

Cutie Please Marry Me Again Chapter 13

what?

Take away Ruirui?

Gu shengxia's eyes widened in horror.

"No, you can't. You can't take Ruirui, you can't."

She could not care about the pain from her neck at the moment, and quickly grabbed the man's suit pants passing by her.

"What did you say?"

The man bowed his head, like eagle Jun's deep eyes, as if there was a cold pool hidden in his eyes, staring at Gu shengxia who was dragging his pants.

"Please, don't take away Ruirui. Ruirui is all I have. I can't live without Ruirui."

She can't lose Ruirui. In the past three years, no matter how tired she is every day, as long as she comes home to see Ruirui Rui, all her fatigue will disappear.

Ruirui is her life.

"Oh, please? Gu shengxia, what qualifications do you have to ask me? "

Xi Nianchen's cold eyes glare at Gu shengxia, and the anger in his eyes is obvious.

Gu shengxia endured the difficulty of breathing and the pain from his heart. He raised his head and said in a hoarse voice, "Ruirui can't do without me."

"I can't do without Ruirui. I've promised you all the conditions I said before. Why do you want to rob Ruirui with me now?"

"Rob?" Xi Nianchen heard the speech as if he had heard what a ridiculous remark.

"I'm just taking my son. How can I rob him?"

"Don't you have someone you like? You can give birth to the crystal of your love with her and have your children, so don't take my ruiruirui away. "

Gu shengxia raises her head, listens to Xi Nianchen's cold and heartless words, and looks at the man's handsome face, whose smile makes her cold.

"Besides, you don't have the right to take Ruirui. Grandma won't agree."

Gu shengxia's red eyes suddenly look into his eyes covered by broken hair.

She could not help but be familiar with the deep fire inside, and he did not seem to hear her words, still standing like a blockhouse.

Just Gu shengxia knew that it was just the calm before the storm.

How can such a man be calm when he hears such an obvious threat from her?

But Gu shengxia was wrong.

Because Xi Nianchen has never been a man who plays cards according to common sense.

He didn't directly shake off Gu shengxia's hand holding his trousers, but slowly squatted down, and his sight was the same as Gu shengxia's.

He regained his low voice, which sounded in Gu shengxia's ear.

That is different from just fierce tone, at the moment his murmur is as deep and sexy as cello, it is easy to bewitch people.

The pair of hands that just pinched her are not angry, gently stroking her face.

"Threaten me?"

Gu shengxia's feeling of fear was even worse, especially when he saw Xi Nianchen's strange smile.

"No, no, I just beg you not to take Ruirui away from me, I beg you."

"Gu shengxia, since you care so much about ruiruirui, how can I not take away ruiruirui?"

"What do you mean?"

Gu shengxia felt that a terrible idea came out of his heart.

Does she know that she cares about Ruirui, so she has to take Ruirui?

"You didn't want Ruirui three years ago, and now you can't come and rob me." Gu shengxia can't help saying.

"Gu shengxia, if you let Ruirui know that his mother had been raped by me like a Ji / girl, what would he look like?"

Stunned, surprised, angry, all filled in Gu shengxia's chest, she has enough to let himself down, but why is this man still so reluctant?

"It's insulting to my blood that you gave birth to my son Xi Nianchen."

Smell speech, Gu shengxia can't help but bite Xi Nianchen's big hand that is constantly stroking her mouth.

See long, Xi Nianchen tiny Leng for a moment, also didn't draw a hand, but a gloomy face, so looking at.

After a long time, he said, "Oh, if it's really a whore, it's biting people. I'm afraid my son will be polluted if I leave Ruirui beside you like a mad dog."

Xi Nianchen suddenly gets up and kicks Gu shengxia away. It's like kicking away the garbage that sticks to him.

See, Gu shengxia more uncomfortable, he absolutely can't take Ruirui away from her, can't.

But she wanted to grab the hand of the man's clothes, did not stretch out, to see the man suddenly turned around, ruthlessly a cold eye, stare her completely dare not act rashly.

"Gu shengxia, what Xi Nianchen wants to do, no one can stop him."

With that, he walked towards Ruirui's ward.

And Gu shengxia sits on the ground for a long time and can't react. She doesn't know why Xi Nianchen suddenly wants to take ruiruirui away.

Stunned, Gu shengxia's mobile phone in his pocket suddenly rings. She suddenly woke up from her thoughts, flurried out of the mobile phone, also did not have time to see who called.

“Don’t let me see you again today, or you will never see Ruirui!”

Hearing the sound, Gu shengxia only felt cold from the inside to the outside and trembled in his heart.

“Dudududu...”

In the whole process, there was only the cold voice on the other side of the phone, and the busy sound from the phone at the moment.

Gu shengxia did not dare to doubt the credibility of Xi Nianchen’s words. As he said, no one could stop him from doing what he wanted to do, even an old lady!

So she stood up on the cold, wobbly ground.

In a trance, she didn’t know where she was going. When she went back to her old house, the old lady would find out, and her home She didn’t want to go back.

Think about it, this time can accommodate her, only her studio.

When Xi Nianchen stood by the window upstairs and saw Gu shengxia’s lonely figure when he left, his brow was always tight.

Ten minutes later, Zhou Lijiang stood behind Xi Nianchen, nodded respectfully and said, “Xi Shao, Miss Gu went to her studio and didn’t go back to her old house.”

The man hears speech, flashed a trace of surprise in the eye.

He thought that after he insulted her like that, she would go to the old house to complain, but why didn’t she?

Isn’t this a good opportunity?

Tell the old lady everything he said today. The old lady will definitely stand on her side and try to let him stay.

“Xi Shao, all the things that happened to Miss Gu in the past three years have been sent to your email.”

“Besides, I don’t know what to say, not what to say.”

Zhou Lijiang’s handsome face was covered with the black rimmed eyes of a black Taoist. Under the eyes, the brown eyes showed different cunning.

“He said Xi Nianchen turned his back to Zhou Lijiang and said coldly.

“According to the information, Miss Gu is not a vain woman, but...”

“week assistant, is it too busy?”
