chapter 60

On the table.

“I want to see you and I will come over at any time. Don’t be too surprised to see me here after work. And you should work harder.”

pei xiu juan said word by word.

She looked exactly like gu jin yi.

Ning Xi almost vomited the breakfast in his mouth.

But she refrained herself from doing so. On the other hand, there was a look of silence on his face.

Well, can I not mention it? She missed her grandson so much.

Ning Xi glanced at gu jin yi. He was leisurely. Every time he chose to be silent, as if it had nothing to do with him.

ning xiao xi planned to leave early after breakfast, so that she could catch up with chen chen and han han to the kindergarten.

But pei xiu juan and gu jin yi were still here. She had to find a way.

“Edmund, please send mom home later. I have something to deal with in the company today, so I have to go now.”

Ning Xi said seriously and stood up, ready to go out.

When he was about to say something, pei xiu juan spoke first.

“Okay, you can go first. I’ll ask Edmund to send me back later.”

With a happy look on her face, pei xiu juan planned to ask gu jin yi to drive her home. She wanted to see her dear son every day after they hadn’t seen each other for a few days.

Then, before he could say anything, Ning stream slipped out of the door.

Ning Xi ran slowly. She turned to look at the hall from time to time, fearing that gu jin yi would run out and stop her.

Ning Xi ran out of the house and went straight to the bus station.

Oh, my God ! The bus was full of people.

“Ah! It hurts!”

She bumped into someone.

Ning Xi raised his head and stared at the man.

The Armani white silk shirt was matched with a simple but stylish coat, and the neckline was loose, revealing the s**y and charming Adam's apple.

He wore a pair of sungla**es and a grey mask, and a black hat that could cover most of his face.

Richie frowned and saw Ning stream staring at him. He inadvertently glanced at Ning stream, thinking that she was also an anthomaniac fan.

When he was about to get out of the car, Ning Xi was about to get in.

Ning stream stood in front of the car door and wanted to get out of the car in a hurry. Because it was too crowded in the car, Ye Ling City squeezed Ning stream out of the bus as soon as he got off the car.

“Hey, hey, hey!Car, wait! ”

Before Ning Xi could react, the bus had already started.She shouted, but could only watch the bus driving farther and farther.

“They are all gone. What are you shouting for?”

Richie said impatiently.

“Hey!Why are you shouting? If it weren't for you, I would have been in the bus! ”

Ning Xi lost his temper and roared at Ye Ling City, ignoring her image as a lady.

Richie's charming black eyes stared coldly at the face of Ning stream.

“What are you talking about?”

He walked into Ning stream step by step and said word by word.

The woman in front of him dared to talk to him in such a tone and even roared at him. How impatient she was.

“Are you deaf?If it weren't for you, I would have taken the bus! ”

Ning stream thought that Ye Ling City really didn't hear it clearly, so she said it again impatiently.

If it weren't for the Ye Ling City, Ning Xi would have been able to see her, chen chen and han han.Now, everything was in vain

“How dare you talk to me like that?”

Staring at Ning stream, Ye Ling City said coldly.

“Why not?”

At the same time, the image of Jean bullying her suddenly flashed through Ning Xi's mind.

Except that she didn't dare to talk to gu jin yi in such a tone, she didn't dare to say anything to anyone else.If she didn't have a contract with him, she wouldn't dare to do anything to anyone.

The answer of Ning stream made Ye Ling City speechless. He thought Ning stream would apologize immediately, but he didn't expect her to answer him in reply.

"Don't you know who I am?"

Suddenly, he was curious about Ning stream and asked her in a strange tone.

She didn't care who you were. Even if it was time for her to take the bus because of the arrival of Jean at this important moment, Ning stream would still treat her like this.

"You are wearing a hat, a mask and sunglasses in the daytime. Who can recognize you?"

Ning Xi cast a disdainful glance at Ye Ling City.

A wicked smile appeared on his face. It seemed that his disguise had improved a lot. It was difficult for others to recognize him.

Ning stream didn't want to waste any more time, so she turned around and was about to leave.

Seeing this, he strode to the front of Ning stream and blocked her way.

"What are you doing?"

Ning Xi frowned and said.

"Don't you want to see what I look like?"

Said Richie proudly.

"No, I don't. bye!"

Ning Xi answered indifferently.

As soon as she took a step forward, she turned around and continued.

"No, it should be never seen again!"

The arrogant look on his face suddenly turned into an embarrassed one.

What the hell? She, she didn't want to see him?

It was the first time that he had been ignored.

He grabbed Ning stream and pulled her in front of him. With a gentle breeze, he took off his hat and mask gracefully.

Looking at Ning Xi, he wore an evil and attractive smile.

Ning Xi blinked and frowned, "what else can I do for you? My time is precious."

Hearing what Ning stream said, Ye Ling City was stunned.

He had taken off his hat and mask. How could she not know him? Did he mean that he had wasted her time? Everyone in the country knew him?

Then he angrily removed the last cover from his eyes.

Ning Xi was instantly trapped in his enchanting face.

His dark and attractive eyes looked even more enchanting without any cover. The delicately carved features grew on his evil and attractive face, which was simply adding fuel to the fire.

Seeing that Ning Xi was staring at him so seriously, he felt a sense of accomplishment.

Well, which woman wouldn't take a few more looks at him? That was impossible.

At this moment, Ning Xi suddenly said, "please get out of my way. You're in my way."

Standing still, Richie didn't want to get out of the way. Ning stream was about to bypa** him.

"Woman, are you indulging yourself in lust?"

Therefore, when the woman saw him, she would only get close to him, but this woman tried to leave. Richie was confused.

ning xiao xi was stunned by the question. What the hell? What do you mean by saying that? Was this man a freak again?

There must be something wrong with his mysterious clothes.

chapter 61

Ning Xi suddenly wanted to escape from here.

"Brother, I have something else to do. I'm leaving now, Goodbye!"

ning xiao xi turned her smart head and ran towards the intersection at full speed, leaving no chance for the other party to answer.

"Hey, you..."

Indeed, Ning stream had run away before the Ye Ling City could speak.

Looking at the back of Ning Xi running, Ye Ling City suddenly became curious about her.

It was interesting that there were still people who didn't know him.

He swore to himself that he would find Ning stream.

He turned around gracefully and was about to leave.

She saw a xiao xiao thing on the ground by accident.

At first, he didn't pay much attention to it, but he seemed to see the words on the brooch. Then he bent down slightly and reached out to pick it up.

Ning Xi, VL design director.

She worked in VL? Well, it seems that we are destined to meet again.

With a brooch in his hand, he squinted his charming eyes and smiled jian jian

In the end, Ning Xi didn't catch up with chen chen and han han's school time, and went straight to the company expressionlessly.

Ellie stepped forward and asked with concern, "what's wrong, stream? Look at your cold face."

Ning Xi said indifferently, "I met a very handsome pervert on my way to the company today."

"A handsome pervert? Hahaha Naomi, don't be so funny. You said he was handsome, but why did you mock him. How could he be as handsome as an abnormal chief?"

Hearing this, Ellie couldn't help laughing.

"Yes, there are. I found that most of the handsome men are perverts."

ning xiao xi thought of gu jin yi and the Ye Ling city she met today.

The two of them were both handsome, but they were both freaks.

"Really? I don't mind introducing him to me someday. I like handsome and abnormal men."

Ellie said with an innocent smile.

Nina found that the girl was so infatuated with girls.

"Naomi, where is your brooch?"

Seeing that the brooch on Ning Xi's chest was gone, she asked.

Ning Xi looked down, "eh? Why is it gone?"

Ning Xi suddenly recalled the scene that he took a bus with Ye Ling City in the morning. It should have fallen at that time.

"It doesn't matter. I'll go and find her."

After saying that, Ning Xi went to his office and was busy with her work.

As soon as she turned on the computer, an zi hao called for a meeting. Ning Xi walked out of the office and headed for the meeting room.

Soon, the heads of all departments arrived.

an zi hao sat on the main seat with a serious look.

"The film and television company sent a notice that we have confirmed that the clothes for the party in the city are prepared by our company. He will come to the company tomorrow in person. Everyone is ready."

an zi hao said word by word, and the heads of all departments listened carefully.

“Will he come in person?”

zhang yu ru from the planning department asked curiously.

Then, Lillian from the sales department continued, “I’ve never seen anyone in the city to choose a dress.”

“Yes, it’s unbelievable that she took the initiative to come to our company this time.”

“He’s also a hard nut to crack. Every time he designs a dress, he’ll complain about it and specially bring his own fashion designer here.”

Then, people in all departments began to discuss.

Seeing everyone’s reaction, Ning Xi became curious.

What kind of big shot was the city?He was so awesome and had a private designer.

“Naomi, this time you are responsible for the design of the main dress of the city. Please a**ist Naomi.”

Ning Xi nodded seriously. In this case, she would obey the arrangement.

A mocking smile appeared on Leona’s face.

“I’m afraid even our designer’s design will be belittled this time.”

“It doesn’t matter. Every time I fail, I will learn a new knowledge, which can make me more outstanding.”

Ning stream didn’t respond to Ruyu’s words on purpose, but looked at everyone and said something very reasonable.

Then, everyone applauded.

“You are right.”Lillian from the sales department said.

an zi hao smiled faintly with appreciation.

Ruyu glanced at Ning stream unhappily. Ning stream, why are you so arrogant?At that time, when the design draft was rejected again, let’s see if you are still so confident.

They discussed for about an hour about the topic that Ling City would come to the company tomorrow.

“That’s probably it. If there’s nothing else, the meeting is over.”an zi hao said calmly.

Then, everyone dispersed and left the meeting room.

Ning stream was about to get up and walk out of the meeting room, but Ruxin suddenly stood up and said lightly.

“Ning Xi, actually I have a question to ask you.”

Ning Xi didn't refuse. She asked, "what question?"

"Why have you changed so much in the past five years?"

Obviously, Ning Xi understood what she meant. She asked about her identity as Anne, the queen of dress design.

"Well, I don't have to explain it to you. After all, we are not that familiar."

Ning Xi said with a smile. Her smile made people feel that she was far away from him.

Then she stood up and left the meeting room.

If she stood still and looked at the back of Ning Xi, a hint of scheme flashed through her enchanting eyes.

ning xiao xi, don't think you can be so amazing in front of her as a design director.

When Ning Xi returned to the design department A, he saw the lovely Ellie was wearing makeup in the mirror.

"Ellie, what are you doing?"

Ning Xi asked curiously.

It was already late, but Ellie was wearing heavy makeup.

"Richie is coming to our company. I want to appear in front of him in the most perfect image. I can't destroy my zhang lian."

Ellie stood up excitedly and said to Ning Xi.

Ning Xi was speechless. It seemed that how much she liked the Ye Ling City.

"He won't come to the company until tomorrow. What's his dressing today?"

Ning Xi asked in confusion.

"What if he comes to attack us all of a sudden? Then I can't guard against it."

Ellie answered word by word.

Now Ning stream was completely speechless. Well, Ellie, I admit that you are awesome!

"Is he so obsessed with you? Look at your anthomaniac face."

Ning Xi tapped on her forehead with his index finger.

"Yes, yes, the lover in my dream must be him..."

Ellie nodded desperately to show her love for him.

It seemed that everyone paid special attention to the work of preparing the dress for him. Ning Xi was curious about the identity of Ye Ling City?

chapter 62

Then, when Ning Xi returned to his office, his phone suddenly rang.

She picked up her phone and saw a strange number.

Ning Xi frowned and put it down instead of taking it.

She didn't want to say anything more because there were too many crank calls and advertising calls recently.

The phone kept ringing. Ning Xi picked up the phone and hung it up, then put it on the desk.

As soon as she put down the phone, the voice came again.

Ning stream finally answered the phone, "hello." She said politely.

"Ning, Xiao, Xi."

The man called the name of Ning stream word by word.

ning xiao xi was stunned when she heard her name.

"Excuse me, who are you?"

Ning Xi asked as he sensed that the man's voice sounded familiar.

"What? You don't know me so soon? You are still young and have a poor memory. "

The man on the other end of the line said sarcastically.

When Ning Xi came to his senses, the man he met this morning flashed through his mind. It was Ye Ling City.

"It's you!"

Ning Xi sat there, staring blankly.

"You remember? It seems that my personal charisma is still impressive. "

Said Richie proudly.

'oh my God! How could a person be more narcissistic than me?'

"Why do you have my phone number?"

Ning Xi asked in confusion.

"Your brooch is here."

Said Richie indifferently.

Brooch? Why was she with him?

“Give it back to me.”

ning xiao xi said seriously and coldly.

“Don’t worry. I’ll come to you tomorrow. Well, I have something else to do. See you tomorrow.”

“Hey! You...”

Before Ning Xi could ask more, Ye Ling City hung up the phone.

Ning Xi put down his phone and frowned. Who did she meet? How could he give her a brooch? She thought Ning Xi was a three year old child. It was so gullible.

Then Ning Xi came back to his senses and didn’t think about it.

When it was almost time to get off work, Ning Xi was about to go to the kindergarten to see chen chen and han han. He had planned to go there in the morning, but something happened and he didn’t go.

As soon as Ning Xi left the company, he walked quickly towards the kindergarten.

“chen chen, han han!”

When she approached the kindergarten, she saw chen chen and han han walking out of it. Ning Xi shouted excitedly.

“Mommy!”

They ran towards the Ning stream like two running rabbits.

The three of them hugged each other, with an innocent smile on their faces. The warm scene was simply indescribable.

“Mommy, we miss you so much...”

“I miss you so much...”

The three of them spoke almost at the same time.

“Mommy, we want to...”

han han was about to say something, but chen chen grabbed the corner of han han’s clothes and looked at each other. The smart han han immediately understood what her brother meant, so she didn’t go on.

“What are you thinking about?”

Ning stream let go of them slowly, looked at han han and asked.

“Nothing, Mommy. I’m hungry. I want to go home early for dinner.”

chen chen answered smartly, while han han, who was standing aside, pouted and refused to speak.

Seeing this, Ning Xi immediately understood the reason.

Every time chen chen and han han wanted to be with her, han han would choose to be silent, and chen chen would always change the topic.

They were afraid that they would be tired and wanted to go to bed early, so they didn't want to say it out.

Ning Xi saw all this. Her two babies were so sensible that he felt guilty to them.

"Is it my honor to take Prince chen chen and princess han han to have dinner together?"

Ning Xi looked at them with a smile and asked.

pei xiu juan had gone back home today and hadn't had dinner with her two babies for a long time. You must take your two babies to have a good meal tonight.

Hearing what Ning Xi said, han han's bright eyes lit up. "Really?"

"Mommy, you are so tired from work. You'd better go back and have a good rest."

chen chen stood aside and said to Ning Xi like an adult.

"Yes, Mommy, you'd better go home and have a rest."

han han, who was excited and happy, suddenly changed her expression and said seriously, echoing her brother's words.

"Mommy wasn't busy today. She didn't get off work until she had a good rest. She was hungry and wanted to eat something."

Ning Xi had no choice but to tell two lies.

With their stubborn characters, if they knew that they had been busy today, they would never agree to let Ning stream take them out for dinner.

This character was very similar to her, Ning Xi. Sometimes, she didn't know whether it was good or bad.

Hearing what Ning Xi said, the two babies looked at each other.

"What's wrong? Don't you have the honor to have dinner with the little prince and the little princess?"

ning xiao xi looked depressed.

"da gong zhu, let's go!"

When Ning stream was looking down, chen chen and han han walked to her side and held her hand.

Then, the three of them walked towards the dining room hand in hand

restaurant.

On the table, chen chen and han han were very happy. Seeing them like this, Ning Xi was extremely gratified.

“Mommy, how are you getting along with Daddy recently?”

han han didn't forget about Ning stream as she was eating.

“Yes, is there any progress between Mommy and daddy?”

chen chen said.

Ning Xi was speechless.

She was still concerned about her relationship with gu jin yi after she went to the kindergarten.

“chen chen and han han, your main task is to go to school and study. Don't worry about anything else.”

Ning Xi changed the topic and said seriously.

“Mommy, are you shy?”

han han looked at Ning Xi with her shining eyes and an evil smile appeared on her face.

“han han, it seems that our wish to have a little brother and a little sister is about to come true.”

chen chen picked up the delicious food in his bowl leisurely, squinted his long and narrow eyes and said seriously.

Ning Xi was completely speechless and confused B.What did she say?Which made the two men think so.

‘no, I can't. It seems that these two thoughts haven't changed. I have to talk to them sometime.’.

“Aunt Celia!”

Her eyes were sharper than anyone else. When Celia walked to the door of the restaurant, chen chen and han han saw her through the gla** window.

ye xiao xiao walked in from outside the restaurant, and Ning stream and the two finished eating.

“Aunt Celia is here to pick you up.”

Ning Xi walked out with two men.

“chen chen, han han, what kind of big meal did your mommy take you to have today?”

ye xiao xiao walked up to them and asked with a smile.

“Today is the most delicious dinner.”

chen chen and han han answered happily.

ning xiao xi smiled with relief, “well, chen chen and han han, you should go to bed early when you go home. Don't let mommy worry about you.”

Ning stream stroked her two little heads and said to them in a maternal gentle tone.

Both of them nodded obediently. “Mommy, we're leaving. Be careful on the road.”

Then, they left the restaurant with ye xiao xiao.
