

Cutie Please Marry Me Again Chapter 10

How does she feel?

In a word, like a basin of cold water, poured on Xi Nianchen's desire, put out all his passion!

His face was cold, and his dark eyes became more attractive.

Suddenly, there was a chilling sneer.

"Gu shengxia, what qualifications do you have to mention her?"

Smell speech, Gu shengxia from inside to outside feel cold, heart tremble.

Xi Nianchen leaned over to shorten the distance between them again.

His low voice sounded in his ears, murmuring like a cello, deep and sexy, easy to bewitch people.

"Gu shengxia, you don't even deserve to lift her shoes. Where did you get the confidence to lift her?"

Xi Nianchen's words came, his hand suddenly closed and clenched Gu shengxia's wrist.

This tightening, let Gu shengxia subconsciously raised his head, but just to the seat Nianchen that smile handsome face.

Just that smile but cold let her whole body cold, the body began to stop shaking.

"Three years ago, you were not sober, but three years later you touch me again, that's still sorry for her?"

“Shut up, Gu shengxia. Shut up. I said you’re not qualified. You didn’t hear me, did you?”

When the man heard her words, his free hand squeezed her jaw fiercely, and his eyes were scarlet.

But at this time, Gu shengxia just wants to get rid of Xi Nianchen, and doesn’t want him to touch her again, let alone recall what happened that night.

So, she took a deep breath, but she didn’t look at Xi Nianchen’s angry eyes so much. She continued: “grandma wants children, so we can be test tube babies.”

As soon as Gu shengxia’s words came out, Xi Nianchen seemed to be thinking seriously, but nothing happened.

Her heart suddenly stopped when she saw the man because of her words. Somehow, she became more afraid.

Frightened looking at the pressure of the man in her body, she is afraid that one does not pay attention, the man will use strong!

The distance between the two people, let her enough to hear the man’s strong and powerful heartbeat.

“Test tube baby?”

Hearing that the man finally spoke, Gu shengxia nodded.

Although the process of IVF is very complicated, she has no choice?

“Gu shengxia, why do you think I will let you have Xi Nianchen’s children?”

Suddenly, because of her words and stop the action of the man, suddenly feel funny general curl lips, that pair of dark eyes with a smile.

Xi Nianchen's words make Gu shengxia flustered.

This is the only way she can think of, but the man does not agree. What should she do?

"I..."

"Gu shengxia, do you think it is possible for you to play tricks in front of me for the second time?"

Words fall, no temperature lips again strong pressure down.

"Oh, since you dare to provoke me at the beginning, you have to be prepared to provoke me!"

The smell of his bath milk mixed with red wine and her body was sprayed on her already red face again.

His kiss is too strong for her to breathe. She can only bear his fierce kiss.

Gu shengxia wants to resist, but her lips have been kissing. The man's big hands are holding her back.

So tight, sucking her lips.

"No, you let me go, please, don't do this to me, please..."

Gu shengxia begs Xi Nianchen not to do this to her.

But Xi Nianchen didn't pay attention to her at all. Even when he heard her asking for him, he made more efforts and gave Gu shengxia a cruel kiss.

It seemed that he wanted to swallow all her voice. He didn't want to hear any words she said now.

This hypocritical woman only makes him feel sick!

“Xi Nianchen, you can’t do this to me. I beg you.”

The breathless sound of shock entangled the two people’s breath tightly.

“Please? It’s too late

The ambiguous atmosphere on the attractive big bed rises gradually, and the air gets hot.

Gu shengxia stares nervously at the handsome face of Xi Nianchen, who is pressed on her body without expression, and the panic in her heart is growing.

Although she had just been psychologically prepared in the bathroom, when she was really treated like this by him, she found that she still couldn’t do it!

“Please, I can do anything, but don’t do that to me.”

She can’t do it. She really can’t do it.

“Oh, I can’t do that to you?”

Xi Nianchen obviously didn’t notice that Gu shengxia was not right. What he had in his heart was his disgust for Gu shengxia.

Such a hypocritical woman should not exist in this world.

But when he saw the woman who was pressed by him, his eyes were red and swollen because of fear, and his ink eyes narrowed, and his dark eyes became deeper.

But there was no pause in the movement of the hand. The struggle of a woman, in his view, is undoubtedly a gesture of refusing to return. What she has done before is to hope that he can come back?

Now there is even a plot to use test tube baby to attract his attention, such a deep-seated woman, damn it!

Xi Nianchen frowned and moved.

A room of love!

When Gu shengxia wakes up, it's already 12 o'clock in the evening, and she's holding her body as if she had been run over.

But suddenly heard the man's low alcohol voice, without a trace of temperature said: "wake up, roll."

Gu shengxia saw clearly that the man did not know when he had already put on his bathrobe, holding a cigarette in his hand.

Xi Nianchen turned around and looked at Gu shengxia's face before he could react. He sarcastically said, "it seems that you just think it's not enough!"

Gu shengxia suddenly raised his head, followed the direction of Xi Nianchen's eyes, instantly reacted, and quickly grabbed the quilt to wrap himself.

What Xi Nianchen doesn't know is that Gu shengxia under the quilt has been shaking all over because of the scene.

Gu shengxia's face was pale and weak. He was as embarrassed as a ghost. There was some dim light in the room, which made him more strange.

Seeing a woman's expression and tears, he should feel happy, but why would he suddenly feel irritable!

"Hypocritical woman, I said don't let me see your dirty tears again!"

Gu shengxia smell speech, subconsciously raised his head from the quilt, looking at the man standing by the bed, full of cold.

Even if you don't touch the thin lips, you can feel the cold without temperature.

"Get out of here now."

He told her to leave?

God knows how much she wants to leave now, but she can't!

Before hearing Xi Nianchen's promise of surgery, she can't go!

Looking at that pair of dark eyes which are very similar to her Rui Rui, Gu shengxia's heart is pulled together.

He also saw ruiruirui today. Doesn't he like Ruirui a little?

"Gu shengxia, you finally show your true face. Do you think it just didn't satisfy you?" Xi Nianchen's mouth was tickled with a teasing smile, sneering with disdain.
