chapter 36

Ning Xi was tidying up his documents. When he was about to leave, an zi hao stopped him.

“Stream.”

“Mr. an, what can I do for you?”

Ning Xi asked.

As soon as Leona walked out of the meeting room, she heard the sound from the meeting room. She leaned against the wall and eavesdropped.

“Do you have confidence in this competition?”

an zi hao asked with concern.

His tone was a little different from that of the meeting just now.

He had always believed that Ning Xi was a capable designer and thought highly of her.

“Mr. an, don’t worry. I will prove it with my ability. If I am not capable enough, I will quit voluntarily.”

Ning Xi said word by word firmly.

Humph, Ning Xi, just wait and see. You will make a ‘show’ of yourself this time. You want to compete with her for the position of design director and be her boss. Dream on!

A hint of evil flashed through his bright eyes.

Then he turned around and left.

“If you don’t have anything else to do, I’ll go back first, Mr. an.”

an zi hao nodded with a smile.

Ning Xi replied politely and left the meeting room.

Ning Xi returned to the design department and ran over.

“Naomi, I heard that you and the deputy director are running for the design director?”

Ellie asked curiously.

Ellie deserved to be called omnipotent in the legend of VL.

She was the first one to know anything.

Since you asked, Ning Xi nodded. It was true.

“Really? Are you confident that you can defeat her?”

Asked Ellie.

Why did they ask the same question?an zi hao asked, so did you. Why don't you trust me?

Ning Xi thought to himself.

"You don't believe me?"

Ning Xi squinted at her and said.

"How could it be?I trust you with all my heart.I just think of her bad character and worry about you."

Ellie teased.

"Don't worry. Who is Ning stream.Let's wait and see."

Ning Xi teased.

"Come on!Stream is the best!"

Ellie smiled and made a gesture of cheering.

"All right, all right. Stop it. Go back quickly. I have to go to work."

Looking at the innocent look on her face, Ning Xi felt helpless and funny.

Then they returned to their own seats.

In a flash, it was time to get off work. Ning Xi was still busy with the design draft in his office, so he didn't notice that it was already off duty.

Her colleagues reminded her one by one before she came to her senses. She sorted out the design doc\*\*ents and took them home. Tomorrow was Sunday. She thought she could think about how to design at home.

Ning stream left the company with the doc\*\*ents. When she walked to the bus station and waited for the bus, a black Cadillac suddenly stopped in front of her.

She was stunned.

Isn't this gu jin yi's car?Why is he here at this time?

"Why are you here?"

Ning Xi stared blankly at gu jin yi and asked.

"Get in the car!"

gu jin yi said coldly without any explanation.Ning Xi got in the car obediently.

In the car.

Ning Xi looked at gu jin yi from time to time.

What kind of person was he? It was not her who insisted on taking his car. It was he who asked her to do so. She even pretended to force him.

Ning Xi thought to himself and curled his lips at him.

“What are you doing? What are you thinking about?”

Said gu jin yi.

“Nothing, nothing.”

Ning Xi answered guiltily, turning his head to look out of the window.

‘oh my God! Is he a God? Can he hear me?’?

Ning Xi lowered his eyes and made a helpless face in his heart.

“Are you feeling better?”

gu jin yi asked expressionlessly.

Hearing gu jin yi’s words, Ning Xi immediately raised his head and sniffed hard.

“Well, I feel much better after drinking your cold spirit, but my nose is still blocked.”

Ning Xi sniffed.

Then gu jin yi stepped on the gas.

The car sped away.

“Hey, why are you driving so fast?”

Sitting on the passenger seat, Ning Xi looked at the racing speed and felt a little nervous.

“I’ll take you home to drink the cold spirit.”

Ning Xi was stunned by gu jin yi’s words.

“You don’t have to be in such a hurry to drink the cold spirit. Slow down!”

Ning Xi looked sideways at gu jin yi and begged.

gu jin yi slowly slowed down, but he was still very fast, so he arrived home soon.

As soon as they arrived home, Ning Xi ran upstairs regardless of her image as a lady.

gu jin yi got off the car and saw Ning Xi rush into the house. He shook his head with a doting smile on his face.

As soon as Ning Xi went upstairs, he took out all the documents from his bag and put them on the table.

Then xiao fang asked her to have dinner.

Because she came back a little late today, wang a yi had prepared dinner for them. When they came back, they could have dinner directly.

Ning Xi went downstairs in a hurry and wolfed down the dinner.

“Haven’t you eaten anything for a day?”

Looking at the way Ning stream was eating, he couldn’t help asking.

“Yes, I have.”

Ning Xi stared at gu jin yi in a daze and didn’t understand why he asked that.

Ning Xi wanted to have a good meal and read the materials as soon as possible.

“Then why did you eat so fast?”

gu jin yi asked.

Oh, it turned out that he said he ate too fast. No wonder he said he hadn’t eaten anything for a day.

“I have a lot of things to do. I can’t waste my precious time on eating.”

Ning Xi ate up the food in his bowl in one bite and two bites.

“Take your time. I’m going upstairs.”

Ning Xi said. After finishing eating, he wanted to go upstairs. When he was about to stand up, gu jin yi said.

“Sit down and have another bowl.”

gu jin yi said in a magnetic tone.

What?Another bowl?Did he think she had a big appet\*\*e?She didn’t want it.

“I have work to do.”

Ning Xi curled his lips and said gently.

gu jin yi raised his head and looked at Ning stream with his dark and deep eyes.

Seeing gu jin yi’s eyes, Ning Xi sat down involuntarily.

“I can’t eat any more...”

ning xiao xi looked at gu jin yi with grievance.

“If you can’t eat, you can have some soup.”

gu jin yi said calmly while eating.

“I want to go upstairs...”

Ning Xi said in a low voice, but he wanted to express something.

“You can’t eat so fast in the future.”

gu jin yi put down the tableware and stared at Ning Xi.

It was none of her business whether she ate fast or slow?gu jin yi, are you too idle to do anything.

Ning Xi also looked at gu jin yi and whispered to himself, but she knew she couldn’t speak it out. She could imagine the consequences if she said it out.

After all, she had signed that damned contract.

“Got it.”

ning xiao xi had no choice but to agree.

Then, he took out a bowl of sparerib soup and handed it to Ning stream.

“Yes.”

gu jin yi couldn’t help but want to give her some nutrition when he saw that Ning Xi, who was busy eating just now, didn’t drink any soup or eat anything.

“I have to drink the cold spirit later. I can’t drink it.”

Ning Xi pouted and acted like a spoiled child.

Seeing her helpless and aggrieved expression, gu jin yi couldn’t help laughing.

## chapter 37

Two hours pa\*\*ed quickly. When he sat on the bed and was about to go to sleep, he found that there was still a dim light in the living room.

It was almost ten o’clock.

She hadn’t gone to bed yet and caught a cold again.Don’t you want to catch a cold?

gu jin yi was a little worried.

Why did she care so much?It was her business to get sick. She didn’t want to disturb her rest.

Then, he lay down and fell asleep.

She tossed and turned and couldn’t fall asleep.

Half an hour later, she couldn’t help but walk to the living room.

“Are you still awake?”

gu jin yi cast a cold glance at Ning Xi.

“I haven’t finished my work yet.”

Ning Xi stared at the computer and searched for information on the keyboard with his hands.

“Ahem...”

She coughed from time to time.

Seeing that the cold spirit on the table beside Ning Xi was still there, gu jin yi frowned.

“You disturbed my rest.”

gu jin yi said in a deep voice.

“I’m in the living room. Even if you sleep in the bedroom, can it affect your rest?”

Hearing gu jin yi’s words, ning xiao xi turned her head unhappily and looked up at gu jin yi.

“If I say it’s an impact, then it’s an impact. Do you have a problem with it?”

gu jin yi said in a domineering manner.

I have a big problem with it! But she couldn’t speak it out, gu jin yi, damn you. Ning Xi was so angry that he wanted to swear.

Ning Xi pursed his lips and clenched his fists. He took a deep breath, and the volcano was about to erupt.

“Yes, you are the boss. It’s up to you.”

Finally, she held it back and kept it in her heart.

Then Ning Xi exited the page and turned off the computer.

Seeing this, gu jin yi smiled meaningfully.

Then she turned around and went back to her bedroom.

Seeing that gu jin yi turned around and went to the bedroom, Ning Xi raised his mouth and squinted at the bedroom.

gu jin yi, finally knew how the breast cancer came. It was caused by people like you.

‘forget it. I’m not angry. Take a deep breath.’

Whoosh

It’s not worthwhile to get angry for his words. I don’t do a business at a loss.

Then Ning Xi packed up the documents and went back to his bedroom.

Seeing gu jin yi lying on the bed, she made a face at him.

Then she lay down on the sofa and fell asleep.

It was Sunday tomorrow. Ning Xi wanted to see the two girls tomorrow. Time flew. They hadn’t seen each other for another week.

Thinking of this, Ning Xi slowly fell asleep

Ning Xi got up early in the morning, prepared breakfast and went upstairs to change clothes.

“Breakfast is ready. Remember to have it when you go downstairs.”

Nina changed her clothes and was about to go out, but Edmund said.

“Today is Sunday. Where are you going?”

He knew that Ning Xi didn’t have to go to work today, so he asked casually.

“Of course I have something to do.”

Ning Xi’s face flashed. When gu jin yi asked, he didn’t know what to say.

“I have to hang up now. Let’s talk about it when I come back.”

Ning Xi ran out of the bedroom in a hurry.

She was almost exposed.

Ning Xi took a deep breath in fear.

Then Ning Xi rushed out.

In the bedroom, gu jin yi took out his phone, dialed a number and said a few words. Then she changed her clothes.

Suddenly, a message came from the phone on the bed.

While buttoning his shirt, gu jin yi checked the message on his phone casually.

“Good morning, handsome uncle!”

Seeing the content of the message, gu jin yi paused, picked up the phone and opened the message.

She frowned.

She thought it was just a joke.

So she put it aside and ignored it.

Then there came another message. Why didn’t he reply? She even curled her lips.

Is it han han? Looking at the message, gu jin yi thought of han han who kept calling him like that.

Regardless of whether it was true or not, gu jin yi picked up his phone and sent a message back.

“Are you han han?”

“Handsome uncle, you finally remember me.”

It turned out that chen chen was operating the computer, and han han said.

All of a sudden, he felt that it was a pleasant thing to talk with each other. They used to talk about work, and other things were just direct phone calls. She didn't expect to be in such a good mood when chatting with han han through messages.

"Why do you have my phone number?"

gu jin yi asked softly.

"I saw your name card when you paid in the restaurant, and I remembered your phone number on it."

han han was happy with every word she sent.

gu jin yi couldn't help smiling.

"You are smart."

"Can I add your WeChat account?"

han han asked. The speed of typing surprised gu jin yi.

He didn't expect a four or five year old girl to send messages faster than him.

But she didn't speak it out.

"Of course you can. You can talk to me when you have time in the future. I will come back to you when I see it."

gu jin yi replied patiently.

"Okay, uncle. I have something to deal with. See you next time."

Then gu jin yi put down his phone, with a meaningful look in his eyes.

Her cleverness, sensibility and personality made gu jin yi fall in love with her involuntarily.

Suddenly, he was curious about han han. He had never seen a little boy before, and han han's brother gu jin yi was lost in thought. Maybe the truth could be revealed through what happened five years ago.

It was clear whether the two of them had anything to do with her or not, and whether they were her children or not.

Then, he changed his clothes and went out.

At the same time, Ning Xi had got on the car back home. Thinking that he could see his two babies soon, he felt happy.
