

Cutie Please Marry Me Again Chapter 12

Xi's old house.

"Old lady, are you worried about the operation tomorrow?"

The housekeeper looked at the old lady sitting in front of the window with a sad face and said politely.

Although the old lady didn't show much in the past two days, he had a hunch that she must be in a mess after being with her for so many years.

"Ruirui's operation will go smoothly tomorrow."

The old lady has silver hair and is hale and hearty. Although she has no emotion on her face, she is full of arrogance.

"Yes, young master's operation will be successful."

The housekeeper quickly agreed that their young master was so cute and sensible that God would surely bless the success of the operation.

Finally, the old lady sighed, "what worries me most is ah Chen. When do you think he can save my mind?"

The old lady said, shaking her head helplessly.

"Lao Zhang, do you think I did something wrong?" The old lady looked out of the window at the dark night and said solemnly.

The housekeeper's eyes widened in surprise.

It's nearly twenty years since he served the old lady, but he has never heard her say anything so discouraging.

"Old lady, young master will understand your good intentions." Uncle Butler nodded slightly and said respectfully.

The old lady heard the speech, shook her head, and did not continue the topic.

But the tone suddenly deep a few minutes, then said: "tell him, tomorrow operation don't go, save let ah Chen upset."

The housekeeper listened, nodded and then left the old lady's room.

He didn't need to ask. He knew who the old lady called him.

This person is not someone else, but the father of their young master, that is, the son of the old lady, and now Xi Dong, chairman of Xi's group.

The young master used to live in the old house, but since that happened three years ago, he moved out of the old house.

After that, he seldom came to the old house.

Even if she came, the old lady never gave a good face.

All of a sudden, the family of the original mother and filial son became the most familiar stranger!

The more I think about it, the housekeeper can only feel helpless.

So instead of doing it, he went downstairs to call Xi Dong and tell the old lady.

At this time, Gu shengxia was almost killed by Xi Nianchen!

“Well, I’d better take care of Ruirui here tonight. You’ll have to go into the operating room tomorrow and have more rest.”

Gu shengxia looked at Xi Nianchen, who came to the door of the ward, and said in a low voice.

In order not to let Ruirui find her abnormality, she has tried her best to make her voice smooth, as if nothing happened last night.

“Mommy, Ruirui is an adult. She doesn’t need to be around all the time.”

Rui Rui pretends to frown solemnly, like to teach Gu shengxia a lesson.

“Tomorrow’s operation, I need to get in touch with my son.” Xi Nianchen didn’t turn his head and then walked out.

Seeing this, Gu shengxia gently breathed out a breath, turned to Ruirui and said, “Ruirui Rui, does it really matter that mommy is not here at night?”

On hearing this, Ruirui quickly nodded: “Mommy, tomorrow Ruirui will come out of the operating room, and you have to take care of Ruirui, so you must be energetic when you go back tonight.”

Smell speech, Gu shengxia helplessly looking at his son, once again not at ease charged two.

Then he turned around and followed outside.

Gu shengxia went to the French window outside the ward with Xi Nianchen and stopped.

After Xi Nianchen stood still, she didn't mean to speak at all, and she didn't speak at all.

She didn't want to guess what he was going to say later, because she couldn't think of what he would say besides insulting her.

So, why does she have to guess in vain? Anyway, she won't talk to her calmly.

"Gu shengxia, what do you want?"

Hearing the sound, Gu shengxia subconsciously raised his head and looked at the man's expression reflected from the French window.

The man's sword eyebrows are tight, and his deep eyes are slightly narrowed, radiating wisps of cold.

Why does he still insist on asking her now?

But what if I ask?

He wouldn't believe anything she said, would he?

"Mr. Xi, there will be an operation tomorrow. You'd better go to the room arranged by the hospital earlier to have a rest."

She closed her eyes, gently exhaled a breath, raised her eyes to meet his cold pool like deep eyes, and looked directly at the awe inspiring eyes.

She doesn't trust him to stay, and she doesn't trust Ruirui alone.

"It's not too late for you to get in touch after Ruirui's operation. You all need a good rest tonight."

Gu shengxia thinks what she said is completely reasonable, but he doesn't know why, but he makes the man furious.

Xi Nianchen suddenly turned around. When she couldn't prevent it, she suddenly stretched out her powerful hand and grabbed her slender neck."Ah

Gu shengxia screamed reflexively. The next second, he felt a warm breath coming towards him, and then he had a pair of hands on his neck!

Xi Nianchen, the master of the two hands, was biting his teeth and squinting at her.

Gu shengxia clearly saw that his eyes were burning with anger at the moment, not as cool as before.

Suddenly, the strength on the man's hand increased.

Gu shengxia felt a tremor all over her body, as if a strong current suddenly ran through her body, and her hair stood up one by one.

The next second, the unbearable sense of suffocation suddenly hit the heart, let her hand to pull the man's hand.

"Gu shengxia, do you think I will give you time to speak ill of me in front of Ruirui?"

"Hypocritical woman, I should have thought that in order to achieve your goal, you even use children. You really make me look at you with new eyes!"

Xi Nianchen's deep eyes were cold, and his perfect cold face was dangerously tight.

Under his angry gaze, Gu shengxia felt that he was about to die.

"No, I, I didn't."

Even in his fury, Gu still doesn't want to be misunderstood.

Ruirui is her treasure and her only hope. How can she use her children.

She will not say anything bad about him in front of Ruirui.

Because Nothing to say!

"Xi, Xi Nianchen, let go of me!"

Gu shengxia constantly goes to break Xi Nianchen's hand, but as a woman, her strength is no match for Xi Nianchen's big man!

"I, I have never, never said anything bad about you in front of Ruirui."

A short sentence, Gu shengxia but points out two or three times.

And her face, already because can't breathe, become red.

"Oh, no? Do you think I'll believe what you say? "

"Gu shengxia, you should be glad that Ruirui is ill now, otherwise I will send you directly to the mortuary here!"

Xi Nianchen eyes in the cold light flow, released the hand pinching Gu shengxia neck.

As soon as it is released, Gu shengxia staggers back two steps, leans against the wall, slides down slowly, squats on the ground and breathes heavily.

Just for a moment, she really thought she would die!

“Gu shengxia, after the operation, I will take Ruirui away!”
