chapter 95

At this time, two little babies ran in from the yard.

ye xiao xiao looked at the two babies inadvertently and an idea flashed through her mind.

I have an idea! chen chen han han!

The two of them were born to be good-looking, smart and talented. If they were properly cultivated, they might really be able to become stars.

“chen chen, han han, I love you so much!”

ye xiao xiao ran to the two babies and hugged them tightly.

“We have to keep our first kiss.”

ye xiao xiao squinted at them and rubbed their high nose.

“chen chen and han han, you are my lucky stars!”

They looked at ye xiao xiao in confusion. What happened to Aunt Celia?

The two babies looked at each other with their starry eyes and shrugged to show that they didn't know what had happened.

“Do you want to be an actress?”

ye xiao xiao squinted her eyes and said seductively.

“Be a star? Wow, can you wear beautiful clothes like mommy and walk on the red carpet? Will there be many fans?”

Hearing this, han han immediately thought of the last party of Ning Xi. She widened her big watery eyes and looked expectant.

“Then we can make a lot of money.”

chen chen said.

Because they could make money, and their mommy wouldn't have to work so hard and tired, so that she could have more time to grow up with them.

ye xiao xiao said seriously, “yes, you can not only walk the red carpet and have fans, but also make a lot of money.”

ye xiao xiao burst into laughter and stared at the two kids. It seemed that they were ambitious. One wanted to have a lot of fans, and the other wanted to make a lot of money.

“Okay, we want to be stars!”

The two replied with one voice and a firm will.

ye xiao xiao smiled with relief. She finally had a solution.

The next step was to ask Ning stream to agree. Celia knew that Ning stream didn't like her two babies to appear in the public, so she had to cooperate with the two little babies to get their mommy's consent.

"chen chen, han han, let me tell you. When your mommy comes back, we will..."

"....."

The three of them carefully planned and said, "that's a deal. When she comes back, the three of us will persuade her together."

ye xiao xiao put her hands in front of the two babies and put them on the back of her hands.

"Try to persuade Mommy!"

The three looked at each other weirdly, and then a wanton smile appeared on their young faces.

gu jin yi returned home after work, and Ning stream was preparing dinner.

"I'm back."

gu jin yi said subconsciously as soon as he entered the room.

"Why do you come back so early today?"

ning xiao xi ran out of the kitchen.

gu jin yi looked at Ning Xi with a strange look.

Only then did ning xiao xi realize that she was wearing a light pink dress, a blue and white plaid apron, and her hair was disheveled and fell vertically under her shoulders.

Because she didn't go to work at home, she took a shower early and washed her head. Then she went to the kitchen to cook, without noticing her own clothes.

"Oh, I didn't go to work today, so I put on my shirt directly."

Ning Xi smiled awkwardly and explained.

"AhemThen why don't you wear that?"

gu jin yi noticed two hickeys under his shirt.

Ning Xi looked down in the direction gu jin yi was looking at, and his white and red cheeks immediately turned hot and red.

"I..."

Ning Xi covered his face and went upstairs.

Looking at her back, gu jin yi couldn't help smiling cozily.

Then he went upstairs slowly,

Ning Xi put on his bra and hurried out of the room.

As soon as Nina went out, she ran into bill.

Ning Xi was so frightened that he took two steps back. Then he fell back subconsciously because his slippers hit the carpet.

The smart Ning stream grasped a life-saving straw in an instant. Unexpectedly, gu jin yi lost his balance and fell directly on Ning stream, falling on the carpet together.

In this way, the lips of the two were pressed together.

“Ah!You pervert!”

Due to the inertia of stimulating the nerves, ning xiao xi pushed gu jin yi away with all her strength, but it seemed that her strength was not enough in front of gu jin yi.

“It was you who pulled me down. Am I a pervert now?”

gu jin yi said helplessly.

“Well, you are a freak.”

“Then I will be more abnormal.”

Then he kissed her again.

“HMMgu jin yi, get up! You are going to crush me to death!”

ning xiao xi took a deep breath and said.

“Don’t you think I’m a pervert?”

gu jin yi raised his eyebrows and asked arrogantly.

Ning Xi kept silent for a while and said, “I don’t want to talk anymore. Get up first.”

Nina pretended to surrender, waiting for him to get up from her.

gu jin yi stood up. Ning Xi let out a “ouch” and blushed.

gu jin yi, are you a pig?It was so heavy that her heart was still pounding.

“Susan, are you cursing me in your heart again?”

gu jin yi stared at Ning Xi and read his mind at a glance.

Ning Xi was stunned and looked at gu jin yi expressionlessly, “I... I’m not. I’m going to cook for you.”

The only thought in Ning Xi's mind now was to leave first. Ning Xi covered his face and walked away from gu jin yi, ready to go downstairs

'oh my God! Am I a God? He could tell from her words that she was cursing him.

"Come here."

Then, he strode to the front of Ning stream, picked up Ning stream's shirt and walked to his room.

"I'm not going. I have to cook downstairs."

Ning stream struggled and tried to walk towards the stairs.

gu jin yi didn't say anything more to Ning Xi and directly carried him into his room.

"Hey! gu jin yi, what are you doing? "

Ning Xi kept moving in gu jin yi's arms.

gu jin yi silently put Ning Xi on the bed and took out the hair dryer from the bathroom.

"You stupid woman. You don't even know how to dry your hair after washing it. What if you catch a cold? "

gu jin yi sat on the edge of the bed and lay Ning Xi's head on his slender thighs.

"So you are drying my hair?"

Ning Xi was lying on gu jin yi's lap.

"Or what do you think I'm going to do?"

gu jin yi said, raising his eyebrows.

"Nothing. Just blow it. I'll just lie down and watch TV for a while."

Ning Xi twisted his body and lay in a comfortable position, turning on the TV with his mobile phone.

"Don't lie on the bed and look at your phone. It's bad for your eyes."

gu jin yi said in a deep voice like a father.

Ning Xi didn't seem to notice gu jin yi's words. He watched TV happily as an anthomaniac.

What kind of TV play was so beautiful? Was he not as attractive as the TV series? How dare Ning Xi ignore him when he talked to gu jin yi.

gu jin yi was about to call Ning Xi, but he changed his mind when he saw her giggle.

gu jin yi kept staring at Ning Xi. This stupid woman was beautiful when she was obedient, and it was good for time to stay at this moment quietly.

gu jin yi smiled contentedly.

Then he dried the hair of Ning stream. When he was about to stand up, he found that Ning stream had fallen asleep.

Stupid woman, you can fall asleep in this way. Aren't you afraid that he will do something to you after you fall asleep?

gu jin yi smiled and stared at Ning Xi.

Then gu jin yi gently picked up Ning Xi, put a pillow on her and covered her with a quilt. He gently kissed Ning Xi on his forehead

The second morning.

gu jin yi got up from the bed. Ning Xi frowned, "well, why are you so early?"

Ning Xi slowly opened her eyes, only to find that he was b\*\*\*oning up in a white shirt. She suddenly opened her eyes and stared at him.

"Why... Why did you sleep with me again? Why are you sleeping with me again? "

gu jin yi looked at Ning Xi with his deep black eyes and asked, "what do you mean I slept with you again?"

"No, No. you made me faint. I mean, why are we two sleeping together again? "

Ning Xi woke up early in the morning and stammered, not knowing what he was talking about.

"Isn't it normal for a couple to sleep together?"

gu jin yi said indifferently, raising his eyebrows.

"Bill!"

ning xiao xi picked up a pillow and threw it at gu jin yi.

"Mrs. Gu, please take a good look. This is my bed."

gu jin yi's evil eyes narrowed slightly and a scheming smile appeared on his face.

Only then did ning xiao xi realize why she was lying on gu jin yi's bed? Oh, yesterday, he blew his hair and then fell asleep.

But he shouldn't take advantage of her. He could wake her up.

Nina rolled her eyes at him. "I'll go back to my own room!"

When Ning Xi was about to stand up, gu jin yi suddenly said with his evil and attractive eyes slightly narrowed, "I haven't completely recovered from the fever. You have to be responsible for adjusting my health. Otherwise, you can ask for leave to take care of me."

gu jin yi, don't be so shameless. Did Ning Xi cause your fever? She has to ask for leave to take care of you.

Then Ning Xi changed his mind and thought, 'if he is sick, I will be the one who is busy at that time, and his mother will definitely be criticized for coming here.'

In this way, he was not afraid that his mother would suddenly attack him.

Ning Xi began to turn his head. They could sleep in one bed, but sleeping in the same bed didn't mean they could sleep together. The bed could be divided into two parts.

Ning Xi, you are so smart

"Well, your bed is soft and comfortable. It's a waste of time if you don't sleep!"

Ning Xi said confidently.

gu jin yi narrowed his eyes and thought, 'this stupid woman must be thinking about something strange!' He agreed so readily.

Then gu jin yi said, "Okay, I'll go to work now, my dear wife." Then she left the bedroom.

Ning Xi stared at gu jin yi's receding figure and said, "I haven't admitted you!"

After gu jin yi left, Ning Xi got up and cleaned up. He planned to go to Celia's house to see the two babies today.

Ning Xi wore a floral skirt, a sweater, a vest, and a pair of black boots, which all showed the invincible young lady style.

As soon as they arrived at ye xiao xiao's house, ye xiao xiao and the two babies pulled Ning Xi to the sofa and sat down happily.

"What happened?"

Ning Xi squinted at the three of them and asked in confusion.

"Naomi, I have something to discuss with you."

ye xiao xiao asked with a hopeful expression.

"Celia, if you have anything to say, just tell me. I will help you."

Ning Xi looked at ye xiao xiao and felt that she was in trouble.

"Really? Then I'll tell you directly. "

ye xiao xiao immediately turned grief into joy, with a joyful smile on her face.

Ning Xi nodded.

“I need a pair of twins for the TV play I’m going to play, so I want chen chen and han han to play.”

ye xiao xiao said straightforwardly.

Ning Xi was stunned. chen chen and han han acted in a TV play? Didn’t that mean that they would appear in everyone’s eyes? no way.

“Celia, I’m afraid I can’t help you.”

With a guilty look on her face, Ning stream replied to Celia.

Then, the two little babies looked at each other and blinked, about to start the a\*\*ist mode.

“Mommy, please agree with aunt Celia.”

“Yes, yes. We also like acting. In that case, we may be big stars in the future!”

She kept begging Ning stream, but Ning stream remained unmoved.

She, Ning Xi, didn’t want her two to be big stars. In that case, everyone in the Gu family would know the existence of chen chen and han han, wouldn’t they? What if she found out the truth and took away her two babies? No, absolutely not. She couldn’t take the risk.

“Naomi, you know it’s not easy for me to win the role of the two women. You don’t want me to be killed before I act, do you?”

ye xiao xiao begged Ning Xi again.

Hearing ye xiao xiao’s words, ning xiao xi frowned.

Ning Xi knew ye xiao xiao very well. Although she was born in a rich family, she didn’t put on airs as a rich lady. She helped her a lot abroad. With her family relationship, she could easily get any role in the TV play, but she didn’t want to rely on her family to advance step by step.

It was not easy for her to become an eighteen line star now.

“Celia, it’s not that I don’t want to help you, and…”

Ning Xi said awkwardly.

“Naomi, I know what you are worried about, but I promise you that chen chen and han han will take this as a help in Jianghu.”

ye xiao xiao pouted and put her hands together.

chapter 97

“Mommy, you always tell us to be willing to help others. Now that Aunt Celia is in trouble, we should help her.”

han han said seriously.

“Help me?Who taught you to use the idiom?”

Ning Xi was confused and wanted to laugh at han han.

“The teacher taught us the idiom yesterday. Isn’t Aunt Celia in distress now?So we need to speed up the situation.”

chen chen said firmly.

ning xiao xi and ye xiao xiao couldn’t help laughing. It seemed that they didn’t go to the kindergarten for nothing. Although the wording was not very appropriate, they had learned a lot of idioms.

Seeing that the two of them also wanted to act on TV, Nina began to waver.

“MommyJust say yes.”

“StreamSay yes.”

The three of them began to unite. Ning stream had no choice but to agree.

“Just take it as an emergency in Jianghu, only this time!”

Ning Xi glanced at the three people, indicating that it wouldn’t happen again.

“Yes, sir !”

The three of them raised their left hands and put them beside their heads, as if they were following orders.

Then the three of them looked at each other with a sly smile.

Then Celia’s phone rang. “It’s the director. I have to answer the phone first.”

Then, Celia stood up and walked into the yard.

The two babies began to squint at Ning stream as if they were adults.

“Why are you looking at me like that?Do you want to ask me about your father again?”

Ning Xi knew what they were going to say as soon as he saw the two expressions on their faces. It must be about her and gu jin yi again.

“Ha ha, our mommy is so smart.”

The two babies praised at the same time.

“Your mommy is not only smart, but also charming.”

Ning Xi praised himself and squinted at the two babies.

“Mommy, tell me, what happened between you and daddy?”

As expected, both of them were extremely excited.

“Your daddy confessed his love to me.”

Ning Xi said indifferently. She thought the two men would blow up when they heard the news, but she didn't expect them to be more indifferent than her.

“No wonder he is my father. If you like him, you can express your love immediately.”

“Oh, daddy is so handsome. How is Mommy feeling now that she has been confessed?”

Ning Xi looked at them in a daze, “is this your reaction? Why don't you ask me what happened? Why is it so sudden?”

The two babies looked at each other and smiled. In fact, when gu jin yi took Ning Xi away on the red carpet, the two babies had guessed that their father had fallen in love with their mother. According to his character, he should express his love to their mother very soon, so when Ning Xi said it, the two babies didn't feel strange at all.

“Brother, it seems that our wish is about to come true.”

han han put her head close to chen chen's ear and whispered.

At this time, Celia came in after answering the phone. “Stream, the director asked me to take chen chen and han han to the company. You can go with him.”

“Can we go now? WOW!”

They jumped up excitedly.

“Celia, please take them there. I have to go home now. I can't stay here for too long.”

Ning Xi looked at his watch and found it was late. He was worried that gu jin yi would find out that he was not at home.

“Well, I'll take them there. You should go back early too.”

Then the four of them went out together. Ning stream went home, and Celia went to the company with the two babies.

In the film and television company.

“Wow, this place is so big and beautiful!”

When they arrived at the company, they looked around with their eyes wide open.

“chen chen and han han, I'll take you upstairs later. Be good and don't run around.”

ye xiao xiao reminded them in advance.

The two babies nodded to show their understanding.

ye xiao xiao walked into the company with two people, and a pair of envious and hateful eyes shot at them.

“Who are those two kids? You are so beautiful. ”

“Her skin and facial features are so good. I don’t know what kind of parents can give birth to such a perfect child.”

“.....”

“Aunt Celia, why are they always staring at us?”

chen chen han han held Celia’s hand and asked with a frown.

“You are so beautiful that I want to take a look at you.”

ye xiao xiao answered with a joyful smile.

ye xiao xiao took two elevators to the eighth floor and led them directly to the film studio.

She knocked on the door and came in. “Hello, Mr. Xu, director.”

ye xiao xiao greeted politely.

“Well, have you brought the two kids with you?”

The director asked directly.

“chen chen, han han, come here.”

Because of the strange environment and people, two of them subconsciously hid behind Celia.

Celia led the way and jumped out from behind.

“Director, this is the twins I told you on the phone. Can you see the two of them act in the play? ”

The director didn’t pay attention to the two at all. “It’s not easy to find two children to act. They must meet the company’s requirements.”

“What request? Tell me! ”

chen chen said suddenly.

The whole office fell into silence.

The boy’s voice was childish but also as deep as an adult’s. His voice seemed to be full of deterrence, and everyone present could not help but look at him.

When the director and the producer looked at chen chen and han han, they were stunned and were about to open their mouths into “O”.

How could there be such a powerful spiritual energy in the world? A child with delicate facial features, big round eyes, high and xiao qiao nose, tender and s\*\*y thin lips.

He looked like a royal member of the royal family. If they came to act in TV series, they must be very famous!

“Celia, whose child is this?”

The director walked close to them and kept looking at chen chen and han han.

“They are my friends. If they are not suitable for each other, I will take them back first.”

ye xiao xiao looked disappointed. It seemed that her two daughters were doomed.

“Wait, why not? They are totally in line with the company’s image. Just them! ”

The producer came forward and said seriously.

ye xiao xiao was stunned? There was no need for her to take any test?

“Mr. Xu, don’t they need to pa\*\* the small star a\*\*essment?”

ye xiao xiao asked cautiously.

“It’s enough for them to have such a handsome face.”
