chapter 81

Hearing that Nina gave in, he felt a little better.

“Master, please help me with the video. I’ll go upstairs first. Good night, MUA ~”

With a flattering look on her face, Ning Xi spoke in the mode of a delicate woman.

Then, Ning stream ran upstairs.

Ning Xi, Ning Xi, you are betraying your conscience. You are a total psycho, called a God by you, and ‘good night kiss’. Is this really from Ning Xi’s mouth? She couldn’t believe it herself.

She had goose bumps all over her body. How could she say such delicate words from Ning Xi.

This was really for the video. She had to go all out, even if she had betrayed her conscience.

Looking at the back of Ning stream running upstairs, he couldn’t help smiling meaningfully.

On the other side, in the Ruo clan’s house.

The woman in a Pink s**y slip dress was casually applying all kinds of skin care products in front of the dresser.

All of a sudden, her hand, which was wiping the skin care products, stopped. It seemed that she had thought of something important.

No, she had to call Susan and tell her that Ning Xi had come back, and she was completely different from what she was five years ago.

The most important thing was that she, Ning Xi, was now fighting with her for the man she loved most, Ye Ling City. At last, she decided to come back to Susan and discuss with her about the countermeasures to Fu Ning Xi.

Susie took out her phone and dialed Susan’s number. She held the phone to her ear in a hurry.

“Sorry, the subscriber you dialed cannot be connected for the time being. Please redial later...”

An artificial voice came through the phone, indicating that she couldn’t get through.

“Susan, why didn’t you answer my phone at the critical moment?”

Leona looked at the phone screen anxiously.

Susie called Susan again, but the phone was still not connected.

“Ah! Why didn’t you answer my phone?”

All of a sudden, she threw her phone on the bed as if she had been stimulated crazy.

Then she turned her head and looked at herself in the mirror with a pair of jealous and hateful eyes.

Remember, you are the best and the most powerful one!ning xiao xi, get her out of VL!And the city would eventually belong to her!ning xiao xi, wait. You can't take away the position of design director, just like you!

A hint of slyness flashed across her delicate charming eyes.

.....

The second morning, in a s**y and enchanting dress and a pair of sungla**es, Leona went out early.

When she arrived at the coffee shop near the company, she elegantly crossed her legs. In front of her sat a man who seemed to be serious, but when he looked at the subtle expression on his face, he revealed his evil nature.

"This woman, teach her a lesson after work!"

She took out a photo from her handbag and handed it to the man opposite.

The man took the photo and looked at it carefully. His eyes were full of strange joy. He said full of lust, "this niu er is quite beautiful."

Seeing the man looking at the photo of Ning stream indulgently, she asked unhappily, "is it so beautiful?Isn't she just a normal woman? "

"Yes, you are right. In comparison, you must be more beautiful than Miss Susie."

The man said with a disgusting flattery.

Leona brushed a strand of hair on her forehead with disdain and moved it to the back of her ear. She said arrogantly, "all right, all right. Don't pretend to be innocent here. Remember, keep an eye on this woman!"

Then she stood up gracefully and walked out of the cafe.

When it was time to get off work, Ning Xi walked out of the company happily.

Because the video was handled well, Ning stream had a good day's work today. Thinking that she could see her two babies tomorrow, she felt even happier.

At this time, in a small corner not far from the company, three pairs of evil eyes were staring at ning xiao xi weirdly.

"It's her!Follow me closely and carry out the original plan. "

A man who seemed to be the leader of the three of them said.

Then, the three of them saw Ning Xi walk away, and they all quietly followed him.

Ning Xi had waited for a long time at the bus station, but there was no way for her. Finally, she waited for the bus while walking.

As she was walking, her phone rang.

gu jin yi, why did he call at this time?

Then Ning Xi picked up the phone and answered, "what's up?"

"Let me tell you, the video on the Internet has been handled." gu jin yi said in a low and magnetic voice.

Hearing this, Ning Xi rolled his b***** eyes,

"Is that why you called me?"

"Or what? Do you want me to pick you up after work?"

gu jin yi said word by word.

Ning Xi suddenly thought of something and asked him to pick her up from work by the way.

"Yes, yes. I'm on my way home, but I don't have a car. I can walk. Can you give me a ride after work?"

Ning Xi changed his tone and said in a soft voice.

gu jin yi raised his eyebrows, "what's the good of me picking you up?"

Damn it! What's the benefit of picking up her Ning stream? She just wanted to take a taxi.

"Just give me a ride. You have to pa** by here anyway."

ning xiao xi continued to act like a spoiled child.

gu jin yi curled his lips and said, "Susan, your way of acting like a spoiled child doesn't work on me."

gu jin yi had already seen through Ning Xi's mind. Only when she begged him, Ning Xi would act like a spoiled child. But gu jin yi didn't mind. On the contrary, he liked the way Ning Xi flattered him.

What's more, this way of coquetry did work for him, gu jin yi. He was softhearted.

"Come and pick me up, please!" Ning Xi continued to act like a spoiled child.

"Okay, wait and see."

Then gu jin yi hung up the phone.

Ning Xi was still standing there in a daze. What did gu jin yi say? To pick her up? Did she hear it wrong.

She snickered in her heart and didn't expect gu jin yi to answer her like this. She thought he would suddenly change his att**ude and mock her, but it was not the case.

Then Ning Xi strolled and waited for gu jin yi to pick her up.

The three men were hiding behind Ning stream, secretly following it and looking for a suitable opportunity to attack.

Ning Xi slowly walked to a path with few people and cars. She suddenly stopped and felt that someone was following her. When she turned around, she saw no one.

Ning Xi frowned. Did he think too much?

Then, Ning stream continued to walk forward. She looked sideways at wei wei and saw two figures behind her.

Indeed, the feeling of Ning stream was right. Someone had been following her.

Ning Xi walked quickly. When she was about to run out of the alley, a disgusting man suddenly appeared on her left side, squinting at her.

“niu er, where are you going?I’ll drive you home. ”

Ning Xi suddenly stopped. Seeing that the situation was not right, she picked up her phone and wanted to call gu jin yi, but she accidentally called Ye Ling City.

“Ning Xi, do you miss me when you call me at this time?”

Said Richie arrogantly.

“Help me!I’m here... ”

The phone was connected. At this moment, Ning Xi thought it was gu jin yi. She didn’t pay attention to his voice, so she asked for help directly. But before she could finish her words, the man threw her phone aside.

“Do you still want to call for help?You can’t escape today. ”

The man standing in front of Ning stream walked into it step by step.

“Ning stream!where are you?Answer me! ”

The vibrating sound of the phone smashing, as well as the mixed sound of Ning Xi and other men, came to the ears of Ye Ling City.

As soon as he heard the voice, he felt something was wrong. He immediately stood up and set off from the company.

“What do you want?”

Ning Xi said with a pale face.

“What do we want?What do you think? ”

One of the men raised an evil smile, his lustful eyes wandering on Ning stream.

“Did I offend you?”

ning xiao xi asked curiously.

“We can’t afford to offend you.Don’t blame us. Blame that woman. ”

Then the three men looked at each other viciously, with a weird smile on their faces.

The three of them approached Ning stream step by step. Ning stream wanted to escape, but couldn't find the direction to escape.

Finally, the three people forced Ning stream to a corner. At this moment, it was really annoying.

gu jin yi, come and save me

At this moment, Ning stream was really scared, and her heart was beating nervously.

Somehow, she thought of gu jin yi who could save her.

"niu er, come here and give me a kiss."

One of the men stepped forward and Ning Xi dodged. He looked at the three tall men calmly, turned his head and said smartly, "how about we play a game?"

The three men glanced at each other. Anyway, she was the only weak woman. They were not afraid that she would run away. Then she asked, "what game?"

"Isn't it a popular game recently? I'll hide and you'll find me. No matter who finds me first, you win. I'll do anything you want to do to me."

Ning Xi, are you out of your mind now? You can speak out the game of playing house for a child. There is no one else. Now you can only be a doctor.

The three men looked at each other again. This game was not bad. It was a piece of cake for the three of them to find one person.

Seeing that they were discussing, Ning Xi leaned over and asked, "what do you think? Have you made up your mind?"

"Yes. The game you mentioned is not bad, then..."

When the man was about to say yes, Ning stream was waiting for his answer full of expectation. Suddenly, another man spoke.

"Boss! Don't fool this woman. If we find her, she will take the opportunity to run away, won't she?"

A wise man reminded her. The leader finally came to his senses.

On the other hand, the joy in Ning Xi's heart was instantly replaced by nervousness and panic.

'damn it! I'm doomed this time!'. The man looked at Ning Xi fiercely.

"You are a liar! How dare you fool me! I will let you know the consequence of fooling me!"

This time, there was no way back to Ning stream. She had to try her best to escape.

"You want to run away? Just stay here!"

Ning Xi was pulled back by two big hands and slammed against the wall.

The man slapped her hard across the face.

Ning Xi's frail body was slapped to the ground, and his white and tender face became red and swollen.

The man began to be evil, looking at Ning stream with his lustful eyes.

Then the man began to tear the clothes of Ning stream. Ning stream struggled with all her strength, and then picked up the man's hand and bit it hard. "Ah!It hurts!"The man subconsciously withdrew his hand in pain.

ning xiao xi wanted to take this opportunity to escape, but was stopped by the other two men. Once again, he was picked up by the tall man. "b****, dare you bite me?"He glared at Ning Xi with his sharp eyes, full of malice and obscenity.

Then a big palm was slapped hard on the pink face of Ning stream. At this time, there was a trace of blood flowing from the corner of Ning stream's mouth, and her brain was already in a daze.

The man suddenly took off the coat of Ning stream, and then took out a sharp fruit knife, shaking it in front of Ning stream.

"Move a little more, or your delicate face will bloom.Hahaha..."

Ning Xi became more and more scared. Tears welled up in her watery eyes, and her eyes were full of panic.

gu jin yi, where are you?Come and save her

Ning stream kept struggling. At the moment when she was about to be completely desperate, a figure appeared in her eyes.

Ning Xi opened his eyes wei wei and looked at the man?Was it really him?Was he really here?

All of a sudden, Nina felt that it was her illusion. How could he appear by her side in time when she needed him?

Ning Xi struggled and looked at gu jin yi weakly.

"I knew you would come..."

ning xiao xi said in a low voice.

It seemed that he had used up all his strength in the struggle.

gu jin yi fought with the three men with all his strength. Then the man with the fruit knife began to think about stabbing him desperately.

"Watch out!"

Ning Xi picked up a stone and threw it at the man.

The man's head was hit in the wrong direction by the stone, so that he didn't stab gu jin yi.

“b***, how dare you hit me with a stone!”

The man glared at Ning stream with a ferocious expression, and then he shifted his target and stabbed straight at Ning stream with the blade.

Ning Xi raised his head and put his hands in front of him. At this moment, he forgot how to dodge, but was suddenly held by a man.

In this way, Ning stream was safe, but gu jin yi’s hand was accidentally scratched.

chapter 83

Then, lying in gu jin yi’s arms, she saw a tall and strong figure running towards her.

ning xiao xi looked carefully and found it was Ye Ling City?Why is he here?

ning xiao xi wanted to say something, but she had no strength at all.

She lay quietly in gu jin yi’s arms and watched the coming of the Ye Ling City.

gu jin yi held Ning Xi in his arms and put him in the corner. Then he strode towards the three men with anger in his sharp eyes. Together with Ye Ling City, he knocked down the three men.

The three men were lying awkwardly in front of gu jin yi and Richie and began to pretend to beg for mercy.

Finally, she stood up in a hurry and glared at gu jin yi and Ye Ling City.

“How dare you offend us? Just wait and see! I’ll be back!”

After saying that, the three of them fled awkwardly.

gu jin yi and Bryson said in one voice.

“f*** off!”

Then, the two of them looked at each other, with a meaningful look in their eyes.

Holding the wall, Ning Xi stood up and walked towards gu jin yi.

As soon as she stood up, she walked to gu jin yi weakly, hugged him tightly and leaned against his arms full of sense of security. “You’re finally here...”

A few seconds later, she fell backwards. At this time, both of them hugged Ning stream at the same time.

“Ning stream!”

“Susan, wake up!”

Ning Xi lay in gu jin yi’s arms and fainted.

No one knew that the strong hands holding Ning stream were bleeding.

“Send her to the hospital!”

With an anxious look on his face, he opened his mouth and was about to pick up Ning stream. But before he could do that, he was pulled into his arms and held her tightly.

Then he looked at him with his sharp black eyes and said, “I’ll save my woman myself!”

Then, he picked up Ning stream and strode towards the car.

With a deep look on his face, Ye Ling City stood still, frowning and watching gu jin yi leave with Ning Xi in his arms.

There was a touch of desire in his sharp eyes, and there was also an incomprehensible thought

When gu jin yi returned home with Ning Xi in his arms, he immediately called his good friend mu xiu yu over from the hospital.

gu jin yi frowned deeply and asked anxiously, “how is she?”

“Don’t worry. She was just in a temporary coma because of excessive fright. The wound on your face has been applied with medicine. It will be less swollen tomorrow. ”

mu xiu yu stood up cautiously and said seriously to gu jin yi with a professional look.

“Are you sure? You need to examine her more carefully. She suddenly fainted like that. ”

gu jin yi asked again, feeling a little worried.

mu xiu yu nodded with a smile, “Mr. gu jin yi, I’m sure this lady is fine.”

gu jin yi nodded with relief.

mu xiu yu raised his eyebrows. It was the first time that he had found that gu jin yi cared so much about a woman.

“You have to deal with your wound first, or you may get infected.”

After checking Ning Xi, mu xiu yu reminded gu jin yi cautiously.

“I’m fine. You can apply some ointment for me.”

gu jin yi walked to Ning stream, sat down gently and stared at it.

Standing aside, mu xiu yu looked at gu jin yi with a puzzled expression, and then turned to Ning Xi.

A meaningful smile appeared on mu xiu yu’s handsome face.

“Sheffield, this woman I haven’t seen her before. Who is she? ”

mu xiu yu asked gu jin yi inquisitively.

“I’ll tell you about it later.”

gu jin yi stared at Ning Xi with a worried look, not in the mood to explain anything.

Seeing gu jin yi like this, mu xiu yu didn’t want to ask any more, but left first.

There were only gu jin yi and Ning Xi left in the bedroom.

You stupid woman, what should you do if you come a little late?

Looking at Ning Xi, gu jin yi frowned.

Then, he tucked her in and gently brushed the hair on her forehead to one side.

It seemed that he didn’t want to live in this world anymore if he dared to touch his woman.

Then, he stood up carefully and walked to the French window. He looked out of the window, lost in thought

On the other side, in the Ye Ling City.

Sitting on the sofa, with a deep and anxious look on his enchanting face, he kept calling Ning Xi. But he couldn’t get through.

“Ning Xi, how are you?”

“Did you get hurt? Do you feel uncomfortable? ”

“Naomi, call me back when you see the message.”

“..... ”

Since he didn’t call Ning stream, he began to send messages.

But there was still no reply, which made the city a little disappointed.

All of a sudden, the scene that had just happened came to his mind, and a touch of speculation flashed across his sharp and charming eyes.

What’s the relationship between them? gu jin yi?

At the thought of gu jin yi’s black eyes staring at Ning Xi, the meaning in his eyes was hard to guess.

When Ning Xi saw gu jin yi and his Ye Ling City, she chose to go to gu jin yi and hold him instead of him.

When he thought of this, his dashing eyebrows knitted tightly subconsciously, and their various relationships involuntarily appeared in his mind.

friend? Brother and sister? lovers? Husband and wife

The night Ling City shook his head and suddenly remembered the expressions of Ning Xi and gu jin yi at that night. At that time, he doubted if there was any relationship between them? But she didn’t think too much.

But what happened today made him sus***ious. The first thing he thought of was

However, for many reasons, he was immediately interrupted by the night Ling City. It was impossible for Ning Xi and gu jin yi

Then, he picked up his phone and called his a**istant jie lun. He said calmly, "jie lun, investigate the relationship between Ning stream and gu jin yi."

After saying that, he hung up the phone. He had to figure it out this time and then fell into deep thought
