiao xiao didn't notice any change.

In fact, it was just that she didn't get close to the so-called Ning stream.

“Nothing. Maybe I was thinking too much.”

Since then, he began to reflect that he had misunderstood Ning stream because he had thought too much recently.

.....

On the other side, they arrived at the villa of the Gu family.

“Naomi, we are home.”

Susan pretended to be asleep, but she didn't respond.

“Mr. mu, it seems that Mrs. Mu is asleep. What can I do for you?”

Seeing that Susan had been leaning in gu jin yi's arms and made him unable to move, Darren asked.

He shook his head and asked Jacob to keep silent and let her have a good sleep.

gu jin yi gently carried Susan out of the car and walked straight into the gate of the Gu family.

He carried Susan upstairs and entered the room for her to lie on the bed.

After tucking Susan in, gu jin yi left the room.

Not long after gu jin yi left, Susan quietly got up from the bed.

She walked to the door carefully and didn't relax until she found that gu jin yi had left.

“It's good that he's gone...”

Susan was taking a deep breath. She hadn't completely melted into the role of Ning stream.

“Mrs. Carla, you are back.”

Suddenly, an amiable voice came from behind Susan, which startled her. “Who are you! There was no sound at all! Do you think you can take the responsibility for frightening me?”

Susan was so scared that she couldn't control her emotions.

“Madam, I'm sorry. I thought you were sleeping, so I didn't make any sound. I'm really sorry to scare you.”

wang a yi lowered her head and apologized as if she had done something wrong.

Susan glared at wang a yi, ignored her, walked into the room and slammed the door.

wang a yi didn't raise her head until Susan entered the room.

She looked at the door in confusion and confusion. "What's wrong with Mrs. Huo today? I've never seen her get angry before. It doesn't look like her anymore."

wang a yi shook her head helplessly and went downstairs.

chapter 343

Susan returned to her room, glanced around the room, walked to the side and picked up the furnishings on the table. With a slight smile at the corners of her mouth, she said proudly, "from now on, this is my room! Everything here belongs to me, Susan. Hahaha..."

Susan lay down on the bed, closed her eyes and enjoyed everything.

After a while, Susan wandered around upstairs to see how big the villa was.

She walked to the door of gu jin yi's study. Seeing that the door was open, Susan walked in subconsciously.

The whole study was even larger than her bedroom. She walked to the desk and picked up some gadgets to have a look.

All of a sudden, she saw a photo frame on the desk. Susan picked it up and saw it was Ning stream.

Flames of fury rose in his eyes and smashed the photo frame into the trash can.

Then she turned around and went back to the bedroom.

Susan looked around and found that everything around her seemed to be tainted with the smell of Ning stream. She wanted to change all the layout and furnishings here. She would destroy everything that she had used!

At this time, her phone rang and Susan answered it.

"What do you think? Have you dealt with the two?"

Susan asked coldly.

"da xiao jie, don't worry. I have handled the two of them. When will you remit the money to me?"

The man only cared when his money would be paid.

The man recalled that he had killed the other two men in order to get the money.

"Brother, I'm sorry. The three of us really don't have enough money. You can sacrifice yourself!"

"You..."

In this way, there was only one man left among the three men.

"At three o'clock this afternoon, I will give you cash when we meet last time."

Susan put down her phone slowly with a murderous look in her dark purple eyes.

.....

Susan dressed up and went to the place they had appointed.

The man had already been waiting for Susan at the appointed place.

“da xiao jie, where is the money?”

The man saw that Susan didn't bring anything with her. Didn't she just say that she would bring cash here?

“There's too much cash. I don't think it's easy for you to take it, so I bring you a card.”

Susan took out a bank card from her bag and waved it in front of the man on purpose, asking him to come over.

“Is that so? Or is da xiao jie so considerate? Then give me the card.”

The man was hit. He approached Susan step by step and reached out to take the card from her hand.

At that moment, Susan quickly took out a fruit knife from her bag and stabbed it into the man's heart.

The card in the man's hand fell to the ground in an instant. “You... You are...”

Blood gushed out of the man's mouth.

“It's not that easy to get my money? You'd better go to hell. Don't worry. I will burn more paper money for the three of you, so that you can enjoy your old age in heaven. Hahaha...”

“You! You will die a horrible death! One day, you will go to hell...”

The man used up his last breath and grabbed Susan's arm. Susan was not afraid at all and pushed the man into the sea.

“Ah...”

Susan picked up the bank card from the ground and blew on it. “No one can take away my things! Humph!”

.....

Susan returned to the Gu family as soon as possible, so that Edmund wouldn't know she had been out.

He went back to the bedroom, picked up her lace dress and walked into the bathroom.

Now that she had dealt with the three men, Susan felt more relieved.

Susan lay in the bathtub and enjoyed the milk bath.

After the shower, Susan wore a Black Lace s\*\*y Camisole, a deep V collar, and the length of her dress just exposed her thighs. It was indeed tempting at a glance.

Susan stood in front of the mirror, with her long hair hanging loose. She wore nothing but a s\*\*y Camisole.

She fiddled with a seductive posture in front of the mirror and looked at herself in the mirror with a sinister smile. "gu jin yi, tonight, I'm going to be your woman, and you, will be mine."

Then Susan walked to the bed and lay down.

.....

Soon it was in the evening. After work, he picked up the two babies from school.

gu jin yi sat in the back seat with chen chen and han han, while Darren drove.

"chen chen, han han, I have a good news for you."

The two babies looked at gu jin yi curiously "Daddy, do you have any good news to tell us? "

han han blinked her big bright eyes.

"Is it about Mommy?"

And chen chen thought the news of his mommy was the best news.

gu jin yi nodded slightly, "Mommy is back." His tone was gentle and indifferent.

"Really? Mommy is back! "

"Mommy is back. That's great! We want to see her! "

The two babies were so excited to see their mommy as soon as they heard that she was back.

"chen chen han han, don't worry. Mommy is waiting for us at home. We can see her when we get home."

Subconsciously, gu jin yi caressed the heads of the two babies and told them these words in advance in order to make them happy.

"ye ye ye!"

"I'm going to see Mommy!"

The two babies were playing in the car.

.....

Soon, they arrived at the villa of the Gu family. The two babies couldn't wait to get off the car.

gu jin yi carried them out of the car one by one.

“Mommy!”

“Mommy!”

The two babies ran into the room as soon as they got out of the car. They shouted at her before they saw Ning stream.

As soon as they entered the room, the two babies looked around with their big eyes, but they didn't find their mommy.

‘what?Where is Mommy?’

Then, he walked in slowly.

“What’s wrong?”

She asked when she saw that the pa\*\*ion of the two babies suddenly disappeared.

“Daddy, where is Mommy?”

“No one...”

The two babies were obviously a little disappointed.

At this time, wang a yi came out of the kitchen. “chen chen and han han are back!”

“wang a yi!Did you see our mommy? ”

The two babies greeted wang a yi as soon as they saw her, and continued to ask about Ning stream.

“My lady, she has been sleeping in her room.”

The two babies ran upstairs happily.

chapter 344

Still standing where he was, he asked in confusion, “wang sao, hasn't the stream come downstairs today?”

“Yes, shao ye. I wanted to ask Mrs. Mu to have some dessert, but she told me not to disturb her, so I didn't go upstairs.”

wang a yi answered honestly.

gu jin yi frowned slightly. He recalled that when they were in the car, Ning Xi had always said that he wanted to sleep. Something was wrong with him this time. Was he uncomfortable?

Normally, she couldn't stay at home for a whole afternoon.

Just as gu jin yi was about to go upstairs to see Ning Xi, wang a yi suddenly hemmed and hawed, as if she had something to say.

“wang sao, what can I do for you?”

He could tell that.

“I don’t know what to say. It seems that Mrs. Lu has changed a lot since she came back.”

wang a yi recalled the scene when she met Ning Xi upstairs. The fierce look on her face was not the Ning Xi she knew at all.

“Why do you say that?”

In fact, gu jin yi also felt it, but he didn’t know what to say. He just had a subconscious feeling.

wang a yi mentioned it at that time, which made gu jin yi more confused.

“Mrs. Lu is usually very approachable. But this afternoon, I was cleaning upstairs. Maybe I walked too quietly and frightened her. She suddenly became very fierce and even scolded me a few times. Especially her eyes made people feel scared. She is not the same as before...”

wang a yi told gu jin yi what she was thinking.

A meaningful look flashed across gu jin yi’s deep eyes.

“I see.”

gu jin yi replied indifferently. He didn’t say anything and went upstairs directly.

In the master bedroom upstairs.

Susan, who was lying in the quilt, heard the noise outside the door. She knew that gu jin yi had come back and was ready to wait for him.

gu jin yi, you are finally here

“Mommy!”

“Mommy!”

The two babies ran into the bedroom and shouted at Ning stream.

Susan was stunned when she heard the two children’s voices, not gu jin yi’s.

Why not him?

Anger surged up in her heart. She clenched the quilt tightly with her hands, wishing to go out and slap the two little babies!

“Mommy is sleeping.”

han han guessed as she looked at the motionless quilt on the bed.

chen chen also saw it and showed a wicked smile.

“han han, let’s get mommy’s quilt off and she will wake up.”

“Brother, do you mean it’s as itchy as last time?”

han han’s delicate and cute eyebrows twitched, revealing a little snicker, and two shen shen dimples on her pink face from time to time. She looked so cute~

chen chen nodded, indicating that han han was right.

At this moment, Susan heard the conversation between the two babies.

Hearing that the two babies were getting closer and closer to her, Susan came up with a solution in time. She immediately stuck out her head and revealed half of her face.

“Mommy, you scared me to death!”

“Mommy, you are awake!”

Just as the two babies stretched out their hands to lift the quilt, Susan popped her head out in time and startled them.

“Mommy, where have you been these days? Why don’t you tell us? Daddy and I are worried about you. ”

“Mommy, we all miss you so much...”

The two babies approached Susan and wanted to climb to the bed with their mommy.

“Don’t come up! How can you come to my bed with dirty clothes? ”

Susan pushed the two babies away and wiped her hands with tissue on the bedside table in disgust.

At this moment, the two babies looked at Susan innocently.

han han stepped forward again and said, “Mommy, we’re not dirty. You said that only clean teachers would like us.”

Susan glanced at the two babies in disgust.

At this moment, he was walking into the bedroom.

“Hey, you’re back!”

Susan inadvertently glanced at gu jin yi, and her expression of disgust instantly turned happy and excited. She almost ran out of the quilt.

“Daddy.”

“Daddy.”

“I heard from wang sao that you have slept all afternoon. Are you feeling uncomfortable?”

gu jin yi walked to the two babies, walked to the bedside and asked softly.

“No, I just want to sleep for a while.”

Susan answered coquettishly.

“That’s good. Get up. Let’s go downstairs for dinner.”

“Mommy, get up quickly. Let’s go downstairs to have dinner.”

When he was about to leave the bedroom with the two babies, Susan spoke again.

“Bill, I’m not hungry yet. How about you let them go downstairs to have dinner and you stay here with me?”

Susan suggested. She wanted to get rid of gu jin yi as soon as possible.

ADVERTISEMENT

“Well, I’ll go downstairs to have dinner with chen chen and han han first, and then come up to accompany you.”

“Mommy, don’t you eat? I’ll be hungry tonight. ”

“Well, didn’t you say that you would eat every meal? It doesn’t matter if you eat more or less.”

Seeing that their mommy didn’t want to go downstairs for dinner, the two babies all wanted her to get up and have dinner.

Seeing that the two babies were so noisy, Susan thought it was impossible to keep him here. She’d better let him settle the two babies first, so that her plan would be easier.

“Okay, then you go downstairs with chen chen and han han to have dinner first. You all go downstairs to have dinner. I’m not hungry. I’ll sleep for a while. ”

“All right.”

The two babies stopped forcing her.

Then, he left the bedroom with the two babies in his arms.

Susan watched the three of them leave the bedroom. She pounded the quilt hard and squinted her eyes with a touch of cruelty. “These two little b\*\*\*\*\*s are really troublesome! We have to get rid of them as soon as possible. ”

He was carrying two babies downstairs.

“Daddy, why don’t you let mommy go downstairs for dinner?”

chen chen asked.

“Mommy is not feeling well, so let her have a rest first and cook for her later.”

gu jin yi replied with a smile.

In fact, when she entered the bedroom just now, she saw her attitude towards the two babies and her dislike for them. It seemed that she had changed into another person.

In the past, ning xiao xi had never treated the two children like this. Thinking of what wang sao had just said, she yelled at her. The Ning stream he knew was not such a person.

At that moment, somehow, gu jin yi didn't seem to know Ning Xi.

.....

chapter 345

After dinner.

The two babies knew that their mommy had returned home safely. After dinner, they went back to their own room to sleep.

Susan had been waiting for gu jin yi in her room.

She turned off all the lights in the room, waiting to spend a good night with gu jin yi tonight.

After sending the two babies to their room, gu jin yi went back to the main bedroom.

As soon as gu jin yi entered the bedroom hall, Susan heard the footsteps and immediately got out of bed.

Looking at the dark room, gu jin yi was about to turn on the light when Susan said, "don't turn on the light!"

gu jin yi stopped what he was doing and heard Susan walking towards him. "Can you see it's so dark?"

Susan walked to gu jin yi and said, "I have you by my side."

Then he dragged gu jin yi into the bedroom.

"Then you can see it."

Susan turned on the weak chandelier in the bedroom and indistinctly saw each other.

At this moment, the bedroom was filled with some kind of ambiguous atmosphere, which made Susan more urgent.

Susan's eyes wandered all over gu jin yi's body. Her figure and height definitely matched her.

At this moment, gu jin yi was glancing at Susan and quickly took a coat to put on her.

"Put on your pajamas quickly. Don't wear them like this anymore."

At this time, Susan walked up to him and said, "I only wear clothes in front of you. Are you tired? Take off your clothes." Then he slowly took off gu jin yi's coat.

After taking off the suit jacket, there was only a blue shirt left. Then, Susan took off the coat that gu jin yi had put on her, and still wore a black lace slip dress.

Gradually, she seduced gu jin yi. She stood on tiptoe and climbed up gu jin yi's strong chest muscle step by step.

“Let’s put aside everything and enjoy this night.”

When Susan was about to unb\*\*\*on her shirt, gu jin yi held her hand tightly and said, “you can go to sleep first. It suddenly occurred to me that chen chen and han han wanted me to sleep with them today.”

After saying that, he picked up his suit jacket and walked out of the bedroom without looking back.

“Edmund!”

Susan, who was about to succeed, stamped her feet with anger.

Then she climbed onto the bed and threw the pillow and quilt to the ground angrily.

“Ah!chen chen han han and chen chen han han talked about their two little b\*\*\*\*\*s every day!gu jin yi, if you know that the two of them are the b\*\*\*\*\*s of Ning Xi and other men one day, I’ll see if you will still be so good to them. ”

It seemed that she had to get rid of the two of them as soon as possible. No one would stay in her way!

gu jin yi went directly to the two babies’ room from the main bedroom.

The two brothers, chen chen and han han, were chatting on the bed.

The giggle immediately infected gu jin yi who just entered the room.

chen chen and han han, his two babies, three of them, made his world more interesting.

“chen chen, han han, you haven’t gone to bed yet. Then daddy will come here to take a nap.”

gu jin yi’s sudden appearance made the two babies jump out of bed.

“Daddy!Why are you here? ”

“Daddy!Where is Mommy? ”

The two babies shouted in surprise.

“Daddy is here to sleep with you. Mommy is not feeling well. She is afraid of infecting me, so she asked me to sleep with you.”

## ADVERTISEMENT

gu jin yi explained to the two babies with a smile, although it was not the truth.

“Mommy is so considerate!Daddy, do you love Mommy more and more? ”

han han’s little baby snuggled into gu jin yi’s arms like a kitten.

“Daddy, is Mommy really okay? I feel that she is a little strange today.He is so mean to us... ”

chen chen curled his lips, as if he felt that their mommy, Ning Xi, was getting more and more impatient with them.

“chen chen, don’t think like that. Mommy always loves you. She is emotional because she is not feeling well.”

gu jin yi quickly explained for Ning Xi. Although he also felt that Ning Xi had changed a lot, she was still the one he loved, and the mother of two children. They couldn’t let them have a bad idea of Ning stream.

“Well, I also think that mommy must feel uncomfortable so she yelled at us.”

han han sighed thoughtfully.

“Come here. I’ll sleep with you tonight. I don’t want to think about anything.”

gu jin yi picked up the two babies and lay down on the bed, hugging them one by one.

At the same time, the two babies cuddled tightly in gu jin yi’s broad arms and fell asleep slowly

It was late at night, but he still couldn’t fall asleep.

He thought of her attitude towards the two children in the main bedroom, and what Ning Xi had done to him just now. The strong perfume on her made gu jin yi feel uncomfortable.

What happened to the stream? After she went back to the Ning family, she seemed to have changed a lot.

gu jin yi couldn’t figure it out, so he rubbed his temples. She didn’t look well. Maybe she thought too much.

At ye xiao xiao’s house.

She had finished the task of the script and was about to pack up and go to bed.

All of a sudden, she thought of the roses that came to her office for no reason this morning, and then she thought of an zi hao.

She picked up her phone and was about to send a message to an zi hao. Did you send the roses this morning? No, No. I should say that I received a bunch of roses this morning. Did you bring them here? No, no, No. forget it. I don’t want to ask.

ye xiao xiao typed a line and deleted it again. She felt it was wrong. After thinking for a while, she decided not to do that. If it wasn’t from zi hao, wouldn’t he be flattering himself? Thinking of the confession of love last night, Celia thought it was better to go to bed.

Just as Celia was about to put down her phone, a message came.

ye xiao xiao looked around and found it was a message from an zi hao.

“Are you asleep?”

She picked up her phone again, so that she could naturally reply to his message. It was easy to ask.

“Not yet.”

“Do you like the flowers this morning?”

As soon as ye xiao xiao replied, an zi hao received the message.

When ye xiao xiao saw the message, she gave a jian jian snicker subconsciously. Ha ha, she didn't need to ask him about it. zi hao told her the truth.

This also avoided an embarra\*\*ing thing.

“She's pretty. But don't send flowers to my company anymore. It's not good.”

ye xiao xiao continued the topic, fearing that the company would know something.

“Celia, do you still mind what happened last night? I know you are not ready yet, but as long as you don't refuse me, I will silently stay behind you. When you promise me one day, we will be together. OK? I just want to be with you.”

The sentimental message from an zi hao made Celia's heart skip a beat.

chapter 346

But she, Celia ye, knew that she was not suitable for a relationship now, even if she also liked an zi hao.

“We are fine now.”

ye xiao xiao's simple words made an zi hao happy in an instant.

Obviously, ye xiao xiao didn't refuse an zi hao to stay with her. It was good for her to stay behind her silently like now.

“Thank you, Celia. I will make you accept me slowly.”

an zi hao suddenly became serious, which made ye xiao xiao feel uncomfortable.

“It's not like you to be so serious all of a sudden.”

ye xiao xiao lied on the bed and answered casually.

“No, I'm not serious, okay?”

an zi hao could always make ye xiao xiao laugh.

“By the way, I haven't told me that chen chen is your master yet!”

ye xiao xiao suddenly remembered this matter. She had been curious about it. Last night, she wanted to ask, but was concealed by the sudden confession.

“Don't talk about it anymore. It's not good for my image.”

Speaking of this, an zi hao felt too embarra\*\*ed. He was defeated by a little boy of five or six years old.

“You just promised me yesterday, and now you regret it. Don't you change too fast?”

ye xiao xiao was unhappy. ming ming had promised her, but now he regretted and broke his promise.

“I’ll tell you, but don’t laugh at me.”

an zi hao was still worried that his image in Celia’s heart would be damaged.

“Don’t worry. I won’t laugh at you. I promise.”

ye xiao xiao agreed verbally, but she t\*\*tered in her heart. Who could guarantee that?an zi hao’s words must be very funny.

“In fact, you were also there that day. Do you remember?You were chatting with the stream, and I was playing with chen chen and han han...”

Then, an zi hao began to tell ye xiao xiao the reason

Gradually, Celia fell asleep as she listened.

“That’s it. Is it funny that chen chen became my master in this way?”

After saying that, an zi hao asked Celia. But there was no response from her. Only then did he find that she was asleep.

With the phone in his hand, an zi hao said to the screen, “go to bed. Good night.”

After putting down the phone, an zi hao closed his eyes.

.....

The second morning, in the villa of Gu family.

gu jin yi woke up and gently got up from the bed. The first thing he thought of was Ning Xi, so he went to the main bedroom to see if Ning Xi was still sleeping.

In the master bedroom.

“Stream.”

As soon as gu jin yi entered the bedroom, he called Ning Xi, only to find that there was no one in the bedroom.

A faint smile inexplicably appeared on his face. He guessed that Ning Xi must have gone downstairs to make breakfast.

When gu jin yi was about to turn around and leave the bedroom, Susan just came out of the bathroom.

Hearing the footsteps in the bedroom, gu jin yi turned around again, “Naomi, I thought you went downstairs.”

gu jin yi walked towards Susan slowly.

“I’m going downstairs. Wait for me, bill!”

Susan, who had been sluggish, became energetic when she saw Jean.

She ran into the bathroom, quickly put on her clothes and made up and walked out.

“Let’s go.”

Susan walked from the bathroom to gu jin yi.

In this way, Susan went downstairs with gu jin yi.

“What delicious breakfast did you make this morning?”

Susan walked to the dining room, but found that there was no breakfast on the table.

She had thought that a maid would prepare breakfast for her in the morning in a family like Gu family.

But she didn’t expect that it was empty.

“Why didn’t anyone make breakfast in the morning?”

Susan complained subconsciously.

“Last time you said that you didn’t like too many people at home, so you asked them to go back. You said you would cook breakfast for me and chen chen han han this morning. Have you forgotten? ”

gu jin yi teased deliberately.

“Ha ha... I’ve become lazy recently...”

Susan walked a few steps forward with an embarrassed smile. She didn’t expect that Ning stream would get up to make breakfast in the morning, which was totally different from the life in the Gu family she had imagined.

ning xiao xi, you are going to come out to scourge even if you are dead! Susan grew up in the heat preservation room of the Ning family. She didn’t need to do anything, let alone cook breakfast. She was confused and didn’t know where to start.

Ning Xi even dismissed the servants! b\*\*\*\*! The b\*\*\*\*\* was born to serve others, not to be served!

Susan was so nervous that she wanted to break out. It had affected her good mood all day long.

But fortunately, Susan reacted quickly, or he would find it out.

“Naomi, I want to eat the tomato and egg noodles you made today. Please make it for me.”

gu jin yi walked to Susan and said.

“I... I still feel a little uncomfortable. How about we go out for dinner today?”

Susan immediately pretended to be sick.

So gu jin yi stopped asking.

“How about this? I’ll ask Jacob to bring you some breakfast. You should have a good rest at home when you are sick. You’d better not go out.”

“Okay.You are the best! ”

Then, he called his a\*\*istant, Jacob, and went out.

Soon, Jacob brought breakfast to them.

“My lady, enjoy your breakfast with shao ye.”

Jacob was about to leave after bringing breakfast to Jacob, but he suddenly found that the woman in front of him was wearing very revealing clothes. As the a\*\*istant president, he kindly reminded her, “Mrs. Emily, the weather is a little cold, you can wear more clothes.”

Susan lowered her eyes to look at herself, and then she looked at Jacob with seductive eyes and said in a flirtatious tone.

“Mr. Xu, let’s sit down and have dinner together.”

She looked Darren up and down, and had some ideas in her mind.gu jin yi is not only handsome, but also his a\*\*istant is handsome!

“No, no, thank you, Mrs. mu. I’ve already had dinner. It’s time for me to go to work.”

When Jacob inadvertently looked into Susan’s eyes, he felt uncomfortable all over and was about to leave.

Susan stood up and held his arm. She asked him to sit down and eat with her, “don’t be so polite. Come and eat with me.”

“Mrs. Lu, please behave yourself. It’s not good to be known by Mr. Lu.”

Jacob pushed Susan’s hands away, turned around and left the villa.

Susan looked at his back and sneered, “shame on you!If you don’t eat, you will save me a breakfast. ”

Then Susan sat back in her chair and glanced at the various types of breakfast on the table.

After going out, Darren frowned slightly and felt that Ning stream was a little strange. He respected his wife, and what he did just now made his good impression on her disappear in an instant.

Jacob didn’t think too much and left the Gu family for the Empire group.

chapter 347

Susan was in a good mood when she saw the delicious food on the table. “This is what Mrs. Gu should look like. You don’t need to cook!Ning Xi is such a b\*\*\*\*. She doesn’t want to enjoy life for her and even cooks breakfast for herself. It’s right that she doesn’t have a rich life. She deserves a lowly life! ”

Susan satirized her daughter happily. Then she picked up a piece of cake and took a bite. "Well, it's good."

"Good morning, Mommy!"

"Good morning, Mommy!"

When Susan was enjoying the delicious food, the two babies greeted her and then ran down the stairs.

Susan's good mood was suddenly broken by the two of them, and her face darkened.

The two babies ran to Susan sleepily.

"Wow, what a delicious breakfast! Mommy, did you do this? "

"You look good. By the way, Mommy, are you feeling better now?"

The two babies climbed onto the table as soon as they saw the delicious food.

"Is your mommy so capable? Do you know how to do this? "

Susan's tone was a little sarcastic. It seemed that Ning stream could do all these things according to han han's words.

"That's right, Mommy. We know your cooking skills. You are a super excellent Mommy!"

The two babies knew that their mommy, Ning Xi, was good at cooking, and the food was very delicious. So when they saw the breakfast on the table, they thought it was made by their mommy, Ning Xi.

The two little b\*\*\*\*\*s were indeed a family. They were not in a good mood to see them.

"I eat so well. Do you think I'm not in good health? Curse me for my poor health on purpose. "

Susan was impatient to see the two babies.

"Ha ha... Mommy is in good health, so we can play with her."

chen chen was very happy to know that his mother had recovered.

"Mommy, I want to eat that."

han han was about to reach for a steamed bun in front of Susan, but she was stopped by her.

"You can't eat this. It's mine."

Susan picked up a steamed bun and put it into her mouth.

"Okay, I'll eat this."

Then, han han saw her favorite sushi and reached for it. This time, ning yue yue brought it to her and said, "you can't eat this. These breakfast are all bought for me."

han han pouted, "Mommy, you don't like sushi. It's han han's favorite."

“Who says I don’t like it? I like sushi for breakfast.”

Susan retorted. She picked up a sushi and put it into her mouth directly, looking very delicious. It was han han’s baby girl.

At this moment, chen chen, the little boy, noticed this point in particular. He stared at Susan with his bright big eyes.

Mommy never ate sushi. As soon as she tasted it, she wanted to throw up. How could she eat it so well this time? It was strange.

“Mommy, do you want to vomit? The trash can is here!”

chen chen thought their Mommy would throw up, so he moved the trash can to her in a hurry.

“Give it to me! Are you trying to make me unable to have breakfast! How could she throw up after eating such delicious sushi? Oh, you put the trash can in front of me on purpose and want me to vomit, right?”

Susan didn’t know that Nina never ate sushi. When she was eating with relish, the two babies had already felt very strange.

She thought they didn’t want her to have this breakfast on purpose.

ADVERTISEMENT

“Mommy, are you sure you like this sushi?”

“Mommy, you never eat sushi before. You throw up as soon as you eat it.”

chen chen and han han looked at Susan with a strange look.

Susan suddenly came to her senses after hearing what the two babies said.

ning xiao xi never ate sushi? Why didn’t she know?

“I used to think it tasted bad. I saw you guys enjoy the food so much, so I tasted it.”

But Susan quickly thought of the words to respond to the two babies.

She had a way to deal with the two kids.

Hearing Susan’s words, the two babies felt strange. They didn’t like to let their mommy eat before, but today they suddenly liked to eat. It changed so fast.

When the two babies were frowning, Susan quickly changed the topic. “Come on, han han likes sushi, so I’ll give it to you. What do you want to eat, chen chen?”

As soon as han han heard that the sushi was ready, she immediately reached out for it.

But chen chen didn’t care too much about it. He picked up his favorite food and ate it.

They were so hungry.

Susan looked at the two children in front of her, with a touch of cruelty in her eyes, and she was more sure that these two children could not be kept. They would definitely be the biggest hindrance to his stable position in the Gu family!

“Mommy, don’t you eat?”

“Yummy! Yummy!”

chen chen asked subconsciously when he saw that their mommy had been sitting still.

ADVERTISEMENT

“Here you are. I’m full. By the way, don’t tell daddy that mommy had sushi just now.”

Susan specially reminded her in case the two babies spilled the beans. If gu jin yi knew it, he would definitely doubt it.

“Why?”

“Why?”

The two babies asked at the same time.

She wondered why she had to hide it from their father? It would be better if daddy knew it? If he liked it, he could often buy it back in the future.

What did their mommy mean by saying that? The two babies were also curious about the reason.

“There are not so many reasons! Stop talking nonsense!”

Susan put her arms around her chest subconsciously and looked impatient.

Susan couldn’t help getting angry at the sight of the two babies. When she saw them, she felt like she saw a stream, which aroused her anger.

The two babies were frightened by Susan’s sudden roar, and they stood still.

“Mommy is so fierce. Don’t you like us anymore?”

Suddenly, han han couldn’t help crying.

At this time, Susan’s anger was even more surging. Affected by the cry of han han, it was like a slap to stop her from crying.

“Stop crying! chen chen and han han, I just don’t want these trifles to disturb daddy. He is so busy with his work, and he has to remember these trifles for us. It’s unnecessary. So that’s what Mommy means. Can you understand?”

Susan controlled her emotions. Seeing that the two babies were frightened and realized that she had raised her voice, she tried to comfort them.

The two babies still sat on the chairs and nodded hard.

“We got what Mommy meant.”

“We won’t tell mommy if she doesn’t tell us!”

“Good girl. Don’t cry anymore, okay?”

Susan warned han han. After breakfast, she went upstairs, leaving the two babies here.

After Susan went upstairs for a while, the two babies hadn’t recovered from the sound until chen chen said something.

“Mommy is so strange...”

“She is not Mommy. Mommy is not like this. Mommy is not like this...”

han han got excited again.

Hearing his sister han han’s words, chen chen realized that she was not his mother and seemed to have reminded him of something.

In fact, since they came back home from school yesterday and saw their mommy for the first time, chen chen felt that she was a little strange, and that feeling was that the person in front of him was not their mommy.

But at the beginning, she just felt that she had thought too much. That person was their mother. How could it not be her?

Then she did something unbelievable to them. She was so fierce last night. In the past five years, their mommy had never been so fierce to them because of anything. Today, she ate several sushi that she never ate, which made chen chen feel even more strange.

He suddenly had a guess in his heart that this woman was very likely to be his mommy’s twin sister, the woman who looked exactly like his mommy. His mommy said that she had no connection with his sister

At the same time, at the VL international dress design center.

ruo huan yan took over the design of ou yang mu xue’s dress.

Today, ou yang mu xue came to the company. She went directly to the design department A to look for Ning stream, but she did not see Ning stream.

Hearing this, ruo huan yan also came to the design department A. now ou yang mu xue was her big client, so she must comfort her.

ADVERTISEMENT

When ou yang mu xue was looking for Ning stream everywhere, she saw Roger.

“Miss ou yang, are you looking for director Ning?”

ruo huan yan had guessed ou yang mu xue’s purpose. She came here only to look for Ning Xi.

“Where did she go?”

ou yang mu xue asked coldly.

“Miss yam resigned a few days ago. Don’t you know that?”

ruo huan yan deliberately stressed her tone, letting her ou yang mu xue know that without her, Ning Xi could still survive and create performance.

“She resigned...”

Obviously, ou yang mu xue was a little disappointed. She had a good impression of Ning stream, but she left.

“It doesn’t matter if she leaves. I’ll design your dress now.”

ruo huan yan walked up to them with a big smile. She believed that ou yang and mu xue would accept her.

“Even if she resigned, I will find her. I said that not everyone can design my dress. It’s not your turn to design it for me.”

ou yang mu xue said in an impatient tone. She just didn’t like her.

At this time, the director of the design department came in person. He came to the design department A from his office.

“Miss ou yang, you are here.”

He greeted politely.

“Miss yam has resigned now. Look at Miss Rose. She graduated from a professional dress design school. I believe her design is not worse than Miss yam’s.”

ADVERTISEMENT

Of course, the director of the design department also knew what had happened. He came out at this time to ease the contradictions and embarra\*\*ment.

“She has designed dresses for many stars and celebrities, and has won a lot of praise and awards. So you can also try to let her design dresses for you.”

.....

No matter what the director of the design department said, ou yang and mu xue remained unmoved.

“I don’t want anyone else to design for me except Miss yam.”

ou yang mu xue replied willfully.

When she was about to turn around and leave, Ellie rushed in and bumped into Richard.

“I’m sorry...”

Ellie apologized awkwardly and quickly ran to ou yang mu xue.

At the same time, Richard took a deep breath helplessly. His whole chest hurt when he was hit by Ellie. But she couldn't speak it out, so she had to endure it.

"Miss ou yang, you can check your e-mail. Miss Yam said she had something to tell you. She wrote it down and sent it to you."

Before Ning Xi resigned, he asked you to tell ou yang mu xue about it.

After hearing this, ou yang mu xue opened her e-mail, but she didn't see many messages, because there were indeed too many annoying messages.

She clicked on the e-mail from Ning stream.

It said: miss ou yang, I'm sorry that I can't design a dress for you. And thank you for letting me design it for you. In fact, there are many excellent dress designers in our company. If you really don't like them, I will recommend one to you according to my idea. She is not a designer, but as long as you train her well, she must be no worse than me. She has the ability to design. She is my assistant, Ellie. She is a kind and innocent girl, I believe that your cooperation will be very happy.

There is one more thing. I'm sorry that I didn't tell you in person. I can only tell you in this way. In fact, the person you have been looking for is me, Anna. I didn't expect that my unintentional action helped you a lot. I am very happy.

ADVERTISEMENT

That's all I want to say. The final decision depends on you, miss ou yang. I can only give you advice. Maybe we will have a chance to meet again.

At this moment, Roger was slightly squinting at ou yang mu xue. What document did Ning Xi send her? He must have spoken ill of her in front of her again. Nina, even if you die, you still have to entangle with her. Ruo huan yan clenched her fists and stared at him with her evil eyes.

ou yang mu xue's face changed when she heard ning xiao xi say that she was Anna.

She calmed down and stood still expressionlessly.

No wonder her design was exactly the same as Anna's. Why didn't she think of this at that time?

ou yang suddenly regretted not recognizing her.

"Miss ou yang, what's wrong with you?"

Noticing that there was something wrong with ou yang mu xue, Ellie asked subconsciously.

"Who is Ellie?"

ou yang mu xue said directly.

"I... I'm Ellie..."

Ellie raised her hand in fear. She thought ou yang mu xue was angry and she would be the punching bag of ou yang mu xue this time.

“From now on, you will officially become my private dress designer, ou yang mu xue. From now on, you will design my dress. Pack up and go back to the company with me right away.”

After saying that, ou yang mu xue turned around and left the design department A directly.

At the same time, no one noticed the smile on Richard’s face, who was standing next to ou yang mu xue.

chapter 349

The director of the design department followed her. He still had something to say about ou yang mu xue’s decision. “Miss ou yang, what do you think...”

As soon as ou yang mu xue finished her words, all the people present fell into silence

What was going on?

Everyone had all kinds of questions in their hearts.

“Ellie, why are you so powerful? She suddenly became the private designer of ou yang mu xue!”

“Oh my God! What’s going on, Ellie?”

“Tell us, do you have any private relationship with ou yang and mu xue? It’s not interesting that you don’t tell us anything!”

.....

The colleagues of the design A department all came up. They were very surprised and surprised at this sudden thing.

At the same time, her mind went blank and she didn’t know what had happened.

ruo huan yan didn’t expect this to happen. She was just an assistant to the director. How could she suddenly become the private designer of ou yang mu xue?

ruo huan yan cast a cold glance at her and left the design department.

In the CEO Office of Empire group.

Darren sent a document to gu jin yi. Seeing that he was busy, he didn’t disturb him. He put the document gently on his table and was about to turn around and leave.

“xu chen, do you think there is anyone who will suddenly change his character overnight?”

gu jin yi suddenly put down the documents in his hands and looked up at Darren.

“Mr. Brian, you mean... Mrs. Molly?”

Reminded by gu jin yi’s words, Darren realized that something was wrong with Ning stream when he sent breakfast to her this morning.

He boldly guessed and responded according to his thoughts.

## ADVERTISEMENT

He had been working for gu jin yi for so many years. So far, only Ning Xi's matter would bother him.

gu jin yi didn't expect that xu chen could know the person he was referring to. He looked at him with his deep eyes and asked, "what did you see?"

"Mr. Bruce, with all due respect, Mrs. Fannie seems to have changed since she came back from the Ning family."

"What do you mean?"

gu jin yi wanted to know the reason why he said so.

"Mr. Brian, do you remember? When you went to the Ning family to pick up your wife yesterday, you asked her about the IP address of her mobile phone. She always avoided it. And I inadvertently saw her eyes on you, which didn't look like her. When I brought her breakfast this morning, she was also wearing very revealing clothes..."

What Darren said made gu jin yi more confused. Ning Xi was not such a person at all. How could it be possible? How could a person suddenly change? And became strange.

"Go and check all the information of the Ning family and send it to my e-mail."

Clenching his fists, gu jin yi had mixed feelings.

"Yes, I will check it right away!"

Then he left the CEO office.

It suddenly occurred to gu jin yi that chen chen and han han had told him last time that Ning Xi had a twin sister. He seemed to think of something all of a sudden.

Maybe the woman at home was not his wife, Ning Xi

But it was too mysterious.

On the other side, Ellie had been officially transferred from VL to ou yang mu xue's private designer.

"Miss ou yang, may I ask why you choose me to be your private dress designer?"

Although Ellie had always been interested in dress design, and Ning Xi had learned a lot from her when she was alive, she was not a professional designer after all. She didn't understand why a picky person like ou yang mu xue would choose her?

"You don't have to know why? There is no reason for what I want, ou yang mu xue."

ou yang mu xue replied arrogantly.

## ADVERTISEMENT

That made Ellie speechless.

ou yang mu xue crossed her legs gracefully and looked at Ellie up and down seriously, making her feel uncomfortable standing there.

“Miss ou yang, what can I do for you?”

“You can’t dress like this. My private designer must be noble and elegant. You have to learn the basic language of every country, and you have to change some of your bad habits. What’s more, you have to correct your unconfident look. All the people around me, ou yang mu xue, are confident and positive. I will give you a month, and after a month, I will personally examine you.”

ou yang mu xue stood up gracefully and said, “Fabian, I’ll leave her to you. Train her well in this month, and she will officially work in a month!”

“Okay.”

After finishing these words expressionlessly, ou yang mu xue turned around and left.

Seeing ou yang mu xue leave in a domineering manner, Ellie was still confused. ou yang mu xue had said so much that she had to learn it in a month. Wouldn’t it be too difficult

She lowered her head again to look at her own clothes. Nothing was wrong.

“Ice cube, do I look ugly in this dress?”

Ellie had to prove her aesthetic taste.

“It’s not ugly, but will it be better to have a more professional image at work?”

His answer left no room for Ellie to retort. After all, she came to work, and she was ou yang mu xue’s private designer. Of course, she should have a better image.

“You have to cooperate with your study in this month. After a month, we will be formal colleagues.”

Richard began his mission.

“Yes, Mr. cold. Nice to meet you!”

Ellie reached out her hand, realizing that the relationship between the two colleagues would need his help in the future.

“There is one more thing you must remember. My name is Richard Leng. You can call me miss Leng. Let’s go. I’ll take you to change your image first.”

ADVERTISEMENT

Then he strode out of the room.

Ellie was still in a daze. What? Call him miss Leng? Oh, my God! The ice cube that used to be silent now has become my teacher

But she had to rely on him more in the future. Indeed, it was not a waste to be a teacher.

“Hurry up!”

Seeing that Ellie was still standing there, Richard turned around and looked at her.

“They are coming!”

Ellie came back to her senses and followed him in a hurry.

The two of them went to a high-end makeup club. As soon as Richard came here, everyone greeted him respectfully, because his hairstyle had always been done here.

Staring at the high-end and cla\*\*y makeup club, Ellie sighed in her heart.

Well, it seems that it's very expensive to do a hairstyle here.

“Change her appearance.”

Richard said simply, glancing at Ellie beside him. The stylist and dresser were here to serve him.

He helped her to the studio.

“What are you doing?”

Ellie didn't know what happened and was caught by them for no reason.

Looking at the childish look on her face, Richard couldn't help smiling.

.....

chapter 350

An hour pa\*\*ed.

Ellie walked out of the studio.

Richard looked at Ellie, pinched his chin and looked at her up and down. Then he nodded and said, “not bad.”

Ellie walked to the mirror and looked at her face and hair. She felt strange. She had never dressed like this before and was not used to it.

“What do you think. Are you satisfied? ”

Richard asked softly as he walked up to Ellie.

“I'm not used to it...”

Ellie answered honestly.

“It doesn't matter. Just get used to it. You will always be like this in the future.”

Ellie looked at herself in the mirror and felt that she had changed a lot, a little different from herself.

At lunch time, ruo huan yan and Susan met again.

“Susan, how does it feel to be the wife of the CEO?”

“Stop it. Ning Xi is such a b\*\*\*\*. She did everything by herself in the Gu family, so I have to do this and that in the Gu family now. But as long as I become Mrs. Gu, it’s not a big deal. I don’t need to do that in the future.”

Susan promised confidently. She was half successful in entering the Gu family.

“Now I have finished helping you enter the Gu family. I also need your help now.”

ruo huan yan’s eyes t\*\*\*\*led. She had already made up her mind.

“Go ahead.”

In fact, Susan had guessed that what ruo huan yan wanted her to do must have something to do with Ye Ling City.

“Make a phone call for me to ask him out.”

As expected, Susan was right.

“Why! Of course.”

ADVERTISEMENT

On the other side, Richie had been wondering if he should ask Ning Xi out. After all, there were some things that he guessed.

Ning Xi was still the girl he liked. He couldn’t let her treat him bad, so he decided to call her.

Just as Susan picked up her phone and was about to call Johnny, her phone rang.

“He just called.”

Susan answered the phone.

“Naomi, do you have time now? I want to meet you.”

Before Susan invited him, he asked to meet her.

“I’ll text you the address. Come here. I’ll wait for you here.”

Susan didn’t say anything more in front of ruo huan yan and asked him to come directly.

“Susan, do you still have any connection with the Ye Ling City?”

ruo huan yan asked in confusion when she saw that the Ye Ling city called Susan.

“No, I haven’t contacted him since you said last time. Roger, don’t worry. I won’t keep in touch with the person you like. You are worried that I will take him away!”

Susan made such a strong promise, so Roger didn’t say anything more.

On the other side, in the night scene film company.

When the Ye Ling City was about to leave, ye xiao xiao was about to talk about the plot with the Ye Ling City.

“Where are you going? Don’t you want to talk about the script?”

ye xiao xiao asked casually.

“I want to see the stream!”

It seemed that he couldn’t wait to see Ning stream.

“Stream? Didn’t she go on a business trip?”

ADVERTISEMENT

ye xiao xiao was confused. ming ming said he would be on a business trip for a few days. Why did he suddenly come back? She didn’t send him a message either.

“Business trip? I didn’t hear that Naomi was going on a business trip.”

He asked in reply.

“It’s normal that you don’t know about her business trip. I’m her best friend. Of course I know!”

ye xiao xiao replied confidently. Her tone was confident. The complacent look on her face made him helpless. Although he was not convinced, he had no choice. Her relationship with Ning Xi was indeed better than theirs.

“I don’t care whether she is on a business trip or not. Anyway, she is not on a business trip now. I have to go.”

He didn’t want to waste his time to see Ning stream with ye xiao xiao.

“How about I go with you?”

ye xiao xiao suggested. The main purpose of her coming here was to match the script with the Ye Ling City. If the Ye Ling City left, she would be fine. Since he said that the stream was not on a business trip, she could go and meet him.

“What are you going to do with the creek?”

It seemed that he was a little unhappy. He wanted to see Ning stream alone.

“What? Can’t I go? I’m a good friend of Naomi. If I go there, maybe she will be happier and help you.”

ye xiao xiao’s words made him think for a while. Finally, he agreed.

In this way, the Ye Ling City and ye xiao xiao went to the address sent by Susan.

Susan was sitting on the sofa. When she saw Richie coming over, she greeted, “here!”

“Stream!”

When he saw the “Ning stream”, he was very happy. He ran to Susan excitedly.

Susan replied with a smile.

“Naomi, you are so mean! Why didn’t you tell me when you came back from your business trip?”

Susan was taken aback by the sudden appearance of ye xiao xiao from behind.

“You... You...”

“What? Are you surprised to see me? Are you more surprised to see me come with me?”

ye xiao xiao sat beside Susan impolitely.

“Yes... Why are you two together?”

Susan didn't react until she stared at ye xiao xiao for a few seconds. It was not until then that she realized that she was a good friend of Ning stream. It seemed that she had regarded herself as Ning stream.

Why would she come with him? What a hindrance!

“He said he came to see you, and I said you were on a business trip, but he said you were not on a business trip, so I wanted to come and see him. I didn't expect you to be here. Why didn't you send me a message when you came back?”

ye xiao xiao explained why she would come here with Ye Ling City.

Susan came to her senses. She had used the phone of Ning stream to send a message to Celia, saying that Ning stream would be on a business trip for a few days.

He didn't expect to see her here. How should he reply her now?

“Yes, yes. I was supposed to be on a business trip for a few days, but then there was an emergency in the company, so I came back.”

Susan had a whim, so she had to answer it perfunctorily.

“Oh, I see. You should have told me. I didn't even dare to call you because I was worried that you were too busy on the business trip to talk to me.”

Susan forced a smile and said, “you can have a look at what you want to drink first.”

Susan changed the topic.

“Naomi, I'll be the same as before. Order a cup for me.”

At this time, an important message was sent to Celia. She looked at her phone and asked Susan to help her.

Susan was stunned. What did she drink before? She didn't know. What should she do?

chapter 351

Just when Susan was anxious, Celia had texted back. Seeing that Susan was indifferent and didn't order her favorite drink, Celia asked, “Naomi, have you ordered?”

“Celia, I’ve been so busy with chen chen and han han that I forgot what you like to drink. You’d better order by yourself.”

Susan had no choice but to speak with chen chen and han han, lest ye xiao xiao suspect something.

Then, Susan handed the receipt to Celia.

“Okay, okay. Nowadays, mothers are prone to amnesia.”

ye xiao xiao took a meaningful glance at Ning Xi sitting opposite to her and quickly withdrew her gaze.

At the same time, Roger was walking towards the direction behind Susan. She could just see the Ye Ling City sitting opposite her.

“Ling City is coming.” ruo huan yan quickened her pace when she saw the Ye Ling City.

“Ling City.”

ruo huan yan walked up to Ye Ling City and called him in a soft voice.

“It’s you. Why are you here?”

When he saw ruo huan yan, he was surprised. He didn’t expect to meet her here.

ye xiao xiao was even more surprised to see ruo huan yan.

Why is she here? What a coincidence.

Thinking of that night, he guessed that she hadn’t told Naomi about it. He was worried.

If Ning Xi knew about it, he would definitely lose his image in her heart. He would be a sc\*\*. If she ignored him, he would regret himself more.

“Ling City, I asked Roger to come out with me. Do you mind?”

At this time, Susan spoke. It was not until then that Richie and Celia knew that they met ruo huan yan here not by chance, but by appointment.

ADVERTISEMENT

“Of course I don’t mind. She is your friend, of course, a friend of mine.”

In fact, he really minded it when he spoke against his conscience.

ming ming asked Ning Xi out alone, but she took her friend, ruo huan yan, who had slept all night by accident.

Celia took a look at Rena and then turned to Susan. She was confused, ‘didn’t the stream say that she didn’t like this woman? And she didn’t have any contact in the company at all. Indeed, Celia didn’t like her at all. She had a seductive face. But now it seemed that the stream was very familiar with her. How could the two of them play together? Strange... I don’t understand her.

“Roger, please sit down.”

Susan promised to help ruo huan yan and make it up for her and Ye Ling City.

“Can I sit here?”

ruo huan yan behaved very politely in the Ye Ling City. She asked first, knowing that the Ye Ling City wouldn't refuse in front of Ning stream, not to mention her words.

“Of course. Have a seat, please.”

He glanced at Susan, indicating that it was up to her. Susan just smiled and didn't mind.

Then, he politely made way for ruo huan yan.

The four of them sat face to face, and the atmosphere seemed a little serious at the moment.

He had thought that they were going to have a date alone, but two more people appeared.

Celia had thought that she could have a chat with Nina and let him watch.

Susan thought they would have a lot to talk after coming to the Ye Ling City, but she didn't expect that ye xiao xiao would follow him.

ruo huan yan thought that she could cooperate with Susan to deal with the Ye Ling City, but she didn't expect that he would bring Celia. It really affected her important thing.

“Naomi, you two are so close now!”

“Do you know me?Why are you looking at me all the time?”

ADVERTISEMENT

ye xiao xiao and ruo huan yan asked at the same time, which made the two look at each other subconsciously.

Seeing that the two of them seemed to be on good terms, ye xiao xiao couldn't help asking.

In just a few days, the relationship seemed to be a little unreasonable.

She had never felt that it would take a year or so for such a good friend.

And when she saw that Richie brought Celia here, she guessed that they must have a special relationship.

“I can't say that I know her. I can only say that I have met her before.A colleague of stream company.”

ye xiao xiao replied coldly.

“Ling City, who is she?”

ruo huan yan pretended to be weak and asked.

“Don't you know who I am?Haven't Naomi told you that I'm her best friend?”

ye xiao xiao asked.

“Oh, I remember. Naomi always reminds me of you.”

Fortunately, Roger reacted quickly, or Susan, who was sitting opposite to her, would be anxious, fearing that they would spill the beans while chatting.

Susan was relieved to hear that. Fortunately

Given the relationship between Ning Xi and ye xiao xiao, Ning Xi did often mention her

“Ling City, are you familiar with her?”

In fact, this was what ruo huan yan cared most about. He only cared whether there would be a woman he was familiar with and cared about around him.

ADVERTISEMENT

“We have a good relationship. We are partners at work, and we are all friends of Naomi. Of course we are good friends.”

Celia answered for him before he could say anything.

ye xiao xiao deliberately wanted to piss her off. She knew at the first sight that she had an ulterior motive towards him from her attitude towards him.

“Really? It turned out that they were colleagues? Ling City, do you have a new play to play recently? I’ll give you more support then.”

ruo huan yan had been trying to find a topic to talk to him. She knew that Celia wouldn’t pose any threat to her, and he wouldn’t fall in love with her.

Then, she winked at Susan and asked her to take ye xiao xiao away as soon as possible.

Susan immediately understood what she meant.

“Celia, we haven’t seen each other for a few days. Let’s go shopping.”

Susan came up with an idea. She just needed to send ye xiao xiao away.

“Of course!”

ye xiao xiao agreed without hesitation. They hadn’t gone shopping together for a while.

“Stream, i...”

“You can go now. We also have something to talk about.”

Hearing that Ning stream and ye xiao xiao were going to leave together, Ye Ling became anxious. He had come here to meet Ning stream and accompany her, but now he was staying with Rena.

Because he didn’t want to be alone with ruo huan yan. He was embarrassed to face what happened that night, so he had nothing to say.

When she was about to say something, she was interrupted by ruo huan yan. Susan went out with ye xiao xiao, leaving only the Ye Ling City and ruo huan yan here.

chapter 352

“Ling City, what’s wrong? Don’t you want to stay with me alone?”

ruo huan yan got closer to him, closer to him.

“You didn’t tell the stream, did you?”

The smile on Richie’s face, which had just been in front of Ning stream, suddenly became expressionless. He was only worried about this question. He was only worried about Ning stream’s attitude towards him, and did not answer her question directly.

Of course, ruo huan yan knew what he meant. It was what happened that night.

Every time it was Ning stream! Do you only have her in your world!

Every time she thought of this, she would go crazy and want to kill Greg.

“Don’t worry. I won’t tell anyone about it.”

But in front of him, she still held herself tightly.

“That’s good. I think you are a friend of Naomi, so I will treat you as a friend. It’s good that you know something in your heart.”

With an expressionless face, he said coldly.

“Ling City, don’t be so cold to me, okay? In fact, there is one thing I haven’t told you...”

If she hemmed and hawed, he didn’t want to know.

“Actually, I’m pregnant...”

When ruo huan yan said this, the whole Ye Ling city looked at her in surprise.

On the other side, Susan and ye xiao xiao were strolling outside.

“Naomi, when did you become so familiar with the woman in your company?”

ye xiao xiao kept thinking about this question, unable to figure it out.

“Who are you talking about?”

Susan didn’t know who Celia was referring to.

ADVERTISEMENT

“It’s Roger. You told me before that you didn’t like her for no reason. You seem to get along well with each other.”

ye xiao xiao pointed out her doubts.

“Oh, you mean her? After all, she is a colleague of the company, so I’m getting familiar with her gradually. I don’t want to have a good time.”

Fortunately, Susan reacted quickly. She didn't expect that she was now the identity of Ning stream, not her. ning xiao xi had a bad relationship with ruo huan yan, but he and ruo huan yan were good friends.

Hearing Susan's answer, Celia didn't say anything more. She just felt strange.

"You know clearly that he likes you, but you are still willing to make do with the two of them. Although you don't like him, you'd better not push him away so casually. It's not good? Don't do what you don't want to do to others, right? "

ye xiao xiao was defending the Ye Ling City. Besides, she didn't like that Roger.

Susan was stunned. Did Celia find out that she had made a good match for them?

"Celia, do you like the city?"

Susan didn't answer her directly, but asked a question that made ye xiao xiao embarrassed and funny. She wanted her to change the topic.

"Oh my God! What are you talking about? How could I fall in love with him? I like someone else. Don't affect my feelings. "

As expected, Celia was successfully changed the topic by Susan.

"Okay, okay. I see. Let's go shopping."

Susan wanted to send her away as far as possible.

"Naomi, I suddenly find that you have changed a little."

ye xiao xiao said as she walked, which made Susan stop.

ye xiao xiao, what did she find? Has she found out that I'm not Ning stream?

The moment ye xiao xiao arrived at the coffee shop, she felt the Ning stream in front of her was a little strange, but she couldn't tell where it was strange. It was a feeling in her heart.

The reason why she didn't tell him just now was that someone else was there.

ADVERTISEMENT

She had been with Ning Xi for five or six years, and this was the first time she had such a strange feeling.

"What? Where is he? "

ye xiao xiao had a fantasy in her mind. She walked to the front, while Susan stayed behind. When she came to her senses, she found that Susan was left behind.

"Naomi, what are you doing? Why don't you leave? "

ye xiao xiao turned around and walked to Susan.

"You just said that I have changed. Where do you feel that I have changed?"

Susan couldn't bear the worry anymore, so she looked completely different from Nina.

She suddenly felt that the fact that she was not Ning Xi would be seen through one day, and she, Celia, would be the biggest obstacle.

“Look, your tone has changed. It’s a little cold and frightening. You have never been so cynical before.”  
ye xiao xiao said jokingly, but she did think so in her heart.

“Hahaha... Celia, you are more and more good at joking now.”

Susan forced a laugh.

“By the way, Celia, let’s have a private meeting next time. We two haven’t been out for a while, right?”  
Susan suggested.

She was thinking that the next time she came out, it would be time to deal with ye xiao xiao.

“Okay, but I have to deal with the company’s affairs these days.”

They strolled around outside and then went back.

When they returned to the cafe, they saw ruo huan yan sitting face to face with Ye Ling City.

“You are back.”

Seeing that Celia and Susan had come back, ruo huan yan greeted them.

“I’m leaving now.”

As soon as they came back, he stood up and was about to leave.

“Ling City, remember to keep in touch. There is something that belongs to you here.”

Then ruo huan yan stood up and said to the Ye Ling City. After that, she walked straight to the gate without looking back.

“Wait for me. I have to go to the company! Naomi, we have an appointment next time. Let’s go!”

Seeing that the Ye Ling City left in this way, ye xiao xiao also ran up to him and greeted him in a hurry.

After watching the Ye Ling City and ye xiao xiao leave, Susan and Rena showed a cold and vicious smile.

He strode ahead, followed by Celia.

“Mr. Tim, what did Roger mean by saying that to you? What are you still with her?”

ye xiao xiao asked in confusion.

All of a sudden, he stopped and thought of what Roger had just said to him.

“I’m pregnant. I’m pregnant...”

These words kept reminding him in his mind.

“Nothing. Don’t follow me.”

After saying that, he left alone.

“Humph! Who wants to follow you?”

ye xiao xiao looked at him with disdain and left.

chapter 353

In the villa of Gu family.

The two babies didn’t go to kindergarten these days, but stayed at home and didn’t go anywhere.

They missed Celia so much that they were about to call her.

As soon as she walked to the telephone receiver, the phone rang.

chen chen blinked his eyes and asked, “who is calling?”

Then she picked up the phone, “hello.”

chen chen greeted her in a sweet and polite voice.

“Hello, is that xiao chen?”

pei xiu juan’s amiable voice was heard by chen chen.

“Grandma!”

He was so excited to hear his grandma’s voice.

“Oh, my dear xiao chen, you can still recognize my grandma’s voice.”

Seeing that chen chen could hear her voice, pei xiu juan was very happy.

“Grandma, when will you come to play with us?”

han han whispered in chen chen’s ear excitedly.

Hearing han han’s words, pei xiu juan couldn’t help laughing. “Grandma called you this time just to invite you to play with her.”

The two babies were so excited to hear that.

“Wow, wow, wow! We are so happy. We really want to see grandma! ”

The two babies were so bored at home that they could go to their grandmother’s house to have fun.

The two of them were so sweet that pei xiu juan grinned from ear to ear.

“I’ll send someone to pick you up tomorrow. Wait for grandma at home.”

pei xiu juan talked to the two babies like a child.

“Okay! We will wait for grandma at home! See you tomorrow, grandma!”

Then the two hung up the phone.

Soon, Susan came back, and gu jin yi came back at the gate.

“Where did you go?”

gu jin yi got off the car as soon as he saw Susan.

“I just went out for a walk.”

Susan replied casually.

Then the two of them went back to the hall together.

As soon as they entered the living room, the two babies heard the footsteps from not far away and looked into the distance.

Seeing Susan and gu jin yi, the two babies ran towards them happily.

“Daddy, you are back!”

“Daddy, we are so bored at home...”

The two babies moved closer to their daddy.

“My two babies, daddy is too busy these days to accompany you. It’s my fault. Just now, grandma called me and told me that she would pick you up tomorrow to play with her for a few days. Are you going there?”

gu jin yi asked the two babies softly.

chen chen han han nodded, “grandma called us just now.”

At this moment, Susan, who was standing aside, was listening to the conversation between the three of them, the grandmother of the two little babies and the mother of Edmund. It seemed that he was going to visit her.

A cunning look flashed across Susan’s eyes.

Their two little b\*\*\*\*\*s would be picked up tomorrow. It was really good. Without them two, Susan felt much more relaxed and comfortable in the Gu family. Now no one could disturb her and Edmund anymore.

“Mommy, is the sushi delicious this morning?”

chen chen mentioned it on purpose.

ADVERTISEMENT

“Mommy must think it’s delicious. I’ve eaten a few.”

han han answered in cooperation with chen chen.

At this moment, Susan was so angry that she wanted to kill the two babies in front of her. In the morning, ming ming told them not to say it earlier, but at this moment.

At the same time, she was also worried about gu jin yi.

This time, he would definitely suspect something. Now he could only hope that gu jin yi didn't know that Ning Xi didn't eat sushi.

"Edmund, i..."

"That's good. I'll buy more in the future, so that everyone of you can eat."

When Susan was about to explain, gu jin yi didn't mention that Ning Xi didn't like sushi.

Susan was relieved. She thought gu jin yi didn't care about it.

.....

After dinner, he received an email from Jacob. It was about the Ning family.

gu jin yi looked at the e-mail and found that the Ning family did have two daughters. The eldest daughter, Nina, had been fostered in her grandmother's house until she was 16 years old. The younger daughter, Susan, had been spoiled by her family since childhood. She was sent abroad for further study and had come back from abroad recently.

And the photos of Nina and Susan were also sent over.

gu jin yi stared at the photo on the screen of the computer. His dark eyes narrowed slightly. How could it be possible? How could they look so alike?

From this moment on, he was sure that the Ning family had two daughters. At first, he was a little confused about what the two babies had said to him.

gu jin yi frowned and stared at the computer screen for a long time. He seemed to have an idea.

Suddenly, two little babies crept in.

"Daddy."

"Daddy."

The voices of the two babies brought gu jin yi back to his senses.

"chen chen, han han, why are you here?"

ADVERTISEMENT

Seeing the two babies coming, gu jin yi stood up and walked to them. He picked them up and sat on the sofa next to them. "Come and sit here."

"Daddy, we have something to tell you. Mommy didn't allow us to tell you about it, but I thought for a while and decided to tell you now."

chen chen looked at gu jin yi seriously and told him directly.

chen chen's words intrigued gu jin yi. Ning Xi hadn't told her what had happened.

"Okay, go ahead. I'll listen to you."

gu jin yi also listened to chen chen seriously.

"Daddy, you can't be angry with mommy after I tell you, because mommy has no choice and she works hard."

Before chen chen spoke, he had thought of his mother, in order to make his parents love each other as before.

"I promise I won't be angry. She is my wife and gave birth to such a cute baby as you and han han for me. How can I be angry with her? It's too late to thank her."

gu jin yi said to the two babies from the bottom of his heart.

chen chen nodded with relief.

Then, han han wanted to go out for fun in the face of such a chatting atmosphere. She slipped down from the sofa and ran to the other side of the study.

chen chen and gu jin yi were still sitting on the sofa.

"Daddy, do you still remember that I told you last time that mommy has a twin sister?"

chen chen's words reminded gu jin yi that he had just seen the information about the Ning family.

"Yes, I do."

gu jin yi answered chen chen seriously.

"Let me tell you a secret. In fact, Mommy's name is Nina. Susan is not her name, but her sister's. I know Daddy must be wondering why mommy's name was Susan when she just married, right?"

chen chen could tell from gu jin yi's expression that he was confused.

chapter 354

"In fact, at first, it was not mommy who wanted to marry you, but her sister. Later, it seemed that Grandpa owned mommy's grandparents' house, and grandpa asked mommy to marry them, so Mommy married you, and then... And then I didn't know."

Although chen chen's words were somewhat unclear, he still understood what he meant.

ning xiao xi was Ning stream, and Susan was just the name of the man she married for him.

When he heard this, his heart trembled slightly.

She just knew that the Ning family had two daughters, and now she suddenly knew about the substitute marriage.

“Daddy, I don’t think that person is Mommy. She should be mommy’s sister. Because she doesn’t get along well with mommy. I think she is also mean to us.”

chen chen told gu jin yi her doubts.

chen chen’s words made gu jin yi more sure that the woman in the house was not his wife, Ning Xi, but another woman.

When he just came back home, he felt something was wrong when he heard that she had just eaten sushi. Ning Xi never ate sushi, but he didn’t say anything at that time, which didn’t mean that he didn’t know.

“Daddy, do you understand?”

Looking at the confused look on gu jin yi’s face, chen chen asked.

“I know, chen chen. Don’t worry. I will handle it well. You and your sister go to bed first. Grandma will pick you up tomorrow.”

At this moment, gu jin yi had a general idea. If what chen chen said was true, then gu jin yi would definitely investigate it clearly. He would have an idea in the following.

“Okay, daddy. I believe you. Will you blame mommy for lying to you?”

chen chen had been worried about this all the time.

“No matter what, daddy will always love you.”

gu jin yi’s simple words made chen chen go back to his room at ease.

After chen chen and han han left the study, Jean sat quietly on the sofa. It was obvious that they were not friendly to each other. They had already come up with a comprehensive plan, making herself unable to find out the IP address of Ning stream, as confused as a headless fly.

#### ADVERTISEMENT

When he found out the evidence, everything would be in vain.

She recalled what chen chen had said. Why hadn’t she heard of her grandmother’s house from the stream? It seemed that this matter was also very important and would involve a lot of things

gu jin yi thought of the scene that Ning Xi was with him. Xi Xi, where have you been?

Suddenly, Susan came in from the door.

“Edmund, what are you doing at this late hour?”

Susan’s voice brought gu jin yi back from the thought of missing Ning Xi. He was obviously irritated by her unusual expression.

“Go to sleep first. I have something to deal with today.”

gu jin yi stood up elegantly, walked to the desk and sat down in front of the computer.

Susan walked to gu jin yi step by step, put her hand on his shoulder and wrapped her arms around his neck.

“But I want you to sleep with me, okay?”

Susan shook gu jin yi and wanted to sit on gu jin yi’s thigh subconsciously. She almost fell to the ground by accident.

Obviously, gu jin yi didn’t buy it.

Because gu jin yi had already stood up before she sat down.

“I said I have something to deal with!”

gu jin yi’s face changed dramatically and said to Susan coldly and harshly.

“Well, I’m leaving now. Come to accompany me early. I’ll wait for you in my room.”

Susan left the study consciously.

ADVERTISEMENT

As soon as she walked out of the study, Susan’s face changed instantly. Was this the way how he usually treated Nina?Or... Did he find something.

In an instant, Susan’s face turned gloomy. ‘gu jin yi, you will regret your attitude towards me one day!’ she thought!Humph!

When the two babies returned to their room, their mood suddenly became depressed.

Mommy, where have you been?Why did she leave chen chen and han han behind

Sitting on the bed, chen chen looked sad and dejected.

“Brother, I miss mommy so much...”

At this time, han han’s little baby looked at chen chen with two tearful eyes.

“Where on earth did Mommy go?You don’t take han han with you. I don’t like mommy anymore. Waah... Waah... ”

han han was a little excited. As a brother, chen chen held his sister and said, “Mommy will be back soon. We’ll wait for her.”

Tears welled up in chen chen’s big watery eyes, but he tried his best to hold them back, in order to make his sister rest assured.He was a man. He couldn’t cry, even if he missed his mother more than anyone else

On the second morning, the two babies got up early because their grandmother would pick them up today.

She was so excited that she got up early.

After a while, Susan dressed up and walked downstairs lazily.

The two kids didn't care about it, because they already knew that this person was not their mommy, and their mommy's disappearance had something to do with her.

She was still sitting on the sofa, waiting for their grandmother.

Susan was confused when she saw that the two babies treated her so coldly today.

It suddenly occurred to her that she had told them not to tell her sushi to gu jin yi yesterday morning, and they even mentioned it on purpose. But fortunately, he didn't suspect it. Otherwise, if it affected her Susan, they would definitely not let the two of them go.

ADVERTISEMENT

Then she walked up to them angrily.

"You are becoming more and more disobedient! What did I tell you yesterday? Didn't I tell you not to tell him that I ate sushi?"

The two babies still ignored her.

"What? Dumb! Say something!"

Susan was even angrier when she saw that the two babies ignored her. How dare they ignore her? That's great!

Susan pinched the faces of the two babies subconsciously. Then han han cried out, "it hurts..."

chen chen held his sister in his arms and pushed Susan away.

"han han doesn't hurt. I will protect you."

chen chen took a look at han han's red face which was pinched by her and left a deep mark, which made chen chen angry.

"You are not our mommy. Why should we listen to you?"

It was the first time that chen chen had lost his temper. The usually gentle and elegant little boy had become so excited at the moment.

"Give my mommy back to me. Bad guy, bad guy! Boo... Hoo..."

While crying, han han was thinking about her mother Ning Xi.

Susan's face changed when she heard the two babies' words.

"What are you talking about? Mommy has been here all the time. It's my fault to pinch you just now. Please forgive me."

Susan immediately became a good wife and mother. She felt that the two babies had known something.

Seeing the two little babies, pei xiu juan unconsciously forgot what had happened just now and couldn't help smiling kindly at them.

"Grandma, I have something to deal with just now. I'm late. Let my two grandsons wait for a long time."

As soon as pei xiu juan got in the car, she held the two babies in her arms, full of joy.

"It won't be long before grandma comes."

The two babies hugged their grandma tightly at the same time.

"Let's go."

pei xiu juan asked the driver to drive.

Then pei xiu juan looked down at the two babies in her arms, and her heart softened.

Caressing their little heads, she muttered in her heart, 'poor children, how could your mother be that kind of person? Giving birth to two adorable children like you will also make you suffer. Alas... If you were the child of my family, how happy you would be

Thinking of this, pei xiu juan's eyes were filled with tears.

"Grandma, why are you crying?"

chen chen noticed the tears in pei xiu juan's eyes.

It was not until then that pei xiu juan realized whether she liked the two kids too much? She even cried for them.

"Grandma, are you being bullied? Don't be afraid. Let's help you! We will protect you!"

At the thought of Susan pinching her face and her grandmother being bullied by her, han han was furious.

"Grandma didn't cry. When I got on the car, the wind blew and the sand blew into my eyes. Who dares to bully me with your protection?"

The words of the two babies moved pei xiu juan even more. She must find out the identities of the two children, and she couldn't listen to Susan's one-sided words. Their two children were so sensible. Their mother shouldn't be the kind of casual and self-centered woman that Susan said.

But that was Susan's sister. How could she talk about her sister like that? 'I'd better tell this to him first. After all, he has adopted two children. At that time, it's up to him to decide whether to stay or not.'

pei xiu juan didn't want to think too much about it, and she didn't want to worry too much. She just let her son gu jin yi deal with it.

"Grandma, let me help you blow. You will feel comfortable when the sand is blown out."

The two babies cooperated, one gently blowing his left eye and the other gently blowing his right eye.

At Empire first hospital.

In the VIP ward, the bright sunshine caressed the delicate woman lying quietly on the bed through the window.

By the window stood a handsome and sunny boy with a straight and strong back and messy hair. Obviously, he was a handsome man.

At this time, Ning Xi, who was on a drip, moved his fingers like playing a piano.

It seemed that a man's back appeared in Ning Xi's mind. Every time she wanted to walk in front of him to see who he was, she couldn't catch up with him.

"Don't go... Don't go..."

The boy seemed to hear the sound. He slowly turned around, walked to the side of Ning stream and sat down.

He stared at her hand.

Then, Ning Xi's fingers moved more and more forcefully.

He immediately walked to the door of the ward and ordered the guards to call the doctor over.

"Ask wang yi sheng to come here as soon as possible!"

"Yes, sir!"

The guard rushed to the doctor's office.

The boy quickly returned to Ning stream and called her, "Miss, miss... Are you awake?"

Ning stream slowly opened her eyes, and a strange man's face came into view.

"Are you awake? Are you okay?"

The boy asked with concern.

"Who are you? Where am I?"

Ning Xi rubbed her temples and felt dizzy and painful.

"My name is gong hao yu. This is the hospital."

gong hao yu patiently told Ning Xi his name.

"Jonny..."

Ning Xi thought, but had no impression of the boy in front of him.

"By the way, what's your name?"

He hadn't known her name yet.

“I... what’s my name?”

Ning stream was still holding her head, and her head was still a little painful. She kept knocking on her head, with her beautiful eyebrows tightly knitted.

She kept thinking about her name, but she couldn’t remember.

At this time, the doctor came in in order.

“wang shu shu, look at her?Why can’t she remember her own name? ”

Then wang yi sheng began to examine Ning Xi.

.....

After the examination.

“wang shu shu, how is she?”

gong hao yu asked after wang yi sheng finished the examination.

“Let’s go out and have a talk.”

Then, Jonny followed wang yi sheng out of the ward.

In the office.

“Because of the severe impact on the brain, the brain disease is not light, causing the clot in the back of the brain to condense and oppress the nerve at the back of the brain, which will cause this temporary amnesia.”

wang yi sheng explained to Jonny.

“Temporary amnesia?”

gong hao yu was a little surprised. It turned out that she had forgotten her own name because she had lost her memory.

“Then how long will it take for her to recover?”

gong hao yu continued to ask.

“I’m not sure. If the congestion in the brain dissipates quickly, maybe she can remember it in a month.If the extravasated blood keeps pressing on the nerves in the brain, maybe I can’t remember what happened in the past all my life. ”

According to his years of experience, wang yi sheng told gong hao yu the best and the worst ending.

After hearing this, gong hao yu kept silent for a while. “wang shu shu, what can I do to help her regain her memory?”

“Take her to a familiar place or a familiar person frequently to stimulate the memory of her brain nerves, which is helpful for her to regain her memory. But remember, don’t force her to think of anything, or the result will be the opposite.”

wang yi sheng gave a reasonable suggestion. After knowing it clearly, Jonny went back to the ward.

Seeing that Ning Xi was still holding his head, he quickly walked to her side and asked, “what’s wrong with you? Does it still hurt?”

“How long have I slept?”

Ning Xi asked. She kept thinking about the past, but her mind was blank and she had no memory at all.

“You have been in a coma for three days and nights.”

“Three days and three nights? Why am I in a coma?”

gong hao yu couldn’t answer Ning Xi’s question, because she had been in a coma by the sea when he saw her.

Three days ago, when he went out to explore the sea, he accidentally found a woman lying on the sea.

“Miss, what’s wrong with you? Wake up.”

The head of Ning stream had been drooping, and it was impossible for Jonny to see her face clearly.

“My lady...”

gong hao yu shook Ning Xi slightly, and Ning Xi’s weak face appeared in his eyes.

## chapter 357

The moment gong hao yu saw Ning Xi, he was stunned and stared at her, as if he had seen something.

Then, he didn’t think too much and directly took Ning stream away

“Well... You passed out when I met you.”

Before gong hao yu could figure out how to answer Ning Xi, she asked another question.

“Why can’t I remember the past? Why is your mind blank?”

Ning Xi felt a dull pain in his head and couldn’t control his excitement.

“Don’t be so excited. Your head has bumped. You will remember it slowly. Just now, the doctor told me that there is only some congestion in your brain. The congestion will recover after a period of time. So don’t worry.”

gong hao yu didn’t tell Ning Xi that she had lost her memory, in case she forced herself to recall the past.

Ning Xi regained his composure under the comfort of gong hao yu.

She knew that it was caused by the cerebral congestion, so she didn't ask more. She could only wait for it to slowly recover.

"You must be tired after lying on the bed for three days. I'll take you out to exercise."

gong hao yu suggested. Ning Xi nodded with a smile.

Then, he pushed Ning Xi out of the ward.

In the yard of the hospital, Jonny helped Ning Xi stand up slowly.

At this time, Ning stream's mind was completely blank. She didn't remember that she had two lovely children and a husband who loved her deeply.

So now she lived a carefree life like a child, and her smile was so attractive.

"Well... Daniel, right?"

ning xiao xi wanted to call out his name, but she suddenly couldn't remember his name. After thinking for a while, she remembered.

gong hao yu smiled brightly, "Jonny, I'll keep that in mind. I will only say it once."

gong hao yu said with an evil smile.

"Your Majesty..."

At this time, a man rushed over. When he was about to call out, he was stopped by his eyes.

Then the man whispered in his ear.

Then, the expression on his face suddenly changed.

"You go back first. I'll be right there."

After gong hao yu ordered, the man left quickly.

"It's windy outside. Let's go back to our room first."

Ning Xi didn't say anything. He returned to his room not long after he came out.

gong hao yu arranged a nurse to take care of gu ning stream, and then he left the hospital.

His assistant was already waiting for him in the car. "Mr. Gong, this is the recent situation."

As soon as he got in the car, he looked at the data of the company recently.

"By the way, don't let the girl in the hospital know who I am."

gong hao yu suddenly thought of it and said.

"Yes, sir. I'll tell them right away!"

The assistant began to operate the phone.

“How is Empire group going?”

gong hao yu looked at the data on his computer while he was concerned about the business of the Empire group.

“The Empire group has been paying close attention to it. Don’t worry.”

.....

On the other side, in the villa of Gu family.

After the two babies left the Gu family and went to the old house, Susan felt more comfortable at home. She felt comfortable without the two babies.

ADVERTISEMENT

She was imagining that if they were gone forever, there would be only Jean and her left in this house, and the sweet time of the two of them would be left. She felt happy and comfortable at the thought of it.

Just as Susan was fantasizing her happy life, Celia sent her a message.

“Let’s meet. I’ll send you the address.”

ye xiao xiao sent a message and was about to go out.

Susan saw that it was Celia who wanted to ask her out. Coincidentally, she also wanted to see Celia alone.

He wanted to know whether she had known something.

After dressing up, Susan set out from the Gu family to the appointed place.

When ye xiao xiao was about to leave, Richie came in. “This afternoon...”

“Let’s talk about it when I come back. I have an appointment with Naomi.”

Before he could finish his words, Celia left directly.

After a short pause, he thought of what Celia had said. She wanted to find a stream, and then he followed her out.

When they were about to reach the finish line, Ye Ling city didn’t follow ye xiao xiao. “Where did this woman go in a flash?”

He looked around.

Celia had arrived ahead of time when Susan arrived.

“You sent me a message when I was about to ask you out.”

Susan walked to Celia and sat down opposite her.

“That’s true.”

ye xiao xiao kept staring at the hypocritical woman in front of her.

“Yes, that’s what we have always been like.”

Susan thought for a while and this answer could just express her intimacy with him.

ADVERTISEMENT

Because she and Ning Xi were good friends.

“Ha ha, it seems that we are not familiar with each other, right?”

Susan’s face suddenly changed when she heard ye xiao xiao’s words.

But the sudden change of expression disappeared in an instant. She slowly raised her eyes to look at ye xiao xiao, pretending to be in a daze and smiling. “Celia, are you kidding me? It’s not funny at all.”

“da xiao jie, oh, No. It should be er xiao jie Ning. da xiao jie is my stream, not you, Susan!”

ye xiao xiao’s direct words made Susan’s heart float again. Her words had already indicated that she knew her identity.

“Celia, you look very strange today. Are you too tired recently?”

Susan didn’t say anything.

At this moment, ye xiao xiao and Susan were seen in the nearby city. “I finally found them! How can you not take me with you when you meet the stream? No way!”

He walked quickly towards them, trying to give them a surprise.

All of a sudden, he stopped because he heard what ye xiao xiao said.

“You don’t have to pretend to be Miss Susan anymore. I knew you were not a stream when we met last time. Now there are only two of us, so you don’t have to pretend to be her anymore.”

ye xiao xiao told Susan directly that she had known her identity.

This time, yue yue couldn’t stand it anymore. Since she had known it, there was no need for her to pretend anymore.

In an instant, Susan’s face became stiff. She looked at ye xiao xiao with a ferocious look and said, “it seems that you have known it. I want to know how you found it out.”

yue yue was a little confused. No one else had found it. Even if they had found it, they were only suspecting. Why was ye xiao xiao so sure that she was not Ning Xi?

“It seems that you underestimate the relationship between me and Naomi. As an outsider, you can’t understand our tacit understanding.”

ye xiao xiao was very confident in her relationship with Ning Xi.

“No matter how tired the stream is, no matter how busy she is, she won’t forget what I like to drink. Besides, she said that she was afraid of pain, so she didn’t like to have ear holes. Miss yam, you have four ear holes.”

ye xiao xiao glanced at the woman sitting opposite her, Susan, and said sarcastically.

Susan touched her ears subconsciously, and a bad scene abroad suddenly appeared in her mind.

‘susan, don’t think about it anymore. That kind of thing will never happen again. Now we have to live a good life. ‘.

Susan told herself to stop living such a miserable life.

She instantly adjusted her mood and said, “since you have known, I have nothing to hide.”

“Is the stream not on a business trip? Where did you hide it?”

ye xiao xiao blamed Susan. Ning stream must have disappeared these days.

“What do you mean? Where did I hide her?What does it have to do with me if she is not here?She just returned my position as Mrs. Gu to me. ”

Susan didn’t admit that she had anything to do with the disappearance of Nina.

Hearing Susan’s words, Celia felt unfair to Nina. She really wanted to beat up the woman in front of her for her.

“At that time, it was your family who forced our daughter to come back to marry you. If it weren’t for you, how could she come back?She should have lived a carefree and happy life abroad. It’s all your fault!Now you want to be Mr. Gu’s wife, why do you come back?Even if the stream agrees, I won’t agree! ”

ye xiao xiao was really pissed off. She felt that Ning Xi was not worth it. The Ning family treated her as a commodity.Celia was satisfied that she didn’t hit him rudely.

“She has already left voluntarily. Even if you don’t agree, so what?I advise you to think about how to find her. I’m already the wife of the CEO of the Empire group. This matter can’t be changed. ”

Susan smiled coldly. She seemed to be determined to get it. Celia couldn’t do anything to her.

“Really?Just wait and see.Mrs. Gu will always be my stream, not you. ”

ye xiao xiao sneered, showing no sign of weakness.

“Celia, what do you mean?Mind your own business! ”

Susan became anxious. She felt that ye xiao xiao wouldn’t let it go.

“What do you think Mr. Gu will think if he knows about it?Even if Naomi married him for you, if he knows that your family has lied to him, do you think he will let you go?Besides, Naomi is his acknowledged wife. Do you think he will give up the Naomi? ”

As soon as ye xiao xiao finished her words, she stood up and was about to leave. Hearing her words, Ning yue yue became anxious. She immediately stood up, afraid that she would really tell the identity of her father.

“Stop! I warn you, if gu jin yi knows this, you will come to no good end!”

Susan warned her in a sharp and fierce voice.

“Okay, I’ll wait!”

Celia smiled as if nothing had happened. She turned around and left domineeringly, not afraid of yue yue’s threat.

“You...”

Susan stared fiercely at the back of ye xiao xiao.

“Celia, you know too much. You have to disappear forever!”

A touch of viciousness and cruelty flashed across Susan’s fierce eyes.

At the same time, in the nearby city, Richie was in a bad mood. In a trance, she recalled the conversation between the two of them just now.

She was not a stream. She was not a stream. How could it be possible

Where is the stream? Who was this woman? What the hell was going on? She got married to the Gu family on behalf of gu jin yi, so she was not the one he really wanted to marry

At this moment, his mind was in a mess. After Celia left, he wanted to know what had happened, so he followed her. It seemed that only Celia could tell him the truth.

ye xiao xiao walked along the road alone, thinking about Ning stream.

ADVERTISEMENT

Where on earth did the stream go? Why did he disappear all of a sudden? Why did this woman come back and marry into the Gu family? He had never heard her mention that she was leaving.

Celia paused and stopped subconsciously. “Is there anything wrong with the stream?”

“Nothing will happen to the stream!”

Just as Celia was worried about Ning stream, ye Lingcheng suddenly appeared from behind her.

“Ah! Why are you here? I was scared to death!”

ye xiao xiao was shocked by the sudden appearance of Ye Ling City.

“I came with you.”

To be honest, he came here with Celia.

“You came with me? Then why didn’t I see you just now?”

ye xiao xiao was confused. She didn't see him at all.

Suddenly, she seemed to think of something.

"Then you... Did you hear something?"

"I did hear a lot, but you need to tell me in detail."

ye xiao xiao frowned and pouted. She had promised Ning Xi not to let others know about the past, but he had overheard it. What should she do?

"Don't think about it anymore. Just tell me, so that I can help you."

Seeing the worried look on Celia's face, he knew that she was hesitating.

"All right, all right. I won't tell you."

ye xiao xiao knew that she couldn't escape even if she was caught by him. She needed help for the disappearance of Ning stream.

"Actually, Naomi has a sister. At the beginning, she lived abroad, because..."

.....

In this way, the Ye Ling City knew the ins and outs of the matter. Ning Xi had a sister and had a bad relationship with her, and the Ning family was partial to her. She came back to the country because of her family affairs, and married gu jin yi because she got married. And now this woman was her younger sister, Susan.

"How could this happen?"

After hearing this, he felt like he was in a TV play. He had only seen these things when he was in a TV play.

"Now you know it, right? So I'm worried that something might have happened to the stream."

ye xiao xiao said worriedly.

"So the stream has been missing for several days. I'll go find her!"

After saying that, he turned around and ran away.

"The night Ling City! Where are you going?"

Seeing that the man suddenly turned around and ran away, ye xiao xiao wanted to ask him, but he had already run away.

No, she had to tell this to gu jin yi. After all, he was now a legal couple with Naomi, and he had a reason to know.

Susan didn't go home after she saw ye xiao xiao. Instead, she found someone to show her photos to them.

She thought that she should solve this matter as soon as possible, and the longer it delayed, the more dangerous it would be.

chapter 359

Take care of this woman. Don't worry about the money. I won't give you less."

Susan quickly sent the photo to the man's phone.

"She's still a beauty. Don't worry. I'm good at it!"

The man held the phone and stared at the screen. His lustful and obscene eyes were fixed on Celia in the photo.

"As long as the problem is solved, you can do whatever you want. Don't affect what I have told you."

Susan knew what the man was thinking, but she didn't care. What she cared about was to make Celia disappear forever and no longer hinder her way!

"Okay, no problem!"

The man replied confidently.

"The sooner, the better. I don't have so much time to wait!"

There was a ruthless light in Susan's dark purple eyes.

ye xiao xiao, you are in a hurry to die. I don't want you to go so early. You deserve it. Don't blame me!

Susan curled her lips and left coldly.

After knowing the truth, he went to the place where he knew Ning Xi often and looked for her everywhere.

He searched everywhere, and finally came to a seaside in disappointment. He remembered that Ning stream said that she liked the sea and the sound of waves could make her forget all her troubles.

"Naomi, where on earth have you been?Why can't I find you? "

It seemed that he was short of breath and in a low mood.

She suddenly remembered what Ning Xi had said to her last time. He didn't want to talk to her when his attitude was different. Now he realized that the woman was not her, but another person.

She began to doubt why Ning Xi suddenly changed. It turned out that she had not changed.

At this moment, he was very regretful. How could he mistake Ning Xi for someone else.

He clenched his fists and hated himself.

"Ning stream!Come out!Do you know how much I'm worried about you and miss you? "

He shouted at the sea.

There were tears in his deep eyes, which blocked his view to the sea.

At last, he squatted down and couldn't help thinking of Ning stream with his big hands holding his head.

It was the first time that he cared about a person so much

In the CEO Office of Empire group.

gu jin yi was on the phone with her mother pei xiu juan.

"Come back to the old house today. I have something to tell you."

pei xiu juan called to ask gu jin yi to go home.

"I'm free tonight."

gu jin yi replied briefly and then hung up the phone.

pei xiu juan didn't say anything more and decided to tell him when he came back.

After putting down the phone, gu jin yi slowly picked up the documents on the desk and stared at them, with a touch of coldness in his eyes.

Then, he stood up and intended to go to the Ning mansion.

He had to know the truth of all these things.

Soon, they arrived at the Ning mansion.

yan pei fen was watching TV leisurely at home, eating melon seeds.

Her daughter Susan had already entered the Gu family, and she was relieved.

Ning Hui walked downstairs slowly.

"I'm going to the company now."

Ning Hui said to yan pei fen casually.

"Stop!"

yan pei fen put down the melon seeds and stood up angrily.

Ning Hui stopped impatiently.

"yue yue went to Gu family for a few days, but you didn't ask her. As her father, is this what you should do?"

yan pei fen said in a somewhat reproachful tone.

ADVERTISEMENT

"She still has you? You and your daughter have been hiding a lot of things from me, haven't you? I don't care about anything. It's up to you."

Radiance was very disappointed with Susan and her daughter, so he didn't want to care about anything else.

yan pei fen lowered her eyes slightly because of Ning Hui's words, and the guilt in her eyes could not be concealed.

However, this lack of confidence immediately disappeared.

"Do you want to laugh at us now? Now you all love that b\*\*\*\*\*, right? Let me tell you, that b\*\*\*\*\* will never live a better life, no, next life, and next life than my yue yue! She is a b\*\*\*\*\*!"

yan pei fen knew what Ning Hui was thinking. He had been thinking about his another daughter Ning Xi these days, and yan pei fen had already seen through it.

So she couldn't help slandering her and venting her anger and unhappiness.

"Shut up!"

Ning radiance raised his hand suddenly and was about to slap her, but stopped in midair. Then she shook her hand off violently.

"Harrison, if you have the ability, just do it! It's not the first time or two that you have such an idea!"

yan pei fen, on the other hand, didn't dodge Ning Hui confidently.

"I have nothing to say to you."

Harrison didn't want to say anything more. When he was about to turn around and leave, a tall and strong man came in.

Ning Hui and yan pei fen were stunned and stared at the man in front of them.

She was expressionless.

"Gu... Gu..."

yan pei fen hemmed and hawed, unable to speak.

Now she wanted to slap herself. Did he hear what she said just now?

She came to herself and thought, 'I didn't say anything. Don't think too much. Don't think too much.'

Just as Susan said, she was calm and couldn't panic. yan pei fen comforted herself in her heart.

"Are you excited to see me?"

gu jin yi glanced at yan pei fen coldly and then looked away.

ADVERTISEMENT

"Hahaha, you are so good at joking."

In order to hide her guilt, yan pei fen forced a smile.

"Why are you here?"

Ning Hui asked calmly.

“I have something to consult you.”

gu jin yi said briefly and walked into the hall.

yan pei fen glanced at Ning Hui and asked him not to say anything wrong. He must have something to do here.

Then the Ning couple followed him in.

“Come on, have a cup of tea.”

yan pei fen handed a cup of tea to gu jin yi respectfully, fearing that she would piss him off.

“Why don’t you two ask me why I’m here today?”

gu jin yi crossed his legs gracefully and glanced at ning guang hui and his wife coldly. There was no expression on his face.

“Then why are you here today, Mr. Gu?”

“Why didn’t yue yue come with you today?”

ning guang hui and his wife asked at the same time.

“She is not qualified to do that.”

gu jin yi replied calmly.

yan pei fen didn’t say a word. She was worried. What did he mean? What did she mean by saying that her daughter was not qualified? Was that b\*\*\*\*\* qualified?

“Where is the stream?”

Then gu jin yi glanced at Mr. and Mrs. yan pei fen weirdly.

yan pei fen’s heart was trembling. Did he find out something?

chapter 360

“Isn’t the stream at home? What do you mean, Mr. Gu? ”

At this moment, of course, Ning radiance had to cooperate with them. After all, they were his wife and daughter, and it was also related to the safety of the Ning family.

“Before I have any other idea, I advise you to tell me everything.”

Obviously, gu jin yi was a little impatient. If he was irritated, he might do something.

At this time, no one spoke. They quietly glanced at gu jin yi. His fierce eyes just met their eyes, and they quickly looked away.

It seemed that he couldn't hide it anymore.

Then, he threw a document on the table.

"Take a look."

After saying that, he sat on the sofa in silence, as proud as an emperor.

yan pei fen nudged Ning Hui with her arm and showed him what was on the table subconsciously.

Ning Hui picked up the document and opened it slowly.

What she saw were all information about the Ning family, as well as photos of Ning stream and Susan

Ning Hui seemed to understand something.

It seemed that gu jin yi had thoroughly investigated the Ning family.

"What's in it?"

Seeing that Ning Hui was also silent, yan pei fen pulled the document over directly.

"Are you dumb? Show yourself!"

yan pei fen glanced at the document in her hand.

The indifferent look on his face suddenly changed.

"This... This..."

ADVERTISEMENT

Seeing that this matter had been investigated by gu jin yi, yan pei fen could no longer control her excitement.

gu jin yi looked at the two evilly.

"It must be a misunderstanding. Susan is our only daughter. And these photos are all taken by one person. How could it be two people! Do you think we only have one daughter? How could we have two daughters?"

yan pei fen refused to admit it, even if the evidence was placed in front of her, she still did not tell the truth.

Still in silence.

"Within three days, your company will be acquired by the Empire, and you will be arrested as a fraud. And I don't know what will happen to your daughter."

gu jin yi didn't want to say anything more. He stood up elegantly after saying a simple and powerful sentence.

At this moment, yan pei fen was more anxious than anyone else. She was so nervous that she almost wanted to chop her feet.

Seeing that he was about to leave, Ning Hui didn't care so much. She had to admit her mistake first. Maybe she could let Ning family go for the sake of Ning stream.

He didn't want his company to be lost like this. bai bai was his lifelong painstaking efforts.

"Mr. Gu... Please let the Ning family go. We have no choice..."

"What are you talking about? Brilliant Ning! You coward! "

yan pei fen pushed him hard and cursed him when Ning Hui revealed the truth.

gu jin yi still ignored them. The evidence was presented in front of him, and he knew what to do.

He turned around and left the Ning mansion without mercy.

As soon as gu jin yi returned home, wang sao came in a hurry.

"Mrs. Carla... Has invited a lot of people to redecorate the house."

gu jin yi went upstairs with an unhappy face.

"What are you doing?"

ADVERTISEMENT

"You're back, Edmund!"

As soon as Susan heard gu jin yi's voice, she turned around and ran to him, holding his strong arm.

gu jin yi shook it hard, and then said in a strong and powerful tone, "stop!"

As soon as gu jin yi's voice came, everyone present stopped what they were doing and looked at gu jin yi. Their hearts trembled when they met his cold and sharp eyes.

"Don't be angry, Edmund. The decoration style here is a little out of date, so I want to change it."

Susan said coquettishly to gu jin yi.

In fact, she just thought that everything in this place had been touched by Ning stream. She must change it again. She would never use anything that Ning stream had used.

"Get out!"

gu jin yi didn't listen to Susan at all, because his horrifying aura made those people escape.

Only gu jin yi and Susan stayed here.

In fact, she was very unhappy and angry with gu jin yi's behavior.

As the wife of Mr. Gu, she didn't show any respect to others. What did he mean?

If it weren't for his wealth and power, Susan wouldn't have swallowed insult and humiliation. She had never been treated like this at home!

"Bill, what's wrong with you today? Did someone in the company make you angry? "

But Susan still asked him in a soft tone.

“When did I allow you to move this house?”

gu jin yi said in a cold tone, staring at the woman in front of him unhappily.

“Edmund... I...”

“My name can only be called by my wife, Ning Xi. You are not qualified.”

Susan seemed to understand something after hearing gu jin yi’s words.

“What do you mean?”

“You are not a stream at all. Do you need me to make it clearer?”

gu jin yi’s words were very obvious, and then he directly threw a document on the ground. Susan squatted down and picked up the folder. She stared at it, with a hint of panic in her eyes. She had already guessed what gu jin yi meant.

“What are you talking about? Why can’t I understand at all? ”

Susan still pretended to be confused.

“Move out in one day. I don’t want to say it a second time. ”

When gu jin yi was about to leave, Susan stood in front of him in a panic. She knew that she couldn’t change it and he had known her identity, so she explained to him in a panic.

“Listen to me, Sheffield. Did Celia tell you that? Don’t listen to her nonsense. She is just jealous of my marriage, so she deliberately slandered me in front of you.”

Susan couldn’t control her emotions at once, and ye xiao xiao’s figure appeared in her mind. She was sure that it must be her who told gu jin yi that she was not Ning Xi. Because only she found out about it.

“I’ve long found that you’re not a small stream. I believe you’ll know the consequences of lying to me soon.”

gu jin yi didn’t want to say anything more and turned away.

“Since when did you know that I’m not Ning Xi?”

Susan shouted at the back of gu jin yi. Even if he knew the truth, she still wanted to know what she had done.

“I knew it at the first sight.”

gu jin yi left after saying that.

“The first... The first time he saw me was in the Ning family... How did he know? It’s impossible. It’s impossible. I know Ning Xi very well. It’s impossible for him to see through me...”

Susan wanted to ask more, but gu jin yi had left. She stood there in a daze and talked to herself nervously.
