chapter 361

Susan knew that her life in the Gu family was about to come to an end. She was about to collapse. When she saw something beside her, she picked it up and smashed it hard to the ground.

“Ah! I will never give in! All these belong to me!”

.....

At Empire first hospital.

After eating some porridge, Ning Xi fell asleep. Not long after she fell asleep, Jonny came to his room.

“Your Majesty...”

The nurse nodded when she saw him.

Gong hao yu made a gesture of “shush” and she stopped.

Seeing Ning Xi fall asleep, he walked to her side and asked the nurse to leave.

He gently gazed at the sleeping Ning stream, and looked at her fair and smooth skin and delicate features. He subconsciously sighed in his heart, ‘look carefully, they look really like each other.’

But Gong hao yu knew that this woman was not her. It couldn't be her.

Gong hao yu, why do you still think of that woman, the woman who betrayed you? Unworthy! Unworthy!

In a trance, the woman he once loved deeply flashed through Gong hao yu's mind. But from the moment she betrayed him, he swore that he would completely forget her.

.....

The second morning.

Susan went out early in the morning. What should she do if Gu jin yi knew that she went to see Roger?

This weekend, Ruo huan yan was resting at home. When she was about to call the Ye Ling City, she suddenly saw Susan calling.

She had no choice but to answer the phone.

“Why did Yue Yue call me in the early morning?”

Ruo huan yan said impatiently.

“Roger, you must help me. I'm not Ning stream anymore! I'm going to your home to look for you. You must help me!”

Susan said in a panic.

ruo huan yan didn't expect to be found out so soon. It would be bad if she was found out by him.

"How about this, yue yue? Let's talk about it when you arrive at my place."

Just in case, ruo huan yan didn't say anything more on the phone. It would be safer to meet her directly.

In this way, Susan arrived at ruo huan yan's house as soon as possible.

"What about Roger? gu jin yi has found it! "

Susan grabbed her wrist excitedly as soon as she saw her.

Susan's mood suddenly became a little strange.

"Don't worry, yue yue. It's useless to be anxious. You usually look calm when you are in trouble. But now it's the critical time. Now we have to find a way. In fact, you don't have to worry about anything. gu jin yi knows that you are not Ning Xi, right? "

ruo huan yan didn't forget to make fun of her first. She analyzed the situation for her before she came. Now she could analyze it to her.

"It was Susan who was going to marry gu jin yi, not her. She was just a substitute. Now that you came back to gu jin yi, everything will be the same. You were the one gu jin yi was going to marry, but you just returned to the Gu family. Why are you in such a hurry?"

ruo huan yan's words enlightened Susan, "yes, what am I afraid of? gu jin yi was going to marry me! Since I'm back, Ning Xi, the man who has been married for me, of course should get out! "

"That's right. You have to stick to it in yue yue. You can't let gu jin yi frighten you."

ruo huan yan just wanted to solve this matter as soon as possible, so that she could ask Susan to leave as soon as possible and then she could go to find Ye Ling City.

"I see. I'm leaving now!"

Susan seemed to understand something and left ruo huan yan's house directly.

As soon as Susan left, she excitedly picked up her phone and called up Richie.

"Sorry, the subscriber you dialed is busy. Please redial later..."

She called him several times, but no one answered. So she decided to go out to find him.

ruo huan yan went straight to the Ye Ji film company and waited for him to get off work.

She stared at the medical report in her hand with joy.

She recalled a scene in the hospital.

"Your daughter's surgery costs one million. I'm afraid you won't be able to make it in your life."

"As long as you do me this favor, one million will be paid immediately."

ruo huan yan had a brief conversation with a doctor. The doctor agreed to give her a fake pregnancy certificate because of the cost of her daughter's operation.

In this way, she was legally pregnant with the baby of the Ye Ling City.

It was time to get off work. She fixed her eyes on the entrance of the company, fearing that she would miss the figure of Richie.

At this time, Richie walked out of the company. ruo huan yan jogged over.

"Ling City!"

ruo huan yan tried not to attract attention.

Of course, Richie had heard it.

He pulled ruo huan yan aside and scolded, "Why are you here?"

"I miss you, and I take our bao bao to see his father!"

ruo huan yan touched her belly on purpose to remind him that she had a child.

"Didn't I say that you would call me if anything happened? It will have a great impact on me if others see this place in the company."

Obviously, when he heard the news of the baby, his voice softened.

"I called you, but I couldn't get through."

ruo huan yan explained.

"Let's go first."

The night Ling city looked around. It was a company with a lot of people, so he asked ruo huan yan to go ahead.

"Eh? Isn't that the relationship between Roger and the Ye Ling City? Why are they together?"

At this time, ye xiao xiao just came out of the company and accidentally found the two of them together. She quietly followed them.

ye xiao xiao hid aside and stared at them.

"Ling City, look, our baby is very healthy."

ruo huan yan handed the pregnancy test list to Ye Ling City.

He said indifferently, "you can have an abortion when the baby is still young."

Hearing this, ruo huan yan was stunned and forced a smile.

The smile was heartbroken and ridiculous.

“Ling City, what are you talking about? This is your own child.”

“I won’t have a child with someone I don’t like.”

He was about to leave. ruo huan yan threatened, “Ling City, I have promised you not to let others know the existence of this child, but if you don’t want him, I will let others know that he is your child. I’m afraid you have to accept it even if you don’t accept it.”

At this time, ruo huan yan revealed her true colors. She would do anything to get him. It didn’t matter even if he hated her.

“You...”

He didn’t expect that she would threaten him.

“Ling City, as long as you don’t force me, I won’t force you, because I love you.”

Indeed, ruo huan yan didn’t want to do that, but in order to get the Ye Ling City, she had to do so.

## chapter 362

ye xiao xiao, who was quietly listening to them, got closer and closer, but she couldn’t hear clearly what they were talking about.

They didn’t seem to have a good conversation.

“Tell me, what on earth do you want? Money? Or something else?”

He had always believed that ruo huan yan approached him for money.

“I don’t want money. I just want you. Haven’t you realized that I really love you after so long?”

ruo huan yan felt aggrieved. She thought she really loved him. No one loved him more than she did.

“I don’t need it! There is one million in this card. You know what to do. Don’t come to me again. Do you think a child can threaten me? Don’t do anything to break my bottom line, or you will come to no good end!”

This time, he made up his mind. If Roger showed up in front of him again and again three times, at first, he still felt a little guilty for her. This time, when she threatened him, all his guilt disappeared, and he could only hate her.

He turned around and left domineeringly, not wanting to say anything more to ruo huan yan.

“Ling City...”

No matter what ruo huan yan said, he didn’t want to talk to her.

Looking at the disappearing figure of Ye Ling City, ruo huan yan thought, ‘it’s not a good way to go on like this. Sooner or later, he will find that I’m not pregnant at all. I can see that he likes children very much. Why don’t we really have a child for him, so that we can tightly grasp him.’

ruo huan yan began to plan in her mind. It was impossible to get close to him. There was another way to get pregnant. She only needed a man and a sperm

A hint of viciousness flashed across her charming eyes.

Celia, who was standing next to him, hid herself as soon as she saw him.

She didn't come out until she saw that Richie gradually left. "Are they two very familiar?"

Puzzled, ye xiao xiao muttered to herself. When she was thinking, a voice came from behind her. "I think they are familiar."

"Yes, I agree with you. Otherwise, why would we meet each other?"

Looking at the direction in which Richie left, ye xiao xiao nodded mysteriously. Within three seconds, she immediately reacted and turned around. Accidentally, she bumped into him.

"Who!Ah! "

"Ah!"

The two cried out in pain at the same time.

"Why are you here?"

ye xiao xiao rubbed her forehead and asked with a twisted expression.

"I want to give you a surprise. Let's have dinner together."

an zi hao rubbed Celia's forehead.

"You are frightened, not surprised... Let's go."

On the other side, in the Ning mansion.

yan pei fen was so anxious. She kept calling Susan, but she couldn't get through.

She wondered how her dear daughter was doing now?

"Mommy!"

Suddenly, a coquettish voice came.

Susan knew that gu jin yi must have been to the Ning family, and this matter must have something to do with the Ning family, so she came back to see how it was going.

"Susan, it's Susan!Why didn't you answer my phone?Do you know how worried I am? "

yan pei fen looked at the door and saw Susan coming back.

"Mom, I'm a little busy recently, so I didn't pay much attention to it."

Susan prevaricated casually.

“Susan and Ethan came to our house yesterday, and he has known that you are not Ning stream...”

yan pei fen looked worried and scared.

“Mom, don’t worry. I have found a way to deal with it.”

As she expected, he did come.

ADVERTISEMENT

“Susan, does the disappearance of the stream have anything to do with you?”

At this time, Ning radiance came over from the side.

“Dad, how could you say that to me?I didn’t know it until later... ”

Susan looked aggrieved, which made yan pei fen defend her again.

“Harrison, don’t blame Susan for the disappearance of that b\*\*\*\*\*. What does she know?”

“That’s good. Susan, after all, she is your sister. I hope you won’t do anything to disappoint me.”

Then he went upstairs without saying anything.

yan pei fen and her two daughters didn’t say anything when they saw him go upstairs. yan pei fen only cared about her daughter.

“Mom, why didn’t dad go to the company today?”

Susan was a little confused. Generally speaking, at this time, Ning Hui was busy in the company.

“Susan, leave him alone. Has gu jin yi done anything to you?”

yan pei fen didn’t tell Susan that gu jin yi had banned the Ning family’s company, so Ning Hui didn’t go to the company at home.

“It’s okay. He doesn’t dare to do anything to me now?I have something important to him now. ”

Susan’s evil eyes t\*\*\*\*led. She had already thought of this perfect plan.Even if he knew that she was not Ning stream, he would not dare to do anything to her.

“What is it?”

yan pei fen asked curiously.

“Mom, I’ll be fine.Don’t worry too much. ”

Susan changed the topic. She couldn’t let yan pei fen know about it.

“That’s good. Susan, you must be fine. Don’t worry about us. Protect yourself well.”

yan pei fen was most worried about her daughter.

“Mom, I’ll go back first. It’s not good to be out for too long.”

Susan didn't stay long in the Ning family. She left after chatting for a while.

In the CEO Office of Empire group.

On the other hand, he had used all the resources to look for his wife, Ning Xi.

But there seemed to be no movement. She seemed to have disappeared from the world like this.

Darren was also busy looking for Ning Xi. If he had any clue, he would tell gu jin yi.

"Mr. Brian, I went to the bus station and found out that Mrs. Molly got on a minibus..."

"Have you investigated the minibus?"

Darren was reporting the news about Ning stream. Before he finished his report, gu jin yi couldn't help getting excited when he heard the news about Ning stream.

Jacob nodded, "I have found out the location of the minibus and the information of its owner, but... The owner has disappeared for no reason two days ago."

"Missing..."

gu jin yi suddenly fell into silence.

This kind of sign indicated that the disappearance of Ning stream must have been planned by someone, not herself.

"xu chen, continue to investigate. Find him wherever he escaped!"

gu jin yi held the pen tightly in his hand, wishing to drag her in front of him immediately and ask about the whereabouts of Ning stream.

"Yes!President. "

Then Jacob left the CEO Office directly.

On the other side, Susan planned to get close to the Ye Ling city without telling Roger.

There was no other way. At least he could help her.

chapter 363

It was good to hook up with him. At least he could protect himself in front of gu jin yi.

Now that she had come to this point, she must grasp him well. gu jin yi could not be redeemed, and he could.

Susan texted him, "see you in the same place. I have something to tell you."

A short message was sent to the city.

Soon, he replied, "see you at the same place."

Susan saw the message and held the phone tightly in her arms. A complacent smile appeared on her face.

He thought to himself proudly, 'this stupid man, you said you liked Ning Xi. You have been cheated by me for so many times. I must make good use of you this time.'

With an expressionless face, he scanned the message on his phone, with a touch of coldness in his deep eyes.

.....

Obviously, he wasn't as enthusiastic as before.

"Ling City, I'm really sorry for what happened last time. In fact, I also want to go out with you alone, but Roger must come to see you with me."

As soon as the two of them met, Susan explained to the Ye Ling City what had happened last time.

Without saying a word, Richie looked at Susan with indifference in his eyes.

"Ling City, what's wrong? Is there anything dirty on my face? Why are you looking at me like that?"

Susan thought that there were two flaws on her face, which made the Ye Ling City realize that she was not Ning Xi, so she immediately took out a mirror from her bag and looked at herself.

"It's okay. I just want to meet the stream, not you. Don't think too much."

He said coldly.

"Ling City, what are you talking about? I don't understand..."

Susan was in a daze for a while when she heard what he said. What did he mean? Did he also know that she was not Ning stream? How could it be possible?

Things were out of control.

"You are not a stream. Why did you lie to me?"

He didn't beat around the bush.

Susan was sure that Richie had known about it, and her tone suddenly became soft.

"You... You know it."

"Where is the stream? I just want to see her."

He stared at Susan and wanted to know where Ning stream was.

"I don't know. I'm the real Susan. Why do you all look for her?"

Susan was annoyed at the thought of it. What was good about her Ning stream? They were all confused.

"And how did you find out that I'm not her? I have copied her completely."

Susan was not reconciled. She was not reconciled that they all saw through her disguise.

“You can never copy a stream. She is ten thousand times better than you! No matter who is real or not, I only like her. You’d better have nothing to do with the disappearance of the stream, or I won’t let you go!”

After saying that, he stood up, turned around and left.

Susan held the gla\*\* tightly and stared coldly at the back of the man who had left.

It was the night Ling City! You will regret it!

Why? Why did this happen! Ming ming had made a plan.

no’no, I can’t give up so easily...’

Then Susan caught up with him and ran to stop him.

“Look at me. We look exactly the same.”

Susan approached him at one point one, her eyes bewitching him.

“Stream...”

All of a sudden, he seemed to see the shadow of Ning stream and almost sank into it.

Susan slowly approached his lips. At this moment, he reacted and pushed her away mercilessly.

“No! You are not a stream!”

ADVERTISEMENT

He was afraid that he would be tempted when he saw Susan’s face.

So she left here quickly.

Susan looked at his back and smiled. ‘you still can’t control your feelings for this face...’

In the villa of Gu family.

After coming back, gu jin yi asked people to pack up all the things about Susan and didn’t want to see her again.

It was late when Susan came back. She took out the key and found that she couldn’t open the door.

“Open the door! Open the door! Open the door!”

Susan shouted.

At this time, the Butler opened the door and appeared in front of Susan. “Your things have been packed. Hurry up and go.”

“Leave? You want me to leave? Believe it or not, I’ll fire you!”

Susan was full of anger when she heard the Butler’s words.

She wanted to enter the hall, but was stopped by the butler.

“shao ye has told me that you are not allowed to come in.”

The Butler said coldly.

But Susan insisted on breaking in. At this time, the figure of Edmund appeared in the hall.

Seeing this, Susan shouted at him as if she had seen a life-saving straw, “Edmund, Edmund!!’m the real Susan. Nina just got married for me. She pretended to be me!! I am your real wife! You can’t kick me out!”

At this moment, Susan told everyone that she had been married.

gu jin yi glanced at Susan coldly, rushed to her and pinched her cheek hard. “In this life, only Ning Xi is my wife! You will never be able to do that in your whole life!”

“But you can’t change the fact that I am your wife nominally.”

Susan was full of confidence in this matter.

“Once I find out that you have something to do with the disappearance of the stream, you will definitely not be like this.”

ADVERTISEMENT

Susan was shocked by gu jin yi’s words, and the guilt and fear disappeared in an instant.

“Ning Xi lied to you! Don’t you want to know the truth?”

gu jin yi didn’t want to talk to her at all. For him, this woman was a lunatic. Then he turned around and went upstairs indifferently.

“Edmund! It’s Edmund!”

Susan shouted when she saw that gu jin yi ignored her.

The Butler threw all Susan’s things out as he said.

“Don’t say anything more. No one can change shao ye’s decision.”

The Butler kindly reminded her.

Susan had no choice but to leave the villa.

An idea flashed through her mind and she thought of the place she should go.

.....

In the Gu family’s old house.

The two babies had fallen asleep. Susan and pei xiu juan sat face to face.

“Susan, it’s so late. Why are you here? Did you quarrel with him?”

Seeing the grievance on Susan's face and her coming here at this late hour, pei xiu juan guessed that she might have a conflict with gu jin yi nao.

"Mom, I just want to sleep here today..."

Susan didn't explain too much. She just wanted to stay here for a while, so that she and pei xiu juan could fall in love with each other.

"No, you can't. what do you want to say? You can't be separated like this. It's sad."

As her mother-in-law, pei xiu juan kindly reminded Susan.

chapter 364

"Mom... I told him that we were going to have a baby. I told him to send chen chen and han han to my parents. He, he said that he wouldn't have a baby, and he wanted chen chen and han han..."

Susan pretended to be aggrieved in front of pei xiu juan. Last time when they chatted, she guessed that pei xiu juan had always wanted a grandson, so she used this topic to put the responsibility of giving birth to a child on gu jin yi. pei xiu juan would definitely defend her.

"What?How could he say that?Well, I have to talk to him tomorrow. This silly child really can't blame him. "

Susan was right. pei xiu juan was indeed angry.

"Mom, don't blame him. After all, chen chen and han han also have feelings for each other. What do you think?"

Susan held pei xiu juan's hand, looking like a filial daughter-in-law for the sake of Edmund.

"No, I have to talk to him tomorrow. How can I do that?Why not?It's not a problem with him. It's true! "

Hearing what Ning yue yue said, pei xiu juan couldn't help but feel excited.

"Mom, don't be angry. I'll talk to him with you tomorrow.Let's talk about him together! "

Susan still acted obediently to please pei xiu juan, pretending to be on her side.

"You two can stay here. Don't affect the relationship between you two if you go back."

After thinking for a while, pei xiu juan thought that it was still because of chen chen and han han that the quarrels and conflicts between gu jin yi and his wife were caused. She still felt that the two little babies couldn't stay with them.

"Mom, in fact, I think so too. I'm afraid that he won't agree.I can rest assured that the two kids are here with you.They are at home. I don't have much time to be with them. We are always with them.It's difficult to have a baby of your own... "

Susan deliberately emphasized the superfluous of the two babies in front of pei xiu juan.As a result, pei xiu juan had a bad feeling about the two babies.

“Then let them stay with me. I happen to have a companion.”

pei xiu juan had planned to let the two babies stay here.

Seeing this, Susan thought, ‘that’s not right. pei xiu juan hasn’t changed anything since she left the two babies here. I’ll try to ask pei xiu juan to drive them away.’.

“Mom, even if you keep them here, he will still come to find them. He won’t love me...”

Susan pretended to be aggrieved.

ADVERTISEMENT

“So what do you mean?”

pei xiu juan held Susan’s hand and asked without doubt.

“Send them far away so that he won’t be worried about having a baby.”

Susan’s eyes t\*\*\*\*led and she noticed the expression on pei xiu juan’s face.

pei xiu juan thought for a while and thought what Susan said was reasonable, so she thought of her distant relatives. She didn’t have a child, so she was relieved to give it to her.

.....

The two babies were sleeping soundly upstairs. chen chen dreamed of his mommy Ning stream.

“Mommy, Mommy, you’re back!We miss you so much...”

In his sleep, chen chen dreamed that Ning Xi had come back, with a naive smile on his face.

“Mommy, why don’t you look at us?”

In her sleep, Ning Xi kept silent with his back to the two babies.

chen chen walked forward and tugged at the corner of Ning stream’s clothes.

Ning Xi turned around and smiled at chen chen, “kid, were you calling me just now?You are so cute.”

Ning Xi rubbed chen chen’s forehead gently.

“Mommy, I’m chen chen. Don’t you remember me?”

Seeing that Ning Xi didn’t know him, chen chen was confused.

“You call me Mommy?!I’m not your mommy. Did you mistake me for someone else?”

Facing the two babies, Ning Xi still had a big smile on his face.

But chen chen felt sad when he saw his mother didn’t know him.

ADVERTISEMENT

“Mommy, I’m chen chen, your son. How could you forget me?”

Holding the hem of Ning stream's clothes, chen chen almost shed tears.

"Don't cry, don't cry. Is your mother gone? Poor girl."

"Naomi, let's go. Time is running out!"

Ning stream was comforting chen chen when another man called Ning stream.

"Baby, don't cry. Your mother will be sad when she sees you so sad. I'm leaving now. Bye..." Then Ning Xi left.

"Mommy, Mommy..."

chen chen chased after Ning Xi, but chen chen couldn't catch up with her

"Mommy, don't go!"

At this time, chen chen woke up from his dream.

"Brother, what's wrong with you?"

At this time, han han rubbed her sleepy eyes and sat up from the bed.

"I just dreamed of Mommy. She doesn't remember us."

chen chen, the little boy, looked ahead with his big watery eyes unblinkingly.

"Brother, don't worry. Mommy will come back. She doesn't want us to leave. How could you forget us?"

han han seemed to be very sensible and comforted her brother.

Hearing his sister's words, chen chen also relaxed slowly. "Yes, how could Mommy forget us? We are her treasure."

Then the two babies lay down again.

.....

The second morning.

The two babies got up and went downstairs, knowing that their grandmother had prepared them delicious breakfast.

"Grandma, what did you cook for us?"

As soon as she went downstairs, she found that Susan was there. Her good mood in the morning suddenly disappeared.

"Susan, have breakfast."

At this time, pei xiu juan asked someone to bring a tonic from the kitchen.

"Eat more. I can help you have babies as soon as possible."

pei xiu juan looked at Susan and said.

Susan looked complacent. She glanced at the two babies and pretended to be kind to them.

“Come here, chen chen and han han.”

“chen chen han han, it’s time to go back after playing here for two days. I’ll send you to a Auntie’s house. She has fun there.”

pei xiu juan thought about it carefully last night. She thought it was not good to send them to the orphanage. It happened that one of her relatives didn’t have a child, so she could give it to them. In this way, she wouldn’t feel guilty to the two of them.

“But we don’t want to go...”

“Grandma, I just want to stay here. Don’t go to Auntie’s house.”

As soon as the two babies heard pei xiu juan’s words, they knew what she meant. She wanted to send them away, and instantly their expressions became very disappointed.

Susan was very proud of herself. She glanced at the two babies contemptuously and smiled coldly.

chapter 365

“A servant will pick you up later. Be good, or grandma won’t like you.”

pei xiu juan pretended to be impatient, which made the two babies quiet down.

After breakfast, someone came to the Gu family’s old house to pick up the two babies.

pei xiu juan was chatting with the guests, while the two babies sat aside, looking pitiful.

They were thinking about sending a message to Celia. No one knew what it was.

After a while, the strange woman walked to the two babies and greeted them kindly.

“Hello, chen chen and han han. Please go home with me. I’ll be your mother from now on.”

The strange woman subconsciously touched the little hands of the two babies. They quickly drew back and shouted excitedly, “no, you are not our mommy! We don’t want to go home with you!”

chen chen and han han were so excited that they two ran out of the old house hand in hand.

“chen chen, han han! chen chen han han!”

Seeing that chen chen and han han ran out, pei xiu juan and the strange woman chased them to the door, but they were nowhere to be seen.

Susan sat on the sofa, with a cold light flashing in her eyes.

Run as far as you can and never come back all your life~

“What should we do? Where are we going to find chen chen and han han?”

pei xiu juan came over with a sad face and instantly regretted her decision.

“Mom, don’t worry too much. I’ll go out to have a look.”

pei xiu juan nodded silently. Susan didn’t say much and ran out directly.

Susan pretended to run out of the hall in a hurry and immediately regained her composure.

“Ha ha, how could it be possible for me to find the two b\*\*\*\*\*s?It’s so funny. I wish they could leave, or even disappear forever...”

Susan cast a scornful glance at the old house and left alone.

.....

Two hours later, Susan went back to the old house of the Gu family after playing outside. She stood outside the door and prepared to look for the two little babies who were sweating and nervous. Then she knocked on the door and entered the house.

“Mom, I’ve searched everywhere, but I haven’t found chen chen and han han. What should I do?”

Susan said in a worried tone before she saw pei xiu juan.

“It’s all my fault. I can’t find the two kids.”

As soon as they entered the hall, pei xiu juan, who was about to talk to her, suddenly glanced at gu jin yi, who was sitting on the sofa.

“Edmund... You, you are here too.”

“What did you just say?What’s wrong with chen chen and han han? ”

As soon as gu jin yi heard the news of the two babies, he stood up excitedly, grabbed Susan’s arms tightly and ordered.

“Mom...”

Susan pretended to be a delicate and obedient girl and looked at pei xiu juan pitifully, which made pei xiu juan step forward and break away from his hands. “Let go of Susan now. What if she hurts?I want her to give birth to a grandson for me. ”

“As for chen chen and han han, I was about to ask someone to pick them up, but they didn’t listen to me and ran out. Now I don’t know where they have gone.”

pei xiu juan said expressionlessly, with her hands around her chest.

In fact, she was a little worried, but in order to make gu jin yi let go of chen chen and han han, pei xiu juan had to do so, making gu jin yi feel that she was very serious and not joking at the moment.

Hearing pei xiu juan’s words, gu jin yi ran out without hesitation.

“Edmund!”

“.....”

Susan shouted at gu jin yi as he left, but she still didn't hold him back.

Knowing that he wouldn't stay, pei xiu juan turned around and looked at his back. She prayed in her heart, 'I hope nothing will happen to chen chen and han han. I hope that I can find them as soon as possible...'

ADVERTISEMENT

Although pei xiu juan wanted to have her own grandchildren, she didn't want anything bad to happen to the two babies.

“Susan, did you really not find chen chen and han han?”

pei xiu juan couldn't help asking.

Susan shook her head without hesitation and said, “I've searched everywhere nearby, but I didn't find them. Mom, they know we are going to send them away. Are they hiding from us on purpose?”

Susan's words reminded pei xiu juan. Indeed, the two babies were unwilling to leave. Perhaps they deliberately hid themselves, so it was not easy to find them.

pei xiu juan was lost in thought.

And Susan deliberately wanted them to give up the idea of looking for chen chen and han han.

“Mom, I'll go out with him to look for him.”

Then Susan stood up and left.

As soon as gu jin yi went out, he met Celia who came in a hurry.

“Mr. Gu! I'm relieved to see you here.”

“Why are you here?”

The two of them said at the same time.

“chen chen and han han are here. I heard that someone was going to pick them up, so I came here in a hurry. What happened?”

ye xiao xiao recalled the message from chen chen and didn't understand what it meant.

“Aunt Celia, someone is taking us away. I'll send you an address. Come here quickly...”

With these simple words, Celia arrived at the address as soon as she saw the message.

“I can't explain it clearly in one thirty. chen chen and han han are indeed missing. Let's go to find them first.”

“What? chen chen and han han are missing?”

gu jin yi didn't know what had happened. All he wanted now was to find chen chen and han han.

ye xiao xiao was in a trance when she heard the news.

"I'll call them first."

It suddenly occurred to ye xiao xiao that they had a phone with them.

He dialed the number, "beep..."

Finally, the phone was connected. "Aunt Celia!"

chen chen said in a childish voice.

Hearing chen chen's voice, ye xiao xiao couldn't help smiling excitedly.

"chen chen, where are you now?"

Now the most important thing was to find the two of them.

"We... Beep..."

chen chen put down the phone and frowned, "it's out of power."

"chen chen, chen chen han han!"

ye xiao xiao was more worried than anyone else.

"Mr. Gu, let's look for each other and call chen chen and han han. Judging from chen chen's voice, there should be no danger now. As long as we find them, we will be fine. "

In this way, the two of them divided into two groups to search.

Not far away, Susan was eavesdropping on their conversation behind the door.

After they left, Susan walked out from behind.

chapter 366

"Humph! Let me see whether you are faster or I am faster."

Susan took out her phone and dialed a number. She muttered a few words and quickly hung up.

He looked at Celia's back with sinister and vicious eyes. He crossed his arms over his chest and raised the corners of his mouth coldly.

"Celia, it seems that you have escaped last time, but this time you still want to die. Since you care so much about the two little b\*\*\*\*\*s, I will fulfill your wish and send you to hell together! Hahaha..."

gu jin yi and ye xiao xiao looked for the two babies everywhere, but they were nowhere to be found.

"chen chen, han han! chen chen han han! Where are you? Aunt Celia is here! "

ye xiao xiao shouted at them, afraid that they wouldn't hear her.

“Eh?Brother, I heard the voice of aunt Celia. ”

The two babies were sitting on a stone chair in a park. han han, who had smart ears, heard the subtle voice of ye xiao xiao.

“Really?Where is aunt Celia? ”

chen chen asked excitedly.

han han nodded with a big smile. Then the two of them jumped off the chairs and walked in the direction of the sound.

As she walked, she saw Celia.

The two babies were overjoyed and shouted, “aunt Celia!We are here! ”

The two babies said in one voice and waved their hands excitedly at her at the same time, with their legs jumping on the ground.

On the other side of the road, ye xiao xiao heard the childish voices of two babies. She quickly turned around and murmured to herself, “it’s chen chen, han han...”

Quickly, she looked around.Then, Celia saw two babies waving at her not far away from the road.She smiled happily.

“chen chen, han han!”

“Aunt Celia!”

ye xiao xiao and the two babies were so excited that they didn’t notice the danger nearby and ran towards each other.

At this moment, a big truck was coming towards them from the side, and it seemed that it did not want to brake.

The truck was getting closer and closer to them, more and more fierce

“Watch out, chen chen and han han!”

Seeing this, ye xiao xiao ran to the two babies without hesitation and pushed them away.

In this way, the light of the truck fell on ye xiao xiao, and then she was hit and suspended in midair. It seemed that time stopped at this moment

At this moment, Celia thought of Ning stream and an zi hao. “Stream, you’re not here. I’ll protect chen chen and han han for you... an zi hao, I’m sorry. I can’t keep you company...”

In this way, Celia slowly closed her eyes and fell heavily to the ground.

“Aunt Celia, wake up...”

“Aunt Celia, what’s wrong with you?Look at us... ”

After the two babies were pushed away, they both fell to the ground. But when they heard the sound of the collision, they immediately got up. What they saw was Celia being hit by a car and lying on the ground.

They sat on the ground helplessly, grabbed Celia's arm and shook her hard.

When ye xiao xiao had only her last consciousness left, she held the hands of the two babies and said, "chen chen, han han won't cry. Aunt Celia is fine..."

At last, he gave them a tough smile and fainted.

"Aunt Celia, don't sleep..."

"Ahhh! Brother, I'm so scared..."

The two babies were obviously frightened by this scene, and they could not help crying.

Then, the two babies fainted out of emotional instability.

The pa\*\*ers-by came over one after another.

"Oh my God! Call the hospital right now! It's bleeding!"

"Whose child is this?How could this happen?Where is the driver?Did she run away?"

.....

As soon as the 120 call was made, an emergency car came to the hospital.

When he arrived, Celia and the two babies had been carried to the emergency car of the hospital.

gu jin yi followed the ambulance to Empire first hospital.

On the other side, in the Empire group.

an zi hao, who was designing a new game draft, suddenly felt a sharp pain in his heart. He frowned and stopped writing.

She sat down slowly and suddenly had an ominous premonition.

This feeling was only when she was a child. She hadn't had this feeling for more than ten years. Why did she suddenly feel heartache today?

Just as an zi hao was confused, Darren rushed over from outside.

It seemed that he was about to leave with something.

When he was about to leave, an zi hao asked, "xu chen, where is Mr. Gu?There is a design here that needs him to have a look."

"Mr. Lu is in the hospital now. ye xiao jie had a car accident."Jacob replied honestly.

Hearing this, an zi hao was lost in thought, 'ye xiao jie, is it Celia?'

'no, I shouldn't have thought too much. How could Celia have a car accident?'

an zi hao comforted himself. Even so, he was still very worried. After all, the pain in his heart just now was real.

an zi hao suddenly stood up. He wanted to see if it was ye xiao xiao in the hospital. "Let me go with you."

The two of them didn't say anything more. The most important thing now was to arrive at the hospital as soon as possible.

At Empire first hospital.

After seeing the doctor, the two babies were fine. They fainted mainly because they were frightened.

gu jin yi had been accompanying the two babies, looking at them with guilt.

Not long after, chen chen and han han woke up. As soon as they opened their eyes, they saw their father, gu jin yi, beside them. They were very happy, and an innocent and bright smile appeared on their young faces.

"Daddy... You are here..."

chen chen looked at gu jin yi helplessly.

"Daddy... Waah... I'm so scared. I miss you so much..."

han han said in a weak voice. It seemed that han han was frightened.

"chen chen, han han, you are awake!"

gu jin yi immediately stood up from the chair, sat beside the two babies and held them in his arms.

"Daddy has always been here. Don't be afraid. It's my fault. I can't be with you."

gu jin yi held the two babies tightly and felt sorry and guilty for them.

"Daddy, how is aunt Celia?"

"Just now, a lot of blood... It was so horrible..."

The two babies poked their heads out of gu jin yi's arms. chen chen asked their father about Celia.

han han seemed to be a little scared, and the scene of a car accident kept flashing through her mind.

#### chapter 367

"han han is not afraid. Daddy is here. It's okay. Have a good rest here. Daddy will go to see her. "

gu jin yi didn't want chen chen and han han to know about ye xiao xiao on purpose, fearing that they would be emotional.

“Daddy, I’ll go with you to see Aunt Celia.”

chen chen was about to get out of bed and accompany her.

“Me too!”

Seeing this, han han also sat up excitedly and wanted to join them.

“chen chen and han han, have a good rest here. Aunt Celia is sleeping. It’s impolite to disturb her. I’ll take you there when she wakes up, okay?”

Seeing that the two babies were both excited, gu jin yi comforted them immediately.

The two babies were very obedient. Since their father had said so, they nodded and agreed.

“Then we can go to see Aunt Celia later.”

gu jin yi touched the cheeks of the two babies dotingly and left the room.

Then they came to the emergency room.

Soon, the two arrived at the hospital one after another.

“Mr. Lu.”

“zi hao, why are you here?”

“Is that Celia?”

gu jin yi wanted to tell an zi hao after Celia got the result, but he didn’t expect that he had come to the hospital.

Depressed, an zi hao asked hesitantly, hoping that the person inside was not the one he thought.

gu jin yi had no choice but to nod. Since he was here, he couldn’t hide it anymore.

“How could it be... What happened to Celia?How could there be a car accident?How is she? ”

an zi hao was so agitated that he walked to the door of the emergency room. Seeing that there was no movement in the emergency room, he knew that the matter was very serious and only wanted to know the current situation of ye xiao xiao.

gu jin yi didn’t know how to comfort him or others.

Since she was with Ning Xi, she would care about other people’s feelings.

At this time, the door of the emergency room opened and a doctor came out.

Seeing this, an zi hao asked in a hurry, “doctor, how is Celia?”

At this moment, gu jin yi and Darren were standing aside. He said coldly, “investigate it.”

Jacob nodded and left the hospital.

“She is out of danger for the time being, but maybe she will be in bed for the rest of her life.”

The doctor’s words made an zi hao more emotional. “What do you mean by lying on the bed all my life? Make it clear!”

an zi hao knew clearly that the doctor meant that Celia had been in a vegetative state.

gu jin yi stepped forward and said, “zi hao, calm down!”

“Uncle Rex, you are the most authoritative doctor in our hospital. Can’t you do anything about it?”

In gu jin yi’s mind, there was no one that hu yi sheng and uncle Hu couldn’t save.

hu yi sheng shook his head in disappointment. “It’s already a blessing in misfortune to save your life.”

After hu yi sheng left, an zi hao was stunned.

Then, Celia was pushed out of the emergency room.

an zi hao stepped forward and held Celia’s hand excitedly. “Celia, Celia, are you okay?”

ye xiao xiao, who was lying on the bed, didn’t move at all. an zi hao’s emotion made the head nurse beside him say, “the patient needs a quiet rest.”

Then, several nurses pushed Celia away.

an zi hao and gu jin yi followed her. ye xiao xiao was sent to the ICU. They could only look at her through the gla\*\* window.

However, an zi hao stared at ye xiao xiao in the ICU without saying a word.

Suddenly, he opened his mouth and murmured to himself, “she was fine yesterday. Why did she have a car accident today?”

gu jin yi patted on zi hao’s shoulder and said, “I’ve asked Darren to investigate it. He’ll know what happened soon.”

gu jin yi stared at ye xiao xiao who was lying in the ICU, with a flicker of speculation in his deep eyes.

It must not be an accident.

In another room, the two little babies couldn’t stay there any longer. They ran out of the room together, trying to find their father, Jean, and aunt Celia.

Seeing several nurses at the nurse desk, han han ran to them like a little rabbit. She put on a lovely smile and said, “beautiful nurses, have you seen my father and aunt Celia?”

Several nurses who were working were attracted by the appearance of han han.

They all wondered, ‘whose daughter is she? She is so beautiful. She must be a beauty in the future, and she is so talkative!’ Good job.

“Little boy, you are so cute. Are you looking for your father?”

One of the nurses came over and asked.

han han nodded in confirmation.

“Then what’s your father’s name?”

Another nurse came over.

“It’s Edmund. My father is a da shuai, the CEO of the Empire group, gu jin yi. ”

han han replied naturally and arrogantly.

The nurses were stunned and looked at the little girl expressionlessly.

He had a different opinion of her.

How could this child know the name of the chairman and say that the chairman was her father? Now the child was really amazing! She was so good at lying, and she was calm without blushing. She had grown up very well.

At first, they thought someone named the chairman the same as his name, but now it seemed that it was really not what they thought.

They ignored han han and went to work.

Confused, han han scratched her head.

Why don’t they talk to me? It was strange.

han han puckered her mouth in confusion. She didn’t know why.

At this time, chen chen was about to walk over and ask again, but he suddenly saw a familiar figure and shouted out without hesitation.

“Mommy, that’s Mommy!”

chen chen was very excited. He looked at a woman not far away and ran towards her.

Seeing this, han han immediately ran to chen chen and asked, “brother, where are you going? Wait for me!”

chen chen and han han ran to the other side of the corridor of the hospital, but they didn’t see the familiar figure, let alone their mother.

chen chen looked around, and the final result made him very disappointed.

han han also looked around and didn’t see anything special? Why was her brother so excited?

“Brother, who are you looking for?”

han han asked in confusion.

“han han, I saw mommy just now.”

chen chen was still in a trance, staring blankly ahead.

Now all he could think about was the figure of his mother, Ning Xi.

“Mommy?Brother, did you see Mommy?Where is she? ”

As soon as han han heard that her mother was here, she was so excited that she kept shaking her head and looked around.

chapter 368

She really hoped that what chen chen said was true. Their mommy really appeared.

“Huey, I didn’t see Mommy!”

han han was a little anxious because she didn’t see their mommy Ning stream.

chen chen sighed in a low voice, “maybe I was wrong.”

At this moment, in a VIP ward on the right side of the corridor, Ning stream just came back from a walk outside, followed by a nurse.

“I heard a child’s voice just now. xiao fen, did you hear it?”

Ning Xi seemed to have heard a child calling her, but when she turned around just now, she did not see any child.

“No, there are so many people in the hospital. You might have misheard.”

Nurse xiao fen didn’t hear any child’s voice, so she answered.

Ning Xi frowned and didn’t think too much.

“You are back.”

When they arrived at the hall of the ward, Jonny was sitting on the sofa and waiting for Ning Xi to come back.

The nurse saw her and left the room voluntarily.

Ning Xi nodded with a smile and walked up to him. Since he lost his memory, he had been the one she had seen most.

“The doctor said I can leave the hospital in two days.”

ning xiao xi smiled at gong hao yu.

“I know. You just want to leave the hospital every day.”

gong hao yu knew what Ning Xi was thinking. He couldn’t let her stay in the hospital for one more day.

“I don’t like hospitals.”

Ning Xi looked around the room, his eyes full of disgust.

gong hao yu was amused by Ning Xi's strange expression.

"What are you laughing at?"

ADVERTISEMENT

Ning Xi frowned and asked in confusion.

"Nothing. I just think you are more and more lovely."

gong hao yu replied casually.

"Tianxin, lie down and have a rest. You must be tired after taking a walk just now."

gong hao yu stood up and helped Ning Xi to the bed.

"Tianxin? My name is Tianxin?"

Only then did ning xiao xi realize that she hadn't known her name since she woke up for so many days.

Now it was strange for someone to call her name all of a sudden.

It was not until then that Jonny realized that he didn't know the name of the woman in front of him, and he subconsciously called out the name of another woman.

When Ning Xi asked gong hao yu back, he didn't deny but nodded to confirm.

"Yes, Tianxin is your name."

"Tianxin, I didn't expect my name to be so beautiful."

Ning Xi thought for a while and smiled happily.

On the other side, the two babies were looking for their father, gu jin yi. At this moment, gu jin yi happened to be visiting the two babies in his room.

"chen chen, han han, daddy is back."

gu jin yi pushed the door open and walked in with a big smile on his face.

But there was no one in the room.

gu jin yi looked around the room and was about to go out for them. When gu jin yi went out, he saw chen chen and han han walking towards him.

"chen chen, han han!"

"Daddy!"

"Daddy!"

He walked quickly towards the two babies, and the two babies ran over happily when they saw their father.

chen chen and han han quickly regained their usual vitality. When they saw their father coming, they all ran to him.

“Daddy, where have you been?”

“We finally found you.”

The two babies raised their heads, looking innocent and cute.

gu jin yi squatted down and held the two babies in his arms.

“Don’t go out alone, okay?Daddy will worry about you. ”

The two babies nodded obediently, indicating that they knew.

gu jin yi had been very busy looking for Ning Xi recently. If chen chen and han han suddenly disappeared, it would really give him a heavy blow.

“We were going to look for you, but we couldn’t find you after searching for a long time.”

han han said in a childish voice.

“You don’t need to look for daddy. Wherever you are, daddy will come to you.”

gu jin yi caressed the foreheads of the two babies and said gently.

“We know. Daddy won’t worry about us anymore.”

chen chen answered seriously.

Then, he took them back to their room.

After returning to his room, chen chen told gu jin yi that he saw Ning Xi.

“Daddy, I saw mommy just now.”

As soon as chen chen said that, he calmed down and then asked anxiously, “chen chen, what did you say just now?I saw a stream. Where is it? ”

gu jin yi couldn’t control his excitement as long as he heard about Ning Xi.

“I’m not sure if it’s Mommy. I didn’t see her after I walked over.”

chen chen was afraid that he might have seen it wrong, which made his father happy for nothing.

But no matter gu jin yi was Ning Xi or not, he would go to see her as long as there was a glimmer of hope. Moreover, if he saw her in the hospital, there must be a record in the hospital.

“It doesn’t matter. Whether it’s Mommy or not, daddy will find her. Do you believe me?”

gu jin yi said to the two babies confidently.

“We trust Daddy!”

The two babies spoke at the same time, and their voices were very loud.

“Have a good rest here. I’ll be here watching you.”

chen chen and han han nodded hard. Knowing that gu jin yi would stay here with them, the two of them closed their eyes obediently and fell asleep at ease.

gu jin yi gazed at the two babies with affection, recalling what chen chen had just said.

chen chen, han han, I promise you that I will find your Mommy

Suddenly, a message came from his phone. It was from Jacob.

He sent some information and the surveillance video of the accident scene.

gu jin yi turned on the phone and stared at the video coldly without any emotion.

It seemed that the car accident was man-made and he was right that it was not an accident.

Moreover, the man not only aimed at ye xiao xiao, but also his two babies.

After chen chen and han han fell asleep, gu jin yi arranged someone to take care of them and left the hospital.

On the other side, in the VIP ward, gong hao yu sat on the sofa after Ning Xi fell asleep. He got the news that the CEO of the Empire group, gu jin yi, seemed to have something important to do recently, which had a great impact on the company, so that all shareholders had opinions on him.

gong hao yu looked at the internal message that had just been sent out. The corners of his evil and attractive lips slightly curled up, revealing a breathtaking smile.

gu jin yi, it seems that you can’t be the president of the Empire group anymore.

chapter 369

Then, he began to ask the company’s internal personnel to buy a large number of shares of the Empire group.

gu jin yi, I will make you pay double for what you have done!

.....

On the other side, ruo huan yan had been bothered by the fact that Ye Ling City had refused her. In order not to think about these annoying things, she went to a red wine bar alone to get drunk.

ruo huan yan was drinking alone at the bar counter, which attracted some unkind men.

“Hey, are you alone?”

A gentle man walked to her and sat down.

Ignoring the man, she kept drinking.

“It’s so boring to drink alone. Come on, let me accompany you!”

ruo huan yan didn’t want to talk to him, so he kept chatting with her.

After drinking a few gla\*\*es of wine, ruo huan yan saw that the man had been sitting next to her and drinking with her. He didn’t do anything excessive to her, so she looked askance at him.

“Cheers!”

ruo huan yan was a little drunk, but she was conscious.

ruo huan yan’s drunken look made the man have an idea.

The man raised his gla\*\* and drank with her.

Ten minutes later

ruo huan yan was sleepy. The man took the opportunity to bring ruo huan yan into the hotel and wanted to do what he wanted to do.

As soon as possible, the man slowly took off her coat and went deeper and deeper

ruo huan yan suddenly came to her senses. Knowing her situation, she resisted, “let go of me, you b\*\*\*\*\*!”

ruo huan yan tried her best to resist, because her clothes were not completely taken off.

ADVERTISEMENT

“You’re already here. Don’t pretend to be reserved. Don’t you want to do something?”

The man had already seen through her. He also knew that women who went to bars were not good. It seemed that she also missed men.

ruo huan yan began to resist. Reminded by the man’s words, she indeed should do something tonight. She couldn’t miss any chance!

At this moment, all she thought about was the appearance of the city.

In order to get pregnant with the ‘child’ of Richie, she had gone all out.

Gradually, she resisted and was willing to do it. In this way, she had s\*\* with the man pa\*\*ionately

I can do anything for you!

the second day.

ruo huan yan left the hotel early. She had achieved her goal and didn’t want to stay with the man any longer.

This time, she had paid a heavy price to make him yield to her.

On the other side.

The car accident of ye xiao xiao had caused a sensation in various TV stations, because she was the leading actress who was about to cooperate with the international male god, the night Ling City. If something happened to her, she would naturally pay attention to it.

The company had different phone calls and interviews every day because of the car accident of Celia. They were surrounded by a sea of people.

It was not until now that Richie knew that Celia had a car accident, which was a blow to him.

In a disguise, Richie came to the first hospital of the Empire group to visit ye xiao xiao. However, he was followed by the paparazzi. The hospital where Celia was in was exposed in an instant.

Soon, the hospital was surrounded by paparazzi, waiting for the latest news from Celia.

The reporter was broadcasting the accident of Celia in the hospital. Was it an accident or a man-made one? And what should she do with the cooperation of her company? He had told him everything he knew about the incident.

Because of this, the box office of the movie was affected to a certain extent.

Susan, who was behind all this, was gloating over what had happened.

#### ADVERTISEMENT

Susan stayed in her room alone and watched the news on her cell phone. Celia was in a severe coma because of the car accident and was lying in the hospital.

Seeing this, Susan was in a good mood.

“Although I didn’t kill the two little b\*\*\*\*\*s of Ning stream, it’s a good thing to get rid of her, Celia.”

Susan glanced at the screen of her phone and smiled coldly.

At this time, she received a message from Roger “yue yue, did you plan the car accident on purpose?”

“Roger, at this time, you don’t need to care more about your family, Richie. I think you don’t have much chance to get close to him since he stays with Celia every day. You should seize this opportunity.”

Susan quickly replied, but she didn’t directly answer her question.

“I was about to tell you this. That woman hung around in front of Ling City every day, so I didn’t have time to stay with her alone. But I can stay with Ling city soon.”

ruo huan yan said casually. She was sure that what she had done yesterday would be successful.

Susan didn’t think too much about what Roger said.

“Now you have time. You have to seize the opportunity, not every day. I have something else to do. I’ll contact you next time.”

After saying that, the two hung up the phone at the same time, busy with their own things

At Empire first hospital.

Ning Xi woke up and saw gong hao yu in his room. She called him.

“hao yu.”

“You’re awake. How long have you been sleeping?”

gong hao yu handed a cup of warm water to Ning stream.

“Why haven’t you come back yet?”

Ning Xi was confused. He thought that Jonny had gone back.

ADVERTISEMENT

“Do you really want to drive me away?”

gong hao yu teased.

Ning Xi smiled and inadvertently glanced at the screen.

The news was being broadcast about the actor ye xiao xiao of the Ye Ji film company.

Ning Xi stared at her and suddenly felt a headache.

“Tianxin, what’s wrong with you?”

Seeing that there was something wrong with Ning Xi, gong hao yu immediately stood up and held her in his arms.

After a while, the pain in Ning stream decreased automatically, and she slowly recovered.

“Jonny, do I know that man?Why do I have a headache when I see her? ”

Ning Xi pointed at ye xiao xiao on the TV and asked sadly.

gong hao yu looked askance at the TV screen and saw Celia.

Suddenly, an idea came to his mind.

Why would Tianxin have a headache when she saw her?Did Tianxin know the woman on TV?

He didn’t know who the woman was, nor did he want to investigate her. Now it seemed that he had to investigate who she was.

No matter whether she would stay with him or not, he had to know her ident\*\*y clearly.

“Maybe I’m tired recently. I turned off the TV.”

gong hao yu turned off the TV and helped Ning Xi lie down.

chapter 370

“I don’t want to sleep. I want to go downstairs and have a walk.”

gong hao yu followed Ning Xi and helped her get out of bed.

At this time, Jonny’s phone rang. He walked aside to answer the phone. Ning Xi noticed that there should be something wrong with the school on the phone, so he asked him to go back first.

“Daniel, you can go back first. I will be discharged from the hospital in two days. I have recovered.”

In order to make Jonny leave here at ease, Nina said, pretending to be fine.

“Then I’ll go back first. Call me if anything happens.”

Ning Xi nodded with a smile. gong hao yu waved goodbye to Ning Xi and gave her a naughty smile.

As soon as gong hao yu left the hospital, he called his assistant, “investigate her identity. You must know her clearly.”

After the man agreed, gong hao yu hung up the phone.

Then, he got on the car and drove away.

Not long after gong hao yu left, Ning Xi couldn’t help but want to take a walk out of the room. It was moldy to stay in the room every day.

Although Jonny had told her to lie on the bed more often and not to go out all the time, she still couldn’t stay in the room.

ning xiao xi knew that if she wanted to go out, the nurse arranged by Jonny would definitely not allow her to go out, so she could only sneak out of the room.

The hospital was very big. Ning Xi walked to a corner of the hospital.

But she didn’t care about it at all. It was better to stroll around the hospital than staying in the room all the time.

At this moment, in the room on the other side.

The two babies wanted to call their father, Jean, but they found that their watch was broken.

Reluctantly, they sat in the room, pouting their mouths as if they were murmuring something.

ADVERTISEMENT

She looked reluctant and aggrieved.

She wanted to go out for fun, but she remembered their father, Edmund, had told them not to go around in case he would worry about them.

Then, a nurse walked in slowly and walked towards them with a big smile on her face. “chen chen and han han, what’s wrong with you?”

This was the nurse arranged by gu jin yi to take care of the two babies, so she often came to their room to see them.

What's the relationship between the two kids and the chairman?

The nurse thought of what the head nurse had specially told her to take good care of the two children, and she felt that something was wrong.

Just as the nurse was thinking about the identities of the two babies, they suddenly spoke, interrupting her thoughts and thoughts.

"Nurse, we want to go out, but daddy doesn't allow us to go out. Alas..."

han han lowered her head with a helpless and cute expression.

"Miss, if you are with us, you can go out and play, so that Daddy won't worry about us."

The little boy thought that this reason should be enough. His father said that he couldn't go out alone, but it should be okay to have someone accompany him.

The nurse nodded, indicating that she could go out.

In fact, the superior had told them that they could go out to play as long as they were taken care of. Otherwise, the nurse wouldn't dare to make a decision without authorization.

"Wow! You can go out now! I'm so happy!"

When the two babies heard that they could go out and have fun, they ran out of the room happily.

"Ah!"

Accidentally, the two babies bumped into the woman in the corridor. Because of their weak body, the woman fell back subconsciously and her body directly fell on the wall.

"Aunt Peggy, are you okay?"

ADVERTISEMENT

"Auntie, I'm sorry. Did you hurt?"

As soon as the two babies bumped into Ning Xi, they ran to her and helped her up. chen chen and han han felt very sorry for them.

"It's okay."

ning xiao xi replied as she sensed the anxiety of the two babies. She raised her head slowly and looked at the two babies with a smile.

At that moment, the two babies looked at Ning stream at the same time, and their natural expressions were instantly ecstatic. They looked at her in a daze, and then directly held Ning stream and shouted at the same time.

"Mommy!"

"Mommy!"

ning xiao xi was stunned by chen chen and han han's hug. What happened to the two children? Did they just call her Mommy? It was strange.

"Shirley, Shirley, let go of Auntie first."

ning xiao xi was held so tightly by the two babies that she almost couldn't breathe.

After Ning stream opened her mouth, chen chen and han han still held her tightly, fearing that she would disappear as soon as she let go of Ning stream.

"My child, I feel a little uncomfortable. You hold me too tight..."

ning xiao xi was held so tightly by the two babies that she could hardly breathe.

The two babies realized and slowly let go of Ning stream.

"Mommy, where have you been? We miss you so much... Waah..."

Looking at Ning stream, han han couldn't help crying.

"Mommy, why don't you care about us? How can you leave without us... Waah..."

This time, even chen chen, who had always been strong, began to sob. He didn't want to cry, but his eyes were still filled with tears.

Looking at chen chen and han han's red and sad eyes, Ning Xi frowned for no reason.

She couldn't understand what the two babies were talking about, which made Ning Xi confused.

They must have lost their mother? Why are you so sad.

"Don't cry, my child. What do you want to tell me? Is your mother missing?"

ning xiao xi asked kindly in a soft tone.

"Mommy, what are you talking about? We are chen chen and han han. Have you forgotten us?"

"Mommy... What's wrong with you? Are you sick?"

The two kids were worried when they saw that their mommy was talking something wrong and didn't seem to know them.

"You said I am your mother? Ha ha, I am not a child. I don't have a child. You have mistaken me for someone else."

Ning Xi thought the two babies missed their mother so much that they mistook him for their mother.

"Mommy... How could you forget us..."

han han lowered her head and pouted. She looked sad.

Then, han han raised her head and touched Ning Xi's forehead.

Because it suddenly occurred to her that their mommy had said that only when she was sick and had a fever would she become unconscious.

Now that her mother was in such a condition, she must have a fever.

chapter 371

Ning Xi looked at the little girl in front of him in confusion. What was she doing? What did he mean by touching his forehead? Do you think I have a fever?

chen chen, who was standing next to them, stared at his mother Ning Xi. From her eyes, chen chen could feel that their mother had changed.

“Mommy, don’t you remember us? Do you remember daddy? Our Daddy! Your husband!”

chen chen suddenly thought of their father, gu jin yi, and asked Ning Xi excitedly.

Ning Xi rubbed his temples and felt a headache again. There seemed to be a shadow of someone pa\*\*ing by in her mind.

Frowning, chen chen looked at Ning stream and thought, ‘mommy doesn’t seem to know us. How could this be?’?

“Auntie, can you go out with us to find Mommy?”

chen chen thought that maybe she would remember it as long as they were together.

Because of chen chen’s words, Ning stream recovered and the pain in her head was a little better.

“Brother, what are you talking about? She is Mommy, not aunt.”

han han felt strange. The woman in front of them was their mother. Why did her brother call her aunt?

han han didn’t understand why chen chen did that. When chen chen gave her a look, she knew that he must be thinking of a way, so han han stopped talking.

“Okay, I’ll go with you.”

ning xiao xi didn’t think it was a big deal. It was good for her to have two lovely children to accompany her. Seeing their mother who loved them so much, she didn’t know why but felt a little relieved.

The two babies walked to the side of Ning stream and held her slender hands.

And Ning Xi didn’t refuse. Instead, he liked her very much.

In this way, Ning Xi took the two babies out of the hospital corridor happily and went to the yard outside.

“What are your names? Why aren’t you with Mommy?”

Ning Xi asked with a big smile on his face.

The two babies were very sad when they heard the question.

She had never thought that the three of them would meet in this way.

“I’m chen chen.”

“My name is han han.”

The two babies introduced themselves.

“That’s how our mommy calls us.”

The two babies reminded him again.

“chen chen, han han, that sounds great!”

Ning Xi brewed these two names and thought they were not bad and pleasant to hear.

“Mommy left by herself. You left us and didn’t want us anymore.”

han han cried again. She felt sad at the mention of this.

“Mommy left... She left alone. She didn’t take us...”

chen chen also felt a little sad. Although their mommy, Ning Xi, was in front of them at the moment, she seemed to have changed into another person, who did not know them and became strange.

Hearing what the two babies said, xiu mei frowned slightly. She thought that chen chen and han han had said that they had left.

She felt sorry for them and said, “what a poor girl! Why did her mother leave so soon?”

From the bottom of her heart, Ning Xi wanted to protect chen chen and han han.

“Auntie, why are you alone? Look at you, you are wearing the hospital uniform. Are you sick?”

han han looked at Ning Xi up and down and asked in confusion.

“Yes, aunt Peggy, are you feeling uncomfortable?”

Taking this opportunity, chen chen wanted to know what had happened, why their mommy, Ning Xi, was in the hospital, and why he didn’t remember them.

“Yes, I’m also sick, so you can’t be as sick as auntie. Even if mom is not with you, you should take good care of yourself, so that she will be relieved. Do you agree?”

Ning Xi had a special feeling for chen chen and han han. He couldn’t tell, but he liked to stay with them.

The two babies nodded hard. Indeed, they had to take good care of themselves and not let their mommy worry about them.

“Yes, we have to take good care of ourselves and not let mommy worry about us.”

The two babies said at the same time.

Ning Xi smiled gently and touched the cheeks of the two babies subconsciously.

“You are so cute. I will be satisfied if I have two cute and obedient children like you in the future.”

ning xiao xi stared at the two babies and fell in love with them from the bottom of his heart.

The two babies stared at Ning stream without blinking. In fact, they wanted to tell Ning stream that she was their mommy.

“You have two of us with you. You can come to us whenever you miss us.”

han han smiled and acted like a spoiled child, sticking to Ning stream.

“Auntie, we also like you. Can we still meet here at this time tomorrow? We will give you a big surprise tomorrow!”

chen chen began to think about how to let Ning Xi meet them again.

Because he knew that she would leave later. She couldn't remember what had happened before, and she would definitely not stay. So he could only think of this way and see her again.

“Okay, I'll wait for you here tomorrow. I'm waiting for your big surprise.”

ning xiao xi kept smiling at the two babies.

“chen chen, han han! It's time for us to go back.”

At this time, the nurse came over from the left and realized that the two babies should go back.

chen chen took a deep breath and thought, 'it's not mommy's leaving, but we have to go first.'

“I won't leave! I won't leave Mommy!”

Seeing the nurse walking towards her, han han knew that they were going to be taken away by the nurse. Knowing that she would leave her mother, he was so excited that he almost cried.

han han hid behind Ning stream and tugged at the corner of her clothes. It seemed that she didn't want to leave.

In fact, chen chen was also very reluctant, but he did not show it. He just stood aside and did not move.

“chen chen and han han, you can go back first. I have to go back now. I will wait for you here at this time tomorrow.”

Seeing that chen chen and han han didn't want to leave, Ning Xi squatted down and whispered to them.

“Mom, mom, I don't want to leave you, mom...”

han han sobbed.

Seeing this, chen chen cried sadly.

“I don’t want to leave either... Mommy...”

All of a sudden, chen chen held Ning Xi tightly in his arms.

chapter 372

When ning xiao xi was suddenly hugged by the two babies, her heart ached and her eyes turned red. Uncontrollable tears fell down in an instant.

Hugging the two babies, Ning stream didn’t realize that she was crying until her tears fell on the back of her hands.

Ning stream was silent for a while. She didn’t know why she was like this.

“chen chen and han han, good girl, you can see me tomorrow. I won’t leave. I will always be with you.”

Ning Xi wiped his tears and comforted her. Then the two babies let go of her slowly.

“Okay, we will listen to you.”

The two babies nodded with tears in their eyes, indicating that they were very obedient and hoped that Ning stream would not leave them.

Ning Xi gave them a warm smile.

In this way, the nurse took the two babies and left.

The two babies turned their heads to look at Ning stream from time to time, fearing that she would leave. Their reluctance made people feel sorry for her.

“Mommy...”

“Mommy...”

The two little babies were still shouting at Ning stream, which made the two words constantly appear in Ning stream’s mind.

Ning Xi stood still and watched the two babies leave silently.

Gradually, the two little babies’ faces came to Ning Xi’s mind. The more he thought about them, the more familiar he became. Did they have anything to do with him?The pain worsened and spread

In this way, Ning stream fainted again.

.....

When she woke up in a daze, Ning stream was already in the room.

She saw the nurse taking care of her pouring water beside her.

When the nurse saw that Ning stream woke up, she immediately put it down and walked to her side.

“You are awake.”

The nurse handed a cup of warm water to Ning Xi.

“What’s wrong with me?”

ning xiao xi took the cup. ming ming was playing well with the two children just now. Why did he suddenly come here.

“You scared us. Fortunately, we found it in time. You must take me with you next time you go out.”

The nurse said to Ning Xi seriously and jokingly, looking at her firmly.

ning xiao xi knew that they must be worried about her when she sneaked out this time. So she said apologetically, “Okay, I’ll take you with me next time.”

Then Ning Xi put on a big smile.

All of a sudden, chen chen and han han’s twins appeared in Ning Xi’s mind. Do I know them? She felt very familiar.

“By the way, you don’t know yet, do you? Keep it a secret for me. Don’t tell him, or he will have to nag me.”

Ning Xi came to his senses and reminded the nurse, xiao fen, not to spill the beans.

“I...”

It seemed that nurse xiao fen wanted to say something, but Ning Xi stopped her as he knew what she wanted to say.

“xiao fen, I know he asked you to take care of me, but you can’t refuse my request.”

“What a coincidence! I just heard it.”

When Ning Xi happened to say this to nurse xiao fen, Jonny suddenly came in from outside.

ADVERTISEMENT

Ning Xi was stunned subconsciously. He stared at gong hao yu with his big innocent eyes blinking. With a sly smile on his face, he pretended to be calm and said, “Jonny, you’re here.”

“Yes, how can I know if I don’t come?”

gong hao yu approached Ning stream.

“I was about to tell him that he had already known...”

Nurse xiao fen smiled mischievously at Ning Xi.

Ning Xi lowered his eyes in embarrassment, thinking that if he had known it earlier, he would have let xiao fen finish her words.

The nurse, xiao fen, left the room voluntarily, and Jonny sat beside Ning stream.

Just when he was about to say something, Ning Xi knew that he was going to nag her again. She noticed that his clothes were different from usual today, so Ning Xi took advantage of this topic to speak in front of him.

“Eh?Why are you wearing a suit today?I haven’t seen you wear it before.”

“I, I happened to attend a speech compet\*\*ion today. I need to wear a suit, or I won’t wear such ugly clothes.”

gong hao yu deliberately showed that he hated wearing suits. He didn’t notice that he came to the hospital in a formal suit today. Fortunately, he had thought of a reason to answer Ning Xi’s question. Otherwise, she would have guessed it and almost revealed the truth.

At that time, during a meeting in the company, someone in the hospital called and said that Ning Xi fainted, so he rushed over as soon as possible and did not notice that he did not change his clothes.

gong hao yu suddenly realized that Ning Xi was a very important person in his world now. He was afraid that Ning Xi would find out his ident\*\*y and he had no time to explain, which would cause misunderstanding.

“But you look handsome in a suit.Ha ha...”

Ning Xi stared at gong hao yu up and down. There was a wicked smile on his smooth and fair face from time to time, which made him a little shy.

“Have a good sleep. Don’t move!If you continue to faint, I won’t let you leave the hospital.”

Jonny stood up and said to Ning Xi, pretending to be serious.

But there was a hint of mischievous expression on his face.

“Okay, I know.”

Ning Xi nodded in a hurry. Judging from the expression on his face, he had escaped this time.Ning Xi breathed a sigh of relief and thought to himself, ‘I must be careful next time.’.

But just now, it seemed that there was a sudden scene in her mind. She felt so deep that she fainted.

.....

Soon, Ning Xi gradually fell asleep under the comfort of gong hao yu. Then, he went out of his room and came to the consulting room of wang yi sheng.

“wang shu shu, how is the examination?”

Seeing that Ning Xi fainted frequently these two times, gong hao yu was worried about her, so he came to the consulting room.

“Nothing serious. But she has been emotional these two times. Does she think of some familiar people or something recently?”

wang yi sheng's words reminded gong hao yu that he had already known the identity of Ning Xi. The woman on the TV screen that day turned out to be Ning Xi's best friend. No wonder she would feel headache when she saw her.

Then why this time? Would she faint again when she saw someone she was familiar with?

"wang shu shu, when can she leave the hospital?"

At this moment, Jonny also wanted to pick up Ning Xi and discharge from the hospital as soon as possible. He always felt that something bad would happen if he kept her in the hospital, or perhaps... She would meet someone who could help her regain her memory

In fact, gong hao yu was scared and worried. Because he didn't want Ning Xi to regain his memory. He wanted to keep her by his side.

"She will be discharged in two days."

Hearing wang yi sheng's words, Jonny was relieved. He would be discharged from the hospital in two days, so he didn't worry that something would happen.

chapter 373

gong hao yu returned to the ward and stayed with Ning Xi, staring at her.

She was thinking about the information her assistant gave her about Ning Xi.

It turned out that she was the legendary queen of design, Anna, whose original name was Ning stream.

Sure enough, she was not Tianxin.

Later, Celia came back from abroad and worked in LV.

At present, he had a general understanding of Ning Xi's personal information. As for her relationship with gu jin yi and her two children, it seemed that he didn't know at all.

Therefore, he didn't think too much and didn't care. He never thought that Ning Xi had something to do with gu jin yi.

In a room on the other side of the hospital.

The two babies went back to their room, but they were still in a bad mood. After they were taken to the room by the nurse, they sat on the bed without saying anything or moving.

The nurse beside them was anxious to see the two babies like this. She tried every means to coax them. But it didn't seem to work at all.

"chen chen, han han, what's wrong with you? Can you tell me what happened? Maybe I can help you solve it, right?"

"How about this? I'll buy you something delicious and interesting..."

The nurse talked a lot, but the two babies still didn't move.

They all looked out of the window, thinking about their mommy.

The nurse was more anxious than anyone else. She wondered if she had offended these two young masters. 'oh my God! I'm so screwed! I don't know if there is someone behind them. If I offend them, I won't be able to stay here any longer,' she thought.

Then, the nurse thought that she had no choice but to be a doctor. She must coax the two of them well. They were both children, how could it be so difficult to coax them?

"chen chen, han han, how can you talk to me?I see..."

Before the nurse could finish her words, the two babies' sharp eyes stared at her.

The two babies muttered in their hearts, 'humph, I don't talk to you. It was you who pulled us into the room and let mommy go.'

'bad guy, you separated mommy from me. We won't play with you anymore.'~

The two babies' eyes made the nurse beside silent.

At this time, gu jin yi came in from outside.

When the two babies saw it, their dark faces instantly lit up with joy.

The nurse thought the two babies were finally willing to talk to her.

When she was about to say something, the two babies shouted.

"Daddy!"

"Daddy!"

The nurse turned her head in a daze.

As soon as the two babies saw gu jin yi, they jumped off the bed immediately and ran to gu jin yi to hold him in their arms.

At this moment, the nurse was stunned. Wasn't this the chairman?She once did a public service interview in the hospital and saw him from a distance. But today she could see him so close.

Wow, so handsome! So handsome~

The nurse was almost lost in thought, but soon she came to her senses.

She noticed that the two babies just called the chairman "Daddy!"

Are... Are they the children of the chairman?How is that possible?Didn't they say that the chairman was still single?Where did the two kids come from?

Just as the nurse was indulging in her reverie, he said softly, "you can go out first."

The nurse finally came to her senses. "Okay, okay."

She didn't say anything, nor did she dare to say anything more.

There were only three of them in the room.

"Daddy, I saw mommy! This time, it's 100% true!"

chen chen said to his father gu jin yi again.

Because he had seen it with his own eyes and said something.

gu jin yi smiled gently at chen chen and said gently, "chen chen han han, I promised you that I would find Mommy. I know you all miss her."

gu jin yi had investigated that there was no name of Ning Xi in the hospital, so he knew that it was because the two babies missed her too much that they had an illusion.

He still thought that chen chen missed their mommy too much this time.

"Daddy, it's really Mommy. We just went out to play with mommy in the yard!"

Then han han calmed down and looked at gu jin yi with her big round eyes blinking.

They didn't seem to be talking nonsense. He knew that the two babies wouldn't make such a joke, but if Nina was in the hospital, why couldn't she find it out? gu jin yi was confused.

"chen chen, han han, have you really seen the stream?"

gu jin yi looked a little serious.

The two babies nodded immediately. They were 100% sure about the expression on their faces.

"But Mommy doesn't seem to remember us. It's so strange. Why is it like this?"

"Mommy seems to be sick. We knocked her down just now, and she doesn't know us now."

The two babies said in one voice.

Hearing the words of the two babies, gu jin yi seemed to think of something. He looked at the two babies and whispered, "she doesn't know you anymore..."

"chen chen, han han, do you know where Mommy is now?"

ADVERTISEMENT

Soon after, he came to his senses and asked the two babies. As soon as he heard about the whereabouts of Ning stream, he was so excited that he wanted to see her immediately.

When the two babies asked this question, their strength faded in an instant. They were wondering why they forgot to ask their Mommy where she was just now? Then they couldn't find her.

chen chen and han han pouted and shook their heads.

But soon he regained his energetic look, because they remembered a big thing.

That was, they had made a deal that they could see each other tomorrow.

“Daddy, we have made an appointment with mommy to meet in the yard at this time tomorrow. Would you like to go with us tomorrow?”

chen chen told this to their father, gu jin yi.

When gu jin yi heard the news, his thin lips slightly tilted up, and a faint smile appeared on his face. His deep and deep eyes were full of joy.

He recalled what chen chen had said to him, indicating that he would see Ning stream tomorrow and finally found her.

As long as he found her, everything would be clear tomorrow.

.....

At the nurse desk.

The nurse who took care of the two babies was sitting at the nurse desk in a daze.

It had been an hour.

Her colleagues felt strange when they saw her. She used to be talkative, but today she suddenly became quiet.

“Crystal? What’s wrong? You have been sitting here in a daze for an hour without saying a word.”

chapter 374

The colleague walked up to her, held her shoulder and asked in a low voice.

“What?”

The nurse finally realized that she had been in a daze for an hour.

“Yeah, are you thinking about your handsome man again?”

At this time, nurse xiao fen also joked.

The other nurses burst into laughter.

“Of course not! Let me tell you something important!”

They were not interested in the crystal.

Then, crystal said something interesting, “it’s about our chairman, gu jin yi!” The nurses were curious.

“About the chairman? What is it?”

“Crystal, don’t keep me guessing. What’s the matter?”

“Yes, yes. Tell us quickly. We all want to know!”

Crystal smiled proudly and thought, 'I know you are most interested in the chairman's business.'

Many people in the hospital hadn't seen gu jin yi before. They only knew from a distance that he was a young, handsome and capable man.

Therefore, the unmarried doctors and nurses in the hospital naturally admired her.

"Come here. I'll tell you a big secret!"

Crystal waved at them, and the nurses immediately rushed over, wondering what the secret was.

Seeing that they all came close, she told them.

"I've told you, you have to control yourself. Don't be excited. In fact, our chairman..."

.....

The crystal told them everything she saw and saw. Sure enough, they were all surprised and silent.

ADVERTISEMENT

"Is this news shocking enough?"

Seeing that they were all stunned, crystal knew that they must be frightened by the news.

"Crystal, are you serious? How could it be..."

"Really? Isn't Mr. Edmund single all the time? Why do you have two children all of a sudden?"

"That's right. If he got married, why didn't anyone know about it? It should have caused a sensation in the city!"

"Ah! No, my husband was taken advantage of by others. Who, which woman? How dare you compete with me! Tell me, I'll go find her!"

The colleagues were more excited than anyone else. They did know a big secret.

Nurse xiao fen was surprised and disappointed, because she had always admired him.

Although she knew it was impossible, she still felt sad when she heard that he was married and had a child.

Seeing them so excited, the nurse thought that if it was not true, she would be ridiculed to death by them. It was better to tell them in advance.

"Calm down. Actually... I was just guessing."

As soon as crystal said this, everyone looked at her. They really wanted to kill her.

"Crystal! I want to kill you!"

"Crystal, we trust you so much, but you lied to us!"

"Fortunately, I scared you to death, which means that my prince charming is still alive."

.....

“But I’m very likely to be married. Don’t think about it anymore.”

The crystal exclaimed involuntarily.

Seeing that the crystal didn’t seem to be lying, they asked curiously, “what do you mean?”

“Yeah, how could you say that?”

ADVERTISEMENT

“Do you remember there were two children yesterday?”

Crystal’s words seemed to remind them. Everyone was stunned and seemed to remember something.

“I see! No wonder I felt that little boy looked so familiar. I thought I had met him somewhere. Now I think he looks very similar to the chairman!”

“Is it true?”

All of them guessed, and their hearts fluctuated.

At this moment, Jonny happened to pass by and heard their conversation.

The sunny and handsome young man in front of Ning stream suddenly became very mature and cold, and a touch of coldness flashed across his eyes.

Gong Hao Yu turned around and went back, thinking about what he should do next. Gu Jin Yi, wait, I will give you a big gift! After saying that, he smiled wickedly.

After the nurses finished talking, Xiao Fen returned to the Ning stream room. Obviously, she was in a bad mood.

Seeing this, Ning Xi could tell the nurse’s mood at a glance, Xiao Fen.

So she asked with concern, “Xiao Fen, what’s wrong with you?”

“What? I’m fine. Is there anything wrong with my expression?”

Little Fen Dun started to talk nonsense and didn’t know what he was talking about.

Ning Xi nodded with a smile, “it’s very obvious. Tell me, I’ll relieve your boredom.”

“Well... Okay, I’ll tell you.”

The nurse, Xiao Fen, rolled her eyes and sat down beside Ning stream.

“Do you know our chairman? You don’t know.”

.....

“Then I found out that he had two children, so I wouldn’t have a chance.”

Speaking of this, Xiao Fen, the nurse, suddenly thought of Chen Chen and Han Han.

## ADVERTISEMENT

It took her about an hour to finish what she was thinking.

“Is that why you are so sad?”

Ning Xi thought there was something wrong with her family, but it turned out that the chairman was not single anymore.

Was that man so excellent? That made her so sad.

Ning Xi was also drunk and was speechless with xiao fen, the anthomaniac girl.

“You don’t know, if you have met our chairman, you will never say that. You will definitely fall in love with him!”

Nurse xiao fen said to Ning Xi firmly.

Ning Xi looked askance at xiao fen in disbelief, “Wow, is it so exaggerated?”

“If you don’t believe me, I’ll show you his picture. I promise you won’t be handsome to death.”

Nurse xiao fen took out her phone from her pocket and looked through the photo album, which kept many photos of gu jin yi.

“Look, he is handsome, isn’t he? Is he better than you think? ”

Nurse xiao fen pointed at the photo of gu jin yi and said to Ning stream confidently.

Ning Xi stared at the man on the screen for a long time, with all kinds of confusion in his divine eyes.

Why did she feel so familiar with this man? Why did she feel it in her dream?

Thinking of this, she felt a little dizzy. She shook her head and forced herself to be sober.

“What’s wrong with you?”

Seeing that Ning stream was a little uncomfortable, nurse xiao fen took back her phone and fetched a pillow for her to lean against.

“Nothing. I just feel a sense of familiarity with him...”

Nina murmured as she was still thinking about the appearance of Edmund.

## chapter 375

Nurse xiao fen didn’t hear or care. She didn’t continue the topic after she let Ning Xi lie down.

When he came to his senses, he remembered that his responsibility was to take good care of the woman in front of him, not to think about the impossible things.

Ning Xi rested for a while, and then gong hao yu came in from outside and told Ning Xi that she would be discharged tomorrow morning. "Tianxin, we can leave the hospital tomorrow morning. Are you happy?"

"You can leave the hospital now!Excellent!Well... But I'd better leave the hospital this afternoon. "

As soon as Ning Xi heard that she was going to leave the hospital, her face suddenly became ecstatic, but she immediately stopped smiling.

Seeing the change of Ning Xi's expression, gong hao yu frowned. What made Ning Xi hesitate to leave the hospital?She had been looking forward to leaving the hospital, but now Ning Xi was not as happy as he thought.

"What's wrong?Are you unhappy after leaving the hospital? "

gong hao yu sat beside Ning stream and asked like a child.

"Of course not. How could I be unhappy after leaving the hospital!I have something to do. "

Ning Xi remembered that she had an appointment with chen chen and han han tomorrow afternoon. If she was discharged from the hospital tomorrow morning, she would cancel the appointment.

Seeing that they were so cute and even regarded her as their mother, Ning Xi didn't want to make them sad from the bottom of her heart. Thinking that they must not love each other very much, she decided to see them tomorrow afternoon before leaving.

"Let's talk about it when you get better. Or what do you want to tell me?I can do it for you. "

gong hao yu volunteered to complete the task for Ning Xi.

She thought Ning Xi would agree to her request, but gong hao yu refused her.

"No, thanks. I'd better do it myself."

Thinking of the smiles of chen chen and han han's two children tomorrow, ning xiao xi couldn't help feeling happy.

So she couldn't help smiling.

Noticing the expression on Ning Xi's face, Jonny felt something was wrong. He had never seen her think so happily.

ADVERTISEMENT

Since Nina wanted to leave the hospital tomorrow afternoon, Jonny didn't say anything more. Just do as she said.

"Okay, I'll wait for you. It doesn't matter this afternoon."

"I know you are the best, haha..."

Ning Xi gave a big smile to him, and anyone who saw it would be happy.

.....

The second morning.

Ning Xi got up early and packed up the things to leave the hospital.

“You can lie down and have a rest. I’ll clean it up.”

Nurse xiao fen had been guarding Ning stream. It was her task to take good care of her.

“It’s okay. I’m fine. All of you don’t allow me to do this or that. I will be lazy because of you in the future.”

Ning Xi said jokingly.

xiao fen, the nurse, was rendered speechless. She walked to ning xiao xi with a smile and helped her clean up.

The two chatted with each other.

“Tianxin, haven’t you always wanted to leave the hospital? Yesterday, Jonny asked you to leave the hospital this morning, but you didn’t agree. What else can I do to make you more important than leaving the hospital?”

Nurse xiao fen almost said something she shouldn’t have said, but fortunately she reacted quickly and took it back immediately.

After staying in the hospital for so many days, Ning Xi often said, “when can you leave the hospital? How long? I don’t want to stay in the hospital for even a second.”

Now she could leave the hospital in the morning, but she wanted to stay for the whole morning.

ADVERTISEMENT

So xiao fen was very confused. What happened to her? Why was she discharged from the hospital delayed.

“In fact, I met two children yesterday. I agreed to meet them this afternoon, so I can’t break the contract.”

Ning Xi explained briefly why he didn’t leave the hospital this morning.

“That’s it? Just because of this?”

Nurse xiao fen looked at Ning stream in surprise.

It was because she had made an appointment with the two children that the discharge date was postponed. She thought it was something important.

Ning Xi nodded and continued, “when I met them yesterday, they recognized me as their mother. You keep calling me mom. I feel sorry for the two kids. I’ll tell them when I’m leaving the hospital.”

Ning Xi told the basic process to the nurse, xiao fen.

“What? How could you mistake your mother for someone else?”

Hearing what Ning Xi said, xiao fen felt more incredible.No matter how old a child was, it was impossible for him to mistake his parents.

“I also feel strange. It’s possible that I look a little like their mother when I call her mother all the time. Or maybe... The two cute children have always regarded me as their mother.Since you have promised them to meet tomorrow, you can go. ”

Ning Xi said with a smile as he folded his clothes and thought of chen chen and han han.

Ning Xi also thought that the mother of the two babies had pa\*\*ed away, so he had more sympathy for chen chen and han han.

“Two kids...”

The figures of chen chen, han han and gu jin yi suddenly appeared in nurse xiao fen’s mind, and her expression froze in an instant.

“Tianxin, are the two kids a pair of dragon and Phoenix bao bao? They are about five or six years old.”

Nurse xiao fen asked Ning stream.

ADVERTISEMENT

Seeing this, Ning Xi nodded and said, “yes, how do you know?”

“Tianxin!Do you meet the child of our chairman? ”

xiao fen suddenly became very excited, grabbing Ning Ning Xi’s two slender arms and shaking them.

ning xiao xi was shook by the nurse xiao fen. Nobody knew what she was talking about?She was confused.

Soon, xiao fen let go of Ning Xi’s arm. She knew she was too excited.

Because only the nurse crystal was specially responsible for taking care of the two children of the chairman, and no one else could touch them. As soon as they heard that Ning stream met the children of their chairman and called her mother, they were all excited.

“Tianxin, do you have anything to do with our chairman?”

The nurse xiao fen teased, glancing at Ning stream with her naughty eyes.

She knew that it was impossible for her to know their chairman.

“You think too much, xiao fen. I haven’t seen your CEO before. How could I know him?”

The two of them chatted and laughed.

At this moment, Jonny was standing at the door of the room and heard their conversation.

It turned out that she was going to see the two children this afternoon.Why do you take Tianxin as your mother?There must be some unclear relationship between them.

gong hao yu thought to himself

As for the matter that gu jin yi had two children, Jonny had already investigated it. There were indeed rumors that he had been married and had two children.

chapter 376

gong hao yu walked in as if he hadn't heard anything. "Tianxin."

"Daniel, you are here."

Hearing the voice, ning xiao xi turned to look at Jonny.

"Look, I've packed up my things. I can leave the hospital this afternoon. I'm so happy."

Ning Xi said with a smile.

"Are you really going to leave the hospital this afternoon? In fact, we can do it now."

gong hao yu asked cautiously again.

"Okay, in the afternoon."

Ning Xi decided to leave the hospital in the afternoon to meet chen chen and han han.

gong hao yu had no choice but to nod in agreement.

On the other side, in the VIP ward.

ye xiao xiao was in a better condition, so she was transferred from the ICU. Recently, there were a lot of reporters coming to interview her. In order not to let her be disturbed, an zi hao specially arranged people to protect her around the ward.

He stayed with Celia every day.

"Celia, do you know? In fact, when I first saw you, I had an inexplicable feeling of being moved. Now that I have known you, all the things around me have become more meaningful..."

an zi hao picked up ye xiao xiao's hand on the bedside and held it. He stared at the weak girl with deep affection.

The scene that he and Celia knew each other was playing in his mind.

Bang! Bang! Bang

A sudden knock on the door interrupted an zi hao's memory.

He put down Celia's hand slowly, stood up and walked out of the room.

At that moment, Celia's left index finger trembled slightly

As Celia's condition had improved, she had been transferred from the ICU to the VIP ward. The two babies had always wanted to see their aunt Celia. After thinking for a while, he took them to the ward.

“Aunt Celia!We are here to see you. ”

“Why haven’t you come to see us for so long?We all miss you so much... ”

As soon as the two babies entered the room and saw ye xiao xiao lying on the bed, they ran towards her happily.

chen chen han han stood straight on the edge of the bed, staring at ye xiao xiao with her big innocent eyes. Seeing that she was lying on the bed motionlessly and ignored them, chen chen han han frowned slightly.

“Daddy, what’s wrong with aunt Celia?Why doesn’t she talk to us? ”

“Is aunt Celia sick?She doesn’t look well. ”

The two babies were also careful children. They turned to gu jin yi and asked with a frown.

“She doesn’t feel well, so we have to leave early after we see her. We can’t disturb her rest.”

gu jin yi didn’t tell the two babies the reason why he didn’t take them to see Celia. He was worried that they would think too much.

The two babies looked at each other and nodded. “Okay. Let’s ask Celia to have a rest. We don’t want to disturb her.”

Then, the two babies walked to Celia again and gently stroked her. “Aunt Celia, have a good rest. My brother and I will come to see you next time. We will miss you.”

“Aunt Celia, please recover as soon as possible. We have found Mommy. You should be very happy, right.She will be unhappy to see you get sick like this, so you must recover as soon as possible and play with us. ”

“Yes, yes. Aunt Celia, you have to get better as soon as possible. Mommy can’t remember us now. Maybe she will remember us as soon as she sees you. We will be obedient in the future and won’t cause you any trouble...”

While saying that, chen chen and han han felt a little sad, with red eyes,

The two babies reluctantly looked at the unconscious ye xiao xiao. They didn’t leave her until gu jin yi said something.

“chen chen, han han, let’s go. Daddy will take you to see Aunt Celia a few days later.”

The two babies held gu jin yi’s hands tightly and went back to their room.

“chen chen, han han, are you feeling better?You must tell Daddy if you feel uncomfortable, or daddy will worry about you, okay? ”

Because she would be discharged from the hospital in the afternoon, he was worried about chen chen and han han’s health, so he asked again.

“Daddy, don’t worry about us!”

The two babies answered at the same time.

They even lifted their sleeves and showed their muscles to their father, gu jin yi, to show him that they were in good health and don’t worry anymore.

gu jin yi comforted them with a doting smile.

The happy moment always pa\*\*ed in a flash. It was almost the afternoon when chen chen, han han and Ning Xi agreed.

The three of them went to the yard early to wait for Ning stream.

gu jin yi looked around and didn’t miss a chance to see Ning stream.

At this moment, he was scared, worried and expectant.

He was afraid that the person he saw was not Ning Xi, but he still hoped that it was her.

As time pa\*\*ed, it was almost the appointed time. The two babies kept asking their daddy, “what time is it, daddy?”

“Daddy, how many minutes are left?”

“Daddy, don’t we come too early?Did Mommy forget that she won’t come... ”

.....

“Let’s wait a little longer. They should be coming soon.”

gu jin yi patiently waited with the two babies, comforting them.

In fact, he was more anxious than anyone else.

On the other side, Ning Xi saw that the time had come. He thought that chen chen and han han must have arrived too.

She stood up and was about to go to the place they had agreed. At this time, Jonny came over. “Tianxin, let me go with you.”

“It doesn’t matter. I can do it myself.”

Before Jonny could say anything, Ning Xi ran out in a hurry, fearing that he couldn’t catch up with the appointed time.

“Tianxin...”

gong hao yu followed her and wanted to see if it was what he was thinking.

As soon as Ning Xi came to the yard, he saw the two little babies not far away. A touch of joy appeared on her face. She walked towards them step by step.

“Mommy!”

“Mommy!”

Not far away, the two little children’s eyes swept around. As soon as Ning Xi appeared, they were enlightened. They saw Ning Xi walking towards them at a glance, and ran excitedly towards her.

At the same time, gu jin yi, the man beside the two babies, also looked at the woman not far away from him.

His deep eyes seemed to have entered a whirlpool and were staring at her.

Stream... It’s really you

gu jin yi walked towards her with heavy steps.

“Mommy, we miss you so much. I thought you forgot to come to see us today.”

“I thought you forgot that you wouldn’t come today...”

The two babies came close to Ning stream and said in a naive voice.

chapter 377

The tone of his words melted Ning Xi’s heart. Although she was not their mother, she liked these two children very much.

Ning Xi stroked the hair on the foreheads of the two babies and said softly, “I promised you that I would come today. I’m not lying.”

“Mommy, can’t you remember us?”

chen chen frowned and wondered what had happened? Why did their mommy forget them all.

Their words made Ning Xi more and more confused. Why did the two children in front of her always say that she was their mother? After explaining to them, she still insisted.

“Mommy, do you remember daddy? I love your daddy very much.”

han han continued. She turned to look at their father, gu jin yi, and pointed at him.

Ning Xi looked at the two babies and gradually turned to gu jin yi.

“chen chen and han han, it turns out that you have dad with you. You can ask dad to accompany you more when you come out in the future.”

Ning Xi thought the two babies didn’t have their parents by their side, so they were in such a hurry to find their mother.

gu jin yi came to them and stared at Ning Xi.

He stared at Ning Xi for a long time, and the longing in his eyes could not be concealed.

The two of them just stared at each other for a long time.

Ning Xi looked at gu jin yi. His eyes made her confused and strange.

At this moment, the usually domineering and cold eyes of bill seemed to become flexible. It seemed that he could only see Ning stream in his eyes, and everything else was not important.

“Hello, you must be the father of chen chen and han han. I don’t know what happened between you and their mother, but please pay more attention to them. Adults’ affairs have nothing to do with children.”

Ning Xi thought the father of the two babies was not good to them, or how could they let themselves run out? Moreover, the two children had been looking for their mother. It seemed that their father was not good to them, so they wanted to find their mother.

At this moment, the two little babies stood aside, pouting slightly and frowning slightly. They stared at their mommy with their exquisite big eyes blinking. They really couldn’t understand what Ning Xi was talking about.

Suddenly, he hugged her tightly. At this moment, he would never let her leave him again.

“Hey, what are you doing?Let me go! Let me go! ”

ning xiao xi was frightened by gu jin yi’s hug. A man suddenly hugged her, and everyone would be frightened.

But no matter how hard she struggled, she couldn’t get rid of him.

“Let me go...”

Ning Xi gradually stopped struggling. He was inexplicably panic, and his tone became very timid, with some tears in his eyes.

Realizing the fear in Ning Xi’s heart, gu jin yi slowly let go of her.

“Sorry... Did I hurt you?”

gu jin yi apologized to Ning Xi with a guilty conscience.

“Mommy, don’t be afraid. Daddy won’t hurt you.”

“Mommy, what’s wrong with you?Have you forgotten daddy? ”

The two little babies surrounded Ning stream and comforted her.

“Who... Who the hell are you?”

Hearing the words of the two babies, ning xiao xi quickly regained her composure. She looked at the man in front of her with a strange look, with a flicker of doubt in her eyes.

gu jin yi smiled bitterly, “Naomi, have you really forgotten me?”

“Stream?Are you calling me?I don’t know you. I’m not the stream you said. I’m Tianxin. ”

Hearing what he said, ning xiao xi somehow felt that this man was a little crazy.

He held her in his arms and said she was a stream.

gu jin yi looked at Ning Xi with his deep black eyes and said nothing.

Ning Xi looked into his eyes and felt a little sad. Why did this happen?She didn't know.

At this moment, Jonny, who followed Ning Xi all the way, was watching what was happening not far away.

gu jin yi

Ning stream

It seemed that all the doubts could be explained at this moment.

"Mommy, what's wrong with you?Why did this happen? "

"Mommy, you don't love us anymore..."

The two babies didn't expect that their mommy Ning Xi would forget their daddy.

"chen chen, han han, I'm not your mother. You must have mistaken me for someone else."

ning xiao xi had never thought that she would encounter such a thing. Why did someone suddenly recognize her as another woman.

She couldn't explain it clearly at once. It seemed that it was useless to explain.

gu jin yi gently held Ning Xi's hand and said, "let's go home. No matter what the reason is, I will remind you."

Just as gu jin yi was about to leave holding Ning Xi's hand, Ning Xi took back his hand and said, "I don't know you. I won't go!"

"Mommy, i..."

The two babies called Ning stream at the same time, as if they wanted to say something, but Ning stream interrupted them.

"I'm not your mother. Stop calling me like that."

Ning Xi, who had felt pity for the two babies, didn't want to say anything more to them. Now he just wanted to leave here.

Ning Xi turned around and was about to leave, but was stopped by gu jin yi.

"Stream, okay.It doesn't matter if you don't want to go with me. But please listen to me. You can leave as soon as you finish your words. "

It was the first time that gu jin yi felt so helpless. He had never thought that he would have such a helpless moment. He was still facing the woman he loved most.

Looking at gu jin yi's sincere face, Ning Xi softened his heart and nodded.

At this moment, Jonny appeared and shouted at Ning stream, "Tianxin!"

ning xiao xi, gu jin yi and the two babies looked at gong hao yu.

He walked up to Ning stream step by step.

"Daniel, why are you here?"

"Jonny!"

ning xiao xi and gu jin yi spoke almost at the same time.

"Mr. Gu, long time no see!"

Ning Xi stared at the two men in front of her in confusion.

Did the two of them know each other?

At this moment, gu jin yi and gong hao yu were staring at each other with complicated and fierce eyes.

"Why are you here?"

gu jin yi asked the man in front of him coldly.

"Mr. Gu, I'm afraid you have a lot of memories. Five years ago, I said that I would stand in front of you again in five years to let you know each other!"

gong hao yu was not inferior at all. He still looked at gu jin yi naturally without any fear.

Ning Xi frowned. It was the first time that she had felt such a frightening thought from gong hao yu.

chapter 378

The two babies stared at the scene in front of them and sighed deeply in their hearts.

Did someone want to take mommy from Daddy again? One had just left, and another one came.

The two babies suddenly thought of the man who had robbed their father's mommy from their father, bill, and now there was another man. Their mommy was so lucky to have a peach blossom. They didn't know if the peach blossom was good or bad. They were so worried

It seems that this person has a bad intention. Daddy, you must be careful.

chen chen and han han kept looking at the strange man in front of them, cheering for their father.

Alas... I don't know who Mommy will help? Mommy, Mommy, you must remember it~

The two babies sighed in their hearts~

Then, he withdrew his ferocious gaze and looked at Ning Xi with a gentle smile. He held her hand and said, "Tianxin, let's go back."

Ning Xi nodded with a smile.

Because in the mind of Ning Xi, the relationship between the two of them far exceeded that between gu jin yi and Ning Xi.

Just as the two of them turned around and were about to leave, he grabbed the slender wrist of Ning stream.

He lowered his head slightly and kept silent. His expression made everyone look inexplicably sad.

Seeing this, gong hao yu looked at gu jin yi coldly and harshly again.

The three of them formed a parallel line in this way.

Ning Xi turned to look at gu jin yi with his innocent eyes.

What the hell were they doing?

All of a sudden, Ning Xi shook her head slightly. For a moment, a familiar movie came to her mind. How could this scene be so familiar?

In that scene, there seemed to be the man she had met for the first time, and the other man was very vague. It seemed that he was not Jonny.

Then who was it?

Why? Why did this man, whom she had never met before, appear in her mind? And he was so familiar with her

Gradually, Ning stream fainted

"Stream!"

"Tianxin!"

"Mommy!"

"Mommy!"

At the moment when Ning stream fainted, the four people who cared about her very much immediately helped her up with worry.

.....

When Ning Xi woke up, she was already in bed.

"Tianxin, you wake up!"

Seeing Ning Xi awake, gong hao yu smiled excitedly.

"I... where am I?"

Ning stream rubbed her temples. As soon as she woke up, she looked around and saw a strange room.

"From now on, this is your home."

gong hao yu said to Ning Xi with a smile.

"My home..."

Ning Xi murmured to herself. Then she realized that she had lost her memory and didn't know where her home was and where it was.

"Just now..."

Ning Xi suddenly remembered what happened before she fainted. He wanted to ask something, but gong hao yu stopped her.

"Tianxin, you just left the hospital and have a good rest. Don't think about anything. Health is the most important now."

As soon as gong hao yu finished his words, Ning Xi was taken out of the scene, and she stopped thinking about other things.

She nodded quietly.

"But, Jonny, I have corrected you so many times. Don't call my name. I'm older than you. Call me sister, okay?"

Ning Xi suddenly remembered that she had reminded gong hao yu many times. He not only called her by her name, but he seemed not to listen to her.

"How do you know you are older than me? I like to call you by your name. "

gong hao yu smiled evilly.

"How many years have you been a jerk? Anyway, you look younger than me. Call me sister, okay? Otherwise, it will be impolite. "

Ning Xi didn't care. He knew gong hao yu was younger than him from his young appearance.

"I won't scream. What can you do to me?"

gong hao yu grinned mischievously at Ning Xi. Perhaps only by his side would he show his childish side.

Perhaps it was because he didn't want to make Ning Xi suspicious that he acted like a child.

"Jonny, I'll call..."

Ning Xi wanted to tease him when he didn't care, but he dodged quickly.

"I can't, I can't... you want to attack me?"

“Come here!”

.....

The two were playing happily.

On the other side.

gu jin yi returned home with the two babies.

As soon as they got home, the two babies saw the pill sister they hadn't seen for a long time, and they were very excited.

“Sister pill!”

“chen chen, han han! You are back. ”

The two babies and the pills hugged each other when they saw each other.

Seeing the happy faces of the two babies, gu jin yi couldn't help smiling charmingly.

“Sister pill, why are you here?”

These were the questions the two babies wanted to know the most. Why did pills suddenly appear at home?

The pill just smiled. At this time, gu jin yi walked up to the two babies, squatted down and stared at them.

“Daddy specially asked elixir sister to accompany you. Are you happy?”

“Yes, yes!”

“Daddy is so nice!”

The bright smiles of the two babies infected them.

“But daddy, mommy was taken away by a bad guy. What should we do?”

“Bad guy, you took my mommy away. I will definitely let him pay the price!”

Although the two babies were very happy to see the pills, they didn't forget about their mommy Ning stream. They thought of their mommy excitedly all the way.

chen chen's words seemed to suggest that he had come up with a solution to deal with gong hao yu.

“chen chen, han han, don't worry. Daddy has found Mommy. He will bring her back to us.”

A meaningful look flashed across gu jin yi's unpredictable eyes, which made people daydream.

“We trust Daddy!”

“Let's cheer for Daddy!”

The high spirited and vigorous expressions of the two babies made gu jin yi relax a lot, fearing that they would still hold grudges against Ning Xi for forgetting them. It seemed that they were fine and didn't need to worry too much.

"chen chen and han han, don't go anywhere. Play with sister pill. I'll come back to accompany you after I deal with something, okay?"

gu jin yi, who was facing the two babies, still said in a doting and gentle tone.

"Okay, let's wait for Daddy at home."

"We promise that we will be obedient and won't let daddy worry about us anymore."

After saying that, the two babies turned to look at dan dan. "dan dan, let's go upstairs."

"chen chen and han han, you go upstairs first. I have something to talk with sister pill."

The two babies understood and said, "Okay, let's go upstairs first. Sister pill, you can also come up later."

Then the two babies ran upstairs happily.

chapter 379

"I heard from Celia that you have been taking care of chen chen and han han when they came back."

gu jin yi sat on the sofa unhurriedly with his legs crossed gracefully.

"Yes."

The pill replied with its head down a little stiffly.

"I think you know what happened recently, so I invite you here mainly to take care of chen chen and han han, and accompany them. Celia told me about your situation. You can rest assured that your brother will go to school. I will help you deal with it."

gu jin yi's cold and serious expression made the pill even more nervous.

But she was still very happy and excited when she heard that her brother could go to school safely.

"Don't worry. I will take good care of chen chen and han han."

The pill still lowered its head and answered gently.

gu jin yi stood up gracefully and was about to leave. He walked to the side of the pill and said, "don't be nervous. You are the person that Naomi trusts, and of course I trust you. You don't have to think too much here."

Then she left the hall and the villa.

The pill gradually came to her senses. She quietly looked at the door and made sure that gu jin yi had left. Then she took a deep breath and said, "Oh, finally he left. He really has a strong aura."

She patted her chest to ease her nervousness.

“But boss is really different. Nina is so lucky.”

The pill stood still, like an anthomaniac, recalling what gu jin yi had said to her just now. It was very warm at the thought of it, indicating that gu jin yi did not treat her as an outsider. Involuntarily, a smile appeared on his face.

In the room upstairs.

As soon as chen chen ran upstairs, the first thing he did was to sit in front of the computer and quickly turn it on at the speed of a world champion.

han han also followed her brother, but she didn't know that he was still in the mood to play computer.

“Brian! You are still in the mood to play computer. Mommy doesn't remember us. Why don't you find a way?”

han han, with her hands on her hips, stood straight in front of chen chen. She was so cute that she stared at chen chen with her big watery eyes, which made her very angry.

However, chen chen didn't seem to notice han han who was shouting at him. He had been operating quickly on the computer.

Humph, even my brother doesn't want to talk to me. I want a way

han han pouted and squinted at chen chen with her bright eyes.

The smart and lovely han han walked around behind chen chen and looked at him up and down?

Finally, the impatient han han couldn't stand it anymore. Since chen chen ignored her all the time, she came up with an idea. She thought complacently, ‘ha ha, I don't believe you won't ignore me.’.

Then, han han got close to chen chen's ear and shouted, “brother, what are you doing? You ignored me. I'm very angry! I'm very angry!”

As expected, hearing the roar of han han, chen chen immediately stopped typing and sat still in front of the computer.

Seeing this, han han laughed complacently, “ha ha, brother, this is the result of your ignoring me! Are you scared by me? Hahaha...”

han han giggled happily.

Gradually, han han, who was laughing, suddenly found that something was wrong. Seeing that chen chen was sitting still, she thought he was dumbfounded by her roar. She held chen chen's hand nervously and fearfully, “brother... Are you all right? I'm sorry, I shouldn't have treated you like this...”

han han stood up, feeling guilty and depressed. She felt that she had done something wrong.

“han han, I'm fine. I'm fine. I'm just deaf.”

All of a sudden, chen chen touched his ears and covered them tightly, smiling at his sister han han to comfort her.

“Brother, you are not stupid! That’s great! It’s good that you are fine. You didn’t say anything. I was really scared to death. Boo... Hoo...”

Seeing her brother talking, the fear and tension in han han’s heart gradually disappeared, and then the depressed and sad expression gradually recovered. A relaxed smile appeared on her face after the rain.

“By the way, brother, what were you doing just now? Ignore me.”

han han wanted to know what chen chen was doing, so she continued.

“I’m investigating the man who took Mommy away. Who is he?”

After saying that, chen chen quickly turned his attention to the computer again.

Now han han realized that her brother was not playing. He was trying to find her Mommy. I know my brother won’t leave Mommy alone. His admiration for my brother has been promoted again and again.

A hint of happiness appeared in han han’s heart when she knew the reason.

“Have you found it out?”

han han sat beside chen chen, with her chin resting on her hands.

“Not yet, but I will find it out!”

gong hao yu was a stranger to chen chen, but it was a piece of cake for chen chen to investigate his background.

At this time, the pill came up. At the first sight, she saw two delicate rooms of the little baby, and looked around the room with all kinds of envy.

It’s so beautiful. When can I have such a good room

“Sister pill, has daddy left?”

## ADVERTISEMENT

han han asked casually as she saw the pill coming in.

The pill nodded at han han with a faint smile and then asked curiously.

“han han, your father is so rich! Is this your room?”

Of course she was very happy to be envied. han han nodded with a smile, “yes, this is my brother’s room. Is it beautiful?”

“It’s so beautiful. chen chen and han han really envy you. You have such a rich and handsome father, and you admire Miss Xi more. You have such a good husband. If I can marry a man like Mr. Gu in the future, I will wake up from my dream with a smile.”

The pill gradually fell into her fantasy, imagining how she would become a rich man.

.....

Big and luxurious house, delicate and beautiful room, all kinds of things she liked, of course, there was also someone she liked

“Sister pill, sister pill...”

“What?What’s wrong? ”

She had been dreaming so much that she didn’t hear han han calling her.

“Sister pill will definitely marry a man as powerful as my father in the future.”

han han encouraged the pill confidently.

The pill was very happy and confident. “Yes, I will!”

chapter 380

Then, han han returned to chen chen and sat down next to him.

The pill refiner turned around and looked at the two babies’ room. He walked all the way to the window and their soft big bed

At the beginning, Ning Xi she knew was just an ordinary woman. Then she learned that she was Anna, the famous fashion designer in the world. At that time, she thought she was too lucky to meet an international designer whom others dreamed of seeing. She didn’t expect that she would become a friend with her now.

Now she suddenly realized that she was not only the famous designer Anna, but also the wife of the CEO of the Empire group, gu jin yi. Oh, my God, it was so unfair. She owned the best things in the world.

She couldn’t even imagine that the ordinary Margaret in her eyes had so many amazing stories behind her.

Didn’t miss Xi say that chen chen and han han’s father was an ordinary man?Why did he suddenly become such a rich man, gu jin yi, the CEO of the Empire group!

The more she thought about it, the more she felt that Ning stream was so lucky.

The pill was envious of Ning Xi at the same time.

“I finally found it!”

Suddenly, chen chen’s loud voice came, breaking the fantasy of pills.

She walked slowly towards the two babies.

“chen chen, what have you found out?Why are you so excited? ”

The pill asked curiously. She didn’t know what chen chen had found out when he was so excited.

“Mommy was taken away by a bad guy. Huey is investigating the background of that bad guy.”

han han explained proudly.

And she had probably heard about one or two pills about the disappearance of Ning Xi, so she was not surprised when han han told her that Ning Xi was taken away by others.

ADVERTISEMENT

“It must be because of that bad guy that mommy doesn’t remember us and daddy.”

han han pouted angrily.

“Don’t you remember?”

han han’s words confused the pill refiner again.

What did he mean by not remembering them?

“I don’t know why? Mommy doesn’t even know who we are. She even said Daddy was a bad guy. ”

chen chen added.

The pill suddenly became silent, and no one knew what it was thinking about.

Was this the so-called amnesia? For the first time, the pill thought that memory loss would only happen in TV dramas. It never occurred to her that it would happen next to her.

But Celia didn’t tell her that Ning stream had lost her memory at first. She just told her that she was missing.

All of a sudden, she felt that Ning Xi and ye xiao xiao seemed to be very good to her. They treated her as their sister, but from this matter, they were just so so.

Celia didn’t even tell herself that Ning Xi had lost his memory. It meant that she didn’t take herself as an important person at all.

In fact, Celia didn’t know that Ning Xi had lost his memory either.

Suddenly, she had a bad idea about Ning Xi and the others, but soon she realized her mistake.

No, No. how can I think of them like that? When he and his brother were in difficulty, it was Margaret who helped him.

After adjusting her state, she continued to talk with the two babies.

ADVERTISEMENT

“How could Margaret not remember you? You are her children. ”

The pill couldn’t figure out why it suddenly turned out like this. It was incredible.

“We don’t know... Why did Mommy become like this...”

“Something must have happened to Mommy.”

The two babies had their own thoughts and could see their worries and sadness.

“chen chen, han han, don't be sad. Your mother must have lost her memory so that she forgot you. It's okay. I'll be with you. If you need any help, just tell me. ”

On the other side, in order to find Ning stream, gu jin yi went back to the old house and told pei xiu juan that the two children had returned home safely.

He had made up his mind to let his mother, pei xiu juan, know that chen chen and han han were the biological children of gu jin yi, in case someone with bad intentions would take advantage of them.

In the Gu mansion.

Susan had been living in the old house of the Gu family these days, because gu jin yi couldn't go back. Now she could only hide in the old house and brainwash pei xiu juan slowly, hoping that she could be useful and help her return to the villa.

pei xiu juan didn't sleep well these days because of the two babies. She always felt that she owed them.

“Susan, don't you think we should send the two kids away? After all, they were still so young and sensible. With the two of them at home, it would be more lively. If I hadn't sent them away, they wouldn't have gone out and wouldn't have been injured... ”

Obviously, pei xiu juan felt a little guilty. She recalled that she was too impulsive to make the decision before.

But every time pei xiu juan regretted, Susan would always stir up trouble and make pei xiu juan think that she had done the right thing.

“Mom, don't say that. It's all their lives. They are not lucky enough to stay in the Gu family. Don't feel too guilty. You won't have such an idea when I and Jean give birth to a fat boy. We will give birth to a few children for you if you want. ”

Susan's words eased pei xiu juan's mood, and a smile appeared on her kind face.

ADVERTISEMENT

“Susan, thank God you are with me these days, or I don't know how to live.”

pei xiu juan held Susan's hand gently and said to her in a soft voice.

“Mom, this is what I should do. It's good that you know I'm fine.”

Susan did all this to make pei xiu juan stand by her side, so she would try her best.

“Ding Dong, Ding Dong...”

At this time, the doorbell rang and the maid went to open the door.

“Mom, maybe it's Edmund. I'm going upstairs.”

At this moment, Susan felt that she couldn't let gu jin yi find her here, so she was about to go upstairs.

“Susan, it’s not a good idea for you to hide from him all the time. How about you two reconcile face to face? There is no hatred between husband and wife the next night.”

pei xiu juan persuaded. She still hoped that the two could get along well with each other.

“Mom, I know. But it’s not the time yet. I’m going upstairs.”

Susan hurried upstairs for fear of being found by gu jin yi.

pei xiu juan didn’t say anything more. They had to solve the problem by themselves.

In fact, Susan didn’t go upstairs, but hid in a corner of the stairs and secretly watched what happened downstairs.
