office.

“Ray, why did you suddenly come back this time?”

an zi hao said calmly. She asked the same question as Ning Xi.

“Why do you two ask this question? I didn’t tell anyone that I came back to deal with some personal affairs.”

ou yang Shirui looked at an zi hao and then turned to Ning Xi.

Ning Xi stared at the two men in front of him and asked in confusion, “teacher, do you know Mr. an?”

She wanted to ask this question when she was in the exhibition hall, but she didn’t ask it because it was inconvenient at that time. Since she came here, she asked it.

an zi hao and ou yang said with a smile, “yes, we grew up together.”

Ning Xi was stunned. No wonder when he was in the exhibition hall, he felt that the tone of ou yang, ray and an zi hao was different.

“Ray, when you recommended Naomi to the company, you didn’t tell me that she was the famous Anne.”

an zi hao squinted and teased.

“If I tell you that the stream is Anne, I’m afraid you’ll treat her unfairly. The reason why I asked her to come to your company is to train her ability to adapt to the domestic environment.” ou yang said with a smile

Ning Xi sat aside and looked at the two of them.

an zi hao was never a joker in Ning Xi’s heart. In her heart, ou yang ray was also a reserved person. She didn’t expect that the atmosphere between the two people was different.

It seemed that they had a good relationship. No wonder they grew up together.

“I gave her the business card two weeks ago in the exhibition hall, and then you recommended her to work in the company. The day I saw her, I was confused. The girl I gave the card to was also your student.”

an zi hao said word by word.

“This is fate.”

ou yang said with a smile.

.....

The three of them chatted in the office for more than an hour, so they understood all the questions that confused them.

Ray stood up and said, "zi hao, you must investigate the plagiarism this time."

Then Ning Xi and an zi hao stood up.

an zi hao nodded, indicating that he would find out the truth. He wouldn't allow it to happen in the company.

"Well, I'll leave Anne to you. Don't let her suffer."

ou yang said.

an zi hao smiled, "don't worry. I won't let the stream suffer any grievance."

"Then I'm leaving now. I won't disturb your work."

Looking at an zi hao and Ning Xi, ou yang said reluctantly.

"Teacher, where are you going?"

Ning Xi frowned and asked.

"I have something to deal with. Let's call him later."

Although Nina was reluctant to leave, she still put down her child's mentality. He knew that ou yang had something important to deal with before he came back. He didn't want to waste his precious time.

Ning Xi nodded.

After ou yang and ray left, an zi hao returned to his office.

an zi hao returned to his office, walked to his desk, picked up Ning Xi's personal information and smiled.

It seemed that he didn't fail his trust in her.

Time pa**ed quickly.

After work, Ning Xi was walking out of the company when zhang yu ru from the planning department suddenly came over.

"Naomi, no, it's time to call you Anne."

zhang yu ru walked up to Ning stream and said, pretending to be friendly with her.

Ning Xi frowned, "what can I do for you?"

Ning Xi was not a fool. She could tell what he was thinking at a glance.

"In fact, I think highly of you in this design competition. As soon as I see your design drawing, I feel that your design is unique. I guess you will win."

zhang yu ru said a series of good words to her.

Not far behind zhang yu ru

"Really? You didn't say that at the exhibition hall, did you?"

Ning Xi gave a scornful smile.

The world was unpredictable.

"Anne, I was so blind to treat you like that several times before. Please forgive me."

zhang yu ru came up with an idea and put on a fake smile. She approached Ning Xi and tried to cotton up to her.

"I don't remember what happened in the past, but I don't think we are familiar with each other."

Ning Xi said coldly.

zhang yu ru was stunned for a moment, and then said with a flattering look, "you can get familiar with it slowly. We both work in the same company. Don't be so polite."

zhang yu ru flattered.

"I'm sorry. I have something to do now. Let's talk about it when I'm free."

Without saying anything more to zhang yu ru, Ning Xi turned around and went back to the design department A.

A woman with an angry face was listening to their conversation not far away.

ning xiao xi, even if you are Anne, it doesn't matter. You are just a vase. You make me sick. What else can you do except for this identity? neither rhyme nor reason!

Seeing that zhang yu ru of the planning department was on Anne's side because of Ning Xi's identity, she couldn't help but get angry.

zhang yu ru stood still and looked at Ning Xi's back, feeling one hundred and twenty regrets in her heart.

If she had known that Ning stream was Anne, she wouldn't have set herself against Ning stream.

Alas, I can only make a mistake this time.

zhang yu ru, who was about to leave, was stopped by a coquettish and mean voice.

She turned around and saw Susie walking towards her angrily.

"I'm flattered, but I don't appreciate it."

Ruyu sneered at zhang yu ru.

“Vice director, why are you here?”

zhang yu ru said with a guilty conscience, thinking that she might not see her with Ning Xi.

“You know I’m the deputy director? You’re such an ungrateful person!”

Thinking of all the things happened to Ning Xi and zhang yu ru’s flattery to Ning Xi just now. At this moment, Leona’s mood was indescribable.

He vented all his anger on zhang yu ru.

“Who do you think is an outsider?”

zhang yu ru said angrily, not caring who she was.

“I’m talking about you, you snobbish snob!”

Her stiff face was full of unhappiness.

“You! Humph, just be complacent. When Anne becomes the design director, you can laugh at yourself. Ha ha...”

zhang yu ru couldn’t persuade her with Ning Xi as an excuse. She said that the matter of the design director irritated her.

“The design director will only be mine. No one can take her away! So what? Anne is still my defeated opponent!”

If vivi didn’t worry about Anne at all, she hated her more.

“When the plagiarism is found out, I’ll see if you can still be so proud!”

After saying that, zhang yu ru turned around and left.

chapter 47

Looking at zhang yu ru’s back, Ruxin clenched her fists, and the veins on her wrists deepened because of overexertion

ning xiao xi, she will let you taste the feeling of falling from the top to the abyss!

After a busy day, the first thing Ning Xi thought of when he got home after work was to lie on the bed.

It was still early. gu jin yi might not come back so early today.

As soon as she entered, she went straight upstairs.

“Oh, I’m so tired today! I can finally sleep late tomorrow.”

Just like what happened yesterday, ning xiao xi didn’t care so much and decided to lie down first.

If only she lived near the company and didn’t have to get up early every day.

Well, it's better not to think too much. Thinking too much can only add trouble to myself. I'd better get up early every day.

Ning Xi quickly lay on the bed and thought.

Within ten minutes, Ning stream fell asleep.

She just slept for more than an hour.

gu jin yi came back from work and went into his room. When he stood at the door of the bedroom and saw Ning Xi lying on the bed, his face darkened.

This woman dared to sleep on his bed today. It seemed that she didn't listen to what he said yesterday at all.

"Susan!"

gu jin yi said coldly.

There was no response from ning xiao xi. He frowned slightly.

Was she asleep.

gu jin yi walked into Ning stream and looked at her sleeping face.

How could she fall asleep in this way?She didn't change her clothes, nor did she put down her bag. How tired was she to lie on the bed in such a hurry?

gu jin yi stared at Ning Xi, confused.

Looking at her tired face, he didn't wake her up but turned around and left the bedroom.

"I'm so tiredI want to sleep... "

Ning Xi turned his head and said softly.

Hearing what Ning stream said, gu jin yi stopped, turned around and approached Ning stream.

He looked at Ning stream meaningfully and felt sorry for her.

It was a little far from home to the company. If she could sleep a little longer, she wouldn't be so tired.

Looking at Ning Xi, gu jin yi seemed to be thinking about something.

Ning Xi opened his eyes in a daze and saw gu jin yi.

She must have had a hallucination. Why was he at home so early.

Ning Xi suddenly stood up and bumped into his arms.

What the hell?He... He's back?It was really him, not her illusion

Ning Xi was petrified.

“Susan, what are you doing?”

Looking at the petite figure of Ning Xi, he didn't expect that he would feel a little pain in his chest after being hit by her.

Ning Xi came to his senses and quickly got up from the bed.

“I'm sorry. I was wrong. As soon as I got home, I unconsciously lay on your bed.”

Ning Xi lowered his head and looked wronged.

Gu Jin Yi smiled evilly. She knew she was wrong. Good, good, you've made progress.

Gu Jin Yi, who had been hit by Ning Xiao Xi for no reason, felt a little unhappy, but now he felt much better after hearing what Ning Xi said.

“Then tell me what did you do wrong?”

Gu Jin Yi raised his eyebrows and forced a smile.

“I shouldn't have slept in your bed.”

Ning Xi said consciously.

“What else?”

Gu Jin Yi asked again.

Also? What else? She just wanted to sleep in his bed and find various reasons to torture her.

Ning Xi raised his eyes slightly, frowned and asked, “what else? Except for this, did I do anything wrong?”

Ning Xi wanted to get angry and made trouble for her every now and then.

Gu Jin Yi didn't say anything. He touched his chest and felt a sharp pain.

Seeing this, Ning Xi immediately understood what he meant.

She suddenly remembered that she hit him on the chest when she just stood up.

Now she felt a little headache.

Ning Xi touched his head and felt a dull pain.

“Did I hurt you?”

Ning Xi raised his eyebrows and asked indifferently.

His iron and copper body hurt before he could say anything.

Ouch, her poor little head.

“What do you think? Or you can bump into me as well.”

gu jin yi looked at Ning Xi with his deep black eyes.

Hit him?

Ning Xi looked down at his chest and felt angry.

gu jin yi, you freak! You can't take advantage of me!

Although she only had C cup, she was very satisfied with it. Not everyone could touch it.

"You!"

Ning Xi wanted to curse the pervert, but he controlled himself.

"Ouch, it hurts. I was too careless. Forgive me."

Ning Xi pretended to be wrong and resisted in his heart.

gu jin yi could tell at a glance that Ning Xi was very insincere.

But he didn't say anything. Looking at Ning Xi's coquettish apology, he felt a little happy.

"I'm a generous man. Let's go downstairs and have dinner."

Then he turned around and left the bedroom.

After watching Jean walk out of the bedroom, Ning stream rolled her beautiful eyes at him.

She was the one who got hurt, okay? I won't make a fuss with you.

Then Ning Xi went downstairs.

Auntie? She was back?

When she went downstairs, she saw a man sitting at the table.

Ning Xi walked slowly to the table.

"Mom, you are back."

He said naturally.

"Yes, I'm tired after going out for a few days. Come on, sit down and have dinner."

pei xiu juan said with a smile.

Ning Xi was not used to it. It was the first time that pei xiu juan had been so nice to her.

Ning Xi nodded and sat down.

"How are you doing recently?"

pei xiu juan said in a gentle tone while gracefully picking up food.

Of course, ning xiao xi knew what she meant by "how are you doing recently".

For pei xiu juan, she wouldn't forget her grandson even if she went out for a few days.

Ning Xi forced a smile and nodded.

How could she be better after being tortured like this by gu jin yi every day?

Ning Xi cast a scornful glance at gu jin yi.

"Oh, I just thought about it. What you said is reasonable. Then you can move to the villa with Susan."

pei xiu juan said seriously.

Ning Xi didn't know what had happened. He looked at gu jin yi and then at pei xiu juan in a daze.

"Move to the villa?"

Ning Xi asked in confusion.
