

Cute Baby51

chapter 51

She had been working in VL for a few weeks and had a general understanding of the situation in a city. There was a very good kindergarten in the center of a city, which was well praised in all aspects, including teachers and education. It was also the most high-end kindergarten in a city.

The most important thing was that she could often see her two babies, because her working place was just in that location. Killing two birds with one stone.

.....

The time between them always passed so fast. In the blink of an eye, it was night again. Ning Xi should go back.

"Chen Chen, Han Han, it's time for mommy to go back. I'll ask Celia to take you to the kindergarten tomorrow, and then Mommy will meet you."

Ning Xi stood up and looked at the two babies with reluctance.

Both of them nodded obediently.

"Celia, let's call him tomorrow. I'm leaving now."

"Drive slowly."

Celia ordered.

After saying that, Ning Xiao Xi turned around and left.

They moved to a new house, which was close to Celia's. So they didn't go home until they had dinner with Celia.

Half an hour's drive, Ning Stream took a bus home.

It was dark in the house. Hadn't he come back yet? Nina thought he would be at home this Sunday.

Ning Xi walked slowly to the door, picked up his bag and looked for the key.

Damn it! The key was still on the table. Ning Xi stood in front of the gate in a daze.

Ning Xiao Xi remembered that before she went out, Gu Jin Yi told her to put the key on the guest table and let her remember to take it away when she went out.

She was so anxious when she went out that she forgot to bring the key.

Now she had to wait for him to come back. Ning Stream turned around and sat on the steps.

She looked up at the starry sky, with a lot of feelings in her eyes.

Gradually, she felt a little sleepy and fell asleep with her head on her knees.

Within half an hour after Ning Xi fell asleep, a black Cadillac slowly drove in.

Through the front window, gu jin yi indistinctly saw a girl leaning against a pillar on the steps.

After parking the car, he got off the car and walked towards Ning stream.

It was her. Why didn't she come in?

gu jin yi frowned.

Are you waiting for me here?

gu jin yi looked around and found that the house was dark and the lights were off. He immediately interrupted the thought.

Was she so kind? This stupid woman must have forgotten to bring the key.

gu jin yi shook his head helplessly. Ning Xi lay his head on his knees and felt dizzy. "HMM." with a slight movement, Ning Xi lay forward.

"Hello!"

gu jin yi held Ning Xi's head immediately.

He also sat on the steps and gently put Ning Xi's head on his laps. He tucked her hair behind her ear.

A pair of black eyes stared at her, with all kinds of unfathomable emotions in them.

Looking at Ning Xi's pink lips, gu jin yi lowered his head slowly

ning xiao xi woke up and felt something approaching her. She suddenly opened her eyes.

A pair of dark eyes appeared in her eyes.

The two looked at each other for a few seconds. He looked at her, and she looked at him.

In an instant, the two of them both came to their senses. gu jin yi immediately raised his head, and Ning Xi immediately stood up from his lap.

"Hey, what... What did you want to do to me just now?"

"Why do you still pretend to be asleep when you wake up?"

The two of them spoke at the same time.

Ning Xi looked at gu jin yi, blaming him.

On the other hand, with a guilty look on his face, he looked at Ning stream calmly.

"Who is pretending to be asleep? It's you who wanted to do something to me and said I was pretending to be asleep. Can you find an excuse to be perfect? "

Ning Xi glanced at gu jin yi and said word by word.

“What’s wrong with your eyes? Do you have an affair with me? I’m helpless if you think so.”

gu jin yi said fearlessly.

“You!”

Ning Xi was so angry that he gritted his teeth, implying that she had a bad figure.

“Are you a pig? Don’t you worry about catching a cold?”

gu jin yi said sarcastically.

“Don’t worry. I won’t pass on my cold to you.”

Ning Xi rolled his eyes at gu jin yi and pouted.

“Did you forget to bring the key when you sat here at night?”

gu jin yi asked, raising his eyebrows.

“How is that possible? I’m here to appreciate the moon tonight.”

Ning Xi turned his face guiltily.

“Really? It seems that I’m thinking too much.”

gu jin yi smiled innocently.

“Now that you’re awake, go and cook for me. I’m hungry.”

gu jin yi said as he walked towards the door.

“Why should I cook for you?”

Ning Xi asked.

“Don’t come in? Do you still want to be locked outside?”

gu jin yi looked at Ning Xi and said.

Then Ning Xi lowered his head and ran into the door.

“The kitchen is over there. I’m waiting for your dinner.”

gu jin yi raised his chin and looked at the kitchen.

Then gu jin yi went upstairs.

Ning Xi squinted at gu jin yi’s back.

gu jin yi, do you want to eat the dinner made by her? Well, I’ll make you a dinner that you can’t forget for a long time.

A weird smile appeared on Ning Xi’s face.

Then Ning Xi went into the kitchen.

After gu jin yi went upstairs, he put down his things and went downstairs.

“Do you need any help?”

gu jin yi stood behind Ning stream and said.

“No, No. just sit here. It will be ready soon.”

Ning Xi said with a big smile.

“Then I’ll wait.”

gu jin yi turned around and went back to the living room.

.....

More than ten minutes later, two bowls of steaming tomato and egg noodle were ready.

ning xiao xi took out a large bowl and a small bowl, put some pepper in the large bowl, and then put the noodles in it.

Looking at the large bowl of noodles in front of him, a complacent smile appeared at the corners of his mouth.

‘gu jin yi, you always make fun of me. Now I see whether you can laugh or not. It’s fun to think about what will happen later.’.She would make fun of him this time

Ning stream served two bowls of noodles on a big plate.

On the other hand, Jean was sitting on the sofa in the living room watching the news broadcast. Ning stream had put the noodles in order.

“The noodles are ready. You can come and eat.”

Seeing this, gu jin yi walked to the table and sat down.

chapter 52

“Just eat.”

gu jin yi, who was about to eat noodles, suddenly stopped eating.

With her hands on the table, Ning stream looked at him with her round eyes.

“Don’t you eat?”

gu jin yi asked Ning Xi when he saw that Ning Xi didn’t eat anything.

“I’m not hungry yet. Just eat. It won’t taste good when it’s cold.”

Ning Xi said thoughtfully.

gu jin yi squinted at Ning Xi.

He was so kind to her all of a sudden and was afraid that the noodles would not taste good when they were cold. Something must have happened. She kept asking herself to eat the noodles as soon as possible. Was there something wrong with the noodles?

gu jin yi began to suspect. He pretended to put the noodles into his mouth. When Ning Xi was looking forward to it, he suddenly put down his chopsticks.

“I want to taste your noodles.”

Then, before Ning stream could react, he put his noodles in front of Ning stream and brought her to him.

“Hey, what are you doing?”

Ning Xi asked, absent-minded.

“You eat a big bowl, and I eat a small bowl. I also need to keep my figure.”

“You can’t eat my food...”

Before Nina finished her words, he picked up his chopsticks and began to eat the noodles.

Ning Xi looked innocent. How could this be? How could it be different as she expected? Shouldn’t he go to the kitchen to drink cold water after he ate the noodles which were very s***y and couldn’t find water everywhere?

Why did he eat her noodles now

“You are so thin. You should eat more. Hurry up. Don’t get cold.”

While tasting the noodles, gu jin yi urged Ning Xi to eat.

Although he didn’t know what Ning Xi was up to, he could tell from her expression that something was wrong. He just waited to see what was hidden in the bowl of noodles?

“I’m not hungry. Just eat...”

Ning Xi said in a low voice with a guilty conscience.

“Finish it quickly. If you don’t finish it, you don’t have to sleep today.”

gu jin yi said lightly.

“You!”

ning xiao xi was angry and helpless. Well, it was just a coincidence. She picked up the stone and threw it at her own feet.

“Do you want me to feed you?”

gu jin yi looked at Ning Xi and said again.

“No, No. I can eat by myself.”

Ning Xi forced a smile. He couldn't find anything wrong with the noodles.

ning xiao xi could only eat at one point one. The more she ate, the redder her face became.

Looking at Ning stream, gu jin yi finally understood what Ning stream was thinking.

It turned out that she put pepper in the noodles to make fun of him.

Ning stream couldn't stand the s***y taste, so she looked for water everywhere.

“Where is the water? I want water! I want water!”

Ning stream didn't find water in the living room and rushed to the kitchen.

Seeing Ning Xi enter the kitchen, gu jin yi couldn't help laughing.

‘what a stupid woman! I have to plan carefully to find a way to make fun of him. Does she think I will be tricked just by getting some pepper?’ He underestimated his intelligence.

After Nina went into the kitchen, she didn't come out. “Susan, what are you doing in the kitchen?”

There was no response from the kitchen. Suddenly, he stood up and hurried into the kitchen.

When he walked to the kitchen and saw Ning stream, he finally felt relieved.

“Susan, why didn't you answer me?”

gu jin yi frowned and said coldly.

“I didn't hear you.”

Ning Xi kept bending over and drinking cold water.

“Wow, it's so s***y. It's so s***y.”

Ning Xi washed his mouth N times and drank several gla**es of cold water before he recovered.

Shouldn't this happen to gu jin yi? Why did it happen to her? Ning stream could do nothing about it.

“What's wrong with you?”

gu jin yi asked, raising his eyebrows, pretending not to know what had happened.

“Nothing. I put too much pepper in the noodles just now. It's a little s***y.”

Ning Xi explained. She could only explain in this way. She couldn't tell gu jin yi that it was because she wanted to tease him, but she was ruthless instead.

gu jin yi raised his eyebrows and smiled, “then drink more water to lower the fire.”

gu jin yi handed a cup of warm water to Ning Xi.

Ning stream wanted to drink water as soon as she saw it. She took the cup and drank it.

“Ah!Why is it hot?”

Ning Xi frowned and stared at gu jin yi.

“Warm water can better control the fire. Cold water will only make you drink more s***y.Don’t you know this common sense?”

gu jin yi said word by word with a particularly serious expression.

“Okay, I’ll drink it.”

Then Ning Xi picked up the cup with doubt and drank the warm water.

gu jin yi smiled faintly.

What a stupid woman! She didn’t even know how she had grown up.No wonder the eldest daughter of the Ning family knew this?They all came here for food.

“I’m done. I’m going upstairs.”

gu jin yi collected himself and went upstairs.

Ning stream ignored him and kept drinking warm water, hoping that the s***y taste could dissipate as soon as possible.

gu jin yi returned to his room and walked slowly to the French window of the room, looking out of the window with a deep look.

She was the eldest daughter of the Ning family, a proud princess raised in the greenhouse.She married to the Gu family for money. What happened to her?How could he care about her?A woman like her who only cared about money didn’t deserve anything else.

gu jin yi suddenly realized that he had another feeling for Ning Xi. He couldn’t tell what it was.

When he called her just now, he didn’t hear her response. He began to feel a little worried and his heart seemed to be hanging. He didn’t feel relieved until he entered the kitchen and saw her.

This was definitely not only because of the contract between them, but also because of something else

The phone on the table suddenly vibrated.gu jin yi came back to his senses, picked up his phone and opened it. He was added to his new WeChat friend.

As soon as gu jin yi read the message, he immediately agreed. He knew it was han han who added him.

The note said, “Hello, handsome uncle. I’m han han.”

Last time when she called him, she said she wanted to add his WeChat account. She thought han han was joking, but she didn’t expect that she really added him.

“Good evening, handsome uncle.”

As soon as he agreed, the other party sent him a message and a grin.

“han han, it’s so late. Why don’t you go to bed?”

gu jin yi texted back.

“I can’t fall asleep, because there is an important thing tomorrow.”

The man replied.

“Why are you so happy?Why are you so excited that you can’t fall asleep? ”

gu jin yi replied patiently.

“I’m going to kindergarten tomorrow. I can play with many children.”

As soon as gu jin yi sent the message, a sentence popped out from the other end of the line.She typed very fast.

“Really?Next time we meet, I’ll give you a gift for the new term. ”

gu jin yi read the message with a doting smile on his face.

chapter 53

“Handsome uncle, it’s a little late today. Let’s talk next time. Bye.”

Then he sent her a picture of good night. He guessed that she was going to sleep.

gu jin yi’s deep mood suddenly became cheerful.

He really liked han han and was very patient with her.As long as she could go on talking, he would keep her company.

It was the first time that she had been able to chat with a child happily for so long, and she even used WeChat.For the first time in history.

Ning Xi packed up his things and went upstairs to his room.

She lay on the bed, thinking that she could see her two babies again tomorrow. She had a good sleep last night

Today was the day to take chen chen and han han to sign up for the kindergarten, so Ning Xi got up early.

As soon as Ning Xi walked out of the room, he happened to see gu jin yi.

WellEnemies are bound to meet in a narrow alley. She could meet him even if she got up early in the bed.

“Morning!”

Ning Xi forced a smile with eight teeth, and a pair of deep dimples indistinctly appeared on her pink cheeks.

“Do you want to make breakfast for me so early?” gu jin yi asked with a smile

She’s drunk too. Why are you so narcissistic!And I specially got up early to make breakfast for you?She wouldn’t have gotten up so early if it weren’t for the two babies.

“I have to go to the company early today.”

Ning Xi said with a smile.

Of course, she couldn’t tell the truth because she had to send her two babies to school.

“You want to go back on your words?”

gu jin yi narrowed his eyes, hinting something.

What the hell? Regret?What did she regret?

Ning Xi frowned and asked in confusion, “can you speak human language?”

“Susan, what did you say?”

As soon as Ning Xi finished his words, he looked at her coldly.

“No, no, No. I mean, can you make it clear? What did I regret?”

Ning Xi saw gu jin yi’s cold black eyes and couldn’t help trembling in her heart.She asked again obediently.

“It seems that she has moved the things here and her brain is still at home.”

gu jin yi said lightly.

“You!”

Hearing gu jin yi’s words, the good mood in the morning was ruined by him.

gu jin yi, you are born to oppose Ning Xi, aren’t you? Every time you speak, you have to satirize her intentionally or unintentionally.

“Don’t you remember to prepare breakfast for me every day?”

gu jin yi said word by word.

ning xiao xi then realized that he was talking about this.

She really forgot it. She thought he wouldn’t take it to heart, but he took it seriously.

Just make breakfast. Why did he satirize her in a roundabout way.’what are you doing? Psychopath, psychopath...’

ning xiao xi had cursed gu jin yi in her heart. Although she couldn't scold him directly, she still wanted to have a good scolding in her heart!

"Of course not. I got up so early to prepare breakfast for you before I go to work."

Ning Xi flattered her and spoke against his conscience.

"Go ahead. I want to eat tomato and egg noodles this morning. The noodles last night tasted good."

gu jin yi held back his laughter and said lightly.

Tomato and egg noodles again? gu jin yi, are you addicted to eating? Breakfast and dinner? Is it so delicious?'

She had planned to cut a few pieces of toast and prepare a cup of hot milk for him as breakfast, so that she could meet his two babies in a few minutes.

As a result He said he wanted to eat tomato and egg noodles again.

What could she do about Ning Xi? She had to cook for him, or she had to go downstairs to cook noodles for him.

After the mistake last night, Ning stream, who used to like eating tomato and egg noodles, was not interested in it at all. And now seeing her, he would doubt if there was pepper in it.

"Okay, I'll make it for you."

Ning Xi pretended to smile, lowered his eyes, and ignored gu jin yi. Then he turned around and went downstairs.

ADVERTISEMENT

You want tomato and egg noodles, right? Well, I'll make it for you. Eat it every day, so that you can get tired of it and vomit!

Ning stream went downstairs while thinking of all kinds of ways to find an opportunity to give a hard time to him.

She was tortured by him every day. She couldn't live without him. She was extremely unhappy.

"Remember, don't put pepper in it. I won't eat it."

Before Nina went downstairs, Jean stood behind her and teased her.

"Got it."

Ning stream replied weakly.

Then she rolled her eyes and thought, 'you are so long winded to have breakfast. If you have the ability, you can cook it yourself.'

Ning Xi made breakfast as fast as he could.

When Ning Xi served the table, gu jin yi went downstairs in a neat and clean dark blue suit.

“Eat it. Your tomato and egg noodles are ready.”

Ning Xi didn't care whether he had sat down or not. She sat down and ate her instant noodles.

“How do you eat this?”

gu jin yi sat down and frowned at the breakfast in front of Ning stream.

“I like it.”

Ning Xi wolfed down her instant noodles, regardless of her image as a lady. He replied casually to gu jin yi.

In fact, she didn't like instant noodles, but to save time.

How much time had she wasted on cooking in the past five years. Every time she didn't have time to have dinner at work, she would cook instant noodles. Except for the two, she would cook a delicious meal.

gu jin yi kept silent and stared at Ning Xi.

Ning Xi raised her head to look at gu jin yi.

“Why don't you eat the noodles? Why are you looking at me?”

Ning Xi asked indifferently.

“I didn't put any pepper in the noodles. Don't worry.”

Ning Xi rolled his eyes at gu jin yi. He was afraid that she would poison him? Damn it.

gu jin yi said with a faint smile.

“I want to have a taste of your instant noodles.”

Ning Xi suddenly choked on the instant noodles.

“Cough, cough, cough...”

gu jin yi, do you want to eat whatever Ning Xi likes? Why did he follow suit.

“Are you sure you want to eat this?”

Ning Xi pointed at the instant noodles in front of him and looked at gu jin yi in shock.

gu jin yi nodded seriously to show his determination.

“You'd better eat the noodles.”

Ning Xi ate up all the instant noodles with only a little soup left.

“Susan, you...”

This time, before he could take the instant noodles in front of Ning stream, she had eaten them up.

gu jin yi was speechless. How could she eat so fast?

“Well, I’m so full! You’d better eat your noodles in an an’s heart. I’m going to work now. ”

Ning Xi stood up with joy.

“Sit down and wait for me.”

gu jin yi said lightly. Then she sat down.

“You don’t have to take me to work in the future. Anyway, it’s very close to the company now. I can walk by myself.”

Ning Xi said word by word. She thought gu jin yi just wanted to drive her by the way.

“It’s still early. Enjoy your meal. I’m leaving now.”

Ning Xi gave an innocent smile, stood up and was about to leave.
