chapter 57

Then Ning Xi and gu jin yi entered the room together.

The first thing she did after entering the room was to clean it up. She couldn't let pei xiu juan find that they slept in separate rooms.

After Nina went into the room, she saw Bill come in. "You are so fast."

gu jin yi looked extremely calm, as if he was not worried at all that his mother would see the two of them sleep separately.

"Aren't you going to clean it up?"

Ning Xi looked up and asked.

"You have cleaned it up here. What else should I do? At that time, you can just put some of your little things in my room and say that we can't sleep in my room. "

gu jin yi said slowly and calmly.

Ning Xi was about to pa** out. She gave him a dirty look secretly. gu jin yi, you are so 'smart' and cunning.

"What are you looking at?"

gu jin yi looked at Ning Xi sideways.

"Look at you. You are so handsome. I can't help but take a few more looks at you."

Ning Xi put on a fake smile.

"I allow you to see more tonight."

gu jin yi smiled evilly.

Well, don't be so narcissistic. Do you really take it seriously? Who wants to see you? I have visual integrity.

When Ning Xi was about to clean up, the doorbell rang downstairs.

"It must be auntie. Open the door."

Ning Xi said to gu jin yi while packing her things.

"Go ahead."

gu jin yi said indifferently.

"Hey! You are fine now. I have to pack up my things. I won't go with you. "

Ning Xi frowned and looked at gu jin yi disdainfully.

“Are you sure you won’t go?”

gu jin yi raised his eyebrows and looked at Ning Xi with his deep black eyes. He said in a cold and oppressive tone.

“You!”

Ning Xi had no choice but to go downstairs and open the door.

gu jin yi, you are such a freak! She doesn’t even want to open the door. Ning Xi came to your house to be your slave, right.

Ning Xi went downstairs and complained to himself about gu jin yi.

“Mom, you are here.”

Ning Xi said with a bright smile.

“Come here and help me with my bag.”

pei xiu juan came in with a big handbag and handed it to Ning Xi.

ning xiao xi took the handbag and looked at it. Did Auntie live here today?

Then, he walked down the stairs slowly.

“Baby boy, I miss you so much.”

As soon as pei xiu juan saw gu jin yi, she hugged gu jin yi like a child.

“Mom, we haven’t seen each other for only two days.”

gu jin yi answered indifferently.

pei xiu juan got away from gu jin yi’s arms, curled her lips and said, “one day apart is like three years. Don’t you miss me?”

“Of course I miss you.”

gu jin yi coaxed pei xiu juan softly.

Nina, who was standing next to him, lowered her eyes and snickered. ‘I didn’t expect that you would have such a day. I’m not willing to, but I have to fawn on you on the surface. How do you feel?’

Hahaha Ning Xi was thrilled to see gu jin yi like this.

Ning Xi couldn’t help laughing. When she came to her senses, she found that gu jin yi was looking at her coldly.

Even if he didn’t say anything, his strong body momentum made people unable to speak again.

The intimidating aura emanating from his body seemed to be able to condense the surrounding air.

Ning Xi immediately covered his mouth, but there was a hint of flirtation in his eyes.

Although she couldn't contradict him in words, it was okay for her to have an expression at this time. It was gu jin yi.

Ning Xi, you are so smart. I'm impressed. Then he grinned.

"Mom, have a seat. I'm going to prepare dinner."

Ning Xi put her handbag in the hall and went into the kitchen.

On the other side, pei xiu juan wanted to go upstairs to have a look.

Ning Xi watched gu jin yi and pei xiu juan go upstairs and sighed.

Fortunately, she went home early to pack up her things. Otherwise, if she was found to sleep in separate rooms with gu jin yi, she would definitely be kicked out of the Gu family by pei xiu juan.

On the table.

gu jin yi looked at Ning Xi and guessed what she was thinking.

"Mom, I'll drive you home after dinner."

When the dinner was almost ready, he said.

"It's the first time for you to come to my new home. You can stay here today."

Ning Xi said with an innocent smile.

In fact, Ning Xi didn't really want pei xiu juan to live here, but in order to show pei xiu juan that he liked her, Ning Xi had to say so.

ning xiao xi thought, 'it's not a bad deal to say that. Anyway, pei xiu juan won't really live here. It doesn't matter whether she says it or not.'

But speaking of this, she would look like a dutiful daughter-in-law, and she would have a good impression on gu jin yi. Maybe pei xiu juan would be happy, and he wouldn't torture her so much.

Then why should she let go of this good opportunity? Ning Xi was thinking about it carefully.

Ning Xi, who was waiting for pei xiu juan to speak, looked expectant.

Ning Xi guessed that pei xiu juan would say so, "I'd better go back. I won't disturb you two." In this way, she could have a good sleep at night and didn't need to worry about pei xiu juan's sudden attack.

Ning Xi was very excited. As soon as pei xiu juan left, she could lie on her big bed.

"I won't go back today. I'll stay here for one night before I leave."

pei xiu juan said happily.

“Okay, okay.”

Ning Xi squinted and promised.

what?Don't leave?Living here?

Ning Xi came to his senses and realized what pei xiu juan had said.

She was stunned and sat on the chair with a petrified expression. Three crows flew over her head
gu jin yi tried hard to hold back his laughter.

This stupid woman had planned to help her, but now she made a fool of herself.

Looking at gu jin yi's expression, Ning Xi was obviously making fun of her. He was so angry that he
gritted his teeth, but he couldn't say anything.

Then she changed the topic and said, “Mom, I'll go upstairs and clean up the room for you.”

She forced a smile.

Ning Xi left the table and walked towards the stairs.

Not long after Ning Xi went upstairs, gu jin yi also went upstairs.

chapter 58

In the room.

ning xiao xi complained to a big dark brown bear doll.

“Ning Xi, you are such a fool. You shouldn't have said that. Well, you are destined to sleep in the same
room with that pervert, gu jin yi.You are asking for trouble, aren't you? ”

Ning Xi curled his lips and looked unhappy.

“Ahhh!I don't want to, I don't want to, I refuse resolutely!If he has ulterior motives towards me at night,
how can my pet**e body resist him?What should I do? ”

Then, Nina punched the big bear doll randomly with all her unhappiness, and then turned around to
leave the room unhappily.

With a sad face, she lowered her head and walked towards the door.

“Ouch! It hurtsDo you have eyes at the back of your head? ”

As soon as Ning Xi turned around and walked forward, he ran into gu jin yi's arms.

Ning stream spit out the words before she could look up.

With her eyes wide open, a pair of black leather shoes came into her amber pupils.

Ning Xi's pupils shrank subconsciously.

'oh my God! Is he listening here all the time?'?Then he had heard everything she had said chu kou cheng zhang yi seriously scolded him for being abnormal. This time, Ning Xi was doomed

Holding a handful of sweat in her hand, Ning Xi slowly looked up at gu jin yi.

Ning Xi grinned at gu jin yi, showing his eight bright teeth.

"Hahaha Why are you here? "

Ning Xi had no choice but to smile and said in an uncertain tone.

"If I'm not here, can I hear you, da xiao jie, curse me as a pervert?"

gu jin yi said word by word in a cold tone, slowly approaching Ning stream, staring at her with his deep black eyes.

Ning Xi was speechless. This time, he caught her right in the face. No matter how hard she explained, it should be useless.

"Youl... "

gu jin yi approached Ning stream step by step, and Ning stream could only step back until it sat on the bed.

"What... What do you want to do?"

Ning Xi frowned and said in a trembling voice.

"Where is the aura of swearing pervert?"

gu jin yi raised his dashing eyebrows and sneered.

As they got closer and closer, Ning Xi couldn't sit still with his hands on the soft bed.

"l..."

ning xiao xi pretended to be brave and straightened up. When she was about to say something, gu jin yi suddenly approached her. Ning Xi was shocked and fell on the bed.

"Are you so impatient?"

gu jin yi curled his thin lips and stared at Ning Xi with his long and narrow eyes.

From Ning Xi's clear eyes, gu jin yi saw innocence that he had never seen before.

"Go away!"

Ning Xi looked at gu jin yi with contempt.

gu jin yi's long and narrow eyes turned cold, and Ning stream immediately quieted down.

"Oh, I'm sorry to bother you."

pei xiu juan, who came up from downstairs, walked to the door of her room and happened to see gu jin yi and Ning Xi lying on the bed. She pretended to look back quickly, but there was a joyful expression on her face.

gu jin yi and Ning Xi stood up at once. The two looked at each other. Ning Xi looked embarrassed, while Jin Yi always looked indifferent.

It seemed that they had made a good progress in moving out this time. Ha ha A weird smile appeared on his face.

pei xiu juan was very happy. It seemed that her wish of being a grandmother was about to come true.

“Ah No, mom, it’s not what you think...”

Ning Xi explained hurriedly.

“It doesn’t matter. You can continue. I won’t disturb you. I’ll go back to my room to sleep.”

Then, pei xiu juan turned around and left with a smile.

“No...”

Ning Xi stood still in a daze, and then looked sideways at gu jin yi. He said with all kinds of patience, “you did it on purpose, didn’t you?”

gu jin yi smiled and shrugged, “I did it on purpose. What do you want?”

“You!”

Ning Xi was furious, but didn’t know how to fight against him.

Ning Xi, you are not that bad in mind.

gu jin yi did it on purpose to piss you off. He thought about his breast cancer and for the sake of his own health, resisted, resisted

ning xiao xi took a deep breath and comforted herself.

“How am I? Susan, you are so angry that I haven’t settled accounts with you yet.”

gu jin yi said word by word.

Ning Xi curled his lips and remained silent.

“I’m going to bed.”

Then Ning Xi walked towards the sofa.

“Are you sure you want to sleep here?”

gu jin yi said in a strange tone, raising his long and narrow eyes slightly.

“What do you mean?”

Ning Xi was stunned by gu jin yi's words. If she didn't sleep here today, where could she sleep? He knew that pei xiu juan was here today.

"Nothing. Aren't you afraid that I might have an ulterior motive for you if you fall asleep?"

Ning Xi looked at gu jin yi with contempt.

'pervert, don't be so vindictive. I just said it casually? That was all.

"Don't worry. I'm asleep."

Ning stream seemed to be sleepy, so she replied casually.

Then she walked to the sofa by the French window. Suddenly, gu jin yi walked up to her from behind.

"What are you doing?"

Ning Xi said lazily.

"On the bed."

gu jin yi said coldly.

Ning Xi widened his eyes and said angrily, "gu jin yi, you pervert!"

Ning Xi pushed gu jin yi away.

"Susan, what are you thinking about all day long?"

gu jin yi said to her helplessly.

Originally, she just wanted to let a girl sleep on the bed out of kindness, but it was always not good for her to sleep on the sofa. However, it was misunderstood by Ning Xi.

She called him a pervert again? ning xiao xi, she might be tired of living.

"Didn't you let me sleep on the bed?"

Ning Xi frowned and asked in confusion.

"If I let you sleep on the bed, I would become a freak for no reason? Don't worry. I'll sleep on the sofa."

gu jin yi said indifferently.

Ning Xi squinted at gu jin yi.

Why was he so good today? Was there any scheme for her to sleep on the bed voluntarily?

"You are the boss. You'd better sleep on the bed."

Ning Xi was still worried and refused gu jin yi.

"I'll count to three. Don't regret if you don't go to bed."

gu jin yi exuded an oppressive aura.

Ning Xi began to wobble. Did gu jin yi, a freak, do something wrong

“Three.”

‘oh my God! What should I do? Sleep or not? No, why did he count to three?’

“Hey, didn’t you start from the beginning? Why did you just give me three?”

chapter 59

When he was about to continue counting, Ning stream was one step ahead of him.

“No need to count. I’ll go to bed!”

Then Ning Xi jumped onto the soft bed like a rabbit.

Seeing this, gu jin yi shook his head helplessly with a meaningful smile on his face.

‘what a stupid woman! It seems that I have to teach her a lesson,’ he thought.

Then, he walked to the sofa and slowly lay down.

A few minutes later, Ning Xi got up from the bed and looked at gu jin yi on the sofa.

Did he just sleep like this? Ning Xi turned to look at gu jin yi, who was lying on the sofa, lost in thought

Then, he suddenly turned around and saw Ning stream staring at him.

“You want to sleep with me?”

gu jin yi stared at Ning Xi with his dark eyes.

gu jin yi’s words brought Ning Xi back to reality. With a guilty conscience, he crawled into the quilt and didn’t respond.

Looking at the hidden Ning Xi, gu jin yi smiled and lay down.

Ning Xi, who was lying on the bed, blinked and blushed.

gu jin yi, you are such a pervert. Who would want to sleep with you? Narcissistic, insane!

But why didn’t she refute him? Why was her face so hot and her ears so hot. Well, Ning Xi, what are you thinking about?

Then, Ning Xi rolled over in the quilt, in order not to wake up the great God.

.....

“Awoo...”

Ning Xi woke up and stretched out his arms lazily.

Then she squinted her eyes and stretched out her hand to take the watch on the bedside table, but she felt something strong.

Where is the watch? Why did she feel so comfortable on the bedside table.

Then, Ning Xi opened his eyes slightly, and a petrified expression immediately appeared on his face

She looked at the place where she was sleeping and immediately woke up, without any sleepiness.

“Ah! Why am I sleeping here? ”

gu jin yi was awakened by the loud voice of Ning Xi. He opened his eyes slightly and suddenly saw Ning Xi lying beside him and touching his abdominal muscles.

gu jin yi looked at Ning Xi's hand on his abdominal muscles.

The two of them were both stunned. Then, a touch of confusion flashed across his deep black eyes and he looked at Ning stream.

It was not until then that ning xiao xi noticed that gu jin yi had woken up. Then she saw that her hand was lying on gu jin yi's strong abdominal muscle, and then she took her hand away from it and shook her head desperately. “Ah!”

“Stop shouting. Are you afraid that others won't hear how much we love each other?”

gu jin yi quipped with a smile.

Ning Xi rolled his eyes at him and was about to get up from the sofa.

Unexpectedly, she was pulled by gu jin yi. Ning Xi, who was standing up, was lying in gu jin yi's arms.

“Since you're asleep, I'll sleep with you a little longer.”

gu jin yi raised his thick black eyebrows and said indifferently.

“Let go of me, you pervert!”

Ning Xi struggled in gu jin yi's arms.

“If you say one more word, do you believe that I will do something more abnormal to you?”

gu jin yi slightly narrowed his long and narrow eyes and said lightly with a weird smile at the corners of his mouth.

Ning Xi quieted down in an instant, and suddenly felt a little nostalgia in his arms.

Then Ning Xi came back to his senses and said, “I should make breakfast now.” Get out of gu jin yi's arms.

“Susan, why are you blushing?”

gu jin yi raised his eyebrows and asked deliberately.

“I... I’m not blushing.”

As soon as Ning Xi finished speaking, he ran out of the door without looking back.

When Ning Xi left the room, he continued to look at the door. A meaningful smile appeared on his face, and a hint of joy flashed across his unfathomable black eyes

When ning xiao xi ran out of the bedroom, did she blush just now?

Ning Xi touched his little face with both hands and looked at the mirror beside him. It seemed to be a little red.

ning xiao xi, what’s wrong with you?’Oh, don’t think too much. What are you thinking about? Why do you miss him?

Ning Xi kept thinking about gu jin yi and gu jin yi’s exquisitely carved face.

Then, Ning Xi couldn’t stand it anymore, covered his head and ran down the stairs slowly.

Ning Xi went to the kitchen to prepare breakfast, and soon gu jin yi went downstairs.

gu jin yi went into the kitchen and saw Ning Xi busy, so he went up to him.

“What breakfast?”

gu jin yi asked while looking at it.

“Why... Why are you in the kitchen?”

Before Ning Xi came to his senses, she lowered her eyes and stammered.

“I’m here to make breakfast for you. What are you going to do?”

gu jin yi said softly.

“Tomato and egg noodles.”

Ning Xi answered indifferently.

ADVERTISEMENT

gu jin yi was speechless, “...”

This stupid woman must have a grudge against him in her previous life. She really cooked tomato and egg noodles for him every day.

“Bill, Susan, you are both in the kitchen.”

Suddenly, pei xiu juan appeared outside the kitchen.

gu jin yi and Ning Xi nodded at the same time, “yes.”The two looked at each other with disdain.

Then, before pei xiu juan realized it, they quickly showed affection.

“Mom, wait a moment. The breakfast will be ready soon.”

Ning Xi said softly.

Suddenly, he put his arm around her slender waist and said, "let's make breakfast for you."

Ning Xi looked up at gu jin yi sideways and rolled his eyes at him. He had never taken the initiative to make breakfast. This time, he was so hospitable.

"Great! I'm so happy to have the breakfast cooked by you two!"

Then, pei xiu juan turned around and went back to the living room with joy, leaving Ning Xi and gu jin yi in the kitchen.

gu jin yi's hand was still on Ning Xi's waist. Ning Xi took his hand away and walked aside. She was busy making breakfast.

gu jin yi stood aside and watched.

"Aren't you going to make breakfast? Why don't you do it?"

Nina asked coldly when she saw the indifferent look on his face.

"Aren't you doing this? I'll take care of it."

gu jin yi narrowed his eyes and watched Ning Xi making breakfast like a child.

Ning Xi also had nothing to say. He thought he would really make breakfast for her, but it turned out that he was just saying it.

But she didn't know why she felt a little happy when she saw him looking at her so carefully.
