chapter 69

“Mr. Richie, if you think the design of the stream is okay, our company will start to make it for you and send it to you in person.”

an zi hao said calmly.

He nodded proudly.

“If there’s nothing else, I’ll go out first. You guys talk.”

When Ning Xi was about to stand up, Ye Ling suddenly said, “please send it to the company in person, Miss Ning.”

Ning Xi frowned and looked at Ye Ling City. What on earth did he want to do?

Ning Xi couldn’t refuse, so he agreed and left zi hao’s office.

.....

Two days later.

ning xiao xi sent the dress to his company and went to the office of the Ye Ling City.

“Mr. Richie, here is your dress.”

Ning Xi put the dress bag on the table carefully.

Richie nodded slightly.

Ning Xi saw Ye Ling standing in front of the French window and reading the script. He didn’t expect him to be so serious.

A touch of warm sunshine shone on his enchanting face through the French window. He looked pretty after a closer look.

“Then I’ll go first.”

When Ning Xi was about to leave after sending the dress, Ye Ling city gently put down the script and said, “wait.”

ning xiao xi stopped and asked, “Mr. Richie, what else can I do for you?”

“The dress is open. I want to have a look.If there is a flaw in the dress I made, how can I wear it? ”

He said word by word.

At this moment, Nina really wanted to go forward and scold him.

Obviously, he was deliberately making things difficult for her?

Ning Xi had no choice but to open the box and take out the dress according to the requirements of Ye Ling City.

The moment the dress appeared in front of him, his mood was indescribable.

In his concept, no matter what kind of design a man's dress was, it would only be the same. He could imagine a lot of women's dresses, but when he saw the men's dress designed by Ning stream, he changed his idea.

It was a dark blue suit, with double b***oned up and s***tered, showing the perfect and strong figure of the man. And the embroidery on his chest, which was partly hidden and partly visible, was mature and steady with his unique style. It was perfect!

This was what he had always wanted in his heart, but never a designer could design such a feeling. What he wanted was designed by Ning Xi.

"Is, is this really your design?"

He asked in shock.

Ning Xi raised his eyebrows and nodded slightly. "Are you satisfied, Mr. Ye?"

Although he was very satisfied, he didn't show it.

She nodded proudly and said lightly. "Well, I can manage it."

What did he mean by forcing her to live? Do you want to be beaten up?

Well, she could only say these words in her heart, but as long as he was satisfied.

Ning Xi pursed his lips and gave a gratified smile. Her heavy heart finally relaxed.

Staring at Ning stream, Ye Ling didn't know that she was capable.

All of a sudden, the att**ude of Ye Ling City towards Ning Xi changed a lot.

"You have seen the dress. I'm leaving now."

Ning stream was about to leave, but was stopped by the Ye Ling city again, "Ning stream, wait."

Ning Xi clenched his fists and gritted his teeth, trying to lose his temper. Did he have nothing to do? So he made fun of her here.

He took a deep breath and held back his anger.

"shao ye, what can I do for you?"

Ning Xi asked unhappily.

"It seems that you don't like to stay with me?"

Looking at Ning stream with his charming eyes, Ye Ling City said with a smile.

You have a clear estimation of yourself. It's worth praising.

"No. It's just that I have to go back to work now."

Of course, ning xiao xi couldn't tell her what she was thinking. She had one hundred and twenty hearts that didn't want to stay with him. However, she had no choice but to speak against her conscience.

"You are also working here. And it's important customer's work."

He said word by word.

Ning Xi was speechless. She chose to be silent.

"Well, I won't hold you back. I have something to tell you. I happened to be with a female companion at the party, so she chose you."

Staring at Ning stream, he said seriously.

evening party? A female companion? What the hell?

Ning Xi frowned and asked, "a female companion for a party?"

"Yes, she is my female companion."

It was not until now that Ning Xi realized that Ye Ling City invited her to be his female companion at the party.

The problem was, would he need a female companion in the evening party in the Ling City? Why did he have to find her Ning Xi?

"To express my gratitude, my female companion belongs to you, Ning Xi."

With a proud look, he said confidently.

It was the dream of many people to be his party partner, and of course Ning stream would not refuse.

"Sorry, I may not be able to go."

Ning Xi answered indifferently.

When he heard the answer of Ning stream, he was silent for a while.

Was ning xiao xi rejecting him? Was she refusing to be his party date?

"Ning Xi, how dare you refuse my invitation? Do you know how many people dream of being my partner at the party?"

Said Richie angrily.

"Mr. Richie, can you find them? Why are you looking for me? The dress thing is my job. There is no need to thank me for doing such a 'flattered' thing."

Ning Xi said seriously.

“Younging xiao xi, you are the only female companion at the party.”

ning xiao xi had invited him to a party and become his female companion. How dare she refuse?

chapter 70

“I’m sorry. It’s not up to me. I have a lot of work to do in the company. I have to go now.”

After saying that, Ning Xi was about to walk towards the office door.

“If you become my private designer, do you think you have any other choice?”

The corners of his mouth lifted into a determined smile.

“What do you mean?”

Of course, ning xiao xi knew what he meant, but she thought he was too childish and boring.

With his identity and power, he could certainly choose a person from the VL to be his private designer in the city.

If Richie had to do so, the VL company would not refuse his request. As a member of the VL, Nina had to agree.

Therefore, he was giving her a chance to choose.

“You know what I mean. ning xiao xi, you don’t have to refuse me too early. Think it over when you go back. You will promise me. Wait for your good news!”

He said confidently to the back of Ning stream.

Then, Ning stream didn’t answer. She silently walked out of the office of Ye Ling City.

There was only Richie left in the office. He stood still in silence and looked at the door with an evil smile on his face.

Ning Xi, you are really a special woman

Then Ning Xi returned to the company and entered the design department A, where petals and colorful ribbons fell from the sky and scattered on his head.

“What happened?”

Looking at the happy atmosphere, Ning stream asked with a smile.

“You’re awesome, Naomi!”

“Yeah, yeah. He is finally satisfied with the evening dress design of the city.”

“.....”

The colleagues said one by one.

“Our design department A is worthy of being an elite. You know everything first.”

Ning Xi said with a bright smile.

“Because the company called and said that you were very satisfied with the dress design this time.”

Ellie said to Ning stream word by word.

Ning Xi was stunned?And he called the company on purpose?She didn't say anything bad about Ning stream this time. To be honest, Ning stream was a little surprised.

“Really?”

Ning Xi asked in confusion.

The colleagues agreed happily.

“How about today? I'll treat you to dinner after work.”

Ning Xi said happily.

She had promised to invite everyone to dinner last time, but for various reasons, she didn't have time or time to pay the bill. It happened that this time it was just a celebration banquet and they could come together to invite everyone to a big meal.

“Great!”

“Wow, that's great. Then we want to have a big meal.”

“Hahaha, let's have a big meal and make the stream poor!”

“.....”

The colleagues of the design department A were all overjoyed.

“Okay, okay. I'll satisfy all of you this time. You can say whatever you want to eat. It's my treat!”

Ning Xi also looked satisfied. Seeing them happy, he also felt happy.

When it was almost time to get off work, Ning stream made an appointment with the colleagues of the design department A to get off work together.

They chose a vintage hot pot city to eat. There were all kinds of ingredients, which were enough for them to eat all over.

Everyone sat at the table and enjoyed the food.

.....

After dinner, everyone said goodbye happily.

When Ning Xi was about to hail a taxi, his phone rang. He took it out and found that it was the boring Ye Ling city again.

Ning Xi didn't plan to answer his phone, but after hesitating for a while, he answered it. After all, he was an important client of their company.

"What can I do for you?"

Ning Xi said straightforwardly.

"Ning Xi, I saw you having dinner in the restaurant just now. I'm waiting for you at the intersection of the restaurant."

A seductive voice came from the city.

"No, thanks. I don't want to bother you, a big star."

After saying that, ning xiao xi hung up the phone.

After Nina put her phone away, she was pulled back by Richie as soon as she took a step forward.

"Let me drive you home."

Before Ning Xi could react, he was pulled into his car by Ye Ling City.

"Hey, hey, hey! Let me go. I'll go back by myself. "

"Sit down!"

ning xiao xi wanted to get out of the car, so he fastened the seat belt for her. Then he sat on the driver's seat at the fastest speed and started the car.

"Where is your home?"

Richie asked indifferently.

"I can go back by myself. Don't bother."

ning xiao xi refused again.

"If you don't tell me, I'll take you back to my home."

Richie said provocatively.

"You!"

Ning Xi glared at Ye Ling City.

At last, Ning stream had no choice but to tell her the location of her home.

He drove quickly to the intersection beside Ning Xi's house and said, "stop here."

The car stopped and Ning Xi got off.

Then, he got out of the car.

"Thank you for driving me home. I'm leaving now."

Although one hundred and twenty people didn't want him to drive her home, he should thank her politely after all.

Ning stream had just taken a step, and then the Ye Ling City walked slowly to Ning stream.

Although she was the most standard height, standing in front of the nearly 1.9 meter tall City, for the 1.65 meter tall Ning stream, she was already a giant standing in front of her.

"What... What else do you want?"

Standing in front of Ning stream, she felt a little embarra**ed.

Ning Xi looked up at Ye Ling City and asked.

"Why don't you invite me in since we have arrived at your home?"

He raised his eyebrows and looked at Ning Xi with his charming eyes.

Ning Xi was stunned. To her home? No, absolutely not! If she saw gu jin yi at home, her ident**y would be exposed.

"I... my house is in a mess. You are not fit to go there."

Ning Xi explained hurriedly.

"I don't mind."

As he spoke, a strange smile appeared on his face.

"I mind!"

Ning Xi answered in a hurry.

But she had to take back her excitement as soon as possible and return to normal.

"It's late. I should go back."

Ning Xi said indifferently.

"Your head There is something. "

He raised his eyebrows and said lightly.

"What?"

Ning Xi touched his head several times, but found nothing.

She couldn't help frowning and turned around angrily. "he is playing tricks on me again!" she thought!

"Look, the withered leaves."

He picked up a leaf from the head of the stream and put it in front of her.

"Why didn't I touch it just now?"

ning xiao xi touched her head subconsciously again.

Seeing this, he couldn't help snickering.

chapter 71

Ning Xi came back to his senses, turned his head awkwardly and said, "I'm leaving now."

"Ning Xi, I've told you in the company. Go home and think it over. I'll wait for you!"

He repeated.

"I didn't hear you!"

Ning Xi covered his ears and ran away slowly.

Staring at the back of Ning Xi, the corners of his mouth lifted into a meaningful smile.

In a corner not far away, a pair of deep black eyes were watching everything

Seeing that Ning Xi had gone far, Ye Ling city got on the car and drove away.

When Ning Xi came back home, gu jin yi had just arrived home. When he arrived home, he found that Ning Xi hadn't come back yet. He was furious.

And what he saw on the balcony just now made him extremely angry.

They agreed that Ning Xi didn't go home at this late hour because he was dating with another man.

As soon as Nina entered the hall, she went upstairs directly. She guessed that he must have been asleep in his room at this time.

She walked up the stairs carefully, fearing that she would wake gu jin yi up.

Ning Xi walked quietly to his bedroom. When he was about to open the door, he was pulled back by a big hand and pulled into the opposite room by gu jin yi.

Then, Ning stream was forced to lean against the wall.

Ning Xi was stunned. He didn't know what had happened.

Ning Xi was pulled into his room by gu jin yi. Seeing gu jin yi's cold face, Ning Xi was scared.

Did he still remember that she had been complaining about him in the room yesterday.

gu jin yi stared at Ning Xi with his dark eyes.

There was a meaningful look in his eyes. Ning Xi had never seen it before, and he suddenly felt a little uneasy.

"It hurts. Let go of me."

Ning Xi frowned and looked at his wrist. Due to gu jin yi's overexertion, a red mark was left on Ning Xi's wrist.

gu jin yi let go of Ning Xi's hand a little, but he stood straight in front of Ning Xi.

Nina wanted to escape, but she was so close to him. If she failed and was caught back by him, she would be doomed.

So Ning Xi decided to say something nice obediently.

"Yesterday, I was just too impulsive, so I complained about you like that..."

Ning Xi had planned to tell the truth before gu jin yi could speak, so that he might not be so cruel to her.

But why was Ning Xi so guilty while speaking? She couldn't control her emotions even if she told a lie.

But gu jin yi kept silent and stared at Ning Xi sharply.

ning xiao xi had to change the topic and continued.

"Why... Why are you still up?"

Ning Xi hesitated, not daring to look at gu jin yi.

"What? Are you feeling guilty? If I fall asleep, I will miss a good show. "

gu jin yi glanced at Ning Xi who was standing there uneasily with his deep Falcon eyes. He pursed his thin lips and said in a low and magnetic voice.

Ning Xi looked down. Indeed, she felt guilty.

He was afraid that he still remembered what happened last night. She wondered what horrible things he would do to her.

But what was he talking about? What the hell? Have one's tongue in one's cheek.

"What do you mean? Come straight to the point. Don't beat around the bush. "

Ning Xi raised his eyes and said calmly.

gu jin yi sneered, "why do you come back so late today?"

gu jin yi didn't say it directly, but asked, waiting for her answer.

"Today's dress design was very successful and they were very satisfied, so they went to the party with their colleagues."

Ning Xi blurted out without hiding anything.

But Ning Xi didn't know that what gu jin yi meant was not this, but that she came back with Ye Ling City.

But why did she explain so much to him?

Ning Xi frowned and pouted.

On the other hand, the frown on his face deepened. He looked at Ning stream coldly with his shining sharp eyes.

This stupid woman dared to lie to him openly! It was obvious that she went on a date with a man, but she still said so righteously to have a party with her colleagues.

“Susan, I give you another chance to explain.”

gu jin yi pretended to be calm, with a deep and serious expression, and stared at Ning Xi with his cold and sharp black eyes.

“I don’t understand what you are talking about. I’m confused. What else should I explain? ”

Ning Xi was speechless, wondering if gu jin yi was out of his mind today. She always asked some strange questions.

“Susan, don’t say that I don’t give you a chance to explain!”

gu jin yi’s cold black eyes fell on the face of Ning stream, and an imperceptible domineering look flashed across his black eyes, as if he was about to do something to Ning stream.

“Sorry, i...”

Ning Xi was about to tell her to go back to her room to sleep, but he didn’t say anything and didn’t react. A domineering kiss swept over Ning stream.

“HMM...”

“You b*****!”

Ning Xi pushed gu jin yi away with all his strength, and slapped him hard on his handsome face.

gu jin yi turned his face sideways slightly with an unscrupulous smile on his face.

“I’m a jerk? Do you believe that I can do something worse? ”

gu jin yi looked at Ning stream with his unfathomable black eyes, which made Ning stream shiver. She knew that she had really offended him.

Ning Xi didn’t want to say anything more to gu jin yi at this time. When she was about to run away, she turned around and threw him on the bed.

“What do you want to do, bill?”

Ning Xi’s eyes were full of panic. She was afraid that gu jin yi would really do something she regretted later.
