chapter 48

“Yes, as long as I can have a grandson as soon as possible, you can move out.”

pei xiu juan stared at Ning Xi with firmness in her eyes.

She was eager to have a grandson.

Ning Xi looked up at him and wanted to ask him why he said that to pei xiu juan? How could he let them move out.

Last time, I heard from wang a yi that gu jin yi also said that he wanted to move out, but pei xiu juan didn't agree for a few days.

This time he agreed so readily.

Hearing pei xiu juan's words, gu jin yi must have said something about the child. Otherwise, how could pei xiu juan agree to let them move out?

Ning Xi wanted to ask her a series of questions, but she refrained herself from asking. She didn't want to say something wrong and she would be doomed.

Move out That was, she and gu jin yi lived together. Two perverts like him might do something crazy. What should she do?

At that time, it would be hard for her to respond. No!

“Susan, what's wrong with you?”

pei xiu juan's words brought ning xiao xi back to reality.

“I don't want to move out...”

ning xiao xi said in a low voice for fear of offending gu jin yi.

Because it was him who proposed to move out, and what she did was equivalent to disobeying him.

As expected, he suddenly put down the bowl and chopsticks.

He raised his eyes to look at Ning stream, and a trace of coldness swept across his unfathomable black eyes.

“Go upstairs. I have something to tell you.”

gu jin yi stood up, walked to Ning stream, took her wrist and went upstairs.

“It's not too late to talk about it after dinner.”

pei xiu juan frowned and shouted when she saw the two go upstairs hand in hand.

What were the two doing.

“What are you doing?”

gu jin yi dragged ning xiao xi all the way to her room.

“Why don’t you agree to move out?”

gu jin yi said in a deep and serious tone.

“Why do you move out?”

Ning Xi asked.

gu jin yi looked at Ning Xi with his deep eyes. He couldn’t tell her because he wanted her not to be so tired and could sleep more in the morning.

“I’ll move out as I say. Do you have any problem with that?”

gu jin yi said in a magnetic voice, with a heavy pressure in the air.

“I...”

Ning Xi didn’t know what to say.

“What? Are you afraid that I will do something bad to you? ”

gu jin yi raised his eyebrows and looked at the worried eyes of Ning Xi. He could roughly guess what Ning Xi was thinking.

“She is still a virgin. I don’t know if you will suddenly do something to me.”

Ning Xi said word by word.

Although she had already had chen chen and han han, it was an accident five years ago. So far, she had never had any contact with any man.

“No matter what I want to do, it’s definitely not you. Don’t worry.”

gu jin yi raised his eyebrows and looked at Ning stream.

Ning Xi glanced at gu jin yi. What did he mean? There was a hidden meaning in his words. She had such a good figure, but he still despised her.

gu jin yi, I want to kill you with a hammer now!

But that would be the best. In this way, she didn’t have to worry about anything and could rest assured.

Besides, she had signed a contract with him. She didn’t want to get involved in any trouble. She didn’t even know how she died.

Ning Xi pretended to curl his lips and said, “I can move out, but what about my work?”

ning xiao xi thought that if she could move out closer to the company, she would feel perfect. She was willing to move out.

“Don’t worry. The house is not far from your company.”

gu jin yi said with a smile.

“Really?”

Ning Xi looked at gu jin yi in shock, with a doubt in his heart.

gu jin yi nodded in agreement.

Wow, happiness came so suddenly. She was thinking that if she lived near the company, she wouldn’t have to run around so tiredly.

Unexpectedly, the house she had moved out was just not far from her company. Ning Xi was very happy.

As for the two of them, she didn’t think there was anything wrong with it now. She would deal with it according to the actual situation.

“Okay, let’s move out.”

Ning Xi couldn’t hide the joy in his heart, and his expression was shown in his eyes.

gu jin yi was at a loss whether to cry or to laugh when he saw Ning Xi like this.

She was unwilling to move out just now, but now she agreed quickly. But he held back his laughter.

“Go to bed early. I’ll ask someone to bring it to you tomorrow.”

Looking at the sleepy Nina, he said.

Then Ning Xi went back to his bedroom and went to sleep.

Looking at Ning Xi’s back, she thought of what she had just said to pei xiu juan downstairs.

“I have something to tell you. I want to move out with Susan.”

“No way!”

“I just want you to have a grandson as soon as possible and to cultivate a better relationship.”

Finally, pei xiu juan agreed reluctantly for the sake of her grandson.

gu jin yi couldn’t tell pei xiu juan because he wanted Ning Xi to work closer, so he found a reliable reason and she would agree.

.....

“Well, I finally had a good sleep today.”

Ning Xi stretched himself and looked relaxed.

A ray of bright sunshine shone on the bed through the window and swept across Ning Xi's face. She subconsciously reached out to cover it.

"What time is it now?"

Ning Xi suddenly realized that today was the day of moving. She quickly got up from the bed and looked at the time, stunned.

"Really? It's almost ten o'clock."

Ning Xi began to doubt her life. Was she a pig in her previous life? She liked to sleep so much, and it was not easy to wake up once she slept.

"She finally woke up."

Suddenly, a magnetic voice came from the living room.

gu jin yi walked into the bedroom and looked at Ning Xi, raising his eyebrows.

"Why don't you wake me up?"

Ning Xi said innocently.

"You slept so soundly. Who can wake you up?"

gu jin yi said in a playful tone.

Hearing this, Ning Xi understood that he was laughing at his pig. It was difficult to wake up once she fell asleep.

Ning Xi rolled his eyes at him.

"Pack up your things and I'll take you to the new house later."

After saying that, gu jin yi turned around and walked out of the bedroom.

#### chapter 49

Ning Xi quickly packed up and went to the new house with gu jin yi.

The new house was located in the center of A city. It was only ten minutes' walk from the place where Ning stream worked.

The two of them came to the new house together. When they saw the scene, they suddenly remembered ye xiao xiao's house, which was very similar to the style here.

But after A second thought, they all belonged to the bustling location of a city, and the houses were almost the same.

Then he walked into the hall. A series of cold decorations came into view. The interior style was completely different.

In contrast, there was less lively atmosphere.

Ning Xi stole a glance at him, and then looked at the layout of the house.

Well, no wonder it's gu jin yi's house. It's the same style as his own house.

Then she followed him upstairs and looked around the house.

"You can sleep here from now on."

gu jin yi walked into the room with Ning Xi and said lightly.

"Really?"

As soon as Ning Xi saw the room, she fell in love with it with excitement. Looking at the layout of this room, at least it wouldn't feel so cold.

Ning Xi was very happy to see the new house like a child. She walked to the balcony, with her hands open. The warm sunshine shone on her body, making her particularly comfortable.

The air in the east room was fresh and the light was very good. The balcony could enjoy the sunshine bath all year round. It was a nice room.

gu jin yi stood in the room and looked at Ning Xi with his hands open on the balcony. A meaningful smile appeared on his face.

"If there's nothing else, you can put your things down. I'll go downstairs first."

When he was about to go downstairs, Ning stream suddenly said, "wait a minute."

He didn't know whether it was a room for her or not.

Then Ning Xi ran quickly to gu jin yi and almost ran into him again. Fortunately, he stopped in time because of his fast eyes and legs.

The two stood so close to each other.

"Anything else?"

gu jin yi looked down at Ning Xi and said indifferently.

It was the first time that he looked at her like this, and he suddenly realized that the difference in height between him and her was the legendary "cutest height difference".

Ning Xi looked up at gu jin yi and wondered why he was so tall

Suddenly, Ning Xi came to his senses and took a few steps back.

"Where are you sleeping?"

Ning Xi looked up and asked softly.

gu jin yi raised his eyebrows and said, "with our current relationship, where do you think I should sleep?"

Did he mean to sleep here? No, absolutely not! Even if she moved out, she couldn't let him bully her like this.

gu jin yi approached Ning stream step by step with a hint of flirtation in his black eyes.

"Hey! What do you want?"

Ning Xi supported gu jin yi with his hands to prevent him from approaching her again.

"What you are thinking now is what I want to do."

gu jin yi said with a smile.

"Ah, pervert!"

Ning Xi cursed, closing his eyes and waving his hands. She didn't care about anything else.

"I want to tell you that you sleep in this room, and I sleep in the opposite room. Yes? Isn't that what you are thinking about? Or do you want to sleep in the same room with me?"

Looking at the shy look of Ning Xi, gu jin yi couldn't help laughing.

Seeing her like this, no one knew what she was thinking all day long.

Ning Xi was stunned and stopped in midair.

what? He slept in the opposite room? Was it because she thought too much? She was also drunk.

ning xiao xi, what are you thinking about all day long!

No, he couldn't speak clearly. Every word implied that he wanted to sleep here. It was inevitable that he would think too much.

"You... You sleep in the opposite room. That's good."

Ning stream suddenly didn't know what to say. Her face was red and her heart was beating fast. She tried her best to hide her guilt.

gu jin yi smiled, "what were you thinking just now? How about we sleep together as you think?"

gu jin yi knew what Ning Xi was worried about at a glance, so he said with a smile on purpose.

"You go out. I have to pack up my things."

Ning Xi blushed and pushed gu jin yi towards the door.

"Okay, you clean it up. Let's sleep together tonight."

gu jin yi teased with a smile.

Ning Xi grabbed the door and stretched out his head. "You think too much. Ghosts sleep with you. Bye!"

Ning Xi made an ugly face at gu jin yi and quickly put his head into the room.

Before gu jin yi could open the door, Ning Xi locked it quickly.

He smiled from the bottom of his heart to the door.

Then she turned around, went downstairs and left.

Ning Xi was packing her things in the room. After a few minutes, she slowly walked to the door and gently opened it.

She looked around and found that he had really left.

Ning stream also took advantage of this time to go back to see the two.

One week pa\*\*ed quickly. Another week had pa\*\*ed. She missed them so much.

After placing the little things in order, Ning Xi went downstairs from his room and rushed out.

And she had forgotten the key on the table

Moving to a new house was not only close to the place where she worked, but also close to her two little babies. They took another bus to ye xiao xiao's house.

"chen chen, han han!"

As soon as she got home, she saw two little babies playing in the yard.

"Mommy!"

As soon as the two babies saw Ning stream, they immediately put down the toys in their hands and went straight to Ning stream.

She was so excited every time they met.

Then, the two babies held the hands of Ning Xi and walked into the hall.

"Celia, elixir, Mommy is here."

They said excitedly.

what?Celia?When did she become a sister?

"chen chen han han, when did aunt Celia become your sister?"

Ning Xi was confused.

"Mommy, it was fun when you were not at home that day. Hahaha..."

han han laughed as she spoke.

"What's wrong?"

Ning stream looked at Celia.

“Aunt Celia said that we also wanted to call her sister. She said that she was only a few years older than sister pill and she was still the best time in her youth. Why did she become a aunt? ”

chen chen raised his eyebrows and told Ning Xi word by word.

Ning Xi couldn't help laughing, “Oh, I see.”

“Why are you laughing? One of you called me aunt Carol, and the other called me sister. How old are we?”

Celia pretended to curl her lips and said helplessly.

The elixirs standing aside amused them.

This kind of atmosphere was what Ning Xi liked most and she had always wanted.

“Mommy, don't stand there. Let's sit on the sofa.”

chen chen and han han took Ning Xi to the sofa and sat down.

“Sit down. I'll help you prepare some fruits.”

The pill said with a smile.

“Celia, go to the kitchen and prepare delicious food for you three.”

ye xiao xiao narrowed her eyes, and then the two walked into the kitchen.
