chapter 89

In the office, with a poker face, no one could tell how he was feeling at the moment. It was very deep and complicated.

Then he picked up his phone and stared at the number of Ning stream for a long time

On the other side.

Not long after Ning Xi returned to his office, Ruyu continued to come in.

“Miss yam, this is the dress design drawing that Mrs. Zhang wants tomorrow. Have a look.”

She threw the design sketch on the desk of Ning Xi with disdain.

ning xiao xi picked up the design draft and read it carefully. With a serious expression on her face, she said, “this design draft is good in style, but the color is not suitable for the dress style. I’ll redecorate it.”

Then she lowered her head and was busy with her work.

When she heard the first half of the sentence, she looked arrogant, but when she heard the latter part, her face immediately changed.

“Why not! Do you know how hard it will take to design a dress?”

She stood up angrily and glared at Ning Xi.

“Of course I know. But look at your design drawing. Have you noticed Mrs. Zhang’s dressing style? Did you know her favorite color? Warm color or cold color?”

Ning Xi said word by word seriously.

“I...”

If she was speechless by ning xiao xi, she really didn’t know anything about it.

“As a designer, I don’t know these things. How can I design a design that will satisfy my customers?”

Ning Xi, as the boss of Ruyu, educated her.

“Ning Xi, I think you are deliberately making things difficult for me!”

Leona roared with her eyes wide open.

Ning Xi raised his head and glanced at Ruyu. He had nothing to say to her.

“As a designer, don’t you know these basic things? How to meet the customer’s needs? I really don’t know how you got the champion of the national dress design.”

Ning Xi shook his head helplessly.

“You!”

Leona was so angry that she almost stamped her feet and jumped up, but at this time, the mobile phone on the desk of Ning stream rang.

At the first glance, Leona saw the name on the screen, it was the night Ling City.

“Hello.”

ning xiao xi picked up the phone and answered it without checking the name.

“Ning Xi, I have something to tell you.”

Said Richie directly.

“I’m working.”

Ning Xi answered the phone.

“Let’s make an appointment.”

Said Richie indifferently.

“You can tell me directly.”

Ning Xi stood up and walked to the French window.

After hesitating for a while, he finally asked, “you’re married?”

Ning Xi’s eyes narrowed and his face darkened.

How did he know that she was married?

“Make an appointment when you are free.”

Then ning xiao xi hung up the phone.

Standing next to them, of course, Susie could clearly see the expression on ning xiao xi’s face when she spoke. She wondered what she was talking about with Richie.

“Anything else?If there is nothing else, you can go out first. ”

Ning Xi said expressionlessly.

Without saying anything, she turned around and left the office of Ning stream disdainfully.

Seeing that Ruby left, Ning stream slowly put down her work and looked thoughtful

However, he was not reconciled. He must see her in person and hear her say that to him. Otherwise, he would not believe it.

As soon as he got off work, he immediately drove to the place near the VL company, waiting for Ning Xi to come out.

As for Ning stream, she was still waiting for the bus as usual. If she was driving a car and quietly looking at Ning stream not far away, she felt that there must be something between Ning stream and Ye Ling City, and they would meet today.

As expected, when Nina was waiting for the bus, a latest Porsche stopped in front of her.

“Get in the car.”

Wearing a pair of black sunglasses, he simply said two words.

Ning stream frowned. She didn't expect that Ye Ling City would come. Of course she knew why Ye Ling City wanted to see her. Ning stream didn't say anything and directly got on the car of Ye Ling City.

Then, Susie followed him.

ning xiao xi!It seems that I haven't remembered your lesson at all.How dare he hara** the city!

They arrived at a cafe.

ning xiao xi and Ye Ling City were sitting face to face, while Ruyu was sitting on the sofa behind them.

“Ning Xi, you, you and gu jin yi...”

“Yes, we are married.”

He was afraid that he wouldn't hear the answer from Ning stream.

However, before he could ask all the questions, Ning Xi directly answered the question.

There was a moment of silence in the city, and a variety of complicated emotions could be seen in his deep eyes.

“How is that possible?How could it be possible for you and gu jin yi? ”

Even when he heard Ning Xi speak it out in person, he still felt a little inconceivable.

“By the way, how do you know what happened between me and him?”

Ning Xi asked, raising his eyebrows.

“WellI didn't expect that. I'm so sad. ”

Richie didn't say that he would investigate. He looked at Ning stream with a disappointed face.

“Now that you know, I won't hide it from you.So...”

Before Ning Xi could finish his words, Ye Ling City spoke first.

“So, I have to work harder to get you.”

“Cough, cough, cough...”

His words almost made Ning Xi spit out the coffee in his throat.

“What are you talking about, Richie! Don’t you know that I’m married now?”

Ning Xi couldn’t understand what was on his mind. He had told him clearly, but he still said so.

“We can get divorced even if we are married. It doesn’t matter.”

With a look of letting nature take its course, he said as if divorce was like eating.

Ning Xi was speechless. Was divorce a game? It’s so casual. But considering that her marriage with Gu Jin Yi was just a fake one, she got married on behalf of him.

“I’m telling you very seriously. We can be best friends, but it’s definitely not what you want.”

Ning Xi said seriously.

“I know. I don’t want to do anything. I’m just kidding. Why are you so serious?”

Richie raised his eyebrows and squinted at Ning Xi.

“It’s good that you understand. I don’t want you to waste your time and energy on me.”

Ning Xi looked at Ye Ling City seriously.

He nodded his head.

Then the two of them talked and laughed, and the atmosphere was not so serious.

If Vivi had been listening carefully to their conversation, as for what they were talking about, if she got close to them and listened carefully, she could not hear clearly what they were talking about.

They were talking and laughing, which made her unhappy.

Then, the two of them stood up and walked out of the cafe.

His phone rang. Seeing that he looked a little anxious, Ning Xi said, “you can leave now. I happen to have something to buy nearby.”

“I’ll drive you home first.”

Looking at Ning Stream, Ye Ling City said lightly.

“No, thanks. You can go ahead with your work. It’s still early anyway. I can take a walk before going back.”

He looked at his watch. It was too late. “I’m leaving now. Be careful on the way. Call me when you get home.”

Ning Stream nodded and was about to leave after watching Ye Ling City leave.

As soon as Ning Xi took a step forward, he was pulled back by the other hand.

“Why are you here?”

Ning Xi asked in surprise.

“What? Are you afraid that I will see you seduce the Ye Ling City here?”

Susie crossed her arms and said sarcastically.

Seduce? Which eye did she see that Ning Xi seduced Ye Ling City?

“You are following me!”

Ning Xi glared at Ruyu with his clear eyes.

“If you don’t want others to know, you have to do it.”

Rufus said confidently.

Ning stream was also drunk to Ruyu. Having a cup of coffee and chatting with her could be regarded as seduction. Ning stream didn’t want to talk to her and was about to leave.

At this time, Susie strode to the front of Ning stream and said to her in a lofty manner, “Ning stream!! told you not to pester him, but you have to be a b****!”

“If you don’t frame me indiscriminately here, the rabbit will bite if it gets anxious!”

Ning Xi glared at Ruyu, and all the depression in his heart was about to erupt. If a tiger didn’t get angry, how could she treat Ning Xi as a sick cat.

“Now that the truth is clear, why are you still defending? Didn’t he fall in love with you because you pestered him all day long?”

A hint of viciousness was emitted from his eyes, and the anger in his eyes seemed to be about to devour Ning Ning stream.

Ning Xi sighed helplessly and continued, “if you have the ability, you can also fascinate him.”

Ning Xi retorted. He was so angry that he raised his hand and was about to slap Ning Xi.

At this moment, a strong and powerful hand grabbed Leona’s hand and threw it away.

“Did I allow you to hurt her?”

gu jin yi said in a low and magnetic voice.

gu jin yi?

ning xiao xi and Ruoyan looked at gu jin yi in astonishment at the same time.

“Susan, are you okay?”

gu jin yi held Ning Xi in his arms and looked at him dotingly.

Ning Xi shook his head in confusion.

And Ruxin was stunned. Was this gu jin yi, the CEO of the Empire group? Why is he here? Besides, what did he call Ning stream just now?

“VL designer, ruby. Okay, I remember you.”

gu jin yi picked up the brooch in front of his chest, glanced at it and said coldly.

“Hello, I’m the designer of VL, ruby.”

With a flattering smile, she reached out her hand, but gu jin yi ignored her.

At last, she had to withdraw her hand awkwardly.

“I warn you, no one is allowed to touch her except me! Otherwise, you can’t afford the consequences.”

gu jin yi looked sideways at Ruyu, his sharp black eyes filled with coldness.

His sharp eyes were fixed on her for a few seconds, warning her that she couldn’t afford to offend Ning Xi, nor could she. There seemed to be all kinds of warnings.

Her heart trembled. Why did she feel a little uneasy when she looked into gu jin yi’s eyes.

“The first time is also the last time. You’d better remember what I said! Otherwise...”

After saying that, gu jin yi turned his head and looked at Ning stream. His face immediately changed into a smile and said to Ning stream, “Mrs. Gu, let’s go home.”

Ning Xi nodded in confusion. He didn’t understand what gu jin yi meant.

Then, he took the hand of Ning stream and left.

She stood still and looked at the backs of gu jin yi and Ning Xi in confusion.

What was going on? What’s the relationship between ning xiao xi and the CEO of the Empire group, gu jin yi? They look so close. And gu jin yi favors Ning stream so much. Why did he call her Mrs. Gu just now?

Were the two of them? At this moment, all kinds of thoughts came to her mind.

How could it be possible? Maybe I heard it wrong. How could a CEO of the Empire group like Nina.

However, the more she thought about it, the more irritable she became. Why did both her beloved man, Richie, and the CEO, Jean, treat Ning stream so well? Why wasn’t she better than Ning stream? Why wasn’t she better than her?

“Ah! ning xiao xi!”

Leona stepped hard on the ground with her left foot and looked ahead angrily.

She clenched her fists, her fingernails digging deep into her palms, and the phone in her right hand was almost crushed.

ning xiao xi!She won't let you live a happy life. Why can you get everything? She will take everything you have now!All of them!

In the car.

He was driving the car elegantly, with his slender fingers holding the steering wheel, and Nina glanced at him from time to time.

Why was gu jin yi here all of a sudden?Did he follow her?And what did he call her just now?Mrs. Gu?Wasn't he afraid of letting Susie know their relationship?

Ning Xi wanted to ask gu jin yi a series of questions, but he didn't open his mouth.

"Mrs. Gu, did you just go to see the Ye Ling City?"

gu jin yi suddenly said in a low voice.

Ning Xi came back to his senses and looked at gu jin yi in confusion.

"What?"

Ning Xi asked subconsciously.

gu jin yi smiled wantonly.

"Are you following me?"

Ning Xi asked, pretending to be surprised.

"Do you think I would do such a boring thing?"

gu jin yi answered seriously.

Ning Xi looked at gu jin yi and kept silent for a while. He thought what gu jin yi said made sense. As the CEO of an empire group, how could he have time to follow her?

Then he told her about her meeting with Richie.

"I have something important to see him. Do you know?How could he know our relationship? What should we do in the future? "

Ning Xi looked worried and asked gu jin yi.

On the other hand, he was always calm and indifferent. It seemed that he was not worried at all.

Seeing this, Ning Xi became anxious again. "What's more, are you out of your mind just now? And you even called me Mrs. Gu. I don't want you to know our relationship. If it goes on like this, everyone will know!"

Ning stream kept talking. While driving, he listened to Ning stream in silence. Occasionally, a meaningful smile appeared on his face.

Soon they arrived home. Ning Xi went upstairs with gu jin yi. Along the way, Ning Xi kept talking with gu jin yi about various problems until he followed gu jin yi's room.

"Hey, gu jin yi, don't you worry about that? What if the news is spread and exposed? What are you going to do?"

Ning Xi frowned and wanted to scold gu jin yi, who looked as if he had nothing to do with it. It seemed that she was the only one who was worried about it, and he looked very relaxed.

"Why should I worry? It doesn't matter if the news is spread or exposed. "

gu jin yi calmly answered Ning Xi.

what? How could gu jin yi answer in this way? Don't worry? It didn't matter whether it was spread or exposed? Didn't he always hate to let others know their relationship? Now he said he didn't care!

"Do you know that we..."

Ning stream was about to say something, but gu jin yi suddenly walked up to her and looked down at her. "Of course I know we are a couple. You, Susan is my wife."

Ning Xi was stunned and frowned. Was gu jin yi serious or just kidding?

"I'm serious. Don't think I'm joking."

Ning Xi looked at gu jin yi seriously.

"I'm also seriously answering you, my dear Mrs. Gu."

gu jin yi smiled, showing no sign of embarrassment.

"Really? Don't you mind letting others know our relationship?"

Ning Xi asked tentatively.

gu jin yi raised his eyebrows and suddenly held her slender waist. "As long as you don't mind, I will let the whole world know that you are my woman, my only wife."

Hearing the answer of gu jin yi, ning xiao xi stared at gu jin yi blankly and found that he had changed. He was no longer so unreasonable and threatening.

In the past, gu jin yi would never allow others to know their relationship, but now, he actually said that he wanted the whole world to know their relationship.

But he was talking about Susan, not her, Nina. What would he react if he found out that she was just a subst**ute one day?

“You, let go of me first.”

ning xiao xi tried to break away from gu jin yi’s arms, but was held more tightly by gu jin yi.

“Mrs. Gu, let’s sleep together tonight.”

gu jin yi whispered in Ning stream’s ear.

“No way!! don’t want to sleep with you. ”

Ning Xi answered first.

“You don’t want to sleep with me?Then who do you want to sleep with? ”

gu jin yi said in a low voice, squinting at Ning Xi with his evil and attractive black eyes.

Ning Xi rolled his eyes. Of course she wanted to sleep with her two babies.

“I’m used to sleeping alone.”

Ning Xi lied calmly.

In fact, she had been sleeping with her two babies for most of the five years. Now she was not used to sleeping alone. She always felt insecure and could not fall asleep until she tossed and turned for countless times.

“From now on, you have to get used to sleeping with two people.”

gu jin yi said with a smile.

“By the way, your hand...”

Ning Xi suddenly remembered the wound on gu jin yi’s hand. She broke free from gu jin yi’s arms and took his big hand to have a closer look.

The bright red blood had soaked some of the gauze on the outer layer. She frowned subconsciously and said, “no, I have to go to the hospital to see a professional doctor.”

Then Ning Xi took gu jin yi’s hand and was about to go out.

“It’s okay. I have enough blood in my body. It’s good to bleed.”

gu jin yi looked at Ning Xi with a calm face.

“Don’t be like a child. You will get infected if you don’t go to the hospital.”

Ning Xi said to gu jin yi anxiously.

“Are you worried about me?”

gu jin yi asked, raising his eyebrows.

“I’m not worried about you. I’m just afraid that your infection will affect me.”

Ning Xi turned his face and didn’t dare to look at gu jin yi. She was afraid that he would see through her worry for him at a glance.

“Pack it for me again. I don’t want to go to the hospital.”

gu jin yi said in a deep voice.

Besides, Nina could tell that he didn’t want to go to the hospital.

She no longer insisted, but took out the first medical kit and bound up gu jin yi’s wound again.

“Well, it’s lucky that the wound doesn’t get worse. Go to bed early.”

Ning Xi said to gu jin yi while tidying up the medical kit.

“Okay.”

gu jin yi said in a low voice.

Then Ning Xi stood up and took gu jin yi’s hand, indicating that he wanted you to go to bed.

Suddenly, she felt gu jin yi’s body temperature was very high. Then she looked up at his pale face and asked, “gu jin yi, why are you so hot?”

She was concentrating on bandaging his wound just now and didn’t notice gu jin yi’s temperature at all.

Ning Xi stretched out his hand and touched his forehead. “It’s so hot...”

“I’m a little tired. I want to sleep first.”

gu jin yi said indifferently.

Then, Ning Xi helped gu jin yi walk to the bedroom. After he lay on the bed, Ning Xi fetched cold water from the bathroom and put a towel on his forehead.

“Cold...”

gu jin yi said subconsciously.

ning xiao xi took out a big quilt from the cabinet and covered it on gu jin yi.

Then she took out an ice pack from the fridge and wrapped it in a towel.

ning xiao xi stood beside gu jin yi, changed a towel for him and measured the temperature

It was almost midnight. Ning Xi touched his forehead and then compared it with his own. “His fever seems to be gone.”

Seeing that gu jin yi looked better, Ning Xi finally breathed a sigh of relief.

“Oh, my fever is finally gone.”

Ning Xi tucked gu jin yi in and stood up.

Suddenly, he grabbed her wrist and said, “it’s so cold...”

Ning Xi frowned. How could she feel cold after her fever was brought down?It shouldn’t be.

ning xiao xi didn’t expect that gu jin yi had actually come to his senses.
