

Cutie Please Marry Me Again Chapter 20

A week later, Ruirui was discharged.

“Mommy, don’t forget what you promised me.” Once back to the old house, Ruirui excitedly drags Gu shengxia and says.

The old lady was watching, squinting lovingly at her great grandson.

Said: “ruiruirui and your mother have a little secret, can’t let Grandma know?”

“Of course not. You’ll know later, granny.”

“Oh, by the way, grandma, do you know where daddy is?” Ruirui blinks big black eyes and looks at the old lady naively and asks.

“It should be in the study.”

Ruirui nodded and said, “thank you, granny. I have something to go to Daddy. I’ll come down later to accompany granny.”

On hearing this, the old lady immediately exclaimed, “Oh, I’m going to be jealous. As soon as my baby great grandson came back, he went to look for daddy. In the past, he used to look for grandma Tai.”

“Granny, your acting skills are as good as ever.”

Ruirui smiles and kisses the old lady.

“Hurry up. I know you can’t wait.”

Ruirui “hee hee” a smile, then slowly toward the upstairs study.

Looking at the Ruirui who slowly goes upstairs, the old lady's eyes are softer. Maybe this is the tie between father and son.

Even if you haven't lived together, you will naturally get close.

But if the old lady wants to know what Ruirui went to Xi Nianchen to say, she will never think so.

There are only Xi Nianchen and Gu shengxia in such a large study.

He put his hands in his pockets and stood in front of the rectangular desk close to the wall. Like a lion waking up from a deep sleep, he was staring at her dangerously.

He is too powerful to be angry.

So that Gu shengxia only felt that in the whole space, the whole person felt depressed and had difficulty breathing.

She swallowed and choked, looked at the man, and constantly cheered herself up in her heart.

She told herself over and over again that the man in front of her was a little bit cruel, a little bit black, a little bit abnormal, it's all right.

After all, she just came in to say that Ruirui was discharged from hospital, but Gu shengxia found that his stare made her unable to make a sound for a long time.

"Dumb?" suddenly, Xi Nianchen took the lead in saying.

As soon as he spoke, Gu shengxia took a deep breath and tried to calm himself down.

“Ruirui will live in the old house. In order to avoid unnecessary trouble, I will find an excuse to move out.”

“Move out?”

Welcoming Xi Nianchen’s disdainful sight, Gu shengxia said again: “since you have agreed to test tube baby, then find time to go to the hospital for an examination.”

“In addition, you may need to go to the hospital to do more cooperation.”

“Come here.”

In addition to the commanding dignified tone, the handsome man couldn’t find a second expression.

It is this kind of imperative tone again, hear Gu shengxia’s ear, is more and more uncomfortable.

Why on earth did he trample on her dignity again and again?

Seeing the woman’s hesitating expression, Xi Nianchen walked around the long table, stepped forward, and went straight to her. He grabbed her chin, his face full of sarcasm.

“I thought it would take some time for you to recover, but I didn’t expect that as soon as Ruirui was discharged, you couldn’t help it.”

“Woman, you are really hypocritical, let me look at it with new eyes.”

Gu shengxia frowned and wanted to wave away the hand that the man held her chin. Just the next second, the man wrapped her tightly in his arms and pressed her on the door.

“Dangdang...”

The sudden knock on the door, let Gu shengxia close breathing, for fear of a little bit of noise inside, let the outside hear.

“Someone’s coming. Let me go.” Gu shengxia hurriedly lowered his voice and refused Xi Nianchen’s embrace.

But the man pulled down his face because of her resistance.

His eyes bottom a dark, stretch out a hand then the small woman on the body tightly pressed on the door.

“No one?”

Ruirui doesn’t understand the voice from outside. Grandma Mingming said that she was busy. Is it inconvenient to talk?

Ruirui scratched his head, didn’t think much, and continued to knock on the door: “Daddy, are you in there?”

As soon as he heard Ruirui’s voice, Gu shengxia’s struggling action was even bigger: “you release me quickly, Ruirui is outside.”

“Don’t move!”

Suddenly, hearing his warning, Gu shengxia froze in his arms in horror, and his confused eyes stared at him stubbornly.

Gu shengxia really doesn’t want Ruirui to know what’s going on inside, but the man is just like eating him. His body is constantly pressing on her.

Suddenly, a place was hard to top for a while, originally some pale face, instant burst red. It was almost reflexive. Before her hand was raised, she had no time to fall, and was suddenly held by the man.

He has a lot of strength, Gu shengxia “ah” a pain exhaled sound, immediately feel the wrist to be broken by him.

“Mommy?”

Ruirui’s uncertain voice comes again. As soon as he and Mommy come back from the hospital, Mommy will go to the room, but it’s clear that mommy’s voice just came from inside.

“Mommy, are you in there with daddy?”

“Let go!” Gu shengxia twisted her eyebrows and struggled.

But, in front of a man, her strength is like an ant, where can she earn it?

The next second, the man’s strong kiss down.

The man seems to be intentionally general, constantly refresh the bottom line Gu shengxia bear, the hand is more irregular began to stretch into her clothes.

Just as she was about to be conquered, the man suddenly released her lips, stuck them to her ears and opened his mouth slowly.

“If you don’t want Ruirui to know what you’re doing in it, just bear not to make a sound.”

Xi Nianchen raised his lips slightly, with a smile that seemed to be absent.

Gu shengxia was very angry. He looked down at the back of the man’s hand and bit it.

Bite very hard, merciless, and soon the back of the man's hand will seep blood.

Xi Nianchen didn't move. She just frowned. Her eyes were colder. Does this woman belong to a dog?

"Gu shengxia, give me enough!"

His low voice was slowly lowered, and his tone was full of strong warning.

But also took the opportunity to open up the distance between the two.

They didn't make a particularly loud sound, the purpose is not to let the outside Ruirui find anything.

Just as Gu shengxia was about to speak, Xi Nianchen said to him, "ruiruirui, come back in ten minutes. Now I have something to tell your mother."

When Ruirui listens, it turns out that mommy is really in there. He thinks he just heard it wrong, but why does Mommy come to daddy?

"Good."

Although curious, but Ruirui Rui or very clever said.

Hearing the footsteps outside, Gu shengxia slowly said, "enough is enough?"
