Chapter92

Ning Xi wanted to cover gu jin yi with another quilt, but she couldn't figure out a way for a while since all the quilts were here.

But when she heard gu jin yi keep calling her cold, she had no choice but to lie on the bed and sleep with gu jin yi in her arms.

"It's not cold, is it?"

Ning Xi murmured to himself. She didn't know that gu jin yi had woken up.

Gradually, the tired Ning Xi fell asleep with gu jin yi in his arms.

gu jin yi slowly stood up and covered the quilt on Ning Xi, then changed a posture to hold her in his arms.

gu jin yi squinted at the little woman in his arms. Seeing Ning Xi taking care of him so carefully, a sense of happiness rose in his heart.

Susan, you still care about him, but why do you always refuse him?

Unable to figure out the answer, gu jin yi held Ning Xi's little head and looked at her dotingly.

Susan, I don't know when I was attracted by you. When I suddenly found that you were not by my side, I felt empty and tasteless. Wherever you are, even the air you breathe is fresh. I fell in love with you for no reason. I even didn't realize since when.

Your unexpected arrival gave him the warmth he wanted.

gu jin yi held Ning Xi tightly, fearing that he would let her run away by accident. He stared at Ning Xi affectionately with his dark eyes.

Then he left a gentle kiss on Ning Xi's forehead.

"Good night, my only wife, Mrs. Gu."

The two of them slept together tonight. They had a good and happy night

On the second morning, gu jin yi woke up early. He supported his head with one hand and leaned his body to stare at Ning Xi who was still sleeping.

"Okay."

Ning Xi curled up in gu jin yi's arms and slowly opened his eyes as if he was slightly awake.

"You are awake."

gu jin yi said indifferently.

"Yes, I slept well last night."

Ning Xi thought he was sleeping on his bed before he came to his senses.

“Really? It seems that you are used to sleeping with two people.”

Hearing gu jin yi’s words, Ning Xi suddenly realized what had happened and looked up, “ah!”

“Well, my chin...”

Ning Xi hit gu jin yi’s chin hard, which made him cry out of pain subconsciously.

“Yes, I’m sorry. Are you okay?”

Ning Xi frowned and apologized hesitantly.

“It’s okay as long as you are here.”

gu jin yi hugged Ning Xi face to face, with affection in his eyes.

“I... why am I here?”

Ning Xi blushed and lay in gu jin yi’s warm arms when he woke up in the morning.

“I had a fever last night, and then...”

gu jin yi replied simply.

“Oh, let me touch it. It shouldn’t be burning now.”

ning xiao xi stretched out her hand from the quilt and put it on his forehead.

“I think it’s still a little bit hot,” replied Edmund, lowering his head

“No, I’m fine.”

Ning Xi touched his forehead and felt it was completely normal.

Ning Xi didn’t expect that gu jin yi said that on purpose, just to make them sleep together for a longer time.

“But I still feel a little cold. You have to hold me tightly.”

gu jin yi, like a child, said gently.

“How about I take your temperature with a thermometer?”

Ning Xi was about to stand up, but was held tightly by gu jin yi. “No, thanks. It’s not cold if you hold me.”

All Ning Xi thought about was gu jin yi’s coldness. He held his tall and strong body in his arms out of concern.

gu jin yi smiled with joy.

“It’s not cold, is it?”

Ning Xi looked up at gu jin yi and asked.

“It’s not cold.”

gu jin yi answered in cooperation.

As soon as Ning Xi raised her head, she happened to see his deep black eyes. His nose was full of mature male hormone breath, which was so attractive between Ning Xi’s lips and nose.

Ning stream’s heart began to beat faster and faster, as if it was about to sink into it.

She quickly lowered her head, only to see gu jin yi’s s**y and charming Adam’s apple rolling up and down.

Ning stream closed her eyes immediately. Don’t think too much!

How could this man be so perfect? There was not a single flaw in her body, which made her think of some dirty ideas.

Ning Xi’s face turned redder. No, No. she had to get out of his arms as soon as possible. She couldn’t stay with him.

Ning stream struggled to get up, but as if he knew it, he held her even tighter on purpose so that she couldn’t move.

“Sleep with me for a while.”

gu jin yi said, still unsatisfied.

ning xiao xi had to lie still.

“Why is your heart beating so fast?”

Squinting his eyes, gu jin yi could feel Ning Xi’s heartbeat on his chest.

“No, No.”

Ning Xi explained and immediately held back his heartbeat with his hands.

“Why do I feel that you are shy?”

gu jin yi slowly let go of Ning stream. His handsome face was facing the red faced Ning stream, staring at her with his dark eyes.

Hearing what gu jin yi said and looking at ning xiao xi with his deep black eyes, Ning Xi was so flustered that he didn’t know what to say.

“I... I don’t want to talk to you anymore.”

ning xiao xi tried to avoid gu jin yi’s eyes, but her head was surrounded by a big hand of gu jin yi, making her unable to move.

gu jin yi pa**ed through Ning Xi's head and put it at the back of his head. He slowly approached Ning Xi, and then a affectionate kiss fell on Ning Xi's forehead.

Ning stream was flattered. Her clear eyes widened slightly. She didn't avoid his kiss and just let him kiss her forehead.

Then he kissed her eyes, her nose, and finally her pink lips.

gu jin yi kissed Ning Xi tenderly and overbearingly, with the tip of his tongue invading and s***ing her hard. It seemed that Ning Xi could only belong to him.

Ning Xi immediately got out of gu jin yi's arms, "it's time for you to go to work."

Then he stood up from the bed, looking like a shy little girl.

"Well, honey, it's up to you. Then get up and go to work."

Then gu jin yi also got up from the bed. Ning Xi narrowed his clear eyes at gu jin yi and said, "put on your clothes!"

Ning Xi turned around and covered his eyes with his hands.

"I've already touched it, but I don't dare to look at it."

gu jin yi raised his eyebrows and said with an evil smile.

"Who touched you?"

Nina turned around angrily and asked him loudly.

"I don't know who touched me in my arms last night."

gu jin yi looked at Ning Xi with his evil and attractive eyes and couldn't help bursting into laughter when he saw Ning Xi's flushed face because of shyness.

chapter 93

"Youl... "

Ning Xi couldn't remember whether it was as gu jin yi said last night. Anyway, she didn't remember. But when she woke up early in the morning, she was in his arms. Maybe she really touched him.

Seeing Ning Xi's guilty look, gu jin yi couldn't help but smile.

This stupid woman was really cute.

"Even if I touch you, you can't be so naked!"

It had to be said that no woman would be attracted by gu jin yi's straight and strong body. His six strong abdominal muscles and two s**y and charming chest muscles were all the highlights of his figure.

Mature and s**y, full of masculine, almost sinking into Ning stream.

“I will only show you.”

gu jin yi walked into Ning stream and approached her slowly. His dark eyes narrowed slightly.

“Well, I won’t look at it.”

ning xiao xi made a face in her heart, pouted and glanced at gu jin yi.

“You are the first woman who has seen me naked. You should be honored.”

gu jin yi opened his thin lips and stared at Ning Xi.

“Wow, I’m so excited. I’m so lucky. See the naked side of the CEO of the Empire group.”

Ning Xi said, pretending to be shocked.

On the other hand, when he heard what Nina said, he felt happy.

Although Nina pretended to be excited and knew at a glance that she did it on purpose, he didn’t know why he was still happy.

“If you like it, I’ll show it to you. Enjoy it slowly.”

gu jin yi raised his eyebrows and said arrogantly with an evil and attractive look on his face.

“It’s not enough to just look at it.”

Ning Xi narrowed his watery eyes. There were all kinds of weirdness in them. She had a bad idea to let him be so brazen in front of Ning Xi, gu jin yi. She had to play some tricks to make him feel a little threatened.

“Isn’t it enough? What do you want? I will satisfy your husband.”

gu jin yi said with a smile.

“That’s what you said. Satisfy me.”

Ning Xi seized the opportunity and began to use her little tricks.

gu jin yi smiled wantonly and nodded.

ning xiao xi took out her phone from her bag and took a picture of gu jin yi’s naked upper body.

“You’d better keep it in your phone. You’d better check it before going to bed and get up every day. Keep it in mind.”

gu jin yi said arrogantly.

Ning Xi looked at gu jin yi with a weird smile.

“It’s so rare to see naked photos. I have to see them every day.”

gu jin yi suddenly felt something was wrong and asked, “Why are you smiling so insidiously?”

“You should be polite to me in the future. Otherwise, I have your naked photos. I don’t want others to see your strong body. It’s up to me then...”

Ning Xi looked at gu jin yi with a smile, as if his trick had succeeded.

“Susan, how dare you threaten me?”

gu jin yi stared at Ning Xi coldly.

“How many times have you threatened me at that time?I won’t threaten you if you are polite to me. At the same time, I will save this photo well. ”

With a confident look on her face, Nina seemed not to be afraid of him at all.

“Stupid woman, you’ve learned to be smart.”

gu jin yi smiled wantonly.

“You are the fool. It’s getting late. Go to work now.”

Ning Xi said to gu jin yi as a commander.

“It’s my fault. I’ll do whatever my wife says.”

Hearing his answer, ning xiao xi couldn’t help feeling happy.

“Then I’ll go to work first and wait for your husband at home.”

gu jin yi put on a dark gray suit, a white shirt and a blue tie.

“Wait, I haven’t t***** my tie yet.”

Then Ning Xi walked to gu jin yi, stood on tiptoe and tied his tie.

gu jin yi slowly lowered his head and approached Ning stream. Ning stream reacted at once, “don’t try to take advantage of me again.Have you tied your tie? Go ahead. ”

“Should I give you a hint before I leave?”

gu jin yi acted like a rascal and refused to leave.

“What do you mean?I’ve slept with you for the whole night. ”

Ning Xi blurted out and lowered his head in embarra**ment.

gu jin yi smiled and looked out of the window in surprise. “Look, what’s that?”

Ning Xi looked up at gu jin yi.

Realizing that she was cheated, she turned around and said, “you lied again...”

“HMM...”

Before Ning Xi could finish his words, he gave her another unexpected kiss.

“You are such a rogue! You lied to me again!”

Ning Xi got rid of him and shouted at him with a red face.

“Why are you so stupid? I’m going to work. Wait for me, little fool.”

Then gu jin yi strode out of the room.

Ning Xi glanced at gu jin yi’s back and said that Ning Xi was a pig. Then what about you, gu jin yi? Piggy husband? Mr. pig? Hahaha

Ning Xi couldn’t help but burst into laughter, and a happy smile appeared on his face from the inside out.

After gu jin yi left, Ning Xi listened to zi hao’s arrangement and rested at home for two days.

ning xiao xi thought that she would have a good rest at home these two days, so she would spare some time to see the two.

On the other side, Richie sat on the sofa lazily, staring at the documents in his hands.

“Mr. Richie, as you think, the night when Ning stream was in danger was not an accident.”

jie lun’s words flashed through his mind.

Looking at the document, he read it word by word.

“VL dress designer, ruby.”

There was a sharp light flashing in the cold and attractive eyes of Richie.

She didn’t want to stay in this circle anymore since she dared to ask someone to hurt Ning stream.

At the gate of VL company, Richie asked someone to wait for her. He informed her that he would leave the company when he was about to get off work and rushed there as soon as possible.

In a latest Mercedes Benz, Richie was wearing a white casual suit, looking sunny and handsome. She wore sunglasses because she didn’t want others to notice him.

chapter 94

“Mr. Richie, that woman has come out.”

jie lun was sitting on the driver’s seat. He happened to see Susie coming out of the company.

After confirming that it was the woman in front of him, he got out of the car slowly and walked up to her.

But when Leona wanted to bypass the man in front of her from the side, he walked to her again.

“Hey! Who are you? Will you leave or not?”

Susie roared as if she had eaten a bomb.

“Are you the one called ruby?”

He said coldly.

“You areThe city? ”

If she looked up at him closely, she was shocked and looked at him.

At first, her face became happy because of the work.

“Are you looking for Miss yam? She has been resting at home for the past two days. If you have anything, you can tell me.”

Seeing the man in front of her, she wanted to say something more.

“I’m here for you. It’s not convenient to talk here. Come to my car.”

After saying that expressionlessly, he turned around and went back to his car.

However, Leona was stunned. Did he ask her to get in his car?He didn’t come for Ning stream, but for her?

At this moment, Leona was so excited that she didn’t know how to describe it. It was the first time that Richie had looked for her.She was nervous and excited at the moment.

If she took out the mirror from her bag and looked at herself in the mirror, she brushed the hair on her forehead. She thought the clothes she wore today should be fine. Was it too revealing?And did she put on too much makeup?

If she looked at herself up and down, she was afraid that she would be disliked by Richie.

“Miss Susie, get in the car quickly. Mr. Richie is waiting for you.”

jie lun poked his head out of the window and called her name. It was not until then that she came back to her senses.

“I’ll be right there.”

Then she got on the car with excitement.

In the car.

The atmosphere was unusually heavy, and the two of them sat still without saying anything.

“Richie, what can I do for you?”

If vivi spoke first, she couldn’t suppress her excitement and showed a happy face.

“I do have something to tell you.”

He didn’t even look at her.

Leona lowered her head shyly and said, "you can call me if you have anything. Please come here in person."

"I think I'd better come here myself for a big shot like you," he added

If she had been addicted to the city, every word he said would sound good to her.

"Don't do anything behind my back to hurt Ning stream. If it happens again, it won't be such a simple warning," he warned

As soon as she heard what he said, she understood what he meant. Sitting in her seat, she was petrified.

How did he know about it? Did Ning Xi tell him? ning xiao xi! It's you again!

"Get off the car!"

Richie said mercilessly.

"What?"

Before Leona came to her senses, she heard the order of Ye Ling City to leave.

"Don't let me say it a second time!"

With a cold face, he looked at his phone.

"Ye Ling City, do you know Ning Xi is a two timer? He flirts with you while flirting with the CEO of the Empire group, gu jin yi. Do you still have a crush on such a woman?"

If she tried her best to make the Ye Ling City misunderstand ning xiao xi and say all kinds of promiscuous things about her.

Hearing what she said, Richie frowned.

"This is the matter between Ning Xi and me. Even if she is married to gu jin yi, you don't need to worry about how I will treat her."

Obviously, he was a little angry and impatient.

what? Get married? ning xiao xi married the CEO of the Empire group, gu jin yi?

At first, she just guessed the relationship between Ning Xi and gu jin yi, but she didn't expect that they would get married.

No wonder he gave her a warning the first time they met.

However, if she just mentioned it casually, she didn't expect to hear such an important information from the city.

"Ning Xi is already a married woman. She still fooled around with men."

Rufus said sarcastically.

“You mean me?”

With a darkened face, he said coldly.

“No, no, No. I didn’t mean that. How could I blame you? I just want to say that Ning Xi is too skittish and doesn’t behave himself even after getting married.”

If she explained in a hurry, she was afraid that Richie would misunderstand her again. She didn’t forget to tease Ning Xi.

“Enough! You can leave now. ”

He roared angrily.

“I... I just...”

“jie lun, I don’t want to see her again!”

Before she could finish her words, jie lun quickly got out of the car from the driver’s seat and pulled her out of the back seat.

“Let me go. I’ll go down by myself.”

If you get rid of jie lun arrogantly, you will change your opinion of her one day and see the real face of Nina.

Then she got out of the car silently.

“Let’s go!”

As soon as Leona got out of the car, she asked jie lun to drive away directly.

However, if she stood still and watched the car drive away, there was a flash of unsatisfied emotion in her enchanting eyes.

Then a touch of jealousy and resentment surged up in her eyes, concealing her certain feelings for him.

ning xiao xi! It’s you again! Why? Why did he come to see her for Ning Xi? Would he only talk to her when he got in touch with you?

‘why do they all like you? Why do you defend me like this? ning xiao xi, if you don’t let her live a better life, she will never let you live a better life. Just wait and see!

On the other side, in ye xiao xiao’s house.

ye xiao xiao sat on the sofa with a sad face.

Because the twins of the TV series she was going to perform were going abroad temporarily, and there was no suitable person for the time being, the TV series would be postponed.

It was not easy for ye xiao xiao to win the role of the two women for the first time with her own efforts. But because of such an accident, she might lose this opportunity again.

“ye xiao xiao, unless you find the suitable twins to act, you can give up the role of the two women in the TV play.”

The director’s words flashed through Celia’s mind.

What should I do?She couldn’t give up. But where could Celia find the two twins to act?
