chapter 84

On the early morning of the second day, Ning Xi opened his eyes in a daze and saw a tall and strong figure. Did he just lie on the edge of the bed for the whole night?

gu jin yi moved unconsciously. Ning Xi guessed that he must have woken up, so she closed her eyes immediately.

Then, he stood up slowly and gazed at Ning stream affectionately.

“Have a good sleep at home today and wait for me to come back.”

Then gu jin yi gently tucked Ning Xi in and left the bedroom.

Hearing no sound, Ning Xi slowly opened one eye and sat up after making sure that gu jin yi had left.

Last night

Ning Xi recalled that he had met three men who had an affair on his way home it seemed that gu jin yi came to save her in time.

She didn't remember what happened later. When she woke up in the morning, she saw gu jin yi lying beside her.

She seemed to see gu jin yi and Ye Ling City yesterday. The two of them were both there. What happened?

And she seemed to throw herself into gu jin yi's arms without thinking when she saw him.

Ning Xi frowned. It was impossible! How come? How could she hold him before she hated him?

Ning Xi shook his head and found that his face was slightly stung, but he could accept it and told himself not to think about what happened last night.

Then she remembered that it was weekend and she had to go home to see the two babies.

If it weren't for what happened yesterday, Ning Xi would have been on the way to see the two girls now.

Ning Xi got up, freshened up and sneaked out of the door.

Along the way, Ning Xi was very excited.

She took a bus to ye xiao xiao's house. As soon as she entered, she found that her two babies were waiting for her at the door.

“Mommy, what's wrong with your face?”

The two babies asked worriedly when they saw the red and swollen face of Ning stream.

Ning Xi frowned and said with a smile, “Mommy is fine. I just bumped into her by accident.”

The two little kids looked at Ning stream suspiciously, indicating that they didn't believe it at all. It didn't look like a collision as their mommy said.

"Mommy, did Daddy hit you?"

chen chen asked with a cold face mixed with pity.

"Daddy hit Mommy. han han doesn't like Daddy anymore. She hates Daddy! Mommy is back with us. Don't be with Daddy. "

Tears welled up in han han's eyes as she sobbed.

Seeing han han crying, chen chen frowned and began to cry.

"I'm going to get even with my Bad Daddy and get justice for Mommy!"

chen chen said angrily, looking wronged.

"Waah... Waah Why did Daddy hit our mommy? I hate him to death!! just want mommy not to spoil daddy. "

han han kept crying sadly.

"Brother, let's get even with Bad Daddy!"

han han cut her feet in a hurry with an angry face.

Seeing that both of them cared about her so much, Ning Xi felt warm and gratified.

But it was a little troublesome to see the two people misunderstand their daddy so deeply. They couldn't let their impressions of their daddy turn into bad daddy.

After all, it was not gu jin yi who slapped her, but he saved her.

"chen chen, han han, listen to Mommy. It's really not your daddy who hit me."

A soft maternal voice came from Ning Xi.

chen chen and han han finally calmed down.

She stared at Ning Xi with her round eyes.

"Mommy..."

They didn't know what to say? She looked at Ning stream with concern.

"In fact, Mommy met a bad guy after work, and then your daddy turned into a superman to save Mommy."

Ning Xi described gu jin yi as a superman, and the two babies listened with keen pleasure.

She also saw the tears and showed a puzzled expression.

“And then?”

The two babies were very curious and wanted to know the ins and outs of the matter from Ning Xi.

“If your daddy hadn’t become a superman to save me, I’m afraid that mommy wouldn’t be with you now.”

Ning Xi said to the two seriously.

“Really?”

They asked Ning Xi in unison, as if they believed what Ning Xi said.

ning xiao xi nodded seriously to show her determination.

In an instant, the two babies changed their opinions of their father, Jean.

“My chen chen and han han should be friendly and courageous from now on, understand? Be a person who is helpful to the society in the future, and be as brave as your father. ”

Ning Xi explained patiently with a gentle look on his face.

“Wow, daddy is so handsome. han han will marry a man like daddy in the future.”

han han looked like an anthomaniac, no longer as sad as before.

“chen chen will also become a superman like Daddy when he grows up, so that I can protect mommy and sister. Others won’t dare to bully you. ”

Hearing Ning Xi’s heroic story, chen chen couldn’t help but sigh.

And she was determined to be a man like their father in the future.

ning xiao xi smiled with relief and touched the heads of the two babies.

Finally, they didn’t let gu jin yi have a bad image in their mind.

After all, they were parent-child relationship. It would not only affect their impression of their father, but also affect their growth.

“By the way, Mommy, I have something to ask you.”

Suddenly, chen chen said.

Ning Xi looked at chen chen in confusion, “what?”

“You will understand after you come here and have a look.”

Holding Ning Xi’s hand, chen chen went upstairs. Then he walked to the computer in his room, jumped to the chair in front of the computer, and opened the website with a crackling sound.

A video came into view, which happened to be the scene of the party that day.

Ning Xi's pupils shrank slightly. He didn't expect that the two babies had also seen the video, but hadn't the video been finished by Gu Jin Yi? How could Chen Chen find it out?

"Mommy, please explain it to me."

Crossing his arms, Chen Chen asked Ning Xi seriously.

"Explain what?"

Ning Xi looked indifferent and casual.

chapter 85

Then, Han Han ran over happily.

"Daddy and the famous star, which one do you like?"

Han Han suddenly said.

Chen Chen also wanted to ask this question. Seeing that Han Han had asked, he nodded in agreement.

"You force a confession?"

Seeing the two sharp eyes looking at her, Ning Xi subconsciously looked away.

"Although we hope you and daddy can be in love, if you like the famous star, we don't mind him being our second daddy."

Chen Chen said word by word.

"Yes, what Chen Chen said is right. The famous star, Richie, is also a man who deserves Mommy. He is so handsome, dazzling and charming. I don't mind being my second daddy."

Ning Xi was stunned. Did these two have a fever? Or she didn't wake up?

"Are you two all right?"

Ning Xi looked at them in confusion.

"Nothing."

They looked at each other, put their hands away and answered at the same time.

"Mommy, don't be so picky. If you continue to pick, you will become an old woman and no one will want you."

Both of them looked at Ning Xi and said seriously.

"What? You don't like me anymore. Don't you want me when I'm old?"

Ning Xi squinted and said unhappily.

"How could it be? Mommy is always the most beautiful and charming woman in our hearts."

The two babies said sweetly to Ning stream and then leaned into its arms.

Then Ning Xi explained what happened at that night to the two.

.....

“Wow! Mommy is so awesome. Isn't this the legendary two men fighting for a woman?”

han han looked at Ning Xi in surprise.

Ning Xi was also drunk by han han. Where did she learn these words?

“Your mommy, I'm so depressed now.”

Ning Xi looked helpless.

“I want to be a charming woman like mommy in the future, who can attract two da shuai pot. Wow, what kind of enjoyment is that?”

han han turned on the mode of anthomaniac.

Ning stream could do nothing to her anthomaniac little daughter.

Ever since she was a child, she couldn't help looking at a handsome man. She still remembered that when she was three years old, she saw a really handsome man and ran up to him for his WeChat at the first time they met. Ning Xi was also drunk. How could he have such an anthomaniac daughter.

Then chen chen looked at the two tall and strong men on the computer, with a strange look in his deep black eyes.

“Mommy, do you need me and han han to activate the super cute mode to help you?”

chen chen said in a childish and deep voice.

Ning Xi couldn't help smiling, “I will invite you to help if I need any help.”

Then, there was a burst of laughter in the room, which was very sweet and warm

After lunch, Ning stream coaxed the two babies to sleep, and then she went downstairs.

ye xiao xiao was sitting on the sofa in the hall.

“Did they fall asleep?”

ye xiao xiao said.

Ning Xi nodded, walked to the sofa and sat down.

“What happened to your face?”

ye xiao xiao frowned and asked.

“I'm fine. I bumped into something when I went home at night.”

Ning Xi turned his face intentionally to avoid being seen by ye xiao xiao.

“Be careful. It looks a little red and swollen.”

ye xiao xiao told Ning Xi not to think too much.

“By the way, what’s going on between you and the big star, Johnny?How did you two know each other?”

ye xiao xiao also saw the video and asked in confusion.

“WellIt’s a long story. ”

Ning Xi looked helpless and didn’t know where to start.

Seeing this, ye xiao xiao raised her eyebrows and teased, “you have a good luck with women after you came back, one after another.”

“Celia, don’t make fun of me. I don’t think it’s a good thing.”

Ning stream looked casual. It seemed that it was not a great honor for her to know a big star.

“How many women want to know him and get close to him? Your words are heard by the fans who like him. You’re waiting to be spat.”

Ning Xi felt familiar with what ye xiao xiao said. He suddenly remembered that she seemed to be talking to gu jin yi.

At the mention of gu jin yi, Ning Xi seemed to remember something important.

“Oh, by the way, I have to go back now. I’ll tell you about it later.”

Ning Xi stood up and left in a hurry.

“Slow down!”

Celia stood up and watched Ning stream leave in a hurry. She frowned and looked at Ning stream with concern.

In the past five years, it was not easy to know Ning Xi. He hoped that she could live a happy life now.

Ning Xi didn’t mention what happened last night. He didn’t want ye xiao xiao to worry about him, so he returned home as soon as he went out.

It was still early to go home today. It was already six or seven o’clock in the evening before they got home. They had already gone home before five o’clock today.

In order to get home before gu jin yi came back.

Ning Xi sneaked into the hall and went upstairs.

Before gu jin yi came back, she still lay on the bed quietly.She couldn’t let him find out that she had left the house.

As soon as Ning Xi entered the room, he found that he was standing steadily in front of the French window.

Ning Xi thought that gu jin yi must have known that he went out. Should he go out secretly or admit it on his own initiative?

When Ning Xi was thinking, gu jin yi asked in a low and magnetic voice, "where have you been?"

Ning Xi stood still in a daze, "I... I went to buy something."

gu jin yi walked slowly to Ning stream and looked at it with a pair of mysterious black eyes.

"Who allowed you to go out?"

gu jin yi said in a cold and hoarse voice.

"I need it urgently."

Ning Xi blinked and said in a soft voice.

"You can call me and bring it back."

gu jin yi said indifferently, with a touch of pity in his eyes.

"You will feel embarrassed to buy what I want."

Ning Xi squinted and said with a smile.

"I'm not embarrassed at all."

gu jin yi said seriously.

"Okay, then buy me five more bags of bread now."

Ning Xi raised his eyebrows and said to him disapprovingly.

"Just wait. It's not easy to buy bread."

Then, without hesitation, he picked up his coat and walked out of the room.

Ning Xi turned to look at gu jin yi's back, confused. Did he really go to buy it?

Then, when Ning Xi returned to his room and thought of the two babies, a warm smile appeared on his face.

.....

Soon, gu jin yi came back.

"The bread you want."

gu jin yi picked up the bag and handed it to Ning Xi.

ning xiao xi took it and looked at it casually. She was stunned and expressionless.

“Why did you buy so many bread?”

Ning Xi looked up and asked.

“Didn’t you say that you wanted five bags of bread?I’ll buy you ten bags at a time, so that you don’t have to go out often to buy them. ”

gu jin yi said in a low and clear voice, looking arrogant.

Ning Xi was speechless. Bread sanitary pad, he had bought into bread.

chapter 86

“Do you know what bread is?”

Ning Xi stared at gu jin yi in disbelief.

Did he know what bread was?Had he ever heard of it from women?That meant he had never been in love?

All kinds of questions appeared in Ning Xi’s mind. He seemed to be a little happy when he knew that gu jin yi had never bought these things for a woman.

“Isn’t it just food?”

gu jin yi said calmly.

“The bread I’m talking about is sanitary pad. Sanitary pad!”

Ning Xi emphasized.

gu jin yi was stunned and turned around to look out of the French window. He coughed with his left hand clenched to his mouth.

“This thingIt’s really urgent. ”

Ning Xi couldn’t help but burst into laughter.

“Susan, how dare you laugh at me?This is the first time in my life that I go shopping for a woman. ”

gu jin yi turned around and walked slowly to Ning stream, staring at it with his deep eyes.

“What?What is your first time? ”

ning xiao xi pretended not to hear and asked again.

“Susan, listen carefully. Don’t get hurt!”

gu jin yi suddenly stretched out his hand and held Ning Xi’s waist tightly in his arms.

His sharp black eyes were full of pity, staring at the scars on Ning Xi’s face.

Not knowing why, Ning stream's heart beat so fast. Her clear eyes looked at the unfathomable black eyes of Jin, as if she had seen something she had never seen before.

'gu jin yi, is he caring about me?

ning xiao xi, wake up. Don't think too much here. gu jin yi has all kinds of women he wants. How could he like you?

gu jin yi lowered his eyes and approached Ning stream. Ning stream suddenly jumped out of gu jin yi's arms.

He inadvertently saw a scar on the back of gu jin yi's hand.

Her pupils dilated involuntarily. "Why are you injured?"

Without thinking, ning xiao xi walked up to gu jin yi and took his big hand, frowning worriedly.

"It's okay. It's just a minor injury."

Then, he withdrew his hand and took Ning stream into the bedroom.

"Are... Are you hurt because you saved me?"

Ning Xi stared at the wound on the back of gu jin yi's hand silently.

"Your task now is to lie down and have a good rest."

gu jin yi didn't answer Ning Xi's question. Instead, he looked at Ning Xi seriously and asked her to go to bed.

"I'm fine now. Your hand..."

"Do you want me to carry you upstairs?"

Before Nina finished her words, he spoke first.

"It's him! Don't always be so domineering! Your hand will be infected if it is not bandaged."

Ning Xi was so angry and anxious that he shouted at him excitedly.

gu jin yi stared at Ning Xi in silence. Was this stupid woman worried about him? Seeing Ning Xi so excited and anxious, gu jin yi felt an indescribable joy.

"It's not a big deal for me."

gu jin yi said calmly.

"Yes, it may not be a big deal for you, but I will be worried!"

At this moment, Ning Xi had lost his mind. He pulled gu jin yi to the sofa.

gu jin yi chose to be silent and let Ning Xi pull him to the sofa.

Then Ning Xi took out a medical kit from the drawer and bound up gu jin yi's wound.

In the past five years, Ning Xi had learned everything. She was professional in bandaging.

At that time, they were always naughty and would fall down. She didn't know how many times she had bandaged them.

"Don't move. It might hurt."

Ning Xi concentrated on binding up gu jin yi's wound, not daring to be distracted at all.

gu jin yi looked down at Ning Xi, letting her bind up his wound.

A beam of soft light sprinkled on the delicate side face of Ning Xi, showing her particularly pure and charming temperament.

gu jin yi frowned. The moment the ointment was applied, it did hurt a little, but he didn't make a sound. Instead, he watched Ning Xi attentively treating his wound.

All of a sudden, he felt warm and warm in his heart. This kind of feeling was what he had always wanted and lacked since he was a child.

Ning Xi could also feel the pain of the bandage. She tried her best not to make gu jin yi feel so painful.

"The bandage is done. Don't get wet these days."

Ning Xi stood up slowly and said to him professionally.

When Nina was about to pick up the medical kit and leave, he suddenly held her hand.

"What's wrong?"

Seeing this, Ning Xi asked in confusion.

"Susan, do you like me?"

gu jin yi stared at Ning Xi, waiting for her answer.

gu jin yi finally spoke out what he had been holding in his heart, and then he realized how comfortable it was to say it.

"What nonsense are you talking about?"

ning xiao xi was at a loss by gu jin yi's question. Her mind was in a mess and she didn't know what to do.

Ning Xi lowered his eyes and didn't dare to look at gu jin yi for fear of meeting his deep black eyes.

"Susan, I want you to be my woman."

Ning Xi's heart raced.

All of a sudden, he pulled her hand. Before Ning Xi came to his senses, he had already fallen into his arms and sat on his slender and powerful thighs.

Without any precaution, he held up her head and kissed her.

“HMM...”

This kiss was overbearing, mixed with all kinds of tenderness. The gentleness was mixed with a mature man's breath, stirring up the inner feelings of Ning Xi.

For a moment, Ning Xi came to his senses, but for some reason, he didn't push her away. Instead, he was immersed in his kiss.
