chapter 87

Then, gu jin yi slowly let go of Ning stream and tightly held her slender waist. He stared at Ning stream with all kinds of firmness in his wise black eyes. "From now on, you Susan only belongs to me!"

Then Ning Xi suddenly jumped out of gu jin yi's arms. "Well, I'm going back to my room." Then Ning Xi stood up in panic.

Ning Xi's mind was in a mess. He walked towards gu jin yi's bedroom by accident.

"Where is your room?"

Looking at the flustered back of Ning Xi, gu jin yi couldn't help smiling wantonly and said.

gu jin yi's words brought ning xiao xi back to her senses. Her face flushed scarlet with embarrassment

Then Ning Xi ran out of gu jin yi's room in a hurry and went back to his own room.

As soon as Ning Xi entered the room, he jumped onto the bed and held her big bear in his arms.

Then she sat up with a confused look.

Ning Xi raised his hand and touched his pink lips. His heart beat fast, and there seemed to be still his residual temperature between his lips.

gu jin yi, he said he liked Ning Xi? is that true? Was it really what he said by gu jin yi? Was she dreaming?

Ning Xi pinched his hand and cried out. It was not a dream, it was true!

Why? Why would gu jin yi like her? How could he like her, Ning Xi? Was it a new trick that he came up with to tease her in another way.

Ahhh! ning xiao xi, calm down, calm down, calm down again!

But he found that she couldn't calm down at all. Thinking of what gu jin yi said to him and the kiss, his heart beat fast.

What should I do? How could she face him in the future? Should she continue to get along with him like this, or should she pretend not to know and not understand?

Ning Xi scratched his head and got into bed irritably.

However, hearing what gu jin yi said to her, Ning Xi admitted that she was excited and happy.

But she didn't know how to respond to him, gu jin yi.

In the opposite room.

Standing in front of the French window and looking at the night outside, gu jin yi touched his s**y thin lips and gave a meaningful smile.

On the second morning, in order to avoid gu jin yi, Ning Xi got up early. She had planned to get up early and go to the company. Unexpectedly, when she went downstairs, she found that gu jin yi was busy cooking in the kitchen.

Ning Xi walked quietly to the kitchen, leaned against the door and looked at gu jin yi in confusion.

What was gu jin yi doing in the kitchen?

With a creak, the door of Ning stream was pushed open by accident, and he turned around to look at Ning stream.

Ning Xi panicked and smiled awkwardly at gu jin yi, "good morning."

gu jin yi smiled and continued his work in silence.

"What are you doing in the kitchen so early?"

"Make breakfast."

gu jin yi gave Ning Xi a warm smile.

All of a sudden, she found that gu jin yi was dressed in casual clothes with black color. He was handsome, mature and steady, which made him look very different.

Seeing this, Ning Xi's heart trembled. 'is... Is he still me?'

She made breakfast with a smile on her face, and even dressed in this casual style. These were not his style of doing things.

"Have a seat. The breakfast will be ready soon."

gu jin yi said to Ning Xi while he was busy with his work.

Ning Xi turned around in confusion. Why did he change into another person after a night's sleep? How could he make breakfast?

Ning Xi suddenly felt that the world had changed and became inconceivable.

As soon as Ning Xi sat at the table, gu jin yi brought the breakfast.

"Let's eat."

Then gu jin yi sat down and said lightly.

Ning Xi suddenly felt that she was in a dream, and everything was too unreal.

Ning Xi began to taste the breakfast made by gu jin yi. It was indeed delicious.

"How does it taste?"

gu jin yi stared at Ning Xi, waiting for her answer.

This was the first time that she had personally entered the kitchen to make breakfast for a person.

“Yes, it’s delicious.”

Ning Xi answered truthfully.

“You are the first one who asked me to cook for you.”

gu jin yi said in a low and magnetic voice.

“Cough, cough, cough...”

Hearing gu jin yi’s words, Ning Xi coughed and his face turned red.

Seeing this, gu jin yi stood up and strode to the kitchen to bring a cup of warm water to Ning Xi.

“Slow down. No matter how much you like it, you don’t have to gobble it up like this. I’ll cook for you more often.”

After drinking the water, Ning stream looked at gu jin yi in confusion. At this moment, gu jin yi made Ning stream at a loss.

“I’m done. I’m going to work.”

Ning Xi stood up and was about to go out. gu jin yi said again, “let’s go together.”

“No, you don’t have to. I have something urgent to deal with in the company.”

“If you take my car, you will arrive at the company faster, and you will deal with your business faster.”

Ning Xi found an excuse to go out first, but was rejected by gu jin yi.

ning xiao xi just wanted to see him disappear in front of her, so that she could be a little more normal and sober.

But she couldn’t refuse his request.

Reluctantly, she got in the car with gu jin yi.

In the car, Ning Xi sat on the pa**enger seat and glanced at gu jin yi from time to time.

“I’m a handsome man. You don’t have to stare at me like that, do you?”

gu jin yi opened his s**y thin lips slightly.

Ning Xi immediately turned around to look at the scenery outside the window, but his mind was still on gu jin yi.

It seemed that there was no change in his narcissism. Yes, it was just like him, gu jin yi. He was the narcissist!

Soon they arrived at the company of Ning stream. When Ning stream opened the car door directly, he suddenly raised his eyebrows and looked at Ning stream with a snicker. “Shouldn’t I give you a hint before I drive you to the company?”

“Thank you for sending me here in person.”

Ning Xi said word by word with an exaggerated look on his face.

“That’s it?”

gu jin yi glanced at Ning Xi and asked with a deep look.

“Or what?”

ning xiao xi pretended not to know.

“What’s that?”

All of a sudden, gu jin yi pointed to the outside of the car window. Ning Xi looked in the direction gu jin yi pointed, only to see the blue sky and white clouds. Then he turned around and said, “nothing...”

Before she could finish her words, her pink lips were suddenly covered by another s**y thin lips, and her eyes stopped without blinking.

Her heart raced uncontrollably.

Ning Xi was stunned by gu jin yi’s tender kiss.

Then, he let go of her gently, raised his eyebrows and said, “since you don’t want to say it, I’ll say it.”

chapter 88

“You!Rascal! ”

Ning Xi shouted in surprise and anger.

“If you say it again, I will be more rascal.”

gu jin yi raised his eyebrows and grinned wickedly.

“I have to go to work.”

Ning Xi opened the door and got off the car in a trance.

“Don’t miss me too much.”

Looking at the back of Ning Xi, gu jin yi said. Ning Xi covered his ears and ran into the company in a hurry.

Seeing Ning Xi enter the company, gu jin yi drove away at full speed.

As soon as they arrived at the company, gu jin yi asked his a**istant, Xu Chen, to investigate what happened last night. He knew that there must be someone behind this. With Ning Xi’s character, he couldn’t offend anyone, unless someone deliberately targeted her.

Then, he started to work.

On the other side, as soon as Ning Xi arrived at the company, he hurried back to his office. There was a mark on his face, so he deliberately avoided colleagues.

She picked up some documents that needed an zi hao's signature and walked to his office. On her way, she happened to meet ruby.

"Oh, this is Miss yam. What's wrong with her face? Was she hit? The slap mark is so obvious."

She spoke in a strange tone, as if she was plotting something.

"Does it have anything to do with you?"

Hearing this, Ning stream was very unhappy, and she said in a bad tone.

"As an employee of VL, of course I care about you! Look at the slap mark on your face. It must be very hard."

With a sly smile on her face, she said in a demonic voice.

Humph, Ning Xi, I'm so happy to see you like this. This slap was really good. It seems that I'm praising them. Ha ha!

Susie was very happy to see Ning Xi beaten and looked very serious.

"Thank you for your concern. But this is not a palm print. It was rubbed accidentally. By the way, have you ever been hit hard by someone? That's why I know him so well."

Ning Xi fought back and answered in a low voice. Hearing what Ning Xi said, Ruyu glared at him angrily.

"What nonsense are you talking about?"

Ning Xi shrugged and gave a meaningful smile.

Ning Xi didn't want to talk too much with Ruyu. He didn't want to cause any trouble for a person like her.

Then he left without waiting for her to speak again and went straight to zi hao's office.

Looking at the disappearing figure of Ning Xi, a touch of weirdness and anger flashed across her evil charming eyes.

ning xiao xi! If you offend her, you will suffer a lot in the future. Just wait and see!

Ning Xi went to an zi hao's office and handed over the document with his head down wei wei.

"Mr. an, I'm leaving now."

Ning stream was about to leave, but an zi hao suddenly said.

"Naomi, what's wrong with your face?"

an zi hao stood up gracefully and walked to Ning stream.

"I'm fine. I bumped into it by accident yesterday."

Holding half of her face in her hands, Ning Xi said as if nothing had happened.

an zi hao frowned and said worriedly, "you can go home and rest for a few days. I'll arrange the work here."

Couldn't an zi hao see that? It was not a bruise, but since Ning Xi didn't say it, it must be difficult to explain. So an zi hao didn't ask more, but let Ning Xi go home and have a rest for a few days.

"Mr. an, it doesn't matter. It's just a minor injury."

Ning Xi answered with a smile.

"You'd better go back and have a rest for a few days. You don't need to worry about the work here. You will be more energetic after recovery."

an zi hao kept persuading Ning stream.

"Mr. an..."

Ning Xi wanted to say something, but an zi hao spoke again.

"Besides, you can just call me zi hao when there is no one else."

Ning Xi raised his eyes slightly and looked at zi hao's unfathomable black eyes. Ning Xi stepped back slightly.

"In the company, we have to distinguish the difference between employees and employees."

an zi hao couldn't help but frown. Why was she so wary of him?

"But it's okay outside the company."

Then Ning Xi sensed the atmosphere was not right, so he tried to mediate. After all, an zi hao and his teacher ou yang shi rui were friends.

an zi hao nodded, "you are a student of ray, and I am his friend, so of course we can also be friends."

"Yes, that makes sense."

Ning Xi gave an innocent smile as if he was suddenly enlightened.

an zi hao finally relaxed and didn't feel depressed.

"Have a good rest after you go back today. If you need anything, you can call me at any time."

an zi hao said to Ning Xi with concern.

"Okay, but I really don't need to have a rest..."

Ning Xi didn't think it was necessary. In fact, it was just a small injury.

“If you don’t listen to me, I will tell your master.”

an zi hao teased Ning Xi.

Ning Xi immediately smiled, “yes, I’m obedient!”

Then Ning Xi returned to his office.

On the other side, in the film and television company.

Standing in front of the French window, Richie had a complicated expression in his charming eyes.

“Bang, bang, Bang...”

There was a knock on the door, and he came to his senses. “Come in, please.”

jie lun walked in and said, “Mr. Richie, I’ve found out what you asked me to investigate.”

“Tell me now.”

Said Richie anxiously.

“According to my investigation, Ning Xi and gu jin yi are a couple and live together now.”

“What?ning xiao xi, married? ”

As soon as he heard the investigation result, he was stunned. His dark eyes widened slightly, and he asked jie lun again with a stunned expression.

“Yes, it has been a while.”

jie lun answered honestly.

“How is that possible?How could Ning Xi live with gu jin yi? ”

He couldn’t believe what he had thought would happen.

“As far as I know, they have already lived together.”

jie lun confirmed again.

All of a sudden, the city seemed to have lost its mind and fell into silence.

“Mr. Richie, you seem a little strange recently.”

jie lun looked at him and found that he was a little different now. As for what was different, he couldn’t express.

“You can leave now.”

With a helpless look, he said lightly.

Seeing this, jie lun asked worriedly, “if you need anything, call me at any time.”

Without saying anything more, he sat down on the sofa in a calm manner.

jie lun walked out of the office and was stunned. Did Mr. Richie fall in love with Ning stream? It was impossible. How could he like that bad girl? But since he met Ning stream recently, he had changed a lot and cared about it very much.

jie lun shook his head with a confused look and then left.
