chapter 75

gu jin yi went upstairs, and Ning Xi jogged behind him, explaining all the way.

“Listen to me, it’s not what you see...”

“You can investigate it. I didn’t lie to you, really.”

“.....”

The two of them walked to the corridor. Ning Xi, who was absorbed in explaining to gu jin yi, didn’t notice that gu jin yi had stopped. She accidentally bumped into gu jin yi.

Ning Xi raised his head cautiously and looked at gu jin yi, who was staring at him coldly.

“I really...”

Another overbearing kiss. Before Ning Xi could finish his explanation, gu jin yi kissed her s**y pink lips forcefully.

This kiss was strong and overbearing, and Ning stream was caught off guard.

“HMMLet go of me! ”

Not knowing why, Nina tried her best but failed to push him away.

All of a sudden, Ning Xi bit gu jin yi’s lower lip hard.

At this time, gu jin yi took the initiative to let go of Ning Xi’s pink lips.

“Susan!How dare you bite me? ”

gu jin yi puckered his thin lips and looked at Ning Xi with his cold and angry black eyes.

“Who, why don’t you let go of me?”

Ning Xi summoned up his courage and said.

Looking at the red blood at the corner of gu jin yi’s mouth, Ning Xi pretended to frown slightly. Ning Xi, you are really brave!

“Susan, how many things on earth do you hide from me? Why does the city call you Ning stream?”

gu jin yi asked Ning Xi seriously.

Fortunately, Ning Xi had already thought of this problem. What if gu jin yi found out?She had already come up with a solution.

At this time, Ning stream said fearlessly, “Ning stream, my nickname.”

Ning Xi, Ning Xi, you are really good at lying. You have reached the divine level.

Hearing Ning Xi's answer, gu jin yi stopped thinking.

"Come here!"

All of a sudden, he grabbed her hand, walked into the room and threw her on the sofa.

"Ouch! It hurts! Can't you be more gentle?"

Nina didn't know why she had the courage, but she just wanted to shout out to vent her anger.

All of a sudden, he bent over, with his hands on the sofa, and closely stared at Ning stream.

At this moment, Ning stream was nervous and nervous.

Her heart was pounding. The room seemed to be so quiet that she could only hear her own heartbeat, which was much faster than usual.

"Susan, you are getting bolder and bolder. How dare you appear at the party with another man openly?"

Richie said in a cold tone, and Ning stream didn't know how to answer.

"What? You have done something wrong and dare not speak. "

gu jin yi sneered.

"I said it was a mistake!"

Ning Xi pushed gu jin yi away and said guiltily.

"Misunderstanding? Susan, remember your present ident**y! "

gu jin yi approached Ning stream step by step, and Ning stream stepped back.

"Of course I know who I am. Don't worry. I will never let others know that I married you because of a deal."

Ning Xi said in a disdainful tone deliberately.

Hearing the word "trade marriage" from Ning Xi's mouth, for some reason, gu jin yi's mood suddenly became even worse.

"Susan, even if we are in a transaction, you are still my woman nominally. Don't think about fooling around with other men outside!"

gu jin yi said word by word.

Ning Xi rolled his eyes at gu jin yi and thought, 'b*****? When did she hook up with other men?

"You mean me and the Ye Ling City?"

Ning Xi asked in confusion.

“You know what I mean.”

gu jin yi said calmly.

Ning Xi understood? Understand what? Do you understand that I'm fooling around with the Ye Ling City?

gu jin yi, are you out of your mind? Did you say that you were fooling around with him after attending a party with him. neuropathy!

“I've explained it N times. Believe it or not, it's up to you.”

Ning Xi didn't bother to explain again. She was about to turn around and leave.

However, ning xiao xi was once again dragged to the sofa by gu jin yi.

“You can only belong to me, gu jin yi. Don't think about others.”

“What the hell do you want, bill?”

Ning Xi glared at gu jin yi with his clear eyes.

“Without my permission, you are not allowed to have any contact with other men! Especially him!”

gu jin yi stared at Ning Xi overbearingly and ordered in an irresistible tone.

“I just...”

Ning Xi wanted to explain her relationship with Ye Ling City, but gu jin yi kissed her again overbearingly.

Ning Xi leaned against the sofa, unable to use any strength. He could only let him do whatever he wanted.

“Ah!”

All of a sudden, he stopped kissing and rudely bit her pink lips.

Ning Xi cried out in pain.

“It's him! How dare you bite me? Are you a dog?”

Ning Xi glared at gu jin yi angrily.

“So do you. This is just a small warning for you. If I see you with him again, I will not just bite you.”

“You!! see.”

Ning Xi was about to retort, but he gritted his teeth and tried not to lose his temper.

If he offended him, there would be no good ending for him. He'd better let him talk about it. Anyway, he didn't care what she wanted to do. He couldn't follow her all the time.

Ning Xi chuckled in his heart, ‘Ning Xi, you are so smart.’

gu jin yi looked at Ning Xi and guessed what she was thinking.

A wanton smile appeared on his handsome face.

"I will arrange someone to watch over you. If you do something bad, don't blame me for not reminding you."

gu jin yi raised his eyebrows and said with a smile.

"You!"

ning xiao xi was so angry that she needed to take a deep breath.

gu jin yi, you are such a freak!neuropathy!Why do you care about her freedom?You have no right to control her freedom.

chapter 76

"Let me make it clear again. If I find out that you are with him again, you know the consequences."

gu jin yi approached Ning stream step by step until she was forced to a corner.

His evil and attractive black eyes fell into the clear eyes of Ning stream. Ning stream suddenly looked away at gu jin yi.

"I'm going to bed."

Ning Xi sneaked out from gu jin yi's side and ran back to his room.

Ning Xi went back to his room and sat in front of the dressing table, looking at his broken lips bitten by gu jin yi.

"Maybe it's from a dog. The bite mark is so deep. How can I see it?"

Ning Xi murmured to himself as he looked at himself in the mirror.

Looking at her own lips, Ning stream suddenly remembered the moment when she was forced to kiss by him.

But when she thought about it now, she felt a little nostalgic

"Ning Xi, what are you thinking about?Wake up! Wake up! "

Ning Xi shook his head with his hands.

In another room.

gu jin yi looked at his thin lips through the mirror and touched them gently.

This stupid woman, he didn't expect that she could really hurt him. It hurt so much.

gu jin yi touched his lips with a meaningful smile.

The familiar and strange kiss made gu jin yi nostalgic

On the second morning, Ning Xi, who was about to go to the company early, bumped into gu jin yi.

“Good morning!”

Ning stream burst into laughter and was about to go downstairs.

“Stop!”

gu jin yi strode to Ning stream and looked at her, raising his eyebrows.

“What can I do for you, Mr. gu jin yi?”

Ning Xi gave a pleasant laugh.

“Let’s go to work together.”

gu jin yi said lightly, and then he went downstairs first.

Looking at gu jin yi’s back, Ning Xi curled his lips. He couldn’t escape in the end! Well, she’d better go with him obediently.

Then Ning Xi went downstairs.

In the car.

ning xiao xi took out a mask from her bag and put it on.

gu jin yi looked sideways, “what are you doing?”

“It’s your masterpiece! I even took her to the company to show off.”

Ning Xi said coldly with a hint of displeasure in his tone.

“Okay, I don’t mind. It’s my honor to bite you.”

gu jin yi glanced at Ning Xi with his dark eyes, smiled and said indifferently.

Damn it! gu jin yi, why are you so narcissistic in the early morning? How narcissistic she was.

“I mind!”

Ning Xi turned to look at gu jin yi with contempt.

“Do you want me to intensify it for you?”

gu jin yi smiled wantonly.

“When did you become so shameless?”

Ning Xi said slowly and looked at gu jin yi, pretending to be confused.

gu jin yi squinted at Ning Xi and said, “I’ll let you know what a real rogue is like.”

“You...”

“Here we are. It’s time for you to get off the car.”

Ning Xi wanted to say something, but the car suddenly stopped.

It turned out that they had arrived at the company of Ning stream.

Ning Xi curled his lips and rolled his eyes at gu jin yi.

“What? Do you miss me so much that you don’t want to get out of the car? ”

Seeing this, gu jin yi raised his eyebrows and said.

gu jin yi, you are such a narcissist! Only ghosts miss you! ning xiao xi made a face at gu jin yi in her heart.

Then Ning Xi said nothing and got off the car.

Then gu jin yi drove away.

When Ning Xi arrived at the company, it caused another uproar.

“What’s wrong, Ellie?”

Ning Xi saw everyone was talking about it.

“Oh my God! You are so lucky to have a girlfriend!”

Ellie squinted her eyes and teased Ning Xi.

Not knowing what she meant, Ning Xi frowned and asked, “what are you talking about, Ellie?”

“Look!”

Then, she pulled Ning Xi to her seat and opened the video on the computer.

Ning stream saw what happened at the party and frowned subconsciously.

“Why, why is there a video?”

Ning Xi was in a trance. He didn’t expect that the party would cause such a big reaction.

Although she didn’t take a picture of her face, but her side face was covered with mosaics, people who knew her might recognize her at a glance.

“The CEO of the Empire group, gu jin yi, is fighting for a mysterious woman with a new generation of movie stars.”

“This woman is suspected to be the current girlfriend of the movie star, the Ye Ling City. I took her to a party for the first time.”

“.....”

On the video, there were all kinds of reports, and the t**le of the video was stated word by word.

“Naomi, tell me, how did you know the CEO of the Empire group, gu jin yi?By the way, why did you go to the party with my prince night Phoenix?”

“.....”

Seeing the video, a lot of questions appeared in her mind. She asked Ning Xi with expectation.

“Ellie, I’ll explain it to you later.”

Ning Xi said in a hurry and ran towards his office.

What should I do?Now that the video was out, would he be angrier when he saw it?

Ning Xi was worried. It was a torture to go home.

When she was about to call Richie to ask if the video could be deleted from the Internet, her phone rang.

Ning Xi saw it was from the Ye Ling City.

Ning Xi answered the phone in a hurry.

“Ye Ling City, well...”

“Do you want to talk about the video?”

Before Ning Xi could finish his words, Ye Ling City spoke first.

Ning dazed, holding the phone, “you saw it too?”

“I asked them to release the video.How can I not know? ”

A wicked smile appeared on his enchanting face.

“You made it?”

Ning Xi looked confused and angry.

Ning Xi didn’t expect that it was Ye Ling City who played the video on purpose.

“HMM.”

The man replied casually.

“Why did you do that?”

Ning Xi asked coldly with a serious face.

“Let’s meet and talk.I can’t explain it clearly on the phone. ”

Said Richie indifferently.

Ning Xi frowned and agreed.

Then she hung up the phone.

On the other side, in the Empire group.

As soon as gu jin yi entered the company, his assistant, Jacob Xu, saw the scars on the corner of gu jin yi's mouth.

"Mr. Brian, what's wrong with your lips?"

Before Jacob finished his words, he touched his lips.

A meaningful smile appeared on his face.

Seeing this, Darren frowned in confusion. What happened to the CEO? Something was wrong today.

But he knew that gu jin yi didn't like others to meddle in his affairs, so he didn't ask more.

Then, he entered the office and began to deal with the documents on his chair.

His assistant, xu chen, came in with some documents.

chapter 77

"Mr. Lucian, this document needs your signature."

Jacob handed the document to gu jin yi.

gu jin yi nodded, but he didn't leave. He looked up at him and asked, "anything else?"

"Mr. Brian, there's something I don't know whether I should tell you or not."

Jacob stammered.

"When did you become so hesitant?"

gu jin yi glanced at him coldly, and he immediately lowered his eyes, not daring to look at him.

Then he said, "Mr. Brian, open the website video and have a look."

gu jin yi glanced at him and then opened the computer website.

The scene of last night's party instantly came into his eyes.

"Mr. Brian, what do you think we should do about it?"

Darren asked with a righteous look on his face.

An unfathomable smile appeared on gu jin yi's face. "You don't need to worry about it. I'll handle it myself."

Then Jacob left the office in confusion.

gu jin yi stared at the video, with an unpredictable look in his deep black eyes

Then, he stood up and walked out of the office.

Ning Xi finished his work and was about to see Ye Ling City.

However, she hesitated for a moment.

Did the pervert gu jin yi really arrange someone to follow her? If he went out to see the city without permission, he would find out?

Besides, the video was so popular that she might be watched by the public as soon as she went out.

Ning Xi frowned and inadvertently saw a strange overcoat beside the seat, which was specially bought for Ellie to wear during the performance.

At this time, Ning Xi's smart head came up with an idea!

ning xiao xi borrowed an overcoat and sunglasses from Ellie.

Now, no one could recognize her.

Ning Xi left the company and looked around secretly. She didn't leave until she saw no one around.

In a black Rolls-Royce not far away, a pair of sharp black eyes were looking at Ning stream.

Seeing Ning Xi get on a taxi, gu jin yi followed him in his car.

He had come here to deal with something, but he didn't expect to meet Ning stream.

Seeing her dressed in strange clothes, he couldn't help but wonder what she was doing? So he decided to go with her.

After driving for a long time, he frowned and asked, "where is this stupid woman going?"

After a while, the taxi stopped at the door of a high-end coffee shop.

Ning Xi got off the car and walked in directly.

gu jin yi looked up at the coffee shop. Why did she come here at this time?

Ning stream entered the cafe and looked around. It was quiet and a good place to relax.

Then he saw the Yeling city by the window. Ning stream walked towards him.

"Why are you so far away?"

As soon as Ning Xi came to the Ye Ling City, he showed a look of complaint.

When he saw Ning stream, he stood up and said politely, "you're here. Have a seat."

Ning Xi squinted at Ye Ling City, thinking that it seemed a little strange today. It was not his style of doing things.

Ning Xi raised his eyebrows and sat down naturally.

“Why did you post the video at the party?”

Ning Xi said straightforwardly.

“Why not?”

With an enchanting smile on his face, he asked.

“It won’t do you any good, will it? Besides, it will affect you in the entertainment industry.”

Ning stream said word by word.

“I don’t mind.”

Ning Xi was speechless. He had nothing to say in front of him.

“It’s said on the video that I’m your girlfriend. Aren’t you angry at all?”

Ning Xi waited for the angry answer of Ye Ling City expectantly.

“Ning Xi, I, Ye Ling City, like you!”

With a serious look on his face, he said lightly.

Ning Xi was stunned and burst into laughter. “Ye Ling City, are you kidding me? You like me? Who do you think will believe it? ”

Ning stream asked in reply, laughing.

“Is it funny?”

At this moment, the look on his face was different from that of the arrogant demon king he used to be.

Seeing this, Ning Xi gradually stopped laughing. He seemed to be serious

“I... I have something else to do. I hope you can solve the video thing. I’m leaving now. ”

Then Ning Xi stood up and left the cafe.

Sitting in the car not far away, gu jin yi couldn’t hear what they were talking about, but he was sure that Ning Xi didn’t listen to him and met with Ye Ling City.

His deep black eyes were full of all kinds of emotions

Susan looked down upon him more and more.

When gu jin yi was in a rage, his phone rang.

gu jin yi lazily picked up the phone and glanced at it. Susan? How could she call him at this time?

Then, he casually threw his phone aside. He remembered that she didn’t want to answer the phone when she went to see Richie just now.

The phone was still ringing when she threw it to the pa**enger seat.

gu jin yi frowned and decided to call him at this time. Fine, then he would like to see what Ning Xi wanted to say?

At last, gu jin yi picked up the phone and answered the phone.

“What’s up?”

gu jin yi said indifferently.

“I have something to tell you, but you can’t be angry.”

ning xiao xi asked tentatively.

“Say it.”

gu jin yi said coldly, holding the steering wheel with his slender hand.

“I just went to see the Ye Ling City. however! I went to see him because of the video online. ”

Ning stream said to him word by word.

“And then?”

gu jin yi raised his eyebrows and seemed to be interested in listening to Ning Xi.

“And then, you know what? He posted this video on purpose! ”

Seeing that Edmund had been listening to her and didn’t show any anger, Ning Xi said with great interest.

“Really?”

gu jin yi smiled. He felt happy when Ning Xi told him everything.

“Yes, I didn’t expect that he would send the video.”

Ning Xi sighed, “now the impact is so great. What do you think we should do?”

Ning Xi anxiously asked for gu jin yi’s opinion.

gu jin yi smiled wantonly.

Susan, you are smart enough to tell him the truth first, gu jin yi.

gu jin yi’s mood suddenly lit up. He comforted her, “don’t worry. I’ll handle it.”

Ning Xi was stunned. His gentle voice and kindness surprised him. Was he really talking to gu jin yi?

Then Ning Xi took the phone from his ear and looked at the name on the screen.

gu jin yi was right. Did I hear it wrong?
