chapter 72

gu jin yi leaned close to Ning stream, with his hands on the bed, and his evil black eyes fell into Ning stream's eyes.

"Susan, isn't this what you always want? I'll satisfy you now!"

gu jin yi approached Ning stream at one point one. Ning stream suddenly shouted.

"That's not what I want!"

gu jin yi stopped in midair and gave a meaningful smile.

Ning Xi pushed gu jin yi away with all his strength and stood up from the bed.

"Don't think that every woman wants to get close to you. Even if other women want to get close to you, I will never! If I had no choice, I would never want to know you!"

Ning stream summoned all her courage and said to him seriously.

Then, he stood up elegantly from the bed and said, "Susan, don't you marry into my family for money? If I were penniless and not the CEO of the Empire group, would you marry me?"

gu jin yi stared at Ning Xi with his dark eyes.

"I..."

Ning Xi was speechless. Indeed, it was because of money that her father's company could run and her grandmother's house could stay and not be sold.

gu jin yi looked at Ning Xi's speechless face, and then showed a look of indifference and sneer.

"All women are the same. You just want to be the daughter-in-law of the Gu family, the CEO of the Empire group, not my woman!"

Ning Xi looked down innocently and didn't know what to say. She chose to be silent.

She felt that gu jin yi was a little different today, but she couldn't tell what was the difference.

"You can leave now."

gu jin yi said indifferently.

Ning Xi was stunned. Did he ask her to leave the room? Get out of here?

Hearing that gu jin yi asked her to leave the room voluntarily, Ning Xi, who should have been happy, had mixed feelings somehow.

Then Ning Xi walked out of the room and went back to his own room step by step.

Ning Xi's mood was inexplicable. Lying on the bed, she recalled what he had done today.

What happened to gu jin yi today? Something was wrong.

Nina, it's none of your business. Go to sleep!

Then Ning Xi got into bed irritably.

The second morning, Ning Xi got out of bed lazily and stretched out a big yawn.

It was still early. She planned to go downstairs to make breakfast.

As soon as they opened the door, they met a familiar face.

gu jin yi happened to come out of the room, and the two looked at each other.

The two of them were silent. Ning stream suddenly felt the atmosphere a little strange, and in order to break the atmosphere, she spoke first.

"Let me make breakfast for you."

After saying that, ning xiao xi was about to go downstairs.

"No, thanks. I'm going to the company now."

gu jin yi said expressionlessly, and then went downstairs and left.

Looking at gu jin yi's back, Ning Xi frowned.

Then, gu jin yi went straight out, followed by Ning Xi.

As soon as she went out, her phone rang.

'what the hell does he want to do?

Ning Xi, who was in a bad mood early in the morning, was even more unhappy when he saw the phone call from Ye Ling City.

"Richie, are you annoyed?"

Ning Xi said impatiently.

"Ning Xi, you are so angry this morning. When did I offend you again?"

Richie was speechless. He didn't know what had happened since he was yelled at by Nina in the morning.

Ning Xi came to his senses and asked indifferently, "what's up?"

"About the party..."

Said Richie with a smile.

"I'll go, I'll go, okay?"

Before he could finish his words, Ning Xi took the initiative to speak.

If she didn't go to the party with him and became his private dress designer, she might as well sacrifice herself to go with him. From now on, she had nothing to do with him.

"Wow, you are so straightforward this time. I haven't opened my mouth yet."

He teased.

"I'll hang up if there's nothing else."

Ning Xi said expressionlessly.

"Okay, I'll pick you up tonight."

"No, send me the time of the party. I'll go to your company."

Then she hung up the phone and went to the company.

As soon as they arrived at the company, Ning stream received a message from Ye Ling City, saying that they would meet at five o'clock in the afternoon.

Ning Xi frowned after reading the message. Did she need to go to the party at five o'clock?

Then she didn't think too much. Since he said so, just do as he said. Anyway, it was only this time.

Then he sat in his office chair and was busy with her work.

.....

At five o'clock in the afternoon, Ning stream arrived at the company of Ye Ling City on time.

"Ning Xi, you are punctual!"

With an evil and attractive smile on his enchanting face, he opened his s**y thin lips.

"Let's go."

ning xiao xi said lightly.

"Are you going to attend the party in this way?"

He looked at Ning stream from head to toe. She wore a blue and white sweater and a pair of xiao bai shoes. It was pure student style.

Did Ning Xi really plan to go to the party with him in this way.

"You didn't ask me to wear any clothes."

Ning Xi curled his lips and said disdainfully.

"Let's go!"

He stood up, took Ning Xi's hand and walked out.

"Hey! Where are you taking me? "

After leaving the company, Ning stream was pulled by Ye Ling City until they got on his car.

“The female companion of my party must be the most beautiful and special one.”

Said Richie indifferently.

Ning Xi frowned and didn't understand.

Then, he drove away.

They arrived at a large shopping mall, which was a place for socialite divas and aristocrats.

“Fanny, pick an evening dress for her.”

After taking Ning Xi to his usual place, Ye Ling city began to select clothes for her.

It was well equipped with evening dresses and makeup.

“Okay, Mr. Richie.”

Fanny replied with a smile.

Still confused, Ning Xi was led into the fitting room by Fanny.

He selected nearly ten evening dresses for Ning Xi. Every time he came out of the fitting room, he was not satisfied.

“Change!”

Ning Xi went back to the fitting room.

Then she changed to another one.

“Change!”

ning xiao xi had no choice but to return to the fitting room.

It took more than an hour to pick a dress, and finally Ning Xi became impatient to try it on.

chapter 73

“Is this one okay?”

ning xiao xi walked out of the fitting room lazily. She thought it was the one she was satisfied with. She asked with a happy smile. She thought it might be okay this time. There was no need to try it again.

Richie looked at Ning stream carefully, and Ning stream looked at him expectantly, waiting for his satisfactory answer.

“Although it's better than the previous ones, there are still a little flaws.”

You must be deliberately making things difficult for Ning Xi, aren't you? You've almost tried on all these evening dresses, but he hasn't found out what you like.

Then, he stood up gracefully and walked to the senior VIP area. He looked at them up and down with his shining eyes, and his slender fingers with distinct bones swept across them one by one. "This one!"

He picked up a lilac off the shoulder dress and walked up to Ning stream. "Try this on."

Ning stream curled her lips. She didn't want to try again. After trying so many times, he was satisfied. She didn't want to go to any party in an instant. She regretted agreeing to his request.

Under desperation, Ning stream walked into the fitting room with the evening dress chosen by Ye Ling City.

.....

Ning Xi had been in the fitting room for a long time. During this period of time, he could try on four or five dresses. She hadn't come out of the fitting room yet.

"Ning Xi, are you dressed?"

He shouted towards the fitting room.

There was no sound coming from the fitting room. He couldn't wait to get up and walk to the fitting room.

"Ning Xi, I'll go in if you don't come out."

When he was about to pull open the curtain of the fitting room, Ning Xi said in a hurry, "Okay, okay."

Then Ning Xi crept out of the fitting room.

Looking at Ning stream, Ye Ling City was stunned.

Ning Xi appeared in a shoulder length fairy dress. The hollowed out edge of the dress, coupled with the simple blue and white color system, and her own ball head looked fairy. With a pair of crystal white high-heeled shoes, she looked more beautiful and attractive.

Her skin was as white as snow, and there was a light spirit on her body. Even without any makeup on her face, it could not cover up her delicate temperament.

Ning Xi's long and curly eyelashes fluttered up and down, and the feeling of her beautiful eyes instantly shocked Ye Ling City.

She didn't expect that Ning Xi would be so beautiful after dressing up so casually.

"This is your choice. Is it okay?"

Ning Xi said word by word.

"Ahem Well, this one is good for you."

After regaining his composure, he pretended to cough, pretending to wear the same dress as he did on Ning Xi.

In fact, in the eyes of the Ye Ling City, it was really beautiful

“Let’s go.”

Said Richie indifferently.

Then, Ning stream got into the car with Ye Ling City and went to the party.

The party was bustling with elites from all walks of life.

Ning Xi sat on the passenger seat and looked out of the window.

Although she had attended all kinds of parties, they were almost about design, not as dazzling as this.

To be honest, Nina was a little nervous, not to mention that she came here with the new movie star, Richie.

Would she pay much attention to it? Would gu jin yi see it? How could she explain it if he saw it?

.....

A series of thoughts came to her mind. Why didn’t she think about it before?

At this time, Richie got out of the car, walked to the window of Ning stream and knocked on it. Ning Xi got off the car.

ning xiao xi got off the car slowly on purpose with an unnatural expression.

“Can, can I go back on my words?”

Ning Xi frowned and asked.

“What?”

He stared at Ning Xi and asked in confusion.

“I don’t want to go to the party.”

Ning Xi stammered.

“What? Are you scared?”

He raised his eyebrows and smiled weirdly.

“A little.”

Ning Xi answered truthfully, indeed because he was a little nervous.

More importantly, she didn’t want gu jin yi to see it.

“Since you’re already here, don’t ever think about backing out.”

He said word by word.

Ning Xi frowned. It was too late to regret.

“Let’s go inside.”

He raised his elbow and realized that Ning Xi was going to take him in.

Ning Xi was stunned. “You can go in first. I’ll follow you.”

Before Ning stream could react, Ye Ling City took her hand and held his.

“Ye Ling City, you...”

Ning Xi wanted to say something, but he made a gesture of silence and put his long index finger in the middle of his s**y thin lips.

“Shh...”

Ning Xi didn’t say anything more.

In this way, Ning Xi held gu jin yi’s arm and walked into the hall of the party.

There were a lot of people around the party. The bright light came and everyone looked at him.

“Here comes the city!”

“Who is this woman?Why did he show up with the city? ”

“She doesn’t seem to be in the entertainment industry, does she? What’s the relationship between them?”

“This is the first time that this woman has attended a party with Richie, right?”

“.....”

All the reporters were discussing. It was the first time that they had seen the night group attend a party with a female companion. They couldn’t help but gossip.

On the other side, he was sitting in his office and reading doc**ents carefully.

“Now it’s at our party. The new movie star, Richie, attended the party with a female companion for the first time. And this woman is not the favorite of the entertainment circle. Then what’s her ident**y?What’s the good relationship between her and the movie star, Johnny?Please watch the live broadcast... ”

The TV series recorded the situation of the party. By accident, he noticed the woman on TV – ning xiao xi.

“It seems that the woman next to the Ye Ling City is also a person of high status. She has a unique temperament all over her body, and her appearance is so exquisite and attractive. ling long is graceful.They are a perfect match for the superstar, ”

gu jin yi, who was reading the doc**ents carefully, saw the scene on TV.

Ning Xi held the wrist of Ye Ling City and walked on the red carpet. gu jin yi couldn't help clenching his hands, and the veins on his wrist were partly hidden and partly visible.

gu jin yi stared at the video, with a hint of coldness flashing in his deep eyes.

They were a perfect match. Susan, how dare you! This is challenging his limit!

All of a sudden, gu jin yi stood up from his seat and walked quickly out of the door. A cold breath puffed with his departure.

chapter 74

At the party.

The whole scene was surrounded by the Yori city and the Ning stream. Wherever they went, they could see a beautiful scenery.

The night Ling City took Ning stream to the center of the party. He walked to the front of Ning stream, bowed forty-five degrees and stretched out his left hand gentlemanly, with his right hand behind his back, and invited Ning stream to dance together.

"What are you doing?"

Ning Xi frowned at the action of Ye Ling City.

Was he going to dance with her, but Ning stream didn't want to.

"Miss Ning Xi, I want to invite you to dance. Do you think I have the honor?"

With an evil and attractive smile on his handsome face, he opened his thin lips.

Then, all the people at the party went to the night Ling City and Ning stream, holding their glasses and watching them.

"Hey, Richie, stand up."

Ning stream looked sideways at the people around her, looking at herself and Ye Ling City. She said to Ye Ling City in a low voice.

However, there was no response from Richie. He had been waiting for the answer from Ning Xi.

"Ye Ling City, stand up quickly."

Ning Xi whispered as if he had done something guilty.

Looking at the people around looking at her with strange eyes, Ning Xi felt strange and uncomfortable.

Under desperation, Ning stream had no choice but to accept it.

She slowly stretched out her right hand, and in an instant, her hand was grabbed by another powerful hand.

Before Ning Xi could react, he was already in gu jin yi's arms.

Everyone was looking at this breathtaking scene.

ning xiao xi, Ye Ling City and all the people present were stunned.

Ning Xi came to his senses, confused and a little nervous. "Why, why are you here?"

The voice of Ning stream was very low. She didn't seem to have the confidence to speak.

gu jin yi looked at Ning Xi with a deep look, and then took her out of his arms, without answering her.

Then gu jin yi looked at the man opposite him with his cold and sharp black eyes, and the man looked straight at gu jin yi with his enchanting eyes. The two looked at each other in this way.

Their eyes were full of hostility and aggressiveness. Their gazes met in this way, producing dazzling lightning.

It seemed that because of them, the temperature at the party dropped several degrees in an instant, and the air condensed in the air.

"Don't get me wrong. I just..."

Not knowing why, Ning Xi wanted to explain something, but was interrupted by gu jin yi again before he had a chance to explain.

"Shut up! You have no right to speak now."

A cold, sharp and magnetic voice came from gu jin yi.

Ning Xi suddenly didn't dare to make a sound for fear of provoking him.

"Isn't he the CEO of the ZM group? Why did you come to our party all of a sudden? It's so rare to see you here."

The man said in a strange tone.

Ning Xi looked at Ye Ling City and realized that he should stop talking.

Then, he pulled Ning Xi into his arms and said, "I came here to visit the so-called elite parties from all walks of life. It turns out that it's just so so."

Seeing Ning Xi held in gu jin yi's arms like this, Ye Ling City frowned and felt jealous.

"It seems that the CEO of our famous Empire group doesn't know the atmosphere of the party at all."

Richie said provocatively.

Looking at the two people who were fighting openly and secretly, Ning Xi wanted to find a hole in the ground to hide.

She looked at him with pleading eyes. She begged him not to say anything more.

What was she doing between the two of them?

“I don’t need to understand. The atmosphere is up to me.”

gu jin yi sneered and said in a deep voice.

Seeing this scene, everyone was also nervous. They felt that there was a strong smell of gunpowder.

“Let’s go!”

gu jin yi took Ning Xi’s hand and walked towards the gate.

“Slow down, Jean...”

Ning Xi said softly as his wrist was hurt by his grip.

“Ning stream, wait!”

After a few steps, he caught up with her and grabbed the other hand of Ning stream.

Time seemed to have stopped at this moment, and everyone present froze.

Ning Xi turned to look at Ye Ling City and then turned to look at gu jin yi. She looked sad.

What did these two men want to do? Can you let me go?

“Susan, are you leaving or not?”

“Ning stream, stay here.”

gu jin yi and Richie spoke at the same time. Once again, they looked at each other in hostility.

“Let go of me!”

Ning Xi frowned and shook off the two men’s hands.

“Ning Xi, let me drive you back.”

Said Richie softly.

“Susan, it’s up to you whether to leave or not.”

With a deep look on his face, gu jin yi turned around and left the party gracefully.

Seeing gu jin yi leave, Ning Xi frowned and said, “Mr. Ye, I have to go now. I can’t attend the party anymore.”

After saying that, ning xiao xi turned around and ran away slowly.

“Ning stream, you...”

He wanted to stop Ning stream, but when he wanted to say something, Ning stream had gone far.

“Wait for me, bill!”

Ning Xi called the man in front of her while jogging.

Looking at the disappearing figure of Ning stream, a trace of jealousy flashed across his eyes.

ning xiao xi, you belong to him, and no one can take you away

He couldn't help smiling.

In the car.

Ning Xi sat on the pa**enger seat and looked at gu jin yi with grievance.

"Mr. Edmund, what would you like for dinner?I'll make it for you. "

In an instant, Nina showed a lovely posture and laughed brightly, hoping to soften his heart.

However, on the other side, Jean, who was sitting next to them, didn't respond at all.

Ning Xi felt helpless. What should he do if he didn't move?

'oh my God! I won't be ashamed into anger when I get home, and then

All kinds of cruel scenes flashed through Ning Xi's mind. He suddenly came back to his senses and shook his head.

Oh, no, No.

All of a sudden, the car stopped all of a sudden. It was not until then that Ning Xi came back to his senses from his imagination. He stared blankly ahead. How could he arrive home so soon?

Ning Xi became more and more nervous. What should he do?What should I do?

gu jin yi got off the car, while Ning Xi was still hesitating.

"Susan, if you don't want me to do anything crazy, you'd better get off the car first."

gu jin yi said to Ning Xi coldly as Ning Xi sat in the pa**enger seat for a long time.

Ning stream was now in a mess.Crazy thingsShe dared not imagine that. Under desperation, she had to get out of the car obediently!
