

Cutie Please Marry Me Again Chapter 19

“Nonsense?”

“You’ve really exalted me. After all, no one is more fond of mischief than you, are you

Xi Nianchen sneers and opens his mouth. His dark eyes flow between Gu shengxia and Xi Dong from time to time.

Let Gu shengxia look at it, it’s really a little disgusted.

“Oh, isn’t it nonsense to impose my little lover on me?”

Little lover? Imposed on Xi Nianchen?

Gu shengxia, what do you mean?

“Son of a bitch!”

There was only a violent drink, and the rage around Xi Dong was raging.

Gu shengxia didn’t know why, so he stood aside and looked at the scene, even more afraid to speak.

I have lived in Xi’s old house for three years. Although I haven’t seen him many times, I know that the old man’s nature is very violent, but I have never seen him lose his temper.

At the beginning, when Wen Jing just knew that she and Xi Nianchen were getting married, she searched out all the information of Xi’s family on the Internet.

One of them is about Xi Lao.

Xi's life is also a legend.

When he was young, he was famous for being cold-blooded, intelligent and ruthless.

Among them, ruthlessness is his standard.

Therefore, basically no one dares to say so boldly in front of him.

Since no one dares to provoke, there will be no topic about his rage.

But today, Gu shengxia really saw the old man's angry and terrible expression.

"Xi Nianchen, Sheng Xia is your wife, the one who wants to live with you for a lifetime, and gave birth to Ruirui for you. What's your attitude?" Xi Dong roared angrily.

Even the housekeeper Chen Min, who was standing beside Xi Dong, was frightened.

Young master, when he talks to the master, he is too crazy!

No matter what deep hatred the father and son have, the young master can't talk to his father like this.

But at the thought of his identity, Chen Min's words were swallowed by himself.

He is not qualified to say anything, after all, these things still need their father and son to solve.

"Since she's my wife, I can do anything to her, can't I?"

With that, he looked straight at Gu shengxia's shrinking eyes again.

Gu shengxia is in a passive state at the moment, she dare not disobey the man's meaning, otherwise he will really take Ruirui away!

"Dad, don't be angry. This is the hospital. I'm with We will deal with our relationship with Nianchen. "

"Midsummer."

Xi Dong said in a low voice.

On hearing this, the housekeeper hurried forward, looked at Xi Dong respectfully and said, "master, there will be a very important meeting in the company tomorrow. Let's go first."

Gu shengxia didn't wait for Xi Dong to speak again, so he quickly said, "Dad, Ruirui is alone in it. I have to take care of him. I won't see you off."

Finish saying, toward Xi Dong tiny nod, then turn round, escape also like toward Ruirui Rui ward.

As soon as Gu shengxia left, Xi Nianchen's smile became colder.

"Is it painful?"

See Xi Dong angry with a face of wind and rain, Xi Nianchen psychology is more comfortable, "since heartache, why married?"

Words fall, Xi Nianchen turns to follow to leave, completely did not care about Xi Dong's mood.

Finally, I heard his voice, with a strong disdain and hate, said: "you so to Midsummer, will regret."

Smell speech, Xi Nianchen fidgety frowned, this is he came back, the second time to hear this words!

It seems that in the three years of his absence, this woman really won the hearts of the people around him.

Just walked to the door of Ruirui's room, heard the mother and son's conversation inside.

"Mommy, are you really OK?" Ruirui looks at her red and swollen eyes anxiously.

For her change, Ruirui has always been very sensitive.

"Ruirui, Mommy is really OK. You've been talking for a long time when you wake up. You need to rest so that we can go home early."

Gu shengxia sat on the chair beside the bed and gently rubbed Ruirui's short black hair with her hands. She said fondly.

"Kerui can't sleep."

Ruirui's pretty eyebrows are slightly wrinkled.

On hearing this, Gu shengxia couldn't help worrying and asked: "is it because the blade is too painful to sleep? Mommy is going to call the doctor for you

Gu shengxia just got up and was grabbed by Ruirui.

"Mommy, don't call uncle doctor. I'm really OK, just It's boring."

Think for a long time, Ruirui also can only use good vexed two words to describe oneself at the moment some exultation, and some uneasy mood.

Know your son better than your mother.

After all, it's her own son. Ruirui's little mind can't escape Gu shengxia's eyes. She takes the position again. "Is it because of your daddy?" he said with a smile

Xi Nianchen at the door stopped his hand on the doorknob.

He admits that eavesdropping is shameful, but he still wants to know what dialogue they will have next, and even he wants to know what Ruirui's attitude towards him is.

"Mommy..." Being guessed, Ruirui blushes with embarrassment.

Seeing this, Gu shengxia can't help sighing. After all, Ruirui is still a child, and his age is just the time to yearn for father's love.

It's just that even Ruirui's little wish can't be achieved.

"Does Ruirui like Daddy?" Gu shengxia restrained his emotion and continued to ask with a smile.

"I don't know."

Ruirui doodle mouth, a pair of I completely don't know the expression.

"Ruirui, that's what your daddy can like, and your daddy also likes ruiruirui very much." Gu shengxia slowly opened.

"Does he like me?" Ruirui asked uncertainly.

"Of course, Ruirui is so sensible and lovely. Daddy will definitely like Ruirui."

"What about Mommy?"

Ruirui's words caught Gu shengxia off guard.

"Does Mommy like Daddy?" Ruirui asks again.

Kindergarten children say that children are the crystallization of their parents' love.

He knew that there was no relationship between his parents, but he hoped there was, but he didn't force it.

"Ruirui, mummy has never kept anything from you, so mummy doesn't intend to keep it from you."

Without waiting for Gu shengxia to speak again, Ruirui said seriously: "Mommy, Ruirui is sleepy and wants to sleep."

Gu shengxia knows that since the child doesn't want to listen, she won't speak.

"Well, go to sleep. Mommy will be with you."

And Xi Nianchen, who is outside the door, has a tight brow. The woman should not know that he is standing outside the door now, so she is talking from the heart now?

Oh, I don't have feelings for him, so I married him shamelessly at the beginning?

It seems that I really do everything for money.

In anger, Xi Nianchen turns around and goes to his ward next door.

Xi Nianchen, who has just returned to the ward, suddenly rings his mobile phone. When he sees who the caller ID is, his cold eyebrows become soft.

“Hello, ah Chen, I miss you.”

A woman’s weeping voice came over the phone.
