chapter 42

She opened Ning Xi's computer and opened a folder, in which there were her design drafts for tomorrow's competition.

Then, she quickly took out the U disk from her pocket and connected it to the computer. She downloaded all the relevant information into her U disk.

When she pulled out the U disk and was about to leave, she found that a drawer under the desk was slightly open. She opened it and had a look.

It turned out that she had put the design draft here.

Leona quickly took out the design drafts and relevant documents from the drawer, picked up her mobile phone and quickly took photos.

And she didn't have time to look at it carefully. Take the photos first.

At a fast speed, she got all the design drafts and documents. She sneaked out of the office of Ning stream.

On the other side, Ning Xi went home by bus.

As soon as they got home, the first thing they did was to run upstairs and lie on the bed.

"The design is finally completed, and I can finally have a good sleep."

Thinking of the design drafts for the competition this week, Ning Xi went out early and came back late. He didn't have a good sleep.

She finally finished today and felt relaxed.

"Wow, what a comfortable and soft bed! I like you so much..."

Ning Xi held the wide bed with his slender hands. Her hands were not long enough.

It didn't matter if she couldn't hold him. The most important thing was that she could enjoy this super comfortable bed now.

It was still early, so she could lie on the bed for a while longer and enjoy this treatment. When Gu Jin Yi came back later, she didn't even need to think about it.

Ning Xi looked as if he had got some precious treasure.

"Ahem..."

A voice came from behind.

"Wang a yi, I don't want to have dinner tonight. You don't have to call me."

Ning Xi was still indulged in her big bed. The only thought in her mind now was to take a shower and have a good sleep.

“Ahem...”

“I really don’t want to eat. You first...”

As soon as Ning Xi raised his eyes, his amber pupils dilated and fell into silence. Three crows flew over his head

Why did he come back so early today? Shouldn’t he come back at dinner time?

Ning Xi didn’t know what to say.

Thinking it was wang a yi, she stared at gu jin yi in a daze.

“You are back.”

Ning Xi winked at Yun Shang with a bright smile.

gu jin yi kept silent and looked at Ning Xi coldly with his deep black eyes.

Ning Xi reacted at once and got out of bed.

“I just want to try the feeling of lying on the bed.”

Ning Xi stood up and smiled innocently.

gu jin yi walked into Ning stream step by step, raising his eyebrows.

A tall mountain stood in front of Ning stream. Ning stream gradually retreated, squatted down, and sat on the big bed again.

“What are you doing?”

Before Ning stream could react, he bent over and approached her.

“What do you think I’m going to do?”

gu jin yi raised his eyebrows and said in an evil and attractive tone.

Ning Xi looked sideways at gu jin yi’s deep eyes. He seemed to be a mature man.

She didn’t want to dodge, and even looked forward to it.

“Why are you blushing?”

gu jin yi suddenly stood up and pulled Ning Xi up as well.

Ning Xi didn’t want to say anything. He was about to walk past gu jin yi.

She accidentally hurt his foot.

Because of the inertia of her falling down, she tightly grasped gu jin yi’s tie, and for a moment, the two people’s bodies and lips were pressed together.

Ning Xi’s eyes widened, “ah!Freak! ”

She quickly pushed gu jin yi away from her.

“Say it again, I can do something more abnormal.”

Standing in front of Ning stream, gu jin yi said slowly.

“You!”

Ning Xi was so angry that he gritted his teeth.

But when she thought that he had done a lot of homework for her design, she held back her anger.

I’ll forgive you this time.

Ning Xi thought to himself.

“I’m going to sleep.”

Ning Xi walked to the sofa and was about to lie down.

“On the bed.”

gu jin yi said lightly.

ning xiao xi looked at gu jin yi suspiciously and wondered what he was thinking.

Why did he take the initiative to sleep in her bed today? Was he so generous? Ning Xi guessed if there was any plot.

“Don’t think too much. You can’t guess what kind of plot I have, and you won’t know either.”

It was easy to guess what she was thinking.

“I’m a little busy today. Maybe I won’t sleep until the second half of the night. Anyway, I’m free here. Enjoy my bed.”

gu jin yi said indifferently, then turned around and walked out of the bedroom.

Ning Xi looked at gu jin yi with doubt. She didn’t go to bed until he left.

After the design was finished, she fell asleep soon. When he walked into the bedroom to take his things, he looked at the little woman sleeping on the bed and couldn’t help smiling.

Then she turned around and walked out of the bedroom to continue his work.

It was getting dark. gu jin yi didn’t finish his work until midnight.

In order not to disturb Ning Xi’s sleep, he directly lay down on the sofa in the living room.

.....

In the middle of the night, Ning Xi woke up. Looking at the dim and weak light in the living room, she slowly stood up and walked to the living room.

Seeing the documents on the table in order, Ning Xi couldn't help but sigh that this man was really flawless.

Ning Xi approached Gu Jin Yi, who was sleeping on the sofa, and looked at him quietly.

He had a well-carved handsome face, long and thick eyelashes, a three-dimensional high nose, and so thin lips. She looked so charming in the soft light.

Every time Ning Xi saw him so quiet, he couldn't help but want to take a few more looks at him.

"Are you sleeping on the sofa in the living room in order not to disturb my sleep?"

A pair of crystal-clear beautiful eyes quietly stared at him.

Ning Xi recalled all the things he had done for her in the past two weeks. She could tell that she was not a fool.

But Gu Jin Yi, what kind of person is Ning Xi in your heart?

Ning Xi couldn't figure out his good times and bad times.

Then Ning Xi picked up the quilt and covered him gently. Then he stood up and went back to the bedroom.

In the morning, when Ning Xi got up, he found that the man on the sofa in the living room had disappeared.

"He got up so early?"

Then Ning Xi went downstairs.

"Shao Nai Nai, let's have breakfast."

Wang A Yi said to Ning Xi with a smile as she prepared the breakfast.

"Where is Edmund?"

Ning Xi looked around and asked.

"Shao Ye went to the company early in the morning and said he had something to deal with."

Wang A Yi replied with a smile.

Ning Xi nodded and sat down at the table.

"This is the ginger soup Shao Ye made for you."

Wang A Yi handed the ginger soup to Ning Xi's table.

"Did he do it?"

Ning Xi asked in confusion.

wang a yi nodded, "shao ye cares about you very much. I have never seen him cook soup for anyone."

Ning Xi smiled. After saying that, wang a yi turned around and left the table.

Ning Xi stared at the ginger soup on the table while eating breakfast

chapter 43

After breakfast, Ning Xi went to the company early.

Today was the day of the design competition. Ning Xi returned to his office and prepared her notebook and relevant materials for the design draft, waiting for an zi hao's notice.

Then, the phone rang and she was informed to evaluate the design draft in the exhibition hall of the headquarters of the company.

Then, Ning Xi sorted out the design draft and walked towards the exhibition hall of the headquarters.

When Ning Xi arrived at the exhibition hall, it was already full of heads of all departments, and Susie was sitting in front of the stage.

"Our chief designer is here. I thought you gave up the game."

Rufus said sarcastically.

"It's not my style to be a deserter."

Ning Xi said calmly.

"I think you'd better give up voluntarily. Don't lose too badly at this time."

Rufus said proudly.

Then, an zi hao came, and the crowd immediately quieted down.

an zi hao walked to the front desk and sat down, "have you prepared the design of the two today?"

The two of them nodded to show that they were ready.

"Okay, let's get to the point. Who starts first?"

an zi hao looked at Ning stream and then at Ruyu.

"I'll go first."

Susie stood up voluntarily. He walked towards the stage.

She prepared all the documents and spoke in a low voice.

"Hello, everyone. Today, the dress I'm going to show you is absolutely unique and the most novel."

"I'll show you the materials and drawings first, and then I'll show them on my PPT."

If the design drawing was passed on to the person in charge of each department.

Then she turned on her laptop and connected it to the computer in the gallery.

"I have also made the design drawing into a PPT. Next, please have a look."

As she was talking about the design draft, she opened the computer PPT to show it to everyone.

Then, novel design drawings were presented one by one.

"The vice director's dress design drawing is really unique, very special."

"The outline of the lines is perfect, showing the beauty of this dress after it is finished."

"Oh my God! It's really beautiful and well designed. If this dress is finished, our company's performance will definitely increase."

.....

As soon as the micro design PPT was displayed, everyone's eyes lit up.

Everyone praised him.

Ning Xi, who was sitting next to Yun Shang, narrowed his amber eyes.

How could it be so similar to her own design? But the details were slightly revised. But it was still very similar to her design.

It was impossible. It was definitely not her design.

Sitting on the other side, an zi hao looked at the design drawing with his deep eyes.

Leona frowned. This time, the style of her design seemed to be a little different from usual.

She had always been noble and luxurious in making design drawings, but this time the style was simple and generous, not her usual design style.

"My design exhibition is over. Thank you."

Said Leona, pretending to be modest, as if she was determined to get it.

Then she returned to her seat, and Ning stream walked onto the stage.

However, Ning stream didn't show the design drawing to everyone directly, but explained some of her design ideas first.

"In fact, I have prepared the design for a long time. The main inspiration of this design is from..."

.....

It took Ning stream five or six minutes to finish the story.

an zi hao stared at Ning Xi with an approving smile on his face.

“Next, I will show you my PPT.”

Then Ning Xi opened his laptop, and the design drawings came into view one by one.

“Isn’t it the same as the deputy director’s design?”

“Yes, they are exactly the same. Did they plagiarize?”

“I didn’t expect that I couldn’t design it myself, and even stole other people’s design drawings. Damn it!”

.....

As soon as Ning Xi’s design PPT was displayed, the leaders of all departments began to discuss.

At the same time, a complacent smile appeared on the corner of Susie’s mouth.

ning xiao xi, I said I would kick you out of VL. It seems that your good days in the company are coming to an end.

The discussion became louder and louder.zhang yu ru from the planning department said.

“Even if you can’t design your own design, you don’t have to steal other people’s design, do you? If the news spreads that the designer of our VL company is actually the one who stole other people’s design, it will disgrace our company.”

“Yes, yes. It will not only lose face, but also greatly affect the interests of the company.”

Someone in other department said.

Lillian of the sales department and the director of the publicity department, who had been standing beside Ning stream, had nothing to say but to watch in silence.

They didn’t dare to make any promise now, because they were almost the same.

Ning Xi, who was standing on the stage, saw this scene. She had expected it the moment she saw the PPT.

No one would believe that she designed it.

“Mr. an, how are you going to severely punish the person who stole others’ design?”

zhang yu ru asked with a gloating look.

“Naomi, what’s going on?”

an zi hao was also shocked when he saw the design of Ning stream. How could it be almost the same as that of Ruyu.

He looked at Ning stream and asked softly.

“You may not believe it, but I have to tell you that this dress design drawing is my design, and it has never been stolen by anyone.”

Ning Xi said firmly.

She glanced at Ning stream.

ning xiao xi, just explain it. Now no one will believe you, only her, the design champion. Only she could design such a design.

“Ning Xi, the truth is in front of you. You still have to defend yourself. Shameless!”

zhang yu ru said disdainfully.

“A clean hand wants no washing. I won’t admit what I haven’t done. I also want to tell those who plagiarize other people’s designs that they won’t be able to plagiarize for a lifetime if they succeed for a while. ”

ning xiao xi said fearlessly.

Obviously, he was talking to someone.

“Forget it. Let’s stop talking. Miss yam also wants to be the design director. She might steal my design in a hurry. ”

If you don’t want to talk too much about this matter, you should pretend to be generous and tell everyone.

But a strange smile flashed across his deep eyes, which was imperceptible.

“Our deputy director is reasonable, but plagiarism is a serious matter. We can’t let it go so easily.”

One of the department leaders said.
